Nebraska Open Meetings Act

84-1407. Act, how cited. Sections 84-1407 to 84-1414 shall be known and may be cited as the Open Meetings Act.

84-1408. Declaration of intent; meetings open to public. It is hereby declared to be the policy of this state that the formation of public policy is public business and may not be conducted in secret.

Every meeting of a public body shall be open to the public in order that citizens may exercise their democratic privilege of attending and speaking at meetings of public bodies, except as otherwise provided by the Constitution of Nebraska, federal statutes, and the Open Meetings Act.

84-1409. Terms, defined. For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

(3) Virtual conferencing means conducting or participating in a meeting electronically or telephonically with interaction among the participants subject to subsection (2) of section 84-1412.

84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

- Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;
- Discussion regarding deployment of security personnel or devices;
- Investigative proceedings regarding allegations of criminal misconduct;
- Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;
- For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or
- For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

84-1411. Meetings of public body; notice; method; contents; when available; right to modify; duties concerning notice; virtual conferencing authorized; requirements; emergency meeting without notice; appearance before public body.

(1)(a) Except as provided in subsection (9) of this section, each public body shall give reasonable advance publicized notice of the time and place of each meeting as provided in this subsection. Such notice shall be transmitted to all members of the public body and to the public.

(b)(i) Except as provided in subdivision (1)(b)(ii) of this section, in the case of a public body described in subdivision (1)(a)(i) of section 84-1409 or such body's advisory committees, such notice shall be given by:

(A)(I) Publication in a newspaper of general circulation within the public body's jurisdiction that is finalized for printing prior to the time and date of the meeting, (II) posting on such newspaper's website, if available, and (III) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers. Such notice shall be placed in the newspaper and on the websites by the newspaper; or

(B)(I) Posting to the newspaper's website, if available, and (II) posting to a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers if no edition of a newspaper of general circulation within the public body's jurisdiction is to be finalized for printing prior to the time and date of the meeting. Such notice shall be placed in the newspaper and on the websites by the newspaper.

(ii) In the case of the governing body of a city of the second class or village, any advisory committee of such governing body, or the governing body of a rural or suburban fire protection district, such notice shall be given by:

(A)(I) Publication in a newspaper of general circulation within the public body's jurisdiction that is finalized for printing prior to the time and date of the meeting, (II) posting on such newspaper's website, if available, and (III) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers. Such notice shall be placed in the newspaper and on the websites by the newspaper;

(B)(I) Posting to the newspaper's website, if available, and (II) posting on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers if no edition of a newspaper of general circulation within the public body's jurisdiction is to be

finalized for printing prior to the time and date of the meeting. Such notice shall be placed in the newspaper and on the websites by the newspaper; or (C) Posting written notice in three conspicuous public places in such city, village, or district. Such notice shall be posted by the public body in the same three places for each meeting.

(iii) In the case of a public body not described in subdivision (1)(b)(i) or (ii) of this section, such notice shall be given by a method designated by the public body.

(iv) In case of refusal, neglect, or inability of the newspaper to publish the notice, the public body shall (A) post such notice on its website, if available, (B) request the newspaper submit a post on a statewide website, if available, established and maintained as a repository for such notices by a majority of Nebraska newspapers, and (C) post such notice in a conspicuous public place in such public body's jurisdiction. The public body shall keep a written record of such posting pursuant to subdivision (1)(b)(iv)(A) and (C) of this section and a written record of the request to the newspaper pursuant to subdivision (1)(b)(iv)(B) of this section. The record of such posting shall be evidence that such posting was done as required and shall be sufficient to fulfill the requirement of publication.

(c) In addition to a method of notice required by subdivision (1)(b)(i) or (ii) of this section, such notice may also be provided by any other appropriate method designated by such public body or such advisory committee.

(d) Each public body shall record the methods and dates of such notice in its minutes.

(e) Such notice shall contain an agenda of subjects known at the time of the publicized notice or a statement that the agenda, which shall be kept continually current, shall be readily available for public inspection at the principal office of the public body during normal business hours. Agenda items shall be sufficiently descriptive to give the public reasonable notice of the matters to be considered at the meeting. Except for items of an emergency nature, the agenda shall not be altered later than (i) twenty-four hours before the scheduled commencement of the meeting or (ii) forty-eight hours before the scheduled commencement of a meeting of a city council or village board scheduled outside the corporate limits of the municipality. The public body shall have the right to modify the agenda to include items of an emergency nature only at such public meeting.

(8) Public bodies shall make available at the meeting or the in-state location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. (3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written or kept as an electronic record and shall be available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing or keeping the minutes is absent due to a serious illness or emergency.

(6) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available on such entity's public website the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the website at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the website at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public website for at least six months.

84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.

Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

The prices specified in the Order Form include all Zoom charges for the right to use the Services and are exclusive of all Taxes and Fees. Prices include standard support (see [Zoom Help Center](#)) and generally available updates to the Services. Separate charges for overage amounts and per-use charges may also apply, which charges will be described in the Order Form, and Customer agrees to pay these charges if Customer incurs them. Prices for professional services, if any, will be set forth in a professional services Order Form. All such Zoom charges are referred to as "**Charges**".

5.1. Price Changes. Zoom may change prices for the Services from time to time, in its sole discretion. Any price changes will be effective upon the commencement of Customer's next Renewal Term; provided, that Zoom shall provide Customer with reasonable notice of any such fee increase prior to the expiration of the Term or any Renewal Term.

Zoom reserves the right to discontinue or modify any promotion, sale or special offer at its sole and reasonable discretion.

6. Invoices and Payments. Unless specified otherwise in an Order Form, Customer shall pay all invoices within thirty (30) days from date of such invoice. Invoices may be issued electronically via email to the email address specified by the Customer. Except as explicitly provided in this Agreement, all payment obligations are non-cancelable and all amounts paid are non-refundable. Zoom shall invoice Customer for all non-recurring Charges, overage and per-use Charges, and associated Taxes and Fees, on the invoice following the provision of Service giving rise to such Charges, and shall invoice Customer for all recurring Charges and associated Taxes and Fees on the invoice preceding the period in which Services will be provided. Customer acknowledges that Zoom is not required to provide any new Services set forth in an Order Form until all outstanding balances due and owing for existing Services are paid in full.

- 6.1. Purchase Order Numbers.** If a purchase order number is required for processing an invoice, Customer will provide such purchase order number with the applicable Order Form. If issuance of a purchase order is delayed, Customer will provide a purchase order number within five (5) days of the Service Effective Date by submitting a billing support ticket at <https://support.zoom.com/hc> or by emailing purchase-orders@zoom.us. - 6.4. Payment of Taxes and Fees.** Customer will pay to Zoom any applicable Taxes and Fees. Customer is solely responsible for paying any and all Taxes and Fees owing as a result of Zoom's provision of the Services to its Customers. If Customer is required to pay any Taxes and Fees, Customer shall pay such Taxes and Fees with no reduction or offset in the amounts payable to Zoom hereunder and Customer will pay and bear such additional amount as shall be necessary such that Zoom receives the full amount of the payment required as if no such reduction or offset were required. Customer acknowledges and agrees that Zoom will charge applicable Taxes and Fees on the invoice.
- 6.5. Zoom reserves the right to review and validate the Customer's VAT registration number. In the event that the VAT registration number is not valid, Zoom reserves the right to nevertheless charge applicable VAT to Customer. For the avoidance of doubt, if VAT is due by the Customer to a taxing authority, through the reverse charge or other similar mechanism, the Customer is solely responsible for paying those amounts to the relevant taxing authority, such that Zoom receives the full amount of payment required.
- 6.7. Billing and Contract Information; Billing Disputes.** Customer represents and warrants that the Customer Data provided to Zoom is complete and accurate. - 6.8. Tax Determination.** Tax determination is principally based on the location where the Customer has established its business based on the Customer Data. This will be defined by Zoom as the Customer's 'Sold To' address. Zoom reserves the right to cross reference this location against other available evidence to validate whether Customer's location is accurate. In the event that Customer's location is inaccurate, Zoom reserves the right to charge Customer any outstanding Taxes and Fees.
- 6.9. Use and Enjoyment.** If Customer purchases Zoom Services, and those Services are used and enjoyed by a subsidiary of Customer in a country that is different to Customer's location as determined by Section 6.8 of this Agreement, Customer confirms that where required Customer will treat this as a supply to its subsidiary. In the event Customer purchases services and those services are used and enjoyed by a branch or individual in a country that is different to the Customer's location as determined by Section 6.8 of this Agreement, Customer acknowledges they will inform Zoom of the Services that have been allocated and Customer acknowledges that Zoom reserves the right to charge Taxes and Fees based on the use and enjoyment of those services.

