2009 Public Participation at Board Meetings

The board of education shall conduct its meetings in accordance with the Nebraska Open Meetings Act.

The board shall make reasonable efforts to accommodate the public's right to hear the discussions and testimony presented at its meetings. The board shall make available at the meeting, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed in open session of the meeting.

The board is not required to allow citizens to speak at each meeting, but it will provide the opportunity for public participation at least four times per year. The board may make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, photographing, or recording its meetings.

The board shall not require members of the public to identify themselves as a condition for admission to the meeting, nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. However, the board may require members of the public desiring to address the board to identify themselves.

Ralston Board of Education Public Comment Procedures

The Ralston Board of Education appreciates the public's right to provide public comment. It is the practice of the Ralston Board to listen to the public comment, without discussion between the public and the Board. Should you have a question or ask for follow-up from the Board, the Board President or Chair of the meeting will direct the Superintendent to address the requests and provide additional information to you as appropriate. We ask that you refrain from personal comments about individuals and the use of vulgar or inappropriate language in addressing the Board.

The following will help guide the Public Comment agenda item at Board Meetings and Public Hearings:

1. Persons speaking during Public Comment will be called forward individually by the Board President or Chair to the location identified for such purpose.
2. The board will generally allow a total of 30 minutes for the presentation of all public comments. Individuals may only speak one time per topic and must limit comments to around three (3) minutes. In the event more than 10 individuals wish to address the board, the 30 minutes will be divided equally between the number of speakers. At the discretion of the Board President or Chair, speakers may be allotted additional time.
3. Each individual speaking to the Board will be required to identify himself or herself prior to giving public comment or when related business is on the agenda. A "Record of Appearance" card is provided for this purpose.
4. Persons wishing to appear will be heard in the order in which the Board President or Chair of the meeting determines appropriate.
5. In cases where more than one person wishes to speak on the same topic, their presentations to the Board may, at the discretion of the Board President or Chair, be grouped together by topic.
6. Persons speaking to the Board during public comment may make printed materials available to the Board but may not use any other form of media.

Dear Jesse Tvrdy,

Please accept this letter as notice of my resignation. I will not be returning to my teaching position at Ralston High School for the 2020-2021 school year.

I received an offer to teach in another school district, and after careful consideration, I realize that this opportunity is better suited for me and my future at this time.

It has been a pleasure working in this district over the last three years. Ralston has always been a home to me, and I look forward to continuing a relationship with and serving this community as years go on. Despite its shortcomings, Ralston Public Schools is a district that is rich in diversity, compassion, and community.

Thank you again for the opportunity to work for Ralston Public Schools. I wish our staff all the best, and I look forward to serving this community in other ways.

Sincerely,

Alexa McEvoy

Track and Field Renovation Project

At the January 27th board meeting, Mr. Joe Zadina, an engineer with the firm *Lamp Rynearson and Associates*, provided information regarding the renovation of the track and football field at RHS. It was determined the foundation under the track and field had considerable issues with drainage and the storm sewers needed to be enlarged. In addition, the track and fields were also in major need of a complete resurfacing. Due to the fact the typical longevity of a track/field is around 10-12 years and the RHS track and fields are nearly 17 years old, the board was asked to consider approving a complete renovation.

Mr. Zadina outlined the bidding process and recommended the board approve the bid provided by Nemaha Construction at a cost of \$1,894,858.85. The board voted to approve the bid as presented with a motion by Linda Richards which was seconded by Liz Kumru. Dear Ralston Public Schools Board of Education,

It is with mixed emotions that I write this letter of resignation for my Social Sciences teaching position at Ralston High School at the end of the 2019/2020 school year. After four years of service as an educator and coach at RHS, I have truly cherished my career here and will always look back fondly at my time spent at Ralston. The leadership at Ralston High School is truly remarkable and I highly admire Mrs. Jesse Tvrdy as a principal and mentor. She and I both started our careers at RHS at the same time and I am proud to have served for her in those years. The pressure Mrs. Tvrdy places on herself to excel is remarkable, but she always exceeds expectations and has made RHS an institution that I am proud to work at. The colleagues I work with in the Social Sciences department are also outstanding. Led by our fearless leader Andrea Hartman, this department is highly ambitious in our goals for students to succeed and should be considered an exemplar of how an educational department should be organized and run. Cammie Weland, Jason Jackson, Sheila Juricek, Shane Adams, and Kellon Johnson are extraordinary individuals and teachers and I will miss spending time laughing and arguing with them.

