The board shall make available at the meeting, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed in open session of the meeting.

The board is not required to allow citizens to speak at each meeting, but it will provide the opportunity for public participation at least four times per year. The board may make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, photographing, or recording its meetings.

The board shall not require members of the public to identify themselves as a condition for admission to the meeting, nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. Ralston Board of Education Public Comment Procedures

The Ralston Board of Education appreciates the public's right to provide public comment. It is the practice of the Ralston Board to listen to the public comment, without discussion between the public and the Board. Should you have a question or ask for follow-up from the Board, the Board President or Chair of the meeting will direct the Superintendent to address the requests and provide additional information to you as appropriate. We ask that you refrain from personal comments about individuals and the use of vulgar or inappropriate language in addressing the Board.

The following will help guide the Public Comment agenda item at Board Meetings and Public Hearings:

1. Persons speaking during Public Comment will be called forward individually by the Board President or Chair to the location identified for such purpose.
2. The board will generally allow a total of 30 minutes for the presentation of all public comments. Individuals may only speak one time per topic and must limit comments to around three (3) minutes. In the event more than 10 individuals wish to address the board, the 30 minutes will be divided equally between the number of speakers. At the discretion of the Board President or Chair, speakers may be allotted additional time.
3. Each individual speaking to the Board will be required to identify himself or herself prior to giving public comment or when related business is on the agenda. A "Record of Appearance" card is provided for this purpose.
4. Persons wishing to appear will be heard in the order in which the Board President or Chair of the meeting determines appropriate.
5. In cases where more than one person wishes to speak on the same topic, their presentations to the Board may, at the discretion of the Board President or Chair, be grouped together by topic.
6. Persons speaking to the Board during public comment may make printed materials available to the Board but may not use any other form of media.

BOARD DEVELOPMENT AND COMMUNICATION

Board Comments

Mrs. Robin Richards shared her appreciation with Dr. Adler and the Administrative Team for canceling the in-person graduation ceremony due to a member of the RHS Class of 2020 testing positive for COVID-19. Ms. Mary Roarty thanked Mr. Zach McCarter, who conducted an online fundraiser and collected enough donations to eliminate the lunch debt for all students at Wildewood Elementary. Mrs. Liz Kumru and Dr. Jay Irwin thanked the RHS students who spoke during the Public Comment section of the meeting. They stated it is helpful to have the viewpoint of students as we navigate through this pandemic. Mrs. Linda Richards discussed the recent passing of Congressman John Lewis and honored his legacy. Mrs. Heather Johnson echoed everyone's comments and thanked Mrs. Linda Richards for her remarks regarding Congressman Lewis.

Superintendent's Report

Dr. Adler thanked the students who attended the board meeting and stated he values the concerns they shared with the Board of Education.

RPS Return to Learn Protocol Update

Dr. Adler provided an update to the Board on the District's Return to Learn Protocol. The District

is currently in the Yellow Instructional Level. This level allows the District to de-densify the student population (50%) with a mix of in-person school and independent learning from home. Students will be divided into two groups (Red Squares and Blue Triangles) and will alternate days attending school. When not in school, students will do independent learning from home.

Dr. Adler reminded the Board of being flexible on our journey through this pandemic as things are changing daily. The Administration team is confident in the plans in place and is always listening to concerns and questions from parents and staff.

The District has heavily invested in remote learning and is confident we can successfully move to the Red Instructional Level if necessary. The Administrative Team is in constant contact with local health experts and other local educational leaders. RPS will continue to take guidance from our health professionals and make decisions on what is best for the RPS students, staff, and families.

As of July 27th, a total of 440 students had made the intent to be part of the Extended Campus Learning Program. Dr. Cecilia Wilken stated that the Extended Campus Learning Program is of high quality, meeting the academic and social needs of students. It will consist of a blend of digital face-to-face and on-your-own learning, as well as having students being able to attend morning classroom meetings to connect with other students from their class. Students who have made the intent for the Extended Campus Learning Program will commit to participate for an entire quarter.

