**BYLAWS
OF
EDUCATIONAL SERVICES UNIT COORDINATING COUNCIL**

Article I. Authority and Purpose.

Section 1. Introduction. Pursuant to NEB. REV. STAT. § 79-1245, the Educational Services Unit Coordinating Council (hereinafter referred to as "the Council") is a political subdivision of the State of Nebraska.

Section 2. Purpose of Bylaws. The purpose of these Bylaws is to provide operational guidance to the Council and to clarify the Council's relationship with other education entities.

Section 3. Authority. The powers and duties of the Council are set forth in NEB. REV. STAT. §§ 79-1245 to 79-1249 as it may be amended from time to time. These Bylaws shall in no way limit or alter the authority and duties of the Council as provided by law.

Section 4. Mission. The mission of the Council is to provide the most cost-effective educational support for students, teachers, and school districts in each Nebraska educational service unit by facilitating statewide coordination of educational services and strategic planning.

Article II. Membership and Meetings.

Section 1. Number of Members. The Council shall initially have seventeen (17) members, one (1) administrator from each of the seventeen (17) Nebraska educational service units. The Council may involve liaisons from other educational entities and State agencies in its meetings and activities. If, at any time, the number of educational service units changes, the number of members on the Council shall also change so the number of members on the Council remains the same number as the number of existing Nebraska educational service units.

Section 2. Member Responsibilities. Each member is responsible for attending meetings and faithfully and diligently executing any responsibilities or tasks delegated by the Council to carry out its statutory powers and duties.

Section 3. Regular Meetings. In May of each year, the Council shall approve meeting dates, times and locations for the next 12 months. The Council shall meet at least once annually and schedule the number of regular meetings

that it deems appropriate for each 12-month period. The Council shall endeavor to set meetings on dates and at locations that accommodate the schedule of its members and of the State's education community. Regular meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 4. Special Meetings. Special meetings of the Council may be called by the President of the Council or by a majority of Council members for any lawful reason. Special meetings shall be noticed and held pursuant to the Nebraska Open Meetings Act.

Section 5. Quorum. No action may be taken on a matter at a Council meeting unless a majority of Council members are present at the meeting either in person or via teleconference pursuant to NEB. REV. STAT. § 84-1411 as may be amended from time to time.

Section 6. Voting. If a quorum is present, the affirmative vote of the majority of Council members present at the meeting and entitled to vote on the subject matter shall be considered an act of the Council unless of a greater vote is required by law. All votes shall be by roll call vote and recorded in the minutes of the Council meeting.

Section 7. Recessed Meeting. A majority of Council members present at any meeting may vote to recess the meeting to a different date, time and/or location. Any business which might have been transacted at the original meeting may be transacted at the rescheduled meeting if a quorum is present at such recessed meeting.

Section 8. Commissioner of Education. The Commissioner of Education shall be invited to attend or to send representatives from the Nebraska Department of Education in his or her stead, to each regular meeting of the Council.

Article III. Officers.

Section 1. Number and Qualification. The initial officers of the Council shall consist of a President, a President-Elect, a Past-President, a Secretary, a Treasurer and such other officers as may be deemed necessary by the Council. Together these officers shall comprise the Executive Committee of the Council.

Section 2. Election and Tenure. The officers of the Council shall be elected at the first regular meeting of the Council. Election may be by either voice vote or written ballot and shall require a majority vote of all members present at the meeting at which the election occurs. Thereafter the officers shall be elected bi-annually at the September meeting or as soon thereafter as convenient. Each officer shall hold office for two years or until his or her successor is duly elected and qualified, unless his or her service is terminated sooner because of death, resignation, removal, disqualification or otherwise.

Section 3. Removal. Any officer of the Council, either elected or appointed, may be removed by a vote of the majority of the Council. Election or appointment of an officer or agent shall not of itself create a contractual relationship between the officer and the Council or give the officer any contract rights.

Section 4. Vacancies. A vacancy in an office due to death, resignation, removal, disqualification or otherwise shall be filled by a vote of the Council in the same manner as provided in Section 2 above, at the Council's next regular meeting after the vacancy becomes known to the Council.