My next chapter in life will be in Washington, D.C. It has always been a goal of my wife to be a lawyer within the federal government. She is chasing that dream and I'm tagging along for the ride. Hopefully, the next school I am teaching at will be just as inspirational and exceptional as Ralston High School was.

Sincerely,

Zachary J. Wimmer

NO ONE IS MORE QUALIFIED TO TALK ABOUT YOUR SCHOOL DISTRICT, YOUR COMMUNITY, AND YOUR NEEDS RELATED TO PROVIDING A QUALITY EDUCATION THAN YOU!

With your help, NASB is an advocate for public education and local school governance ... and YOUR collective voice in the Legislature

As NASB represents the state's 260+ member districts and ESUs, relationships and communication are the keys to the success of the Association's advocacy work. NASB advocates for the standing positions and legislative resolutions approved by delegates all from member boards at the annual NASB Delegate Assembly held in conjunction with the State Education Conference each November. It is here, and throughout the year where our focus is to work for and with you on all of the issues that impact public education.

Can YOU really make a difference? YES YOU CAN!

You are an elected official and a community leader. As a school board member, you are in an excellent position to educate and influence the legislative process, and are seen as a key resource on education policy for your district. We encourage all boards to include a legislative update as a part of each meeting, and to discuss/share key legislative information with key individuals in the community. Remember that advocacy is year-round, not just during the session itself. Bookmark the Government Relations page of www.NASBOnline.org for updates and information, and make sure to utilize NASB's *Legislative Notes*, summarizing all of the pertinent items related to public education in Nebraska. Another great resource is www.NebraskaLegislature.gov.

106TH LEGISLATURE, 2ND SESSION

School Boards Make Nebraska a Great Place to LIVE!

Through Leadership, Innovation, Vision and Engagement Nebraska's School Boards are making a difference for students across the state.

LEADERSHIP

NASB will provide leadership to groups, individuals, and organizations and facilitate efforts to improve student achievement.

INNOVATION

Through innovation of programs and services, NASB will add value for our members and generate revenue to support growth.

VISION

NASB will develop a vision with other groups, individuals, and organizations to address how we fund schools and provide opportunities to bring a quality education to all children.

ENGAGEMENT

With engagement of its board and members, NASB will provide opportunities for school boards to be advocates for public education.

Advocacy is on-going. Stay up to speed on the Legislature year-round.

- ✓ Become Familiar With Your Senator & Their Staff -- Don't take for granted the access we have as Nebraskans to our Senators & Federal Representatives. It is not like that everywhere. Take advantage of it! Be involved. Build the relationship. Be ENGAGED!
- ✓ Have a "legislative update" agenda item at each board meeting, and share key legislative information with your board, and your community.
- ✓ Pass board policy specific to how you deal with legislative issues.
- ✓ Utilize NASB's Legislative links, communication, the *Legislative Notes* newsletter, track specific bills, follow along on social media, and study the annual Advocacy Handbook.
- ✓ Reach out to NASB's Legislative Team, and/or a member of the NASB Legislation Committee. Attend the various Legislative Lunches throughout the year across Nebraska.
- ✓ Stay up to speed with your local newspaper, social media, senator emails/newsletters, etc.

ASK YOURSELF: WHAT ARE YOU DOING FOR YOUR DISTRICT/COMMUNITY?

THE LEGISLATURE NEEDS TO KNOW SCHOOL BOARD MEMBERS WANT TO BE INVOLVED!

