NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15.175 are subject to the Open Meetings Act, and (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1) (a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; videoconferencing or telephone conferencing authorized; emergency meeting without notice; appearance before public body.

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b) (i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site.

(ii) In the case of the governing body of a city of the second class or village or such body's advisory committee, such notice shall be published by:

(A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's web site; or

(B) Posting written notice in three conspicuous public places in such city or village. Such notice shall be posted in the same three places for each meeting.

(iii) In the case of a public body not described in subdivision (1) (b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(c) In addition to a method of notice required by subdivision (1)(b) (i) or (ii) of this

section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) (a) The following entities may hold a meeting by means of virtual conferencing if the requirements of subdivision (2)(b) of this section are met:

The public body shall also provide links to an electronic copy of the agenda, all documents being considered at the meeting, and the current version of the Open Meetings Act; and

(iv) Except as otherwise provided in this subdivision or subsection (4) of section 79-2204, no more than one-half of the meetings of the state entities, advisory committees, boards, councils, organizations, or governing bodies are held by virtual conferencing in a calendar year. In the case of an organization created under the Interlocal Cooperation Act that sells electricity or natural gas at wholesale on a multistate basis or an organization created under the Municipal Cooperative Financing Act, the organization may hold more than one-half of its meetings by virtual conferencing if such organization holds at least one meeting each calendar year that is not by virtual conferencing. The governing body of a risk management pool that meets at least quarterly and the advisory committees of the governing body may each hold more than one-half of its meetings by virtual conferencing if the governing body's quarterly meetings are not held by virtual conferencing.

Such emergency meetings may be held by virtual conferencing. The provisions of subsection (4) of this section shall be complied with in conducting emergency meetings. Complete minutes of such emergency meetings specifying the nature of the emergency and any formal action taken at the meeting shall be made available to the public by no later than the end of the next regular business day.

(6) A public body may allow a member of the public or any other witness to appear before the public body by means of virtual conferencing.

(7) (a) Notwithstanding subsections (2) and (5) of this section, if an emergency is declared by the Governor pursuant to the Emergency Management Act as defined in section 81-829.39, a public body the territorial jurisdiction of which is included in the emergency declaration, in whole or in part, may hold a meeting by virtual conferencing during such emergency if the public body gives reasonable advance publicized notice as described in subsection (1) of this section. The notice shall include information regarding access for the public and news media. In addition to any formal action taken pertaining to the emergency, the public body may hold such meeting for the purpose of briefing, discussion of public business, formation of tentative policy, or the taking of any action by the public body.

(b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience;

(c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making virtual conferencing available at an in-state location to members, the public, or the press, if requested twenty-four hours in advance;

(d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state;

(e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; and

(f) The public body publishes notice of the out-of-state meeting at least twenty-one days before the date of the meeting in a legal newspaper of statewide circulation.

(7) Each public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at a meeting.

(8) Public bodies shall make available at the meeting or the in-state location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. 84-1413. Meetings; minutes; roll call vote; secret ballot; when.

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written, except as provided in subsection (6) of this section, and available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing the minutes is absent due to a serious illness or emergency.

(6) Minutes of the meetings of the board of a school district or educational service unit may be kept as an electronic record.

(7) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available on such entity's public web site the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the web site at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the web site at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public web site for at least six months.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

Uniform Guidance "EDGAR" Certification Form – **signature required*

Bid Affidavit – **signature required*

Acceptance of Bid & Contract Award – **signature required*

Uniform Guidance "EDGAR" Certification Form

2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All bidders submitting proposals must complete this EDGAR Certification form regarding the bidder's willingness and ability to comply with certain requirements, which may be applicable to specific agency purchases using federal grant funds.

For each of the items below, the Bidder will certify its agreement and ability to comply, where applicable, by having the bidder's authorized representative check, initial the applicable boxes, and sign the acknowledgement at the end of this form. If a bidder fails to complete any item of this form, AEPA will consider and may list the response, as the bidder is unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the bidder using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding bidder default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the bidder and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of \$10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the bidder. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay bidder for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the bidder's return policy. If the participating agency has paid the bidder for goods and services provided as the date of termination, bidder shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the bidder, the participating agency's provision shall control.

3. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contract that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Bidder agrees that such provision applies to any participating agency purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and bidder agrees that it shall comply with such provision.

4. Davis Bacon Act

When required by Federal program legislation, bidder agrees that, for all participating agency contracts for the construction, alteration, or repair (including painting and decorating) of public buildings or public works, in excess of \$2,000, bidder shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, bidder is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determinate made by the Secretary of Labor. In addition, bidder shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Bidder agrees that, for any purchase to which this requirement applies, the award of the purchase to the bidder is conditioned upon bidder's acceptance of wage determination.

Bidder further agrees that is shall also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each construction completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled under his contract of employment, shall be defined under this titled or imprisoned not more than five (5) years, or both.

5. Contract Work Hours and Safety Standards Act

Where applicable, for all participating agency purchases in excess of \$100,000 that involve the employment of mechanics or laborers, bidder agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, bidder is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of the 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions that are unsanitary, hazardous or dangerous. These requirements do not apply to the purchase of supplies, materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement

If the participating agency's federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experiments, developmental or research work under the "funding agreement," the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

7. Clean Air Act and Federal Water Pollution Control Act

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended, contracts and sub grants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). When required, bidder agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension

Debarment and Suspension (Executive Orders 12549 and 12689), a contract award (see 2 CFR 180.222) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM exclusions contain the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Bidder certifies that the bidder is not current listed and further agrees to immediately notify AEPA and all participating agencies with pending purchases or seeking to purchase from the bidder if bidder is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

9. Byrd Anti-Lobbying Amendment

Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that take place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

For participating agency purchases utilizing Federal funds, bidder agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a participating agency may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recover, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

11. Profit as a Separate Element of Price

However, bidder agrees that the total price, including profit, charged by the bidder to the participating agency shall not exceed the awarded pricing, including any applicable discount, under the bidders contract with AEPA.

12. General Compliance with Participating Agencies

Uniform Guidance "EDGAR" Certification Form

2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All Respondents submitting proposals must complete this EDGAR Certification form regarding the Respondent's willingness and ability to comply with certain requirements, which may apply to specific agency purchases using federal grant funds.

For each of the items below, the Respondent will certify its agreement and ability to comply, where applicable, by having the Respondent's authorized representative check, initial the applicable boxes, and sign the acknowledgment at the end of this form. If a Respondent fails to complete any item of this form, AEPA will consider and may list the response, as the Respondents are unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the Respondent using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding Respondent default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the Respondent and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of \$10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the Respondent. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay Respondent for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the Respondent's return policy. If the participating agency has paid the Respondent for goods and services provided as the date of termination, Respondent shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including how it will be affected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the Respondent, the participating agency's provision shall control.

3. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contract that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Respondent agrees that such provision applies to any participating agency purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Respondent agrees that it shall comply with such provision.

4. Davis Bacon Act

When required by Federal program legislation, Respondent agrees that, for all participating agency contracts for the construction, alteration, or repair (including painting and decorating) of public buildings or public works, in excess of \$2,000, Respondent shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Respondent is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determinate made by the Secretary of Labor. Also, Respondent shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Respondent agrees that, for any purchase to which this requirement applies, the award of the purchase to the Respondent is conditioned upon Respondent's acceptance of wage determination.

Respondent further agrees that is shall also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each construction completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled under his contract of employment, shall be defined under this titled or imprisoned not more than five (5) years, or both.

5. Contract Work Hours and Safety Standards Act

Where applicable, for all participating agency purchases in excess of \$100,000 that involve the employment of mechanics or laborers, Respondent agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, Respondent is required to compute the wages of every mechanic and laborer based on a standard workweek of 40 hours. Work in excess of the standard workweek is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek. The requirements of the 40 U.S.C. 3704 applies to construction work and provides that no laborer or mechanic must be required to work in surroundings or under working conditions that are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchase of supplies, materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. Right to Inventions Made Under a Contract or Agreement

If the participating agency's federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experiments, developmental or research work under the "funding agreement," the recipient or sub-recipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). When required, Respondent agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

8. Debarment and Suspension

SAM exclusions contain the names

Each tier must also disclose any lobbying with non-Federal funds that take place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

However, Respondent agrees that the total price, including profit, charged by the Respondent to the participating agency shall not exceed the awarded pricing, including any applicable discount, under the Respondent's contract with AEPA.

Uniform Guidance "EDGAR" Certification Form

2 CFR Part 200

When a purchasing agency seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200, referred to as the "Uniform Guidance" or new "EDGAR". All Respondents submitting proposals must complete this EDGAR Certification form regarding the Respondent's willingness and ability to comply with certain requirements, which may apply to specific agency purchases using federal grant funds.

For each of the items below, the Respondent will certify its agreement and ability to comply, where applicable, by having the Respondent's authorized representative check, initial the applicable boxes, and sign the acknowledgment at the end of this form. If a Respondent fails to complete any item of this form, AEPA will consider and may list the response, as the Respondents are unable to comply. A "No" response to any of the items below may influence the ability of a purchasing agency to purchase from the Respondent using federal funds.

1. Violation of Contract Terms and Conditions

Provisions regarding Respondent default are included in AEPA's terms and conditions. Any contract award will be subject to such terms and conditions, as well as any additional terms and conditions in any purchase order, ancillary agency contract, or construction contract agreed upon by the Respondent and the purchasing agency, which must be consistent with and protect the purchasing agency at least to the same extent as AEPA's terms and conditions. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.

2. Termination for Cause of Convenience

For a participating agency purchase or contract in excess of \$10,000 made using federal funds, you agree that the following term and condition shall apply:

The participating agency may terminate or cancel any purchase order under this contract at any time, with or without cause, by providing seven (7) business days in advance written notice to the Respondent. If this agreement is terminated in accordance with this paragraph, the participating agency shall only be required to pay Respondent for goods and services delivered to the participating agency prior to the termination and not otherwise returned in accordance with the Respondent's return policy. If the participating agency has paid the Respondent for goods and services provided as the date of termination, Respondent shall immediately refund such payment(s).

If an alternate provision for termination of a participating agency's purchase for cause and convenience, including how it will be affected and the basis for settlement, is in the participating agency's purchase order, ancillary agreement or construction contract agreed to by the Respondent, the participating agency's provision shall control.

3. Equal Employment Opportunity

Except as otherwise provided under 41 CFR Part 60, all participating agency purchases or contract that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Respondent agrees that such provision applies to any participating agency purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Respondent agrees that it shall comply with such provision.

4. Davis Bacon Act

When required by Federal program legislation, Respondent agrees that, for all participating agency contracts for the construction, alteration, or repair (including painting and decorating) of public buildings or public works, in excess of \$2,000, Respondent shall comply with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Respondent is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specific in a wage determinate made by the Secretary of Labor. Also, Respondent shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Respondent agrees that, for any purchase to which this requirement applies, the award of the purchase to the Respondent is conditioned upon Respondent's acceptance of wage determination.

The Act provides that each construction completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled under his contract of employment, shall be defined under this titled or imprisoned not more than five (5) years, or both.

5. Contract Work Hours and Safety Standards Act

Where applicable, for all participating agency purchases in excess of \$100,000 that involve the employment of mechanics or laborers, Respondent agrees to comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Work in excess of the standard workweek is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek. 2022-2025 SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Imagine Learning Inc. ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.
- B. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

2022-2025 SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Sadoff E-Recycling and Data Destruction ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Failure to comply with this provision may be considered a material breach. The Cooperative may suspend or terminate the Contractor, subcontractor, or both if it violates these laws, regulations, or policies or this provision.
- 13. Nondiscrimination.** The Contractor and all subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

- 30. Relationship Among Parties.** This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.
- 31. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.
- 20. Amendments and Modifications.** The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.

- 21. Waivers.** The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.
- 24. Force Majeure.** Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is cause by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.
- 25. Assignment.** This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.
- 26. Subcontractors.** The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.
- 27. Captions.** The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.

- 28. Rights and Remedies Cumulative.** Any enumeration of the Cooperative’s rights and remedies set forth in this Agreement is not exhaustive. The Cooperative’s exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative’s rights and remedies are cumulative and are in addition to any other right or remedy set forth in this Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.
- 29. Relationship Among Parties.** This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.
- 30. 2022-2025 SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and IXL Learning ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. ESUCC serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

1. **Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A**, which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.
2. **Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.
3. **Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUCC, ESUs, and Members. THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and Nearpod Inc., a Delaware corporation ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.
- 25. SOFTWARE LICENSE AGREEMENT

<<VENDOR-INSERT SOFTWARE LICENSE AGREEMENT>>

2022-2025 SPECIAL BUY AGREEMENT

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative"), and JourneyEd.com ("Contractor"). The Cooperative is an organization founded in 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between service units and their school districts and other serviceable entities. The Director manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. Nebraska ESUCC Cooperative Purchasing serves 17 ESUs that provide a statewide network of educational opportunities to approximately 244 school districts and more than 325,000 students.