Ms. Cindy Kirkpatrick, the District's School Health Services Supervisor, announced a partnership with Children's Hospital. Children's has developed a phone app, available to families, to help parents record the daily health screening questions they will ask their students before attending school. Ms. Kirkpatrick also shared information on procedures in place when school begins. Those mentioned include seating charts in classrooms, mandatory face masks, required hand sanitizer and/or handwashing throughout the day, and health isolation rooms in each school for students with potential symptoms awaiting to be taken home by their parent/guardian.

Meals will be available each day a student attends school. Students will also be allowed to order meals to take home for the following day when they are not attending school in person. Mr. Jim Frederick also stated that District communication will continue to be sent to families on Thursday evenings, while specific school communication will be sent on Sundays.

Sodexo Nutrition Services Update

Ms. Judy Kyle, Director of Food Service, provided an annual review for the Board of Education. In her presentation, she informed the Board of the percentage of students who received free/reduced meals in May of 2019 was 61%. In May of 2020, it was 62.6%. This accounted for an increase of 2.6% over the last year. Ms. Kyle also provided free/reduced meal data over the previous ten years. The District percentage of enrollment who received free/reduced meals in 2011 was 50.1%. In 2020, it was up to 62.6%.

Ms. Kyle stated the finger scanning process is now available at every school and it has helped with efficiency in the lunchroom. A new phone app allowing students to vote for their preferred lunch choices was tested a couple of times last year and was popular among students.

Throughout this pandemic, the District's Food Service Staff has worked tirelessly to provide meals to those in need in our community. When school abruptly shut down in March, her staff prepared and handed out approximately 1,600 meals per week. During the summer months, the number of meals increased to nearly 9,200 a week.

RPS District Equity and Diversity Plan Ideas

Dr. Adler shared with the Board ideas for an Equity and Diversity Plan for the District. Potential action steps include a Board of Education Resolution, a Board Goal for addressing equity and diversity, and developing a District Equity and Diversity Plan. There will be more discussion and planning at future BOE meetings.

2020-21 District Budget Overview

Mr. Jason Buckingham provided a look at a draft of the 2020-21 District Budget. He provided the Board initial insight into local real estate evaluations, state aid trends, disbursement, and motor vehicle tax. Mr. Buckingham also showed the Board how to access line by line budget data availability. The budget will be addressed again in August with a budget and tax hearing in September.

Government Relations Update

Mrs. Linda Richards updated the Board on information on Legislative Bills on property tax relief. She also provided updates on several other bills currently being discussed in the State Legislature.

NASB Update

Dr. Irwin informed the Board on how NASB will soon be providing a newsletter with new events and other offerings.

Enrollment Update

Dr. Cecilia Wilken discussed the Extended Campus Learning Program and indicated the number of students enrolling in the program is changing regularly.

POLICY REVIEW

2020-21 RPS Student Handbooks

Dr. Cecilia Wilken reviewed the suggested changes for the elementary, middle school and high school handbooks at the July 13th meeting. The Board approved suggested changes as presented with a motion by Mrs. Linda Richards and second by Dr. Jay Irwin.

Ms. Roarty:	Yes
Dr. Irwin:	Yes
Mrs. R. Richards:	Yes
Mrs. Kumru:	Yes
Mrs. Johnson:	Yes
Mrs. L. Richards:	Yes

2020-21 RPS Staff Handbook

Dr. Mike Rupprecht reviewed the Staff Handbook changes with the Board. He stated the most significant change to the handbook was a “Job Abandonment” addition. This addition addresses if an employee fails to report to work for three consecutive days and does not contact their supervisor, the District will assume they have abandoned their job. Other changes to the handbook include drug testing for bus drivers and additions to the threat reporting and assessment section. These changes will be presented for approval at the August 10th board meeting.

