July 1, 2026 - June 30, 2027

1. Scope of Services and Term. Included with client's Achademix license, CodeLevel Services will provide support and maintenance services as set forth on Exhibit A attached hereto. This service is applicable for as long as client's subscription (license) is paid in full each year. Licenses may be prorated for fiscal year budgeting. CodeLevel Services reserves the right to terminate or suspend support in the event client is in default under this or any other Agreement with CodeLevel Services.

2. Prices and Payment. (a) Prices for Licensing & Support Services will be as set forth on Exhibit B attached hereto. (b) All invoices shall be due and payable 100% within thirty (30) days of the invoice date. 4. Termination and Survival. As such, (a) no further support of the system will be available, and (b) all user access will be removed except one user per campus, and (c) all system generated notifications will inactivate. Upon termination initiated by Client, which must be initiated in writing in no less than (30) days from the license renewal date, it may be required that the Product be moved to another hosted server, which CodeLevel Services will implement. This will cause for minor reconfigurations to be performed at the Client's site.

If the above termination is caused by CodeLevel Services' going out of business, it may be required that the Product be moved to a server located and managed by the Client. CodeLevel Services will implement this server change with the Client's assistance.

(b) Either party's failure to enforce any provision of this Agreement will not be deemed a waiver of that provision or of the right to enforce it in the future. (c) This Agreement will be governed by the laws of the State of Oklahoma. (d) In no event will CodeLevel Services be liable for its failure to perform hereunder due to contingencies beyond its reasonable control. (e) If any provision of this Agreement is held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.