In consideration of mutual covenants, the parties agree as follows:

- 1. Scope of the Contract.** The Contractor shall provide Members the opportunity to purchase the goods and/or services as defined in **Exhibit A**, which is attached hereto and incorporated herein by this reference, at the prices set forth in this Agreement and its Exhibits.
- 2. Payment Terms/Payment Schedule.** Members shall pay for services rendered and/or for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference. Prices listed in Exhibit B shall remain in effect during the term of this Agreement unless agreed otherwise by the parties in writing.
- 3. Administrative Fee.** Contractor shall submit to the Cooperative as an administrative fee a sum equal to two percent (2%) of the total gross dollar volume, less freight of all goods and services and excluding annual support and maintenance purchased by the Cooperative, ESUs, and Members. This fee will be submitted to the Cooperative on a quarterly basis beginning three months from the Effective Date of this Agreement for all transactions completed and paid during said quarter.
- 4. Term.** This Agreement is effective on August 1, 2022 ("Effective Date") and shall continue until 12:00 midnight (CST) on July 31, 2025, unless terminated earlier as provided by this Agreement or by law.
- 5. Governing Law; Designation of Forum.** This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State

of Nebraska. Mandatory and exclusive venue for any disputes shall be in Sarpy County, Nebraska.

6. Termination.

- A. The Cooperative may terminate this Agreement in whole or part if funding from federal, state, or other sources for the Cooperative or its Members is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The Cooperative shall notify the Contractor as soon as practicable if funds to meet the Cooperative's or Members' obligations become unavailable. The determination of the Cooperative as to the insufficiency of funds is conclusive.
- B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written notice of such default or such additional cure period as the non-defaulting party may authorize in writing.
- C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

- E. The Cooperative may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.
- F. The parties may terminate this Agreement without cause by mutual written consent or by either party with a minimum of 90 days written notice.
- G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the Cooperative all papers, materials and other property of the Cooperative then in its possession, including but

not limited to all work in progress as is appropriate in its then existing form to the Cooperative.

THIS AGREEMENT is entered into by and between the Nebraska ESUCC Cooperative Purchasing ("Cooperative") and [REDACTED] ("Contractor"). Educational Service Unit Coordinating Council (ESUCC) was created in statute to coordinate the activities of Nebraska's 17 Educational Service Units. The Educational Service Unit Coordinating Council was created by LB 603 in 2007 and officially came into existence on July 1, 2008. Cooperative Purchasing is a Project of ESUCC that has been in existence since 1968 with the purpose of providing the Educational Service Unit (ESU) member school districts ("Members") of Nebraska an opportunity to secure the maximum procurement value through cooperative synergies. The Educational Service Unit Coordinating Council (ESUCC) Advisory group serves as the steering committee for new and future cooperative buys statewide under its direction. A chief executive officer coordinates the statewide purchasing agreement between educational service units and their school districts and other serviceable entities. The Director of Cooperative Purchasing manages the program with the guidance of the ESUCC, Advisory Board, and the Fiscal Agent. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

Contractor shall provide Members with all attachments normally supplied by the manufacturer and/or supplier. Complete product specification sheets or brochures must be provided to Members, ESUs, or the Cooperative upon request.
- 19. Entire Agreement.** The Agreement is the complete and exclusive expression of the parties' agreement on the matters contained in this Agreement. All prior and contemporaneous negotiations and agreements between the parties on the matters contained in this Agreement are expressly merged into and superseded by this Agreement.
- 20. Amendments and Modifications.** The parties may amend or modify this Agreement only by a signed, written agreement by both parties that identifies itself as an amendment or modification to this Agreement. No other alternations in the terms of this agreement shall be valid or binding.
- 21. Waivers.** The parties may waive any provision in this Agreement only by a writing executed by the party or parties against whom the waiver is sought to be enforced. No failure or delay: (1) In exercising any right or remedy, **or** (2) In requiring the satisfaction of any condition under this Agreement, **and** (3) No act, omission, or course of dealing between the parties operates as a waiver or estoppel of any right, remedy or condition. A waiver made in writing on one occasion is effective

only in that instance and only for the purpose stated. A waiver once given is not to be construed as a waiver on any future occasion or against any other Person.

- 22. Severability.** If any provision of this Agreement is determined to be unenforceable, the remaining provisions of this Agreement remain in full force, if the essential terms and conditions of this Agreement for each party remain enforceable.
- 23. Counterparts.** The parties may execute this Agreement in multiple counterparts, each of which constitutes an original, and all of which, collectively, constitute only one agreement. The signatures of all of the parties need not appear on the same counterpart, and delivery of an executed counterpart signature page by facsimile or other electronic means is as effective as executing and delivering this Agreement in the presence of the other parties to this Agreement. This Agreement is effective upon delivery of one executed counterpart from each party to the other parties. In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.
- 24. Force Majeure.** Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except any obligations to make payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the Cooperative, such failure or delay is caused by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.
- 25. Assignment.** This Agreement binds the parties and their respective successors and assignees. The Contractor shall not assign or otherwise dispose of this Agreement or any duty, right, or responsibility contemplated in this Agreement to any other person without the previous written consent of the Cooperative.
- 26. Subcontractors.** The Contractor shall not subcontract services or any part of this Agreement without the prior written consent of the Cooperative.
- 27. Captions.** The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only, do not constitute a part of this Agreement, and do not affect this Agreement's construction or interpretation.
- 28. Rights and Remedies Cumulative.** Any enumeration of the Cooperative's rights and remedies set forth in this Agreement is not exhaustive. The Cooperative's exercise of any right or remedy under this Agreement does not preclude the exercise of any other right or remedy. All of the Cooperative's rights and remedies are cumulative and are in addition to any other right or remedy set forth in this

Agreement, any other agreement between the parties, or which may now or subsequently exist at law or in equity, by statute or otherwise.

29. Relationship Among Parties. This Agreement creates no relationship of joint venture, partnership, limited partnership, agency, or employer- employee between the parties, and the parties acknowledge that no other facts or relations exist that would create any such relationship between them. Neither party has any right or authority to assume or to create any obligation or responsibility on behalf of the other party except as may from time to time be provided by written instrument signed by both parties.

30. Rules of Construction. The parties hereto have each been represented by counsel, or had the opportunity to be represented, during the negotiation and execution of this Agreement, and therefore waive application of any law or rule of construction providing that ambiguities in the contract will be construed against the party drafting such contract.

31. Piggyback Clause. For the term of the Agreement and any mutually agreed extensions, other public agencies may purchase, lease-purchase, or rent the identical item(s) at the same price and upon the same terms and conditions as provided in this Agreement. The term "public agencies" means any county, city, village, school district, or agency of any state government or of the United States; any drainage district, sanitary and improvement district, or other municipal corporation or political subdivision of Nebraska; and any political subdivision of another state.

MEMORANDUM

DATE: April 11, 2022
FROM: Ted Witt, Technology Committee Oversight Chair
TO: Tammy Hurst, AEPA President
RE: Agenda Item Regarding Proposed Contract Amendment

CDW-G has proposed a contract amendment regarding limitation of liability for services which it would like to put forward to AEPA members using the AEPA Technology.

I have circulated the proposal with the Technology Oversight Committee, and we suggest acceptance by the board, so each state can make its own determination of accepting the amendment in accordance with their own laws and with AEPA procedures in Article 12, Section 4.

This section says, "AEPA recommends a contract with the vendor, and then each Member has the option to award the contract. If a vendor or Member requests a change in the contract, such change must be referred to the appropriate Category Committee. The appropriate Category Committee will make a recommendation to the President for action by the AEPA membership. The contract can only be modified by a vote of the membership, The appropriate vendor having a contract with a member may adopt any approved changes in the contract."

We made a slight modification to CDWG's original proposal, and the language of the draft amendment reads as follows:

Limitation of Liability. UNDER NO CIRCUMSTANCES, AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY SET FORTH HEREIN, WILL VENDOR PARTNER OR ITS AFFILIATES BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS, BUSINESS, REVENUES OR SAVINGS, AND LOSS, DAMAGE OR CORRUPTION OF DATA OR SOFTWARE, EVEN IF VENDOR PARTNER HAS BEEN ADVISED OF THE POSSIBILITIES OF SUCH DAMAGES OR IF SUCH DAMAGES ARE OTHERWISE FORESEEABLE. IN THE EVENT OF ANY LIABILITY INCURRED BY VENDOR PARTNER OR ANY OF ITS AFFILIATES HEREUNDER, THE ENTIRE LIABILITY OF VENDOR PARTNER AND ITS AFFILIATES FOR DAMAGES FROM ANY CAUSE WHATSOEVER WILL NOT EXCEED THE DOLLAR AMOUNT PAID BY EITHER THE AEPA MEMBER AGENCY OR THE LEA [DETERMINED BY THE PARTY BRINGING THE CLAIM] FOR THE SPECIFIC PRODUCTS OR SERVICES GIVING RISE TO THE CLAIM.

What a Yes Vote Means

A vote to approve this language will mean that CDWG can propose this amendment to each of the AEPA members adopting the original contract. Then, each member state can decide for itself whether to accept it and amend its own locally awarded contract.

The benefit of states adopting the amendment is that there will be more likelihood of CDWG being able to sell services in their state, especially cloud-based data services. We believe that the language follows common, reasonable practices of other commercial contracts. If not adopted, CDWG may be hesitant to promote cloud services in those states.

Additional Procedural Background

During the presentation and recommendation for award at the fall meeting, I noted that CDW-G wrote in the bid's "exceptions" section, saying, "CDW-G is not proposing a specific language exception at this time." With no alternative language offered, we considered the bid terms were accepted as written.

I also reported that CDW-G made a request in the same section to "**UPON AWARD [emphasis added]** ... to negotiate a mutually agreeable limitation of liability clause - commiserate with the proposed categories of professional services."

During my presentation I noted that the CDW-G language was a "request," not a demand, and that the bidder's language for a potential conversation was at the discretion of AEPA members and was not a material exception that would prevent an award. Nothing in the exception required AEPA or a state co-op to negotiate.

I reminded the board that AEPA makes a recommendation, not an award. Awards are made at the state level. Further in my presentation I noted that the nature of this solicitation being an "invitation for bids" as opposed to a "request for proposals," it would not be responsible to negotiate anything in between an AEPA-recommendation vote and an eventual state-level award.

Finally, I noted that if CDW-G wanted to suggest a change in "liability," the procedure would be for the company to request a change to the Oversight Committee after the adoption of contracts by the states.

That step has been taken, and it is now coming back to the AEPA board for approval.

1. Annual/Paper Buy

- a. **Definition of the Annual Buy:** This is a line item bid were vendors are awarded by line item. If there is a tie for the bid price then a Nebraska vendor wins over an out of state vendor, otherwise it goes to a coin flip. Bids are sent to registered vendors nation-wide in October. Bid Awards announced in December and January, catalogs with over 4,200 items are published and distributed schools/members in February. The orders are then aggregated by address (all teacher/staff orders for items are aggregated into one line item per address) and sent to vendors in March and April and merchandise is delivered to the Cooperative members during May through July. The product categories offered are as follows: Electronics and Related Supplies, General Supplies, Furniture, Copier Paper, Maintenance-Shop Supplies, Health & Safety Supplies, Athletic Equipment & Supplies, Hot Lunch Equipment & Supplies, Science Equipment & Supplies, and Art Equipment & Supplies.
- b. 2022 ESUCC- Annual Buy
 - i. Annual Buy closed on April 8. Orders sent to vendors in the amount of \$2,347,286.95 This is up \$201,033.07 from 2021 totals.
 2021 - \$2,146,253.88
 2020 - \$2,389,178.36
 2019 - \$2,280,138.82
 2018 - \$2,282,359.68
 2017 - \$2,407,565.41
 - ii. The Annual Buy is hard to compare on volume versus sales compared to the previous year with so many factors for each item. It is our educated guess that volume is down this year and sales are up because of increased costs.
- c. **Year over Year Marketplace purchases to include both year-round, Paper, and Annual Buy's**

	January	February	March	April	YTD
2016	\$2,567.08	\$250,162.71	\$887,101.29	\$2,657,808.25	\$4,070,589.59
2017	\$7,445.64	\$232,445.70	\$812,113.22	\$2,450,067.97	\$3,863,795.56
2018	\$16,404.15	\$223,012.95	\$882,895.68	\$2,513,162.25	\$4,449,044.40
2019	\$19,241.18	\$373,428.57	\$858,433.70	\$2,439,624.59	\$4,470,323.01
2020	\$14,553.90	\$335,257.61	\$892,614.95	\$2,589,289.80	\$4,989,205.11
2021	\$20,623.11	\$290,377.74	\$843,338.67	\$2,352,787.50	\$3,507,127.02
2022	\$18,280.08	\$338,159.11	\$1,116,327.04	\$2,553,217.018	\$4,025,983.41

2. Special Buys

- a. **Definition Special Buy:** Contracts are negotiated agreements with exclusive pricing to ESUCC Cooperative Purchasing members. These contracts may range from one to three years. Within the agreement, terms shall be explicitly defined as to both parties' expectations and the scope of the agreement.
- b. NetSupport Addendum
 - i. Addition of NetSupport DNA – a suite of tools to manage and support IT assets across a district network. Includes automatic discovery of devices; hardware and software inventory; change tracking and software license management. Includes energy monitoring; power management; USB endpoint security; printer monitoring; application and internet metering; alerting suite; and software distribution
- c. Home Depot Pro now dba HD Supply
 - i. This is an extension to the RFP posted in 2016 and extended for a 3-year period. The reason we are only Extending this for 12 months is to provide a contract bridge. I have had conversations with John Clark at HD Supply about responding to this year's AEPA solicitation for both MRO and Custodial Supplies. HD Supply purchased Home Depot Pro and is bringing the MRO to the table that matches up with Home Depot Pro's custodial Supplies. The current contract expires August 31, 2022 and an AEPA award wouldn't go into effect until March 1 2023, thus the need to extend for a minimum of 6 months.
- d. Imagine Learning
 - i. Edgenuity and Odysseyware has been purchased by Imagine Learning. A new Special Buy agreement would meld the Edgenuity, Odysseyware, and Imagine Learning products into one Special Buy agreement.
- e. Sadoff E-Recycling & Data Destruction
 - i. Sadoff is already under a Special Buy agreement, this would be essentially a renewal with an updated and current pricing structure.
- f. Really Good Stuff
 - i. Really Good Stuff is already under a Special Buy agreement, this would be essentially a renewal with an updated and current pricing structure.
- g. IXL
 - i. IXL is already under a Special Buy agreement, this would be essentially a renewal with an updated and current pricing structure.
- h. Nearpod/Flocabulary
 - i. Nearpod/Flocabulary has been purchased by Renaissance Learning and is already under a Special Buy agreement, this would be essentially a renewal with an updated and current pricing structure along and the contract with Renaissance Learning.
- i. JourneyEd
 - i. JourneyEd has been a long-time software licensing vendor and is already under a Special Buy agreement, this would be essentially a renewal with an updated and current pricing structure.

