

**State of Oklahoma
Department Of Rehabilitation Services
Transition School-to-work: Work Study**

This agreement, consisting of sixteen (16) pages (the "Contract"), is hereby made between the Oklahoma Department of Rehabilitation Services ("DRS") and

**Sapulpa Public Schools
511 E. Lee Avenue
Sapulpa OK 74066-4633**

("Contractor" or "School") and constitutes the entire agreement between the DRS and the Contractor, and no other representations are given or should be implied from written or oral agreements or negotiations that preceded the Contract.

RECITALS

WHEREAS, the Oklahoma Department of Rehabilitation Services is authorized to make and enter into all contracts necessary or incidental to the performance of its duties, and may purchase or lease equipment, furniture, materials and supplies, and incur such other expenses as may be necessary to maintain and operate the Department, 74 O.S. § 166.1.C; and

WHEREAS, the Individuals with Disabilities Education Act (IDEA) and the Rehabilitation Act both provide for transition services for children with disabilities to facilitate the child's movement from school to post-school activities including employment, 20 U.S.C. § 1401(34) and 29 U.S.C. § 721(a)(11)(D); and

WHEREAS, the Oklahoma Department of Rehabilitation Services is authorized by rules promulgated by the Oklahoma Commission for Rehabilitation Services at Subchapter 7 of Chapter 10 of Title 612 of the Oklahoma Administrative Code to implement the Transition from School-to- Work Program; and

WHEREAS, in the School-to-Work program, there are many services needed. Some of these services are provided by the school under the individualized education plan (IEP) and some are provided by the Oklahoma Department of Rehabilitation Services under the individualized plan for employment (IPE). Other services may be provided by the parents, Career Tech, and others. A major component of the Transition School-to-Work program is work-readiness training and work experience. The work experience can be provided through Work Adjustment Training or the three types of Work Study Programs.

NOW THEREFORE, the parties agree as follows:

I. Contract Period

The Contract is effective from the latest date of signature of both parties or October 1, 2026, whichever is the latter, through September 30, 2027.

I. Contract Services

Students eligible to participate in Work Study (School Work Study, Worksite Learning, Employer Work Study) include those:

- with documented disabilities (includes IEP, 504 Plan, or other documents), who have been determined eligible for DRS services or are on a trial work plan as determined by the DRS counselor;
- with an approved DRS case;
- with an individualized plan for employment (IPE) in place;
- with School Work Study (SWS) as a line of service on the IPE;
- who are at least sixteen (16) years of age; and
- who are attending high school.

All students participating in Work Study shall be DRS clients.

Students participating in Work Study may do so for **no more than 24 cumulative months**, as authorized in the form of Authorization(s) for Purchase(s) provided by the DRS counselors prior to the students starting work. In order for the School to be reimbursed for wages paid to a student participating in School Work Study and/or Worksite Learning, the School must have received authorization in the form of an Authorization for Purchase from the DRS counselor prior to the student starting work.

The months do not need to be consecutive. Based on individual needs and barriers due to disability, there may be exceptions where the student requires more time to make additional progress. In that instance, the DRS counselor may authorize additional time. Summer months spent in Work Study count in the 24 cumulative months. Transportation, scheduling, administrative or family convenience, or family/individual income needs are not acceptable reasons to extend Work Study beyond 24 cumulative months.

Participating students may work **no more than 15 cumulative hours per week during the school year** (i.e., during the day, evenings, weekends, or holidays). In each of the cases described above, the students **must** be given school credit for their participation during the school day, and the School staff and the DRS counselor will provide important guidance and instructional help around the work experience. If the student works after school hours, in the evening or on weekends, the School may also choose to give the student school credit and is encouraged to do so to support earning elective credits. The School will provide staff to work with the DRS counselor in the area of transition. The School will have at least one (1) person designated to serve as the “teacher/transition coordinator”. Paraprofessionals could serve as transition coordinator or could also be assigned to help with the process and documentation. The School agrees to provide designated staff time for performing the needed duties related to transition. The School agrees to fully inform the staff responsible for carrying out the duties set forth in the Contract. This includes providing all necessary staff with a copy of the Contract.

