

MS/HS PRINCIPAL'S REPORT

April 2026

MAP Testing

Middle School students began Science testing April 8th with the students having great attendance. WE ARE VERY EXCITED THAT WE HAD SEVEN STUDENTS TEST PROFICIENT IN 8TH GRADE SCIENCE!! They will continue this week testing in Math and finish off next week testing in ELA.

High School began their testing April 1st with Science, finished testing in ELA last week and will be complete this week for Math.

Our students have been doing a great job during state testing! They've stayed focused, worked hard, and are even talking about their scores and progress. It's great to see their effort and pride in their work paying off!

ACT Testing

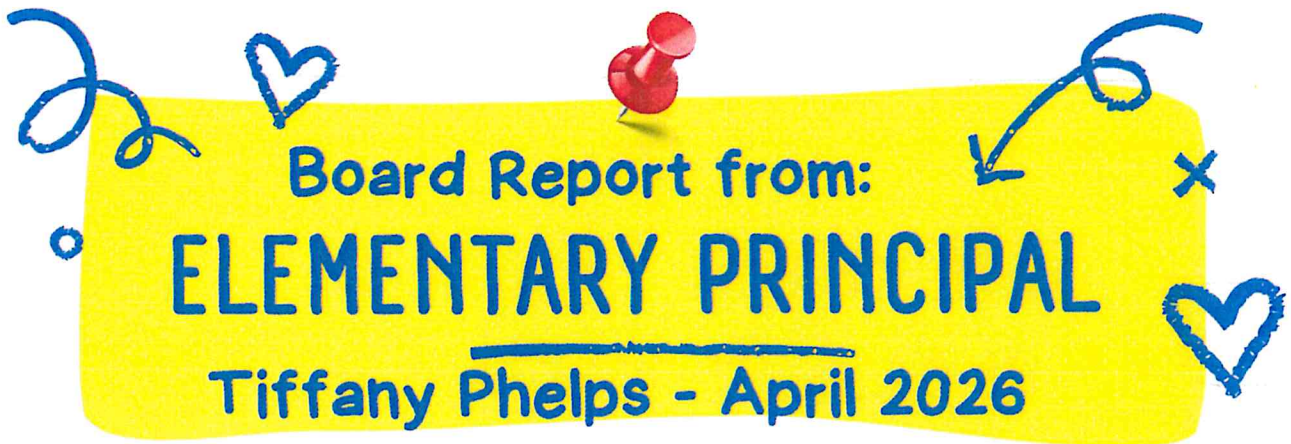

Our juniors did a great job during ACT testing. Their focus, effort, and positive attitude were evident throughout the day. We are especially proud to report that we had 100% attendance on the day of testing, which is a tremendous accomplishment and reflects the commitment of our students and families.
