Customers requesting OPPD to provide services that include installing underground equipment, cable and /or poles on customer-owned property are responsible for locating and identifying the location of items that are normally not locatable under the Nebraska One-Call Notification System Act. This includes but is not limited to items described in the following waiver. The waiver must be signed by either the owner or their representative and submitted to your OPPD representative prior to work order scheduling. Waiver signature also indicates proposal acceptance.

Please review this document carefully. If there are any discrepancies, questions or concerns, please contact your OPPD representative prior to the installation or modification of your electric service. This proposal is valid for 90 days. If the proposal is extended beyond 90 days, then additional charges may be required.

Facilities Waiver

In consideration of the agreement of Omaha Public Power District to place electrical service facilities on my property at my request, and understanding that underground objects can be encountered during excavation and installation of these facilities despite the exercise of reasonable care, the undersigned owner hereby voluntarily and knowingly releases and discharges forever the Omaha Public Power District and its directors, officers, and employees, from any and all claims or liabilities (other than those resulting from intentional acts) arising from or related to damage to underground objects not properly located and identified by the customer, including but not limited to tree roots, sprinkler systems, piping, invisible fence lines, and other underground facilities, and ordinary impacts to sod/grass and landscaping resulting from or incurred during installation of electrical service facilities on this property. The individual signing this waiver agrees that he/she either is the Owner of the subject property or has been authorized by the Owner to execute this document on the Owner's behalf. If the subject property is owned by more than one person or entity, this waiver shall be binding if it is signed by one Owner or by a representative on behalf of one of the Owners.