Section 5. Duties and Authority of Officers.

- (a) President. The President shall be the principal executive officer of Council. The President shall cause all meetings of the Council to be lawfully noticed and prepare an agenda for each meeting of the Council in accordance with state law. When present, the President shall preside at all meetings of the Council. The President may sign, with the Secretary or any other officer of the agency authorized by the Council, checks, contracts or other instruments which the Council has authorized to be executed, except in cases where the signing and execution thereof is expressly delegated by the Council or these Bylaws to some other officer or agent of the Council or required by law to be otherwise signed or executed. The President shall perform all duties incident to the office of President and such other duties as may be prescribed by the Council from time to time.
- (b) President-Elect. In the absence of the President or in the event of his or her death, inability, or refusal to act, the President-Elect shall perform the duties of the President. When so acting the President-Elect, shall have all the powers of, and be subject to all the

The Past-President shall perform such other duties as from time to time may be assigned by the President or by the Council.
- (d) Secretary. STAT. § 79-1217 and other laws and applicable regulations as they may be amended from time to time. No request for reimbursement shall be submitted by an individual for an expense which has been paid by an educational service unit, other educational agency, or political subdivision. The Council shall require each fiscal agent appointed by the Council to provide to the Council quarterly statements of all activity for each project.

Section 3. Agency Agreements and Fiscal Agents. The Council may enter into agency agreements with individual educational service units or other public or private entities. NEBRASKA OPEN MEETINGS ACT

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1) (a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body.

(1) Until January 1, 2025:

(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committee, such notice shall be published in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's website.

(ii) In the case of the governing body of a city of the second class or village or such body's advisory committee or the governing body of a rural or suburban fire protection district, such notice shall be published by:

(A) Publication in a newspaper of general circulation within the public body's jurisdiction and, if available, on such newspaper's website; or

(B) Posting written notice in three conspicuous public places in such city, village, or district. Such notice shall be posted in the same three places for each meeting.

(iii) In the case of a public body not described in subdivision (1) (b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(iv) In case of refusal, neglect, or inability of the newspaper to timely publish the notice, the public body shall (A) post such notice on its website, if available, and (B) post such notice in a conspicuous public place in such public body's jurisdiction. The public body shall keep a written record of such posting. The record of such posting shall be evidence that such posting was done as required and shall be sufficient to fulfill the requirement of publication.

(c) In addition to a method of notice required by subdivision (1)(b) (i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(2) Beginning January 1, 2025:

(a) Each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (2)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committees, such notice shall be given by:

(A)(I) Publication in a newspaper of general circulation within the public body's jurisdiction that is finalized for printing prior to the time and date of the meeting, (II) posting on such newspaper's website, if available, and (III) posting on a statewide website established and maintained as a repository for such notices by a majority of Nebraska newspapers. Such notice shall be placed in the newspaper and on the websites by the newspaper; or

(B)(I) Posting to the newspaper's website, if available, and (II) posting to a statewide website established and maintained as a repository for such notices by a majority of Nebraska newspapers if no edition of a newspaper of general circulation within the public body's jurisdiction is to be finalized for printing prior to the time and date of the meeting. Such notice shall be placed in the newspaper and on the websites by the newspaper.

(ii) In the case of the governing body of a city of the second class or village, any advisory committee of such governing body, or the governing body of a rural or suburban fire protection district, such notice shall be given by:

2. Roll call

3. Agenda Item

3.1. GEER Fund Update

We are completing this process.

3.2. Future Ready Digital Learning Collaborative (FRDLC)

142 school districts and ESUs are participating in the Proofpoint Security Awareness Training platform, utilizing 22,118 staff licenses. For the 2024-2025 school year, licenses are available for \$2.46 per staff user. 4 "light" users (could be students) are included with each staff license purchased.

51 school districts and ESUs are participating in the Duo Security multi-factor authentication system, utilizing 8,756 licenses. 1,244 licenses remain available. For the contract year which runs through March, 2025, Duo licenses are available for \$8 per user.