Students wishing to continue working through the summer as part of Transition School-To-Work: Work Study may do so if the School has a current contract in place.

During the school year - The maximum number of hours worked per student that is reimbursable by the DRS **cannot** exceed 15 cumulative hours per week during the school year. The DRS will reimburse 100% of the wages paid by the School for a maximum 15 cumulative hours per week

During the summer months - The maximum number of hours worked may exceed 15 cumulative hours and no more than 20 per week for summer work only when pre-approved by the DRS counselor. The DRS will reimburse 100% of the wages paid by the School for a maximum 20 cumulative hours per week. Students may work a maximum 20 cumulative hours per week beginning with the first day of summer break. However, upon the first day back to school, the students must go back to working no more than a maximum 15 cumulative hours per week. All Child Labor Laws apply and must be adhered to.

<https://www.dol.gov/general/topic/youthlabor>

The School is required to continue supervising, monitoring, and reporting on students working in the School or in the community during the summer.

Paid work positions must reflect **real work/jobs** and include tasks that would normally be a function of that position. The students must be learning skills that will transfer to competitive, integrated employment in the community. Classroom instructional time does not count as work. The School must ensure that students have access to a wide variety of work/job types and must also ensure the School has enough work to cover the number of students intended to participate in the program. Examples of work/jobs within the School include, but are not limited to, the following:

- office assistant/mail clerk - deliver mail/messages, stamping, sealing, organizing, cleaning, stocking, inventory, ordering, shredding, answering phones, making ID badges, laminating, taking messages, greeting visitors;
- transportation assistant - cleaning buses inside and out, light vehicle maintenance, checking fluids, tire pressure, assisting with trip tickets, cleaning bus barn;
- teacher's aide - reading to groups/individuals, cleaning, organizing, light grading, bulletin boards, listening to students read, engage students in activities, shredding, making copies;
- custodial -operating electric floor cleaning machines, simple maintenance, taking out trash, cleaning classrooms, sanitizing, dusting lockers and trophy cases, cleaning windows, restocking bathrooms, vacuuming rugs;
- manager of sports team - scorekeeping, ordering, inventory, hauling/moving equipment, washing towels, preparing water jugs and equipment for practices and games;
- information technology assistant - using compressed air to clean computers and keyboards; replacing batteries, mice and keyboards; cleaning monitors; deliveries to students and/or teachers; organizing order tickets;
- clerk in school store or coffee/snack cart - greeting, stocking, inventory, organizing, ordering, taking orders, filling orders, taking money and making change, cleaning, making displays;

- cafeteria assistant - wiping down tables, taking out trash, loading dishes, preparing food and utensils, stocking, serving, organizing;
- library aide - greeting, accepting books, checking books out, shelving books, research, cleaning, organizing, doing displays, answering phones; and
- landscaping/maintenance - mowing, weed eating, edging, pulling weeds, cleaning up flower beds, planting flower beds, selecting flowers/plants, planting in flower beds, trimming trees/shrubs, raking and bagging leaves, picking up trash from parking lot or around school grounds, light repairs on school properties, such as replacing light bulbs, painting, exterminating pests, etc.

The same guidelines should be adhered to when selecting community placements for paid work experiences.

In the final nine (9) months of the student's Work Study (School Work Study, Worksite Learning, Employer Work Study), the student must work for an employer outside of the school or school district, unless otherwise approved by the DRS counselor.

Students may not work in their family-owned business unless approved by the DRS counselor. This includes farms and other businesses.

Participation in School Work Study and/or Worksite Learning is limited to students who are **actively enrolled in high school and eligible for transition services**. Upon graduation with **either a standard diploma or an alternate diploma (OAAP)** and official exit from the school district, students receiving services under this Contract must cease work on the last day of the school year. Participation in these programs may not continue beyond the student's high school exit.