MEMORANDUM

To: Dr. Dan Schnoes, ESU 3 Administrator
From: Perry Law Firm
Date: May 1, 2022
RE: School District Annual Policy Service Update

A. REQUIRED POLICY UPDATES

1. **Policy 1220 – Title IX Grievance Policy** – The grievance policy needed several clarifications and adjustments to comply with the current Title IX regulations, and Policy 1220 incorporates these technical changes. However, as the Biden Administration reviews current Title IX regulations, this Policy may need to be updated again next year.

2. **Policy 3132 – Internal Controls** – NDE has asked for additional policy provisions under federal monitoring and reporting requirements. This policy update will also be applicable for schools that are audited and/or monitored for use of ESSER funds.

3. **Policy 3540 – Bidding Construction Projects** – Neb. Rev. Stat. 73-106 generally requires the District to bid construction projects in excess of \$100,000. However, that amount is subject to adjustment by the State Board of Education. The State Board of Education has adjusted this amount to \$109,000, so Policy 3540 has been updated to reflect this change. The requirement to hire an engineer or architect has also been increased to projects in excess of \$118,000.

4. **Policy 4009 – Drug and Substance Abuse** – This policy reflects updates at the federal level for drug and substance abuse testing for employees.

5. **Policy 4133 – Substitute Teachers** – There were some timing issues with Boards approving local substitute teachers and when the District needed the substitute to begin teaching. This policy specifically authorizes the Superintendent to sign off on a local substitute permit.

6. **Policy 6600 – Special Education** – Over the past year, NDE has developed new special education guidance for district policies and procedures. You can access the majority of this guidance here: <https://cdn.education.ne.gov/wp-content/uploads/2017/09/Developing-Local-Policies-and-Procedures-Required-for-Implementation-of-Special-Education-Part-B-Regulations-in-Nebraskas-Public-Schools.pdf>. In response to this new guidance, we have updated Policy 6600.

7. **Policy 8343 – Agenda Construction and Control** – LB 83 requires persons wishing to address the Board of Education to state their name, address, and any organization they represent.

8. **Policy 8343 – Agenda Construction and Control & Policy 9340 – Minutes** – Beginning July 31st, LB 83 requires that Board agendas and meeting minutes be posted on the District’s website. Each agenda must be posted at least twenty-four hours before the meeting. Both the agendas and meeting minutes must remain on the District’s website for at least six months.

B. OTHER CONSIDERATIONS

1. **LB 644 / Property Tax Request Joint Hearing.** This summer, Districts will need to prepare for and review LB 644, and the new budget and tax request process and timelines. Of note, districts will need to sufficiently plan to ensure that they meet the new law’s very specific and condensed timeframe. Within the next week or so, we will be sending out a more detailed guidance on complying with LB 644.

2. **Juneteenth.** This session, LB 29 made Juneteenth (June 19th) a Nebraska State holiday. Although most policies (including 6117) are limited to holidays that occur during the school year, some school districts (either by contract, handbook, or business practice) offer paid holidays for employees on state or federal holidays. Districts should review their holiday pay practices to determine if Juneteenth needs to be added as an additional paid holiday.

3. **Seizure Safe Schools Act.** Last year, the Legislature enacted LB 639, which requires, among other things, that “at least one school employee at each school who has met the training requirements necessary to administer or assist with the self-administration of a seizure rescue medication or medication prescribed to treat seizure disorder symptoms as approved by the United States Food and Drug Administration.” This requirement becomes effective, beginning in 2022-2023 school year.

4. ***Mahanoy v. BL Case.*** Last summer, the United States Supreme Court issued its decision in the “Snapchat cheerleader case.” The case mainly focused on whether a cheerleader had a First Amendment right to post negative comments about the cheer coaches and school while off-school grounds and outside of school hours. The United States Supreme Court held that the school overstepped its authority by removing the student from the cheer squad in response to her Snaps. One key takeaway from this case is that schools need to review their activity handbooks, activity agreements, and so forth, to ensure that there are no prohibitions against “any” negative speech, comments, and the like. Overbroad and/or vague rules regarding student speech are now subject to higher scrutiny under the *Mahanoy* case.

5. Polling Place or Election Training. LB 843 requires that any political subdivision that receives state or federal funding must make their building available to the County Election Commissioner either as a polling place or for election training. Schools should be aware of this new requirement, if contacted by their Election Commissioner.

6. Holocaust and Financial Literacy Standards. LB 888 requires the State Board of Education to incorporate education on the Holocaust and financial literacy into the social studies standards. This does not necessarily require a policy update but is something to keep in mind as you review and update your curriculum.

7. Bond Timing Correction. LB 1165 fixed a timing dispute over the approval and issuance of voter-approved bonds. Districts who are interested in pursuing a bond election should consult with their bond counsel to confirm that LB 1165 would address any timing concerns with their bond election.

8. Student Attendance Policies. Several schools ran into problems with NDE over student attendance reporting and their Student Attendance Policy. This summer would be a good time to review your Student Attendance Policy and related handbook provisions to ensure that your policy matches current practice.

9. Temporary Memorials Policy. Recent guidance has led some to rethink their Temporary Memorials Policy. Typically, this Policy outlines how deceased staff and/or students will (or will not) be memorialized by the District. There is no requirement to have a Temporary Memorials Policy, but some Districts have adopted a policy for the sake of consistency. For those Districts interested in different policy options on this point, please let us know and we can send you different draft policies.

10. Release from Contract. Some Districts have a policy that allows a teacher or administrator to be released from their contract up to a certain date. The current teacher shortage has led some Districts to question their current practices. In advance of the 2022-2023 school year, this summer would be a good time to decide if your District needs to change its policy and/or practice related to releasing certificated employees from contracts by a certain date.

As always, please let us know if you have any questions or concerns.

Community RelationsTitle IX – Procedure for Complaints of Sexual Harassment**A. Complaint Procedure - Generally**

1. Reporting Procedures: All employees are responsible for helping to prevent sexual harassment. Employees or students who believe they have been subjected to, or believe they have witnessed sexual harassment should follow these procedures:

1. Directly inform the person engaging in the discrimination or harassment that such conduct is offensive and must stop.
2. For employee reporters, contact your principal or supervisor, the principal or supervisor of the offending person, or the Title IX Coordinator if you do not wish to communicate directly with the person whose conduct is offensive or if direct communication with the offending person has been ineffective.
3. Report the matter to the Title IX Coordinator if the offending conduct continues or has not been resolved to your satisfaction after you have reported the matter to a principal or supervisor.
4. For student reporters, contact any teacher, counselor, or administrator, or the Title IX Coordinator.
5. Report to the Title IX Coordinator if you are the adult to whom the student has made a report so that the matter can be properly resolved. The Title IX Coordinator is:

2. District Actions upon Report of Sexual Harassment or Sexual Misconduct: Upon receipt of a report of sexual harassment, the Title IX Coordinator, or designee, including but not limited to a building principal or assistant principal, will conduct an initial inquiry. The first step of the inquiry will typically include a preliminary meeting between the individual whom the reporting party alleges has been subjected to sexual harassment or sexual misconduct and the Title IX Coordinator, or designee. The initial inquiry may also include a meeting between the Title IX Coordinator, or designee, and the individual whom the reporting party alleges has committed sexual harassment or sexual misconduct. The purpose of these meetings is to gain a basic understanding of the nature and circumstances of the report, it is not intended to be a full investigative interview. During the initial assessment, the reporting party may also receive

information about resources, rights, procedural options, and supportive measures. The Title IX Coordinator, or designee, may inquire into whether the person who has is alleged to have been subject to sexual harassment or misconduct requests resources, no further action, supportive measures, and/or initiation of the “Formal Complaint” process. The Title IX Coordinator will make a reasonable effort to respect the wishes of the person who experienced sexual harassment or sexual misconduct; however, if the reported incident constitutes an imminent or ongoing threat to school safety, based on the assessment of the Title IX Coordinator, then the Title IX Coordinator may file a Formal Complaint, on behalf of the District, with or without the consent or permission of the person who has experienced sexual harassment or sexual misconduct.

With or without a Formal Complaint, allegations of sexual harassment or discrimination shall be investigated and if substantiated, corrective or disciplinary action will be taken, up to and including dismissal from employment, if the offender is an employee, or suspension and/or expulsion, if the offender is a student. Retaliatory action will not be taken against any person for reporting discrimination or harassment. This policy does not limit or prohibit the District from instituting disciplinary measures pursuant to other Board Policy, rules, or other expectations if the District determines that a person violated District rules or expectations.

B. Formal Complaint Process

The following procedures apply only in the event that a Formal Complaint is filed. All other reports of sexual harassment shall be resolved using the general complaint procedure. Any timelines set forth in the following procedures may be extended by the Title IX Coordinator with notice to the parties.

1. Misconduct Which May Be Investigated Under a Formal Complaint: The Formal Complaint process is only available if the Formal Complaint alleges: (i) conduct which occurs on District grounds or property owned or controlled by the District; (ii) conduct which occurs in the context of District employment or an education program or District-sponsored activity within the United States, and (iii) conduct which occurs when the District has substantial control over both the Respondent and the context in which the sexual harassment or sexual misconduct occurs. The conduct must also fall within one of the following categories: (a) an employee of the District conditioning an aid, service, or benefit of the District on an individual’s participation in unwelcome sexual contact; (b) unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a student equal access to the District’s education program or activity; (c) sexual assault; (d) domestic violence; (e) dating violence; or (f) stalking.

2. Parties to a Formal Complaint: The only parties to a Formal Complaint are the Complainant, who is the person alleged to have been subject to misconduct, and the Respondent, the person who is alleged to have committed the misconduct.

3. Filing a Formal Complaint: A Formal Complaint may only be filed by a Complainant or the Title IX Coordinator. An employee or student Complainant may file a Formal Complaint in writing with the Title IX Coordinator in person or by mail, or by electronic mail. The Formal Complaint must be signed by the Complainant or by the Title IX Coordinator.

4. Immediate Actions Upon Receipt of Formal Complaint: Upon receipt of a Formal Complaint, the Title IX Coordinator will conduct an initial assessment of the allegations contained within the Formal Complaint to determine if the allegations in the Formal Complaint, if true, allege misconduct which may be investigated under the Formal Complaint process. If the allegations in the Formal Complaint do not allege misconduct which may be investigated under the Formal Complaint process, the Title IX Coordinator must dismiss the Formal Complaint and may proceed under other District policies or procedures. The Complainant will be provided notice in writing if the Formal Complaint is dismissed.

If the allegations in the Formal Complaint allege misconduct which may be investigated under the Formal Complaint process, the Title IX Coordinator shall provide the following to all known parties: (1) The complaint procedure as outlined in this policy; and (2) Notice of the allegations of sexual harassment, known by the District at the time of filing the Notice, including (i) the identities of the parties involved, if known, (ii) the conduct allegedly constituting sexual harassment, and (iii) the date and location of the alleged incident.

The Title IX Coordinator shall then provide the Formal Complaint and the Notice of the Formal Complaint to the District's Title IX Investigator.

5. Investigation of Formal Complaint: Upon receipt of a Formal Complaint, the Investigator will promptly investigate the allegations contained within, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. The Investigator will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this complaint procedure. If the allegation(s) involve possible criminal conduct, the District will notify the Complainant of his or her right to file a criminal complaint, and District employees will not dissuade the Complainant from filing a criminal complaint either during or after the District's investigation.

The Investigator will contact the Complainant, Respondent, and relevant witnesses to schedule interviews. All parties may bring up to two people to this meeting: (1) Support Person and/or (2) Advisor of Choice. The Advisor of Choice may or may not be an attorney. Neither the Support Person nor the Advisor of Choice can direct questions or comments to the Investigator, nor may the Support Person or Advisor of Choice advise a student or employee how to answer the Investigator's questions.

The Investigator will also aim to collect all tangible evidence relevant to the investigation.

