Ralston Board of Education Public Comment Procedures

The Ralston Board of Education appreciates the public's right to provide public comment. It is the practice of the Ralston Board to listen to the public comment, without discussion between the public and the Board. Should you have a question or ask for follow-up from the Board, the Board President or Chair of the meeting will direct the Superintendent to address the requests and provide additional information to you as appropriate. We ask that you refrain from personal comments about individuals and the use of vulgar or inappropriate language in addressing the Board.

The following will help guide the Public Comment agenda item at Board Meetings and Public Hearings:

1. Persons speaking during Public Comment will be called forward individually by the Board President or Chair to the location identified for such purpose.
2. The board will generally allow a total of 30 minutes for the presentation of all public comments. Individuals may only speak one time per topic and must limit comments to around three (3) minutes. In the event more than 10 individuals wish to address the board, the 30 minutes will be divided equally between the number of speakers. At the discretion of the Board President or Chair, speakers may be allotted additional time.
3. Each individual speaking to the Board will be required to identify himself or herself prior to giving public comment or when related business is on the agenda. A "Record of Appearance" card is provided for this purpose.
4. Persons wishing to appear will be heard in the order in which the Board President or Chair of the meeting determines appropriate.
5. In cases where more than one person wishes to speak on the same topic, their presentations to the Board may, at the discretion of the Board President or Chair, be grouped together by topic.
6. Persons speaking to the Board during public comment may make printed materials available to the Board but may not use any other form of media.

CAN YOU REALLY MAKE A DIFFERENCE? YES YOU CAN!

No one is more qualified to talk about your school district, your community, and your needs related to providing a quality education than you! With your help, NASB is an advocate for public education and local school governance ... and YOUR collective voice in the Legislature.

- NASB strives to serve its members to work as a team with legislators and state officials, to share the story of their district/ESU, to secure laws and regulations that benefit all of Nebraska's public schools, lobbying in support of your school board and local control.
- NASB is guided by a legislative agenda that is developed annually by YOU, initiated with submissions from YOU, and approved at the NASB's Delegate Assembly each November by YOU.

DID YOU KNOW: #weLIVEhere

79% of Nebraska's 1,700 locally elected School Board Members serve at or within 100 miles of where they graduated ... with 51% serving AT the district they graduated from. You are a locally elected official and a community leader. As a school board member, you are in an excellent position to educate and influence the legislative process, and are seen as a key resource on education policy for your district.

We encourage all boards to include a legislative update as a part of each meeting, and to discuss/share key legislative information within your community. Advocacy is year-round, not just during the session itself. Bookmark the Government Relations page of www.NASBOnline.org for updates and information, and make sure to utilize NASB's *Legislative Notes*, videos, NASB's Bills page and more, summarizing all of the pertinent items related to public education in Nebraska.

108TH LEGISLATURE, 1ST SESSION

The Nebraska Association of School Boards is the only state organization created by school board members to represent the interests of school board members.

Your Association's legislative agenda is initiated each year with the submission of local board proposals.

The NASB Legislation Committee reviews all proposals, and then submits its recommendations to the NASB Board of Directors.

The Board can then review and amend the submissions before presenting them to the NASB Delegate Assembly.

The Delegate Assembly gives each member school district a voice in shaping the agenda of NASB.

Standing Positions remain in effect until they are repealed by the Assembly.

Legislative Resolutions are in effect for one year only.

WHAT DOES THIS REPRESENT?

The statements you read inside the pages of this book represent a set of belief statements which guide NASB's government relations efforts. These words guide our lobbying efforts at the State Capitol, with the State Board of Education and NDE, as well as with our representatives in Washington, D.C.

While this work represents an effort to describe an issue or condition to be addressed, rarely is a bill written in such plain language. Actual legislative bills are a blend of several ideas (or perhaps a good idea, and a substantial price tag). Hence, when NASB analyzes how we will testify on a bill, we take into account a number of factors, including regular reviews by the Legislation Committee which offer guidance on the course corrections necessary to navigate the turbulent amendment process.

S-35 — FINANCING CAPITAL IMPROVEMENTS

NASB supports adequate funding for school districts and ESUs for maintenance or replacement of our rapidly deteriorating facilities. (1997, amended 2015)

S-36 — FISCAL POLICY

NASB believes the Governor and Legislature must work together to create fiscal policy that will adequately fund public education statewide based upon the needs of students and not driven by a pre-set allocation of funds for education regardless of need. Nebraska demographics and student needs are dynamic, as are the changing education standards required to be competitive nationally and internationally. To meet this challenge, fiscal policy would be built upon a broad base with the lowest possible rates to provide stability in the tax base and revenue stream, provide local government with the tools to generate adequate financial resources, yet equalize financial support among taxpayers, and assure the principle of uniform assessment. (1997, amended 2012, 2017, 2019)

S-39 — FUNDING: SCHOOL DISTRICT INFRASTRUCTURE, SITE PURCHASES AND BUILDING OPERATING EXPENSES

NASB supports legislation that would provide an alternative to property taxes for financing facility development, maintenance, and operation. (2003)

S-40 — GENERAL FUND RESERVE LIMIT EXCEPTION

S-48 — SPECIAL BUILDING FUND TAX LEVY EXCLUSION

NASB supports amending the Nebraska Statutes that address budgeting and spending lid restrictions to allow school districts the ability to utilize up to fourteen cents of the Special Building Fund tax levy outside of the budgeting and spending lid restriction so that districts can plan for and fund capital improvement projects, building repairs and upgrades, and school district infrastructure needs. (2007, amended 2020)

S-49 — STATE FUNDING SYSTEM

NASB supports a stable, predictable, equitable, and adequate statewide education funding system that honors the Legislature's commitment to provide for free instruction in the common schools of this state, as guaranteed by the Nebraska Constitution, by prioritizing education funding in the state budget, and that:

NASB supports a property tax assessment system that utilizes uniform accounting practices to determine the property valuation number from which local and state officials can calculate both the local resources available to fund schools from property taxes, and the resulting calculation of state aid payments to school districts. (2003)

S-51 — VOUCHERS AND TAX CREDITS

NASB opposes any attempt to amend or circumvent the Nebraska and United States Constitutions to permit the use of public funds for the support, either direct or indirect, of schools not controlled by the public at large. NASB opposes any state or federal legislation allowing either tax credits or vouchers for children, or the parents or guardians of children attending nonpublic schools, or donors to scholarship funds for non-public education. (prior to 1995, amended 2020)

GOVERNANCE & STRUCTURE

S-52 — ACCOUNTABILITY

NASB believes that boards of education are accountable to students, parents, taxpayers, and employees for providing education programs, striving for education excellence, identifying education needs, adopting clearly defined written policies, measuring the success of instruction programs, and interpreting and disseminating information to the public through a public relations plan. (prior to 1995)

S-53 — ALLIED SCHOOLS

NASB opposes legislation that would mandate the formation of an allied system of school districts. (2014, amended 2016)

S-54 — AMEND OPEN MEETINGS ACT FOR EVALUATIONS

NASB supports legislation to allow boards to go into executive session to discuss superintendent evaluations and/or for the narrowing down of superintendent candidates. (2017)

S-55 — AUTHORITY OF SCHOOL BOARDS

NASB supports the authority of boards of education to effectively govern and execute their statutory responsibilities. (1997, amended 2015)

S-56 — CHARTER SCHOOLS

NASB believes that any charter schools, or the like, involved with any aspect of K-12 education be authorized by a public school district, be located within the boundaries of such public school district and be accountable to the authorizing district for their student achievement, finances and operations. (1998, amended 2015)

S-57 — DUTIES OF SCHOOLS

NASB believes that the primary function of Nebraska schools should be the education of students and that the Legislature should be discouraged from placing duties on school districts which are not directly related to education. (prior to 1995)

S-58 — E-MEETINGS - FULLY-IMPLEMENTED OR PARTIAL ALLOWABLE ATTENDANCE

NASB supports legislation which allows for school board members to participate in school board meetings via electronic means while still maintaining a quorum when necessitated for the health and safety of the board and public. Virtual meetings cannot impede the public's ability to participate. (2020)

S-59 — EDUCATIONAL SERVICE UNIT GOVERNANCE

NASB supports governance of ESUs by elected boards and supports local determination of specific mechanisms of that governance. (2005)

S-60 — EDUCATIONAL SERVICE UNIT REORGANIZATION

NASB supports the continuation of ESUs as an effective means of delivering educational services to school districts and their students. Any reforms would provide for a statutory hold harmless provision in the distribution formula for Core Service funding when an Equity Unit reorganizes with any other ESU, and must be mindful of ESUs' essential role of delivering direct services and being responsible to the local school districts they serve. (2004, amended 2005)

S-61 — INTERACTIVE REMOTE COMMUNICATION TECHNOLOGY (TELEVIDEO)

NASB urges the legislature to provide updated rules and procedures so patrons are able to readily testify at legislative hearings via televideo (interactive remote communication technology) on a regular, ongoing basis to allow for a more equitable opportunity for the public to participate in the legislative process. (2017)

S-62 — ORGANIZATION

NASB opposes legislation that would mandate consolidation of districts or administration. NASB favors cooperation between school districts as well as ESUs to remove all barriers and penalties to promote orderly and voluntary reorganization into more efficient governing and administrative units to best serve the educational needs of Nebraska's children. (prior to 1995, amended 2008, 2015, 2017, 2019)

S-63 — PERSONAL LIABILITY

NASB opposes unnecessary laws which make individual members of a governing board of a political subdivision personally liable for damage judgements which result from lawsuits filed against the political subdivision. (prior to 1995, amended 2015)

S-77 — STAFF DEVELOPMENT AND EVALUATION
NASB supports in-service training, enrichment programs, and continuing education for professional staff. Regular evaluations of performance, competency in the subject areas, and demonstrated ability to instruct or manage, in part as shown through student performance, should be conducted to promote professional growth. S-79 — CHOICE AND AFFILIATION

NASB supports the concepts of choice and affiliation among public schools as a means to maximize education opportunity. NASB believes any such program should result in the least amount of disruption and uncertainty for the affected school districts. (1995)

S-80 — CONSTITUTIONAL RIGHTS & RESPONSIBILITIES

NASB, and school board members, fully supports the U.S. Constitution and the rights and responsibilities embodied within it. NASB therefore supports education and behavior that teaches and models expression of these rights and responsibilities. (2009, amended 2015)

S-81 — CORPORATE SPONSORSHIPS IN SCHOOLS

NASB opposes restrictions on school districts' ability to exercise their best judgment in entering into corporate sponsorship agreements. (2004)

S-82 — EDUCATIONAL SERVICE UNITS

NASB supports Educational Service Units as an effective and efficient means to provide educational services to local school districts. ESUs should be responsible to the local school boards they serve. (1997)

S-83 — GUIDING THE P-16 EFFORT: 21ST CENTURY SKILLS

NASB urges state and local policymakers to forge a new working relationship in redesigning Nebraska's public education system for the 21st century, with a focus on improving student achievement and holding each level of the system accountable, from preschool through post-secondary education or training, in a manner that:

- a) Promotes multi-level communication and interaction between all P-16 partners to enhance student academic success;
- b) Offers all students a rigorous developmentally-appropriate curriculum designed to provide opportunities and choice, regardless of the post-secondary path they choose;
- c) Engages the assets of the full community;
- d) Utilizes data and technology to individualize education for students and to incorporate new learning into the design;
- e) Closes the achievement gap by focusing on quality teaching and learning opportunities;
- f) Implements standards-based education fully in a seamless curriculum, so one level of the system builds on the next and the end result is known and understood from the beginning;
- g) Provides sufficient resources that are adequate and sustainable at every level of the system to meet the challenge, resisting unfunded or underfunded mandates; and
- h) Preserves the ability of local school boards and their communities to address local needs and challenges in a flexible manner using a variety of options.

(2009, amended 2016)

S-84 — INDEPENDENT SCHOOL DISTRICTS

NASB supports the independence of established PK-12 school districts and also supports the cooperation and equalization of opportunity among school districts within learning communities. NASB believes that any legislation introduced impacting school districts or learning communities should seek to give districts and learning communities equalized resources. Any legislation should also allow these independent districts to maintain their right to governance, district curriculum, and the allocation of resources. (2006, amended 2013)

S-85 — LOCAL CONTROL FOR PUBLIC PK-12 SCHOOLS

NASB believes public PK-12 systems should be organized to serve communities throughout Nebraska without arbitrary size limits or a single model, which would not fit our state's varied communities. NASB opposes legislating arbitrary size limits and will work to remedy such limits currently in statute. (2006, amended 2013)

S-86 — LOCAL DISTRICT ADVOCACY

NASB supports the right and obligation of local school districts to advocate for legislative action that impacts their individual interests. (1996)

NASB opposes attempts by the legislature to preempt the statutory authority of the Nebraska State Board of Education to be the policy-forming, planning and evaluative body for Nebraska schools. (2017)

S-88 — NONPUBLIC SCHOOLS STANDARDS

NASB believes that nonpublic schools should have the same state standards as the public schools, including school approval, accreditation, teacher certification and endorsement, and safety standards. (prior to 1995)

S-89 — POLICY LEADERSHIP & VISION ON THE FUTURE OF NEBRASKA'S PK-12 SCHOOLS

NASB supports efforts to bring policy makers of the executive and legislative branches, educators, school boards, learning community coordinating councils, and ESU boards, and citizens together to determine the best course for the future delivery of PK-12 education to the students of the state. NASB boards emphasize increasing student achievement through governance structures that are clear, efficient, and controlled by the local district. (2003, amended 2008, 2010, 2013)

ONE NEBRASKA

Prior to her election to the State Board of Education in November 2020, Patti Gubbels served on the Norfolk Board of Education, and was a member of the NASB Board of Directors, and the NASB Legislation Committee since 2016.

"The more that you read, the more things you will know. The more you learn, the more places you'll go."
Dr. Seuss

The State Board of Education has long realized the importance of learning to read. In 2002 the Board adopted a standing position related to Early Literacy that was revised in 2019.

More recently some state legislatures have passed early literacy or reading improvement bills. Mississippi, in 2013 passed the Literacy-based Promotion Act, a state led comprehensive approach to improve literacy outcomes that led to the state having the highest NAEP 4th grade reading scores in the nation in 2019.

The Nebraska Legislature, in 2018 passed the Nebraska Reading Improvement Act acknowledging how important learning to read is for academic and lifelong success. The overriding goal of the law, which was implemented in the 2019-2020 school year, was to make sure each student be able to read at or above grade level by third grade. The law required diagnostic assessments, development of individual reading plans for students deficient in reading, communication with parents, and evidence-based interventions.

To that end, the Nebraska Department of Education developed "Nebraska Reads" an NDE comprehensive early literacy website that not only supports the requirements of the Reading Improvement Act but also includes a wealth of reading/literacy resources such as read at home plans, a dyslexia guide, and professional development resources that build high-quality early literacy instruction skills based on the science of reading.

The science of reading is a body of multi-disciplinary research (research from cognitive and developmental psychology, education, and linguistics/communication) that focuses on understanding the cognitive processes that are necessary for effective reading and examines how reading develops. The science of reading has led to the development of evidenced-based instructional practices that work for literacy instruction. The five "big ideas" of science of reading based instruction are: Phonological/Phonemic Awareness, Phonics, Fluency, Vocabulary, and Comprehension. Phonemic awareness is the ability to work with spoken sounds in words, phonics is the ability to make sound-letter associations and to decode words, fluency is the ability to read accurately, quickly and with expression. Vocabulary is understanding the meaning of words, and comprehension is understanding what you have read.

Nebraska has made strides in training teachers on evidence-based reading practices, but the Nebraska Department of Education does not have the resources necessary to implement a comprehensive state-wide approach to improving literacy like those found in other states such as Mississippi and Tennessee.

To advance early literacy the NDE included in the 2023-2025 biennial budget request 20 million dollars over the next two years. Year one requests were to provide specialized training in reading instruction (LETRS training), to collaborate with Educator Preparation programs to implement science of reading instruction in college coursework and clinical experiences, and to provide high-quality early literacy instructional materials. Year 2 funding would have supported a state-wide network of reading coaches and funding for home-school partnerships focused on literacy development. Family engagement is a critical piece in the field of early literacy. Parents and caregivers afford children a literacy development advantage by reading to them and naming and defining concepts that children experience. The more words children know the definitions of before they formally begin learning to read, the less likely they are to experience cognitive overload as they read. Additionally, if children don't understand the meaning of the words they read, they cannot comprehend what they are reading. Dr. Seuss might have said "the more you know the more you can read."