A. Work Study Program

There are two types of Work Study through DRS:

1. School Work Study (SWS) allows students with disabilities to **work on the School campus**. The students are supervised or closely monitored by School personnel, and the School pays the students a wage, with the **DRS making reimbursement to the School** for that payment. The **School maintains liability** for the students while working on campus.
2. Worksite Learning allows students with disabilities to **work in the community**. The students are supervised or closely monitored by School personnel, and the School pays the students a wage, with the **DRS making reimbursement to the School** for that payment. The **School maintains liability** for the students while working off campus.

B. Other Work Opportunities

This is not a Work Study through DRS:

1. Employer Work Study allows students with disabilities employment experience in **part-time jobs in the community**, with the employers paying the wages/salary(ies). In this

instance, the students are employees of the community employers, **employers maintain liability**, and **the DRS does not reimburse the employers for the wages/salary(ies)**.

A. Contractor's/School's Obligations

The Contractor's/School's designated teacher/transition coordinator shall:

1. be knowledgeable about the contents and requirements of the Contract;
2. have received written authorizations from the DRS counselors prior to initiating work study services for eligible students or paying for work study services rendered by eligible students (i.e., not starting a student to work before the DRS has approved in writing);
3. serve as a member of the IEP team and make decisions for job placement as a team;
4. provide information regarding the program to School personnel, students, and parents;
5. provide job readiness instruction and assistance to the students in the program prior to starting their jobs (e.g., helping them prepare for interviewing for the potential position) through transition services or five core pre-employment transition services:
 - a. job exploration counseling;
 - b. work-based learning experiences;
 - c. counseling on opportunities for enrollment in postsecondary education (college, CareerTech, trade education, professional certification, etc.);

9. document such transition services or pre-employment transition services provided and completed by participating students;
10. provide such documentation to the DRS counselor at the end of each semester;
11. submit (at the same time and by the 15th of the following month or whenever payroll is run by the School for their payment cycle) monthly invoices/pay stubs, time sheets, progress reports, and proof of payment to students for reimbursement of the wages paid to students participating in School Work Study and/or Worksite Learning; and
12. ensure the electronic copy of the contract is routed to the appropriate person for signature and returned electronically to the DRS.

If claiming mileage reimbursement for the School's teacher/transition coordinator's travel to and from the job sites of participating Work Study students, the School shall submit monthly itineraries and travel claims that have been signed and verified by the School's designated signer.

B. DRS's Obligations

The DRS counselor shall:

1. provide authorization in the form of an Authorization for Purchase to the School's teacher/transition coordinator prior to the School initiating services for each eligible student participating in School Work Study and/or Worksite Learning;
2. provide a written/emailed approval to the School's teacher/transition coordinator prior to the initiation of a student's participation in Employer Work Study;
3. accept referrals, process applications, and help to organize the IEP and the IPE;

8. support students' job placement efforts, including tracking and regular follow up with students on their progress;
9. collaborate with the School's teacher/transition coordinator to keep track of all students who are taking part in the program, their place of employment, job title, and the skills they are learning or practicing, at least once per semester or whenever new students join, or job duties change;
10. monitor students' progress at job sites;
11. ensure that the School is submitting monthly timesheets, progress reports, proof of payments to students, and documentation of transition services or pre-employment transition services (as completed) on a regular basis;
12. provide reimbursement to the School for wages paid to students participating in School Work Study and/or Work Site Learning;
13. provide mileage reimbursement at the state rate for the School's teacher/transition coordinator's travel to and from job sites of students participating in School Work Study and/or Worksite Learning; and
14. provide support in assisting students graduating into Employer Work Study.

