Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Videoconferencing means conducting a meeting involving participants at two or more locations through the use of audio-video equipment which allows participants at each location to hear and see each meeting participant at each other location, including public input. Interaction between meeting participants shall be possible at all meeting locations.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1) (a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site. (ii) In the case of the governing body of a city of the second class or village or such body's advisory committee, such notice shall be published by: (A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site; or (B) Posting written notice in three conspicuous public places in such city or village. Such notice shall be posted in the same three places for each meeting. (iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of

an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) A meeting of a state agency, state board, state commission, state council, or state committee, of an advisory committee of any such state entity, of an organization created under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a public power district having a chartered territory of more than one county in this state, of the governing body of a public power and irrigation district having a chartered territory of more than one county in this state, of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, or of a community college board of governors may be held by means of videoconferencing or, in the case of the Judicial Resources Commission in those cases specified in section 24-1204, by telephone conference, if:

(a) Reasonable advance publicized notice is given as provided in subsection (1) of this section;

(b) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recodation by audio or visual recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if videoconferencing or telephone conferencing was not used;

(c) At least one copy of all documents being considered is available to the public at each site of the videoconference or telephone conference;

(d) At least one member of the state entity, advisory committee, board, council, or governing body is present at each site of the videoconference or telephone conference, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site; and

(e)(i) Except as provided in subdivision (2)(e)(ii) of this section, no more than one-half of the state entity's, advisory committee's, board's, council's, or governing body's meetings in a calendar year are held by videoconference or telephone conference; or (ii) In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, such organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conferencing.

Videoconferencing, telephone conferencing, or conferencing by other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(3) A meeting of a board of an educational service unit, of the Educational Service Unit Coordinating Council, of the governing body of an entity formed under the Interlocal Cooperation Act, the Joint Public Agency Act, or the Municipal Cooperative Financing Act, of the governing body of a risk management pool or its advisory committees organized in accordance with the Intergovernmental Risk Management Act, of a community college board of governors, of the governing body of a public power district, of the governing body of a public power and irrigation district, or of the Nebraska Brand Committee may be held by telephone conference call if:

(a) The territory represented by the educational service unit, member educational service units, community college board of governors, public power district, public power and irrigation district, Nebraska Brand Committee, or member public agencies of the entity or pool covers more than one county;

(b) Reasonable advance publicized notice is given as provided in subsection (1) of this section which identifies each telephone conference location at which there will be present: (i) A member of the educational service unit board, council, community college board of governors, governing body of a public power district, governing body of a public power and irrigation district, Nebraska Brand Committee, or entity's or pool's governing body; or (ii) A nonvoting designee designated under subdivision (3)(f) of this section;

(c) All telephone conference meeting sites identified in the notice are located within public buildings used by members of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or entity or pool or at a place which will accommodate the anticipated audience;

(d) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including seating, recodation by audio recording devices, and a reasonable opportunity for input such as public comment or questions to at least the same extent as would be provided if a telephone conference call was not used;

(e) At least one copy of all documents being considered is available to the public at each site of the telephone conference call;

(f) At least one member of the educational service unit board, council, community college board of governors, governing body of the public power district, governing body of the public power and irrigation district, Nebraska Brand Committee, or governing body of the entity or pool is present at each site of the telephone conference call identified in the public notice, except that a member of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis, an organization created under the Municipal Cooperative Financing Act, or a governing body of a risk management pool or an advisory committee of such organization or pool may designate a nonvoting designee, who shall not be included as part of the quorum, to be present at any site;

(g) The telephone conference call lasts no more than five hours; and

(h) No more than one-half of the board's, council's, governing body's, committee's, entity's, or pool's meetings in a calendar year are held by telephone conference call, except that: (i) The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by telephone conference call if the governing body's quarterly meetings are not held by telephone conference call or videoconferencing; and (ii) An organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act may hold more than one-half of its meetings by telephone conference call if the organization holds at least one meeting each calendar year that is not by videoconferencing or telephone conference call.

Nothing in this subsection shall prevent the participation of consultants, members of the press, and other nonmembers of the governing body at sites not identified in the public notice. Telephone conference calls, emails, faxes, or other electronic communication shall not be used to circumvent any of the public government purposes established in the Open Meetings Act.

(4) The secretary or other designee of each public body shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to them of the time and place of each meeting and the subjects to be discussed at that meeting.

(5) When it is necessary to hold an emergency meeting without reasonable advance public notice, the nature of the emergency shall be stated in the minutes and any formal action taken in such meeting shall pertain only to the emergency. Such emergency meetings may be held by means of electronic or telecommunication equipment. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness other than a member of the public body to appear before the public body by means of video or telecommunications equipment.

84-1412. Meetings of public body; rights of public; public body; powers and duties.

(1) Subject to the Open Meetings Act, the public has the right to attend and the right

to speak at meetings of public bodies, and all or any part of a meeting of a public body, except for closed sessions called pursuant to section 84-1410, may be videotaped, televised, photographed, broadcast, or recorded by any person in attendance by means of a tape recorder, camera, video equipment, or any other means of pictorial or sonic reproduction or in writing.

(2) It shall not be a violation of subsection (1) of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body may require any member of the public desiring to address the body to identify himself or herself.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if:

(a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction;

(b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience;

(c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making a telephone conference call available at an instate location to members, the public, or the press, if requested twenty-four hours in advance;

(d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state;

(e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act;

(f) Reasonable arrangements are made to provide viewing at other instate locations for a videoconference meeting if requested fourteen days in advance and if economically and reasonably available in the area; and

(g) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) The public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at the meeting.

(8) Public bodies shall make available at the meeting or the instate location for a telephone conference call or videoconference, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

84-1413. Meetings; minutes; roll call vote; secret ballot; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

2021-2024 SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Securly Inc. ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

- 1. Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A**, which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.

- 3. Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUCC, ESUs, and Members. This fee will be submitted to ESUCC on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.
- 4. Term.** This Agreement is effective on **July 1, 2021** ("Effective Date") and shall continue until 12:00 midnight (CST) on **June 30 2024**, unless terminated earlier as provided by this Agreement or by law.

- 5. Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

De-identified Data will have all direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Contractor agrees not to attempt to re-identify deidentified Data and not to transfer de-identified Data to any party unless that party agrees not to attempt reidentification.
 - F. **Marketing and Advertising.** Contractor will not use any Data to advertise or market to students or their parents. Advertising or marketing may be directed to the Cooperative, ESUCC, Members, or their school districts only if student information is properly de-identified."

- M. **Rights and License in and to Data.** Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of the Member, and Contractor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in the Agreement. - O. **Security Controls.** Contractor will store and process Data in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to secure Data from unauthorized access, disclosure, and use. Contractor will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. Contractor will also have a written incident response plan, to include prompt notification of the Member in the event of a security or privacy incident, as well as best practices for responding to a breach of PII. Contractor agrees to share its incident response plan upon request.
- P. **Response to Legal Orders, Demands or Requests for Data.** Except as otherwise expressly prohibited by law, Contractor will:
 - (1) Promptly notify the Cooperative and Members of any subpoenas, warrants, or other legal orders, demands or requests received by Contractor seeking Data;
 - (2) Consult with the Cooperative and Members regarding its response;
 - (3) Cooperate with the Cooperative's and Member's reasonable requests in connection with efforts by them to intervene and quash or modify the legal order, demand or request; and
 - (4) Upon the Cooperative's or a Member's request, provide them with a copy of its response.

7. Termination.

A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become

unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the nondefaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

- (1) Insolvent;
- (2) Makes a general assignment for the benefit of creditors;
- (3) Files a voluntary petition of bankruptcy;
- (4) Suffers or permits the appointment of a receiver for its business or assets;
- (5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
- (6) Has wound up or liquidated, voluntarily or otherwise.

E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.
- 21. Amendments and Modifications.** The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.
- 22. Waivers.** The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.
- 23. Severability.** If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.
- 24. Counterparts.** The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.
- 25. Force Majeure.** Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing

This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.
- 27. Subcontractors.** The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.
- 28. Captions.** The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.
- 29. Rights and Remedies Cumulative.** Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. Although Company has no obligation to monitor Customer's use of the Services, Company may do so and may prohibit any use of the Services it reasonably believes may be (or is alleged to be) in violation of this Agreement or applicable laws and regulations.

(a) "Confidential Information" means any and all non-public information provided or revealed by one party ("Discloser") to the other party ("Recipient") or otherwise learned by a party during the course of performance under this Agreement, including without limit software, programs, prices, processes, documentation, financial, marketing and other business information, and all other material or information that is identified at the time of disclosure as confidential or proprietary or which otherwise would reasonably be expected to be kept confidential. Confidential Information shall also include: (i) the Discloser's planned or existing computer systems and systems architecture, including computer hardware, computer software, source code, object code, documentation, methods of processing and operational methods; (ii) the Discloser's customer lists, sales, profits, organizational structure and restructuring, new business initiatives and finances; (iii) the Discloser's services and products, product designs, and how such products are administered and managed; and (iv) the Discloser's User Data. Recipient's obligations of confidentiality shall not apply to information that: (1) is or becomes public through no fault or breach by Recipient, (2) is or becomes known to Recipient (either directly or rightfully through a third party) without an obligation of confidentiality, or (3) is independently developed by Recipient without use of or access or reference to Discloser's Confidential Information.