Adjournment

The Board voted to adjourn at 8:45 pm with a motion by Mrs. Linda Richards and seconded by Mrs. Robin Richards.

Ms. Roarty:	Yes
Dr. Irwin:	Yes
Mrs. R. Richards:	Yes
Mrs. L. Richards:	Yes
Mrs. Kumru:	Yes
Mrs. Johnson:	Yes

The next regular meeting will take place on Monday, August 10th, 2020, at 6:00 pm.

Mrs. Heather Johnson, President

Mrs. Liz Kumru, Secretary

Calendar Revisions Due to COVID-19 Pandemic

Overview

Include in this revised calendar are a few additions and revisions to the initial 2020-2021 school calendar. These revisions allow for flexibility in scheduling to provide an opportunity to adapt and navigate the potential unknowns as the 2020-2021 school year unfolds. These additions and revisions will allow the District to serve, communicate, and adapt to the needs of our school community better amidst a public health crisis.

Recommendation: Build possible make-up days into the calendar.

Make-up days would provide flexibility within our school calendar. It will allow the District the opportunity to communicate early on regarding our potential make-up plans if we have no school days in the school building or remotely. These days are spread throughout the year, allowing the District the opportunity to make timely situational decisions related to when we should make up these dates.

Recommendation: End of quarter flexibility.

Creating flexible quarter-end dates allows the District to address meeting the instructional hour requirements and the unknown timing implications of the virus. By having minimum and maximum end dates for each quarter, it allows us to make decisions to transition between quarters at a faster or slower pace based on what is happening with the health status of our community as we move through the year.

1st Quarter	Scheduled: 10/14/2020 Earliest end date: 10/8/2020 Latest end date: 11/3/2020
2nd Quarter	Scheduled: 12/21/2020 Earliest end date: 12/14/2020 Latest end date: 1/21/2021
3rd Quarter	Scheduled: 3/12/2021 Earliest end date: 3/1/2021 Latest end date: 3/24/2021
4th Quarter	Scheduled: 5/25/2021 Earliest end date: 5/5/2021 Latest end date: last student day

Advocating for Physicians and the
Health of all Nebraskans

June 22, 2020

John Spatz, J.D.
Executive Director
Nebraska Association of School Boards
1311 Stockwell Street
Lincoln, NE 68502

Dear John,

The Nebraska Medical Association (NMA) represents almost 4,000 physicians, residents, and medical students across the state of Nebraska. On behalf of our members, the NMA would like to commend you and the NASB members on its' thoughtful and creative approach to re-open schools safely.

Global research continues to show that social distancing, hand washing, and the use of face coverings at all times are important interventions in reducing the spread of COVID-19 in our communities. We strongly support the use of masks or cloth face coverings at all times in enclosed settings in order to reduce the chance of spread of the virus. Following these guidelines will not only keep our students safe, but also the community they interact with.

Thank you for your leadership and your commitment to keeping children and the community safe.

Sincerely,

Todd E. Hlavaty, MD
NMA President

Public Health Recommendations for the Screening, Exclusion, and Re-Admittance of Ill Students and Staff for COVID-19 in Schools

The following symptom screening criteria for ill students and staff is based on the most current research. Because people with COVID-19 have reported a wide range of symptoms – ranging from mild symptoms to severe illness, the following criteria has been developed to assist schools in identifying presumptive positive COVID-19 cases.

Re-Admittance to School

There is no reason for a student or staff member to get a “negative test” to be cleared for the return to school. A COVID-19 positive individual does not need a repeat COVID-19 test or a doctor’s note in order to return.

If a student or staff member tests positive for COVID-19, please call the Douglas County Health Department at 402.444.7214.

Return to Learn Protocol

In response to the COVID-19 pandemic, and with the safety and health of our students, staff, and community as our focus, Ralston Public Schools has outlined the following return to learn protocol for the 2020/2021 school year.

