Dear Oklahoma Schools Insurance Group (OSIG) Agent:

Attached is the Oklahoma Schools Insurance Group (OSIG) proposal for your school client. Please review the quotation carefully and let us know if you have any questions or changes.

Important Items:

- Coverages available in OSIG: Property, Boiler, Crime, Automobile, General Liability, School Board Legal Liability, Employee Benefit Liability, Cyber Liability, Pollution Liability and Deadly Weapon Protection
- Optional increased deductible quotes can be provided upon request.
- Members can mitigate risk and increase savings by changing obsolete buildings to Actual Cash Value (ACV) or Debris Removal Only (DRO). DRO is a great option for buildings that would not be replaced if damaged.
- The non-profit structure of our program aids in stabilizing rates. OSIG retains the underwriting profit and investment income, and is designed to be a long term insurance solution for Oklahoma schools.
- Gallagher, the administrator for OSIG, brings a level of expertise to the table that make you and your schools feel comfortable.

We urge you to be prepared and understand the importance of OSIG's excellent financial condition.

For the 2024-2025 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG in order to bind coverage effective July 1, 2024.

Please feel free to contact us to discuss this proposal and conditions in the marketplace in detail. We are here to assist you in protecting your school's districts.

Sincerely,

OSIG Program Administration

RE: Membership Proposal Effective 07/01/2024

Dear Mike Eubank:

We are very pleased to provide you with the attached proposal for insurance coverages with Oklahoma Schools Insurance Group (OSIG).

OSIG is not a conventional insurance program. We are a public entity in the state of Oklahoma formed by an Interlocal Agreement and made up of member public school districts. Our organization is non-profit, **member owned** and controlled by a board of your peers. Our sole mission is to serve our member schools. Our promise is to provide quality insurance coverage and superior service at stable pricing. We are pleased that 538 school districts are members of OSIG. Our membership is strong and committed.

OSIG's financial position is excellent. No other Oklahoma school insurance program can provide you with this security. Our organization is continuously growing, improving and looking for new ways to serve Oklahoma schools. The group purchasing power of OSIG and a non-profit structure provides competitive insurance rates even in tough financial times.

Included in this proposal is information on OSIG's financial condition and summaries of enhanced coverages that only OSIG provides.

For the 07/01/2024 to 7/1/2025 plan year, we are requiring the resolution to be signed by the member's Board of Education and returned to OSIG before close of business June 28, 2024 in order to bind coverage effective July 1, 2024.

Loss control, risk management services and specialized insurance coverages included in OSIG program are:

- Enhanced Property and Liability Coverage
- Cyber Liability, Crime, Pollution, School Violent Acts Protection
- Online training in many different areas for your school employees
- Loss Control Site Surveys/Safety Inspections
- Member Only Risk Management Library at osig.org
- StopIt Anonymous Incident Reporting mobile and web app

Sincerely,
OSIG Program Administration

Overview

Background

The Oklahoma Schools Insurance Group (OSIG) is a public entity of the State of Oklahoma, formed as an Interlocal Agreement in accordance with 74 O.S. 1004(f), for the purpose of joining together a group of Oklahoma public school districts. OSIG will allow member districts to more efficiently and more economically obtain and manage their insurance programs.

OSIG obtained approval to operate from the Oklahoma Attorney General on June 28, 2001. Effective July 1, 2002, OSIG began full operation by providing its member districts with **broad insurance coverage through "A" rated insurance carriers and professional risk management services**. Over the past 22 years, OSIG's membership has grown to 538 and the program insures more than \$28.5 Billion in school property across Oklahoma.

Structure

OSIG is a non-profit, member-owned, public entity program whose management is completely controlled by a Board of your peers.

"The mission of Oklahoma Schools Insurance Group (OSIG) is to provide quality, cost effective risk management products and services to member schools".

The group purchases insurance and reinsurance from "A" rated carriers. OSIG's insurance providers are long term partners and committed to OSIG and Oklahoma schools.

OSIG has contracted with Arthur J. Gallagher Risk Management Services, Inc in Tulsa to administer the program. Gallagher is one of the largest insurance brokers in the world and manages programs similar to OSIG across the country.

It is important to know that the insurance coverage provided by OSIG was specifically tailored to meet the needs of Oklahoma schools. The coverage is what you need to protect your schools' property, your students, and patrons.

The strength of the liability portion of OSIG's offering is also important during these tough times. The program is backed by the foremost specialist in school liability insurance in the country. United Educators Insurance Company is second to none.

Losses are a part of life. Only OSIG has the collective strength and staying power to provide the protections you need. By remaining together as a group, OSIG will be able to continue to provide you with the quality, fair-priced insurance and risk management services you need to protect your schools' assets, your board, your staff and most importantly your children.

Financial Strength

OSIG is financially strong and we have the funds (cash) we need to pay your claims. OSIG has returned more than \$9 million to our members over the years as distributions. Surplus at year ended 6/30/23 was more than \$6.4 million and our assets were more than \$46.7 million.

We believe in complete transparency. We submit to an annual financial audit each year end and share the operating results at our annual members meeting held each year.

The financial condition of an insurance group should be of utmost importance to you when choosing an insurance partner for your district.

<i>Statement of Net Assets</i>	
<i>As of 6/30/23</i>	
Cash	\$ 37,364,915
Other Assets	\$ 9,417,966
Total Assets	\$ 46,782,881
<hr/>	
Total Liabilities	\$ 40,333,906
Total Net Assets/Surplus	\$ 6,448,975

We urge you to obtain and review audited financial statements from every insurance provider that may offer your school district a quote. Financial statements are required by law and can be obtained at www.ok.gov/oid. Your school's auditor can help in analyzing the statements.

Important Plan Information

It is important to understand that OSIG is not an insurance company, but rather a non-profit, cooperative risk management program owned and directed by Oklahoma Schools. Its mission is to reduce insurance costs and stabilize rates by aggregating purchasing power with an intense focus on controlling member losses. When losses are controlled, OSIG's member schools retain the underwriting profit and investment income thereby increasing fund reserves for future years. OSIG purchases per occurrence and liability aggregate protection for its member schools. The per occurrence insurance protects member schools up to \$1,000,000,000 for property losses and \$1,000,000 for liability claims in each and every occurrence subject to a \$10M annual aggregate limit. The aggregate insurance protection is purchased in the unlikely event that sum total of all OSIG losses are significantly more than actuarially projected. Additional excess liability limits are available for members requiring higher limits.

This proposal is an outline of the coverages proposed by insurers based on the information provided by your school district. It does not include all the terms, coverages, exclusions, limitations, and conditions of the actual contract language. Please refer to the plan document for the details.

Actuarial Review

An independent actuary has been retained by OSIG to make projections as to anticipated claims and losses the program should expect on an annual basis. The OSIG actuary has relied on the historical loss experience and exposures provided to OSIG by the member **school districts to make projections of OSIG's expected losses. OSIG adequately funds to,** or in excess of, the expected loss projections through member contributions (insurance cost) and our own surplus.

Membership contributions are used to buy insurance, pay administrative expenses, and fund for members' claims. Similar successful programs throughout the country for schools and municipalities are protected using the same insurance structure as OSIG has deployed. As with any insurance mechanism, OSIG does not guarantee full funding in the event unimaginable losses would materialize that are many times greater than what is indicated by past history. The OSIG board is charged with developing a plan to address under funding in this unlikely event.