November 20	2020 Delegate Assembly Omaha

NASB POSITIONS ENCLOSED

The Nebraska Association of School Boards is the only state organization created by school board members to represent the interests of school board members. Your Association's legislative agenda is initiated each year with the submission of local board proposals. The NASB Legislation Committee reviews all proposals, and then submits its recommendations to the NASB Board of Directors. The Board can then review and amend the submissions before presenting them to the NASB Delegate Assembly. The Delegate Assembly gives each member school district a voice in shaping the agenda of NASB. This publication represents the final agenda, set by the Delegate Assembly, for the 2020 Legislative Session. Standing Positions remain in effect until they are repealed by the Assembly. Legislative Resolutions are in effect for one year only.

WHAT DOES THIS REPRESENT?

The statements you read inside the pages of this book represent a set of belief statements which guide NASB's government relations efforts. These words guide our lobbying efforts at the State Capitol, with the State Board of Education and NDE, as well as with our representatives in Washington, D.C. While this work represents an effort to describe an issue or condition to be addressed, rarely is a bill written in such plain language. Actual legislative bills are a blend of several ideas (or perhaps a good idea, and a substantial price tag). Hence, when NASB analyzes how we will testify on a bill, we take into account a number of factors, including regular reviews by the Legislation Committee which offer guidance on the course corrections necessary to navigate the turbulent amendment process.

Nebraska demographics and student needs are dynamic, as are the changing education standards required to be competitive nationally and internationally. To

meet this challenge, fiscal policy would be built upon a broad base with the lowest possible rates to provide stability in the tax base and revenue stream, provide local government with the tools to generate adequate financial resources, yet equalize financial support among taxpayers, and assure the principle of uniform assessment. (prior to 1995, amended 2009)

(2007)

S-46 — STATE FUNDING SYSTEM

NASB supports a stable, predictable, equitable, and adequate statewide education funding system that honors the Legislature's commitment to provide for free instruction in the common schools of this state, as guaranteed by the Nebraska Constitution, by prioritizing education funding in the state budget, and that:

- Invests in the education of all Nebraska public school children;
- Establishes a state fund or funding mechanism that assists Nebraska public schools with the costs of maintaining and constructing facilities;
- Reduces our dependence on local property taxes by drawing revenue from multiple funding sources;
- Promotes the responsibility of locally elected school boards to make sound, transparent school budget decisions;
- Provides funding in a timely and predictable manner;

(prior to 1995)

S-50 — ALLIED SCHOOLS

NASB opposes legislation that would mandate the formation of an allied system of school districts. (2014, amended 2016)

S-51 — AMEND OPEN MEETINGS ACT FOR EVALUATIONS

NASB supports legislation to allow boards to go into executive session to discuss superintendent evaluations and/or for the narrowing down of superintendent candidates. (2017)

S-56 — EDUCATIONAL SERVICE UNIT REORGANIZATION

NASB supports the continuation of ESUs as an effective means of delivering educational services to school districts and their students. Any reforms would provide for a statutory hold harmless provision in the distribution formula for Core Service funding when an Equity Unit reorganizes with any other ESU, and must be mindful of ESUs' essential role of delivering direct services and being responsible to the local school districts they serve. (2004, amended 2005)

S-57 — INTERACTIVE REMOTE COMMUNICATION TECHNOLOGY (TELEVIDEO)

NASB urges the legislature to provide updated rules and procedures so patrons are able to readily testify at legislative hearings via televideo (interactive remote communication technology) on a regular, ongoing basis to allow for a more equitable opportunity for the public to participate in the legislative process. (2017)

S-58 — ORGANIZATION

NASB opposes legislation that would mandate consolidation of districts or administration. NASB favors cooperation between school districts as well as ESUs to remove all barriers and penalties to promote orderly and voluntary reorganization into more efficient governing and administrative units to best serve the educational needs of Nebraska's children. (prior to 1995, amended 2008, 2015, 2017, amended 2019)

Adopt the Remote Seller Sales Tax Collection Act and change revenue and taxation provisions. The department is allowed to create rules and regulations to carry out the Remote Seller Sales Tax Collection Act;

Beer/Liquor Excise Tax Increase: Nebraska Liquor Control Act shall be amended such that the privilege of engaging in business tax against a manufacturer or wholesaler shall be as follows: Gallon of beer: \$1.38, up from \$0.31. Gallon of wine (except from bond in farm wineries): \$3.51, up from \$0.95. Gallon of wine from bond in farm wineries: \$2.62, up from \$0.06. Further, the revenue arising from this privilege of engaging in business tax shall be credited to the General Fund, except that the increase in revenue due to the changes in tax rates made by this bill shall be credited to the Property Tax Credit Cash Fund.

