BARTLESVILLE PUBLIC SCHOOLS STRATEGIC PLAN UPDATE

VISION

Every student graduates college, career, and life ready with a clear plan for future.

MISSION

Every Bruin, Every Day is empowered to lead, learn and grow.

Teaching & Learning Excellence

Expand access to high-quality, research based, professional learning opportunities that support employee growth and improve student outcomes.

Enhance instructional effectiveness through research-based practices, curriculum alignment, and data-informed decision-making to improve student achievement.

Ensure equitable and consistent student behavior expectations, discipline incident reporting, and response practices across all district schools to support a safe and positive learning environment.

College, Career, & Life Readiness

Develop empowered learners who demonstrate leadership, personal responsibility, and goal-setting skills.

Establish a PK-12 College, Career, and Life Readiness framework that intentionally progresses from career exposure in elementary school, to post secondary planning and preparation in high school.

Empower future-ready graduates by intentionally cultivating financial responsibility, critical thinking, communication, problem-solving, and professional skills through authentic learning experiences.

Safe & Supportive Schools

Enhance communication systems and practices to ensure families receive relevant, accessible, and timely information that supports informed engagement in their child's education.

Support the success of students and staff by prioritizing wellness, meaningful relationships, and access to resources that promote personal growth and resilience.

Cultivate a culture of recognition and celebration by intentionally highlighting student and staff achievements, growth, leadership, and contributions across the district.
