Board of Education Building Mentor Plan

- Each Board member will have one building that they will mentor.
- Two Board members will have two buildings to mentor,
- Board Members will mentor buildings for a Semester and then rotate,
- An introductory meeting with the Board member, superintendent, and principal will be conducted to begin the mentor process and organize volunteer and mentor opportunities.
- The Board member along with the superintendent will attend at least one staff meeting during the semester to visit with the staff.
- The principal will include the Board member in their weekly communication to parents.
- The principal and Board member will organize support opportunities together.