Each party agrees to limit its disclosure of the other party’s Confidential Information to as few persons as possible and only to those persons with a need to know that are its or its Affiliates’ respective employees, officers, directors, agents and subcontractors that are subject to confidentiality obligations equal to or greater than the obligations set forth in this Section 8. Except as needed to fulfill either party’s respective obligations under this Agreement, in accordance with the consent or instructions of the disclosing party, or as expressly permitted herein, the receiving party shall not: (i) disclose the disclosing party’s Confidential Information to any person, firm, or enterprise without the disclosing party’s prior written consent, or (ii) use the disclosing party’s Confidential Information for its own benefit, or the benefit of a third party.

- 8.2. Exception.** Either party may disclose Confidential Information where required by law, regulation, or court order, provided that the party subject to such law, regulation court order, or order from a regulatory agency or other governmental authority having competent jurisdiction shall: (i) where permitted, notify the other party of any such use or requirement prior to disclosure in order to afford such other party an opportunity to seek a protective order to prevent or limit disclosure of the information to third parties; (ii) provide the other party with reasonable cooperation in its efforts to prevent or limit such disclosure; and (iii) exercise commercially reasonable efforts to obtain assurance that the Confidential Information will be protected.
- 8.3. Confidentiality Period and Obligations.** The confidentiality obligations set forth in this section of the Agreement shall remain in effect for a period of five (5) years from the disclosure of the information, except for the disclosure of any trade secrets, which shall be kept confidential until the Confidential Information is no longer a trade secret under applicable Law. Both parties agree (a) to take reasonable steps to protect the other party’s Confidential Information, and these steps must be at least as protective as those the receiving party takes to protect its own Confidential Information, and no less than a reasonable standard of care; (b) to notify the disclosing party promptly upon discovery of any unauthorized use or disclosure of Confidential Information; and (c) in the event of any unauthorized disclosure by a receiving party, to cooperate with the disclosing party to help regain control of the Confidential Information and prevent further unauthorized use or disclosure of it.
- 9. Term and Termination; Suspension.** Each Order Form will specify a Service Effective Date, an Initial Subscription Term, and a Renewal Term for the Services subscribed to in that Order Form.
- 9.1. Term and Renewal; Early Termination.** Unless specified otherwise in the Order Form, a Renewal Term will commence automatically upon conclusion of the Initial Subscription Term or prior Renewal Term unless either party sends written notice of termination at least thirty (30) days prior to the commencement of the next Renewal Term.
- 9.2. Termination by Either Party.** A party may terminate this Agreement by: (a) providing written notice of termination without cause to the other party, provided that all subscription terms for all outstanding Order Forms have expired or been terminated, or (b) providing written notice of termination for cause if the other party has materially breached the Agreement and has not cured such breach within thirty (30) days of written notice of such breach.
- 9.3. Zoom may also suspend Customer’s and/or an End User’s use of or access to any Service if it reasonably believes that such suspension is necessary to prevent imminent harm to Zoom, Zoom’s network, any End User, or any third party communicating with an End User. Zoom may immediately terminate access if it reasonably believes Customer is in breach of Section 2.4. Zoom may also suspend Customer’s Services immediately and without prior notice in the event any Charges are past due. Any suspension, disconnection, or termination pursuant to this Section 9.3 shall be without liability to Zoom, and Customer will remain responsible for all recurring Charges incurred during the period of suspension or disconnection.

If the Parties are unable to agree on such revisions within thirty (30) days from the date of notice, Zoom may terminate this Agreement with immediate effect.
- 10. Responsibilities upon Termination.**
- 10.1. Cessation of Use.** Upon any termination of this Agreement, Customer shall immediately cease any further use of the Services.

- 11. Service Level Agreement.** Zoom shall make commercially reasonable efforts to ensure that Downtime does not exceed 0.1% in a month. In the event of any Downtime of the Services in excess of 0.1% in a month, Zoom shall provide Customer a credit in an amount equal to the Downtime percentage times Customer’s monthly subscription amount for the Service. Customer shall provide Zoom with prompt written notice of any Downtime. If Zoom fails to correct any Downtime situation within fifteen (15) business days after receipt of such notice, Customer may terminate this Agreement.
- 12. Zoom Marketplace.** The Zoom Marketplace is a site where Zoom and third party developers may make available applications that are interoperable with the Services and is further defined in the Services Description.
- 13. Managed Domains.** The Managed Domains functionality is made available to certain Customers and is subject to the terms as further defined in Services Description.
- 14. Warranties.**
- 14.1. Limited Warranty.** Zoom warrants to Customer that the Services will, in all material respects, conform to the functionality described in the Zoom Documentation. Zoom's sole and exclusive obligation, and Customer's sole and exclusive remedy for a breach of this warranty shall be that Zoom shall use commercially reasonable efforts to modify the Services to conform in all material respects to the Zoom documentation, and if Zoom is unable to materially restore such functionality within thirty (30) days from receipt of written notice of said breach, Customer shall be entitled to terminate the nonconforming Service upon written notice and shall be entitled to receive a pro-rata refund of the unused Charges that have been paid in advance (if any) under this Agreement. This warranty shall be in effect for the first thirty (30) days (“**Warranty Period**”) from the date the applicable Services are first provided to the Customer. In the event of any material non-conformance reported after the Warranty Period, Zoom's sole and exclusive obligation and Customer's sole and exclusive remedy shall be to secure assistance through Zoom's technical support services.
- 14.2. Warranty Disclaimer.** EXCEPT AS EXPLICITLY PROVIDED IN SECTION 14.1, ZOOM AND ITS LICENSORS EXPRESSLY DISCLAIM ANY AND ALL OTHER REPRESENTATIONS AND WARRANTIES, EITHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE WITH RESPECT THERETO, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, OR THE CONTINUOUS, UNINTERRUPTED, ERROR-FREE, VIRUS-FREE, OR SECURE ACCESS TO OR OPERATION OF THE SERVICES AND/OR ZOOM SERVICES. ZOOM EXPRESSLY DISCLAIMS ANY WARRANTY AS TO THE ACCURACY OR COMPLETENESS OF ANY INFORMATION OR DATA ACCESSED OR USED IN CONNECTION WITH THE SERVICES. TO THE EXTENT ZOOM CANNOT DISCLAIM ANY SUCH WARRANTY AS A MATTER OF APPLICABLE LAW, THE SCOPE AND DURATION OF SUCH WARRANTY SHALL BE LIMITED TO THE FULLEST EXTENT PERMITTED BY LAW.
- 15. Indemnification.**
- 15.1. Indemnification by Zoom.** Provided that Customer complies with the terms of Section 15.3 below, Zoom agrees to defend and indemnify Customer from any third party (except an Affiliate of Customer) suits, claims or demands and associated liabilities, costs, damages and expenses (including, but not limited to, attorneys’ fees, expert fees and court costs) (collectively, “**Claims**”) that Customer may sustain or incur arising from the infringement by the Services of any copyright, trademark, or U.S. patent of a third party. This defense and indemnity will not apply to any Claim that the infringement arose from or relates to the (i) combination of the Services with software, hardware, content, data or other