(b) During the Term of this Agreement and for a period of five (5) years following the termination or expiration of this Agreement, or with respect to any Confidential Information that constitutes a trade secret of the Discloser, for so long as such information constitutes a trade secret, Recipient shall hold Discloser's Confidential Information in confidence and will not disseminate or disclose the Confidential Information to any third party except its Personnel, as set forth herein. Recipient will protect Discloser's Confidential Information with the same degree of care it uses to protect its own confidential information of a similar nature, but in no event will Recipient use less than a reasonable degree of care. Recipient will use Discloser's Confidential Information solely to the extent necessary to exercise its rights and obligations under this Agreement and will ensure that Confidential Information is disclosed only to its employees, contractors and other personnel (individually and collectively, "Personnel") with a bona fide need to know and who are under binding written obligations of confidentiality with Recipient to protect Discloser's Confidential Information substantially in accordance with the terms of this Agreement. The Recipient shall be responsible for any breach of this Section 7 by any Personnel. In addition, Recipient will implement and maintain appropriate technical and organizational measures to protect Confidential Information against accidental or unlawful destruction or accidental loss, alteration, unauthorized disclosure or access, and which provide a level of security appropriate to the risk represented by the processing and the nature of the Confidential Information to be protected. Recipient may disclose Confidential Information to the limited extent required to be by the order or requirement of a court, administrative agency, or other governmental body; provided, however, that the Recipient notifies the Discloser in writing in advance of such disclosure and provides the Discloser with copies of any related information so that the Discloser may take appropriate action to protect its Confidential Information.

(c) All Confidential Information is and shall remain the sole property of Discloser, and Recipient shall not acquire any rights or licenses therein except as expressly set forth in this Agreement. Recipient shall return to Discloser (or at Discloser's option, destroy) any and all Confidential Information and any other information and materials that contain such Confidential Information (including all copies in any form) immediately upon Discloser's written request, or upon the termination of this Agreement. Within ten (10) days following Discloser's written request, Recipient will provide Discloser with a written certification, as signed by an officer or executive level employee of Recipient, certifying compliance with this Section 7.

(d) Recipient acknowledges that the disclosure of Confidential Information in breach of the terms of this Section 7 may cause Discloser irreparable injury and damages that may be difficult to ascertain. Therefore, Discloser, upon a disclosure or threatened disclosure of any Confidential Information by Recipient or any Personnel, will be entitled to injunctive relief (without being required to post bond), including, but not limited to, a preliminary injunction upon an *ex parte* application by the Discloser to protect and recover its Confidential Information, and the Recipient will not object to the entry of an injunction or other equitable relief against the Discloser on the basis of an adequate remedy at law, lack of irreparable harm or any other reason. Without limiting the foregoing, the Recipient will advise the Discloser immediately in the event that it learns or has reason to believe that any person or entity that has had access to Confidential Information, directly or indirectly, through the Receiver, has violated or intends to violate the terms of this Agreement. This provision will not in any way limit such other remedies as may be available to the Discloser, whether under this Agreement, at law, or in equity.

8. Billing and Payment.

(a) The amount of the recurring fees associated with the use of the Services and the Support Services by Customer shall be as set forth in the Order (the "Fees"). Fees for Services may be charged based on the number of (i) devices or active users, (ii) the number of students in a school or district, or (iii) students, teachers, faculty and staff in a school or district, as specified in an Order. Additionally, there may be other basis for calculating the Fees, as specified in the Order. The Fees exclude all applicable sales, use, and other taxes, fees, duties and similar charges ("Taxes"), and Customer will be responsible for payment of all such Taxes (other than taxes based on Company's income) and any penalties or charges that accrue with respect to the non-payment of any Taxes as well as government charges, and all reasonable expenses and attorneys' fees Company incurs collecting late amounts. All amounts payable under this Agreement will be payable in U.S. Dollars within

thirty (30) days of receipt of invoice, unless specified otherwise in the Order. Payment of fees shall be made by the Customer prior to receiving the Services. The payment may be made by check or wire transfer. Late payments may bear interest at the rate of 1.5% per month (or the highest rate permitted by law, if less). To the fullest extent permitted by law, Customer waives all (i) claims relating to charges unless claimed within sixty (60) days after invoicing, and (ii) refunds under any situations aside from those contemplated in this Agreement. Notwithstanding any fees for services posted on Company's website or otherwise published by Company, the parties acknowledge and agree that the Fees may only be modified as set forth below in the "Modification; Waiver" section of this Agreement.

(b) Company may assign to a third party (a "Assignee") all of its right, title and interest in all or any of the Fees at any time. Upon any such assignment, Company will give Customer written notice thereof (a "Notice of Assignment"). The Notice of Assignment shall provide the name and contact information for the Assignee and shall instruct Customer to make payment of the assigned Fees to the Assignee. Upon receipt of a Notice of Assignment, (i) Customer shall sign the acknowledgement provision in such Notice of Assignment and return it to Company as provided in such Notice of Assignment and (ii) Customer shall be obligated to make all payments of the assigned Fees to the Assignee, notwithstanding the Order's payment instructions for such Fees.

9. Term and Termination.

(a) This Agreement commences on the Effective Date and, unless terminated earlier in accordance with its terms, shall remain in effect for the initial period specified in the Order (or, if no period is specified in the Order, then for an initial period of twelve (12) months) (the "Initial Term"). This Agreement will thereafter continue for successive twelve (12) month periods (each, a "Renewal Term"), unless either party gives the other party written notice of non-renewal at least 30 days prior to the end of the then-current term. The Initial Term, together with all Renewal Terms, are collectively referred to as the "Term".

(b) Either party may terminate this Agreement by giving written notice to the other party upon the occurrence of an Event of Default by the other party. For purposes of this Agreement, "Event of Default" means a breach by a party of any of its representations, warranties, or obligations under this Agreement, if such breach remains uncorrected for a period of thirty (30) days following receipt of written notice from the other party.

(c) Any and all provisions in this Agreement which would reasonably be expected to be performed after the termination or expiration of this Agreement shall survive and be enforceable after such termination or expiration, including without limitation provisions relating to confidentiality, ownership of materials, payment, taxes, representations and warranties, indemnification, limitations of liability, effects of termination, and governing law.

10. Company Warranties, Company Disclaimers, and Exclusive Remedies.

(a) Company warrants to Customer that it will provide the Services in all material respects as described in the applicable end user documentation, if any, and will provide such Services in a professional manner and in accordance with generally accepted industry practices. If the Services provided to Customer are not performed as warranted, Customer agrees that it must promptly provide a written notice to Company that describes the deficiency in the Services.

(b) COMPANY DOES NOT GUARANTEE THAT (A) THE SERVICES WILL BE PERFORMED ERROR-FREE OR UNINTERRUPTED, OR THAT COMPANY WILL CORRECT ALL ERRORS, (B) THE SERVICES WILL OPERATE IN COMBINATION WITH CUSTOMER'S CONTENT OR APPLICATIONS, OR WITH ANY OTHER HARDWARE, SOFTWARE, SYSTEMS, SERVICES OR DATA NOT PROVIDED BY COMPANY, AND (C) THE SERVICES WILL MEET CUSTOMER'S OR ITS USERS' NEEDS, REQUIREMENTS, SPECIFICATIONS, OR EXPECTATIONS. CUSTOMER ACKNOWLEDGES THAT COMPANY DOES NOT CONTROL THE TRANSFER OF DATA OVER COMMUNICATIONS FACILITIES, INCLUDING THE INTERNET, AND THAT THE SERVICES MAY BE SUBJECT TO LIMITATIONS, DELAYS, AND OTHER PROBLEMS INHERENT IN THE USE OF SUCH COMMUNICATIONS FACILITIES. COMPANY IS NOT RESPONSIBLE FOR ANY ISSUES RELATED TO THE PERFORMANCE, OPERATION OR SECURITY OF THE SERVICES THAT ARISE FROM CUSTOMER'S CONTENT OR APPLICATIONS, OR THIRD PARTY CONTENT OR SERVICES, AND DISCLAIMS ALL LIABILITIES ARISING FROM OR RELATED TO THIRD PARTY CONTENT OR SERVICES.

(c) NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, COMPANY DOES NOT GUARANTEE OR WARRANT (A) THAT THE SERVICES WILL COMPLY WITH THE REQUIREMENTS OF THE CHILDREN'S INTERNET PROTECTION ACT, (B) THAT THE SERVICES WILL FUNCTION TO PREVENT MINORS FROM BEING EXPOSED TO INAPPROPRIATE, HARMFUL, UNSAFE, OR OBSCENE CONTENT ONLINE, (C) THAT THE SERVICES WILL PREVENT OR OTHERWISE DISCOURAGE CYBERBULLYING OR SELF-HARM BY STUDENTS, (D) THAT THE SERVICES WILL DETECT ALL CYBERBULLYING AND SELF-HARM BY STUDENTS, OR (E) ALL SOCIAL MEDIA SITES, STREAMING MEDIA, WEB-BASED EMAIL SERVICES, CLOUD STORAGE SITES, OTHER INTERNET SITES (INCLUDING PORN, GAMBLING AND OTHER INAPPROPRIATE SITES FOR MINORS), DIRECT MESSAGES AND ELECTRONIC DOCUMENTS AND FILES WILL BE BLOCKED OR MONITORED.