C. Student Wage

1. The DRS and the School agree that students who are employed by the School as part of a training program are not independent contractors, but employees of the School. **The School agrees to deduct state and federal income tax from wages paid to the student.** The School is responsible for costs incurred for workers' compensation or other expenses not included in the minimum wage reimbursed by the DRS, as part of its contribution toward providing coordinated transition services outlined in the Individuals with Disabilities Education Act (IDEA) and the Workforce Innovation and Opportunity Act (WIOA).
2. The DRS and the School further agree that **IRS regulations provide that services performed by a student who is employed by the school in which the student is enrolled are not considered "employment" for purposes of FICA (Federal Insurance Contribution Act—Social Security and Medicare) and FUTA (Federal Unemployment Tax Act—employment tax) payroll deductions.** 26 C.F.R. § 31.3121(b)(10)-2(a)(1) and § 31.3306(c)(10)-2(a). The rules provide that the services

performed by the student must be incident to and for the purposes of pursuing a course of study at the School. 26 C.F.R. § 31.3121(b)(10)-2. **The DRS and the School agree that students who are employed by the School as part of a training program are not subject to FICA or FUTA, except as otherwise provided below.** The employee/student must be enrolled and regularly attending classes at the school where they are employed to have the status of a student within the meaning of the regulations. This exemption does not apply if the student is working for a private employer through Employer Work Study, rather than for the School as part of an internship program. *The student must be employed by the School in order for the exception to apply.* The Oklahoma Employment Security Act provides that employment as part of a work-training program is exempt from the definition of “employment” and, therefore, not subject to the Act and, therefore, should not be documented as wages paid in quarterly submissions to the Oklahoma Employment Security Commission (OESC). 40 O.S. §1-210 (15)(I). **At the end of the calendar year, students are to be provided a W-2 (Wage and Tax Statement), and not a 1099-Misc form for independent contractors.**

1. In order for the School to be reimbursed for wages paid to a student participating in School Work Study and/or Worksite Learning, the School must have received authorization in the form of an Authorization for Purchase from the DRS counselor prior to the student starting work.

I. Compensation

A. Contract Amount

The DRS shall reimburse the Contractor as follows:

- school months –the current federal minimum wage. EXEMPT from FICA and FUTA, thus should not be taken out of the student’s check.
- summer months –the current federal minimum wage, plus FICA and FUTA, as summer months are NOT exempt due to the student not being enrolled at least half-time in school.

Payment shall be made upon receipt of properly completed and approved invoices/pay stubs, time sheets and progress reports documenting the provision of services and/or receipt of proper claims for reimbursement of travel expenses pursuant to the contract for services. By law the **DRS cannot pay** in advance. Neither the Contractor nor any other parties may rely upon any amount set by the DRS in the Contract, or otherwise, as a guaranty, warranty, or any other promise of receipt or payment of that amount, except for those goods and/or services provided to and accepted by the DRS pursuant to the Contract.

The **DRS will cancel the Contract if procedures are not followed** (e.g., putting students to work before authorized, inappropriate job placements, delayed billing, not submitting proper documentation as outlined in the Contract). If a settlement/ratification agreement must be reached between the Contractor and the DRS, the Contractor will receive only 50% of the funds for which it is seeking reimbursement.

The Oklahoma State Constitution, Article 10, Section 23 states, “Balanced Budget - Procedures. The state shall never create or authorize the creation of any debt or obligation, or fund or pay

any deficit, against the state, or any department, institution, or agency thereof, regardless of its form or the source of money from which it is to be paid, except as may be provided in this section and in Sections 24 and 25 of Article X of the Constitution of the State of Oklahoma.”

An express or written contract is a document evidencing, among other things, the mutual consent of the contracting parties. The written document becomes effective when the parties have signified their mutual consent by the act of signing it. The act of signing occurs when it occurs and applies only to events in the future.

To ensure you stay within the law and that you receive full compensation for services provided, please wait for official written documentation from your DRS counselors as to when a service may actually begin for an approved DRS client. The DRS CANNOT backdate in order to pay for services for any youth with disabilities.

