Mid-America Technology Center considers all applicants for employment without regard to race, color, religion, gender, national origin, age or disability, or status as a Vietnam-era or special disabled veteran in accordance with federal law. This includes, but is not limited to, admissions, employment, financial aid, and educational services. In addition, Mid-America Technology Center complies with applicable state and local laws prohibiting discrimination in employment in every jurisdiction in which it maintains facilities. Mid-America Technology Center also provides "reasonable accommodations" to qualified individuals with disabilities, in accordance with the Americans with Disabilities Act and applicable state and local laws. Mike Eubank is the coordinator of the Mid-America Technology Center's effort to assure nondiscrimination.

Additional information about yourself that you believe would be helpful in appraising your qualifications for the position for which you are applying:

I have spent my career in education and the most recent last few years serving in Oklahoma CareerTech. I bring combination of instructional leadership, program development, and data driven decision making.

In my current role, I support high demand, trade and industry focused, CareerTech programs, lead staff development and evaluations, and help instructors work closely with industry to ensure training aligns with workforce needs.

I have experience managing budgets, supporting accreditation, and improving program quality through continuous evaluation and strategic planning. I am committed to student success, staff growth, and building programs that directly impact employment outcomes for students and the community.

## PROFESSIONAL EXPERIENCE

### **Metro Technology Centers** **Assistant Campus Director**

**June 2024 - Present**

Provides daily campus leadership, including oversight of instructional quality, student conduct, and staff performance. Manages facility operations, supports instructors in aligning curriculum with industry standards, and ensures a safe, effective learning environment that meets the needs of high school and adult learners.

### **Metro Technology Centers** **Instructional Design Specialist**

**Feb 2023 - June 2024**

Collaborated with programs across the district to align curriculum and content with industry credentials and standards. Worked with site leaders to assist instructors in developing comprehensive frameworks and the alignment of state approved hours, and supported instructors in creating syllabi and program outlines.

### **K20 Center, University of Oklahoma** **OETT Project Director / Professional Development and Technology Specialist**

**Aug 2017 - Feb 2023**

Effectively managed and guided a team, oversaw an \$800,000+ budget across multiple schools, facilitated professional development sessions, collaborated with partner schools on district strategic planning, and developed comprehensive professional development programs and content for authentic technology integration.

### **Norman Public Schools** **Instructional Technology Coach / Mathematics Educator**

**Aug 2012 - July 2023**

Assisted in curriculum design alongside classroom teachers, coached and mentored teachers in curriculum and classroom management, presented professional development sessions for educators, and co-taught alongside teachers, providing assistance with technology.

### **El Reno Public Schools** **Mathematics Educator**

**Jan 2012 - July 2012**

Taught high school mathematics, organized and developed the mathematics curriculum, assessed and tracked student learning, and utilized intervention strategies for students.

---

## EDUCATION

### **Master of Education, Instructional Leadership and Academic Curriculum**

University of Oklahoma, Norman, OK. July 2017.

### **Principal Certification Educational Leadership**

Southeastern Oklahoma State University, Durant, OK. June 2025.

### **Bachelor of Science in Education, Secondary Mathematics Education**

Oklahoma Baptist University, Shawnee, OK. December 2011.