(d) FOR ANY BREACH OF THE SERVICES WARRANTY, CUSTOMER'S EXCLUSIVE REMEDY AND COMPANY'S ENTIRE LIABILITY SHALL BE THE CORRECTION OF THE DEFICIENT SERVICES THAT CAUSED THE BREACH OF WARRANTY, OR, IF COMPANY CANNOT SUBSTANTIALLY CORRECT THE DEFICIENCY IN A COMMERCIALLY REASONABLE MANNER (AS DETERMINED SOLELY BY COMPANY IN ITS REASONABLE DISCRETION), THEN CUSTOMER MAY TERMINATE THE SERVICES AND COMPANY WILL REFUND TO CUSTOMER THE FEES FOR THE TERMINATED SERVICES THAT CUSTOMER PRE-PAID TO COMPANY FOR THE PERIOD FOLLOWING THE EFFECTIVE DATE OF TERMINATION. IN SUCH AN EVENT, COMPANY SHALL ALSO EXERCISE COMMERCIALLY REASONABLE EFFORTS TO PROVIDE CUSTOMER WITH REASONABLE OPPORTUNITY TO ACCESS THE SERVICES FOR THE PURPOSES OF SECURING AND BACKING UP CUSTOMER'S USER DATA.

(e) TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER WARRANTIES, AND COMPANY HEREBY DISCLAIMS AND EXCLUDES ALL OTHER WARRANTIES, WHETHER STATUTORY, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE.

11. **Limitation of Liability.** BOTH PARTIES EXPRESSLY UNDERSTAND AND AGREE THAT NEITHER PARTY SHALL BE LIABLE TO THE OTHER UNDER THIS AGREEMENT FOR ANY INDIRECT, INCIDENTAL, SPECIAL, OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF GOODWILL, LOSS OF TIME OR LOST PROFITS) ARISING OUT OF, OR IN ANY WAY CONNECTED WITH THIS AGREEMENT, EVEN IF SUCH PARTY HAS BEEN PREVIOUSLY ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. WITH THE EXCEPTION OF WILLFUL OR GROSSLY NEGLIGENT BREACHES OF SECTION 7, AND WITHOUT AFFECTING THE LIMITATIONS OF LIABILITY SET FORTH IN SECTION 10, IN NO EVENT SHALL COMPANY'S AGGREGATE LIABILITY OF ANY TYPE UNDER THIS AGREEMENT EXCEED THE AMOUNTS ACTUALLY PAID BY AND/OR DUE FROM CUSTOMER IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO SUCH CLAIM REGARDLESS OF THE FORM OF ACTION, WHETHER BASED ON CONTRACT, TORT, WARRANTY, NEGLIGENCE, STRICT LIABILITY, PRODUCTS LIABILITY OR OTHERWISE. THIS PARAGRAPH DOES NOT APPLY TO CUSTOMER'S VIOLATION OF COMPANY'S INTELLECTUAL PROPERTY RIGHTS.

12. Indemnification.

(a) **Customer Obligations.** Customer shall defend Company against any claim, cause of action, suit or proceeding (each a "Claim") made or brought against Company by a third party arising out of or attributable to Customer's use of the Service (other than as expressly set forth in Section 12(b) below), and shall indemnify Company for any damages finally awarded against, and for reasonable attorney's fees incurred by, Company in connection with the Claim, on condition that Company (a) promptly gives Customer written notice of the Claim; (b) gives Customer sole control of the defense and settlement of the Claim (provided that Customer may not settle any Claim unless the settlement unconditionally release Company of all liability); and (c) provides reasonable

assistance in connection with the defense (at Customer's reasonable expense).

(b) **Company Obligations.** Company shall defend Customer against any Claim made or brought against Customer by a third party alleging that Customer's use of the Service infringes or misappropriates the intellectual property rights of a third party, and shall indemnify Customer for any damages finally awarded against, and for reasonable attorney's fees incurred by, Customer in connection with the Claim, on condition that Customer (a) promptly gives Company written notice of the Claim; (b) gives Company sole control of the defense and settlement of the Claim (provided that Company may not settle any Claim unless the settlement unconditionally release Customer of all liability); and (c) provides reasonable assistance in connection with the defense (at Company's reasonable expense). If a Claim is brought or threatened, or Company believes is likely to occur, Company may, at its option, (i) procure for Customer the right to use the Service, (ii) replace the Service with other suitable products, or (iii) refund any prepaid fees that have not been earned and terminate this Agreement upon notice. Company will have no liability under this Agreement or otherwise to the extent a Claim is based upon (a) use of the Service in combination with software, hardware or technology not provided by Company, if infringement would have been avoided in the absence of the combination, (b) modifications to the Service not made by Company, if infringement would have been avoided by the absence of the modifications, (c) use of any version other than a current release of the Service, if infringement would have been avoided by use of a current release, or (d) any action or omission of Customer for which Customer is obligated to indemnify Company under this Agreement. This Section 12(b) states the Company's sole liability to, and the Customer's exclusive remedy against, the Company for any type of intellectual property infringement claim.

13. **Advertising and Public Announcements.** Neither party will use the other party's name or marks, refer to or identify the other party in any advertising or publicity releases or promotional or marketing correspondence to others without such other party's written approval. Notwithstanding the foregoing, Company may publish Customer's name as part of a publicly-available list of Company's customers.

14. **Relationship of the Parties.** The parties are independent contractors with respect to each other, and nothing in this Agreement shall be construed as creating an employer-employee relationship, a partnership, fiduciary, or agency relationship or any association or joint venture between the parties.

15. **Force Majeure.** Except payment obligations, any delay in or failure of performance by a party under this Agreement will not be considered a breach of this Agreement and will be excused to the extent caused by any occurrence beyond the reasonable control of such party, provided that the party affected by such event will immediately notify the other party and begin or resume performance as soon as practicable after the event has abated. If the act or condition beyond a party's reasonable control that prevents such party from performing any of its obligations under this Agreement continues for thirty (30) days or more, then the other party may terminate this Agreement immediately upon written notice to the non-performing party. Without limitation, act or condition beyond Company's reasonable control include all acts and omissions of Company's service providers. In the event of such termination by Customer, Company shall refund to Customer such fees for the terminated services that Customer pre-paid to Company for the period following the effective date of termination, and shall also exercise commercially reasonable efforts to provide Customer with reasonable opportunity to access the Services for the purpose of retrieving User Data. In all other instances of delay or failures on the part of Company under this Section 15 (i.e. wherein Customer does not or otherwise cannot terminate this Agreement pursuant to this Section 15), Customer shall not be entitled to any service credit or refund.

16. **Binding Effect; Assignment; Third Parties.** The terms of this Agreement shall be binding on the parties and all successors and permitted assigns of the foregoing. Customer may not assign, transfer or delegate its rights or obligations under this Agreement (in whole or in part) without the Company's prior written consent. Company may freely assign, transfer or delegate its rights or obligations under this Agreement (in whole or in part) without the Customer's consent, and nothing shall prohibit Company from hiring qualified subcontractors to perform any of the Services or Support Services, as provided herein. Any attempted assignment, transfer or delegation in violation of the foregoing shall be null and void. This Agreement is intended for the sole and exclusive benefit of the parties, is not intended to benefit any third party, and only the parties may enforce this Agreement.

17. **Modification; Waiver.** All modifications to or waivers of any terms of this Agreement (including any exhibit) must be in a writing that is signed by the parties hereto and expressly references this Agreement. No waiver of any breach of any provision of this Agreement shall constitute a waiver of any prior, concurrent or subsequent breach of the same or any other provisions hereof, and no waiver shall be effective unless made in writing and signed by an authorized representative of the waiving party.

18. **Governing Law.** This Agreement and all actions arising out of or in connection with this Agreement shall be construed under and governed by and interpreted in accordance with the laws of the State of California, without regard to the conflicts of law provisions thereof.

19. **Severability.** In the event that any provision of this Agreement shall be held invalid, illegal, or unenforceable by a court with jurisdiction over the parties to this Agreement, such invalid, illegal, or unenforceable provision shall be deleted from the Agreement, which shall then be construed to give effect to the remaining provisions thereof.

20. **Notices.** All notices, consents and approvals under this Agreement must be delivered in writing by personal delivery, courier, express mail service, or by certified or registered mail, (postage prepaid and return receipt requested) or by e-mail, with reasonable confirmation of receipt, to the other party at the address set forth on at the beginning of this Agreement (in the case of Company) or the Order (in the case of Customer), or such other address as a party may designate from time to time by written notice to the other party. Notice given by mail shall be effective five (5) days after the date of mailing, postage prepaid and return receipt requested. Notice by personal delivery, courier service, or express mail service shall be effective upon delivery.

21. **Interpretation.** This Agreement may be executed in counterparts, each of which will constitute an original, and all of which will constitute one agreement. The section headings and captions in this Agreement are for convenience of reference only and have no legal effect.