items not supplied by Zoom, (ii) Customer's unauthorized modification of the Services, (iii) Customer's failure to update or upgrade the Services to the extent such update or upgrade would have avoided the infringement, (iv) inputs or prompts provided by Customer or its End Users that infringe or would reasonably be expected to generate infringing outputs, or (vi) Customer's failure to adhere to a Zoom-provided workaround. If the licensed Services are, or in Zoom's sole opinion are likely to be, enjoined due to the type of infringement described in this Section 15, Zoom, at its option and expense, may (a) replace the applicable Services with functionally equivalent non-infringing technology or (b) obtain a license for Customer's continued use of the applicable Services. If the alternatives in the preceding sentence are not reasonably available to Zoom, then Zoom may terminate this Agreement and, upon such termination, Customer will receive a prorata refund of any prepaid and unused amounts as of the date of termination that directly relate to the infringing Services. Zoom's defense and indemnification obligations for any covered Claims arising under this Section 15.1 sets forth Zoom's entire obligation and Customer's sole and exclusive remedy and compensation.

15.3. Indemnification Procedures. In claiming any indemnification under this Section 15, the indemnified party shall promptly provide the indemnifying party with notice of any claim that the indemnified party believes is within the scope of the obligation to indemnify. The indemnified party may, at its own expense, assist in the defense if it so chooses, but the indemnifying party shall control the defense and all negotiations relative to the settlement of any such claim. Any settlement intended to bind the indemnified party shall not be final without the indemnified party's written consent, which consent shall not be unreasonably withheld or delayed.

16. Limitation on Liability.

16.1. EXCLUSIONS. ZOOM SHALL NOT BE LIABLE TO CUSTOMER OR ANY THIRD PARTY FOR (a) THE COST OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES; (b) ANY UNAUTHORIZED ACCESS TO, OR ALTERATION, THEFT OR DESTRUCTION OF THE WEB SITE, ANY CONTENT, CUSTOMER DATA, SYSTEM DATA, OTHER DATA FILES, PROGRAMS OR INFORMATION THROUGH ERROR, OMISSION, ACCIDENT OR FRAUDULENT MEANS OR DEVICES NOT DIRECTLY ATTRIBUTABLE TO ZOOM'S NEGLIGENT ACTS OR OMISSIONS, OR FOR OTHER CIRCUMSTANCES OUTSIDE OF ZOOM'S REASONABLE CONTROL, OR (c) ANY MALFUNCTION OR CESSATION OF INTERNET SERVICES BY INTERNET SERVICE PROVIDERS OR OF ANY OF THE NETWORKS THAT FORM THE INTERNET WHICH MAY AFFECT THE OPERATION OF THE SERVICES.

16.2. NO INDIRECT DAMAGES. IN NO EVENT SHALL EITHER PARTY OR ITS LICENSORS BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES, OR DAMAGES FOR LOSS OF REVENUES OR PROFITS, LOSS OF USE, BUSINESS INTERRUPTION, LOSS OF DATA, BREACH OF DATA, OR THE COST OF SUBSTITUTE PRODUCTS OR SERVICES, WHETHER IN AN ACTION IN CONTRACT OR TORT, EVEN IF THE OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. EACH PARTY AGREES TO TAKE REASONABLE ACTION TO MITIGATE ITS DAMAGES.

16.3. AGGREGATE LIABILITY CAP. IN NO EVENT SHALL ZOOM'S LIABILITY FOR ANY DAMAGES EXCEED AN AMOUNT EQUAL TO THE TOTAL CHARGES PAID TO ZOOM UNDER THIS AGREEMENT IN THE PRIOR TWELVE (12) MONTHS PRECEDING THE INCIDENT GIVING RISE TO THE CLAIM. THIS LIMITATION APPLIES TO ALL CAUSES OF ACTION IN THE AGGREGATE, INCLUDING, WITHOUT LIMITATION, BREACH OF CONTRACT, MISREPRESENTATIONS, NEGLIGENCE, STRICT LIABILITY AND OTHER TORTS. THESE LIMITATIONS SHALL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY REMEDY.

17. Force Majeure. Neither party hereto will be liable for defaults or delays (other than the non-payment of Charges) due to Acts of God, or the public enemy, acts or demands of any government or governmental agency, fires, floods, accidents, or other unforeseeable causes beyond its control and not due to its fault or negligence.

18. Binding Arbitration and Class Action Waiver.

18.1. Agreement to Arbitrate; Waiver of Class Action. For Customers located in the United States, Customer and Zoom agree to resolve disputes only on an individual basis, through arbitration pursuant to Sections 18.2, 18.3, and 18.4.

- 18.2. Disputes.** A dispute is any controversy between Customer and Zoom concerning the Services, any software related to the Services, the price of the Services, Customer's account, Zoom's advertising, marketing, or communications, Customer's purchase transaction or billing, or any term of this Agreement, under any legal theory including contract, warranty, tort, statute, or regulation, except disputes relating to the enforcement or validity of Customer's or Zoom's intellectual property rights. As part of the best efforts process to resolve disputes, and prior to initiating arbitration proceedings, each party agrees to provide notice of the dispute to the other party, including a description of the dispute, what efforts have been made to resolve it, and what the disputing party is requesting as resolution, to the address provided below for Notices.
- 18.3. Small Claims Court Available.** Customer may initiate an action in Small Claims Court for its local jurisdiction if Customer meets the court's requirements. However, if such a claim is transferred, removed or appealed to a different court, Zoom reserves the right to require arbitration.
- 18.4. Arbitration Procedure.** Disputes not resolved pursuant to Section 18.1 or 18.2 shall be resolved through arbitration. The American Arbitration Association ("AAA") will conduct any arbitration under its Commercial Arbitration Rules. For more information, see www.adr.org. Arbitration hearings will take place in the federal judicial district of Customer's primary business location. A single arbitrator will be appointed. The arbitrator must: (a) follow all applicable substantive Law; (b) follow applicable statutes of limitations; (c) honor valid claims of privilege; (d) issue a written decision including the reasons for the award. The arbitrator may award damages, declaratory or injunctive relief, and costs (including reasonable attorneys' fees). Any arbitration award may be enforced (such as through a judgment) in any court with jurisdiction. **Under AAA Rules, the arbitrator rules on his or her own jurisdiction, including the arbitrability of any claim; however, a court has exclusive authority to enforce the prohibition on arbitration on a class-wide basis or in a representative capacity.**
- 18.5. Arbitration Fees.** If Customer is unable to afford the arbitration costs, Zoom will advance those costs to Customer, subject to the arbitrator's determination if costs should be reimbursed to Zoom if Zoom prevails. For disputes involving more than \$75,000, the AAA rules will govern payment of filing fees and the AAA's and arbitrator's fees and expenses.