The Investigator will complete the investigation within a reasonable time frame, as determined by the Title IX Coordinator. The factors to determine a reasonable time frame include, but are not limited to, the allegations of the Formal Complaint and the number of witnesses that may need to be interviewed. The time frame originally set by the Title IX Coordinator may be extended by the

Title IX Coordinator, upon notice to the parties, as deemed necessary to complete the investigation. Periodic status updates will be given to the parties, when appropriate.

(A) *Neutrality*: The Title IX Coordinator, Investigator, Decision-Maker, or any person designated by the District to facilitate this Formal Complaint process, shall not have any conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent. The District shall ensure that Title IX Coordinator, Investigator, Decision-Maker, and any person who facilitates this Formal Complaint process shall receive training on the definition of sexual harassment, the scope of the District's education program or activity, how to conduct an investigation and complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the fact at issue, conflicts of interest, and bias.

(B) *Burden of Production*: It shall be the Investigator's burden to gather evidence sufficient to reach a determination regarding the outcome of the Formal Complaint. To reach a determination, the investigation will include, but is not limited to:

- i. Providing the parties with the opportunity to present witnesses and provide evidence.
- ii. An evaluation of all relevant information and documentation relating to the alleged discriminatory conduct.
- iii. A consideration of various factors, including: (1) the nature of the conduct and whether the conduct was unwelcome, (2) the surrounding circumstances, expectations, and relationships, (3) the degree to which the conduct affected one or more students' education, (4) the type, frequency, and duration of the conduct, (5) the identity of and relationship between the alleged harasser and the suspect or suspects of the harassment, (6) the number of individuals involved, (7) the age and sex, if applicable, of the alleged harasser and the alleged victim(s) of the harassment, (8) the location of the incidents and the context in which they occurred, (9) the totality of the circumstances, and (10) other relevant evidence.
- iv. A review of the evidence using a "preponderance of the evidence" standard. To meet the "preponderance of the evidence" standard, the evidence must show that the discrimination, harassment, or retaliation more likely occurred than did not occur.

(C) *Rights of the Parties*: The Respondent is entitled to a presumption that the Respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the complaint process. The Investigator must provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. The Investigator shall not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.

The District retains the right to place any person on administrative leave during the pendency of the investigation. The District also retains the right to remove a Respondent from the District's educational program prior to the conclusion of the investigation. In the event of a removal, the Respondent shall have the opportunity to challenge the decision for removal by meeting with the Title IX Coordinator to discuss the removal.

(D) *Conclusion of Investigation:* Prior to the conclusion of the investigation, the Investigator shall send each party the evidence that is subject to inspection and review in an electronic format or a hard copy. This information shall be known as the “Draft Investigative Report.” The Draft Investigative Report shall include all evidence obtained as part of the investigation that is directly related to the allegations raised in the Formal Complaint, including the evidence upon which the Investigator does not intend to relay to the Decision-Maker. The parties shall then have ten (10) calendar days to submit a written response, which the Investigator will consider. Responses may not be submitted by the parties’ Advisor of Choice or Support Person, unless such person is the parent or guardian of the Complainant or Respondent. Responses may include corrections to the Investigator’s summary of the parties’ interviews, suggestions for additional investigation, or additional information not known at the time of the interviews. Any new information provided by the parties during the response period will not result in an additional time period for response by the other party unless determined necessary by the Title IX Coordinator. The Investigator is not obliged to respond to any question or requests for information in the parties’ responses. The Investigator will consider the information provided by the parties and will incorporate relevant information into the Final Investigative Report. The Final Investigative Report will fairly summarize the relevant evidence. The Investigator shall then submit the Final Investigation Report to the Decision-Maker. The parties shall each receive a copy of the Final Investigative Report at the same time as the Decision-Maker.

6. Actions Taken By Decision-Maker Upon Receipt of Final Investigative Report: Upon receipt of the Final Investigative Report, the Decision-Maker shall provide 10 days for each party to submit written, relevant questions that a party wants asked of any party or witness. Questions shall be submitted to the Title IX Coordinator who shall determine whether questions are relevant. The Title IX Coordinator shall contact parties or witnesses to request answers to the parties’ relevant questions. The Title IX Coordinator will provide each party, and the Decision-Maker with the answers provided by the opposing party or witness and allow for additional, limited follow-up questions from each party.

7. Notice of Determination: Once the Decision-Maker has received the answers to relevant questions submitted by the parties, the Decision-Maker shall consider the answers and the Decision-Maker shall issue a written determination regarding responsibility by a preponderance of the evidence within a reasonable time frame, as determined by the Title IX Coordinator. The Decision-Maker shall consider all relevant evidence, including inculpatory and exculpatory evidence, and will not consider the credibility of the evidence to be based on a person’s status, such as the Complainant, Respondent, or witness. The Decision-Maker shall provide the written determination to both parties simultaneously. The written determination shall include:

- (a) Identification of the allegations potentially constituting sexual harassment;
- (b) A description of the procedural steps taken from the receipt of the Formal Complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather evidence;
- (c) Findings of fact supporting the determination;
- (d) Conclusions regarding the application of each recipient’s code of conduct to the facts;
- (e) A statement of, and rationale for, the results as to each allegation, including a

determination regarding responsibility, any disciplinary sanctions the recipient imposes on the Respondent, and whether remedies designed to restore or preserve equal access to the recipient's education program or activity will be provided by the recipient to the Complainant; and

- (f) The recipient's procedures and permissible bases for the Complainant and Respondent to appeal.

The Family Educational Rights and Privacy Act (FERPA) permits the District to disclose relevant information to a student who was discriminated against or harassed.

8. Sanctions: At the conclusion of the investigation, the Decision-Maker may institute disciplinary measures against the Respondent if the Decision-Maker determines that the Respondent engaged in sexual abuse or harassment. Disciplinary measures may include, but are not limited to, in-school suspension, out-of-school suspension, expulsion, and, in the case of an employee disciplinary action, up to and including immediate termination from employment.

The Title IX Coordinator is responsible for coordinating the implementation of supportive measures for the victim(s).

C. Appeals

If either party is not satisfied with the outcome of the investigation and the decision of the Decision-Maker, they may appeal on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
3. The Title IX Coordinator, Investigator, or Decision-Maker had a conflict of interest or bias for or against the Complainant or Respondent generally or the individual Complainant or Respondent that affected the outcome of the matter.

The request for an appeal shall be in writing and submitted on the appropriate document. The appeal document shall be submitted to the Superintendent.

Upon notice of an appeal by either party, the Superintendent of Schools shall notify the other party in writing when the appeal is filed and of the appeal procedures, which apply equally to both parties.

The Superintendent shall give both parties a reasonable and equal opportunity to submit a written statement in support of or challenging the outcome.

The Superintendent shall review the investigative report, Decision-Maker's determination, and written statements of the parties and then issue a written decision describing the result of the appeal and the rationale for the result. The Superintendent shall provide the written decision simultaneously to both parties.

D. Informal Resolution

If a Formal Complaint is filed, the District may offer the Complainant and Respondent the opportunity to participate in an informal resolution process. The informal resolution process may take place at any time prior to reaching a determination regarding responsibility. The informal resolution process shall only take place upon:

1. Written notice to both parties disclosing: the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a Formal Complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the resolution process and resume the complaint process with respect to the Formal Complaint, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
2. The parties' voluntary, written consent to the informal resolution process; and
3. That the allegations of the Formal Complaint do not involve any allegations that an employee sexually harassed a student.

E. Record Keeping

The District will maintain relevant documentation obtained during the investigation and documentation supportive of the findings and any subsequent determinations, including the investigative report, witness statements, interview summaries, and any transcripts or audio recordings, pertaining to the investigative and appeal proceedings for a period of seven (7) years.

B. Formal Complaint Process

The following procedures apply only in the event that a Formal Complaint is filed. All other reports of sexual harassment shall be resolved using the general complaint procedure. 2. Parties to a Formal Complaint: The only parties to a Formal Complaint are the Complainant, who is the person alleged to have been subject to misconduct, and the Respondent, the person who is alleged to have committed the misconduct.

3. Filing a Formal Complaint: A Formal Complaint may only be filed by a Complainant or the Title IX Coordinator. An employee or student Complainant may file a Formal Complaint in writing with the Title IX Coordinator in person or by mail, or by electronic mail. The Formal Complaint must be signed by the Complainant or by the Title IX Coordinator.

4. Immediate Actions Upon Receipt of Formal Complaint: Upon receipt of a Formal Complaint, the Title IX Coordinator will conduct an initial assessment of the allegations contained within the Formal Complaint to determine if the allegations in the Formal Complaint, if true, allege misconduct which may be investigated under the Formal Complaint process. If the allegations in the Formal Complaint do not allege misconduct which may be investigated under the Formal Complaint process, the Title IX Coordinator must dismiss the Formal Complaint and may proceed under other District policies or procedures. The Complainant will be provided notice in writing if the Formal Complaint is dismissed.

If the allegations in the Formal Complaint allege misconduct which may be investigated under the Formal Complaint process, the Title IX Coordinator shall provide the following to all known parties: (1) The complaint procedure as outlined in this policy; and (2) Notice of the allegations of sexual harassment, known by the District at the time of filing the Notice, including (i) the identities of the parties involved, if known, (ii) the conduct allegedly constituting sexual harassment, and (iii) the date and location of the alleged incident.

The Title IX Coordinator shall then provide the Formal Complaint and the Notice of the Formal Complaint to the District's Title IX Investigator.

5. Investigation of Formal Complaint: Upon receipt of a Formal Complaint, the Investigator will promptly investigate the allegations contained within, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. The Investigator will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this complaint procedure. If the allegation(s) involve possible criminal conduct, the District will notify the Complainant of his or her right to file a criminal complaint, and District employees will not dissuade the Complainant from filing a criminal complaint either during or after the District's investigation.

The Investigator will contact the Complainant, Respondent, and relevant witnesses to schedule interviews. All parties may bring up to two people to this meeting: (1) Support Person and/or (2) Advisor of Choice. The Advisor of Choice may or may not be an attorney. Neither the Support Person nor the Advisor of Choice can direct questions or comments to the Investigator, nor may the Support Person or Advisor of Choice advise a student or employee how to answer the Investigator's questions.

The Investigator will also aim to collect all tangible evidence relevant to the investigation.

The Investigator will complete the investigation within a reasonable time frame, as determined by the Title IX Coordinator. The factors to determine a reasonable time frame include, but are not limited to, the allegations of the Formal Complaint and the number of witnesses that may need to be interviewed. The time frame originally set by the Title IX Coordinator may be extended by the Title IX Coordinator, upon notice to the parties, as deemed necessary to complete the investigation. Periodic status updates will be given to the parties, when appropriate.

(A) *Neutrality*: The Title IX Coordinator, Investigator, Decision-Maker, or any person designated by the District to facilitate this Formal Complaint process, shall not have any conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent. The District shall ensure that Title IX Coordinator, Investigator, Decision-Maker, and any person who facilitates this Formal Complaint process shall receive training on the definition of sexual harassment, the scope of the District’s education program or activity, how to conduct an investigation and complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the fact at issue, conflicts of interest, and bias.

(B) *Burden of Production*: It shall be the Investigator’s burden to gather evidence sufficient to reach a determination regarding the outcome of the Formal Complaint. To reach a determination, the investigation will include, but is not limited to:

- i. Providing the parties with the opportunity to present witnesses and provide evidence.

- iii. A consideration of various factors, including: (1) the nature of the conduct and whether the conduct was unwelcome, (2) the surrounding circumstances, expectations, and relationships, (3) the degree to which the conduct affected one or more students' education, (4) the type, frequency, and duration of the conduct, (5) the identity of and relationship between the alleged harasser and the suspect or suspects of the harassment, (6) the number of individuals involved, (7) the age and sex, if applicable, of the alleged harasser and the alleged victim(s) of the harassment, (8) the location of the incidents and the context in which they occurred, (9) the totality of the circumstances, and (10) other relevant evidence.

Responses may include corrections to the Investigator's summary of the parties' interviews, suggestions for additional investigation, or additional information not known at the time of the interviews. Any new information provided by the parties during the response period will not result in an additional time period for response by the other party unless determined necessary by the Title IX Coordinator. The Investigator is not obliged to respond to any question or requests for information in the parties' responses. The Investigator will consider the information provided by the parties and will incorporate relevant information into the Final Investigative Report. - (f) The recipient's procedures and permissible bases for the Complainant and Respondent to appeal.

The Family Educational Rights and Privacy Act (FERPA) permits the District to disclose relevant information to a student who was discriminated against or harassed.

8. Sanctions: At the conclusion of the investigation, the Decision-Maker may institute disciplinary measures against the Respondent if the Decision-Maker determines that the Respondent engaged in sexual abuse or harassment. Disciplinary measures may include, but are not limited to, in-school suspension, out-of-school suspension, expulsion, and, in the case of an employee disciplinary action, up to and including immediate termination from employment.

The Title IX Coordinator is responsible for coordinating the implementation of supportive measures for the victim(s).

C. Appeals

If either party is not satisfied with the outcome of the investigation and the decision of the Decision-Maker, they may appeal on the following bases:

1. Procedural irregularity that affected the outcome of the matter;
2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
3. The Title IX Coordinator, Investigator, or Decision-Maker had a conflict of interest or bias for or against the Complainant or Respondent generally or the individual Complainant or Respondent that affected the outcome of the matter.