One of the Nebraska State Board of Education legislative priorities is to Increase Language Arts Proficiency to 75% by 2030. Transforming early literacy instruction through the implementation of a state-wide comprehensive program is the approach to help reach that goal.

A step that the State Board has taken, with proposed Rule 20 Approval of Educator Preparation Programs is to set the expectation that educator candidates will possess literacy instruction skills based on "the science of reading".

The State Board of Education will continue advocating and working with senators to support requested funds, so the goal of the Reading Improvement Act that all Nebraska children are reading at or above grade-level by third grade can be attained.

One of the most impactful and cost-effective tools school board members have to raise K-12 achievement is quality early childhood education. Yet too many families in Nebraska do not have access to quality, affordable child care and early learning. NASB has joined **We Care for Kids** to change that.

We Care for Kids is a community-based, statewide effort to build support for quality early childhood education in Nebraska. With more than 65 community partners, the campaign connects families to resources, elevates the early childhood workforce by sharing their stories, and provides communication tools for networks and organizations to raise awareness, engage communities, and activate conversations.

As champions for education, you know first-hand the need for quality early childhood education and understand its impact on Nebraska's children, families, communities, school systems, and economy. Nebraska voters understand it too. A recent statewide public opinion survey of registered voters in Nebraska commissioned by Nebraska Extension and We Care for Kids found that nearly nine-in-ten support the state investing in ensuring more working families have access to quality, affordable child care and early learning. This support is across party lines.

The survey revealed that Nebraska is facing a child care and education crisis that is hurting families, employers, and Nebraska's reputation as a great place to live, work, and raise a family. The lack of quality, affordable child care and early learning is deemed to be a serious problem by nearly three-quarters of Nebraskans and is on par with housing and crime.

According to the Voices for Children Kids Count Report in Nebraska, 72% of Nebraska's children under age six live in homes where all adults work, yet 91% of counties in Nebraska with licensed child care programs do not have enough places to meet the demand—and 11 counties have no licensed child care.

Lack of quality, affordable child care and early learning is deemed to be a serious problem by nearly three-quarters of Nebraskans

Voters across party lines support Nebraska investing in access to child care/early learning for working families

Over 80% say Nebraska should support child care and early learning like the state does for K-12 education, make it a higher priority, and invest in solutions.

Nebraskans believe that more kids attending quality child care and early learning would help children, parents, and the economy a lot. Ninety-two percent believe it's an important part of keeping Nebraska a great place to live and raise a family.

The lack of quality, affordable child care and early learning impacts our communities and we have an opportunity to be part of the solution. Bring your voice to this issue. Become a campaign partner by reaching out to campaign manager, Kara Ficke, at kara@nebraskacaresforkids.org.

... ADVOCACY & GOVERNMENT RELATIONS

This year's Session is done, the work is not!
850+ bills & measures introduced
NASB followed roughly 110
Supported 31, Opposed 31

32 bills we followed were approved by the Governor directly, or amended into another bill.

Many bills passed this year will require a **POLICY CHANGE** by the board. Policies on option enrollment, dress code, and graduation requirements for example will require board review and/or action.

SCHOOL FUNDING has gone through a change as well. Foundation Aid will now be part of the formula in addition to an increase to 80% SpEd reimbursement. On the flip side, there are new caps on property tax requests.

A number of Interim Hearings for later this year have been introduced on topics like Truancy, School Choice, Parental Involvement, SEL, Mandates, Security, Equalization, Consolidation of ESUs, Early Childhood, and more.

20+/- SBMs have testified in front of a legislative committee for themselves, their district or on behalf of NASB!

CALL FOR PROPOSALS

NASB's Call for Legislative Proposals is due July 1 ... start thinking of items you and your board might like to submit.

Call Colby & Matt with questions any time!

... ALICAP & INSURANCE

Attention ALICAP Members!!!
Get registered for ALICAP's Summer Workshop! It's free to all ALICAP members. We need one person from each district to attend.

July 10th in Gering
July 11th in Kearney
July 12th in Lincoln

ALICAP's team is excited to see you in July!

Thanks, Megan!

... ENERGY PURCHASING

Much more natural gas is being used for power generation than just a few years ago. The extreme heat has pushed prices up this month while lowering the total gas in storage. Should we have a very hot summer this could have a major impact on prices going into winter, but that is still a long time forward. NJUMP and CJUMP are protected by having significant amounts of natural gas already hedged for the 2023-24 heating season.

... MEMBER ENGAGEMENT

It was wonderful to see so many members and business partners in Kearney last week! Wednesday was a beautiful day on the golf course. That evening we enjoyed live music and networking. Thursday was filled with great presentations from school attorneys, NDE staff, and NASB staff. Thanks for sharing your summertime with us!

Sharon visited O'Neill and Wheeler Central in the last month.

... POLICY

Section 126 (yes, 126) of the recently passed and lengthy LB705 requires districts to annually provide access to any "Federally Recognized Youth Organizations." Although this is a lengthy list of organizations, many do not have a presence in most Nebraska communities. Districts are allowed to set reasonable constraints on how this will operate in their schools and it should generally not create problems at this time. NASB can provide a list of the organizations currently approved by Federal law.

... DATA ANALYTICS

This will be a year of great changes in state assistance to local districts. The passage of LB583 will alter state aid, levies, and the relative financial situations of many districts with their neighbors. NASB can collect data and illustrate the financial situation in your district to help you better inform your Legislators of your district's financial challenges for next winter's Unicameral session.

Dear Ralston High School Students:

We are excited to welcome you to the 2023-2024 school year at Ralston High School! With a new school year comes new opportunities: to learn, grow, challenge yourself, and be your best self. Ralston High School prides itself on its many programs and offerings- both academic and extracurricular. We are a large, class-B high school in the middle of a vibrant metropolitan area. We strive to provide robust opportunities for our students while maintaining a smaller school environment where students are known by staff and feel connected to the greater school community.

Over the past years, Ralston students have excelled in every facet of our school. We have produced National Merit Finalists and state champions. Our graduates have garnered millions of dollars in scholarships through academics, athletics, and their talents in the arts. Students have earned countless hours of college credit through coursework at Ralston High School. Our alumni are prepared for their futures. We are proud of our academies and apprenticeship programs, where students graduate with the necessary skills to immediately enter the workforce in a skilled trade.

These opportunities are available to *ALL* of our students. As we begin the new school year, I challenge you to immerse yourself in the comprehensive high school experience that Ralston offers. Take advantage of the specialty programs and offerings. Get involved in our extensive extracurricular activities. There is a transactional element to high school; the more you put into it, the more you get out of it.

All students have the right to learn in the best possible learning atmosphere, and this is our focus every day. In order to provide the best school climate possible, certain rules and regulations are necessary. You will find the rules and regulations are reasonable, fair, and for the benefit of all students. Ralston High School is committed to providing every student the opportunity to reach their potential in a respectful and safe environment.

Students and parents are required to read this handbook carefully. It outlines the basic policies and regulations of Ralston Public Schools and Ralston High School. At times it may become necessary for the school administration to modify regulations under certain circumstances where adjustments are needed.

At Ralston High School, your voice matters. We want to hear from you. Please feel free to stop by the high school offices to address questions or concerns you may have, or to share your ideas on how we can make Ralston even better. We are eager to get to know each of you. Our number one goal is for each individual student to succeed at Ralston High School in each endeavor they choose to take on.

At Ralston High School we are proud of our rich traditions of excellence and pride, and excited about what our future holds! It's a great day to be a Ralston Ram.

HISTORY OF RHS

High school in Ralston had its beginning in September of 1953, with an enrollment of 110 students in grades 9-12 and a faculty of nine members. Because the building was not yet completed, seven classes were held in the Maywood Elementary School until midway through the first year. Dedication of the former high school, located at 82nd and Lakeview, was held on February 28, 1954. At that time, only the first floor of the west wing and the gymnasium were completed. The former high school now serves as Ralston Middle School. In 1968 the high school moved to its present location at 90th & Park Drive. The first senior class of 1954 had a membership of 16. Current enrollment is approximately 1000. Renovation construction began in 2002 and finished in 2005. ~~on the latest renovation project.~~ **Construction is underway on the new baseball and softball complex, and renovations included in the recent bond project are slated to begin summer of 2024!**

INSERT STATEMENT ABOUT GRADUATION DEADLINES

GRADING SYSTEM AND REPORTS

Ralston High School will operate an extended learning time schedule that consists of ~~terms~~ and semesters. It is important that students and parents understand the difference.

Quarter - consists of a 9-week period of instruction, and is used for progress monitoring only. Progress reports will be generated at the end of quarters 1 and 3.

Semester - consists of one 18-week term. A class that meets every other day is worth 10 credits and will last for a full year. There will be 5 credits awarded for a passing grade at the end of each semester.

The following is an explanation of Ralston High School's grading system:

A - Superior	90 - 100%	D - Below Average	60 - 69%
B - Above Average	80 - 89%	F - Failure	59% and Below
C - Average	70 - 79%	Inc. - Work to be made up	

Incomplete work must be completed within one week of the end of the term unless an administrator approves an extension more time. No incomplete grades may be given at the end of the second semester/term 4.

Running grades, progress reports and end-of-term/semester report cards are always available by accessing the **R-KIDS electronic gradebook at www2.esu3.org/dws/rhighschool**; therefore, mailings of these documents will no longer be automatically made. Parents may call to request a printed report card at the end of a given semester. Parents ~~should check the RHS homepage for dates that progress and end-of-term/semester report cards are available and~~ are urged to contact teachers whenever necessary. Mid-term semester progress reports will be available at the door during Parent-Teacher Conferences in terms 1, 2, and 3. Grades on end-of-term semester report cards become part of the permanent record.

Transcripts

Official transcripts of student records will be sent to requested institutions electronically and are issued at the request of the student or student's parent/guardian. ~~There may be a nominal fee associated with such requests, depending on the requesting college or agency.~~ Requests take time to process, so please make your requests well ahead of any deadlines. ~~Please contact a counselor for details on requesting official transcripts.~~ Requests for transcripts are fulfilled using the digital credential service Parchment which can be accessed at www.parchment.com.

GRADE POINT AND MARK POINT AVERAGES

Below is the Ralston High School Mark Point Average Table and an example of how Mark Point Average (MPA) can be determined for a single semester.

4 mark points	B	3 mark points
3 mark points	C	2 mark points

CLASS RANK

Class Rank will be determined by the weighted Grade Point Average of students and will be utilized by RHS for the purpose of graduation recognition and honors. GPA's are placed in a high-to-low numerical order, resulting in a ranking of all students for that grade level. **Combined Rank Mark Point Average (MPA)** is a high-to-low listing of a student's weighted GPA multiplied by total mark points attempted. ACT Rank (ACRS: Academic Class Ranking System) is a high-to-low listing of a student's ACT score + unweighted GPA x 9 + (earned credits/semester). Weighted GPA Rank (SCRS: Scholastic Class Ranking System) is a listing of a student's weighted GPA in a high-to-low numerical order. Weighted GPA is computed by dividing a student's total mark points by the number of credits attempted.

ACADEMIC HONORS AND LETTERS

ATTENDANCE EXPECTATIONS AND PROCEDURES

COMPULSORY / REQUIRED ATTENDANCE AND EXCESSIVE ABSENTEEISM / TRUANCY

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy. ([Board Policy 5001](#))

ATTENDANCE CLASSIFICATIONS

Ralston High School recognizes the importance of consistent attendance in order for students to be successful. Ralston High School utilizes a block schedule and missing a day of school means that students lose approximately 1½ hours of instruction per class. In addition to the state requirements, when a student reaches ten (10) absences (excused or unexcused) an attendance letter will be mailed home to parents.

Those students who are hospitalized or who suffer from debilitating illness and are under a doctor's care and ordered not to attend school are ~~encouraged~~**required** to provide the attendance secretary with written documentation from their healthcare provider to that effect.

Absences from class due to suspension are not considered part of the absence limitations. Students who are participating in or attending school-sponsored activities are considered present at school, and class absences incurred as a result of participation in or attendance at school activities do not count toward stated limits.

Activity/Athletic Absence

School sponsored activities are those where a student is on an official roster or participation list. Students engaged in school sponsored activities will be counted present at school. Completed permission forms must be turned into the sponsor one day prior to the activity.

Activity/Athletic Participation

Please refer to the Athletic/Activities section found later in the student handbook regarding participation in practices and/or performances when there is an absence during the day (see the Activity and Athletics sections starting on page 49). **ADD THIS STATEMENT**

Appointments During the School Day

Parents/Guardians must call the attendance line in advance if their student needs to leave during the school day for an appointment. Written notes will not be accepted. In order to minimize classroom disruptions and expedite the student's release from class, such a call should be made with **at least one hour's advance notice** of the time the student needs to sign out to leave the building. In order for the absence to be excused the student must provide medical documentation or other information to document the appointment. The attendance line is available 24 hours a day with voice mail in English and Spanish at 402-763-4100.

College Visits for Seniors

Seniors are urged to visit colleges during vacations or teacher instructional prep days. Parents/Guardians of seniors who wish to visit a college on days when school is in session must call in advance to inform the school in order to be excused. Contact should also be made with students' teachers so arrangements can be made in advance for collecting and completing homework during such an absence. See "Make up work due to absence" for further information.

Discontinuing Enrollment - 16 and 17 Year Old Students

Only children who are at least 16 years of age may be disenrolled from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request and submit it to the superintendent using the form which is attached to this policy. The district will follow the procedures outlined on the attached form in considering requests to disenroll. (<https://www.education.ne.gov/aded/pdfs/NebraskaWithdrawalFromMandatoryAttendanceForm.pdf>) ([Board Policy 5001](#))

Lunch Skips

A "lunch skip" is when a student who is not a senior with off-campus lunch privileges leaves the building without a parent or guardian physically coming into the attendance office and signing them out. Students who skip lunch may have consequences/interventions assigned such as car/bag searches, loss of privileges, detention(s), support group, suspension, up to mandatory reassignment from Ralston High School.

Students who have permission to leave campus for lunch (seniors with open lunch or those with *pre-arranged* appointments/parent pick-up) are expected to be on time for class following the lunch period.

Prearranged / Extended Absences

Parents/Guardians must call the attendance office in advance of a planned extended absence from school, or as soon as possible in an emergency situation. Written notes will not be accepted. The attendance line is available 24 hours a day with voice mail in English and Spanish at 402-763-4100. Contact should also be made with students' teachers so arrangements can be made in advance for collecting and completing homework during such an absence. See "Make up work due to absence" for further information.

Students who need to miss the last 3 days of any term need to have administrative pre-approval in order to make up any missed final exam.

State Meet and Tournament Absences

Students wishing to attend a state meet or tournament must have a parent/guardian call and give permission unless otherwise directed. Students are expected to keep up with any class assignments missed and are responsible for making arrangements with their teachers in advance for collecting and completing homework for such absences. See "Make up work due to absence" for further information.

Unexcused Absences/Class Skip

Students are expected to attend all of their classes each day unless excused by a parent/guardian or the student is on a school-sponsored activity. Students who miss class unexcused (class skip) will be subject to consequences/interventions such as car/bag searches, loss of privileges, homeroom intervention, detention(s), suspension, loss of class credit, up to mandatory reassignment from Ralston High School.

REPORTING ABSENCES

When a student is absent from school, a parent or guardian of that student must call the school attendance number (402-763-4100) by 8:30 a.m. on the day of the absence. Failure to call will result in the absence being recorded as unexcused. **The absence will remain unexcused unless the parent/guardian calls the school by 3:00 p.m. of the school day following the day the absence occurred.** **NOTES WILL NOT BE ACCEPTED.** Messages can be left 24 hours a day on voice mail.

TARDY PROCEDURES

Punctuality is a life skill valued by employers and society at large. In order to minimize disruptions to learning and to help students learn lifelong skills, Ralston High School expects students to be on time for school and on time for individual classes.