- 18.7. Requirement to File Within One Year.** Notwithstanding any other statute of limitations, a claim or dispute under this Agreement must be filed in Small Claims Court or noticed for arbitration within one year of when it could first be filed, or such claim will be permanently barred.
- 18.8. Severability.** If the class action waiver is found to be illegal or unenforceable as to all or some parts of a dispute, then those parts will not be arbitrated but will be resolved in court, with the balance resolved through arbitration. If any provision of this Section 18 is found to be illegal or unenforceable, then that provision will be severed; however, the remaining provisions shall still apply and shall be interpreted to as nearly as possible achieve the original intent of this Section, inclusive of the severed provision.
- 19. Miscellaneous.**
- 19.1. Choice of Law and Forum.** This Agreement shall be governed by and construed under the laws of the State of California, U.S.A. Except as provided in Section 18.4, the parties consent to the exclusive jurisdiction and venue of the courts located in Santa Clara County, California.

Export Restrictions.** Customer acknowledges that the Services, or a portion thereof, may be subject to the export control laws of the United States and other applicable country export control and trade sanctions laws ("Export Control and Sanctions Laws"). Customer and its End Users may not access, use, export, re-export, divert, transfer or disclose any portion of the Services or any related technical information or materials, directly or indirectly, in violation of any applicable export control or trade sanctions law or regulation. Customer represents and warrants that (i) Customer and its End Users are not citizens of, or located within, a country or territory that is subject to U.S. trade sanctions or other significant trade restrictions (including without limitation Cuba, Iran, North Korea, Syria, and the Crimea, Donetsk and Luhansk regions of Ukraine) and that Customer and its End Users will not access or use the Services, or export, re-export, divert, or transfer the Services, in or to such countries or territories; (ii) Customer and its End Users are not

Customer is solely responsible for complying with the Export Control Laws and monitoring them for any modifications.

Products/Services Agreement with the ESUCC

Zoom Services

This ESUCC Service Agreement ("Agreement") is entered into by and between the Educational Service Unit Coordinating Council (the "ESUCC") and [Name of ESU or school district paying for the service - list "on behalf of" any school districts participating if the ESU pays] (the "Entity").

I. Background

The Nebraska Legislature created the ESUCC, in part, to coordinate and provide services to school districts and ESUs across the State of Nebraska. This Agreement outlines the expectations and obligations of both the ESUCC and Entity for the Nebraska Powerschool Cooperative.

II. Service

[Zoom Services] ([Exhibit](#))

Fee status.....**Fee Amount:** [enter amount]

III. The Entity agrees to pay the fee(s) to the ESUCC within ninety days of the invoice and may be mailed to 6949 S 110th Street, La Vista, NE 68128. The ESUCC reserves the right to refuse any service(s) to any Entity that fails to timely submit payment, and no Entity will be entitled to participate or access any service if said Entity failed to timely pay the required fee(s).

Given the upfront and ongoing expenses associated with each service, the fee(s) paid by the Entity are generally not refundable. By entering into this Agreement, the Entity agrees to accept the identified services for the entire term of the Agreement and may not cancel or revoke services with any expectation of reimbursement(s) or refund(s), except as provided in Section VIII.

V. Term

If the Entity believes the ESUCC has materially breached this Agreement, then the Entity shall notify the ESUCC in writing of the Entity's concern(s). The ESUCC shall then have thirty days to cure any alleged breach. If the ESUCC disputes the alleged breach, then the parties shall agree to meet at the Entity to address the specific concerns and find a mutually agreeable solution. If, after that meeting, the ESUCC is unable or unwilling to cure the alleged breach, then the Entity may terminate the Agreement for cause.

EXECUTIVE SUMMARY: SRS

Modernization & Strategic Roadmap

Prepared for: ESU Board of Directors

Date: March 17, 2026

Subject: Software Reliability, Modernization, and AI Integration

Vision & Strategic Partnerships

The ESUCC Technology Team is committed to transforming the Special Education Record System (SRS) from a legacy compliance tool into a modern, high-performance platform. To ensure this transition is rooted in industry best practices, we have engaged in the following:

- **Architectural Partnership:** Collaborating with **Don't Panic Labs** (Lincoln, NE) to modernize our system architecture, ensuring scalability and stability.
- **National Resource Sharing:** Exploring collaboration with the **Michigan Association of Intermediate School Administrators** to leverage cross-state software innovations.
- **Infrastructure Readiness:** We have modernized our internal development environments, allowing for "sandbox" testing of new features to ensure 100% uptime during deployment.

Immediate Focus

- **Advanced Form Versioning:** A major update to our form engine now preserves historical data exactly as it was originally filled out, allowing us to push new compliance updates without impacting previous years' records.
- **Enhanced Reporting:** A new reporting tool for the **October 1st Snapshot** (Ages 3–21) will be live, streamlining IDEA plan verification for member districts.
- **Reliability Focus:** Immediate improvements to document printing and Indicator 11 tracking are underway to reduce administrative friction.

Future-Ready Roadmap: The AI & Collaboration Shift

We are aggressively pursuing a "de-coupled" architecture that allows us to build modern, user-friendly interfaces on top of a secure, robust database.

| Priority | Feature | Impact on Educators |
|----------|---------|---------------------|
|----------|---------|---------------------|

| | | |
|--------------------------------|---------------------------------|--|
| Intelligent Drafting | AI-Enhanced Goal Writing | Leveraging AI as a co-pilot to help teachers draft high-quality, measurable, and compliant student goals in seconds. |
| Real-Time Collaboration | Multi-User Editing | Allowing multiple team members to work on a single form simultaneously (Google Docs-style) to expedite IEP meetings. |
| Data Integrity | Auto-Saving & APIs | Eliminating data loss through real-time saving and enabling "self-service" data import/export for district-wide analytics. |
| Workflow Efficiency | Digital Signatures | Transitioning to a fully digital, legally compliant signature workflow within the SRS environment. |

Target Outcomes

- Legal Compliance:** Ensuring that all forms meet NDE and federal regulations while protecting the district.
- User Comfort:** Making the system not only easy to use but making it helpful in real-world situations such as data collection, parental meetings, and group presentations.
- Data Confidence:** Moving toward a zero-bug environment where users trust the system implicitly.
- High quality student plans:** Use AI to assist with writing quality student plans.
- Forward-Looking Support:** Transitioning our Helpdesk from "troubleshooting bugs" to forward thinking on advanced features.

2. Interlocal Agreements for Approval (Non-Consent Agenda item)

- a. City of Gering

3. Coop Contracts for Approval

- a. **Special Buy Contracts/Addendums/Extensions**
 - i. Approve Addendum with Imagine Learning
 - ii. Approve MSA with Zoom

ESU 16 has requested that ESUCC assume coordination of the statewide Zoom purchase for K-12, Higher Education, and various municipalities. To facilitate this, ESUCC will enter into a Master Service Agreement (MSA) with Zoom.

The transition will follow a "flow-through" billing model based on last year's quantities and pricing. To mitigate risk, all participating entities must sign an MSA with ESUCC before the primary agreement with Zoom is finalized. Participation is contingent upon agencies maintaining their previous licensing levels. Additionally, Interlocal Agreements will be required for all Higher Ed and municipal partners.

Future renewals may continue under this model, or ESUCC may explore becoming a certified reseller or utilizing an existing ESUCC Cooperative contract.

