NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret. Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body; (b) Discussion regarding deployment of security personnel or devices; (c) Investigative proceedings regarding allegations of criminal misconduct; (d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; (e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or (f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length. Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body.

(1)(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public. (b) (i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's website. (ii) In the case of the governing body of a city of the second class or village or such body's advisory committee, such notice shall be published by: (A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's website; or (B) Posting written notice in three conspicuous public places in such city or village. Such notice shall be posted in the same three places for each meeting. (iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public

body.(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee. (d) Each public body shall record the methods and dates of such notice in its minutes. (e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(6) A public body may allow a member of the public or any other witness to appear before the public body by means of virtual conferencing.

(7)(a) Notwithstanding subsections (2) and (5) of this section, if an emergency is declared by the Governor pursuant to the Emergency Management Act as defined in section 81-829.39, a public body the territorial jurisdiction of which is included in the emergency declaration, in whole or in part, may hold a meeting by virtual conferencing during such emergency if the public body gives reasonable advance publicized notice as described in subsection (1) of this section. The notice shall include information regarding access for the public and news media. meeting, but it may not forbid public participation at all meetings.

(7) Each public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at a meeting.

(8) Public bodies shall make available at the meeting or the in-state location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written or kept as an electronic record and shall be available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing or keeping the minutes is absent due to a serious illness or emergency.

(6) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available on such entity's public website the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the website at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the website at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public website for at least six months.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

84-1415. Open Meetings Act; requirements; waiver; validity of action. No motion, resolution, rule, regulation, ordinance, or formal action made, adopted, passed, or taken at a meeting as defined in section 84-1409 of a public body as defined in such section shall be invalidated because such motion, resolution, rule, regulation, ordinance, or formal action was made, adopted, passed, or taken at a meeting or meetings on or after March 17, 2020, and on or before April 30, 2021, pursuant to a Governor's Executive Order which waived certain requirements of the Open Meetings Act.

Scott Isaacson Staff Report

May, 2023

Governor's Emergency Education Relief (GEER)

About \$1.6 million of GEER II funding is available for additional robotics item purchases. ESUCC, NDE and the Governor's office agreed verbally on a scope of work, which was drafted into a contract. That contract has been signed and the purchasing process will open in May, 2023. The process will be to contact schools and ESUs who have unmet requests from the previous purchases in September, 2022, to confirm whether those items are still needed or the requests need to be adjusted. In addition, we have consulted with Nebraska VR/NDE and will be working with schools to determine needs for additional accessibility items to make the robotics items more accessible to students with special needs. After the requests are finalized, the orders for additional items will be placed in June, 2023 for fall delivery.

Future Ready Digital Learning Collaborative (FRDLC)

ESUs are continuing to implement **Proofpoint** Security Awareness Training with their schools. A review of data from the platform shows that 119 schools and ESUs with 14,145 users are registered as of May 1, 2023.

Signup for **Duo Security** licensing opened March 1, 2023 via a Google sign up form and remains open because as of May 1, 2023, 1,380 licenses are 1,384 licenses are still available to receive the full subsidy. The pricing for those who have signed up so far is \$2 per user per year from March 30, 2023 - March 29, 2024; \$5 per user from March 30, 2024 - March 29, 2025; \$8 per user from March 30, 2025 - March 29, 2026; and estimated at \$11 per user from March 30, 2026 - March 29, 2027.

We have submitted a proposal to continue the Software Innovation Network and Dorann Avey submitted a proposal for other Future Ready-related work, including support for the Canvas consortium. The current round of Innovation funds is July, 2022 through June, 2025, though proposed legislation on the use of lottery funds may change the time window and availability of the funds.

Cyber Security

The Nebraska Infrastructure Investment and Jobs Act (IIJA) state committee opened applications for sub-grants on March 1, 2023 and accepted them through April 30, 2023. The IIJA state committee will meet May 11, 2023 and will begin the process of scoring the proposals

received. After that meeting we will have a better idea of the timeline for awards being made. The ESUCC on behalf of NOC submitted a proposal for \$205,000 for a three-year project which will host the CSET security assessment tool and provide assistance to schools using the tool to conduct assessments, and additional support for Proofpoint implementation. If the project is funded, this additional assistance will be made available to all schools and ESUs in Nebraska.

We are tracking the progress of LB638 (proposed by ESUCC), LB651 and LB635. It doesn't appear that those measures will be enacted in this session, but may lead to study of the issues.