7. International Transfers

Securly, Inc. is headquartered in the United States of America and has operations and service providers in the United States and other jurisdictions. As such, we and our service providers may transfer your personal information to, or access it in, jurisdictions (including the United States, India, and Mexico) that may not provide levels of data protection equivalent to your home jurisdiction. We will take steps to ensure that your personal information receives an adequate level of protection in the jurisdictions in which we process it in accordance with applicable laws, including through appropriate written data processing terms and/or data transfer agreements. If you are in the European Economic Area (“EEA”), and we process your personal information in a jurisdiction that the European Commission has deemed to not provide an adequate level of data protection (a “third country”), we will implement measures to adequately protect your personal information, such as putting in place standard contractual clauses approved by the European Commission or another measure that has been approved by the EU Commission as adding adequate safeguards for the protection of personal information when transferred to a third country. You have a right to obtain details of the mechanism under which your personal information is transferred outside of the EEA; you may request such details by contacting us as set forth in the “Contact us” section below.

8. Security of Your Personal Information

The security of your personal information is important to us. We have implemented a security program designed to protect the information we collect from loss, misuse, unauthorized access, disclosure, alteration, and destruction. However, no transmission over the Internet is 100% secure.

We encourage you to help protect the security of your personal information. For instance, never give out your personal credentials when you are using the Services, so that other people will not have access to your personal information. Furthermore, you are responsible for maintaining the security of any personal computing device on which you utilize the Services. We are not responsible for any lost, stolen, or compromised passwords or for any activity on your account via unauthorized password activity.

9. Your Choices

Correcting or Deleting Personal Information. You may modify or delete certain of your personal information that you have submitted by logging into your account and updating your profile information, including your user name and password. Please note that we may retain certain information about you as required by law or as permitted by law for legitimate business purposes (e.g., in accordance with our record retention policies or to enforce our Terms of Service).

If you wish to make an access or correction request regarding your personal information, please contact the Privacy Director, as referenced below.

Opting out of Email Communications. We may send periodic promotional or informational emails to school and parent users. You may opt-out of such communications at all times by following the opt-out instructions contained in the e-mail. Please note that it may take up to 10 business days for us to process opt-out requests. If you opt-out of receiving emails about recommendations or other information we think may interest you, we may still send you transactional e-mails, such as about your account or any Services you have requested or received from us.

10. Additional Rights for EEA individuals

According to the GDPR, individuals in the EEA have the below rights with respect to their personal information. Please note that your ability to exercise certain rights (objection; portability) will depend on the basis on which your personal information is processed (see section ii), and the exercise of all rights may be subject to exemptions or restrictions under applicable law – we will advise you if we rely on these. We may also need to ask you to provide evidence of your identity before complying with a request.

Right of access: You can ask us to: confirm whether we are processing your personal information; give you a copy of that information; provide you with other information about your personal information such as what data we have, what we use it for, who we disclose it to, whether we transfer it abroad and how we protect it, how long we keep it for, what rights you have, how you can make a complaint, where we got your information from and whether we have carried out any profiling, to the extent that such information has not already been provided to you in this Policy.

Right to rectify and complete personal information: You can ask us to rectify inaccurate information. We may seek to verify the accuracy of the data before rectifying it.

Right of erasure: You can ask us to erase your personal information, but only where: it is no longer needed for the purposes for which it was collected; you have withdrawn your consent (where the data processing was based on consent); following a successful right to object (see ‘Objection’ below); it has been processed unlawfully; or to comply with a legal obligation to which we are subject. We are not required to comply with your request to erase your personal information if the processing of your personal information is necessary: for compliance with a legal obligation; or for the establishment, exercise or defense of legal claims. There are certain other circumstances in which we are not required to comply with your erasure request, although these two are the most likely circumstances in which we would deny that request.

Right of restriction: You can ask us to restrict (i.e., keep but not use) your personal information, but only where: its accuracy is contested, to allow us to verify its accuracy; the processing is unlawful, but you do not want it erased; it is no longer needed for the purposes for which it was collected, but we still need it to establish, exercise or defend legal claims; you have exercised the right to object, and verification of overriding grounds is pending. We can continue to use your personal information following a request for restriction, where: we have your consent; to establish, exercise or defend legal claims; or to protect the rights of another natural or legal person.

Right to object to our use of your personal information for direct marketing purposes: You can request that we change the manner in which we contact you for marketing purposes. You can request that we not transfer your personal information to unaffiliated third parties for the purposes of direct marketing or any other purposes.

Right to object for other purposes: You have the right to object at any time to any processing of your personal

information which has our legitimate interests as its legal basis. You may exercise this right without incurring any costs. If you raise an objection, we have an opportunity to demonstrate that we have compelling legitimate interests which override your rights and freedoms. The right to object does not exist, in particular, if the processing of your personal information is necessary to take steps prior to entering into a contract or to perform a contract already concluded.

Right to (data) portability: You can ask us to provide your personal information to you in a structured, commonly used, machine-readable format, or you can ask to have it “ported” directly to another Data Controller, but only where our processing is based on your consent and the processing is carried out by automated means.

Right to withdraw consent: You can withdraw your consent in respect of any processing of personal information which is based upon a consent which you have previously provided.

Right to obtain a copy of safeguards: you can ask to obtain a copy of, or reference to, the safeguards under which your personal information is transferred outside the EU/EEA. We may redact data transfer agreements to protect commercial terms.

Right to lodge a complaint with your local supervisory authority: You have a right to lodge a complaint with your local supervisory authority if you have concerns about how we are processing your personal information. We ask that you please attempt to resolve any issue with us first, although you have a right to contact your supervisory authority at any time.

Submitting a GDPR Request: please contact us as set out in the “Contact Us” section below to exercise one of these rights. If we receive any requests from individuals related to the Platform Data, we will forward the request to the relevant clients.

11. Children

Please refer to our COPPA Policy with respect to the personal information collected from children and students under the age of 13 via the Services. Children under the age of 16 cannot legally give their consent. Instead, consent of their parent or legal guardian needs to be provided.

12. Retention

We may retain certain data as necessary to prevent fraud or future abuse, or for legitimate business purposes, such as analysis of aggregated data, account recovery, or if required by law. All retained personal information will remain subject to the terms of this Policy.

13. Changes to this Policy

This Policy is current as of the date set forth above. We may change this Policy from time to time, so please be sure to check back periodically. COLLABORATION Our solution is designed with teams in mind. Data entry and team collaboration are strongly supported.

SHARING Key to the threat assessment process is the ability to share information with outside agencies, including law enforcement and mental health providers.

REDUCED LIABILITY Implementing a proven, consistent process with detailed documentation, task assignments and secure access mitigates risk.

Our Behavioral Threat Assessment Manager software provides you with a simple user interface that offers a consistent, thorough process for threat assessment, based on the most widely used behavioral threat assessment models.

It walks you through step by step:

1. **SCREEN** Identify whether there is imminent danger and determine the need for a full threat assessment investigation.
2. **GATHER** Obtain and create a record of information from knowledgeable sources including parents, students, teachers, other school staff, etc.
3. **ANALYZE** Understand specific concerns regarding the person, motive, targets, and ability to carry out an act of violence by exploring 11 key themes that may indicate potential for violence.
4. **ASSESS** Use the insights gained from the Analyze step to determine whether the person or situation poses the threat of violence.
5. **MANAGE** Determine the appropriate course of action and response plan for the identified threat.

➤ Behavioral Threat Assessment Manager: Comprehensive School Threat Assessment Guidelines (CSTAG)

Behavioral threat assessment helps to address the problem of targeted violence. As one component of an overall strategy, it works to create cultures and climates of safety, respect and emotional support. Navigate360 works with leading experts to develop a secure, cloud-based platform to guide and support your threat assessment teams and processes.

- Enhance your safe school culture
- Reduce bullying and acts of violence
- Increase student success

Leveraging robust technology enables you and your teams to streamline the assessment process and focus attention on the needs of your students. Designed with teams in mind, the Behavioral Threat Assessment Manager aggregates data, creates tasks, notifies team members, facilitates collaboration and provides case tracking and reporting.

Built-in, expert guidance and integrated training help ensure your teams are following the prescribed process, regardless of experience level. The technology reinforces a consistent, defensible methodology across the district, mitigating risk and building confidence.

Evidence-based Methodology

The Navigate360 Behavioral Threat Assessment Manager is the only threat assessment software that fully incorporates the Comprehensive School Threat Assessment Guidelines (CSTAG). The CSTAG model takes a problem-solving approach to violence prevention with an emphasis on avoiding the errors of overreaction and underreaction to student threats.

The CSTAG Difference

The CSTAG method is shown to improve student outcomes, including:

- Suspension rates decreased
- Racial disparities reduced or absent
- Counseling used more often
- More positive school culture

How it Works

Using Navigate360's interactive software, your threat assessment team can document and assess each case and more effectively implement harm reduction plans for at-risk students. The software allows district officials to track and monitor ongoing cases across multiple schools and easily retain records electronically. Additionally, the software can help schools comply with state regulations that may require the transfer of records across schools. The essential CSTAG process:

1. Evaluate and triage
2. Resolve transient threats
3. Respond to substantive threats
4. Conduct safety evaluation
5. Implement and monitor safety plan

➤ Behavioral Threat Assessment CSTAG Online Learning

Dewey G. Cornell, Ph.D. is the primary developer and copyright holder for the Comprehensive School Threat Assessment Guidelines (CSTAG), a threat assessment model for K-12 schools. CSTAG was previously known as the Virginia Student Threat Assessment Guidelines. Training in the CSTAG model is provided by Dr. Cornell and his associates through School Threat Assessment Consultants, LLC. There are no individuals authorized to provide CSTAG training.