4. 2025-2026 Coop Goal

- a. **2025-2026 Goal:** Optimize Annual Buy Catalog for Member Value and Competitive Advantage
 - i. To date the following tasks have been completed and our Goal has been met
 - A Report of 4 Year Sales history was created and then merged with current line items in the bid to see where gaps appear, identifying items that we haven't received bids on or where we have no reported sales in 4 years.
 - Goal was met on September 18 prior to the publishing of bids on October 1.
 - The following number of items have been identified and:
 - a. 2,773 lines for the 2026 Annual Buy were evaluated
 - b. 360 items removed from the bid for not having any sales history in the last 4 years.
 - c. 113 items Kept Item in Catalog
 - d. 47 Recent New Item – Kept
 - e. 247 items we have Updated the specifications for the following reasons:
 - i. Item was previously listed as an ONLY, meaning we would only accept a specific Manufacturer Model number. Specification changed to an Equivalent thus opening up the possibility of another manufacturer's model number could be bid.

- ii. Added additional equivalent manufacturers to encourage others to bid. Sometimes if a vendor sees it listed in the specification they will bid, otherwise they overlook it.
- f. 2 items moved to another bid section to align with vendors that would bid these items

b. Secondary Goal: Compare Annual Buy prices with marketplace competitors to measure relative savings.

- i. The data confirms that the Annual Buy Program is delivering exceptional value. By utilizing this program rather than standard year-round procurement channels, school districts are seeing an average 103% difference in markup.
- ii. 426 items have been analyzed; districts are avoiding costs that would have more than doubled their expenditures had they sourced outside of the Annual Buy. These savings allow for:
 - Budget Reallocation: Redirecting funds back into classroom resources and student services.
 - Increased Purchasing Power: Enabling districts to acquire a higher volume of necessary supplies within existing budget constraints.
 - Price Stability: Protecting district budgets from the volatility of the open market.

5. Annual/Paper Buy

- a. **Definition of the Annual Buy:** This is a line item bid where vendors are awarded by line item. If there is a tie for the bid price then a Nebraska vendor wins over an out of state vendor, otherwise it goes to a coin flip. Bids are sent to registered vendors nation-wide in October. Bid Awards announced in December and January, catalogs with over 4,200 items are published and distributed to schools/members in February. The orders are then aggregated by address (all teacher/staff orders for items are aggregated into one line item per address) and sent to vendors in March and April and merchandise is delivered to the Cooperative members during May through July. The product categories offered are as follows: Electronics and Related Supplies, General Supplies, Furniture, Copier Paper, Maintenance-Shop Supplies, Health & Safety Supplies, Athletic Equipment & Supplies, Hot Lunch Equipment & Supplies, Science Equipment & Supplies, and Art Equipment & Supplies.
- a. **2026 Annual Buy Timeline - Shareable List for Schools**
 - i. **Paper Buy Catalog Opened - February 2, 2026**
 - ii. **Annual Buy Catalog Opened - February 19, 2026**
 - iii. **Paper Buy Order Deadline Schools/Members – March 6, 2026**
 - iv. **Annual Buy Teacher/Staff deadline – April 13, 2026**
 - v. **Delivery Deadline for 400 Paper - June 15, 2026**
 - vi. **Delivery Deadline Annual Buy Items - July 24, 2026**

b. Annual Buy Information and Events

- i. Paper and Annual Buy catalogs are both open for ordering
 1. Current requisition totals compared to last year at this time (Includes requisitions Approved, Pending Approval and Created). Requisitions in Pending Approval or Created status may not be converted to an order but we will follow up on these closer to the deadlines.
 2. 03/04/2026 Paper By \$795,495.48 compared to \$866,215.63 last year, down \$71,000.
 3. It is too early to calculate Annual Buy numbers
 4. All of these numbers typically change drastically in the last week and even in the last 2-3 days leading up to the deadlines

6. **Definition of AEPA:** The Association of Educational Purchasing Agencies (AEPA) is a group of Educational Service Agencies/political subdivisions organized through a Memorandum of Understanding between all participating states for the purpose of securing combined volume purchasing contracts based on potential sales by qualifying customers in participating states. Of the many advantages to this unique purchasing group, are the combined human resources representing purchasing/bidding expertise, current and past vendor relationships, past experience and overall vision with regard to the needs of the qualified customers within each represented state. Nebraska is a founding member of AEPA, which started with ten states in 2000 and now has grown to 31 states. AEPA is a voluntary run organization and asks for volunteers from the membership to complete work in Bid Oversight, Administrative Committees, Marketing, Website management, Reporting and other areas as required.

K-12 Cybersecurity LB 599 AM 2509

The cyber threat to Nebraska schools is real and immediate. LB 599 AM2509 gives districts the coordinated support needed to prevent attacks and reduce harm, while preserving local control through voluntary participation.

Preventing ONE ransomware incident offsets the resources for LB599/AM2509.

The Work - 599/2509

- Establish Framework / Policies
- Measure Security Levels
- Collect Incident Data
- Organize Response Efforts
- Coordinate Group Purchases
- Prevention Training
- Deploy Products/Services
- Keeps insurance rates down!!**

Nebraska schools do not have to face cyber threats alone.

The Threat

WITHOUT COORDINATION

\$5-12 Million
In Cyber Attacks

- Duplicative spending for 240+ districts
- Higher Cyber insurance premiums
- Higher purchase price for tools

WITH COORDINATION

40% less paid to attackers

The cost of prevention is lower than the cost of recovery.

- Reduced duplication of tools and services
- Shared expertise
- Bulk purchase discounts
- Statewide training and support

The caps in LB 1219, coupled with the cuts to ESU Core Service Funds (state aid) would devastate the work the ESUs do for the Legislature.

Services ESUs Provide are Required by Legislature

- Staff Development Support
- Curriculum and Instructional Materials Support
- Technology Support

LB 1219

ESU would CUT or ELIMINATE essential services...

Student Services at Risk

Services such as audiology, birth to 5 services coordination, technology support, special education, and life skills programming could be reduced if there is no funding for those.

Staffing at Risk

Because most district spending is tied to personnel, costs above the cap would likely force staffing reductions.

Literacy Support Reduced

Positions in professional development tied to literacy implementation would likely be reduced to only that which is required, even as state expectations and school needs continue to grow.

Mental Health Services Shifted to Schools

Mental health services would likely move to a fee-based model or be reduced, placing added pressure on districts without reducing overall need. Services such as counseling, behavioral support, and crisis response for students and families in rural communities.

Implementation Reduced

Intentional move away from hands-on implementation support and become more of an information-sharing organization, leaving schools with less direct help.

District Services Reduced or Shifted Locally

Services to districts would likely decline, or districts would need to absorb substantial new costs to maintain current support levels.

Cybersecurity & Technology Impacted

Support for cybersecurity, internet, and filtering would weaken as equipment replacement is delayed and resources tighten.

ESU Work is the Legislature's Direction

Who will do the work if ESUs do not?

LB 1219
Undermines ESU Efficiency
ESUs were created to help districts save money through shared services. Limiting levy authority weakens that model and shifts costs back to schools.

Safety & Security Delayed
Building safety and security improvements would likely be postponed, increasing risk for students and staff.

Wages & Benefits Under Pressure

LB 1219 would make it much harder for ESUs to provide competitive wage increases. As insurance and other employment costs rise faster than 2%, employees would likely see smaller raises or higher benefit costs.

The term of this Agreement shall commence on August 1, 2026, and continue until July 31, 2027. A new Agreement will be required for any services or support by the ESUCC after August 31, 2027.