Protocol Overview

Outlined in the chart below are three options or levels for the return to learning for Ralston Public Schools for the 2020-2021 school year. Flexibility between options will be important and will be based upon the current health of the school and our local community. In all cases, the health and safety of our students, staff, and community will remain a priority. Health and safety measures have been established and will be followed within each level. School calendars and daily schedules have been developed for each level of operation. Movement between levels will be driven by the current health of the school and our local community.

SCOPE

CCS proposes installing (2) 12x PTZ cameras and (1) ceiling-array microphone. The cameras and microphone will be connected to an AV bridge, converting the signal to USB for connecting to an owner-furnished PC (requires USB 3.0). The audio output of the bridge will be connected to the existing analog audio mixer, allowing far-end audio to be heard over the existing in-ceiling speakers. A 10" touch panel will be provided for controlling which camera is active as well as PTZ control of the cameras. The AV bridge can also be configured for live-streaming to an RMTMP address (e.g. YouTube, Facebook, etc.) without the need to use a PC for broadcasting the audio and video in the room. The touch panel would be used for starting/stopping a livestream event.

MOEC FAFSA Completion for July 2020; Information for 2021

1. As you prepare for this school year in unprecedented conditions, it might be affirming to review the MOEC FAFSA completion report for July.
 - Compared to last year, MOEC schools are down 2.9% but that is similarly true at state levels.
 - MOEC schools increased completion by 1.1% in July; 122 students submitted their FAFSA, undoubtedly with support and encouragement from education institutions, as well as organizations like EducationQuest.
 - Compared to July 2019, seven schools have greater percentages of students who have completed the FAFSA: Bellevue West, CB Jefferson, DC West, Millard North, Bryan, South and Ralston.
 - Four schools passed the 60% completion mark: DC West, Elkhorn South, Millard West and Platteview.

2. Supporters at the (NE) state level are continuing to support FAFSA completion in the coming school year. Liz Koop, President and CEO of EducationQuest (lizk@educationquest.org) shared the following actions the organization is planning:
 - **FAFSA Media Campaign** – this fall, we will embark on a media campaign featuring a FAFSA video produced by Reliant Studios. The energetic video, slated for completion in early September, will feature high school students discovering the magic of the FAFSA – and college students emphasizing why to complete it and how easy it is. The video will air on Hulu, NET, and social media.
 - **FAFSA Landing Page** – The video referenced above will direct viewers to WhyFAFSA.org (currently under development) - a website landing page that will complement the video and further explain the important WHYs of completing the FAFSA. It will encourage students to take action *now* and direct them to our FAFSA resources.
 - **FAFSA 100% Completion Pilot** – Despite pandemic challenges, a few Nebraska high schools have agreed to be part of a pilot project this school year in which they will endeavor to have 100% of their seniors complete a FAFSA.
 - **Virtual Financial Aid Programs** – All EducationQuest Financial Aid Programs will be held virtually this fall giving *all* Nebraska students the opportunity to learn how to prepare for and complete the FAFSA.
 - **Virtual College Fair** – We will host a virtual college fair September 27-30 that will not only allow all Nebraska high school students to meet with college representatives but will also allow them to view a presentation on how to pay for college and complete the FAFSA.

3. A small group of MOEC representatives is meeting virtually next Wednesday, August 12, at 3:15 p.m. to consider the possibility of developing a (voluntary) curriculum unit (tied to state standards and providing resources) to support increased completion of FAFSA in MOEC high school courses. If any of our MOEC work group members would like to join the conversation, please let me know, and I will share the link.

4. Registration is now open for the 2020 NCAN (National College Attainment Network) National Conference, "[Marching Toward Equity: NCAN's 25th Anniversary Conference](#)." The conference will be completely virtual and

will offer workshop sessions, plenary sessions, and opportunities for networking. The conference will take place **Sept. 14-16**. Visit the conference [website](#) to learn more about the workshops and other sessions we'll be offering this year. Registration for the virtual conference is \$275 for NCAN members and \$350 for non-members* until **Aug. 30**. All conference sessions will be recorded and available on-demand for attendees. "Now more than ever, you need to be able to meet the needs of your students in this ever-changing world. NCAN recommends: ["Register](#) today to build the skills you need to help your students achieve their dreams of attaining a postsecondary degree."