Dr. Cornell now provides online training in the CSTAG model solely in partnership with Navigate360. Training is provided in two parts: Level 1 consists of 8 asynchronous modules completed online through the Navigate360 platform and Level

2 is a live virtual workshop conducted by Dr. Cornell or one of his associates through School Threat Assessment Consultants.

Each step and process section in the CSTAG model within Navigate360's proprietary software solution is accompanied by direct guidance from Dr. Cornell to assist all users as they manage threat assessment cases. This guidance "button" is updated for each user to reflect where the individual users are within the process, ensuring consistent support throughout threat assessment case work.

➤ Suite360 Social Emotional Learning

Navigate360's Suite360 provides a consistent delivery of social-emotional learning as both classroom-based and student-driven experiences aligned with the CASEL framework and competencies that will help your students achieve these positive outcomes.

Suite360 comes with a content library and scaffolded curriculum that responds to the growing list of challenges students face. Content includes videos, interactive games, articles, and other engaging multimedia. All content is tagged by topic, grade, and CASEL competency, so you can find what you need when you need it.

The Suite360 Topic library is updated each year to keep it fresh and engaging and includes lessons on:

- Mental health care
- Self-awareness
- Effective communication skills
- College and career prep
- Bullying and cyberbullying
- And hundreds more lessons on topics critical to your students

Evidence-Based Research

Evidence-based research is important to the development of Suite360 content. CASEL (National Collaborative for Academic, Social, and Emotional Learning) is the trusted source for knowledge about high-quality, evidence-based social and emotional learning (SEL). CASEL's framework for SEL is widely used as the foundation for SEL programs. All Suite360 lessons are CASEL-aligned and meet students where they are with age-appropriate relevant to the issues and concerns students face today. The Suite360 programs supports CASEL's mission to advance implementation of SEL in schools and their extensive research linking SEL to academic achievement and other positive outcomes for students.

When a Suite360 lesson module is created, the content's foundation is rooted in at least one of the five CASEL competencies. Navigate360's Suite360 Themes are developed over 36 themes, cataloged and tabulated by grade level.

Suite360:Student comes with a content library and scaffolded curriculum that responds to the growing list of challenges students face. Content includes videos, interactive games, articles, and other engaging multimedia. All content is tagged by topic, grade, and CASEL competency, so you can find what you need when you need it. The Suite360:Student Topic library is updated each year to keep it fresh and engaging for students and includes lessons on:

Professional Development

Professional development for this program is provided by Navigate360, the publisher of the Suite360 Student program.

Professional development includes:

- Strategy session with district staff
- Strategy/implementation guidance training for School Staff
- Implementation training for classroom teachers
- Self Help videos and articles in the client help desk
- Access to the *Mindful Monday* newsletter, published weekly, to provide additional information to teachers and administrators on key SEL concepts, ideas, and resources.

Suite360:Staff

Suite360 Staff lessons provide information to school staff about key SEL topics and steps they can take throughout the school day to support students. Additionally, a series of Suite360 Staff lessons align directly with the Suite360 Student program. These Student-aligned Staff lessons provide teachers with information about how to teach and reinforce concepts with students prior to leading a lesson on these topics. For example, a teacher may participate in a lesson on teaching students about bullying the week prior to students receiving a Suite360 lesson about bullying. These Staff lessons also include key information about the lesson students will receive so they can better prepare for that upcoming lesson. Teachers are encouraged to participate in open-ended reflection questions to further guide and plan for their professional development.

Suite360: Parent

Suite360:Parent lessons align with Suite360:Student. Suite360:Parent delivers web/mobile lessons to parents to equip them to have smart conversations with their kids about behavior and social & emotional learning. Privacy and convenience are key, and so is a constant flow of information to parents. The days of posting the student/parent PDF handbook on the school's website are over. Today, feeding web and mobile "lessons" to parents is a far more effective way to engage them.

Suite360: Mental Health & Prevention

Suite360: Mental Health & Prevention consists of seven 50 minute lessons per grade (grades 6-12) and 20-30 minute lessons per grade (K-5). Each set of lessons is developmentally appropriate for the grade it is directed to. These lessons are structured to be completed in a single sitting. The following demonstrates topics included in Suite360:Mental Health & Prevention. Each topic is scaffolded by grade level.

Suite360: Intervention

Schools and districts across the country are moving away from out-of-school suspensions and toward more constructive disciplinary practices. Suite360:Intervention turns discipline into a learning opportunity by providing students with lessons based on their infraction.

Suite360:Intervention provides students with learning opportunities for common infractions.

- Drugs and alcohol
- Lateness and absences
- Vaping
- Marijuana
- Intolerance of others
- (dozens of conduct issues...)

Each lesson provides students with the opportunity to learn the impact of their actions and help decide how to make things right with the victim and any others affected. "Students who participate in [the Restorative Practices] process are more likely to gain positive attitudes toward authority and to the concepts of fairness and justice (National Center Brief, 2009, p. 5-6)."

4. Customer's Obligations.
 - 4.1 Customer shall:
 - (a) cooperate with Company in all matters relating to the Services and appoint a Customer employee to serve as the primary contact, as well as two Customer employees to serve as backup contacts, with respect to this Agreement and who will have the authority to act for Customer pertaining to matters under this Agreement (the “**Customer Contract Manager**”);
 - (b) make available to Company certain use of Customer's facilities, telecommunications support, records, data, computer resources, software programs, networks, personnel, business information, accurate maps, and other relevant information as reasonably required by Company in the performance of any Services hereunder or as specified on any applicable Order Form. If Customer has purchased any site mapping or risk assessment services, Customer must provide all floor plans and/or maps to Company within 30 days of the applicable Order Form; any delay in providing the floor plans and/or maps beyond the aforementioned 30-day period will result in an additional charge of 10% of the amount due for the site mapping or risk assessment services for each month, or portion thereof, of such delay. Customer shall ensure that competent personnel are available during normal working hours to provide information and other support to Company while providing Services.
 - (c) respond promptly to any Company request to provide direction, information, approvals, authorizations, or decisions that are reasonably necessary for Company to perform the Services under this Agreement;
 - (d) provide such Customer information as Company may request, in order to carry out the Services, in a timely manner, and ensure that it is complete and accurate in all material respects; and
 - (e) obtain and maintain all necessary licenses and consents and comply with all applicable Laws, including any US export control regulations, in relation to the Services, in all cases before the date on which the Services are to start.

4.2 If Company's performance of its obligations under this Agreement is prevented or delayed by any act or omission of Customer, any Authorized Service Recipient, or their agents, subcontractors, consultants, or employees, including, without limitation, the provision of inaccurate, incomplete or outdated maps, documents or information, Company shall not be deemed in breach of its obligations

under this Agreement or otherwise liable for any costs, charges, or losses sustained or incurred by Customer, in each case, to the extent arising directly or indirectly from such prevention or delay.

5. Term and Termination.

5.1 Term and Renewal. The initial term of this Agreement shall be 3 years from the Effective Date (the “**Initial Term**”). Thereafter, the term of this Agreement shall automatically renew for successive one-year terms unless either party provides written notice of nonrenewal to the other party at least 90 days prior to the end of the then-current term (each a “**Renewal Term**” and together with the Initial Term, the “**Term**”). If either party provides timely notice of nonrenewal, then this Agreement shall terminate on the expiration of the then-current Term, unless sooner terminated as provided in this Section 5.

5.2 Termination of this Agreement for Cause. Either party may terminate this Agreement, effective upon written notice to the other party (the “**Defaulting Party**”), if the Defaulting Party:

(a) materially breaches this Agreement, and such breach is incapable of cure, or with respect to a breach capable of cure, the Defaulting Party does not cure such breach within 30 days after receipt of written notice of such breach; or

(b) (i) becomes insolvent or admits its inability to pay its debts generally as they become due; (ii) becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law, which is not fully stayed within 15 business days or is not dismissed or vacated within 30 days after filing; (iii) is dissolved or liquidated or takes any corporate action for such purpose; (iv) makes a general assignment for the benefit of creditors; or (v) has a receiver, trustee, custodian, or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business.

5.3 Upon expiration or termination of this Agreement for any reason each party shall (i) return to the other party all documents and tangible materials (and any copies) containing, reflecting, incorporating, or based on the other party's Confidential Information, (ii) permanently delete all of the other party's Confidential Information from its computer systems, and (iii) certify in writing to the other party that it has complied with the requirements of this clause. Upon any termination for cause by Company, Customer shall pay any unpaid fees covering the remainder of the Term under all Order Forms after the effective date of termination. In no event shall any termination relieve Customer of the obligation to pay any fees payable to Company for the period prior to the effective date of termination.