V. Responsibilities of the ESUCC

The ESUCC reserves the right, in its sole discretion, to make changes to the operation of each of the projects referred to herein, including, but not limited to, an increase in the fees charged for particular projects. If the ESUCC determines that a fee increase is necessary for the continued operation of any particular project, the ESUCC will notify the ESU in advance. If the ESU believes the ESUCC has materially breached this Agreement, then the ESU shall notify the ESUCC in writing of the ESU's concern(s). The ESUCC shall then have thirty days to cure any alleged breach. If the ESUCC disputes the alleged breach, then the parties shall agree to meet at the ESU to address the specific concerns and find a mutually agreeable solution. If, after that meeting, the ESUCC is unable or unwilling to cure the alleged breach, then the ESU may terminate the Agreement for cause. If the ESU terminates the Agreement for cause, the ESU shall only be entitled to a refund for any amount(s) paid if a majority of the ESUCC Board approves the ESU's request for a refund, and the ESUCC Board shall, in its sole discretion, determine the refund amount (if any).

The ESUCC may terminate this Agreement for any reason at any time by giving ninety days' written notice to the ESU. If the ESUCC terminates this Agreement, then the ESU shall be entitled to a refund for the amount paid by the ESU in an amount proportional to the number of days the service was available to the number of days the service was unavailable.

VIII. Confidentiality

Each party agrees to keep confidential all non-public information received from the other party. All information and data shared or exchanged between the parties shall fully comply with Nebraska law and FERPA.

IX. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of Nebraska.

X. Damages and Indemnification

To the extent permitted by law, each party shall indemnify, defend and hold harmless the other party, its officers, agents and employees from all claims, damages, losses and expenses arising out of or resulting from the services provided under this Agreement that results in any claim for damage whatsoever. This Section shall not require either party to indemnify, or hold harmless, the other party for any losses, claims, damages and expenses arising out of or resulting from the intentional or negligent act or omissions of the party.

XI. Entire Agreement

This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, understandings, negotiations, and discussions, whether oral or written.

XIII. Other Information

From time to time, the ESUCC and ESU may agree to develop and implement new or additional Projects. In the event ESUCC determines to offer a new project during the term of this Agreement and the ESU wishes to participate in said new project, the parties may describe the new project in writing and incorporate that writing as a formal addendum to this Agreement.

Given the upfront and ongoing expenses associated with each service, the fee(s) paid by the ESU are generally not refundable. By entering into this Agreement, the ESU agrees to accept the identified services for the entire term of the Agreement and may not cancel or revoke services with any expectation of reimbursement(s) or refund(s), except as provided in Section VII.

Each ESU must contribute to the ESUCC the fees associated with each project. The ESU and ESUCC agree to follow the expectations outlined in those Exhibits, as well as those reasonable expectations and updates that may be announced or provided during the term of the Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

1. ESUPO Affiliate Budgets: Section II.1.

- a. Network Operations Coordinators Affiliate (NOC):
NOC supports the extensive communications network within and among the ESU's and school districts.
- b. ESU Special Education Population Directors (ESPD):
ESPD consists of Special Education Directors and other similar personnel from across the state providing support for compliance related topics.
- c. Teaching and Learning through Innovation Affiliate (TLI):
TLI connects educators with resources, best practices, and emerging technologies to transform teaching and learning within the classroom.
- d. Professional Learning Association Affiliate (PLA):
PLA is responsible for providing staff development as well as school improvement for school districts.

2. ESUPO Events: Section II.2.

The ESUPO serves as the umbrella to the statewide professional development opportunities for ESU personnel statewide. The ESUPO is a collaborative effort to provide statewide training and alignment of efforts for ESU personnel and key NDE staff statewide. ESUPO consists of four affiliate groups composed of ESU personnel across the seventeen ESU's with representation from essential NDE Staff. ESUPO events may include registration, materials, and other fees. Such fees will be set at no more than \$25 per participant person per day.

3. Digital Learning Services and Project: Section II.3.

Fees for this item will support ESUCC personnel expenses, any software development needs, or contract obligations.

- a. Distance Education Brokering:
The ESUCC provides the Nebraska Virtual Instruction Source (NVIS) course clearinghouse for use in finding and exchanging distance education courses between participating ESUs and school districts.
- b. Learning Object Repositories (LOR) and Open Education Resources (OER):
ESUCC coordinates access to digital libraries that enable educators from within participating ESUs to use professional educational resources that are aligned to academic standards. The Nebraska OER hub is available to all ESUs and their district schools and offers statewide access to local and national open educational resources.
- c. The ESUCC Digital Learning Services and Projects promote statewide collaboration to provide students and school districts with access to a mix of

different learning environments that best supports the combination of traditional face-to-face classroom methods with more technology-mediated activities.

- d. ESUCC supports the responsible and strategic integration of Artificial Intelligence (AI) in Nebraska’s educational ecosystem. This includes assisting schools and ESUs in exploring AI tools that enhance teaching, learning, and operational efficiency; providing guidance on ethical use, data privacy, and policy development; and facilitating professional learning that builds educator capacity to leverage AI for personalized instruction, assessment, and accessibility. Through statewide coordination, ESUCC helps ensure that AI innovations are implemented equitably, securely, and in alignment with Nebraska’s educational goals.
- e. ESUCC is committed to ensuring that all digital learning environments, resources, and technologies are accessible to every learner, educator, and staff member. This includes supporting the design and adoption of digital materials, platforms, and tools that meet accessibility standards such as Section 508 and the Web Content Accessibility Guidelines (WCAG). ESUCC provides guidance and professional learning to help schools and ESUs create inclusive digital experiences that accommodate diverse learning needs and abilities. Through statewide coordination, ESUCC promotes accessibility as a foundational principle of digital learning—ensuring equity, usability, and participation for all Nebraskans.

4. Special Projects: Section III.7.

The ESUCC may facilitate special projects, organize and facilitate programs, or serve as a fiscal agent for activities to enhance professional development opportunities. Adding a special project would require a description of the project presented to the board and a majority vote to have the project added to this MSA. By adding the project to the MSA, the ESUs are not obligated to participate, only that the project is available to all ESUs or schools. Participation decisions would be made by each ESU individually.

1. Technology Student Services Projects:

Fees for this item will support ESUCC personnel expenses, any software development needs, or contract obligations.

a. Student Records System (SRS): **Section II.5., III.9.**

ESUCC maintains SRS which is an online special education record system designed to create all special education documents, required by Rule 51 and Rule 52, including IEP, MDT, IFSP and all required notices. The SRS is a highly secured system that organizes and stores documents and provides access to files via the internet. SRS training is provided across the state for district staff and college and university staff. School Districts electing to utilize the SRS system must pay an additional fee to receive access.

b. Project PARA: **Section II.5.**

Project PARA is a web-based method for school districts to provide introductory training for their paraeducators. The Project assists schools in meeting the paraeducator training requirements. Project PARA is a collaborative effort between the University of Nebraska, the Nebraska Department of Education and Nebraska educational service units.

c. 504 Plan: **Section II.5.**

ESUCC designed and maintains the Section 504 Project which is an online record system designed to create documentation necessary for the Rehabilitation Act of 1973 that prohibits discrimination against those that have a physical or mental impairment that substantially limits one or more major life activities. Section 504 is a function of regular education. This is an add on to the SRS system.

2. Cybersecurity: Section II.5.

Fees for this item will support ESUCC personnel expenses, any software development needs, or contract obligations.