The request for an appeal shall be in writing and submitted on the appropriate document. The appeal document shall be submitted to the Superintendent.

Upon notice of an appeal by either party, the Superintendent of Schools shall notify the other party in writing when the appeal is filed and of the appeal procedures, which apply equally to both parties.

The Superintendent shall give both parties a reasonable, and equal opportunity to submit a written statement in support of, or challenging the outcome.

The Superintendent shall review the investigative report, Decision-Maker's determination, and written statements of the parties and then issue a written decision describing the result of the appeal and the rationale for the result. The Superintendent shall provide the written decision simultaneously to both parties.

D. Informal Resolution

If a Formal Complaint is filed, the District may offer the Complainant and Respondent the opportunity to participate in an informal resolution process. The informal resolution process may take place at any time prior to reaching a determination regarding responsibility. The informal resolution process shall only take place upon:

1. Written notice to both parties disclosing: the allegations, the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a Formal Complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the resolution process and resume the complaint process with respect to the Formal Complaint, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
2. The parties' voluntary, written consent to the informal resolution process; and
3. That the allegations of the Formal Complaint do not involve any allegations that an employee sexually harassed a student.

E. Record Keeping

The District will maintain relevant documentation obtained during the investigation and documentation supportive of the findings and any subsequent determinations, including the investigative report, witness statements, interview summaries, and any transcripts or audio recordings, pertaining to the investigative and appeal proceedings for a period of seven (7) years.

B. Response to a Formal Complaint

1. Filing Formal Complaint: An employee or student can allege sexual harassment by filing a formal complaint in writing with the Title IX Coordinator in person or by mail, or by electronic mail using the following contact information:

TITLE IX COORDINATOR CONTACT INFORMATION

{Coordinator Name}

{Address}

{City, State, Zip}

{Phone Number}

{Email Address}

~~The formal complaint must be signed by the complainantComplainant or by the Title IX Coordinator. **The following procedures apply only in the event that a formal complaint is filed. All other allegations of sexual harassment shall be resolved using the general complaint procedure. Any timelines set forth in the following procedures may be extended by the Title IX Coordinator with notice to the parties.**~~

~~2. — Immediate Actions upon Receipt of Formal Complaint: Upon receipt of a formal complaint, the Title IX Coordinator shall provide the following to all known parties: (a) the complaint procedure as outlined in this regulation; and (b) notice of the allegations of sexual harassment, including: (i) the identities of the parties involved, if known; and (ii) the conduct allegedly constituting sexual harassment; and (iii) the date and location of the alleged incident.~~

~~The parties to the formal complaint may select an advisor of their choice, who may be, but is not required to be, an attorney.~~

~~3. — Investigation of Formal Complaint: Upon receipt of a formal complaint, the Title IX Coordinator shall notify the Investigator. The Investigator will promptly investigate all complaints of discrimination, even if an outside entity or law enforcement agency is investigating a complaint involving the same facts and allegations. The Investigator will not wait for the conclusion or outcome of a criminal investigation or proceeding to begin an investigation required by this complaint procedure. If the allegation(s) involves possible criminal conduct, the District will notify the complainantComplainant of his or her right to file a criminal complaint, and District employees will not dissuade the complainantComplainant from filing a criminal complaint either during or after the District's investigation.~~

~~The Investigator will aim to complete its investigation within a reasonable time frame, as determined by the Title IX Coordinator. The factors to determine a reasonable time frame include, but are not limited to, the allegations of the formal complaint, the number of witnesses that may need to be interviewed, and whether the police are also conducting an investigation into the allegations. The time frame originally set by the Title IX Coordinator may be extended by the Title IX Coordinator, upon notice to the parties, as he or she deems necessary to complete the investigation. Periodic status updates will be given to the parties, when appropriate.~~

~~(a) — Neutrality: The Title IX Coordinator, investigatorInvestigator, decision-makerDecision-Maker, or any person designated by the District to facilitate this complaint procedure, shall not have any conflict of interest or bias for or against complainantComplainants or respondentRespondents generally or an individual complainantComplainant or respondentRespondent. The District shall ensure that Title IX Coordinators, investigatorInvestigators, decision-makerDecision-Makers, and any persons who facilitate this complaint procedure shall receive training on the definition of sexual harassment in accordance with this regulation, the scope of the District's education program or activity, how to conduct an investigation and complaint process including hearings, appeals, and informal resolution processes, as applicable, and how to serve impartially, including by avoiding prejudgment of the fact at issue, conflicts of interest, and bias. The District shall ensure that the individuals involved in the complaint procedure receive training on issues of~~

~~relevance of questions and evidence and on issues of relevance to create an investigative report that fairly summarizes relevant evidence.~~

- ~~(b) *Burden of Production:* It shall be the Investigator's burden to gather evidence sufficient to reach a determination regarding responsibility. To reach a determination, the investigation will include, but is not limited to:~~
- ~~i. Providing the parties with the opportunity to present witnesses and provide evidence.~~
 - ~~ii. An evaluation of all relevant information and documentation relating to the alleged discriminatory conduct.~~
 - ~~iii. For allegations involving harassment, some of the factors the District will consider include: 1) the nature of the conduct and whether the conduct was unwelcome, 2) the surrounding circumstances, expectations, and relationships, 3) the degree to which the conduct affected one or more students' education, 4) the type, frequency, and duration of the conduct, 5) the identity of and relationship between the alleged harasser and the suspect or suspects of the harassment, 6) the number of individuals involved, 7) the age (and sex, if applicable) of the alleged harasser and the alleged victim(s) of the harassment, 8) the location of the incidents and the context in which they occurred, 9) the totality of the circumstances, and 10) other relevant evidence.~~
 - ~~iv. A review of the evidence using a "preponderance of the evidence" standard (based on the evidence, is it more likely than not that discrimination, harassment, or retaliation occurred?)~~
- ~~(c) *Rights of the Parties:* The respondentRespondent is entitled to a presumption that the respondentRespondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the complaint process.~~

~~The Investigator must provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.~~

~~The Investigator shall not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence.~~

~~The Investigator shall provide the parties with the same opportunities to have others present during any complaint proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice if the Investigator deems appropriate. However, the Investigator may establish restrictions regarding the extent to which the advisor may participate in the proceedings, if the restrictions apply equally to both parties.~~

~~The Investigator shall provide to all witnesses expected to attend a meeting notice of the date, time, location, participants, and purpose of all hearings within two (2) days of the meeting.~~

~~Up until the conclusion of the investigation, the parties shall have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint. This includes the evidence upon which the Investigator does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence obtained from any source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.~~

~~The District retains the right to place an employee on administrative leave during the pendency of an investigation. The District also retains the right to remove a student from the District's educational program prior to the conclusion of the investigation. In the event of a removal, the respondent Respondent shall have the opportunity to challenge the decision for removal.~~

- ~~(d) *Conclusion of Investigation:* Prior to the conclusion of the investigation, the investigator Investigator shall send each party and the party's advisor, if any, the evidence that is subject to inspection and review in an electronic format or a hard copy. The parties shall then have ten (10) days to submit a written response, which the investigator Investigator will consider.~~

~~Once the investigator Investigator has considered the written statements of the parties, if any, and any questions of the parties, if any, the investigator Investigator shall create an investigative report that fairly summarizes relevant evidence. The investigator Investigator shall then submit the written investigation report to the decision-maker Decision-Maker. The parties shall each receive a copy of the final investigative report at the same time as the decision-maker Decision-Maker.~~

~~4. *Decision of Responsibility:* The decision-maker Decision-Maker shall review the investigative report. Prior to coming to a determination regarding responsibility, the decision-maker Decision-Maker shall provide ten (10) days for each party to submit written, relevant questions that a party wants asked of any party or witness, provide each party with answers, and allow for additional, limited follow-up questions from each party.~~

~~Once the decision-maker Decision-Maker has considered the written questions of the parties, if any, the decision-maker Decision-Maker shall issue a written determination regarding responsibility by a preponderance of the evidence within a reasonable time frame as determined by the Title IX Coordinator. The decision-maker Decision-Maker shall consider all relevant evidence, including inculpatory and exculpatory evidence, and will not consider the credibility of the evidence to be based on a person's status, such as complainant Complainant, respondent Respondent, or witness. The decision-maker Decision-Maker shall provide the written determination to both parties simultaneously. The written determination must include:~~

- ~~(a) Identification of the allegations potentially constituting sexual harassment;~~
- ~~(b) A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather evidence;~~
- ~~(c) Findings of fact supporting the determination;~~
- ~~(d) Conclusions regarding the application of each recipient's code of conduct to the facts;~~
- ~~(e) A statement of, and rationale for, the results as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the recipient imposes on the respondentRespondent, and whether remedies designed to restore or preserve equal access to the recipient's education program or activity will be provided by the recipient to the complainantComplainant; and~~
- ~~(f) The recipient's procedures and permissible bases for the complainantComplainant and respondentRespondent to appeal.~~

~~The Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. Sec. 11232g; 34 C.F.R. Part 99, permits the District to disclose relevant information to a student who was discriminated against or harassed.~~

~~5. Supportive Measures and Disciplinary Actions:~~

~~Throughout the investigation, either party may be entitled to supportive measures. Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainantComplainant or the respondentRespondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the recipient's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment to deter sexual harassment.~~

~~Supportive measures may include, but are not limited to, counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The District shall maintain as confidential any supportive measures provided to the complainantComplainant or respondentRespondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide the supportive measures.~~

~~At the conclusion of the investigation, the decision-makerDecision-Maker may institute disciplinary measures to the respondentRespondent if the decision-makerDecision-Maker determines that the respondentRespondent engaged in sexual abuse or harassment. Disciplinary~~

~~measures may include, but are not limited to, in-school suspension, out-of-school suspension, expulsion, and in the case of an employee, disciplinary action up to and including dismissal from employment. This policy does not limit or prohibit the District from instituting disciplinary measures if, in the course of the investigation, it determines that the complainant Complainant or respondent Respondent violated the student code of conduct.~~

~~The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.~~

~~C. — Appeals~~

~~If either party is not satisfied with the outcome of the investigation and the decision of the decision-maker Decision-Maker, they may appeal on the following basis:~~

- ~~1. — Procedural irregularity that affected the outcome of the matter;~~
- ~~2. — New evidence, that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and~~
- ~~3. — The Title IX Coordinator, investigator Investigator, or decision-maker Decision-Maker had a conflict of interest or bias for or against the complainant Complainant or respondent Respondent generally or the individual complainant Complainant or respondent Respondent that affected the outcome of the matter.~~

~~The request for an appeal shall be in writing and submitted on the appropriate document. The appeal document shall be submitted to the Superintendent of Schools.~~

~~Upon notice of an appeal by either party, the Superintendent of Schools shall notify the other party in writing when the appeal is filed and of the appeal procedures, which apply equally to both parties.~~

~~The Superintendent of Schools shall give both parties a reasonable and equal opportunity to submit a written statement in support of or challenging the outcome.~~

~~The Superintendent of Schools shall review the investigative report, decision-maker Decision-Maker's determination, and written statements of the parties and then issue a written decision describing the result of the appeal and the rationale for the result. The Superintendent of Schools shall provide the written decision simultaneously to both parties.~~

~~D. — Informal Resolution~~

~~If a formal complaint is filed, the District may offer the complainant Complainant and respondent Respondent the opportunity to participate in an informal resolution process. The informal resolution process may take place at any time prior to reaching a determination regarding responsibility. The informal resolution process shall only take place upon:~~

- ~~1. Written notice to both parties disclosing: the allegations, the requirements of the informal resolution process, including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the resolution process and resume the complaint process with respect to the formal complaint, and any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;~~
- ~~2. The parties' voluntary written consent to the informal resolution process; and~~
- ~~3. That the allegations of the formal complaint do not involve any allegations that an employee sexually harassed a student.~~

~~**E. Record Keeping**~~

~~The District will maintain relevant documentation obtained during the investigation and documentation supportive of the findings and any subsequent determinations, including the investigative report, witness statements, interview summaries, any transcripts, or audio recordings pertaining to the investigative and appeal proceedings for a period of seven (7) years.~~

The bidding procedures shall comply with the requirements of state law and shall include the following:

1. Notice to Bidders: The Administration shall prepare a notice to bidders containing a general description of the scope of the project being bid; the location of the project; the means of obtaining project documents, including plans and specifications; the date and hour bids will close; and the date, hour and place bids are to be returned, received and opened, and a provision that such bids will be immediately and simultaneously opened in the presence of the bidders or representatives of the bidders, when the hour is reached for the bids to close.
2. Regular Manner of Advertisement for Bids: The notice to bidders shall be published one time in a newspaper of general circulation in the School District. The notice shall be published at least seven (7) days prior to the date designated for the opening of such bids. The Board of Education or Administration may, in its sole discretion, elect to utilize further advertisement for bids as it may determine appropriate to secure a sufficient number of qualified bidders for the scope of the project.
3. Bid Opening: When the hour is reached for such bids to close, bids will be immediately and simultaneously opened in the presence of the bidders or representatives of the bidders.