Please let me know if there are additional ways that MOEC can support your work to help our students succeed.

NO ONE IS MORE QUALIFIED TO TALK ABOUT YOUR SCHOOL DISTRICT, YOUR COMMUNITY, AND YOUR NEEDS RELATED TO PROVIDING A QUALITY EDUCATION THAN YOU!

With your help, NASB is an advocate for public education and local school governance ... and YOUR collective voice in the Legislature

As NASB represents the state's 260+ member districts and ESUs, relationships and communication are the keys to the success of the Association's advocacy work. NASB advocates for the standing positions and legislative resolutions approved by delegates all from member boards at the annual NASB Delegate Assembly held in conjunction with the State Education Conference each November. It is here, and throughout the year where our focus is to work for and with you on all of the issues that impact public education.

Can YOU really make a difference? YES YOU CAN!

You are an elected official and a community leader. As a school board member, you are in an excellent position to educate and influence the legislative process, and are seen as a key resource on education policy for your district. We encourage all boards to include a legislative update as a part of each meeting, and to discuss/share key legislative information with key individuals in the community. Remember that advocacy is year-round, not just during the session itself. Bookmark the Government Relations page of www.NASBOnline.org for updates and information, and make sure to utilize NASB's *Legislative Notes*, summarizing all of the pertinent items related to public education in Nebraska. Another great resource is www.NebraskaLegislature.gov.

106TH LEGISLATURE, 2ND SESSION

School Boards Make Nebraska a Great Place to LIVE!

Through Leadership, Innovation, Vision and Engagement Nebraska's School Boards are making a difference for students across the state.

LEADERSHIP

NASB will provide leadership to groups, individuals, and organizations and facilitate efforts to improve student achievement.

INNOVATION

Through innovation of programs and services, NASB will add value for our members and generate revenue to support growth.

VISION

NASB will develop a vision with other groups, individuals, and organizations to address how we fund schools and provide opportunities to bring a quality education to all children.

ENGAGEMENT

With engagement of its board and members, NASB will provide opportunities for school boards to be advocates for public education.

Advocacy is on-going. Stay up to speed on the Legislature year-round.

- ✓ Become Familiar With Your Senator & Their Staff -- Don't take for granted the access we have as Nebraskans to our Senators & Federal Representatives. It is not like that everywhere. Take advantage of it! Be involved. Build the relationship. Be ENGAGED!
- ✓ Have a "legislative update" agenda item at each board meeting, and share key legislative information with your board, and your community.
- ✓ Pass board policy specific to how you deal with legislative issues.
- ✓ Utilize NASB's Legislative links, communication, the *Legislative Notes* newsletter, track specific bills, follow along on social media, and study the annual Advocacy Handbook.
- ✓ Reach out to NASB's Legislative Team, and/or a member of the NASB Legislation Committee. Attend the various Legislative Lunches throughout the year across Nebraska.
- ✓ Stay up to speed with your local newspaper, social media, senator emails/newsletters, etc.

ASK YOURSELF: WHAT ARE YOU DOING FOR YOUR DISTRICT/COMMUNITY?

THE LEGISLATURE NEEDS TO KNOW SCHOOL BOARD MEMBERS WANT TO BE INVOLVED!

NASB POSITIONS ENCLOSED

The Nebraska Association of School Boards is the only state organization created by school board members to represent the interests of school board members. Your Association's legislative agenda is initiated each year with the submission of local board proposals. The NASB Legislation Committee reviews all proposals, and then submits its recommendations to the NASB Board of Directors. The Board can then review and amend the submissions before presenting them to the NASB Delegate Assembly. The Delegate Assembly gives each member school district a voice in shaping the agenda of NASB. This publication represents the final agenda, set by the Delegate Assembly, for the 2020 Legislative Session. Standing Positions remain in effect until they are repealed by the Assembly. Legislative Resolutions are in effect for one year only.

