Mid America Technology Center - \$120,150

ALLOCATION: The allocation for FY24 as determined by the formula specified under Perkins V: *Strengthening Career and Technical Education for the 21st Century Act* is shown above. A secondary recipient's allocation must be \$15,000 or more to be eligible to use these funds independently without forming a consortium or entering into a cooperative arrangement. STEP 1: ACCEPT/DECLINE ALLOCATION

- We will accept the allocation. By accepting, I agree to follow the Assurances included with this form.
- We will decline the allocation. (Skip Step 2 and proceed to Step 3)

STEP 2: OPTION

Only complete this step if allocation is accepted on step 1. Check one of the appropriate boxes for how the allocation will be used. If declining allocation, please skip to Step 3.

- We will use the funds independently.
- We will be the **fiscal agent** of _____ cooperative/consortium.
NOTE: Perkins law states that a fiscal agent of a consortium or cooperative **shall not** sub-grant back to the participating recipients the allocation amount they contributed. Review your budget and planned distribution of funds to consortium members to avoid this possible audit and non-compliance. Contact our office if assistance is needed.
- We will be a **member** of the Mid America Technology Center cooperative/consortium and will **forward a copy of this completed document to the cooperative/consortium fiscal agent district.**
