Dear Member,

We have great news regarding your National Connection membership with NSBA. You are receiving this message because your district has been a valued National Connection participant.

National Connection will be transitioning into a standard NSBA membership structure based on your district size. The value you receive continues to grow, but your membership will be focused on specific aspects of your district's structure.

Many National Connection participants engage with NSBA resources and events, yet don't always recognize or think of themselves as NSBA members. This transition ensures that your connection to NSBA is clear, visible, and recognized.

What This Means for You

- You are a direct member of NSBA
- Your current access and benefits will continue
- Your affiliation with NSBA will be clearer and stronger
- You'll be part of NSBA's national membership community

Limited-Time Renewal Offer

Renew by May 1 at a discounted price. This special offer provides access at a reduced rate — giving you more value. Your current annual dues are **\$2700**; your **renewal** rate will be **\$2500**.