The STEADfast project is a browser plug-in designed to help school districts collect data about the performance of home broadband Internet services and indicate areas of the state where service improvements are needed. This project was started with the development work of ESU 10 using GEER funds earlier, and a pilot with schools is funded with \$45,000 of remaining ESSER III state level funds extended into this 2024-2025 school year.

3.3. Cybersecurity

ESU 6 gave an update on their Cybersecurity Grant. He shared what the Dashboard looks like through Resolute Guard. The GANS for Year 2 Cybersecurity have not yet been released. CEO Polk shared some updates on Erate. [Erate Article](#). The Technology Director gave further updates on some cybersecurity projects. The NCNE team is preparing server infrastructure and donated Blue Cross Blue Shield devices to provide automated vulnerability scanning for member ESUs and districts. A year 2 SLCG project proposal will add centralized event logging and monitoring to the services available. The team regularly presents updates at superintendent and technology director meetings in member ESU areas. Andy Boell is the lead contact for this project. The Network Operations Committee (NOC) cyber security sub-committee has decided to explore a cyber security rubric web application developed by ESU 3 based on the spreadsheet rubric developed by the sub-committee earlier this year. This would provide a smoother user experience to complete the survey and a central database to collect and track the data over time. Cyber Incident response planning workshops were held in-person and on Zoom during September at ESU 10, ESU 16 - North Platte and ESU 18. 114 participants attended these workshops. Feedback was positive and the leading suggestion for next steps are to hold in-person work days for schools to come together and keep working on their cyber incident response plans. This complements the work being done by the NCNE and Resolute Guard projects. I will keep looking for steps that will help all ESUs and schools across the state improve their cyber security preparedness and bring us together.

3.4. Recommend to ESUCC Board to approve the ESU 3 Contract for server hosting

The Technology Director gave information on the ESU 3 contract server infrastructure hosting. Recommend to ESCUCC Board to approve the ESU 3 Contract for server hosting Passed with a motion by Dahl, Corey (ESU 08) and a second by Maschmann, Brian (ESU 06).

Ted DeTurk (ESU 02): Yea

Gregg Robke (ESU 04): Yea

Brian Maschmann (ESU 06): Yea

Corey Dahl (ESU 08): Yea

James McGown (ESU 16): Yea

Yea: 5, Nay: 0

3.5. SIMPL Report

From Nate McClenahan:

The year rollover has gone well, and ESUs are logging in the new SIMPL year. There's been some conversation as to if that needs to be July 1 instead of August 1. The rebranding concept has been done, and the development team is preparing to implement that soon.

Information was shared on SIMPL and rebranding to SMART.

3.6. Staff Reports

3.6.1. Scott Isaacson

The Technology Director also shared updates on technology team is working on new versions and updates for a number of software projects: SRS, NVIS, Project Para, the new Behavior Intervention Reporting Tool (BIRT), and the textbook loan request application.

3.6.2. Andrew Easton

The Digital Learning Director gave updates on his reports. Continue to research Artificial Intelligence (AI) and they are working on state guidance. They will be creating some short videos to offer some conversations on AI. Updates on the behavior intervention training and reporting tool (BITS/BIRTS).

Scott Isaacson Staff Report

October, 2024

Future Ready Digital Learning Collaborative (FRDLC)

142 school districts and ESUs are participating in the **Proofpoint Security Awareness Training** platform, utilizing 22,118 staff licenses. For the 2024-2025 school year, licenses are available for \$2.46 per staff user. 4 "light" users (could be students) are included with each staff license purchased.

51 school districts and ESUs are participating in the **Duo Security** multi-factor authentication system, utilizing 8,756 licenses. 1,244 licenses remain available. For the contract year which runs through March, 2025, Duo licenses are available for \$8 per user.

The **STEADfast** project is a browser plug-in designed to help school districts collect data about the performance of home broadband Internet services and indicate areas of the state where service improvements are needed. This project was started with the development work of ESU 10 using GEER funds earlier, and a pilot with schools is funded with \$45,000 of remaining ESSER III state level funds extended into this 2024-2025 school year.