According to 70 O.S. § 5-142, school districts must conduct national criminal record background searches and fingerprinting on prospective employees. Therefore, the DRS will reimburse the School up to fifty dollars (\$58.25) per DRS client who:

- * is going to participate in School Work Study and/or Worksite Learning;
- * is at least eighteen (18) years of age; and
- * has not previously had a criminal background check completed by the school district or any other school district in Oklahoma.

This reimbursement will occur upon request and submission of properly completed documentation to the DRS counselor. If the Contractor chooses to request the expedited background check from the Oklahoma State Department of Education, the Contractor will be responsible for any additional fees beyond the fifty dollars (\$58.25).

A. Payment

The State of Oklahoma has forty-five (45) days from receipt of properly completed and approved invoices/pay stubs, timesheets and progress reports documenting the provision of services and/or receipt of proper claims for reimbursement of travel expenses pursuant to the contract for services to make payment to the Contractor. Invoices/pay stubs, timesheets, progress reports, and claims shall be sent to the DRS counselor who authorized services for each DRS client. **DRS cannot reimburse wages for School Work Study and/or Worksite Learning hours that were not authorized in the form of an Authorization for Purchase provided by the DRS counselor prior to the student starting work.** The DRS counselor’s name, address, and telephone number are shown on each DRS client’s Authorization for Purchase. If the State of Oklahoma fails to make payment within the forty-five (45) days, the Contractor is eligible to receive interest on the unpaid balance due per State of Oklahoma Statutes. The Contractor is responsible for claiming the interest. Pursuant to 2 C.F.R. § 200.407(n), 2 C.F.R. § 200.441, the DRS shall not use federal funds or non-federal funds used for vocational rehabilitation (VR) match to pay interest assessed for late payments to the Contractor.

B. Lapse Of Invoices/Claims

Properly completed and approved invoices/pay stubs, timesheets, and progress reports documenting the provision of services and/or proper claims for reimbursement of travel expenses pursuant to the contract for services shall be submitted within ninety (90) calendar days of the provision of those services and/or incurrence of those travel expenses. Supporting encumbrances may be cancelled upon a lapse of six (6) months from the actual provision of services and/or incurrence of travel expenses pursuant to the contract for services, unless specified otherwise in the Contract.

I. Standard Terms

A. Non-Discrimination

The Contractor shall at all times comply with all applicable federal laws relating to nondiscrimination, including but not limited to the Civil Rights Act of 1964 (42 U.S.C. §2000 *et seq.*), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794), the Americans With Disabilities Act of 1990 (42 U.S.C. §12101 *et seq.*), Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 *et seq.*), the Age Discrimination in Employment Act (42 U.S.C. §6101 *et seq.*), and all amendments to these acts, and all requirements imposed by the regulations issued pursuant to these acts. Contractor acknowledges and agrees that it will take no action, make no decision, and grant no preference or disadvantage, directly or indirectly, based on a person's race, color, national origin, ethnicity, religion, sex, or marital status.

B. Lobbying Activities

The Contractor certifies the following:

1. No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer of Congress in connection with the making of any federal grant, the entering into of any cooperative agreement, and the extension, renewal, amendment or modification of any federal grant, or cooperative agreement;
2. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

C. Debarment And Suspension

In accordance with Presidential Executive Orders 12549 and 12689, the Contractor certifies that neither it nor its principals are presently debarred, suspended or otherwise disqualified for participation in federal assistance programs. Such certification is a material representation of fact upon which reliance is being placed when entering into the Contract. A determination that the Contractor knowingly rendered an erroneous certification, in addition to other available remedies, may result in whole or partial termination of the Contractor's default.

Additionally, the Contractor shall promptly provide written notice to the Oklahoma state purchasing director if the certification becomes erroneous due to changed circumstances.

A. Drug-Free Workplace

The Contractor certifies compliance in providing or continuing to provide a drug-free workplace in accordance with the Drug-Free Workplace Act of 1988.