Documentary Tax Stamp Act: increased to \$2.75 for each one thousand dollars value (or fraction thereof), up from \$2.25. From the tax so-collected from the grantor (of Section 9 above), the Property Tax Credit Cash Fund shall receive the additional \$0.50 produced by the increase.

Sales and use tax Reporting: under certain categories indicates that "consumer goods" no longer needs to include a separate listing for telefloral deliveries. The category of "services purchased for nonbusiness use" shall now include a separate listing for cleaning, maintenance, and repair of tangible personal property, entertainment admissions, household utilities, personal services, legal services, accounting, and other professional and real estate services.

Tobacco tax: At wholesale, the tax shall be \$2.14 per package on each package containing 20 cigarettes or less. Changed from \$0.64. Further, beginning January 1, 2020, the State Treasurer shall place \$1.50 of such above tax in the Property Tax Credit Cash Fund. The fund would now be among the highest priorities for such revenue by legislative mandate. Vaping and other like products brought in under the bill.

Income Tax Change: For taxable years beginning or deemed to begin on or after January 1, 2020, a surtax will be imposed upon any individual who has federal adjusted gross income of \$500,000 or more for individuals whose federal filing status is married filing jointly—OR—\$250,000 or more for individuals with any other federal filing status. The surtax shall be in addition to any other taxes owed and shall be equal to the individual's state income tax liability multiplied by a rate of 7.84%. The surtax shall be collected when the individual files his or her individual income tax return. The Commissioner will adjust the income tax forms to include the calculation of the surtax. The Commissioner may adopt and promulgate rules and regulations to carry out this section.

Sales Tax Increase: the rate of the sales and use tax levied shall be 5.5% and commencing January 1, 2020, the rate of the sales and use tax levied shall be 6.0%. Also, the "Gross receipts" for providing a service will now include motor vehicles, pet-related services, such as veterinary services, the cleaning of clothing, storage and moving services, ride-sharing services, personal care services (including hair care, massages, tanning, nail, spa, and tattoo services), maintenance, painting, repair, and interior decoration services for single-family housing, limousine, taxi, and other transportation services, the services of travel agents and tour operators and for online travel services, lawncare, gardening, and landscaping services, dating and escort services, instruction in music (dance, golf, and other recreational activities), and telefloral delivery services. Exemption for candy, soft drinks, or bottled water is eliminated.

Corporate Income Tax Change (S Corps): For taxable years before January 1, 2020, federal adjusted gross income, or, for a fiduciary, federal taxable income shall be modified to exclude the portion of the income or loss received from a small business corporation with an election in effect under subchapter S of the Internal Revenue Code or from a limited liability company organized pursuant to the Nebraska Uniform Limited Liability Company Act that is not derived from or connected with Nebraska sources as determined in section 77-2734.01. For taxable years on or before January 1, 2020, residents of Nebraska who are shareholders of a small business corporation having an election in effect under subchapter S of the Internal Revenue Code or who are members of a limited liability company organized pursuant to the Nebraska Uniform Limited Liability Company Act shall include in their Nebraska taxable income, to the extent includable in federal gross income, their proportionate share of such corporation's or limited liability company's federal income adjusted pursuant to this section. For taxable years on or after January 1, 2020, residents of Nebraska who are shareholders of a small business corporation having an election in effect under subchapter S of the Internal Revenue Code or who are members of a limited liability company organized pursuant to the Nebraska Uniform Limited Liability Company Act shall include in their Nebraska taxable income, to the extent includable in federal gross income, their proportionate share of such corporation's or limited liability company's federal income. A resident of Nebraska shall include in Nebraska taxable income fair compensation for services rendered to such corporation or limited liability company. Compensation actually paid shall be presumed to be fair unless it is apparent to the Tax Commissioner that such compensation is materially different from fair value for the services rendered or has been manipulated for tax avoidance purposes

3048 Communicable Disease

The school district strives to provide a safe environment for both students and staff while safeguarding the rights of all students and employees, including those with communicable diseases.