Cybersecurity

SLCG

The State and Local Cybersecurity Grant (SLCG) state committee voted previously to advance projects totalling \$4.2 million, including two ESU-related projects for \$1.4 million, for final approval by CISA and FEMA. That approval is still pending, and grant award notifications are not expected until probably December, 2024, similar to the first year timeline.

NCNE

The NCNE team is preparing server infrastructure and donated Blue Cross Blue Shield devices to provide automated vulnerability scanning for member ESUs and districts. A year 2 SLCG project proposal will add centralized event logging and monitoring to the services available. The team regularly presents updates at superintendent and technology director meetings in member ESU areas. Andy Boell is the lead contact for this project.

Resolute Guard

Many member ESUs and districts in this project have completed their initial security assessments and are responding to the results. A year 2 SLCG proposal will assist members in taking next steps in improving their cyber security. Brian Maschmann and Jamen Hall are lead contacts for this project.

Statewide (Cyber rubric)

The Network Operations Committee (NOC) cyber security sub-committee has decided to explore a cyber security rubric web application developed by ESU 3 based on the spreadsheet rubric developed by the sub-committee earlier this year. This would provide a smoother user experience to complete the survey and a central database to collect and track the data over time.

ESSER III

Cyber Incident response planning workshops were held in-person and on Zoom during September at ESU 10, ESU 16 - North Platte and ESU 18. 114 participants attended these workshops. Feedback was positive and the leading suggestion for next steps are to hold in-person work days for schools to come together and keep working on their cyber incident response plans. This complements the work being done by the NCNE and Resolute Guard projects. I will keep looking for steps that will help all ESUs and schools across the state improve their cyber security preparedness and bring us together.

Other Projects

The technology team is working on new versions and updates for a number of software projects: SRS, NVIS, Project Para, the new Behavior Intervention Reporting Tool (BIRT), and the textbook loan request application.

AGREEMENT FOR ESUCC SERVER HOSTING

THIS AGREEMENT is entered into by and between the Nebraska Educational Service Unit Coordinating Council ("ESUCC"), and Educational Service Unit 3 ("Contractor").

In consideration of mutual covenants, the parties agree as follows:

1. Scope of the Contract. The Contractor shall provide to the ESUCC the goods and/or services as defined in **Exhibit A** which is attached hereto and incorporated herein by this reference.

2. Payment Terms/Payment Schedule. The ESUCC shall pay for services rendered and for accepted goods on the terms and payment schedule as set forth in **Exhibit B** which is attached hereto and incorporated herein by this reference.

3. Term. This Agreement is effective on the 1st day of May, 2024 ("Effective Date") and shall continue until 12:00 midnight (CST) on the 31st day of August, 2027, unless terminated earlier as provided by this Agreement or by law. The term may be extended for up to two additional years by mutual agreement of the ESUCC and Contractor.

4. Governing Law; Designation of Forum. This Agreement is governed by and construed in accordance with the laws of the State of Nebraska. Any action to enforce this Agreement must be brought in the state or federal courts of the State of Nebraska. Mandatory and exclusive venue for any disputes shall be in Douglas County, Nebraska.

5. Termination.

A. The ESUCC may terminate this Agreement in whole or part if funding from federal, state, or other sources is not obtained and continued at levels sufficient to allow for purchase of the good and/or services in the indicated quantities or term. The ESUCC shall notify the Contractor as soon as practicable if funds to meet the ESUCC's obligations become unavailable. The determination of the ESUCC as to the insufficiency of funds is conclusive.

B. Each party may terminate this Agreement if the other party breaches or is in default of any material obligation hereunder which default is incapable of cure, or which, being capable of cure, has not been cured within 30 days after receipt of written

4

notice of such default or such additional cure period as the non defaulting party may authorize in writing.

C. Each party may terminate this Agreement by written notice if federal or state laws or rules are modified or interpreted in a way that the services are no longer allowable or appropriate for purchase under this contract or are no longer eligible for the funding proposed for payments authorized by this contract.