1. Students who are tardy to class will be marked accordingly by the teacher in attendance.
2. Any student who is more than 20 minutes late to a class period will be required to check in with the attendance office to receive an office pass to class.
3. Parents will receive frequent communication as students accumulate tardies to classes.
4. Tardies to classes will be handled in the following way

- Each time the student is tardy the teacher will conference and problem solve with the student. Teachers may assign consequences.
- Parent/Guardian listed as the primary contact will receive an email alert informing them of the tardy.
- Consequences may include loss of privileges, detention(s), suspension, and/or mandatory reassignment from Ralston High School will be assigned to students who accumulate multiple tardies to classes within a term semester.

During those times, students with open campus or release privileges MUST ATTEND CLASSES ACCORDING TO THE ALTERED SCHEDULE. Failure to do so may result in disciplinary action up to and including loss of the release privilege.

CLOSED CAMPUS

Ralston High School operates as a closed campus with the following exceptions that are explained in further detail in the sections below: • Senior Open Lunch, • Senior Open Campus, • Release Period

Those students who have permission to leave campus but choose to remain during their release periods are expected to report by the tardy bell and remain for the period to the library.

Students may lose their privilege to leave the building and grounds for loitering in classrooms, the hallways, restrooms, commons, etc. or for other disciplinary reasons at the administration's discretion.

Requirements for ALL Release Privileges

Please note: Seniors must be enrolled in 3 of 4 class periods per day. (WIN time is expected of all students in addition to the 3 class periods) in order to be eligible for ~~many~~ commencement honors, ~~many~~ scholarships, college admissions and/or varsity athletic participation. ***It is ultimately the student and parent/guardian's responsibility*** to ensure the student is enrolled in and participating in the number of courses required for these purposes. Seniors on track for graduation may have one open period per ~~term~~ semester with the approval of the counselor. ~~Seniors in good academic standing who have met graduation requirements can apply for an additional open period through the office of the principal.~~

Senior-only Open Lunch

Due to Federal lunch regulations, students who leave campus for lunch may not bring food or drinks back to the building from area establishments. DISCIPLINE, STUDENT ([Board Policy 5035](#))

Administrative and teaching personnel may take actions regarding student behavior, other than those specifically provided in this policy and the Student Discipline Act, which are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include, but need not be limited to, counseling of students, parent conferences, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. Disciplinary consequences may also include in-school suspension, Saturday School, and any other

consequence authorized by law. District administrators may develop building-specific protocols for the imposition of student discipline.

In this policy, references to "Principal" shall include building principals, the principal's designee, or other appropriate school district administrators.

Any statement, notice, recommendation, determination, or similar action specified in this policy shall be effectively given at the time written evidence thereof is delivered personally to or upon receipt of certified or registered mail or upon actual knowledge by a student or their parent or guardian.

Any student who is suspended or expelled from school pursuant to this policy may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be determined on a case-by-case basis by the principal of the building to which the student is reassigned.

Short-Term Suspension

The Principal may exclude students from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

1. Conduct constituting grounds for expulsion as hereinafter set forth; or,
2. Other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff of the school, that occur on or off school grounds, if such conduct interferes with school purposes or there is a connection between such conduct and school.

The following process applies to short-term suspension:

1. The Principal shall make a reasonable investigation of the facts and circumstances. Short-term suspension shall be imposed only after a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
2. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what they are accused of having done, be given an explanation of the evidence the authorities have, and be given an opportunity to explain the student's version of the facts.
3. Within 24 hours or such additional time as is reasonably necessary following the suspension, the Principal will send a written statement to the student, and the student's parent or guardian, describing the student's conduct, misconduct or violation of the rule or standard and the reasons for the action taken. An opportunity will be given to the student, and the student's parent or guardian, to have a conference with the Principal ordering the short-term suspension before or at the time the student returns to school. The Principal shall determine who, in addition to the parent or guardian, is to attend the conference.

4. Students who are short-term suspended will be given the opportunity to complete classwork including but not limited to examinations or other forms of student work showing academic progress.

Emergency Exclusion

Students may be emergency excluded from school pursuant to the board's separate policy on emergency exclusion or state law.

Weapons and/or Firearms

Students may be disciplined for the possession of weapons and/or firearms pursuant to the board's separate policy on weapons and firearms or state law.

Long-Term Suspension

Students may be excluded by the Principal from school or any school function for a period of more than five school days but less than twenty school days (long-term suspension) for any conduct constituting grounds for expulsion as hereinafter set forth. The process for long-term suspension is set forth below.

Such action may be modified or terminated by the school district at any time during the expulsion period.
2. **Summer Review.** Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise the student may be readmitted by action of the Superintendent.
3. **Suspension of Enforcement of an Expulsion:** Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such

suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which the school district deems appropriate.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

Extension of Exclusion

In the event it is appropriate to consider the extension of an emergency exclusion (exclusion) of a student for more than five school days. Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for five school days on an emergency basis. If the superintendent or superintendent's designee determines that it is appropriate to consider the extension of an exclusion beyond five days, such consideration shall be considered according to the procedures set forth below.

Notification of Student's Parent(s) or Guardian(s). The superintendent or the superintendent's designee shall notify the student's parent(s) or guardian(s) that the principal has

proposed the extension of the exclusion. If the initial notice is oral, the superintendent shall confirm it in writing.

The student's parent(s) or guardian(s) may submit an oral request for a hearing on the proposed extension of the exclusion within two school days of receiving the initial notice. If the initial request for a hearing is oral, they shall confirm the request in writing.

Failure to Request a Hearing. If the parent(s) or guardian(s) do not request a hearing within two school days of receiving oral or written notice, the proposed extension of the exclusion shall automatically go into effect.

Appointment and Qualifications of a Hearing Examiner. If the parent(s) or guardian(s) request a hearing, the superintendent shall appoint a hearing examiner upon receiving a request for a hearing. The hearing examiner may be any person who did not bring charges against the student, is not to be a witness at the hearing, and has no involvement in the charge.

Hearing Examiner's Notice to Parent(s) or Guardian(s). The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within five school days after the school district receives the initial oral or written request; provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.

Continued Exclusion. If a hearing is requested, the principal may determine in their sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the superintendent.

Examination of Student's Records and Affidavits. Prior to the hearing, the student and his/her parent(s) or guardian(s) shall have the right to examine and have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.

Attendance at Hearing. The hearing may be attended by the hearing examiner, the principal (or designee), the student, and the student's parents or guardian(s). The student may be represented at this hearing by a representative of the family's choice.

Student's Witness(es). The student and their parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. If school personnel or other students are requested to testify by the student's parent(s) or guardian(s), the hearing officer shall endeavor to help obtain the presence of such witnesses at the hearing.

Right to Know Issues and Nature of Testimony. The student and their parent(s) or guardian(s) have the right to request in advance of the hearing the issues which the administration will propose in support of the extension, and the general nature of the testimony of any administrative or expert witnesses.

Presence of Student and Witnesses at the Hearing. The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in his/her own defense and may be questioned on such testimony, but may choose not to testify.

Sworn or Affirmed Testimony. The principal or their designee shall present evidence supporting the recommended extension of the exclusion. Witnesses will give testimony under oath of affirmation, and may be questioned.

Hearing Examiner's Report and Recommendations. The hearing examiner shall prepare a report of their findings and recommendations, and forward the report to the superintendent.

Superintendent's Decision. The superintendent will review the hearing examiner's report and determine whether to extend the exclusion. They shall have the decision delivered or sent by registered or certified mail to the student, the student's parent(s), or guardian(s). If the superintendent decides to extend the exclusion, the extension will take effect immediately.

ELECTRONIC DEVICES

Our primary concern is the academic success of students since the misuse of electronic devices can interfere with student learning. We also understand the need for parents to occasionally contact their student; however, it is best to call the office and a note will be sent to the student. **Students are not allowed to check their device or respond to parent contacts during class time. Students are not allowed to have headphones in their ears during class time, as it distracts from learning and teaching. Students will be required to keep phones all non-school issued electronic devices turned off and in backpacks or turned into the phone holder-lockbox in the classroom upon entering. Students may not keep phones on their desks, in their pockets, or on their laps. Phones can be used inappropriately as tools for cheating, and this ensures all students have a fair and equitable experience.** The following rules will govern the use of electronic devices at the high school:

1. Students must follow the school electronic policy as stated above. Staff may confiscate electronic devices and or headphones if students fail to comply with those expectations. Students who refuse to turn their electronic devices over to the teacher will be sent to the administrator's office and a parent will be contacted.

Any student found to be in possession of obscene, pornographic, lewd, or otherwise illegal images or photographs will be promptly referred to law enforcement and/or other state or federal agencies, which may result in arrest, criminal prosecution and possible inclusion on sex offender registries.

EXPECTATIONS OF COMPLIANCE

It is the expectation that all students follow the explicit directives of the school staff. Any student who willfully disregards directives is subject to disciplinary action.

It is also the expectation that students will engage respectfully and answer direct questions from staff members. Students who fail to properly identify themselves to staff members when asked are demonstrating noncompliance.

Students who ignore directives or are non-compliant will be subject to consequences up to and including mandatory reassignment from Ralston High School.

FIGHTING

Fighting (verbal or physical) or instigating a fight will not be tolerated. Being involved in a fight may result in consequences up to and including reassignment/expulsion and legal authorities being involved.

FIRE AND DISASTER DRILLS

We at Ralston High School take the safety and security of our students and staff very seriously. As a result, we have instituted a safety plan that we feel will be very beneficial in the event that an emergency situation would occur at any of our schools. Included below, you will find a web link for the safety system referred to as the Standard Response Protocol or SRP. The SRP system has been incorporated into several school districts in the Omaha Metro area. Currently all Sarpy County schools have implemented some form of SRP into their current safety plans as well as some Douglas County schools.

At RHS we will practice evacuation drills, sheltering in place drills, and lockdown/lockout drills over the course of the school year. We provide this information to you so you have knowledge of our plan and have an idea of how our school will respond in the case of an emergency.

We also have included a listing of our reunification site in case we would need to evacuate RHS. While we hope that these plans will not have to be used, we will continue as a school to prepare as best we can for an emergency event.

Reunification Plan for Ralston High School

In the event of an emergency that would require the evacuation, RHS students and staff would report to the reunification sites listed below. If an emergency were to occur we would attempt to communicate with our parents through the use of our mass call/email/text program to provide updates along with instructions on how best to help us navigate the emergency. We will need to account for each student during the time of reunification, please prepare yourself mentally that there will be a check-out procedure for each student that we will run as efficiently as possible. While we hope that we will never have to use this reunification plan, we feel that preparation is the key to best managing an emergency event.

BULLYING (Policy 5054)

Definition of Bullying. The Centers for Disease Control and Prevention defines bullying as "any unwanted aggressive behavior(s) by another youth or group of youths who are not siblings or current dating partners that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated." Nebraska statute defines bullying as "an ongoing pattern of physical, verbal or electronic abuse." The District's administrators are authorized to use both of these definitions to determine whether any specific situation constitutes bullying. Both of these definitions include both in-person and cyberbullying behaviors.

Bullying Prohibited. Students are prohibited from engaging in any form of bullying behavior.

Disciplinary Consequences. The disciplinary consequences for bullying behavior will depend on the frequency, duration, severity and effect of the behavior.

A student who engages in bullying behavior on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or their designee, or at school-sponsored activities or school-sponsored athletic events may be subject to disciplinary consequences including but not limited to long-term suspension, expulsion, or mandatory reassignment.

Without limiting the foregoing, a student who engages in bullying behavior that materially and substantially interferes with or disrupts the educational environment, the district's day-to-day operations, or the education process, regardless of where the student is at the time of engaging in bullying behavior, may be subject to discipline to the extent permitted by law.

Sexual Discrimination and Sexual Harassment of Students (Policy 5026)

- I. Sex Discrimination
 - A. The district prohibits discrimination on the basis of sex in any educational program or activity except when it is necessary to accomplish a specific purpose that does not impinge upon essential equality or fairness in the treatment of students or employees. Employees are required to comply with this policy as well as with Title IX of the Education Amendments of 1972 and the regulations of the U.S. Department of Education as applicable to this district.
 - B. Any individual who believes they are being discriminated against on the basis of race, color, national origin, sex (including pregnancy), gender identity, gender expression, sexual orientation, religion, marital status, disability, age or any other classification protected by applicable local, state, or federal laws may seek relief by filing a complaint pursuant to the board's complaint policy or contacting the district's Title IX coordinator.
- II. Sexual Harassment
 - A. Students should be provided with an environment that is free from unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct constituting sexual harassment. The board of education unequivocally prohibits sexual harassment of its students, even when the affected student does not complain to the faculty or the administration.

- B. Sexual harassment is a form of misconduct that wrongfully deprives students of their dignity and the opportunity to study and be in an environment free from unwelcome sexual overtones. Sexual harassment includes all unwelcome sexual advances, requests for sexual favors and other such verbal or physical misconduct. Sexual harassment means:
 - C. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical misconduct of a sexual nature constitutes sexual harassment when such conduct has the purpose or effect of unreasonably interfering with an individual's educational opportunities or creates an intimidating, hostile or offensive learning environment.
 - D. A student who feels they have been sexually harassed should directly inform the offending student that the conduct or communication is offensive and must stop. If the student does not wish to communicate directly with the offending student, or if direct communication has been ineffective, the student should report the conduct or communication to the Title IX coordinator or to a teacher, principal or counselor with whom they feel comfortable.
 - E. Retaliation against students who make good faith reports of sexual harassment is prohibited.
- III. Disciplinary Decisions
- A. A decision to take disciplinary action under this policy may be based on the statements of a complaining student, statements, observations of educators, or any other credible evidence.

 - C. Any student who sexually harasses another student will be subject to discipline up to and including expulsion, depending on the severity of the misconduct, as established in the district's student discipline policy.

HEALTH SERVICES AND REGULATIONS

MEDICAL

A school nurse or health aide is available at all times during the school day. If a student is not feeling well during school hours they should:

-Tell the teacher and obtain a pass to the Health Office, you must have a pass to go to the Health Office. Please do not go to the Health Office during passing periods.

-When, because of illness or injury to a student, it becomes inadvisable for the student to remain in school, a parent/guardian will be contacted by telephone and requested to come to school to pick up their student. If a parent/guardian can not be contacted, the emergency number that has been furnished to the school will be used. The person picking up the student must do so **within one hour of being contacted.**

-If parent/guardian/emergency contact can not be contacted and it is the opinion of the school officials that further medical aid is needed immediately, a rescue squad will be called, at the parents' expense, and the student will be transported to the nearest hospital.

-Under no circumstances will an ill or injured student be allowed to leave school on their own without parental permission.

FIRST AID

The school attempts to provide a safe environment for your child. First aid will be administered

when appropriate. Any treatment beyond first aid is the responsibility of the parents.

IMMUNIZATIONS

Nebraska School Law (79.217-223) requires that all students be immunized against diphtheria, pertussis, tetanus, poliomyelitis, measles, rubella, mumps, Hepatitis B, and 2 doses or year of infection for Varicella **PRIOR TO ENROLLMENT**. Affidavits for religious or medical reasons are available in the school office.

All students will need to have on file at least 3 DTP, 3 Polio, and 2 doses of MMR (Measles, Mumps, and Rubella) immunizations; 3 doses of pediatric hepatitis B vaccine, or, if the alternate hepatitis B vaccination schedule is used, 2 doses of a licensed adult hepatitis B vaccine specified for adolescents 11-15 years of age, 2 doses or year of infection for varicella (chickenpox).

Kindergarten, seventh grade and all out-of-state transfer students are required to have dates on file for the following immunizations: 3 DTP, 3 Polio, 2 MMR, 3 Hepatitis B, 2 doses or year of infection for varicella (chickenpox). 7th Graders are required to have an additional Tdap booster (contains Pertussis booster).

Please review your child's records to make sure your child has obtained the needed immunizations prior to enrollment. Please check with your child's physician or contact the Douglas County Health Department for information on immunization clinics that are available (444-7213). You may also contact the school nurse if you have questions regarding the law or need assistance in getting your child's immunizations.

Nebraska School Law dictates that your child will not be able to enroll unless dates of immunizations are provided to the school at the time of enrollment.

