Dear Hiring Committee,

I am writing to express my interest in the Retail and Dining Assistant Instructor position at Mid-America Technology Center. I would bring over a decade of experience in food service, retail operations, and team leadership. This knowledge would allow me to bring a hands-on, real-world approach to teaching that aligns with the goal of preparing students for the workforce.

Throughout my career, I have consistently been responsible for training and developing employees across multiple environments. In my current role as Deli Team Lead, I train team members in food safety, customer service, and daily operations. I work closely with individuals varying in experience levels which allows me to break down processes into clear steps to ensure understanding and success for both individuals and business. My previous supervisory roles and education have further strengthened my ability to teach, enforce standards and confidence in a faced pace environment.

I am confident in my ability and would welcome the opportunity to bring that same practical, supportive approach into the classroom at Mid-America Technology Center. Thank you for your time and consideration.

Sincerely,

Sloan Beaty