D. The ESUCC may terminate this Agreement, in whole or in part, by written notice to the Contractor and may regard the Contractor in default of this Agreement if the Contractor becomes:

(1) Insolvent; (2) Makes a general assignment for the benefit of creditors; (3) Files a voluntary petition of bankruptcy; (4) Suffers or permits the appointment of a receiver for its business or assets; (5) Becomes subject to any proceeding under any bankruptcy or insolvency law, whether domestic or foreign; or (6) Has wound up or liquidated, voluntarily or otherwise.

E. The ESUCC may terminate this Agreement, in whole or in part, immediately, without notice, if the Contractor is debarred or suspended from performing services on any public contracts.

F. The parties may terminate this Agreement without cause by mutual written consent.

G. Upon the termination for any reason or expiration of this Agreement, the Contractor promptly must return to the ESUCC all papers, materials and other property of the ESUCC then in its possession, including but not limited to all work in progress as is appropriate in its then existing form to the ESUCC.

6. Indemnification.

A. The Contractor hereby waives and agrees to indemnify and save harmless the ESUCC and its officials, agents, employees, and volunteers (hereinafter collectively referred to as "Indemnities"), against any and all claims of injuries, death, damage to property, liabilities, judgments, costs and expenses which may

otherwise accrue against Indemnities in consequence of the granting of this Agreement or which may otherwise result therefrom.

B. The Contractor shall, at his or her own expense, appear, defend and pay all charges of attorneys and all costs and other expenses arising therefrom or incurred in connection therewith.

C. If any judgment shall be rendered against the ESUCC in any such action, the Contractor shall, at his or her own expense, satisfy and discharge the same.

D. Any performance bond or insurance protection required by this contract, or otherwise provided by the Contractor, shall in no way limit the responsibility to indemnify and save harmless and defend the Indemnities as herein provided.

E. The Contractor's obligation to indemnify and save harmless any Indemnities will survive the expiration or termination of this Agreement by either party for any reason.

7. Insurance. Contractor shall secure and keep in force during the term of this Agreement the following insurance coverages from insurance companies or government self-insurance pools authorized to do business in Nebraska:

A. Commercial general liability, including premises or operations, contractual, and products or completed operations coverages (if applicable), with minimum liability limits of \$1,000,000 per person and \$5,000,000 per occurrence. B. Automobile liability, including Owned (if any), Hired, and Non-Owned automobiles, with minimum liability limits of \$1,000,000 per person and \$5,000,000 per occurrence. C. Workers compensation coverage meeting all statutory requirements.

The insurance coverages listed above must meet the following additional requirements:

1) Any deductible or other similar obligation under the policies shall be the sole responsibility of the Contractor. The amount of any deductible is subject to approval by the ESUCC. 2) This insurance may be in policy or policies of insurance, primary and excess, including the so-called umbrella

or

catastrophe form and must be placed with insurers rated "A-" or better by A.M. Best Company, Inc., provided any excess policy follows form for coverage Less than an "A-" rating must be approved by the ESUCC. The policies shall be in form and terms approved by the ESUCC. 3) The insurance required in this agreement, through a policy or endorsement, shall include a provision that the policy and endorsements may not be canceled or modified without thirty (30) days' prior written notice to the undersigned ESUCC representative. 4) The Contractor shall furnish a certificate of insurance to the undersigned ESUCC representative prior to commencement of this Agreement. 5) Failure to provide insurance as required in this agreement is a material breach of contract entitling the ESUCC to terminate this Agreement immediately.

8. Public Records. The Contractor acknowledges that the ESUCC must comply with NEB. REV. STAT. § 84-712 through § 84-713 and release public records as defined law upon request, which may include this Agreement and all records created and maintained in relation to this Agreement.

9. Publicity. The ESUCC does not endorse the goods or services of the Contractor. The Contractor and all Subcontractors, if any, also shall adhere to all ESUCC's policies and regulations that prohibit the possession, distribution, sale, dispensation, or use of any alcohol or tobacco products while on ESUCC premises or at ESUCC related functions. Failure to comply with this provision may be considered a material breach. The ESUCC may suspend or terminate the Contractor, Subcontractor, or both if it violates these laws, regulations, or policies or this provision.