MEDICATION

Administering Medication to Students

Whenever possible, parents should arrange medication schedules to eliminate the need for giving medication during school hours. When it is necessary for school personnel to administer medication to students, the school district will comply with the Nebraska Medication Aide Act, the requirements of Title 92, Nebraska Administrative Code, Chapter 59, (promulgated by the Nebraska Department of Education and entitled Methods of Competency Assessment of School Staff Who Administer Medication), and all state and federal regulations. Parents and guardians who wish to have their child receive medication from school personnel must comply with the following procedures:

1. Prescription medication

- a. Parents/guardians must provide a physician's written authorization for the administration of the medication.
- b. Parents/guardians must sign an Authorization for Medication form provided by the school.
- c. The medication must be brought to school by a responsible adult in the prescription container and must be properly labeled with the student's name, the physician's name, and directions for administering the medication.

2. Nonprescription/over-the-counter medication.

- a. Parents/guardians must provide a physician's written authorization for the administration of the medication. These include, but are not limited to, pain relievers, cold medicine, allergy medicine, etc..
- b. Parents/guardians must sign an Authorization for Medication form provided by the school.
- c. The medication must be brought to the school by a responsible adult in the manufacturer's

container, and will be kept in the Health Office.

d. The container must be labeled with the child's name and with directions for provision or administration of the medication.

The district reserves the right to review and decline requests to administer or provide medications that are not consistent with standard pharmacological references, are prescribed in doses that exceed those recommended in standard pharmacological references, or that could be taken in a manner that would eliminate the need for giving them during school hours. The district may request parental authorization to consult with the student's physician regarding any medication prescribed by such physician.

At the end of the school year, if there is any medication leftover, a responsible adult must pick this up from the Health Office. Any medication left after the school year has completed, will be properly disposed of.

The district will not purchase, prescribe, or provide any form of medication to any student.

The district will stock and use naloxone, when necessary in accordance with policy 3051.

PHYSICAL EXAMINATIONS

The State of Nebraska requires a birth certificate and evidence of a physical examination by a qualified physician for all incoming kindergartners, seventh graders, and all out-of-state transfer students.

Kindergarten students are required to have an eye examination by a qualified medical professional prior to enrollment.

Evidence of a physical examination must be dated no more than six months prior to entrance, and must be on file prior to the first day of school. **This is a state law.**

If there is an objection to a physical examination, a refusal form must be signed and dated at the school by the parent/guardian.

CHRONIC CONDITIONS

It is the parent/guardian's responsibility to notify the school health office of any chronic conditions that students may have including, but not limited to, asthma, allergies, diabetes, heart conditions, lung conditions, or seizures. The school may require a physician's order for treatment or a signed emergency action plan to assist staff in managing these chronic conditions at school. Also very important, is to keep the school notified of any changes in the student's condition.

COMMUNICABLE DISEASES

The School District of Ralston will use the communicable disease regulations set up by the State of Nebraska and local Health Departments concerning children with communicable diseases and their attendance at school.

SUMMARY OF COMMUNICABLE DISEASES AND CONTAGIOUS CONDITIONS

Fever

Children will be sent home if they have a fever of 100 degrees or higher. ~~Children must be fever free for 24 hours prior to returning to school with no medication given.~~ Students must stay home the entire next day before returning. For example, if a student is sent home with a fever on Monday, they must stay home all of Tuesday and are able to return Wednesday.

Vomiting

Children will be sent home if they vomit due to illness. ~~Children must be free from vomiting for~~

~~24 hours prior to returning to school.~~ Students must stay home the entire next day before returning. For example, if a student is sent home on Monday, they must stay home all of Tuesday and are able to return Wednesday.

Chicken Pox - By direct contact and airborne spread.

Approximately 2 weeks, but may be as long as 3 weeks, after exposure a susceptible person may be expected to "break out" with their first crop of blister-like eruptions. New eruptions can be expected to continue for 3-4 days. Students will be excluded from school for 7 calendar days, starting from the time of the first eruption. Due to the degree of severity, the student may stay out of school longer. Students may be sensitive to their appearance even when they are no longer contagious, causing their absence to be longer than 7 calendar days. Secondary infections after apparent recovery may occur. Cellulitis (skin disorder) and Bacteremia (blood poisoning) are the most common kinds of secondary infections. Complications as described below with measles may also occur.

Measles - (Rubella, Red or Hard Measles) By direct contact, droplet spread and less commonly by airborne spread.

Approximately 10 days after exposure a susceptible person may develop a fever. Within 2-3 days a red blotchy rash will develop, usually starting on the face and neck and becoming generalized. A dry, hacky cough will develop at the same time. This is a serious disease. Students are excluded from school until the 7th day after the initial appearance of the rash. Parents should be cautioned not to send children back to school too soon as complications such as ear infections leading to hearing loss, decreased visual acuity, pneumonia, and encephalitis are not uncommon.

Mumps - By direct contact and droplet spread.

Approximately 18 days after exposure a susceptible person may develop a fever and swelling or tenderness of one or more salivary glands. Students are excluded from school for 9 calendar days from the onset of swelling; complications may occur as above plus some including reproductive organs.

Rubella - By direct contact and droplet spread, may be airborne. (German or 3-day Measles)
Approximately 18 days after exposure a susceptible person may suffer from a low-grade fever, headache, feeling sluggish and cold-like symptoms. Most victims will manifest a rash. Diagnosis may be difficult if a rash is not present. Students should be excluded for 5 calendar days after onset of rash. This disease is highly contagious, but usually mild.

Impetigo, Scabies, and Ringworm

To be excluded from school upon recognition. To be readmitted when there is no longer evidence of contagion, or upon a written statement from the physician or phone call from the doctor's office indicating that the condition is under treatment and no longer considered contagious.

Pediculosis - (Head lice)

To be excluded when live vermin and/or eggs are present. To be readmitted the morning after treatment is started. Treatment consists of lice shampoo and nit comb. Eggs must be removed prior to the child returning to school. All family members and close contacts that attend school may be inspected by the nurse.

Pinkeye

To be excluded from school upon recognition. May return with a written doctor's statement or phone call from the doctor's office after prescribed treatment or when the eye is normal in appearance.

Fifth Disease

To be excluded upon recognition. May return with a written doctor's statement or phone call from the doctor's office. Characteristically begins on the face and classically produces an intensely red "slapped cheek" appearance. A lace-like rash may appear on the trunk and upper extremities.

~~DUE TO COVID-19, THERE MAY BE CHANGES TO CURRENT PRACTICES AS WE GET CLOSER TO THE UPCOMING SCHOOL YEAR.~~

HOMEROOM

Each student will be assigned to a Homeroom led by a certified teacher. All students are expected to report to Homeroom. The homeroom groups will meet regularly once a week for activities that include, but are not limited to: character development and career planning curriculum, team-building activities, "housekeeping" activities such as announcements and voting (class officers, dance royalty, etc.), ~~and registration for the following year's courses.~~ Attendance is required for homeroom as it would be for any other scheduled class and consequences assigned accordingly for tardies and/or failure to attend.

IDENTIFICATION CARDS

All Ralston High School students will be issued a digital ID Card (~~students who do not have a cell phone can be issued a physical card~~). The unaltered ID card will be used for student identification, activity card status, lunchroom account use, library use, and other general purposes at school and school events. These pictured cards will be issued at no cost. All ID Cards are the property of RHS and are kept by the student until the end of the school year.

All students must have the ID Card in their immediate possession when they are in school or at school events. ~~This may include hanging from a lanyard worn around the neck, in a purse or wallet, or in the student planner or notebook.~~ Students must present their ID when requested to do so by a staff member. Students without an unaltered ID Card or students refusing to show an ID Card to a staff member may be referred to the office for administrative disciplinary action.

Students will be expected to show their ID at the security camera when requesting access to secured doors during the school day. Students will also be expected to use their ID in the cafeteria. Those who fail to carry their ID card when entering the cafeteria will be expected to wait at the end of the line and utilize a specified checkout station so identity can be verified prior to funds being charged. Students who have their ID will be allowed to access the serving area first and scan their cards at checkout stations for faster service.

Lost ~~physical ID~~ cards should be reported to the main office and a replacement will be issued for a charge of \$5.00. ~~New lanyards can be purchased for \$1.00.~~

The use or possession of any tobacco products, including cigarettes, cigars, or other tobacco or tobacco derivative products; vapor products or electronic nicotine delivery systems; alternative nicotine products; or any other such look-alike or imitation product, is not permitted on school property at any time (Policy 3016).

Any student caught in violation of this policy may be assigned consequences up to and including mandatory reassignment from Ralston High School. Additional disciplinary action may be invoked for students involved in extracurricular activities or athletics (refer to the activities/athletic portion of the handbook).

POSSESSION OR USE OF ALCOHOL AND/OR OTHER DRUGS (Policy 5035)

POSTERS & SIGNS ~~and PUBLICATIONS~~

A sponsor and an administrator must approve all posters and signs ~~and publications~~ before they can be displayed or distributed. Display areas are provided. ONLY painter's tape may be used to hang posters in the building.

R-KIDS

Parents are encouraged to monitor their student's progress. Parent may contact the main office to set up an RKIDS account to access students' grades, assignments, and attendance.

RESTROOM EXPECTATIONS

Stalls are for single use only and may not be occupied by more than one person at a time. In order to ensure safety and proper use of the restrooms, there is a maximum of 6 people in a restroom, with the understanding that others need to use the facility, which should not be used for eating, drinking, or socializing. Food and drink are NOT permitted in the bathroom. Cell phone usage is not permitted in the restroom.

SCHEDULE CHANGE AND WITHDRAWAL FROM CLASS

Due to the time spent with the Individual Learning Plans and the focus spent on planning for a career, along with the commitments to hiring and resources being based on students' course requests, there are only a few ways a schedule will be changed: if there is an irresolvable conflict caused by the master schedule; if there was an "F" in the specific curriculum area on the previous report card; if a student picks up an approved class from Metro, UNO, or an internship; if the student is scheduled into a course for which credit was previously earned; if a course has been scheduled out of sequence (ex. French 2 before French 1); if a Senior is missing a class required for graduation. These changes *should* be made in advance of the start of the **semester term**, but must otherwise be made within the first TWO DAYS of the **semester term**.

Students' schedules will not be changed to secure a late start/early release or to leave early for work; to request a specific teacher; drop a semester/year long course prior to completion; to request a specific lunch period; to match a friend's schedule; drop a course that was requested to improve GPA and/or take a different course to raise GPA; drop a course to sign up for an online class instead; or drop a course that was requested because the student no longer "needs" the credit or has "lost interest" (students are encouraged to take a full load of classes to earn more than the minimum 240 credits required for graduation). Any requests for such schedule changes need to be directed to the counseling department prior to August 1.

After the second day of class, consideration will be given only to students who are academically misplaced. In rare circumstances during a **semester term**, a parent may wish to withdraw their student from a class against the educational recommendations of the high school counseling staff and administration. These students will be dropped with a "WF" for the **semester term** that counts against the student's grade point average.

~~Please note: Seniors must be enrolled in 3 out of 4 class periods per day (plus Homeroom) in order to be eligible for many commencement honors, scholarships, college admission and or varsity athletic participation. It is ultimately the student and parent/guardian's responsibility to ensure the student is enrolled in and participating in the number of courses required for these purposes.~~

ACTIVITIES AND ATHLETICS

Extracurricular Activity Philosophy

Extracurricular activity programs enrich the curriculum of the school by making available a wide variety of activities in which a student can participate. Extracurricular activity programs are considered an integral part of the school's program of education that provide experiences that will help students physically, mentally and emotionally.

The element of competition and winning, though it exists, is controlled to the point it does not determine the nature or success of the program. This is considered to be educationally and psychologically sound because of the training it offers for living in a competitive society. Students are stimulated to want to win and excel, but the principles of good sportsmanship prevail at all times to enhance the educational values of contests. Participation in activities, both as a competitor and as a student spectator, is an integral part of the students' educational experiences. Such participation is a privilege that carries with it responsibilities to the school, team, student body, community and the students themselves. In their play and their conduct, students are representing all of these groups. Such experiences contribute to the knowledge, skill and emotional patterns that they possess, thereby making them better individuals and citizens. Students who participate in extracurricular activities are subject to the rules, regulations, and stipulations in the entire student handbook. Students who violate the student handbook and/or the law of the state of Nebraska are subject to consequences up to and including not being allowed to participate in extracurricular activities.

The cost of a card is \$50.00 per year. The \$50 activity fee can be waived for students who are on the free and/or reduced lunch program. Students who wish to waive this fee must have the proper paperwork on file in the Principal's office.

STUDENT ELIGIBILITY

Ralston High School adheres to the policies of the Nebraska State Activities Association (NSAA) in relation to student eligibility for NSAA sanctioned sports and activities. Those requirements are listed below with references to where the requirement can be found in the NSAA activity by laws.

In order to represent a Nebraska High School in interscholastic activities competition, a student must abide by the eligibility rules of the Nebraska School Activities Association. A summary of the major rules is given below. Contact the principal or activities director for an explanation of the complete rule.

2.2.1 Student must be a bonafide student of their member school and have not graduated from any high school. 2.2.2 After a student's initial enrollment in grade nine, they shall be ineligible after eight semesters of school membership beginning with their enrollment in grade nine. 2.3 Student is ineligible if nineteen years of age before August 1 of the current school year. (Students in grades 7 or 8 may participate on a high school team if they were 15 years of age prior to August 1 of the current school year.) 2.4.1 Student must be enrolled in some high school on or before the eleventh school day of the current semester. 2.5.1 Student must be continually enrolled in at least twenty credit hours per semester and regular in attendance, in accordance with the school's attendance policy at the school they wish to represent in interscholastic competition. 2.5.2 Student must have been enrolled and received twenty hours of credit in school the immediate preceding semester. 2.6.2.1 Guardianship does not fulfill the definition of a legal parent. If a guardian has been appointed for a student, the student is eligible in the school district where their legal parent(s) have their domicile. Individual situations involving guardianship may be submitted to the Executive Director for review and a ruling. 2.6.3 A student entering grade nine for the first time after being promoted from grade eight of a two-year junior high, or a three-year middle school, or entering a high school for the first time after being promoted to grade ten from a three-year junior high school is eligible. After a student makes an initial choice of high schools, any subsequent transfer, unless there has been a change of domicile by their parents, shall render the student ineligible for ninety school days. If a student has participated on a high school team at any level as a seventh, eighth, or ninth grade student, they have established their eligibility at the high school where they participated. If the student elects to attend another high school upon entering ninth or tenth grade, they shall be ineligible for ninety school days. Student eligibility related to domicile can be attained in the following manners: 2.6.9.1 If the change in domicile by the parents occurs during a school year, the student may remain at the school they are attending and be eligible until the end of the school year or transfer to a high school located in the school district where the parents established their domicile and be eligible. 2.6.9.2 If the domicile is changed during the summer months and the student is in grade twelve and the student has attended the high school for two or more years, the student may remain at the high school they have been attending and retain eligibility. 2.6.9.3 If a student elects to remain at the high school where they initially enrolled after being promoted from grade eight of a middle or junior high school, or grade

nine of a junior high school, they are eligible at that school, or are eligible at a high school located within the school district in which the parents established their domicile. 2.6.10 If the legal parents of a student change their domicile from one school district that has a high school to another school district that has a high school, the student shall be eligible immediately in the school district where the parents established their domicile. 2.7.7 Nebraska transfer students whose name appears on the NSAA transfer list prior to May 1 shall be eligible immediately in the fall. Those students whose name does NOT appear on the NSAA transfer list prior to May 1 shall be ineligible for ninety school days, with such transfers being subject to hardship waiver guidelines. 2.7.8 Nebraska transfer students must have signed and delivered all forms necessary to make such a transfer to the school in which they intend to enroll for the 2024-25 school year prior to May 1, 2024; for the student to be eligible. The school to which the transfer is being made must have notified the NSAA office via an NSAA online transfer form, no later than May 1, 2024. The student would become ineligible for ninety school days the next fall if the student were to change their mind and decide not to transfer. If such student were to transfer to the new school, but later decides to return to their former district before 90 school days have elapsed, such student will be ineligible in the former district for 90 school days, with the ineligibility period commencing at the start of the fall semester. Those students who did not have their enrollment forms signed, delivered and accepted prior to May 1, 2023, shall be ineligible for ninety school days, with such transfers being subject to hardship waiver guidelines. 3.5 / 3.1 Once the season of a sport begins, a student shall participate in practices and compete only in athletic contests/meets in that sport, which are scheduled by their school. Any other competition will render the student ineligible for a portion of, or all of, the season in the sport. The season of a sport begins with the first date of practice as permitted by NSAA rules. 3.5.1 During the season of a particular sport, athletes participating in that sport for a high school may attend, but may not physically take part, either as an individual or as a member of a team, in the sport activity in which instruction is being offered in the clinic, camp or school. *(Refer to 3.5.1.1 for exceptions in Swimming & Diving.) 3.6 A student shall not participate on an all-star team while a high school undergraduate. 3.7 A student must maintain their amateur status.