5.4 The rights and obligations of the parties set forth in Sections 5, 6, 7, 8, 9, 10, 11, 12, and 15 of this Agreement, and any right or obligation which, by its nature, should survive termination or expiration of this Agreement, will survive any such termination or expiration of this Agreement. With respect to Confidential Information that constitutes a trade secret under applicable law the rights and obligations set forth in Section 8 will survive such termination or expiration of this Agreement until, if ever, such Confidential Information loses its trade secret protection other than due to an act or omission of Company or its Affiliates and its or their employees, officers, directors, shareholders, agents, independent contractors, sublicensees, subcontractors, attorneys, accountants, and financial advisors.

6. Fees and Expenses; Payment Terms.

6.1 In consideration of the provision of the Services by the Company and the rights granted to Customer under this Agreement, Customer shall pay the fees set forth in the applicable Order Form.

6.2 Except otherwise provided under this Agreement, the total fees for the Services shall be the amount set out in the applicable Order Form. The total price shall be paid to Company either in full or in installments, as set out in the Order Form. If paid in installments, at the start of a period specified in the applicable Order Form in respect of which an installment is due, Company shall issue invoices to Customer for the fees that are then payable. For any Services involving training and professional services, Customer shall pay the total fees for such Services within 30 days of executing this Agreement.

6.3 After the initial 12 months of the Term, Customer agrees and understands that subscription Services under this Agreement shall be subject to a 3% annual increase.

6.4 Company shall issue invoices to Customer only in accordance with the terms of this Section, and Customer shall pay all properly invoiced amounts due to Company within 30 days after Customer's receipt of such invoice. All payments hereunder shall be in US dollars and made by check or wire transfer.

6.5 If Customer fails to make any payment when due, without limiting Company's other rights and remedies: (i) Company may charge interest on the past due amount at the rate of 1.5% per month calculated daily and compounded monthly or, if lower, the highest rate permitted under applicable law; (ii) Customer shall reimburse Company for all costs incurred by Company in collecting any late payments or interest, including attorneys' fees, court costs, and collection agency fees; and (iii) if such failure continues for 90 days or more, Company may suspend Customer's and its Authorized Service Recipients' access to any portion or all of the Services until such amounts are paid in full, without incurring any obligation or liability to Customer or any other Person by reason of such suspension.

6.6 Customer shall be responsible for all sales, use, and excise taxes, value added, and any other similar taxes, duties, and charges of any kind imposed by any federal, state, or local governmental entity on any amounts payable by Customer hereunder.

7. Intellectual Property Rights; Ownership.

7.1 Except as set forth in Section 7.2, Customer is, and shall be, the sole and exclusive owner of all right, title, and interest in and to the Deliverables, including all Intellectual Property Rights therein. Company agrees, and will cause its Company Personnel to agree, that with respect to any Deliverables that may qualify as “work made for hire” as defined in 17 U.S.C. § 101, such Deliverables are hereby deemed a “work made for hire” for Customer.

7.2 Company and its licensors are, and shall remain, the sole and exclusive owners of all right, title, and interest in and to the Pre-Existing Materials, including all Intellectual Property Rights therein. Company hereby grants Customer and its Authorized Service Recipients a limited, non-transferable (except in accordance with Section 15.6), non-sublicenseable license to use, perform, display, execute, reproduce, distribute, and transmit any Pre-Existing Materials to the extent incorporated in, combined with or otherwise necessary for the use of the Deliverables solely to the extent reasonably required in connection with Customer's receipt or use of the Services and Deliverables. All other rights in and to the Pre-Existing Materials are expressly reserved by Company.

7.3 Customer and its licensors are, and shall remain, the sole and exclusive owner of all right, title, and interest in and to the Customer Materials, including all Intellectual Property Rights therein. Company shall have no right or license to use any Customer Materials except solely during the Term of the Agreement to the extent necessary to provide the Services to Customer.

8. Confidential Information.

8.1 Receiving Party agrees:

(a) not to disclose or otherwise make available Confidential Information of Disclosing Party to any third party without the prior written consent of Disclosing Party; *provided, however*, that Receiving Party may disclose the Confidential Information of Disclosing Party to its officers, employees, consultants, and legal advisors, and, in the case of Company, its Affiliates, who have a "need to know", who have been apprised of this restriction, and who are themselves bound by nondisclosure obligations at least as restrictive as those set forth in this Section 8;

(b) to safeguard the Confidential Information from unauthorized use, access, or disclosure using at least the same degree of care it uses to protect its own Confidential Information and no less than a reasonable degree of care;

(c) to use the Confidential Information of Disclosing Party only for the purposes of performing its obligations under the Agreement or, in the case of Customer, to make use of the Services and Deliverables, as permitted under this Agreement; and

(d) to promptly notify Disclosing Party in the event it becomes aware of any loss or disclosure of any of the Confidential Information of Disclosing Party.

8.2 If Receiving Party becomes legally compelled to disclose any Confidential Information, Receiving Party shall provide:

(a) prompt written notice of such requirement so that the Disclosing Party may seek, at its sole cost and expense, a protective order or other remedy; and

(b) reasonable assistance, at Disclosing Party's sole cost and expense, in opposing such disclosure or seeking a protective order or other limitations on disclosure.

If, after providing such notice and assistance as required herein, Receiving Party remains required by Law to disclose any Confidential Information, Receiving Party shall disclose no more than that portion of the Confidential Information which, on the advice of Receiving Party's legal counsel, Receiving Party is legally required to disclose.

9. Representations and Warranties.

9.1 Each party represents and warrants to the other party that:

(a) it is duly organized, validly existing, and in good standing as a corporation or other entity as represented herein under the laws and regulations of its jurisdiction of incorporation, organization, or chartering;

(b) it has the full right, power, and authority to enter into this Agreement, to grant the rights and licenses granted hereunder, and to perform its obligations hereunder;

(c) the execution of this Agreement by its representative whose signature is set forth at the end hereof has been duly authorized by all necessary corporate action of the party;

(d) when executed and delivered by such party, this Agreement will constitute the legal, valid, and binding obligation of such party, enforceable against such party in accordance with its terms; and

(e) it is in compliance with all applicable Laws regarding the provision and receipt of services.

9.2 Company represents and warrants to Customer that:

(a) it shall perform the Services using personnel of required skill, experience, and qualifications and in a professional and workmanlike manner and shall devote adequate resources to meet its obligations under this Agreement; and

(b) (i) to Company's knowledge, none of the Services, Deliverables, and Customer's use thereof infringe or will infringe any registered or issued patent, copyright or trademark of any third party arising under the Law, and, (ii) as of the date hereof, there are no pending or, to Company's knowledge, threatened claims, litigation, or other proceedings pending against Company by any third party based on an alleged violation of such Intellectual Property Rights, in each case, excluding any infringement or claim, litigation, or other proceedings to the extent arising out of (x) any Customer Materials or any instruction, information, designs, specifications, or other materials provided by Customer to Company, (y) use of the Deliverables in combination with any materials or equipment not supplied or specified by Company, if the infringement would have been avoided by the use of the Deliverables not so combined, and (z) any modifications or changes made to the Deliverables by or on behalf of any Person other than Company. Company's sole liability and Customer's sole and exclusive remedy for Company's breach of this Section 9.2(b) are Company's obligations under Section 10.2.

9.3 EXCEPT FOR THE EXPRESS WARRANTIES IN THIS SECTION 9, (A) EACH PARTY HEREBY DISCLAIMS ALL WARRANTIES, EITHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE UNDER THIS AGREEMENT, AND (B) COMPANY

SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT AND ALL WARRANTIES ARISING OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE OR USAGE OF TRADE.

9.4 THE SERVICES PROVIDE GUIDANCE AND TRAINING ON THEN-CURRENT BEST PRACTICES FOR RESPONDING TO CERTAIN EMERGENCY SITUATIONS AND/OR SAFETY THREATS; REFRESHER COURSES ARE RECOMMENDED AT LEAST EVERY TWO YEARS. COMPANY DOES NOT WARRANT THAT RELIANCE UPON THE SERVICES WILL PREVENT ACCIDENTS AND LOSSES OR, EXCEPT AS EXPRESSLY STATED IN WRITING IN AN APPLICABLE ORDER FORM, THAT THE SERVICES SATISFY LOCAL, STATE, OR FEDERAL INCIDENT RESPONSE REGULATIONS. AN INDIVIDUAL MUST USE THEIR OWN DISCRETION DURING AN EMERGENCY AND/OR SAFETY THREAT AS TO HOW THEY CHOOSE TO RESPOND.

10. Indemnification.

10.1 Company shall defend, indemnify, and hold harmless Customer and its officers, directors, employees, agents, successors, and permitted assigns (each, a “**Customer Indemnitee**”) from and against all Losses awarded against a Customer Indemnitee in a final judgment arising out of or resulting from:

- (a) bodily injury, death of any person, or damage to real or tangible, personal property resulting from the willful, fraudulent, or grossly negligent acts or omissions of Company or Company Personnel; and
- (b) Company’s material breach of any representation, warranty, or obligation of Company set forth in in Section 9.1 or Section 9.2 of this Agreement.