B. Modification

The Contract may only be modified by mutual consent of the parties in writing.

C. Cancellation

1. **With Cause:** In the event the Contractor fails to meet the terms and conditions of the Contract or fails to provide services in accordance with the provisions of the Contract, the DRS may upon written notice of default transmitted via Certified Mail to Contractor, cancel the Contract effective upon receipt of notice or at 5:00 PM on the fifth calendar day from the date DRS mailed the notice, whichever occurs first. Such cancellation shall not be an exclusive remedy but shall be in addition to any other rights and remedies provided for by law. In the event a Notice of Cancellation is issued, the Contractor shall have the right to request a review of such decision as provided by the rules and regulations promulgated by the State of Oklahoma, Office of Management and Enterprise Services.
2. **Without Cause:** It is further agreed that the Contract may be canceled by either party by providing thirty (30) days prior written notice.

D. Access To And Retention Of Records

The Contractor shall maintain adequate and separate accounting and fiscal records and account for all funds provided by any source to pay the cost of the Contract. Authorized personnel of the U.S. Department of Education or other pertinent federal agencies, and authorized personnel of the Oklahoma Department of Rehabilitation Services, State Auditor and Inspector, and other appropriate state entities shall have the right of access to any books, documents, papers, or other records of contract which are pertinent to the performance or payment of the Contract in order to audit, examine, make excerpts and/or transcripts.

The Contractor is required to retain records relative to the Contract for the duration of the Contract and for a period of seven (7) years following completion or termination of the Contract, unless otherwise indicated in the Contract terms. If a claim, audit, litigation or other action involving such records is started before the end of the seven-year period, the records are required to be maintained for two (2) years from the date that all issues arising out of the action are resolved or until the end of the seven-year retention period, whichever is later.

E. Subcontracting

The services to be performed under the Contract shall not be subcontracted, in whole or in part, to any other person or entity without written approval by the DRS. The terms of the Contract, and such additional terms as the DRS may require, shall be included in any subcontract. Approval of the subcontract shall not relieve the Contractor of any responsibility for performing the Contract.

A. Compliance With State And Federal Laws

The Contractor shall comply with all applicable state and federal laws, rules and regulations relevant to the performance of the Contract. Compliance shall be the responsibility of the Contractor, without reliance on or direction by the DRS.

B. Travel

The travel expenses to be incurred by the Contractor pursuant to the Contract shall be included in the total amount of the contract award. The DRS will only pay travel expenses (including per diem) specified in and charged against the total amount of the contract award. In addition, the DRS will not reimburse travel expenses in excess of the rate established by the Oklahoma State Travel Reimbursement Act, 74 O.S. § 500.1-37. The Contractor shall be responsible for all travel arrangements and provide supporting documentation for reimbursement.

C. Client Confidentiality

The Contractor assures compliance with DRS requirements pertaining to the protection, use, and release of personal information. The Contractor will hold confidential all personal information regarding individuals, including lists of names, addresses, photographs, records of evaluation, and all other records of the DRS client. This information may not be disclosed, directly or indirectly, unless consent is obtained in writing or as otherwise required by law.

D. Unallowable Costs

In the event any audit, audit resolution, review, monitoring, or other oversight results in the determination that the Contractor has expended DRS funds on unallowable costs on this or any previous contract, the Contractor shall reimburse the DRS in full for all such costs on demand. The DRS may, at its sole discretion, deduct and withhold such amounts from subsequent payments to be made to the Contractor under this or other contracts.

E. Audit

1. Federal Funds

Organizations that expend \$1,000,000 or more in a year in federal funds from all sources shall have a certified independent audit conducted in accordance with 2 C.F.R. Part 200.