11. **Nondiscrimination.** The Contractor and all Subcontractors, if any, shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his race, color, religion, sex, disability, or national origin.

12. **Independent Contractor.** Contractor is an independent contractor under this contract and is not a ESUCC employee for any purpose. The Contractor retains sole and absolute discretion in the manner and means of carrying out Contractor's activities and responsibilities under this Agreement, except to the extent specified in this Agreement.

13. **Employment Eligibility Verification.** The Contractor shall use a federal immigration verification system to determine the work eligibility status of employees hired on or after October 1, 2009 and who are physically performing services within the State of Nebraska. If the Contractor employs or contracts with any Subcontractor in connection with this Agreement, the Contractor shall include a provision in the contract requiring the Subcontractor to use a federal immigration verification system to determine the work eligibility status of new employees physically performing services within the State of Nebraska.

In proving this Agreement, a party must produce or account only for the executed counterpart of the party to be charged.

23. Force Majeure. Neither party shall be liable for any loss or damage suffered by the other party, directly or indirectly, as a result of the non performing party's failure to perform, or delay in performing, any of its obligations contained in this contract (except

any obligations to make

payments for services rendered or accepted goods received before the failure to perform or the delay in performance), where, in the opinion of the ESUCC, such failure or delay is caused by circumstances beyond the non performing party's control or which make performance commercially impracticable, including but not limited to fire, flood, storm or other natural disaster, explosion, accident, war, riot, civil disorder, government regulations or restrictions of any kind or any acts of any government, alien enemy, judicial action, power failure, acts of God, or other natural circumstances. This Force Majeure provision excludes economic hardship, changes in market conditions, and insufficiency of funds on the part of Contractor.

**EXHIBIT "C" Original
Request for Proposal**

At the direction of the ESUCC Technology Committee from its January meeting, I am writing to every ESU to determine if you are interested in providing hosting services to

the ESUCC and then, if so, to collect information from you on the costs and other details of your proposed hosting plan. To begin, here are some basic characteristics of our current environment:

We are hosting 74 virtual machines (VMs), about 2/3 of which are Windows and 1/3 Linux. There are a total of 268 virtual CPUs, 1.1 TB of RAM, and 23TB of disk storage allocated to these VMs. The current physical hosts are running Windows Hyper-V on Windows Server 2012 R2.

This internal evaluation process will lead me to prepare recommendations for the ESUCC Technology Committee and full board who will consider approving a contract between the ESUCC and an ESU for hosting services.

Because this is a new operating model for the ESUCC, this is a first step in what may be a progression to additional services in the future. For 2024-2025, ESUCC is seeking a VM hosting environment which includes:

- a private internal network(s)
- SAN storage
- automatic fail-over capability to mitigate hardware or other hosting environment failure
- a separate firewall or VDOM administered by ESUCC, including VPN capability for remote access to the environment
- ESUCC will continue to provide:
 - Microsoft licensing for ESUCC VMs and software usage
 - operating system and application maintenance on the VMs
 - network addressing
 - firewall administration
 - backup administration - We have a 2U physical server which will need to be hosted on-site with the VM hosting environment to provide backup services and we'll continue to maintain an offsite backup server

The services hosted in this environment are considered mission-critical to many (ADVISER data system, SRS, single sign-on framework), so it's

important that the ESU providing hosting services will support the environment accordingly and respond to outages or other service-impacting problems at any time

(on-call) and communicate and coordinate with ESUCC to resolve problems as quickly as possible. Performance and reliability are also important, and the environment should be hosted using "modern" server and network hardware, 5 years old or newer and maintained appropriately. Resource requirements have remained stable. However, the hosting environment should include planning for limited (10%) expansion as needs and projects may change as well as sufficient capacity to maintain most or all services during a partial hardware failure event.

Preparation for the move will start as soon as a decision is made and a contract is approved by the ESUCC board. The migration of VMs will start no earlier than June 1, 2024 and finish before July 31, 2024.