Communicable Diseases. Communicable diseases are defined by the Nebraska Department of Health and Human Services in Title 173 Nebraska Administrative Code Chapter 1 and include HIV/AIDS, Hepatitis (A, B, and E), Measles, Mumps, and Tuberculosis.

School Attendance and Participation in School Sponsored Activities. A student who has been diagnosed with a communicable disease shall be provided with educational services in accordance with state law and board policy. Generally, individuals with a communicable disease will be restricted only to the extent necessary to prevent the transmission of the disease, to protect their health and rights of privacy, and to protect the health and safety of others. The decision regarding a student's education program and placement shall be made on an individual basis in light of current medical and educational information and recommendations. These will be determined by the superintendent, the student's Section 504 or Individualized Education Program (IEP) team, or the district's Crisis Team. In addition, participation in Nebraska School Athletic Association (NSAA) events will be subject to its rules and procedures, if any.

Infection and Exposure Control Procedures/Universal Precautions. The district will monitor the information available through the Federal Centers for Disease Control, the Nebraska Department of Health and Human Services, and the Occupational Safety and Health Administration. This policy and any procedures, universal precautions, or exposure control plan will be modified, if appropriate, based upon the best new medical information provided by the above sources.

The superintendent will take appropriate measures if there is an epidemic or outbreak of a communicable disease which may include, but it's not limited to, the emergency exclusion or alternative placement of students or the closure of a school building or the entire school district.

Confidentiality. The existence of an individual's communicable disease shall be treated as confidential and will be limited to school staff on a "need-to-know" basis. If it is necessary to inform a person of another's condition (due to exposure, for instance), the person will be notified of the confidentiality of that disclosure. In addition, any communication about a student's communicable disease shall be consistent with that student's IEP or Section 504 Plan, if any.

Staff Training. Staff will receive training regarding communicable diseases and the requirements of this policy and any adopted procedures as part of the training received under the Workplace Injury Prevention and Safety Committee policy.

Reporting. School staff who learn that an individual has a communicable disease will report it to the proper authority as required by Title 173 Nebraska Administrative Code Chapter 1

Student Illness

Students who become ill at school will be sent to the building office where the school nurse or other school employee will determine the appropriate response. When a child is too ill to remain at school, a school employee will contact the child's parent(s) or guardian(s) and make arrangements for the child to be picked up or sent home. If an illness or injury requires immediate medical attention, school officials shall attempt to contact the child's parent(s) or guardian(s) regarding treatment for the child. If the parents or guardians cannot be contacted, school officials may have the child treated by an available physician and/or transported by a rescue unit. Students who show symptoms of a contagious disease may be sent home, and the district may require a physician's statement before allowing such students to return to school.

Students who suffer from a significant illness which has an actual or expected duration of six months or more may be eligible for accommodations and supports under Section 504 of the Rehabilitation Act or under the Individuals with Disabilities in Education Act. The school will provide accommodations to students who are returning to school after a prolonged absence due to illness, including pediatric cancer, through a 504 plan or an IEP, as appropriate. The student's plan will include informal or formal accommodations, modifications of curriculum and monitoring by medical or academic staff as determined by the student's IEP team or 504 committee. Parents and staff will engage in ongoing communication about the needs of a student who is facing these circumstances.

Parents must complete emergency information for each child enrolled in the district. The information should list the family physician's name, where parents or a responsible adult can be located, and any necessary emergency instructions.