ESUCC leads statewide efforts to strengthen cybersecurity readiness, resilience, and response across Nebraska’s educational systems. As a non-regulatory statewide coordinator, ESUCC supports ESUs and school districts in safeguarding student and staff data, securing digital infrastructure, and aligning with national best practices and frameworks such as NIST and CISA. Through collaboration with state and federal partners, ESUCC helps ensure that Nebraska’s schools have the knowledge, tools, and capacity to prevent, detect, and respond to evolving cybersecurity threats while maintaining continuity of educational services.

1. Legislative and Governmental Relations Project: Section II.4.

The Legislative and Governmental Relations Project will assist member ESUs in strategically planning legislative initiatives that support the mission of the ESUCC and its member service units, tracking legislation that affects service units and state-wide educational efforts in the state, and influencing state lawmakers to support the vital work of the ESUCC, service units and public schools in the state of Nebraska. This project applies to regular and special sessions, although special session invoices will be sent only in the event of a special session. Because the vendor contract term ends prior to the end of this MSA contract term, fees are subject to change at the end of the vendor contract term.

2. SMART: Section II.6.

The ESUCC continuously develops and maintains the software operating the SMART online service management tool for use by the Nebraska ESUs and ESUCC. This tool supports ESUs in their data-driven process utilized to systematically identify the needs of their school districts and thereafter develop services to fill the gaps. The SMART online tool allows ESUs to assess the available services for implementation at the school district level.

3. SPARQ Negotiations: Section III.8.

SPARQ Negotiations is a web-based online data collection system used to compare settlement information, provide prevalence reports, view negotiated agreements and perform placement calculations. Because the vendor contract term ends prior to the end of this MSA contract term, fees are subject to change at the end of the vendor contract term.

Cybersecurity Report

March, 2026

SLCG Update

FY2024 proposals are being scored by committee members now. Due to some technical problems at first, the deadline for scoring was extended to March 18, 2026. Soon after that, the state committee will meet again to review the scoring results and recommend proposals to move forward. As a reminder, the ESUs collaborated on three proposals:

- Enhanced data backup and recovery services - hardware and software licensing to improve ESUs and schools abilities to restore data, requesting \$802,200 of SLCG funds
- Cyber Incident Response Planning - in collaboration with cities, counties and health districts, requesting \$80,000 SLCG funding to support workshops on incident response planning and cyber assessment
- Cybersecurity Awareness Training - funding to subsidize cyber training and anti-phishing platform such as Proofpoint, CyberNut, KnowBe4; requesting \$882,000 of SLCG funds

Our Nebraska Emergency Management Agency contacts, who serve as the state's fiscal agent for the SLCG funds, have noted that because of the Department of Homeland Security shutdown affecting the Cybersecurity and Infrastructure Security Agency (CISA), the federal approval timeline is uncertain.

Legislation

The path for LB 599's cybersecurity support, its amendments and appropriations, has many twists and turns. We continue to advocate for state support of cybersecurity work through ESUs and with school districts. This has advanced farther than in previous legislative sessions.

Duo Security Multi-Factor Authentication Renewal

Information was sent to NOC members and other direct purchasers of the current Duo licensing. For the last three years, we have purchased a pool of 10,000 licenses. It appears initially that we will maintain licenses at or above that number.

This will be a one-year renewal, from March 28, 2026 through March 28, 2027 for the Duo Security Advantage license at a cost of \$8.00 per license. Due to a favorable price quote and some remaining subsidy funds we are able to keep the price at this lower level for another year. We've asked for ESUs and other district purchasers to confirm their renewal by March 18, 2026 or to let us know if they intend to discontinue their licenses.

Elastic Logging

Two SLCG projects were funded in FY2023 (year 2) which fund the implementation of the Elastic Security Information and Event Management (SIEM) system. ESUs 1, 2, 3, 7, 8, 10, 13, 15, 16 and 17 were approved in May, 2025 and have deployed regional servers to collect data. These ESUs are configuring their systems to provide the right data in dashboard visualizations, alerts and notifications, as well as rolling out the agent software to school and ESU servers and end-user devices in their areas.

Due to approval and confirmation delays, funding for a similar project in ESUs 4, 5, 6, 9, 11, and 18 was confirmed in December, 2025. Hardware and software licensing for the same Elastic SIEM system has been ordered, but the hardware has not yet been received. Their implementation will start as soon as possible when that hardware arrives.

Cyber Assessment

Whether or not LB599 support is enacted in some way, I will continue to work with our ESUs, NDE and OCIO partners Chris Wlaschin and Bryce Bailey to move forward on identifying the best fit baseline cyber assessment to promote with ESUs and schools to begin collecting data to help make our case in the future for the right level of cybersecurity resource support through state and other funding sources.

Recent Incident Update

During February and through March 10, 2026, our informal cyber incident tracking identified 6 cyber incidents affecting Nebraska schools and ESUs:

- Four of these involved phishing emails, one intercepted and blocked while three were accepted and spread by users in the affected districts.
- One incident began with a trusted vendor website that was compromised and spread malware to a school network when it was accessed. Thanks to the school having endpoint detection and response (EDR) software in place on many devices, this attack was detected and stopped quickly.
- In the final event, a scammer made a phone call to the school impersonating a vendor and attempting to change bank information for payments (social engineering). This impersonator had real, current invoice information which was not known to be publicly accessible. Investigation was ongoing to determine how that information was obtained.

EXECUTIVE SUMMARY: SRS

Modernization & Strategic Roadmap

Prepared for: ESU Board of Directors

Date: March 17, 2026

Subject: Software Reliability, Modernization, and AI Integration

Vision & Strategic Partnerships

The ESUCC Technology Team is committed to transforming the Special Education Record System (SRS) from a legacy compliance tool into a modern, high-performance platform. To ensure this transition is rooted in industry best practices, we have engaged in the following:

- **Architectural Partnership:** Collaborating with **Don't Panic Labs** (Lincoln, NE) to modernize our system architecture, ensuring scalability and stability.
- **National Resource Sharing:** Exploring collaboration with the **Michigan Association of Intermediate School Administrators** to leverage cross-state software innovations.
- **Infrastructure Readiness:** We have modernized our internal development environments, allowing for "sandbox" testing of new features to ensure 100% uptime during deployment.

Immediate Focus

- **Advanced Form Versioning:** A major update to our form engine now preserves historical data exactly as it was originally filled out, allowing us to push new compliance updates without impacting previous years' records.
- **Enhanced Reporting:** A new reporting tool for the **October 1st Snapshot** (Ages 3–21) will be live, streamlining IDEA plan verification for member districts.
- **Reliability Focus:** Immediate improvements to document printing and Indicator 11 tracking are underway to reduce administrative friction.

Future-Ready Roadmap: The AI & Collaboration Shift

We are aggressively pursuing a "de-coupled" architecture that allows us to build modern, user-friendly interfaces on top of a secure, robust database.

| Priority | Feature | Impact on Educators |
|----------|---------|---------------------|
|----------|---------|---------------------|

| | | |
|--------------------------------|---------------------------------|--|
| Intelligent Drafting | AI-Enhanced Goal Writing | Leveraging AI as a co-pilot to help teachers draft high-quality, measurable, and compliant student goals in seconds. |
| Real-Time Collaboration | Multi-User Editing | Allowing multiple team members to work on a single form simultaneously (Google Docs-style) to expedite IEP meetings. |
| Data Integrity | Auto-Saving & APIs | Eliminating data loss through real-time saving and enabling "self-service" data import/export for district-wide analytics. |
| Workflow Efficiency | Digital Signatures | Transitioning to a fully digital, legally compliant signature workflow within the SRS environment. |

Target Outcomes

- Legal Compliance:** Ensuring that all forms meet NDE and federal regulations while protecting the district.
- User Comfort:** Making the system not only easy to use but making it helpful in real-world situations such as data collection, parental meetings, and group presentations.
- Data Confidence:** Moving toward a zero-bug environment where users trust the system implicitly.
- High quality student plans:** Use AI to assist with writing quality student plans.
- Forward-Looking Support:** Transitioning our Helpdesk from "troubleshooting bugs" to forward thinking on advanced features.