If your ESU is interested in serving this need, please start by contacting me before January 31st to arrange a time when we can discuss the details and any questions you may have.

Thank you.

**EXHIBIT "C" Original
Request for Proposal**

At the direction of the ESUCC Technology Committee from its January meeting, I am writing to every ESU to determine if you are interested in providing hosting services to

the ESUCC and then, if so, to collect information from you on the costs and other details of your proposed hosting plan. To begin, here are some basic characteristics of our current environment:

We are hosting 74 virtual machines (VMs), about 2/3 of which are Windows and 1/3 Linux. There are a total of 268 virtual CPUs, 1.1 TB of RAM, and 23TB of disk storage allocated to these VMs. The current physical hosts are running Windows Hyper-V on Windows Server 2012 R2.

This internal evaluation process will lead me to prepare recommendations for the ESUCC Technology Committee and full board who will consider approving a contract between the ESUCC and an ESU for hosting services.

Because this is a new operating model for the ESUCC, this is a first step in what may be a progression to additional services in the future. For 2024-2025, ESUCC is seeking a VM hosting environment which includes:

- a private internal network(s)
- SAN storage
- automatic fail-over capability to mitigate hardware or other hosting environment failure
- a separate firewall or VDOM administered by ESUCC, including VPN capability for remote access to the environment
- ESUCC will continue to provide:
 - Microsoft licensing for ESUCC VMs and software usage
 - operating system and application maintenance on the VMs
 - network addressing
 - firewall administration
 - backup administration - We have a 2U physical server which will need to be hosted on-site with the VM hosting environment to provide backup services and we'll continue to maintain an offsite backup server

The services hosted in this environment are considered mission-critical to many (ADVISER data system, SRS, single sign-on framework), so it's

important that the ESU providing hosting services will support the environment accordingly and respond to outages or other service-impacting problems at any time

(on-call) and communicate and coordinate with ESUCC to resolve problems as quickly as possible. Performance and reliability are also important, and the environment should be hosted using "modern" server and network hardware, 5 years old or newer and maintained appropriately. Resource requirements have remained stable. However, the hosting environment should include planning for limited (10%) expansion as needs and projects may change as well as sufficient capacity to maintain most or all services during a partial hardware failure event.

Preparation for the move will start as soon as a decision is made and a contract is approved by the ESUCC board. The migration of VMs will start no earlier than June 1, 2024 and finish before July 31, 2024.

If your ESU is interested in serving this need, please start by contacting me before January 31st to arrange a time when we can discuss the details and any questions you may have.

Thank you.

3.2.3. SRS Staff Report

The technology Directed shared a software update to SRS will be released in December, 2024 during the winter break. This will include necessary updates to the operating environment of the system and enhancements to the IEP form designed and finalized by the SRS advisory team at its September meeting. We will facilitate thorough internal (ESUCC team) and external (ESU and school partners) testing before the release. 213 districts are using SRS for their ADVISER special education data reporting. As of October 1st, 209 districts have published at least some data.

3.2.3.1. Project Para Report

Project Para is moving to using Canvas Catalog for its registration process. The course content in Canvas will be the same, and the para course will be split into 3 courses to simplify the para navigating the path to completion for Title I, Special Education and Early Childhood specialties. The new registration process was opened with a "soft" launch October 1st, meaning that it was not announced publicly, but made available to a few users for testing. Once we are confident the new system is working well, we will close registrations in the previous system and direct all new registrations to the new system.

The NDE has a contract with Central Community College to update some of the course content, and our Canvas team will be involved to incorporate those updates and other modernizations into the courses. These updates will be released at a strategic time when they are ready, perhaps summer 2025.