The bond requirement shall not apply, however, to any project bid or proposed which has a total cost of ten thousand dollars (\$10,000) or less unless the School Board or Administration includes a bond requirement in the specifications for the project. The bond shall be in an amount not less than the contract price. The bond shall be conditioned on the faithful performance of the contract and the payment by the contracting party of all laborers and mechanics for labor that is performed and of all material and equipment rental that is actually used or rented in connection with the improvement project and the performance of the contract. Such bond shall contain such provisions as are required by statutes, and be in a form prescribed and required by the district.

6. Retention of an Architect or Engineer. The School District shall not engage in the construction of any public works involving architecture or engineering unless the plans, specifications, and estimates have been prepared and the construction has been observed by an architect, a professional engineer, or a person under the direct supervision of an architect, professional engineer, or those under the direct supervision of an architect or professional engineer; provided that such requirement shall not apply to any public work in which the contemplated expenditure for the complete project does not exceed one hundred and eighteen thousand dollars (\$118,000), as adjusted from time to time by Section 81-3445 or other applicable law.

7. Additional Procedures. Each bid for which a labor and material bond is required shall be accompanied by a bid bond or certified check in the amount of five percent (5%) of such bid unless the School Board or Administration waives such requirement. The Board of Education or Administration may provide for additional procedures for the procurement, opening and acceptance of bids as deemed appropriate for a particular project.

Personnel - All EmployeesDrug and Substance Use and Abuse

It is the policy of the [Name] Public School District to eliminate the influence of drugs, alcohol and other chemicals within the school environment and to educate students against the usage of drugs, alcohol and illegal substances. The District will implement regulations and practices which will ensure compliance with laws relating to drugs and alcohol, including: the Drug-Free Workplace Act and the Omnibus Transportation Employee Testing Act of 1991, and all regulations and rules promulgated pursuant thereto.

Section 1 Drug-Free Workplace

The District has established the school as a drug-free workplace. The drug-free workplace for this purpose includes school grounds, school utilized vehicles, and places in which school activities are held. The school district recognizes that the use, possession, or being under the influence of illicit drugs or alcohol constitutes a hazard to the positive development of students and employees and a substantial interference with school purposes.

1. The unlawful manufacture, distribution, disposition, possession, or use of a controlled substance is prohibited in the work place. Employees are also prohibited from possessing, using or distributing illicit drugs or alcohol, or being under the influence of illicit drugs or alcohol, on any district property or district sponsored event. Any level of impairment from illicit drugs, alcohol, or inhalants, and the presence of any odor of illicit drugs (such as marijuana) or alcohol in the work place or on duty time shall be a violation of the drug-free workplace.
2. The possession or distribution of a look-alike drug or look-alike controlled substance is prohibited. In addition, employees are expected to serve as role models for students and will be considered to have violated the District's expectations in the event the employee commits a criminal drug or alcohol offense off the work place or off duty time.
3. As a condition of employment, employees will abide by the District's drug-free workplace policies and notify the Superintendent or designee in writing of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) calendar days after such conviction.
4. Disciplinary sanctions, up to and including termination of employment and referral for prosecution, will be imposed upon employees who violate the aforementioned standards of conduct. Sanctions for violation thereof may include the requirement that the employee complete an appropriate rehabilitation program, reprimands, and non-renewal, cancellation, or termination of contract of employment.
5. Employees shall be advised through employee publications about drug and alcohol counseling and rehabilitation and reentry programs that are available.

6. Employees shall be furnished with a paper or digital copy of this policy.

This policy supplements and is in addition to all other policies, regulations, practices, procedures and contractual provisions regarding or related to the improper or unlawful possession, use, or distribution of illicit drugs and alcohol.

Section 2 Alcohol and Drug Testing

The District will implement regulations and practices which will insure compliance with the Omnibus Transportation Employee Testing Act of 1991, the Moving Ahead for Progress in the 21st Century (MAP-21) Act, and all regulations and rules promulgated pursuant to such Acts. Employees in "safety-sensitive" positions, as defined by the Act and regulations promulgated thereunder, including employees whose position requires a commercial driver's license (CDL), shall be tested for alcohol and controlled substances as required by law. (See attached Appendix "1"). Refusal to submit to such pre-employment testing, or testing positive, shall disqualify an applicant from employment. Reasonable suspicion, random, post-accident, return-to-duty, and follow-up testing shall also be conducted. Employees who test positive shall be immediately removed from safety-sensitive positions and shall be removed from employment.

**CONTROLLED SUBSTANCES AND ALCOHOL USE AND TESTING:
FEDERAL REGULATIONS, [NAME] PUBLIC SCHOOLS' COMPLIANCE POLICIES
AND PROCEDURES, AND EDUCATIONAL MATERIALS**

The U.S. Department of Transportation (DOT) and the Federal Highway Administration (FHWA) have issued regulations requiring that individuals who perform safety-sensitive functions and who are required to maintain a commercial driver's license (CDLs) be tested for controlled substances and alcohol and not engage in controlled substances use or alcohol misuse. Information concerning those regulations, [Name] Public Schools policies and procedures, and educational materials relating to controlled substances use and alcohol misuse is set forth as follows:

(A) The persons designated by [Name] Public Schools to answer employee questions about these materials are:

Superintendent of Schools
Secondary Principal

(B) The categories of employees who are subject to the provisions of the federal controlled substances and alcohol use and testing regulations are:

Individuals who perform safety-sensitive functions and who are required to maintain a commercial driver's license (CDLs), including bus drivers and distribution and maintenance employees who are subject to driving commercial motor vehicles.

(C) The term "safety-sensitive functions" means:

- (1) All time waiting to be dispatched, unless the driver has been relieved from duty;
- (2) All time inspecting equipment or inspecting, servicing, or conditioning any commercial motor vehicle (i.e., a vehicle in excess of 26,000 pounds GVWR or designed to carry 16 or more passengers, including the driver) at any time;
- (3) All driving time (i.e., time spent at the controls of a commercial motor vehicle in operation);
- (4) All time, other than driving time, in or upon any commercial motor vehicle;
- (5) All time loading or unloading a vehicle, supervising, or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle, or in giving or receiving receipts for shipments loaded or unloaded;
- (6) All time spent performing the driver requirements of 49 CFR §§392.40 and 392.41 relating to accidents;
- (7) All time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

(D) Employee conduct that is prohibited by the federal controlled substances and alcohol use and testing regulations includes:

1. **Alcohol concentration.**
No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater.
2. **Alcohol possession.**
No driver shall be on duty or operate a commercial motor vehicle while the driver possesses alcohol.
3. **On-duty use.**
No driver shall use alcohol while performing safety-sensitive functions.
4. **Pre-duty use.**
No driver shall perform safety-sensitive functions within four (4) hours after using alcohol.
5. **Use following an accident.**
No driver required to take a post-accident alcohol test shall use alcohol for eight hours following the accident, or until the driver undergoes a post-accident alcohol test, whichever occurs first.
6. **Refusal to submit to a required alcohol or controlled substances test.**
No driver shall refuse to submit to a post-accident alcohol or controlled substances test, a reasonable suspicion alcohol or controlled substance test, or a follow-up alcohol or controlled substances test.
7. **Controlled substances use.**
No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when the driver uses any controlled substance, except when the use is pursuant to the instructions of a physician who has advised the driver that the substance does not adversely affect the driver's ability to safely operate a commercial motor vehicle.
8. **Controlled substances test.**
No driver shall report for duty, remain on duty or perform a safety-sensitive function, if the driver tests positive for controlled substances.

(E) The circumstances under which an employee will be tested for alcohol and/or controlled substances pursuant to the federal regulations include:

1. **Pre-employment testing.**
Prior to the first time a driver performs safety-sensitive functions, the driver shall undergo testing for alcohol and controlled substances. No safety-sensitive functions are to be performed unless the driver has been administered an alcohol test with a result indicating an alcohol concentration less than 0.04, and has received a controlled substances test result from the medical review officer indicating a verified negative test result.
2. **Post-accident testing.**
 - (a) As soon as practicable following an accident involving a commercial motor vehicle, each surviving driver:
 - (1) Who was performing safety-sensitive functions with respect to the vehicle, if the accident involved the loss of human life; or

- (2) Who receives a citation under State or local law for a moving traffic violation arising from the accident shall undergo a test for alcohol and controlled substances.
- (b) (1) *Alcohol tests.* Shall be administered within two hours following the accident unless such cannot reasonably be done, and not more than eight hours following the accident.
- (2) *Controlled substance tests.* Shall be administered within 32 hours following the accident.
- (c) A driver who is subject to post-accident testing shall remain readily available for such testing or may be deemed by the employer to have refused to submit to testing. The driver shall be permitted to leave the immediate scene of an accident for the period necessary to obtain assistance in responding to the accident, or to obtain necessary emergency medical care, but shall otherwise remain readily available for testing.

3. **Random testing.**

(a) Drivers shall be subject to random testing. The minimum annual percentage rate for random alcohol testing should be 25 percent of the average number of driver positions, or such minimum annual percentage rate as established from time to time by the FHWA. The minimum annual percentage rate for random controlled substance testing shall be 50 percent of the average number of driver positions.

(b) The selection of drivers for random alcohol and controlled substances testing shall be made by a scientifically valid method. Under the selection process used, each driver shall have an equal chance of being tested each time selections are made.

(c) The random alcohol and controlled substances tests shall be unannounced and the dates for administering random alcohol and controlled substances tests shall be spread reasonably throughout the calendar year.

(d) Each driver who is notified of selection for random alcohol and/or controlled substances testing shall proceed to the test site immediately; provided, however, that if the driver is performing a safety-sensitive function at the time of notification, the driver shall cease to perform the safety-sensitive function and proceed to the testing site as soon as possible.

4. **Reasonable suspicion testing.**

(a) A driver shall submit to an alcohol test when the employer has reasonable suspicion to believe that the driver has engaged in conduct prohibited by the federal drug and alcohol testing regulations (except for possession of alcohol).

(b) Under federal law, notwithstanding the absence of a reasonable suspicion alcohol test, a driver is prohibited from reporting for duty or remaining on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol and must not perform or continue to perform safety-sensitive functions, until:

- (i) An alcohol test is administered and the driver's alcohol concentration measures less than 0.02; or
- (ii) Twenty-four hours have elapsed following the determination that there is reasonable suspicion to believe that the driver has violated the prohibitions concerning the use of alcohol.

5. **Return-to-duty testing.**

(a) Alcohol. If a driver has engaged in conduct prohibited by the federal drug and alcohol testing regulations concerning alcohol and has not been terminated, the driver shall undergo a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02.

(b) Controlled Substances. If a driver has engaged in conduct prohibited by the federal drug and alcohol testing regulations concerning controlled substances, and has not been terminated, the driver shall undergo a return-to-duty controlled substances test with a result indicating a verified negative result for controlled substances use.

6. **Follow-up testing.**

Following a determination that a driver is in need of assistance in resolving problems associated with alcohol misuse and/or use of controlled substances, the driver shall, if still employed, be subject to unannounced follow-up alcohol and/or controlled substances testing as directed by a substance abuse professional in accordance with the provisions of federal regulations.

Random, reasonable suspicion, and follow-up alcohol testing shall be conducted only when the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver has ceased performing safety-sensitive functions.

(F) The procedures that will be used to test for the presence of alcohol and controlled substances, to protect the employee and the integrity of the testing processes, to safeguard the validity of the test results, and to ensure that those results are attributed to the correct employee include:

The procedures outlined in 49 CFR 40, concerning procedures for Transportation Workplace Drug and Alcohol Testing Program, will be followed. This includes use of a "split sample" approach for drug testing and chain of custody procedures including documentation of screening aliquots.

(G) An employee is required to submit to alcohol and controlled substances tests administered pursuant to the federal regulations.

(H) A "refusal to submit" to an alcohol or controlled substance test includes:

Refuse to submit (to an alcohol or controlled substances test) means that a driver (1) Fails to provide adequate breath for testing without a valid medical explanation after he or she has received notice of the requirement for breath testing, (2) fails to provide adequate urine for controlled substances testing without a valid medical explanation after he or she has received notice of the requirement for urine testing, or (3) engages in conduct that clearly obstructs the testing process. A failure to remain readily available for post-accident testing, or to notify the employer of the need for such testing, or to proceed to the test site immediately for random testing, may be deemed by the employer to constitute a refusal to submit.

The consequences for refusing to submit to an alcohol or controlled substances test are as follows: A driver who has refused to submit to a required alcohol or controlled substance test is subject to the same consequences as a driver who has tested positive on an alcohol (concentration of 0.04 or greater) or controlled substances test.

(I) The consequences under the federal regulations for employees who have violated the federal regulations relating to controlled substances and alcohol use and testing include:

The driver shall be removed from and not permitted to perform safety-sensitive functions. The driver shall be referred for evaluation by a substance abuse professional for a determination of what assistance, if any, the employee needs in resolving problems associated with alcohol misuse and controlled substances abuse.

Before a driver returns to duty requiring the performance of a safety-sensitive function after engaging in conduct prohibited by the federal regulations, the driver shall, if still employed, undergo a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02 if the conduct involved alcohol, or a controlled substances test with a verified negative result if the conduct involved a controlled substance.

In addition, each driver identified as needing assistance in resolving problems associated with alcohol misuse or controlled substance use, if still employed,

- (i) Shall be evaluated by a substance abuse professional to determine that the driver has properly followed any rehabilitation program prescribed, and
- (ii) Shall be subject to unannounced follow-up alcohol and controlled substances tests administered by the employer following the driver's return to duty.