Technology Division Report

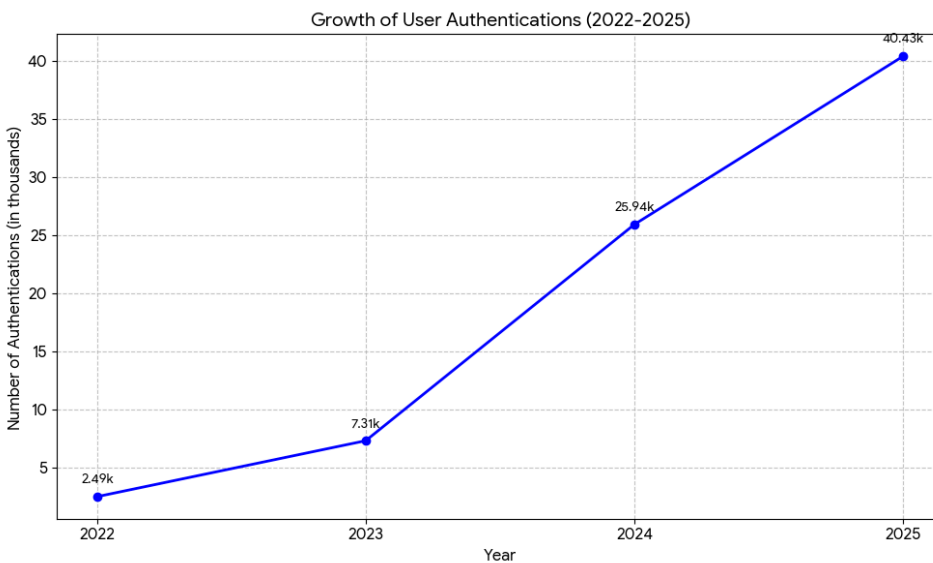

March, 2026

Software Engineering

Todd Hatcher shared information about plans for SRS improvements in his special update. We intend to apply the same learning, techniques and practices to our other software projects to improve the efficiency and sustainability of all of our software development work.

eduroam

Participation by Nebraska K-12 schools and ESUs in eduroam has grown to 180 organizations as of March 12, 2026. Authentications have grown dramatically since the start of the project in 2022.

eduroam Authentication Data by Year

| Year | Number of eduroam authentications |
|------|-----------------------------------|
| 2022 | 2,490 |
| 2023 | 7,310 |
| 2024 | 25,940 |
| 2025 | 40,430 |

SteadFast

SteadFast is a software agent that school districts may use at no charge on their district-owned devices to measure and record the quality of broadband Internet service when those devices are used outside of the school network. This can be helpful in determining the quality of available Internet services, identify areas where service is weak or unavailable and provide data to share with providers and policy makers.

Fourteen districts have signed up to participate in this project as early adopters, and twelve of those have begun implementation:

1. Amherst – Not active
2. Bayard
3. Centennial
4. Hartington-Newcastle
5. Johnson-Brock
6. Mullen – Not active
7. Norris
8. Sargent
9. Pender
10. Shelby-Rising City
11. Shelton
12. Summerland
13. Twin River
14. York

Six slots remain open for additional early adopter schools. The early adopters can receive a \$1000 incentive for participating with these requirements:

Selected participants will:

- Commit to a 200-day pilot period
- Ensure a minimum of 25% of student devices (at least 50 devices) participate
- Use Windows or Chrome devices exclusively for the pilot
- Have an MDM (Mobile Device Management) or Google Admin

K-12 Cybersecurity LB 599 AM 2509

The cyber threat to Nebraska schools is real and immediate. LB 599 AM2509 gives districts the coordinated support needed to prevent attacks and reduce harm, while preserving local control through voluntary participation.

Preventing ONE ransomware incident offsets the resources for LB599/AM2509.

The Work - 599/2509

- Establish Framework / Policies
- Measure Security Levels
- Collect Incident Data
- Organize Response Efforts
- Coordinate Group Purchases
- Prevention Training
- Deploy Products/Services
- Keeps insurance rates down!!**

Nebraska schools do not have to face cyber threats alone.

The Threat

FortiGuard labs, 2024

WITHOUT COORDINATION

\$5-12 Million In Cyber Attacks

- Duplicative spending for 240+ districts
- Higher Cyber insurance premiums
- Higher purchase price for tools

WITH COORDINATION

40% less paid to attackers

The cost of prevention is lower than the cost of recovery.

- Reduced duplication of tools and services
- Shared expertise
- Bulk purchase discounts
- Statewide training and support

Why Now?

Schools are **already** under attack, and the cost of waiting is too high.

- **Financial Fraud**
- **Ransomware**
- **Data Breaches**

- Online instruction **vulnerable**
- Online building security **defenseless**
- Instructional time **lost**
- Student, parent, and staff financial information **exposed**
- Students exposed to **exploitation**
- Student health and education records **unlocked**
- Tax dollars pulled **away** from students and classrooms

What does a property tax lid do to ESUs?

Reduce or Eliminate

- Cybersecurity
- Data Privacy
- Suicide Prevention Support
- Mental Health Support
- STEM Maker Space Labs
- Robotics
- Science Olympiad
- Quiz Bowl
- Non-Public School Support

The caps in LB 1219, coupled with the cuts to ESU Core Service Funds (state aid) would devastate the work the ESUs do for the Legislature.

Services ESUs Provide are Required by Legislature

- Staff Development Support
- Curriculum and Instructional Materials Support
- Technology Support

LB 1219

ESU would CUT or ELIMINATE essential services...

Student Services at Risk

Services such as audiology, birth to 5 services coordination, technology support, special education, and life skills programming could be reduced if there is no funding for those.

Staffing at Risk

Because most district spending is tied to personnel, costs above the cap would likely force staffing reductions.

Literacy Support Reduced

Positions in professional development tied to literacy implementation would likely be reduced to only that which is required, even as state expectations and school needs continue to grow.

Mental Health Services Shifted to Schools

Mental health services would likely move to a fee-based model or be reduced, placing added pressure on districts without reducing overall need. Services such as counseling, behavioral support, and crisis response for students and families in rural communities.

Implementation Reduced

Intentional move away from hands-on implementation support and become more of an information-sharing organization, leaving schools with less direct help.

District Services Reduced or Shifted Locally

Services to districts would likely decline, or districts would need to absorb substantial new costs to maintain current support levels.

Cybersecurity & Technology Impacted

Support for cybersecurity, internet, and filtering would weaken as equipment replacement is delayed and resources tighten.

Safety & Security Delayed

Building safety and security improvements would likely be postponed, increasing risk for students and staff.

Wages & Benefits Under Pressure

LB 1219 would make it much harder for ESUs to provide competitive wage increases. As insurance and other employment costs rise faster than 2%, employees would likely see smaller raises or higher benefit costs.

LB 1219
Undermines ESU Efficiency
ESUs were created to help districts save money through shared services. Limiting levy authority weakens that model and shifts costs back to schools.

ESU Work is the Legislature's Direction

Who will do the work if ESUs do not?