6031 Emergency Exclusion

Grounds for Emergency Exclusion. Any student may be excluded from school in the following circumstances subject to the procedural provisions governing short term suspension found elsewhere in these policies or state law:

- (a) If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or
- (b) If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

Extension of Exclusion. Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for up to five school days on an emergency basis. If the superintendent or superintendent's designee determines that it is appropriate to consider the extension of an exclusion beyond five days, such consideration shall be made according to the procedures set forth below.

Notification of Student's Parent(s) or Guardian(s). The superintendent or the superintendent's designee shall notify the student's parent(s) or guardian(s) that the principal has proposed the extension of the exclusion. If the initial notice is oral, the superintendent shall confirm it in writing.

Opportunity to Request a Hearing. The student's parent(s) or guardian(s) may submit an oral request for a hearing on the proposed extension of the exclusion within two school days of receiving the initial notice. If the initial request for a hearing is oral, they shall confirm the request in writing.

Failure to Request a Hearing. If the parent(s) or guardian(s) do not request a hearing within two school days of receiving oral or written notice, the proposed extension of the exclusion shall automatically go into effect.

Appointment and Qualifications of a Hearing Examiner. If the parent(s) or guardian(s) request a hearing, the superintendent shall appoint a hearing examiner upon receiving a request for a hearing. The hearing examiner may be any person who did not bring charges against the student, is not to be a witness at the hearing, and has no involvement in the charge.

Hearing Examiner's Notice to Parent(s) or Guardian(s). The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within five school days after the school district receives the initial oral or written request; provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.

Continued Exclusion. If a hearing is requested, the principal may determine in his or her sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the superintendent.

Examination of Student's Records and Affidavits. Prior to the hearing, the student and his/her parent(s) or guardian(s) shall have the right to examine and have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.

Attendance at Hearing. The hearing may be attended by the hearing examiner, the principal (or designee), the student, and the student's parents or guardian(s). The student may be represented at this hearing by a representative of the family's choice.

Student's Witness(es). The student and his/her parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. If school personnel or other students are requested to testify by the student's parent(s) or guardian(s), the hearing officer shall endeavor to help obtain the presence of such witnesses at the hearing.

Right to Know Issues and Nature of Testimony. The student and his/her parent(s) or guardian(s) have the right to request in advance of the hearing the issues which the administration will propose in support of the extension, and the general nature of the testimony of any administrative or expert witnesses.

Presence of Student and Witnesses at the Hearing. The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in his/her own defense and may be questioned on such testimony, but may choose not to testify.

Sworn or Affirmed Testimony. The principal or his or her designee shall present evidence supporting the recommended extension of the exclusion. Witnesses will give testimony under oath of affirmation, and may be questioned.

Hearing Examiner's Report and Recommendations. The hearing examiner shall prepare a report of his or her findings and recommendations, and forward the report to the superintendent.

Superintendent's Decision. The superintendent will review the hearing examiner's report and determine whether to extend the exclusion. He or she shall have the decision delivered or sent by registered or certified mail to the student, student's parent(s), or guardian(s). If the superintendent decides to extend the exclusion, the extension will take effect immediately.

January, 2020 Events:

Presentation cooking began again at RHS and RMS with chicken lo mein. The kids just love this.

Cooking Club met twice at RMS, and we made pizza and turkey tacos.

All RMS students were finger scanned this month, and this means the entire district is finished and students are scanning.

We got the MyDtxt program started at RHS. With this program, we can directly text the students that opt into the system. We spent a couple of days in the lunch room, giving a cookie to any student that signed up for MyDxt. In February, we will add "Student Choice" to the menu and give the students the opportunity to choose, based on surveys from MyDtxt.

An anonymous donor called in January, offering to pay negative student lunch balances. While this didn't pay all the balances in that school, we appreciate what he gave very much.

The dinner program at RMS was audited by NDE in January and all was good.

We applied for an equipment grant in January, and we are supposed to be notified in late March if we are awarded the grant.

Regular monthly training – Back injury and food allergies.
Total foodservice training time: 20 hours

Coming Soon – Kids Can Cook on March 12, 2020!