The driver may also be subject to the penalty provisions of 49 U.S.C. § 521(b).

(J) The consequences under the federal regulations for employees found to have an alcohol concentration of 0.02 or greater but less than 0.04 include: Removal from safety-sensitive functions for a period of not less than 24 hours following administration of the test.

(K) Information to assist employees in avoiding alcohol misuse and controlled substances use, signs and symptoms of an alcohol or a controlled substances problem, and available methods of intervening when such a problem is suspected: Information will be made available by the counselor to employees upon request.

- (2) All time inspecting equipment or inspecting, servicing, or conditioning any commercial motor vehicle (i.e., a vehicle in excess of 26,000 pounds GVWR or designed to carry 16 or more passengers, including the driver) at any time;
- (3) All driving time (i.e., time spent at the controls of a commercial motor vehicle in operation);
- (4) All time, other than driving time, in or upon any commercial motor vehicle;
- (5) All time loading or unloading a vehicle, supervising, or assisting in the loading or unloading, attending a vehicle being loaded or unloaded, remaining in readiness to operate the vehicle, or in giving or receiving receipts for shipments loaded or unloaded;
- (6) All time spent performing the driver requirements of 49 CFR §§392.40 and 392.41 relating to accidents;
- (7) All time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.

(D) Employee conduct that is prohibited by the federal controlled substances and alcohol

use and testing regulations includes:

1. **Alcohol concentration.**
No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions while having an alcohol concentration of 0.04 or greater.
2. **Alcohol possession.**
No driver shall be on duty or operate a commercial motor vehicle while the driver possesses alcohol.
3. **On-duty use.**
No driver shall use alcohol while performing safety-sensitive functions.
4. **Pre-duty use.**
No driver shall perform safety-sensitive functions within four (4) hours after using alcohol.
5. **Use following an accident.**
No driver required to take a post-accident alcohol test shall use alcohol for eight hours following the accident, or until the driver undergoes a post-accident alcohol test, whichever occurs first.
6. **Refusal to submit to a required alcohol or controlled substances test.**
No driver shall refuse to submit to a post-accident alcohol or controlled substances test, a reasonable suspicion alcohol or controlled substance test, or a follow-up alcohol or controlled substances test.
7. **Controlled substances use.**
No driver shall report for duty or remain on duty requiring the performance of safety-sensitive functions when the driver uses any controlled substance, except when the use is pursuant to the instructions of a physician who has advised the driver that the substance does not adversely affect the driver's ability to safely operate a commercial motor vehicle.
8. **Controlled substances test.**
No driver shall report for duty, remain on duty or perform a safety-sensitive function, if the driver tests positive for controlled substances.

(E) The circumstances under which an employee will be tested for alcohol and/or controlled substances pursuant to the federal regulations include:

1. **Pre-employment testing.**
Prior to the first time a driver performs safety-sensitive functions, the driver shall undergo testing for alcohol and controlled substances. No safety-sensitive functions are to be performed unless the driver has been administered an alcohol test with a result indicating an alcohol concentration less than 0.04, and has received a controlled substances test result from the medical review officer indicating a verified negative test result.
2. **Post-accident testing.**
 - (a) As soon as practicable following an accident involving a commercial motor vehicle, each surviving driver:
 - (1) Who was performing safety-sensitive functions with respect to the vehicle,

- if the accident involved the loss of human life; or
- (2) Who receives a citation under State or local law for a moving traffic violation arising from the accident shall undergo a test for alcohol and controlled substances.
- (b)
 - (1) *Alcohol tests.* Shall be administered within two hours following the accident unless such cannot reasonably be done, and not more than eight hours following the accident.
 - (2) *Controlled substance tests.* Shall be administered within 32 hours following the accident.
 - (c) A driver who is subject to post-accident testing shall remain readily available for such testing or may be deemed by the employer to have refused to submit to testing. The driver shall be permitted to leave the immediate scene of an accident for the period necessary to obtain assistance in responding to the accident, or to obtain necessary emergency medical care, but shall otherwise remain readily available for testing.

3. **Random testing.**

- (a) Drivers shall be subject to random testing. The minimum annual percentage rate for random alcohol testing should be 25 percent of the average number of driver positions, or such minimum annual percentage rate as established from time to time by the FHWA. The minimum annual percentage rate for random controlled substance testing shall be 50 percent of the average number of driver positions.
- (b) The selection of drivers for random alcohol and controlled substances testing shall be made by a scientifically valid method. Under the selection process used, each driver shall have an equal chance of being tested each time selections are made.
- (c) The random alcohol and controlled substances tests shall be unannounced and the dates for administering random alcohol and controlled substances tests shall be spread reasonably throughout the calendar year.
- (d) Each driver who is notified of selection for random alcohol and/or controlled substances testing shall proceed to the test site immediately; provided, however, that if the driver is performing a safety-sensitive function at the time of notification, the driver shall cease to perform the safety-sensitive function and proceed to the testing site as soon as possible.

4. **Reasonable suspicion testing.**

- (a) A driver shall submit to an alcohol test when the employer has reasonable suspicion to believe that the driver has engaged in conduct prohibited by the federal drug and alcohol testing regulations (except for possession of alcohol).
- (b) Under federal law, notwithstanding the absence of a reasonable suspicion alcohol test, a driver is prohibited from reporting for duty or remaining on duty requiring the performance of safety-sensitive functions while the driver is under the influence of or impaired by alcohol and must not perform or continue to perform safety-sensitive functions, until:
 - (i) An alcohol test is administered and the driver's alcohol concentration measures less than 0.02; or
 - (ii) Twenty-four hours have elapsed following the determination that there is reasonable suspicion to believe that the driver has violated the prohibitions concerning the use of alcohol.

5. **Return-to-duty testing.**

(a) **Alcohol.** If a driver has engaged in conduct prohibited by the federal drug and alcohol testing regulations concerning alcohol and has not been terminated, the driver shall undergo a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02.

(b) **Controlled Substances.** If a driver has engaged in conduct prohibited by the federal drug and alcohol testing regulations concerning controlled substances, and has not been terminated, the driver shall undergo a return-to-duty controlled substances test with a result indicating a verified negative result for controlled substances use.

6. **Follow-up testing.**

Following a determination that a driver is in need of assistance in resolving problems associated with alcohol misuse and/or use of controlled substances, the driver shall, if still employed, be subject to unannounced follow-up alcohol and/or controlled substances testing as directed by a substance abuse professional in accordance with the provisions of federal regulations.

Random, reasonable suspicion, and follow-up alcohol testing shall be conducted only when the driver is performing safety-sensitive functions, just before the driver is to perform safety-sensitive functions, or just after the driver has ceased performing safety-sensitive functions.

(F) The procedures that will be used to test for the presence of alcohol and controlled substances, to protect the employee and the integrity of the testing processes, to safeguard the validity of the test results, and to ensure that those results are attributed to the correct employee include:

The procedures outlined in 49 CFR 40, concerning procedures for Transportation Workplace Drug and Alcohol Testing Program, will be followed. This includes use of a "split sample" approach for drug testing and chain of custody procedures including documentation of screening aliquots.

(G) An employee is required to submit to alcohol and controlled substances tests administered pursuant to the federal regulations.

(H) A "refusal to submit" to an alcohol or controlled substance test includes:

Refuse to submit (to an alcohol or controlled substances test) means that a driver (1) Fails to provide adequate breath for testing without a valid medical explanation after he or she has received notice of the requirement for breath testing, (2) fails to provide adequate urine for controlled substances testing without a valid medical explanation after he or she has received notice of the requirement for urine testing, or (3) engages in conduct that clearly obstructs the testing process. A failure to remain readily available for post-accident testing, or to notify the employer of the need for such testing, or to proceed to the test site immediately for random testing, may be deemed by the employer to constitute a refusal to submit.

The consequences for refusing to submit to an alcohol or controlled substances test are as follows: A driver who has refused to submit to a required alcohol or controlled substance test is subject to the same consequences as a driver who has tested positive on an alcohol

(concentration of 0.04 or greater) or controlled substances test.

(I) The consequences under the federal regulations for employees who have violated the federal regulations relating to controlled substances and alcohol use and testing include:

The driver shall be removed from and not permitted to perform safety-sensitive functions. The driver shall be referred for evaluation by a substance abuse professional for a determination of what assistance, if any, the employee needs in resolving problems associated with alcohol misuse and controlled substances abuse.

Before a driver returns to duty requiring the performance of a safety-sensitive function after engaging in conduct prohibited by the federal regulations, the driver shall, if still employed, undergo a return-to-duty alcohol test with a result indicating an alcohol concentration of less than 0.02 if the conduct involved alcohol, or a controlled substances test with a verified negative result if the conduct involved a controlled substance.

In addition, each driver identified as needing assistance in resolving problems associated with alcohol misuse or controlled substance use, if still employed,

- (i) Shall be evaluated by a substance abuse professional to determine that the driver has properly followed any rehabilitation program prescribed, and
- (ii) Shall be subject to unannounced follow-up alcohol and controlled substances tests administered by the employer following the driver's return to duty.

The driver may also be subject to the penalty provisions of 49 U.S.C. § 521(b).

(J) The consequences under the federal regulations for employees found to have an alcohol concentration of 0.02 or greater but less than 0.04 include: Removal from safety-sensitive functions for a period of not less than 24 hours following administration of the test.

(K) Information to assist employees in avoiding alcohol misuse and controlled substances use, signs and symptoms of an alcohol or a controlled substances problem, and available methods of intervening when such a problem is suspected: Information will be made available by the counselor to employees upon request.

InstructionSpecial Education

[Name] Public Schools adopts this special education policy with the intent that the policy maintains the District's compliance with all applicable laws affecting special education services and programs. The Superintendent or designees shall develop regulations or procedures to implement these policies. Employees and contractors of the District are expected to comply with these policies and all regulations, guidelines and procedures related to this policy in all respects.

The District will abide by all state and federal laws relating to special education. The District's special education policy and regulations, guidelines and procedures related to this policy are to be interpreted so as to be in compliance with such laws. In the event of changes in law, the school administration shall be authorized to implement modifications of practice to comply with such changes (whether the changes impose more or less stringent procedural or substantive requirements) until such time as amended policies are adopted by the Board of Education. References herein to 92 NAC 51 citations are made to Rule 51 as in effect on the date of the adoption of these policies. In the event of renumbering or other revisions to Rule 51, the policy shall be interpreted and implemented consistent with such renumbering or revisions.

1. Free Appropriate Public Education

A free appropriate public education shall be made available to all children with disabilities residing in the District, including children with disabilities who have been suspended or expelled, from date of verification through the school year in which the child is no longer eligible or the student reaches twenty-one (21) years of age, whichever occurs earlier. An Individualized Education Plan ("IEP") will be created for each such child that will enable the student to make progress appropriate in light of the student's unique circumstances

Legal Reference: 92 NAC 51-004.01 through 004.03A and 007.07C2 through 007.07C6

2. Full Educational Opportunity Goal

The District shall take steps to ensure that its children with verified disabilities have available to them the variety of educational programs and services available to children without disabilities in the areas served by the District, including art, music, industrial arts, family consumer science education, and vocational education.

Legal Reference: 92 NAC 51-004.11A

3. Child Find

All children from birth to age twenty-one (21) with disabilities residing in the District, including children with disabilities who are homeless or are wards of the state or attending nonpublic schools, regardless of the severity of their disabilities, who are in need of special education and related services, will be identified, located and evaluated. A practical method shall be developed and implemented by the administration to determine which children with disabilities are currently receiving needed special education and related services. The District will implement multiple methods to provide parents, guardians, and community members with information regarding how to refer a child for an evaluation and the identification process and will publish an annual notice of any significant activity that is designed to identify, locate, or

evaluate children to publicly notify parents, guardians, or appointed surrogates. The District's child find process will be consistent with Federal and Nebraska regulations. Legal Reference: 92 NAC 51-006.01 through 006.01A2

4. Pre-Referral Interventions

For a school age student, a general education student assistance team (SAT) or a comparable problem solving team shall be used prior to referral for multidisciplinary team evaluation. The SAT or comparable problem solving team shall utilize and document problem solving and intervention strategies to assist the teacher in the provision of general education. If the student assistance team or comparable problem solving team feels that all viable alternatives have been explored, a referral for multidisciplinary evaluation shall be completed. A referral shall include information from the SAT or comparable problem solving team, meeting the requirements of 92 NAC 51-006.01B and a listing of the members of the SAT or comparable problem solving team.

Legal Reference: 92 NAC 51-006.01B

5. Disability Verification and Eligibility

Eligibility for services will be determined by a multidisciplinary team based on the results of a comprehensive evaluation. The multidisciplinary team will identify whether a child is eligible for special education services based on the disability categories identified by Nebraska and Federal regulations. The multidisciplinary team will rule out the determinant factor is due to a lack of appropriate instruction in reading or math or due to lack of English proficiency. The team will prepare a written report documenting all evaluation findings in accordance with Federal and Nebraska requirements that will be provided to the parent, guardian, or appointed surrogate. When a child is not eligible for services, the multidisciplinary team will determine if general education interventions or strategies are needed.