Further explanation of NSAA eligibility rules can be found at nsaahome.org. Parents/guardians and students can also contact the AD office at Ralston High School for clarification of any NSAA by-laws.

RISK OF INJURY WARNING

The purpose of this WARNING is to bring to your attention the existence of potential dangers associated with athletic and activity participation. Participation in any sport and/or activity may involve injury of some type. The severity of such injury can range from minor cuts, bruises, sprains, and muscle strains to more serious injuries to the body, bones, joints, ligaments, tendons, or muscles, to catastrophic injuries to the head, neck, and spinal cord. On rare occasions, injuries can be so severe as to result in total disability, paralysis, or death. Even with the best coaching, the use of the best protective equipment and the strict observance of guidelines, injuries are still a possibility.

It is understood that if an Inhaler/EpiPen needs to be accessible, it will be the student's responsibility to provide a separate Inhaler/EpiPen which will be kept with the coach's first aid supplies or training staff until the end of that sports season.

Academics and Activities

Students who are involved in NSAA sports and/or activities are subject to academic participation rules. In addition to requirements by the NSAA, Ralston High School has established the following academic and behavior requirements for students involved in NSAA sports and activities (Other clubs and activities may also adopt these rules for participation).

Grade reports are received **weekly** by the AD office ~~every Thursday night~~. Students who are currently in an NSAA sport or activity will be notified ~~on Friday~~ that they are failing one class. ~~and have the option of attending an activities study hall on Wednesday morning and/or Friday after school (coaches and sponsors can require students to attend).~~

Students who are failing any two classes will be notified that they are on academic probation. ~~and are required to attend at least one study hall each week until they are passing all classes (Coaches and sponsors can require students to attend both study halls).~~

Students who are failing any two classes for two **consecutive** weeks will be notified that they are ineligible ~~starting on Wednesday of the following week~~ to participate in any contests or events until the student is passing at least one of those classes. Once the student satisfies the AD or their designee that they are not failing more than one class the student is immediately eligible. The failing classes do not have to be the same classes. For example, if a student is failing math and science one week, and then government and science the next week, they still fall under the rule for failing two classes for two **consecutive** weeks.

Students who are failing ~~any~~ **three or more** classes at the time of any grade report will be notified that they are ineligible ~~starting the Wednesday of~~ the following week unless they satisfy the AD or their designee that they are passing ~~at least two of~~ those **three** classes.

Coaches will be aware of student attendance. Students who skip (absent unexcused) a class or classes cannot practice or participate in any event that same day. Students who have excessive unexcused absences or tardies are subject to team discipline by the coach/sponsor and may also be subject to discipline from the AD office that includes but is not limited to attending the activities study hall, being held out of practice(s), and/or not being allowed to participate in games or events.

All students who participate in activities and or sports are subject to the student handbook. Any office referrals or other disciplinary action during the school day can also affect a student's status with the team or activity that the student participates in.

Students who are declared ineligible for academic or attendance reasons will be notified as will their parent or guardian.

CODE OF CONDUCT

The Code of Conduct applies to all extracurricular activities. Extracurricular activities means student activities or organizations which are supervised or administered by the school district which do not count toward graduation or grade advancement and in which participation is not otherwise required by the school.

Extracurricular activities include but are not limited to: all sports, cheerleading, dance team, vocal music, band, speech, drama, FCCLA, Spanish Club, Art Club, Student Council, National Honor Society, DECA, HOSA, Green Club, Math Club, French Club, ACADEC, ~~Key Club~~, class officers, FCA, Color Guard, Thespians, Robotics and other school sponsored organizations and activities. The Code of Conduct also applies to participation in school sponsored activities such as school dances and royalty for such activities.

A participant means a student who participates in, has participated in, or will participate in an extracurricular activity.

When: The Code of Conduct rules apply to conduct which occurs at any time during the school year, and also includes the time frame which begins with the official starting day of the fall sport season established by the NSAA and extends to the last day of the spring sport season established by the NSAA, whether or not the student is a participant in an activity at the time of such conduct.

The rules also apply when a student is participating or scheduled to participate in an extracurricular activity that is held outside the school year or the NSAA season. For example, if an FBLA or FCCLA student plans to participate in a conference in July and commits a Code of Conduct infraction in June, the student may be suspended from participating in the conference. Conduct during the summer months may also affect a student's participation under the team selection and playing time guidelines.

Where: The Code of Conduct rules apply regardless of whether the conduct occurs on and off school grounds. If the conduct occurs on school grounds, at a school function or event, or in a school vehicle, the student may also be subject to further discipline under the general student code of conduct. A student who is suspended or expelled from school shall not be permitted to participate in activities during the period of the suspension or expulsion, and may also receive an extended activity suspension. Students who are under an expulsion that continues into the next school year will not be allowed to participate in summer workouts and/or other activities connected to the school during the summer months.

Grounds for Extracurricular Activity Discipline. Students who participate in extracurricular activities are expected to demonstrate cooperation, patience, pride, character, self respect, self-discipline, teamwork, sportsmanship, and respect for authority. The following conduct rules have been established to be reasonably necessary to aid students, further school purposes, and prevent interference with the educational process. Such conduct constitutes grounds for suspension from participation in extracurricular activities and grounds for other restrictions or disciplinary measures related to extracurricular activity participation:

1. Willfully disobeying any reasonable written or oral request of a school staff member, or the voicing of disrespect to those in authority.
2. Use of violence, force, coercion, threat, intimidation, harassment or similar conduct in a manner that constitutes a substantial interference with school or extracurricular activity purposes or making any communication that a reasonable person would interpret as a serious expression of an intent to harm or cause injury to another.
3. Willfully causing or attempting to cause substantial damage to property, stealing or attempting to steal property, repeated damage or theft involving property or setting or attempting to set a fire of any magnitude.
4. Causing or attempting to cause personal injury to any person, including a school employee, school volunteer, or student. Personal injury caused by accident, self-defense, or other action undertaken on the reasonable belief that it was necessary to protect another person shall not constitute a violation.
5. Threatening or intimidating any student for the purpose of, or with the intent of, obtaining money or anything of value from a student or making a threat which causes or may be expected to cause a disruption to school operations.
6. Knowingly possessing, handling, or transmitting any object or material that is ordinarily or generally considered a weapon or that has the appearance of a weapon, or bringing or possessing any explosive device, including fireworks, on school grounds or at a school function or event, or in a manner that is unlawful or contrary to school activity rules.
7. Selling, using, possessing or dispensing alcohol, tobacco, narcotics, drugs, a controlled substance, or an inhalant; being under the influence of any of the above; possession of drug paraphernalia, or the selling, using, possessing, or dispensing of an imitation controlled substance as defined in section 28-401 of the Nebraska statutes, or material represented to be alcohol, narcotics, drugs, a controlled substance or inhalant. Use of a controlled substance in the manner

prescribed for the student by the student's physician is not a violation. (Note: Refer to "Drug and Alcohol Violations" for further information).

8. Public indecency.
9. Sexual assault or attempting to sexually assault any person. Engaging in sexual conduct, even if consensual, on school grounds or at a school function or event.
10. Engaging in bullying, which includes any ongoing pattern of physical, verbal, or electronic abuse on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or a school employee's designee, or at school-sponsored activities or school-sponsored athletic events;
11. Engaging in any activity forbidden by law which constitutes a danger to other students, interferes with school purposes or an extracurricular activity, or reflects a lack of high ideals.
12. Repeated violation of any of the school rules.
13. Truancy or failure to attend assigned classes or assigned activities; or tardiness to school, assigned classes or assigned activities.
14. The use of language, written or oral, or conduct, including gestures, which is profane or abusive to a school employee, school volunteer, or student. Profane or abusive language or conduct includes, but is not limited to, that which is commonly understood and intended to be derogatory toward a group or individual based upon race, gender, national origin, or religion.
15. Dressing or grooming in a manner which is dangerous to the student's health and safety or a danger to the health and safety of others or repeated violations of dress and grooming standards; dressing, grooming, or engaging in speech that is lewd or indecent, vulgar or plainly offensive; dressing, grooming, or engaging in speech that school officials reasonably conclude will materially and substantially disrupt the work and discipline of the school or of an extracurricular activity; dressing, grooming, or engaging in speech that a reasonable observer would interpret as advocating illegal drug use.
16. Willfully violating the behavioral expectations for those students riding Ralston Public School buses or vehicles used for activity purposes.
17. Failure to report for the activity at the beginning of the season. Reporting for one activity may count as reporting on time if there is a change in activity within the season approved by the coach or the supervisor.
18. Failure to participate in regularly scheduled classes on the day of an extracurricular activity or event.
19. Failure to attend scheduled practices and meetings. If circumstances arise to prevent the participant's attendance, the validity of the reason will be determined by the coach or sponsor. Every reasonable effort should be made to notify the coach or sponsor prior to any missed practice or meeting.
20. All other reasonable rules or regulations adopted by the coach or sponsor of an extracurricular activity shall be followed, provided that participants shall be advised by the coach or sponsor of such rules and regulations by written handouts or posting on bulletin boards prior to the violation of the rule or regulation.

21. Failure to comply with any rule established by the Nebraska School Activities Association, including, but not limited to, the rules relating to eligibility.

All terms used in the Code of Conduct have a less strict meaning than under criminal law and are subject to reasonable interpretation by school officials.

REGULAR SCHOOL ATTENDANCE

Students who participate in clubs, activities, and athletics are expected to have a good attendance record at school. Unexcused absences from school and classes, and/or excessive tardies, and/or lunch skips may lead to consequences in relation to participation in extracurricular activities. These consequences may include but are not limited to a warning, restricted practice time, restricted participation in events, suspension from participation, and possible removal from the team or activity. The previous list is not all-inclusive and are in addition to the policies of the coach or sponsor. Decisions on consequences will be made by the activities director in consultation with the coach or sponsor. A parent/guardian will be informed of decisions regarding consequences related to extracurricular activities.

Students are expected to attend practices, meetings, events, and other activities related to their particular extracurricular activity. Each coach and sponsor will have attendance policies and participants are subject to those policies.

ABSENCE AND ACTIVITY PARTICIPATION

Students may not participate in a school activity or practice unless they have been in attendance for periods 3, 4, and 5 unless excused in advance for that school day by a parent and/or approved by an administrator. Some students may have “free periods” and those do not count against attendance in regard to activities. Any student unexcused for any part of the school day who is also a member of an extracurricular activity, club, or team will not be allowed to participate in the activity, club, or team performance or practice with their team that day without approval from an administrator.

ACTIVITIES, CONFLICT IN SCHEDULING

If a student is involved in 2 different school activities and if each activity has an event scheduled for the same time, then the student must choose the event in which to participate. This decision should be made after the student has consulted parents/guardians and the sponsors involved.

If one of the events is a state or district event, the student may be expected to participate in the state or district event.

BEHAVIOR IN SCHOOL

Students who participate in clubs, activities, and athletics, are expected to behave in school. Any student suspended from school is prohibited from participating in or attending any extracurricular activity or practice until the suspension is over. The student is also subject to additional consequences in relation to extracurricular activities. The participant may also be subject to consequences of the coach or sponsor per their expectations.

Poor behavior at school can lead to consequences in relation to extracurricular activities. Poor behavior may be just a single event or a series of events where a student has accumulated a number of referrals and/or demerits. These consequences may include but are not limited to a warning, restricted practice time, restricted participation in events, suspension from participation for a specific period, removal from the team or activity, and/or suspension from attending or participating in extracurricular activities for up to one year. The previous list is not all-inclusive and is in addition to the policies of the coach or sponsor. Decisions on consequences will be made by the activities director, in consultation with the high school administration and the coach or sponsor. A parent/guardian will be informed of decisions regarding consequences related to extracurricular activities.

Students who participate in extracurricular activities are subject to the stipulations in the entire student handbook when participating in or attending any school event.

BEHAVIOR AT EXTRACURRICULAR EVENTS

Student participants in extracurricular activities are expected to follow the ideals of being respectful, being responsible, and being safe at all home and away events. Students and/or participants are expected to display good sportsmanship and respect opponents, officials, fans, and all participants. Students are subject to stipulations in the entire student handbook while participating or attending school events at home or away. Violation of any part of the student handbook may result in school consequences determined by the administration and/or consequences related to activities.

DRESS FOR EVENTS

Student participants in extracurricular activities are expected to dress appropriately when traveling to and from away events. In addition to being subject to the student dress code in the student handbook, participants are subject to the dress and grooming expectations of the head coach or sponsor. The same stipulations apply to home events.

TEAM PICTURES

Team and individual pictures are taken by a professional photographer and students, parents, and/or guardians can make the appropriate arrangements for purchase (generally an order form is given to the students). The photo sessions are scheduled between the coach or sponsor and the photographer. Students not in attendance the day of the scheduled photo shoot will not appear in the pictures.

SOCIAL MEDIA

Ralston High School recognizes the importance and power of social media. There are many ways social media can enhance the experience of participants in extracurricular activities. Ralston High School encourages the positive use of social media to promote students and activities.

The misuse of social media by students who participate in extracurricular activities is subject to consequences. Examples of misuse of social media include but are not limited to the following list.

1. Making profane or disparaging remarks about another student or students, a staff member, a sponsor or coach, or someone in the community.
2. Bullying another student or students, a staff member, a sponsor or coach, or someone in the community.
3. Use of language that is profane, sexist, racist, or otherwise disparaging to a certain group of people.
4. Sending out inappropriate pictures.
5. Use of social media for purposes that are in violation of the law.
6. Any other use of social media that a reasonable person could consider harmful to someone or to a group of people.

If it is brought to the attention of the AD office that there has been misuse of social media by a participant in extracurricular activities, an investigation will ensue and decisions will be made regarding consequences in consultation with the head coach or sponsor and the high school administrative team. These consequences may include but are not limited to a warning, restricted practice time, restricted participation in events, suspension from participation, and removal from the team or activity. The previous list is not all-inclusive and are in addition to the policies of the coach or sponsor. A parent or guardian will be informed of any decision affecting a student's participation in extracurricular activities.

TOBACCO, VAPING

Per school board policy, Ralston High School is a smoke free campus. The use or possession of tobacco or vaping products by any student on campus or at any school event home or away is prohibited. The offending participant will visit with an administrator for school consequences. The student will not be able to participate in any practices or contests during any suspension, and cannot practice, attend, or participate in any event the day of the possession or use. Any student who receives consequences for vaping, tobacco use or having materials associated with vaping and/or tobacco at school or at a school event will not be allowed to practice or participate in any activities during the time period of school consequences and will be suspended for one contest and/or event in each activity the student is currently participating in. Any event missed during the school consequences will count toward the 1 event suspension. If a student is not currently in any activity the consequence will take place during the students next activity. Once the suspension is announced, the student cannot join an activity in order to fulfill the requirements of the suspension. If there are not enough competitions or events left for a student to fulfill the suspension requirement then the suspension carries over to the next season and/or activity. If a student is vaping and it is found that the vaping included the use of drugs the student is subject to the school and activity drug and alcohol procedures.

POSSESSION OR USE OF ALCOHOL AND/OR OTHER DRUGS

Student participants in extracurricular activities are subject to the student handbook and to the tobacco, drug, and alcohol policy contained therein. Students who participate in extracurricular activities are also subject to the athletic and activities portion of the handbook.