WHAT DOES THIS REPRESENT?

The statements you read inside the pages of this book represent a set of belief statements which guide NASB's government relations efforts. These words guide our lobbying efforts at the State Capitol, with the State Board of Education and NDE, as well as with our representatives in Washington, D.C. While this work represents an effort to describe an issue or condition to be addressed, rarely is a bill written in such plain language. Actual legislative bills are a blend of several ideas (or perhaps a good idea, and a substantial price tag). Hence, when NASB analyzes how we will testify on a bill, we take into account a number of factors, including regular reviews by the Legislation Committee which offer guidance on the course corrections necessary to navigate the turbulent amendment process.

Nebraska demographics and student needs are dynamic, as are the changing education standards required to be competitive nationally and internationally. To

meet this challenge, fiscal policy would be built upon a broad base with the lowest possible rates to provide stability in the tax base and revenue stream, provide local government with the tools to generate adequate financial resources, yet equalize financial support among taxpayers, and assure the principle of uniform assessment. (prior to 1995, amended 2009)

(2007)

S-46 — STATE FUNDING SYSTEM

NASB supports a stable, predictable, equitable, and adequate statewide education funding system that honors the Legislature's commitment to provide for free instruction in the common schools of this state, as guaranteed by the Nebraska Constitution, by prioritizing education funding in the state budget, and that:

- Invests in the education of all Nebraska public school children;
- Establishes a state fund or funding mechanism that assists Nebraska public schools with the costs of maintaining and constructing facilities;
- Reduces our dependence on local property taxes by drawing revenue from multiple funding sources;
- Promotes the responsibility of locally elected school boards to make sound, transparent school budget decisions;
- Provides funding in a timely and predictable manner;

(prior to 1995)

S-50 — ALLIED SCHOOLS

NASB opposes legislation that would mandate the formation of an allied system of school districts. (2014, amended 2016)

S-51 — AMEND OPEN MEETINGS ACT FOR EVALUATIONS

NASB supports legislation to allow boards to go into executive session to discuss superintendent evaluations and/or for the narrowing down of superintendent candidates. (2017)

YOUR NASB STANDING POSITIONS

NASB supports governance of ESUs by elected boards and supports local determination of specific mechanisms of that governance. (2005)

S-56 — EDUCATIONAL SERVICE UNIT REORGANIZATION

NASB supports the continuation of ESUs as an effective means of delivering educational services to school districts and their students. Any reforms would provide for a statutory hold harmless provision in the distribution formula for Core Service funding when an Equity Unit reorganizes with any other ESU, and must be mindful of ESUs' essential role of delivering direct services and being responsible to the local school districts they serve. (2004, amended 2005)

S-57 — INTERACTIVE REMOTE COMMUNICATION TECHNOLOGY (TELEVIDEO)

NASB urges the legislature to provide updated rules and procedures so patrons are able to readily testify at legislative hearings via televideo (interactive remote communication technology) on a regular, ongoing basis to allow for a more equitable opportunity for the public to participate in the legislative process. (2017)

S-58 — ORGANIZATION

NASB opposes legislation that would mandate consolidation of districts or administration. NASB favors cooperation between school districts as well as ESUs to remove all barriers and penalties to promote orderly and voluntary reorganization into more efficient governing and administrative units to best serve the educational needs of Nebraska's children. (prior to 1995, amended 2008, 2015, 2017, amended 2019)

S-71 — STAFF DEVELOPMENT AND EVALUATION

NASB supports in-service training, enrichment programs, and continuing education for professional staff. S-78 — INDEPENDENT SCHOOL DISTRICTS