10.2 Company shall defend, indemnify, and hold harmless the Customer Indemnitees from and against all Losses awarded against a Customer Indemnitee in a final judgment based on a claim that any of the Services or Deliverables or Customer’s receipt or use thereof infringes any Intellectual Property Right of a third party arising under the Laws of the United States; *provided, however*, that Company shall have no obligations under this Section 10.2 with respect to claims to the extent arising out of:

- (a) any Customer Materials or any instruction, information, designs, specifications, or other materials provided by Customer to Company;
- (b) use of the Deliverables in combination with any materials or equipment not supplied to Customer or specified by Company in writing, if the infringement would have been avoided by the use of the Deliverables not so combined;
- (c) use of or the inaccuracy or incomplete or outdated nature of the information in any maps or amendments thereof provided by Customer to Company; or
- (d) any modifications or changes made to the Deliverables by or on behalf of any Person other than Company or Company Personnel.

10.3 Customer shall defend, indemnify, and hold harmless Company and Company’s Affiliates and their officers, directors, employees, agents, successors, and permitted assigns from and against all Losses arising out of or resulting from any third-party action arising out of or resulting from:

- (a) bodily injury, death of any person, or damage to real or tangible, personal property resulting from the grossly negligent or willful acts or omissions of Customer;
- (b) the transfer of any personal information from Customer to Company, and the subsequent use and/or processing of that information for the purposes of this Agreement; and
- (c) Customer’s breach of any representation, warranty, or obligation of Customer in this Agreement.

10.4 The party seeking indemnification hereunder shall promptly notify the indemnifying party in writing of any action and cooperate with the indemnifying party at the indemnifying party’s sole cost and expense. The indemnifying party shall immediately take control of the defense and investigation of such action and shall employ counsel of its choice to handle and defend the same, at the indemnifying party’s sole cost and expense. The indemnifying party shall not settle any action in a manner that adversely affects the rights of the indemnified party without the indemnified party’s prior written consent, which shall not be unreasonably withheld or delayed. The indemnified party’s failure to perform any obligations under this Section 10.4 shall not relieve the indemnifying party of its obligations under this Section 10.4 except to the extent that the indemnifying party can demonstrate that it has been materially prejudiced as a result of such failure. The indemnified party may participate in and observe the proceedings at its own cost and expense.

10.5 Notwithstanding anything to the contrary in this Agreement, the indemnifying party is not obligated to indemnify, hold harmless, or defend the indemnified party against any claim (whether direct or indirect) if such claim or corresponding losses arise out of or result from, in whole or in part, the indemnified party’s:

- (a) gross negligence or more culpable act or omission (including recklessness or willful misconduct); or
- (b) bad faith failure to comply with any of its material obligations set forth in this Agreement.

11. LIMITATION OF LIABILITY.

11.1 EXCEPT AS OTHERWISE PROVIDED IN SECTION 11.3, IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER OR TO ANY THIRD PARTY FOR ANY LOSS OF USE, REVENUE, OR PROFIT, OR LOSS OF DATA, OR FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES WHETHER ARISING OUT OF BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGE WAS FORESEEABLE AND WHETHER OR NOT SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. COMPANY SHALL NOT BE RESPONSIBLE TO CUSTOMER OR ANY THIRD PARTY FOR ANY LOSSES, DAMAGES, CLAIMS,

CAUSES OF ACTION OR LIABILITIES ARISING OUT OF OR IN CONNECTION WITH ANY ERRORS, INACCURACIES, MISSING OR OUTDATED INFORMATION IN THE MAPS OR DOCUMENTS PROVIDED BY CUSTOMER TO COMPANY.

11.2 EXCEPT AS OTHERWISE PROVIDED IN SECTION 11.3, IN NO EVENT WILL EITHER PARTY'S LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EXCEED THE AGGREGATE AMOUNTS PAID OR PAYABLE TO COMPANY IN THE 12 MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CLAIM.

11.3 The exclusions and limitations in Section 11.1 and Section 11.2 shall not apply to:

- (a) damages or other liabilities arising out of or relating to a party's failure to comply with its obligations under Section 7 (Intellectual Property Rights; Ownership) or Section 8 (Confidentiality);
- (b) a party's indemnification obligations under Section 10 (Indemnification);
- (c) damages or other liabilities related to a party's gross negligence, willful misconduct, or intentional acts;
- (d) death or bodily injury or damage to real or personal property from a party's negligent acts or omissions; and
- (e) damages or liabilities to the extent covered by a party's insurance.

12. Non-Solicitation. Each party acknowledges and agrees that the employees of the other party who are involved in the performance of the Services are a valuable asset to such party and are difficult to replace. Accordingly, during the Term of the Agreement and for a period of one year after the completion of Services, neither party shall, directly or indirectly, in any manner solicit or induce for employment any person who performed any work under the Agreement who is then in the employ of the other party.

13. Acknowledgements. Customer acknowledges that the Services and Platform are commercially valuable proprietary products, methods, processes, and analytical information belonging to Company or its licensors, the design and development of which have involved the expenditure of substantial amounts of money over a long period of time, and which afford Company and its licensors a commercial advantage over its/their competitors. Customer understands that loss of this competitive advantage due to any unauthorized copying, distribution, downloading or use of the Services or the Deliverables would cause substantial damage to Company and its licensors. Company shall not be restricted in the manner it uses any ideas, concepts, processes, procedures, methodologies, templates, techniques, or know-how acquired or used by Company in the performance of the Services. Customer further acknowledges that Company is under no obligation to further develop, maintain, or market the Platform, and may abandon its technical or other support at any time. Future versions of the Platform, if any, may not be compatible with the current release of the Platform and the hardware and software. Customer is responsible for: (i) providing power, other hardware, equipment and components, not part of those supplied by Company as part of the Platform; (ii) internet access necessary to access and/or use the Platform; and (iii) complying with any policies and procedures as submitted by Company from time to time.

14. Force Majeure.

14.1 No party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement (except for any obligations to make payments to the other party hereunder), when and to the extent such failure or delay is caused by or results from the following force majeure events ("**Force Majeure Events**"): (a) acts of God; (b) flood, fire, earthquake, or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest; (d) government order or law; (e) actions, embargoes, or blockades in effect on or after the date of this Agreement; (f) action by any governmental authority; (g) national or regional emergency; or (h) other similar events beyond the reasonable control of the party affected by the Force Majeure Event. The affected party shall give notice within five business days of the Force Majeure Event to the other party, stating the period of time the occurrence is expected to continue.

14.2 The affected party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized and shall resume performance of its obligations as soon as reasonably practicable after the removal of the cause. If the affected party's failure or delay remains uncured for a period of 30 days following written notice given by it under this Section 15, the other party may thereafter terminate this Agreement upon 30 days' written notice.

15. Miscellaneous.

15.1 Each party shall, upon the reasonable request of the other party, execute such documents and perform such acts as may be necessary to give full effect to the terms of this Agreement.

15.2 The relationship between the parties is that of independent contractors. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture, or other form of joint enterprise, employment or fiduciary relationship between the parties, and neither party shall have authority to contract for or bind the other party in any manner whatsoever.

15.3 Neither party shall issue or release any announcement, statement, press release, or other publicity or marketing materials relating to this Agreement, or otherwise use the other party's trademarks, service marks, trade names, logos, symbols, or brand names, in each case, without the prior written consent of the other party.

15.4 All notices, requests, consents, claims, demands, waivers, and other communications hereunder shall be in writing and shall be deemed to have been given: (a) when delivered by hand (with written confirmation of receipt); (b) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (c) on the date sent by email if sent during normal business hours of the recipient, and on the next business day if sent after normal business hours of the recipient; or (d) on the third day after the date

mailed, by certified or registered mail, return receipt requested, postage prepaid. Such communications must be sent to the respective parties at the addresses indicated below (or at such other address for a party as shall be specified in a notice given in accordance with this Section 15.4.

As set out on the Order Form

15.5 This Agreement, together with all Addenda, Exhibits, and Order Form(s) and any other documents incorporated herein by reference, constitutes the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings and agreements, both written and oral, with respect to such subject matter. In the event of any conflict between the terms and provisions of this Agreement and those of any Addenda, Exhibit, or Order Form, the following order of precedence shall govern: (a) first, this Agreement, exclusive of its Exhibits and Addenda; (b) second, any Exhibits and Addenda to this Agreement; and (c) third, the applicable Order Form. No terms or conditions in Customer's purchase order or other order documentation (excluding Order Forms) shall be incorporated into or form any part of this Agreement, and all such terms or conditions shall be null and void.

15.6 Neither party may assign, transfer, or delegate any or all of its rights or obligations under this Agreement, including by operation of law, change of control, or merger, without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed; *provided, that*, either party may assign the Agreement in its entirety (including all Order Forms) to an Affiliate of such party or to a successor of all or substantially all of the assets of such party through merger, reorganization, consolidation, or acquisition. 15.8 This Agreement may be amended, modified, or supplemented only by an agreement in writing signed by each party. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any rights, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver; nor shall any single or partial exercise of any right, remedy, power, or privilege preclude any other or further exercise or the exercise of any other right, remedy, power, or privilege.

15.9 If any term or provision of this Agreement is invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon such determination that any term or other provision is invalid or unenforceable, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

15.10 This Agreement and all matters arising out of or relating to this Agreement, whether sounding in contract, tort, or statute, are governed by, and construed in accordance with, the laws of the State of Ohio, without giving effect to the conflict of laws provisions thereof to the extent such principles or rules would require or permit the application of the laws of any jurisdiction other than those of the State of Ohio.