Any student who is participating in or plans to participate in any extracurricular activity and has been cited by the police for or found through investigation by school administration to have been using, in possession of, and/or under the influence of alcohol, marijuana, unauthorized prescription or OTC drugs, or other illegal drugs including paraphernalia or look-a-likes either at school or at school sponsored functions, whether they take place during the school day or outside the school day, on or off campus is subject to the following consequences:

Suspension from attending and participating in any RHS activity sanctioned by the NSAA for a period that equates to 30% of each activities season that the student is currently participating in. If the activity includes competitions against other schools the student is suspended from 30% of the competitions instead of 30% of the season. This suspension can be reduced to 20% of the season or 20% of competitions if the student self-reports* and upon agreement to participate in a district approved evaluation and treatment program** at the expense of the student, parent, and/or guardian;

During the length of the suspension, the student is not allowed to attend any extracurricular activity as a spectator or participant;

If the student is out of season the consequences carries over to the next extracurricular activity in which the student participates;

If there is not enough season left to complete the suspension, the consequence carries over to the next extracurricular activity in which the student participates. The student must complete all activities affected to the satisfaction of the sponsor or coach and activities director or the suspension starts over upon the next extracurricular activity in which the student participates;

The student may not join an activity once the suspension is announced in order to fulfill the requirements of the student's suspension.

Any student who is in an activity or activities that are not an NSAA sanctioned activity will be suspended from that activity for a period of 14 days; these 14 days must include at least 2 events or competitions. If there are not two events within the 14 day suspension the student will still be required to fulfill that part of the

suspension even if the initial 14 days suspension has expired. Events do not include regular meetings. Events that qualify will be determined by the AD in conjunction with the sponsor. Students who are in an NSAA sanctioned activity and other activities will serve both suspensions.

Some activities may have additional consequences that are not listed in this handbook. Students who participate in such activities will be informed of those consequences by the activity sponsor.

Any student who participates in any extracurricular activities-and has been cited by the police for or found through investigation by school administration to have been using, in possession of, and/or under the influence of alcohol, marijuana, unauthorized prescription or OTC drugs, or other illegal drugs including paraphernalia or look-alikes off school grounds and not at a school sponsored event at any time of the year is subject to the following consequences:

Suspension from attending and participating in any RHS activity sanctioned by the NSAA for a period that equates to 30% of each activities season that the student is currently participating in. If the activity includes competitions against other schools the student is suspended from 30% of the competitions instead of 30% of the season. This suspension can be reduced to 20% of the season or 20% of competitions if the student self-reports* and upon agreement to participate in a district approved evaluation and treatment program** at the expense of the student, parent, and/or guardian;

During the length of the suspension, the student is not allowed to attend any extracurricular activity as a spectator or participant;

If the student is out of season the consequences carries over to the next extracurricular activity in which the student participates;

If there is not enough season left to complete the suspension, the consequence carries over to the next extracurricular activity in which the student participates.

The student must complete all activities affected to the satisfaction of the sponsor or coach and activities director or the suspension starts over upon the next extracurricular activity in which the student participates;

The student may not join an activity once the suspension is announced in order to fulfill the requirements of the student's suspension.

Any student who is in an activity or activities that are not an NSAA sanctioned activity will be suspended from that activity for a period of 14 days; these 14 days must include at least 2 events or competitions. If there are not two events within the 14 day suspension the student will still be required to fulfill that part of the suspension after the 14 days are over. Events do not include regular meetings. Events that qualify will be determined by the AD in conjunction with the sponsor. Students who are in an NSAA sanctioned activity and other activities will serve both suspensions.

Some activities may have additional consequences that are not listed in this handbook. Students who participate in such activities will be informed of those consequences by the activity sponsor.

Once a student has satisfied the terms of the activity suspension from NSAA sanctioned activities, from non NSAA sanctioned activities or both, the student can resume participation. If a student is not in any activity at the time of the suspension it carries over to the next activity or activities the student participates in. A student cannot join any activity once the suspension is given as a means to satisfy the suspension.

*Self-report requires that the student report the violation within 24 hours to the student's coach/sponsor or to an administrator. If there is no school within 24 hours of the violation but there is a practice or a competition the student must report the violation to the coach/sponsor or to an administrator on duty. If there is no school, practice, or competition within 24 hours of the violation the student must self-report at the next reasonable opportunity. All students are expected to be honest and forthright with school officials. In making a self-report, the student must identify the events that took place, location of the event, what conduct the student participated in and will be required to put this information in a written statement. In the event the student has received a criminal citation, charge, or ticket, and proclaims innocence of a violation, the student will be required to self-report such offense and provide information as to why they should be found innocent, not as it relates to the criminal offense, but as it relates to the Code of Conduct.

**The student must participate in the treatment program if recommended by the evaluation. If the student does not complete any recommended treatment program the consequence reverts to the 30% of the season or competitions length of suspension.

Procedures for Extracurricular Discipline

The following procedures are established for suspensions from participation in extracurricular activities:

1. Investigation. The school official(s) considering the suspension will conduct a reasonable investigation of the facts and circumstances.
2. Meeting. Prior to commencement of the suspension, the school official considering the suspension or their designee will provide the student an opportunity to give the student's side of the story. The meeting for this purpose may be held in person or via a telephone conference or by zoom. The student will be given oral or written notice of what the student is accused of having done, an explanation of the evidence the school has and the opportunity to explain the student's version. Detail is not required where the activity participant has made a self-report or otherwise admits the conduct. Names of informants may be kept confidential where determined to be appropriate. The suspension may be imposed prior to the meeting if the meeting cannot reasonably be held before the suspension is to begin. In that case the meeting will occur as soon as reasonably practical. The student is responsible for cooperating in the scheduling of the meeting.
3. Notice Letter. Within five school days or such additional time as is reasonably necessary following the suspension, the Athletic Director or the Athletic Director's designee will send a written statement to the student and the student's parent/guardian. The statement will describe the student's conduct violation and the discipline imposed.
4. The student and parent or guardian may follow the due process procedures.

In regard to activities that include practices for competitions, the student will be allowed to practice but must meet all attendance requirements expected of every participant. Students may not attend practice during any suspension from school.

SUBSEQUENT OFFENSES

A second offense of the drug and alcohol portion of the student handbook as it related to activities will result in a one year suspension from attending and participating in activities. A third offense and the student is suspended from attending and participating in activities until the end of the student's high school career.

DUE PROCESS

Students who participate in extracurricular activities and have their participation curtailed for violation of the code of conduct, attendance, behavior, breaking the drug and/or alcohol policy, or for any other reason have due process rights. Students who are suspended from extracurricular activities will have the reasons explained to them and their parents/guardian will be contacted with an explanation. Students held out of activities for academic reasons will have their parent/guardian contacted by their coach or sponsor or the AD. Due process for activities will consist of the following process:

1. An appeal is made to the high school Principal. The Principal will inform the student and parent or guardian of the decision within 3 school days of the appeal
2. An appeal is made to the district Superintendent. The Superintendent informs the student and parent or guardian of the decision within 3 school days of the appeal.

All appeals must be in writing and within five days after the notice of consequences to the student and parent or guardian and within 5 days of subsequent decisions by school administrators.

FACILITY USAGE / ATHLETIC LOCKERS

Students may use the physical education/athletic areas after school only if a sponsor is present. Priority for facility usage will be given to organized extracurricular activities and/or classes at Ralston High School. Use of facilities should be arranged in advance through the activities director's office. No student is to be in the physical education areas or using school facilities without supervision.

Students who participate in sports will be checked out a locker and will be provided a lock for a fee of \$5. It is the athlete's responsibility to take care of the lock and locker. All clothing and equipment should be removed by the participant after each season. The Ralston School District is not responsible for lost or stolen articles or articles left in lockers after the season or school year is over. Students may not switch locks or lockers once they have been checked out without permission. Students are not to share lockers. Vandalizing or damaging school property will result in school consequences as well as consequences related to activities.

TEAM SELECTION

Head coaches and sponsors will make decisions regarding which students will be selected to participate in any given activity. The coach or sponsor will also make decisions as to what level each student will participate (freshman, reserve, junior varsity and varsity). If a coach or sponsor determines that a cut will be made, they will announce the process in advance of any tryouts. Any student who is cut from any activity will have the opportunity for an evaluation if requested. The head coach or sponsor will determine the evaluation process. Students not selected for an activity or sport will be given the opportunity to try out for another sport that season if so desired.

PLAYING TIME

The amount of playing time and/or participation in an activity is determined by the coaching staff or sponsor of that activity. Playing time and participation is determined by a number of factors and is up to the discretion of the head coach or sponsor and assistants.

EQUIPMENT AND UNIFORMS

Any equipment supplied by the school district to participants in any extracurricular activities must be returned at the end of season. Students will be issued appropriate fines for any school property not returned. Students can also be fined for the damage or loss of any equipment and/or uniforms put in their charge. All fines must be paid or equipment (including uniforms) returned before a student is allowed to participate in any other activity or, in the case of a senior, before receiving a diploma. Participants are expected to take proper care of any equipment or uniform supplied by the district.

INCLEMENT WEATHER

If school must be canceled or dismissed early because of inclement weather, practices and contests will be postponed as a rule. Occasionally, weather and road conditions clear by early afternoon, if it is determined that athletes can travel safely, a varsity practice or contest may be held with permission from the athletic director in conjunction with the Superintendent or their designee. Certified staff members are directly responsible for all students under their supervision at any school-sponsored activity. When severe weather strikes, staff members will determine what action will be in the best interest concerning safety for their students. At away events when severe weather becomes a concern, coaches/sponsors along with bus drivers will determine the best course of action to be taken. Coaches/sponsors will make every effort to keep students, school officials and parents informed of any changes or deviations from the normal routine if weather dictates that such actions are necessary.

TRANSPORTATION

The District generally will provide transportation to away events. There are occasions where students are allowed to drive. Any student who drives must have a permission slip signed by a parent or guardian on file in the activity director's office prior to the event. Students who ride with other students must also have a permission slip signed by a parent or guardian in the AD's office prior to the event. Parents wishing to pick up students from school-sponsored activities may do so at any time. However, if return transportation is being provided and the student is not returning with the school group, coaches, sponsors, or school officials must be notified. No student will be released to anyone other than their parent or guardian, or an adult designated by the parent/guardian.

INSURANCE

Ralston Public Schools provides no insurance coverage and is not responsible for any such expenses. It is the responsibility of the parents/guardians to provide adequate insurance to cover any medical expenses which may be incurred while a student is participating in a school sponsored activity. This insurance may be under a family coverage plan.

COMMUNICATION PROTOCOL

If a student and or parent has a concern the proper communication protocol will be followed:

1. Student participant meets with coach(es) to try to solve the issue;
2. If the problem still exists, the parent can email or call the coach to make an appointment for a meeting. The coach will inform the AD about the meeting and what the concern is.
3. If the student/parent still has a concern, the parent will then email or call the activities director to set up a meeting.
4. If a resolution to the issue is not obtained after meeting with the AD, the parent will call or email the Principal of the high school to meet.
5. If the situation is still not resolved, the parent can call the Central Office and request a meeting with the Superintendent or their designee.

Anonymous letters or other forms of anonymous communications involving a complaint or other issue sent to any coach or sponsor or any administrator may or may not be dealt with depending on the subject matter of the letter. Ralston Public Schools strongly discourages the use of anonymous letters, or other forms of anonymous communication to express a complaint or other issue. The AD, Principal, Superintendent or their designee will not discuss playing time and will not talk about other players on the team.

SPECTATOR EXPECTATIONS

Ralston parents, families, and fans are expected to display good sportsmanship at home and away events. Encourage our team and your athlete, respect the opponents and their fans, accept the decisions of the officials, and accept the outcome. Fans who behave in a manner inconsistent with good sportsmanship by berating officials, making disparaging comments about anyone, or engage in behavior that may put others at harm may be asked to leave the event and could be banned and barred from Ralston Public School property. All parents/guardians, families, and fans are asked to cooperate with on-site supervisors who may include Ralston administrators, staff, and/or coaches. Law enforcement will be called if deemed necessary by on-site supervisors.

The following is a list of the different athletic and activity awards presented to the athletes at Ralston High School:

The dozen awards, athlete of the year awards, and spirit awards are given at the Senior or Underclass awards ceremonies.

NCAA CLEARINGHOUSE

The National Collegiate Athletic Association (NCAA) has established guidelines that Division I and II member schools must follow before awarding scholarships and granting eligibility to high school students who wish to compete as freshmen on college athletic teams after completion of high school. THE CLASS OF 200 MUST BE AWARE OF NCAA REGULATIONS! Student athletes who wish to participate in NCAA Division I or Division II sports MUST BE CERTIFIED by the NCAA initial-Eligibility Clearinghouse which will analyze your academic information to determine if you meet the NCAA initial eligibility requirements. The three steps for being certified are clearly explained online at www.ncaaclearinghouse.net.

Students who have questions should see a guidance office regarding items such as whether a college is a Division I or II institution in the sport in which they are interested. Students interested in participating in athletics at NCAA Division III colleges, or NAIA colleges should obtain the appropriate athletic guidelines that pertain to these institutions.

CONCUSSION AWARENESS

Pursuant to Nebraska Statute 71-9104 (The Nebraska Concussion Awareness Act) the following information is provided to students, parents, and/or guardians.

Heads Up: Concussion in High School and Middle School Sports A Fact Sheet for Parents

What is a concussion?

A concussion is a brain injury. concussions are caused by a bump, blow, or jolt to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even a “ding” or a bump on the head can be serious.

What are the signs and symptoms of concussion? You can’t see a concussion. signs and symptoms of concussion can show up right after the injury or can take days or weeks to appear. If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away.

Signs Observed by Coaching Staff	Signs Reported by Athlete	Signs Observed by Parent(s)
Appears dazed or stunned	Headache	Appears dazed or stunned
Is confused about assignment	Nausea	Appears confused
Forgets plays	Balance problems or dizziness	Forgets known items
Is unsure of game, score, or opponent	Double or fuzzy vision	Is unsure of name, usual surroundings
Moves clumsily	Sensitive to light or noise	Moves clumsily
Answers questions slowly	feeling sluggish	Answers questions slowly
Loses consciousness	Feeling foggy or groggy	Loses consciousness
Show behavior or personality changes	Concentration of memory problems	Shows behavior or personality changes
Can't recall events prior to hit on the head	Confusion	Can't recall events prior to hit on the head
Can't recall events after the hit on the head		Can't recall events after the hit on the head

What should you do if you think your child has a concussion?

1. Seek medical attention right away. A health care professional will be able to decide how serious the concussion is and when it is safe for your teen to return to sports.
2. Keep your child out of play. Concussions take time to heal. Don't let your child return to play until a health care professional says it's OK. Athletes who return to play too soon -- when the brain is still healing -- risk a greater chance of having a second concussion. Second or later concussions can be very serious. They can cause permanent brain damage, affecting your child for a lifetime.
3. Tell all of your child's coaches and the school athletic trainer about any recent concussion. Coaches should know if your child had a recent concussion in ANY sport. Your child's coach may not know about a concussion your child received in another sport or activity unless you tell them. Knowing about the concussion will allow the coach to keep your child from activities that could result in another concussion.
4. Remind your child. It's better to miss one game than the whole season.

WHEN IN DOUBT, SIT THEM OUT!

Heads Up: Concussion in High School and Middle School Sports

• A Fact Sheet for Student-Athletes

A concussion is a brain injury that:

- Is caused by a bump, blow, or jolt to the head.
- Can change the way your brain normally works.
- Can range from mild to severe.

- Can occur during practices or games in any sport.
- Can happen even if you haven't been knocked out.
- Can be serious even if you're just "dinged" or had your "bell rung"

How can I prevent a concussion?

- It's different for every sport. But there are steps you can take to protect yourself from concussion: Follow your coach's rules for safety and the rules of the sport.
- Practice good sportsmanship at all times.
- Use proper sports equipment, including personal protection equipment. In order for the equipment to protect you, it must: 1. Be appropriate for the game, position, and activity. 2. Be well maintained. 3. Properly fitted. 4. Used every time you play.

How do I know if I've had a concussion?