2. State Funds

Corporations both for-profit and non-profit, and governmental entities that receive \$50,000 or more in a year in State funds from DRS shall have a certified independent audit of its operations conducted in accordance with Government Auditing Standards. The financial statements shall be prepared in accordance with Generally Accepted Accounting Principles, and the report shall include a supplementary schedule of awards listing all state and federal funds by funding source.

1. Auditor Approval and Audit Distribution

The audit shall be performed by a certified public accountant or public accountant who has a valid and current permit to practice public accountancy in the State of Oklahoma, and who is approved by the Oklahoma Accountancy Board to perform audits according to Government Auditing Standards. The Contractor's fiscal managers and appropriate oversight bodies shall review the auditor's latest external quality control review report prior to the audit being conducted. DRS retains the right to examine the work papers of said auditor.

The Contractor shall submit two copies of the annual audit report, management letter (if applicable), corrective action plan to all audit findings, and the auditor's latest external quality control review report to the DRS Contracts Unit at 3535 N.W. 58th Street, Suite 300, Oklahoma City, OK 73112 or Contracts@okdrs.gov within 120 days of the Contractor's fiscal year end. In the event the Contractor is unable to provide the audit report within the time specified, the Contractor shall submit a written request for an extension to the physical address or email address listed above, citing the reason for delay. The DRS reserves the right to suspend payment to the Contractor for costs owed pursuant to this Contract if the DRS has not received the prior year audit.

F. Clean Air Act

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* The Contractor agrees to report each violation to DRS and understands and agrees that DRS will, in turn, report each violation as required to assure notification to the appropriate Environmental Protection Agency Regional Office.

G. Employment Relationship

The Contract does not create an employment relationship. Individuals performing services required by the Contract are not considered employees of the State of Oklahoma or the DRS for any purpose, and as such shall not be eligible for benefits accruing to state employees. The Contractor shall comply with all applicable laws regarding workers' compensation insurance.

H. Insurance

If the Contractor is not a self-insured governmental entity, the Contractor is hereby required to carry liability insurance adequate to compensate persons for injury to their person or property occasioned by an act of negligence by the Contractor, its agents or employees. Said

policy must provide that the carrier may not cancel or transfer the policy without giving the DRS thirty (30) days written notice prior to the cancellation or transfer. The Contractor shall timely renew the policies to be carried pursuant to this section throughout the term of the Contract and provide the DRS with evidence of such insurance and renewals upon request.

A. Punitive Actions

The Contractor understands that payment for services to DRS clients pursuant to the Contract shall be made by the DRS. Accordingly, the Contractor shall not restrict or refuse services under the Contract to DRS clients based on nonpayment by the DRS. No actions shall be taken against the DRS client, including collection actions for any service covered under the Contract, or for any late payment for which the DRS has responsibility. In addition, the Contractor agrees that no punitive actions will be taken against any client of the DRS for late payment of any tuition, fees, books, supplies, etc. for which the DRS has responsibility. This includes, but is not limited to, withholding grades, Pell or other financial aids, or delaying enrollment.

B. Prior DRS/State Employment

The Contractor hereby certifies that at the start of the contract period neither he/she nor, if applicable, any member of its board or officers are former DRS employees who were employed by the DRS during the prior twelve (12) months. Pursuant to 74 O.S. § 85.42(B), the Contractor also certifies that no person who has been involved in any manner in the development of this contract while employed by the State of Oklahoma shall be employed by the Contractor to fulfill any of the services provided for under said contract. This term shall not apply when the Contractor is a State of Oklahoma governmental entity.

C. Legal Employment Status Verification System

The Contract will be governed in all respects by the laws of the State of Oklahoma. The State of Oklahoma, District Court of Oklahoma County will be the venue in the event any legal action is filed by the DRS or the Contractor to enforce or to interpret provisions of the Contract.

E. Severability

If any provision under the Contract, or its application to any person or circumstance, is held invalid by any court of competent jurisdiction, such invalidity does not affect any other

provision of the Contract or its application that can be given effect without the invalid provision or application.

A. TikTok Ban