15.11 Each party irrevocably and unconditionally agrees that it will not commence any action or proceeding of any kind whatsoever against the other party in any way arising from or relating to this Agreement and all contemplated transactions, in any forum other than a court situated in the State of Ohio. Each party irrevocably and unconditionally submits to the exclusive jurisdiction of such courts and agrees only to bring any such action or proceeding in such courts. Each party agrees that a final judgment in any such action or proceeding is conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

15.12 This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall be deemed to be one and the same agreement. A signed copy of this Agreement delivered by e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

SOFTWARE SERVICES ADDENDUM

1. Integration. This Software Services Addendum (“**Addendum A**”) attached to that certain Master Services Agreement between the parties (the “**MSA**”) constitutes a binding agreement between Company and Customer in accordance with the terms and conditions thereof. In the event any of the provisions of this Addendum A are in conflict with any of the provisions of the MSA, the terms and provisions of the MSA shall control, unless this Addendum A expressly provides that its terms and provisions shall control.

2. Definitions. The defined terms for this Addendum A and its attachments are set forth at [\[definitions link\]](#).

3. Access and Use.

3.1 Provision of Access. Company hereby grants Customer a non-exclusive, non-transferable (except in compliance with Section 15.6 of the MSA) right to access and use the Platform during the Subscription Term, solely for use by Authorized Service Recipients in accordance with the terms and conditions set forth in this Addendum. Such use is limited to Customer's internal use. The total number of Authorized Service Recipients and buildings covered (if applicable) set forth in the applicable Order Form cannot be decreased during the Subscription Term, and the total number of Authorized Service Recipients and buildings for which the Platform is used (if applicable) will not exceed the number set forth in the applicable Order Form, except as expressly agreed to in writing by the Parties and, if increased, subject to any appropriate adjustment of the fees payable in connection therewith. If any amount owing by Customer under this or any other agreement for the Services is 30 days or more overdue, Company may, without limiting Company's other rights and remedies, accelerate Customer's unpaid fee obligations under such agreements so that all such obligations become immediately due and payable, and suspend Company's use of the Platform until such amounts are paid in full.

3.2 Access and Use Restrictions. Customer shall not use the Platform for any purposes beyond the scope of the access granted in this Addendum. Customer may not access or use the Platform if Customer is Company's direct competitor, except with Company's prior written consent. In addition, Customer may not access or use the Platform for purposes of monitoring its availability, performance, or functionality, or for any other benchmarking or competitive purposes. Customer shall not at any time, directly or indirectly, and shall not permit any Authorized Service Recipients to: (i) copy, frame, mirror, modify, or create derivative works of the Platform or Pre-Existing Materials, in whole or in part, other than copying or framing on Customer's own intranets or otherwise for Customer's own internal business purposes; (ii) rent, lend, sell, license, sublicense, assign, distribute, publish, transfer, or otherwise make available the Platform or Pre-Existing Materials; (iii) reverse engineer, disassemble, decompile, decode, adapt, or otherwise attempt to derive or gain access to any software component of the Services, in whole or in part; or (iv) remove any proprietary notices from the Platform or Deliverables. Customer shall not disclose the results of any benchmark tests run on the Platform, without the prior written approval of Company.

3.3 Passwords. Customer and its Authorized Service Recipients are responsible for keeping its passwords and access credentials associated with the Platform confidential and assumes all responsibility for doing the same. Neither Customer nor any Authorized Service Recipients shall sell or transfer them to any other person or entity. Customer will promptly notify Company about any unauthorized access to its passwords or access credentials. Company acknowledges that Company must have access to Customer's systems and any and all systems and resources to perform its duties. As such, Company must have access to Customer's passwords. If a password is lost or not available, Company will not be held liable for being unable to provide the Platform or the Services.

3.4 Suspension. Company may suspend or terminate Customer's right to access or use any portion or all of the Platform, or its Services, immediately upon notice if: (i) Customer's use of the Platform (a) poses a security risk to the Platform or any third party, (b) could adversely impact Company systems, the Platform, or the systems or data of any other Company customer or third party, (c) could subject Company, its Affiliates, or any third party to liability, or (d) could be fraudulent, illegal, or contrary to Company's documentation or instructions; or (ii) Customer is in breach of this Addendum. If Company suspends Customer's right to access or use any portion of the Platform, Customer remains responsible for all fees and charges Customer incurs during the period of suspension.

4. Service Levels and Support. The Platform shall be available according to the service levels set out at [\[www.servicelevel.com\]](#)

5. Platform Availability. Company shall use commercially reasonable efforts to keep the Platform operating smoothly and efficiently and to make the Platform available 24 hours a day, 7 days a week, except for: (i) Scheduled Downtime, of which Company shall give notice via the Platform and which Company shall schedule to the extent practicable during the weekend hours (i.e., from 8:00 p.m. Eastern time Friday to 5:00 a.m. Eastern time Monday) or such other days and times so as to minimize interference with Customer's daytime business activities; or (ii) any unavailability caused by circumstances beyond Company's reasonable control, including without limitation, Force Majeure Events, strikes or other labor problems (other than those involving Company's employees), or internet service provider failures or delays. Customer acknowledges and agrees that, given that the Platform operates using computer equipment, computer software programs, telecommunications services, and the internet, Company shall not be responsible for delays or service interruptions attributable to causes beyond its reasonable control. Company will maintain adequate backup arrangements and equipment in order to maintain Customer's data stored on or through the Platform in the event of the failure of any of Company's equipment.

6. Platform Downtime. If Customer opts out or otherwise objects in writing to Company prior to commencement of a Scheduled Downtime, Company shall not be liable for the failure to obtain any such updates or other maintenance or adjustments to the Platform. Notwithstanding any provision to the contrary, Company shall not be responsible for any delays or deficiencies to the extent that such

2021-2024 SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and [REDACTED] ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

- 1. Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A**, which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.
- 2. Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.
- 3. Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.
- 4. Term.** This Agreement is effective on [REDACTED], 2021 ("Effective Date") and shall continue until 12:00 midnight (CST) on [REDACTED], 2024, unless terminated earlier as provided by this Agreement or by law.

5. Governing Law; Designation of Forum. This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

- A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.
- B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the non-defaulting party may authorize in writing.
- C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.
- D. The Cooperative may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

 - (4) Suffers or permits the appointment of a receiver for its business or assets;
 - (5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or
 - (6) Has wound up or liquidated, voluntarily or otherwise.
- E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

- F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.
- G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

7. Indemnification.

- A. The Contractor hereby waives and agrees to indemnify and save harmless the Cooperative and the ESUs and their officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.
- B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.
- C. If any judgment shall be rendered against the Cooperative or the ESUs in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.
- D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.
- E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

8. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

- A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of \$1,000,000 per person and \$5,000,000 per occurrence; and
- B. If applicable, workers compensation coverage meeting all statutory requirements.

The Contractor shall furnish a certificate of insurance to the undersigned Cooperative representative prior to commencement of this Agreement. Failure to provide insurance as required in this agreement is a material breach of contract entitling the Cooperative to terminate this Agreement immediately.

- 9. Public Records.** The Contractor acknowledges that the Cooperative must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.
- 10. Publicity.** The Cooperative does not endorse the goods or services of the Contractor. Except for listing the Cooperative as a client during the term of this Agreement, news releases or other publicity concerning this Agreement must not be made by the Contractor without the prior written approval of the Cooperative.
- 11. Drug/Alcohol/Tobacco/Weapons Free Workplace.** The Contractor and all subcontractors, if any, shall not manufacture, sell, distribute, dispense, possess or use controlled substances or marijuana, as defined by Nebraska law, during the performance of this Agreement while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, shall not possess any weapon, as defined by Nebraska law and the federal "Drug-Free Schools Act," on Cooperative, ESU, or Member property or at Cooperative, ESU, or Member related functions. The Contractor and all subcontractors, if any, also shall adhere to all Cooperative, ESU, and Member policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on Cooperative, ESU, or Member premises or at Cooperative, ESU, or Member related functions. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.
- 12. Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.
- 13. Independent Contractor.** Contractor is an independent contractor under this contract and is not a Cooperative, ESU, or Member employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.
- 14. Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing

services within the State of Nebraska. If the Contractor employs or contracts with any subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

- 15. Taxpayer Identification.** Contractor's federal employer identification number is: [REDACTED].

3. AEPA

- a. **Definition of AEPA:** The Association of Educational Purchasing Agencies (AEPA) is a group of Educational Service Agencies/political subdivisions organized through a Memorandum of Understanding between all participating states for the purpose of securing combined volume purchasing contracts based on potential sales by qualifying customers in participating states. Of the many advantages to this unique purchasing group, are the combined human resources representing purchasing/bidding expertise, current and past vendor relationships, past experience and overall vision with regard to the needs of the qualified customers within each represented state. Nebraska is a founding member of AEPA, which started with ten states in 2000 and now has grown to 29 states. AEPA is a voluntary run organization and asks for volunteers from the membership to complete work in Bid Oversight, Administrative Committees, Marketing, Website management, Reporting and other areas as required.