- You can't see a concussion, but you might notice some of the symptoms right away. Pay attention to how you are feeling after any bump, blow, or jolt to the head.
- If you notice any of the symptoms, tell your parents, coach, and school athletic trainer right away.
- Other symptoms of a concussion can show up days or weeks after the injury.
- It's best to see a healthcare professional if you think you might have a concussion. An undiagnosed concussion can affect your ability to do schoolwork, other everyday activities, as well as your athletic play. An undiagnosed concussion also raises your risk for additional, serious injury.

What are the symptoms of a concussion?

- Nausea (feeling like you might vomit)
- Balance problems or dizziness.
- Double or fuzzy vision
- Sensitivity to light or noise
- Headache
- Feeling sluggish
- Feeling foggy or groggy
- Concentration or memory problems (such as forgetting plays)
- Confusion

What should I do if I think I have a concussion?

- Tell your coaches, parents, and school athletic trainer
- Never ignore a bump, blow, or jolt to the head
- Get a medical check-up. A health care professional can tell you if you have had a concussion and when you are OK to return to play.
- Give yourself time to recover. If you have had a concussion, your brain needs time to heal. While your brain is still healing, you are much more likely to have a second concussion. Second or later concussions can cause permanent brain damage, and even death in rare cases. Severe brain damage can change your whole life.
- Tell your coaches and the school athletic trainer if one of your teammates might have a concussion.

As a reminder, always report any injury to your coach and school athletic trainer right away. It's better to miss one game than the whole season. Take care of yourself and enjoy your participation in athletics. When in doubt, sit them out!

MISCELLANEOUS RIGHTS AND RESPONSIBILITIES

ACCIDENT INSURANCE

All students are given the opportunity to participate in a group accident insurance plan provided by an independent carrier. The fee is nominal and covers an accident en route to and from school, on school grounds, during school sponsored events, and intramural and interscholastic athletics except football. All students participating in athletics are required to have accident insurance (either a family policy or the school's plan) or sign a responsibility waiver. Football insurance is available at a higher cost. The Ralston School District is not liable for injuries to students, nor can they pay the medical costs for accidents that occur in athletic contests, on school premises, at school activities, or on the way to and from school.

The District will establish a master list of those items, which are considered minor personal consumable items, which may be required. Each school shall annually submit its list of required personal consumable items to the district for approval and publication in that school's handbook.

C. School Store: The District authorizes the operation of school stores in which students may purchase food, beverages and personal or consumable items. A school store need not have a permanent physical presence and may provide order forms for students to voluntarily purchase items from the school or another vendor. AHERA NOTIFICATION

In the past, asbestos was used extensively in building materials because of its insulating, sound absorbing, and fire retarding capabilities. Virtually any building constructed before the late 1970s contained some asbestos. Intact and undisturbed asbestos materials generally do not pose a health risk. Asbestos materials, however, can become hazardous when, due to damage or deterioration over time, they release fibers. If the fibers are inhaled, they can lead to health problems, such as cancer and asbestosis.

In 1986, Congress passed the Asbestos Hazard Emergency Response Act (AHERA) which requires

schools to be inspected to identify any asbestos containing building materials. Suspected asbestos-containing building materials were located, sampled (or assumed) and rated according to condition and potential hazard. Every three years, Ralston Public Schools has conducted a re inspection to determine whether the condition of the known or assumed asbestos containing building materials (ACBM) has changed and to make recommendations on managing or removing the ACBM. At the last re-inspection conducted on January 22, 2013 all materials listed in the Management Plan as asbestos containing (or assumed to be asbestos-containing) were inspected and found to be in good condition.

The law further requires an asbestos management plan to be in place. Ralston Public Schools developed a plan, as required, which has been continually updated. The plan has several ongoing requirements: publish a notification on management plan availability and the status of asbestos activities; educate and train its employees about asbestos and how to deal with it; notify short-term or temporary workers on the locations of asbestos containing building materials; post warning labels in routine maintenance areas where asbestos was previously identified or assumed; follow set plans and procedures designed to minimize the disturbance of asbestos containing building materials; and survey the condition of these materials every six months to assure that they remain in good condition.

The following buildings contain no asbestos-containing building materials; therefore, no operations and maintenance programs or future inspections are required: Ralston Middle School. During the past year, asbestos containing building materials have been removed, encapsulated, or enclosed in the following buildings: Mockingbird kitchen storage. During the next year, we plan to conduct the following asbestos related activities at the following school building's removal of kitchen storage room floor tile at Mockingbird Elementary.

It is the intention of the Ralston Public School District to comply with all federal and state regulations controlling asbestos and to take whatever steps are necessary to ensure students and employees a healthy and safe environment in which to learn and work. You are welcome to review a copy of the asbestos management plan in the school district administrative office or administrative office of the school during regular business hours. Pat Flinn is our designed asbestos program coordinator, and all inquiries regarding the asbestos plan and asbestos-related issues should be directed to 402-898-3460.

HOMELESS CHILDREN AND YOUTH

Homeless students generally include children who lack a fixed, regular, and adequate nighttime residence, as further defined by applicable state and federal law.

It is the school's policy not to stigmatize or segregate homeless students on the basis of their status of being homeless. Transportation for homeless students who enroll in the district shall be furnished by the district under the same guidelines applying to other students or if such transportation is necessary for compliance with federal law.

Each homeless child shall be provided services for which the child is eligible comparable to services provided to other students in the school selected regardless of residency. Homeless children shall be provided access to education and other services that such children need to ensure that they have an opportunity to meet the same student performance standards to which all students are held.

If a homeless child registered to attend school in the district is receiving family reconciliation services pursuant to state law, the district will work in cooperation with any county or

department of social services in the district to jointly develop an educational program for the child. The district's homeless coordinator is Dianne Young who may be contacted at 402-898-3441.

PROTECTION OF STUDENT RIGHTS

Ralston Public Schools respects the rights of parents and their children and has adopted a Protection of Pupil Rights policy in consultation with parents to comply with the Protection of Pupil Rights Amendment (PPRA) and Federal Legislation Act. The policy is available on the district's website or upon request from the district's administrative office. Parents may opt their child out of participation in activities identified by the Protection of Pupil Rights policy by submitting a written request to the superintendent. The approximate dates during the school year when a survey requesting personal information as defined in the Protection of Pupil Rights policy is scheduled are as follows: First Semester. Parents may have access to any survey or other material described in the Protection of Pupil Rights policy by submitting a written request to the superintendent.

FERPA Notification

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when they reach the age of 18 or attend a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth their view about the contested information.
- FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance.

However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Title IX Policy

It is the policy of the school district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any of the school district's programs or activities. The district is required by Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106 to not discriminate in such a manner.

1. Title IX Coordinator

1.1. Designation. The district will designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under this policy, who will be referred to as the **"Title IX Coordinator."** The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator. Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment). This report may be made by any means, including but not limited to, in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator

receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours).

2. **Definitions.** As used in this policy, the following terms are defined as follows:

2.1. **Actual knowledge** means notice of sexual harassment or allegations of sexual harassment to any district employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only district employee with actual knowledge is the respondent (as that term is defined below). "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in subsection 1.1 above.

2.2. **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

2.3. **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegation of sexual harassment. The only district official who is authorized to initiate the Grievance Process for Formal Complaints of Sexual Harassment against a respondent is the Title IX Coordinator (by signing a formal complaint). At the time of filing a formal complaint with the district, a complainant must be participating in or attempting to participate in the district's education program or activity. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator under subsection 1.1 above, and by any additional method designated by the district. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under this policy or under 34 C.F.R. part 106, and will comply with the requirements of this policy and 34 C.F.R. part 106, including subsections 5.1.3–5.1.4 and 34 C.F.R. § 106.45(b)(1)(iii).

2.4. **Rape**—(Except Statutory Rape) The carnal knowledge of a person, without the consent of t**Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

2.5. **Consent** for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. District officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.

2.6. **Sexual harassment** means conduct on the basis of sex that satisfies one or more of the following:

2.6.1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;

2.6.2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity;

2.6.3. **Sexual assault**, as defined in 20 U.S.C. § 1092(f)(6)(A)(v), which means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:

Sex Offenses, Forcible—Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.

2.7. The victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

2.7.1.1.1. **Sodomy**—Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.7.1.1.2. **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.7.1.1.3. **Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.7.1.2. **Sex Offenses, Non-forcible**—(Except Prostitution Offenses) Unlawful, non-forcible sexual intercourse.

2.7.1.2.1. **Incest**—Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law

2.7.1.2.2. **Statutory Rape**—Non-Forcible sexual intercourse with a person who is under the statutory age of consent

2.7.2. **Dating violence**, as defined in 34 U.S.C. § 12291(a)(10), which means violence committed by a person—

2.7.2.1. who is or has been in a social relationship of a romantic or intimate nature with the victim; and

2.7.2.2. where the existence of such a relationship shall be determined based on a consideration of the following factors:

2.7.2.2.1. The length of the relationship.

2.7.2.2.2. The type of relationship.

2.7.2.2.3. The frequency of interaction between the persons involved in the relationship.

2.7.3. **Domestic violence**, as defined in 34 U.S.C. § 12291(a)(8), which includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

2.7.4. **Stalking**, as defined in 34 U.S.C. § 12291(a)(30), which means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—

2.7.4.1. fear for **their** safety or the safety of others; or

2.7.4.2. suffer substantial emotional distress.

2.8. **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

3. **Discrimination Not Involving Sexual Harassment.**

3.1. **General Prohibition.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by the district.

3.2. Specific Prohibitions. Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, in providing any aid, benefit, or service to a student, the district will not on the basis of sex:

- 3.2.4. Subject any person to separate or different rules of behavior, sanctions, or other treatment;
- 3.2.5. Apply any rule concerning the domicile or residence of a student or applicant;
- 3.2.6. Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;
- 3.2.7. Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

3.3. Complaint Procedure. All complaints regarding any alleged discrimination on the basis of sex, including without limitation violations of this policy, 34 C.F.R. part 106, Title IX, Title VII, or other state or federal law—when the alleged discrimination does not arise from or relate to an allegation of sexual harassment as defined in subsection 2.6 above—shall be addressed pursuant to the district’s general complaint procedure, Board Policy 2006.

4. Response to Sexual Harassment

4.1. Reporting Sexual Harassment. Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the District’s Title IX Coordinator. No person will be retaliated against based on any report of suspected sexual harassment or retaliation. Any District employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

4.2. General Response to Sexual Harassment. When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. The district will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For the purposes of this policy “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The district’s response will treat complainants and respondents equitably by offering supportive measures as defined in subsection 2.7 above to a complainant, and by following the

grievance process described in section 5 below before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

4.3. Emergency Removal. Nothing in this policy precludes the district from removing a respondent from the district's education program or activity on an emergency basis, provided that the district undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. In the event that the district so removes a respondent on an emergency basis, then the district will provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

4.4. Administrative Leave. Nothing in this policy precludes the district from placing a non-student employee respondent on administrative leave during the pendency of a grievance process that complies with section 5 below. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

4.5. General Response Not Conditioned on Formal Complaint. With or without a formal complaint, the district will comply with the obligations and procedures described in this section 4.

5. Grievance Process for Formal Complaints of Sexual Harassment.

5.1. General Requirements.

5.1.1. Equitable Treatment. The district will treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following the grievance process described in this section 5 before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies will be designed to restore or preserve equal access to the district's education program or activity. Remedies may include the same individualized services described in subsection 2.7 as "supportive measures"; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.

5.1.2. Objective Evaluation. This grievance process requires an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a complainant, respondent, or witness.

5.1.3. Absence of Conflicts of Interest or Bias. The district will require that any individual designated by a recipient as a Title IX Coordinator, investigator, decision-maker, or any person designated by a recipient to facilitate an

informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

- 5.1.4. **Training.** The district will ensure that all individuals or entities described in this Training section 5.1.4 receive training as provided below. Any materials used to train these individuals will not rely on sex stereotypes and will promote impartial investigations and adjudications of formal complaints of sexual harassment.
 - 5.1.4.1. **All District Employees and Board Members.** All district employees and board members will be trained on how to identify and report sexual harassment.
 - 5.1.4.2. **Title IX Coordinators, Investigators, Decision-Makers, or Informal Resolution Facilitators.** The district will ensure that Title IX Coordinators, investigators, decision-makers, or any person designated by the district to facilitate an informal resolution process receive training on:
 - 5.1.4.2.1. The definition of sexual harassment in subsection 2.6;
 - 5.1.4.2.2. The scope of the district's education program or activity;
 - 5.1.4.2.3. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable; and
 - 5.1.4.2.4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.
 - 5.1.4.3. **Decision-Makers.** The district will ensure that decision-makers receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, as set forth in subsection 5.6.
 - 5.1.4.4. **Investigators.** The district will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence, as set forth in subsection 5.5.8.
- 5.1.5. **Presumption.** It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
- 5.1.6. **Reasonably Prompt Time Frames.** This grievance process shall include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes. The process shall also allow for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or

extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.

- 5.1.7. **Range of Possible Sanctions and Remedies.** Following a determination of responsibility, the district may impose disciplinary sanctions and remedies in conformance with this and the district's student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion.
- 5.1.8. **Range of Supportive Measures.** The range of supportive measures available to complainants and respondents include those listed in subsection 2.7.
- 5.1.9. **Respect for Privileged Information.** The district will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

5.2. Notice of Allegations.

- 5.2.1. **Initial Notice.** Upon receipt of a formal complaint, the district will provide the following written notice to the parties who are known:
 - 5.2.1.1. A copy of this policy.
 - 5.2.1.2. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in subsection 2.6, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. The written notice will include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process. The written notice will inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, under subsection 5.5.5, and may inspect and review evidence under subsection 5.5.5. The written notice will inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.
- 5.2.2. **Supplemental Notice.** If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Initial Notice described above, the district will provide notice of the additional allegations to the parties whose identities are known.

5.3. Dismissal of Formal Complaint.

- 5.3.1. The district will investigate the allegations in a formal complaint.
- 5.3.2. **Mandatory Dismissals.** The district **must** dismiss a format complaint if the conduct alleged in the formal complaint:
 - 5.3.2.1. Would not constitute sexual harassment as defined in subsection 2.6 even if proved;
 - 5.3.2.2. Did not occur in the district's education program or activity; or
 - 5.3.2.3. Did not occur against a person in the United States.
- 5.3.3. **Discretionary Dismissals.** The district **may** dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing:
 - 5.3.3.1. The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;
 - 5.3.3.2. The respondent is no longer enrolled in or employed by the district; or
 - 5.3.3.3. Specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.
- 5.3.4. Upon a dismissal required or permitted pursuant to subsections 5.3.2 or 5.3.3 above, the district will promptly send written notice of the dismissal and an explanation of that action simultaneously to the parties.
- 5.3.5. Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

5.4. **Consolidation of Formal Complaints.** The district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in this policy to the singular "party," "complainant," or "respondent" include the plural, as applicable.

5.5. **Investigation of Formal Complaint.** When investigating a formal complaint and throughout the grievance process, the district will:

- 5.5.1. Designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint;

- 5.5.2. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a grievance process under this section (if a party is not an "eligible student," as defined in 34 CFR 99.3, then the district will obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3);
- 5.5.3. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
- 5.5.4. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
- 5.5.5. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;
- 5.5.6. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
- 5.5.7. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least 10 calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report; and
- 5.5.8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 calendar days prior to the time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

5.6. Exchange of Written Questions. After the district has sent the investigative report to the parties pursuant to subsection 5.5.8, but before reaching a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decision to exclude a question as not relevant.

5.7. Determination Regarding Responsibility

- 5.7.1. **Decision-Maker(s).** The decision-maker(s) cannot be the same person as the Title IX Coordinator or the investigator(s).
- 5.7.2. **Written Determination.** The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) will apply the preponderance of the evidence standard. The written determination will include:
 - 5.7.2.1. Identification of the allegations potentially constituting sexual harassment as defined in subsection 2.6;
 - 5.7.2.2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
 - 5.7.2.3. Findings of fact supporting the determination;
 - 5.7.2.4. Conclusions regarding the application of the district's code of conduct to the facts;
 - 5.7.2.5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
 - 5.7.2.6. The district's procedures and permissible bases for the complainant and respondent to appeal.
- 5.7.3. The district will provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an

appeal is not filed, the date on which an appeal would no longer be considered timely.

- 5.7.4. The Title IX Coordinator is responsible for effective implementation of any remedies.