6. Individualized Education Program (IEP)

An individualized education program, or an individualized family service plan, is to be developed, reviewed, and revised for each child with a disability in accordance with 92 NAC 51-007 by teams that will include all roles identified within Federal and Nebraska rules. Any draft of an IEP that is developed will not be considered final until it is reviewed and revised based on the team, including the parent, guardian, or appointed surrogate, input, and consensus. The district will make reasonable efforts to obtain informed consent from the parent, guardian, or appointed surrogate for special education placement on the IEP form before services are initiated. Revocation of consent for services must be documented by the parent, guardian, or appointed surrogate in writing.

Legal Reference: 92 NAC 51-007

7. Least Restrictive Environment

To the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, are to be educated with children who are not disabled. Placement for a student with a disability will be based upon a completed IEP developed by a group of persons, including the parent, guardian, or appointed surrogate, knowledgeable about the child, the meaning of the evaluation data, and the placement options. Special classes, separate schooling, or other removal of children with disabilities from the regular educational environment will occur only when the nature or severity of the disability of a child is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily (the "Least

Restrictive Environment Rules”). The District will ensure that a continuum of alternative placements is available to meet the needs of children with disabilities, particularly those in disproportionate groups, for special education and related services.

Legal Reference: 92 NAC 51-008.01

8. Procedural Safeguards

Children with disabilities and their parents, guardians, or appointed surrogates shall be afforded the required procedural safeguards. Parents, guardians, and appointed surrogates will be given a copy of their procedural safeguards annually or upon initial referral or parental (parent, guardian, or appointed surrogate) request for evaluation; upon request by a parent, guardian, or appointed surrogate; upon receipt by the school district or approved cooperative of the first occurrence of the filing of a complaint under 92 NAC 51-009.11 and the first occurrence of filing a special education due process case under 92 NAC 55; and in accordance with the discipline procedures in 92 NAC 51-016.

9. Disciplinary Removal of Children with Disabilities

School personnel may remove a child with a disability who violates a code of student conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for no more than ten (10) consecutive school days and for additional removals of not more than ten (10) consecutive school days in the same school year for separate incidents of misconduct, as long as those removals do not constitute a change of placement. If a student with a disability violates a code of student conduct, the school district will ensure that school personnel appropriately consider unique circumstances on a case-by-case basis when determining whether a change in placement, as defined in Federal and Nebraska rules, is appropriate for the student. Change of placement decisions related to disciplinary removals will be consistent with Federal and Nebraska regulations. For disciplinary changes in placement that would exceed ten (10) consecutive school days, if the behavior that gave rise to the violation of the school code is determined not to be a manifestation of the child’s disability, school personnel may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures that would be applied to children without disabilities.

Legal Reference: 92 NAC 51-016

10. Evaluation, Identification, and Reevaluation Procedures

Children with disabilities shall be evaluated, identified, and reevaluated by a team of multidisciplinary qualified professionals in accordance with 92 NAC 51-006. The MDT of a child suspected of having a specific learning disability shall include the additional requirements in accordance with 92 NAC 51-006.04K. The District will make reasonable efforts to obtain written permission for evaluation in accordance with Federal and Nebraska rules. Revocation for consent for evaluation must be documented by the parent, guardian, or appointed surrogate in writing.

The documented results of the evaluation will be provided to parent, guardian, or appointed surrogate and included in student files. All evaluation components will be at district expense. The District will utilize a variety of assessment instruments to ensure district teams have access to appropriate measures to complete evaluations. The district will follow any publisher guidelines for assessments and will not use outdated or culturally inappropriate tools.

The District will respond to a request for an Independent Educational Evaluation without unnecessary delay. The parent, guardian, or appointed surrogate will be given written notice of the District's decision to either move forward with the Independent Educational Evaluation or to initiate a hearing to determine the appropriateness of the evaluation. If the District agrees to move forward with the evaluation, locations of any evaluator shall be within a reasonable distance of the District. A reasonable distance means within 100 miles of the school building the child attends and within Nebraska. In the event this geographic area restriction would prevent a parent, guardian, or appointed surrogate from obtaining an Independent Educational Evaluation, the location of the evaluator may be outside the specified geographic area but must be within Nebraska. The District will provide the parent, guardian, or appointed surrogate with a list of qualified agencies/evaluators within the geographic area. The evaluators are to have their rates approved by the Nebraska Department of Education to be authorized to conduct the evaluation.

11. Confidentiality of Personally Identifiable Information

A system of safeguards will be implemented to protect the confidentiality of student records and information in accordance with law.

Legal Reference: 92 NAC 51-003.16, 003.20, 009.03 through 009.03M3

12. Transition of Children from Part C to Preschool Programs

Children participating in early intervention programs under Part C of the IDEA (early intervention services) will be appropriately evaluated, identified, and have services under Part B of the IDEA by age 3 in a manner consistent with 92 NAC 52-008. Children receiving early intervention services under Part C of the IDEA may continue to receive Part C services, upon parental consent, until the August 31st following the child's third birthday. The District will participate in transition planning conferences arranged by the designated lead agency.

Legal Reference: 92 NAC 52-008

13. Children in Nonpublic Schools

To the extent consistent with the number and location of children with disabilities in the District who are enrolled by their parents, guardians, or appointed surrogates in nonpublic elementary and secondary schools in the District, provision will be made for the participation of those children in the programs assisted or carried out under Part B of the IDEA (services for school-aged children) by providing them with special education and related services.

Legal Reference: 92 NAC 51-012.08 and 015

14. Personnel Standards and Personnel Development

Personnel providing special education or related services to children with disabilities shall be appropriately and adequately prepared and trained in accordance with IDEA requirements and the District will take measurable steps to recruit, hire, train and retain personnel meeting the requirements of IDEA to provide such services.

Legal Reference: 92 NAC 51-010

15. Participation in and Reporting of State and District Wide Assessments

All children with disabilities shall be included in all general state and district wide assessment programs, including assessments described under section 612(a)(16)(A) of the IDEA with

appropriate accommodations and alternate assessments where necessary and as indicated in their respective individualized education programs. The District will make available to the Nebraska Department of Education the information necessary to carry out its duties relating to the reporting of children with disabilities participation in assessments.

Legal Reference: 92 NAC 51-004.05

16. Suspension and Expulsion Rates

The District will examine data, including data disaggregated by race/ethnicity, gender, LEP status, and disability category, to determine if significant discrepancies are occurring in the rate of long-term suspensions and expulsions of children with disabilities.

Legal Reference: 92 NAC 51-004.06E

17. Access to Instructional Materials

As part of any printed instructional materials adoption process, procurement contract, or other practice or instrument used for purchase of printed instructional materials, the District will enter into a written contract with the publisher of the printed instructional materials to:

- A. Require the publisher to prepare and, on or before delivery of the print instructional materials, provide to the National Instructional Material Access Center, electronic files containing the contents of the printed instructional materials using the National Instructional Materials Accessibility Standard, or
- B. Purchase instructional materials from the publisher that are produced in, or may be rendered in specialized formats.

Legal Reference: 92 NAC 51-004.15

18. Over-Identification and Disproportionality

Procedures shall be in place to ensure that testing and evaluation materials and procedures utilized for the evaluation and placement of children with disabilities will be selected and administered so as not to be racially or culturally discriminatory. Such materials or procedures shall be provided and administered in the child's native language or mode of communication, unless it is clearly not feasible to do so, and no single procedure shall be the sole criterion for determining an appropriate educational program for a child. All District special education provisions will be equitably available to all children regardless of race, ethnicity, language, location, transience, income level, and access to medical care.

Legal Reference: 92 NAC 51-006.02C

19. Prohibition on Mandatory Medication

Children shall not be required to obtain a prescription for a controlled substance as a condition of attending school, receiving an evaluation to determine whether a child has a disability or the nature and extent of special education and related services the child needs, or receiving special education services.

Legal Reference: 92 NAC 51-004.11D; 21 U.S.C. §812(c)

20. Transportation

Transportation will be provided for children with disabilities who are eligible for transportation and residents of the school district as required by law to access academic, related services, and nonacademic services and activities as determined by the child's IEP. Except when a parent is

transporting only his or her child, the District shall require that the driver and vehicle meet the standards required by 92 NAC 91 and 92.

Legal Reference: 92 NAC 51-014.01 through 014.02

21. Surrogates

A surrogate will be appointed, and other action taken to ensure the rights of children with a disability as required by law. The surrogate may represent the child in all matters related to the identification, evaluation, and educational placement of a child and the provision of a free appropriate public education to the child.

Legal Reference: 92 NAC 51-009.10

22. Early Intervention Services – Consent

When a parent refuses to provide consent under 92 NAC 52, a meeting will be held or offered to explain to the parents how their failure to consent affects the ability of their child to receive services under 92 NAC 52.

To the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, are to be educated with children who are not disabled. Placement for a student with a disability will be based upon a completed IEP developed by a group of persons, including the parent, guardian, or appointed surrogate, knowledgeable about the child, the meaning of the evaluation data, and the placement options. Special classes, separate schooling, or other removal of children with disabilities from the regular educational environment will occur only when the nature or severity of the disability of a child is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily (the "Least

Restrictive Environment Rules”). The District will ensure that a continuum of alternative placements is available to meet the needs of children with disabilities, particularly those in disproportionate groups, for special education and related services.

8. Procedural Safeguards

Children with disabilities and their parents, guardians, or appointed surrogates shall be afforded the required procedural safeguards. Parents, guardians, and appointed surrogates will be given a copy of their procedural safeguards annually or upon initial referral or parental (parent, guardian, or appointed surrogate) request for evaluation; upon request by a parent, guardian, or appointed surrogate; upon receipt by the school district or approved cooperative of the first occurrence of the filing of a complaint under 92 NAC 51-009.11 and the first occurrence of filing a special education due process case under 92 NAC 55; and in accordance with the discipline procedures in 92 NAC 51-016.

9. Disciplinary Removal of Children with Disabilities

School personnel may remove a child with a disability who violates a code of student conduct from his or her current placement to an appropriate interim alternative educational setting, another setting, or suspension, for no more than ten (10) consecutive school days and for additional removals of not more than ten (10) consecutive school days in the same school year for separate incidents of misconduct, as long as those removals do not constitute a change of placement. If a student with a disability violates a code of student conduct, the school district will ensure that school personnel appropriately consider unique circumstances on a case-by-case basis when determining whether a change in placement, as defined in Federal and Nebraska rules, is appropriate for the student. Change of placement decisions related to disciplinary removals will be consistent with Federal and Nebraska regulations. For disciplinary changes in placement that would exceed ten (10) consecutive school days, if the behavior that gave rise to the violation of the school code is determined not to be a manifestation of the child’s disability, school personnel may apply the relevant disciplinary procedures to children with disabilities in the same manner and for the same duration as the procedures that would be applied to children without disabilities.

10. Evaluation, Identification, and Reevaluation Procedures

Children with disabilities shall be evaluated, identified, and reevaluated by a team of multidisciplinary qualified professionals in accordance with 92 NAC 51-006. The MDT of a child suspected of having a specific learning disability shall include the additional requirements in accordance with 92 NAC 51-006.04K. The District will make reasonable efforts to obtain written permission for evaluation in accordance with Federal and Nebraska rules. Revocation for consent for evaluation must be documented by the parent, guardian, or appointed surrogate in writing.

The documented results of the evaluation will be provided to parent, guardian, or appointed surrogate and included in student files. All evaluation components will be at district expense. The District will utilize a variety of assessment instruments to ensure district teams have access to appropriate measures to complete evaluations. The district will follow any publisher guidelines for assessments and will not use outdated or culturally inappropriate tools.

The District will respond to a request for an Independent Educational Evaluation without unnecessary delay. The parent, guardian, or appointed surrogate will be given written notice of the District's decision to either move forward with the Independent Educational Evaluation or to initiate a hearing to determine the appropriateness of the evaluation. If the District agrees to move forward with the evaluation, locations of any evaluator shall be within a reasonable distance of the District. A reasonable distance means within 100 miles of the school building the child attends and within Nebraska. In the event this geographic area restriction would prevent a parent, guardian, or appointed surrogate from obtaining an Independent Educational Evaluation, the location of the evaluator may be outside the specified geographic area but must be within Nebraska. The District will provide the parent, guardian, or appointed surrogate with a list of qualified agencies/evaluators within the geographic area. The evaluators are to have their rates approved by the Nebraska Department of Education to be authorized to conduct the evaluation.

Legal Reference: 92 NAC 51-010

15. Participation in and Reporting of State and District Wide Assessments

- A. Require the publisher to prepare and, on or before delivery of the print instructional materials, provide to the National Instructional Material Access Center, electronic files containing the contents of the printed instructional materials using the National Instructional Materials Accessibility Standard, or
- B. Purchase instructional materials from the publisher that are produced in, or may be rendered in specialized formats.

Legal Reference: 92 NAC 51-004.15

18. Over-Identification and Disproportionality

Procedures shall be in place to ensure that testing and evaluation materials and procedures utilized for the evaluation and placement of children with disabilities will be selected and administered so as not to be racially or culturally discriminatory. Such materials or procedures shall be provided and administered in the child's native language or mode of communication, unless it is clearly not feasible to do so, and no single procedure shall be the sole criterion for determining an appropriate educational program for a child. All District special education provisions will be equitably available to all children regardless of race, ethnicity, language, location, transience, income level, and access to medical care.

Legal Reference: 92 NAC 51-006.02C

19. Prohibition on Mandatory Medication