NDE Office of Special Education

- On behalf of the NDE OSE and NeMTSS Teams we want to say, thank you to all of those participating in the 2024 Nebraska MTSS Summit! We truly appreciate your time and engagement last week — and we hope the content was both meaningful and inspiring. A huge thank you to Andrew Easton for bringing the “Good Life” to us and sharing out all the great work that is happening in Nebraska!
- Levels of Determination - Needs Assistance, Year 2 Action Plans were due September 30th. OSE is available to provide support as district’s work through their plan.
- Fiscal closeouts for those special projects such as PEaK, ASD, Transition, MTSS and Deaf/Hard of Hearing, just to name a few, is upon us. Many of the grants for last year’s activities have expired and reimbursements should have been submitted or submitted soon. Please check the Grant Award Notifications for the expiration dates of the grant to make sure that the filing for reimbursements is timely. Failure to submit a timely reimbursement may result in a district losing out of the Federal funding available for the projects. Please make sure your fiscal staff are aware of the budgets that were submitted so that reimbursements align to the actual expenditures.

NDE Office of Teaching, Learning, and Assessment

- We are able to partner with Instruction Partners to offer additional Literacy Acceleration support from now through December, 2025. Please consider collaborating with districts that may benefit from this focused support using the Instructional Practice Guide. Instruction Partners can work at any grade levels but the district must have an ELA HQIM in place.
- The goals of the CLSD grant align with the tenets of the Nebraska Literacy Project and we are working on a formal communication that will be out soon. Specific activities to help meet the goals of the grant have not yet been identified but they will need to align with the following tenets:
 - 1) High-quality professional development grounded in the science of reading
 - 2) Sustained teacher preparation programs and curriculum, instruction, and assessment ground in the science of reading using high-quality materials
 - 3) Regional literacy coaches trained in the science of reading and evidence-based instructional practices
 - 4) Data collections monitoring the effectiveness of literacy initiatives and professional development
 - 5) Resources to assist families in accessing family literacy centers and pre-k programs

SRS Staff Report

October, 2024

SRS

A software update to SRS will be released in December, 2024 during the winter break. This will include necessary updates to the operating environment of the system and enhancements to the IEP form designed and finalized by the SRS advisory team at its September meeting. We will facilitate thorough internal (ESUCC team) and external (ESU and school partners) testing before the release.

213 districts are using SRS for their ADVISER special education data reporting. As of October 1st, 209 districts have published at least some data.

Project Para

Project Para is moving to using Canvas Catalog for its registration process. The course content in Canvas will be the same, and the para course will be split into 3 courses to simplify the para navigating the path to completion for Title I, Special Education and Early Childhood specialties. The new registration process was opened with a "soft" launch October 1st, meaning that it was not announced publicly, but made available to a few users for testing. Once we are confident the new system is working well, we will close registrations in the previous system and direct all new registrations to the new system.

The NDE has a contract with Central Community College to update some of the course content, and our Canvas team will be involved to incorporate those updates and other modernizations into the courses. These updates will be released at a strategic time when they are ready, perhaps summer 2025.

1. Coop Strategic Plan

- a. **Purpose:** The purpose is to enhance engagement and boost purchasing activity among ESUCC Cooperative Purchasing members, specifically targeting those who currently make purchases from a single program or vendor.
- b. **2024-2025 Goal:** Increase awareness, engagement and purchasing activity among ESUCC Cooperative Purchasing members who exhibit purchasing from a single program or vendor

- a. **Definition of the Annual Buy:** This is a line item bid where vendors are awarded by line item. If there is a tie for the bid price then a Nebraska vendor wins over an out of state vendor, otherwise it goes to a coin flip. Bids are sent to registered vendors nation-wide in October. Bid Awards announced in December and January, catalogs with over 4,200 items are published and distributed to schools/members in February. The orders are then aggregated by address (all teacher/staff orders for items are aggregated into one line item per address) and sent to vendors in March and April and merchandise is delivered to the Cooperative members during May through July. The product categories offered are as follows: Electronics and Related Supplies, General Supplies, Furniture, Copier Paper, Maintenance-Shop Supplies, Health & Safety Supplies, Athletic Equipment & Supplies, Hot Lunch Equipment & Supplies, Science Equipment & Supplies, and Art Equipment & Supplies.

We recognized a bug in the sourcing software where the order these attributes was displayed in the user interface was not the way they were extracted and imported back into IonWave.