5.8. Appeals. The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.

- 5.8.1. **Time for Appeal.** Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools within ten (10) calendar days of the date of the respective written determination of responsibility or dismissal from which the appeal is taken. The Notice of Appeal must include (a) the name of the party or parties making the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds (from subsection 5.8.2 below) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy, 34 C.F.R. part, 106, and Title IX.
- 5.8.2. **Grounds for Appeal.** Appeals from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, are limited to the following grounds:
 - 5.8.2.1. Procedural irregularity that affected the outcome of the matter;
 - 5.8.2.2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
 - 5.8.2.3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.
- 5.8.3. As to all appeals, the district will:
 - 5.8.3.1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
 - 5.8.3.2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
 - 5.8.3.3. Ensure that the decision-maker(s) for the appeal complies with the standards set forth in subsections 5.1.3–5.1.4.
 - 5.8.3.4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;

- 5.8.3.5. Issue a written decision describing the result of the appeal and the rationale for the result; and

- 5.8.3.6. Provide the written decision simultaneously to both parties.

5.9. Informal Resolution. The district will not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this section. Similarly, the district will not require the parties to participate in an informal resolution process under this section and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

- 5.9.1. Provides to the parties a written notice disclosing:

- 5.9.1.1. The allegations;

- 5.9.1.2. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;

- 5.9.1.3. That at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and

- 5.9.1.4. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;

- 5.9.2. Obtains the parties' voluntary, written consent to the informal resolution process; and

- 5.9.3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

5.10. Recordkeeping.

- 5.10.1. The district will maintain for a period of seven years records of:

- 5.10.1.1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;

- 5.10.1.2. Any appeal and the result therefrom;

- 5.10.1.3. Any informal resolution and the result therefrom; and

- 5.10.1.4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal

resolution process. The district will make these training materials publicly available on its website, or if the district does not maintain a website then the district will make these materials available upon request for inspection by members of the public.

- 5.10.2. For each response required under section 4, the district will create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity. If the district does not provide a complainant with supportive measures, then the district will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

6. **Superintendent Authorized to Contract.** The board authorizes the Superintendent to contract for, designate, and appoint individuals to serve in the roles of the district's investigator(s), decision-maker(s), informal resolution facilitator(s), or appellate decision-maker(s) as contemplated by this policy.

7. **Access to Classes and Schools.**

7.1. **General Standard.** Except as provided in this section or otherwise in 34 C.F.R. part 106, the district will not provide or otherwise carry out any of its education programs or activities separately on the basis of sex, or require or refuse participation therein by any of its students on the basis of sex.

- 7.1.1. **Contact sports in physical education classes.** This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.
- 7.1.2. **Ability grouping in physical education classes.** This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.
- 7.1.3. **Human sexuality classes.** Classes or portions of classes that deal primarily with human sexuality may be conducted in separate sessions for boys and girls.
- 7.1.4. **Choruses.** The district may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

7.2. **Classes and Extracurricular Activities.** The district may provide non-vocational single-sex classes or extracurricular activities as permitted by 34 C.F.R. part 106.

8. **Athletics.** It is the policy of the district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, club, or intramural athletics offered by the district, and that the district will not provide any such athletics separately on such basis.

8.1. **Separate Teams.** Notwithstanding the foregoing paragraph, the district may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport.

8.2. **Equal opportunity.** The district will provide equal athletic opportunity for members of both sexes. Unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams will not constitute noncompliance with this section.

9. **Retaliation Prohibited.** Neither the district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).

9.1. **Specific Circumstances.**

9.1.1. The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section.

9.1.2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

10. **Notification of Policy.** The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

11. **Publication of Policy.** The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations

holding collective bargaining or professional agreements with the district, the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).

12. **Application Outside the United States.** The requirements of this policy apply only to sex discrimination occurring against a person in the United States.

13. **Scope of Policy.** Nothing herein shall be construed to be more demanding or more constraining upon the district than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the district is in compliance with Title IX and 34 C.F.R. part 106, then all of the district's obligations under this policy shall be deemed to be fulfilled and discharged.

Ralston Public Schools offers the opportunity to participate in the optional RPS Chromebook Coverage Program designed to protect students and families from full financial responsibility for device repairs and/or replacement. The cost is \$30.00/\$15.00* (*reduced for students who qualify for Free/Reduced Lunch Program) **annually** for each Chromebook and it covers the summer months if parents/students elect to keep the Chromebook over the summer.

Payment must be submitted by September 1st in order to participate in this program. After this date, a student's device will not be eligible for the RPS Chromebook Coverage Program. Students enrolling at RPS throughout the school year will have three weeks to submit payment in order to participate in the RPS Chromebook Coverage Program. If a student withdraws from Ralston Public Schools and then re-enrolls later in the current school year, the coverage purchased at the student's initial registration will be reinstated. **Premiums are non-refundable.**

The program covers devices assigned to the student against accidental damage and/or loss. Damaged, lost, or stolen devices should be reported immediately according to the process described during orientation. Ralston Public Schools will require that a police report be submitted in cases of theft.

Fraudulent reporting of theft will be turned over to the police for prosecution. A student making a false report will also be subject to disciplinary action as outlined by the school code of conduct.

Total value of repairs or device replacement will be determined by RPS. The program will pay the amount of damage or replacement per the schedule of repairs listed below. Damage as a result of gross negligence or purposeful damage will not be covered under the RPS Chromebook Coverage Program. Parents/Guardians are responsible for 100% of damages due to gross negligence. The district reserves the right to discontinue participation for students with unusually high numbers of claims. Such discontinuation will be effective 30 days after notification to the student and parent/guardian.

Training

Students will receive training to address care and usage of the Chromebook as well as usage of their Google (@ralstonschools.org) account. Digital Citizenship training will also be provided to address respectful, responsible, and ethical use of the internet and digital tools.

Taking Care of Your Chromebook

Students are responsible for the general care of the Chromebook which they have been issued by the school. Chromebooks that are broken or fail to work properly must be taken to the school media center/technology office. If a loaner Chromebook is needed, one will be issued to the student until their Chromebook can be repaired or replaced.

General Precautions

- No food or drink should be next to your Chromebook.
- Cords, cables, and removable storage devices must be inserted carefully into the Chromebook.
- Students should never carry their Chromebook while the screen is open.
- Chromebooks should not be used or stored near pets.
- Chromebooks should not be used with the power cord plugged in when the cord may be a tripping hazard.
- Chromebooks must remain free of any writing, drawing, stickers, or labels.
- Chromebooks, not being used for an extended period of time, should be shut down in order to conserve battery life.
- Chromebooks should never be shoved into a locker or wedged into a book bag as this may break the screen.
- Heavy objects should never be placed on top of Chromebooks.
- Do not expose your Chromebook to extreme temperature or direct sunlight for extended periods of time. Extreme heat or cold may cause damage to the Chromebook.
- Always bring your Chromebook to room temperature prior to turning it on.

Device Protection

- Students and parents may decide to add additional protection for their Chromebooks by purchasing a hard protective case and/or sleeve from an outside source.

Carrying Chromebooks

- Always transport Chromebooks with care.
- Never lift Chromebooks by their screen.
- Never carry Chromebooks with the screen open.

Screen Care

- The Chromebook screen can be damaged if subjected to heavy objects, rough treatment, some cleaning solvents, and other liquids. The screens are particularly sensitive to damage from excessive pressure.

- Do not put pressure on the top of a Chromebook when it is closed.
- Do not store a Chromebook with the screen open.
- Do not place anything in the protective case that will press against the cover.
- Make sure there is nothing on the keyboard before closing the lid (e.g. pens, pencils, or disks).
- Only clean the screen with a soft, **dry** microfiber cloth or anti-static cloth. Do not clean screens with products containing ammonia or alcohol.

Using Your Chromebook

Students are expected to bring a fully charged Chromebook to school every day and bring their Chromebook to all classes unless specifically advised not to do so by their teacher.

If a Student Does not Bring His/Her Chromebook to School

- Loaner devices may be available for students failing to bring their device to school.
- A student borrowing a Chromebook will be responsible for any damage to or loss of the issued device.
- School personnel will document the number of times a loaner is issued to each student for not having his/her own Chromebook at school and will send reports to administration for students who have excessive occurrences during the school year.
- Staff will treat such occurrences as insubordination offenses, which may result in disciplinary action.
- If a loaner is not turned in at the end of the day, an administrator will be contacted and will work on retrieving the loaner.

Charging Chromebooks

- Chromebooks must be brought to school each day with a full charge.
- Students should charge their Chromebooks at home every evening.

Personalizing the Chromebook

- Chromebooks must remain free of any decorative writing, drawing, stickers, paint, tape, or labels that are not the property of the Ralston Public Schools. Spot checks for compliance will be done by administration, teachers, and technology support staff at any time.
- Students may add appropriate music, photos, and videos to their Chromebook. Personalized media are subject to inspection and must follow the Ralston Public Schools Internet Safety and Acceptable Use Policy.

Sound

- Sound should be muted at all times unless permission is obtained from a teacher.
- Headphones may be used at the discretion of the teachers.

Printing

- Students will be encouraged to digitally publish and share their work with their teachers and peers when appropriate.
- Students may set up their home printers with the Google Cloud Print solution to print from their Chromebooks at home. Information about Google Cloud Print can be obtained here: <http://www.google.com/cloudprint/learn/>.

Logging into a Chromebook

- Students will log into their Chromebook using their school-issued Google (@ralstonschools.org) account.
- Students should never share their account passwords with others. In the event of a compromised account the Ralston Public Schools Technology Department reserves the right to disable your account.
- The student assigned to the Chromebook should be the only individual logging in to and using the device.

Using Your Chromebook Outside of School

- Students are encouraged to use their Chromebook at home and other locations outside of school.
- A WiFi Internet connection will be necessary for the majority of Chromebook use; however, some applications can be used while not connected to the Internet. Students are bound by the Ralston

Public Schools Acceptable Use Policy, Administrative Procedures, acceptable use agreement, and all other guidelines in this document wherever they use their Chromebook. Please note that some internet providers DO NOT work with Chromebook.

Operating System and Security

Students may not use or install any operating system on their Chromebook other than the current version of ChromeOS that is supported and managed by the District.

No Expectation of Privacy

Students have no expectation of confidentiality or privacy with respect to any usage of a Chromebook, regardless of whether that use is for district-related or personal purposes, other than as specifically provided by law. The District may, without prior notice or consent, log, supervise, access, deny access to, view, monitor, and record use of the Chromebook at any time for any reason related to the operation of the District. By using a Chromebook, students agree to such access, monitoring, and recording of their use.

Monitoring Software

Teachers, school administrators, and the Technology Department staff may use monitoring software that allows them to view the screens and activity on the Chromebooks.

Updates

The Chromebook operating system, ChromeOS, updates itself automatically. Students do not need to manually update their Chromebook.

Virus Protection

Chromebook uses the principle of “defense in depth” to provide multiple layers of protection against viruses and malware, including data encryption and verified boot. There is no need for additional virus protection.

Content Filter

The District utilizes an Internet Content Filter that is in compliance with the federally-mandated Children’s Internet Protection Act (CIPA). All Chromebooks are filtered for inappropriate content and pass through the District’s filtering appliance when connected to the Internet regardless of the physical location (e.g., school, home, public WiFi). If a website is blocked in school, then it will be blocked out of school. If an educationally valuable site is blocked, students should contact school personnel, who in turn, will submit a helpdesk ticket to request the site be unblocked. Ralston Public Schools makes every effort to filter web content through its comprehensive web filter; however, it is essential students and parents understand that students will be held accountable for using technology according to District policies.

Inspection

Students may be asked to provide their Chromebook for inspection. The purpose for inspection will be to check for proper care and maintenance as well as inappropriate material being carried into the school.

Software on Chromebooks

Originally-Installed Software

Chromebook software is delivered via the Chrome Web Store and/or Google Play. Some applications, such as Google Drive, are available for offline use. The software originally installed on the Chromebook must remain on the Chromebook in usable condition and be easily accessible at all times.

All Chromebooks are supplied with the latest stable build of Google Chrome Operating System (OS), and many other applications useful in an educational environment. The Chrome OS may install updates when the computer is idle or restarted.

Google Apps for Education Accounts

Chromebooks seamlessly integrate with the Google Apps for Education suite of productivity and collaboration tools. This suite includes Google Docs (word processing), Sheets (spreadsheets), Slides (presentations), Drawings, Forms, Sites, and Gmail within Ralston Public Schools.

Additional Apps and Extensions

Students are unable to install additional apps and extensions on the Chromebook other than what has been approved by the Ralston Public Schools.

RPS Acceptable Use Agreement (AUA)

Ralston Public Schools Internet Access is to be used only for classroom related activities. This agreement applies when using either school equipment or personal equipment on the district network.

This Acceptable Use Agreement (AUA) outlines the appropriate use of RPS's technology resources and services during and after school hours. By signing this form, students are indicating that they understand and agree to abide by the guidelines written below.

RPS network, technology resources and Internet access are school resources and use of them is considered a privilege. Therefore, violation of this AUA will result in the loss of this privilege and/or other appropriate discipline actions according to division-level policies. These actions may include written warnings, withdrawal of access privileges, and in extreme cases, suspension, expulsion or termination of privileges.

Compliance with Law and Use of Computers/Internet

Users of Ralston Public Schools technology will follow all laws, policies, and rules governing computers. This includes (but is not limited to) copyright laws, software publisher's rights, license agreements, acts of terrorism, assault, threats, and student right of privacy.

Safety and Security:

- I will not attempt to access material that is obscene, pornographic, harmful to others, or otherwise inappropriate for education.
- I understand that passwords are private and should not be shared with others. I will not allow others to use my account name or password, or try to use that of others.
- I will not attempt to engage in hacking or attempts to bypass security settings or interfere with the operation of the RPS network in any way.
- I will use RPS network and technology resources productively and responsibly for school-related purposes.
- I will maintain the setup of RPS devices as they were when I received them.
- I will record or share image or audio files only when I have obtained permission from my teacher, media specialist or administrator. I will not use cameras in restrooms, locker rooms, or dressing rooms, regardless of intent.

- I will be responsible for all of my digital files, including backing up files not already stored in the cloud.

Expectations of Privacy

The computer system, including email and Internet, is the property of the Ralston Public School District. RPS relies on a combination of self-hosted, externally hosted, and cloud-based services. These services are primarily intended for educational and business use and are subject to monitoring at any time. Although RPS does not routinely check communications or files, it has the right to review, audit, and disclose all matters sent over or stored on the system. As a result, members of the RPS community should recognize that there is no reasonable expectation of privacy when using the computer system.

Respecting and Protecting Intellectual Properties

The increasing use of technology and multimedia at RPS presents a wonderful opportunity for students and teachers to share what they do with others at RPS. The presentations, photos, video and audio of classes, field trips and school events are often shared electronically through web-based resources. Sometimes, students and parents buy or receive copies of school events on media, such as CDs or DVDs. The instinct to share achievements is understandable, but these files are for private use only. Any sharing of these materials within the RPS Google domain is prohibited.

Agreement Violations

Any violation of the agreement may result in the loss of access to the Internet by the student/adult involved. Additional disciplinary action may be determined in accordance with existing policies of the Ralston Public Schools, including applicable State and Federal laws.

Users of Ralston Public Schools technology shall be granted permission to access the Internet upon receipt of the signed Acceptable Use Agreement Signature Form available from your building administrator or media specialist.

June, 2023

Welcome to Ralston Middle School!

The entire staff at RMS welcomes you to a new and exciting year. It is our goal to make this school year the most successful and memorable in your school career.

Please take time to review this handbook as a family. The purpose of this handbook is to provide families with information on policies and procedures for Ralston Middle School. You will see a clear commitment to ensuring a safe and positive environment for learning to take place. Much of this information pertains to expectations and procedures for students. If we were to summarize the expectations at Ralston Middle School, they basically come down to **being safe, being respectful and being responsible**. Acting safe and making choices that ensure your physical and mental well-being are critical. Respect for yourself, others and property is a key expectation. If everyone is respected, the school is a much better place for learning. Responsibility for your learning, your actions, and your growth is also a key to success in middle school. With both of these in place, the sky's the limit and your middle school years will be a time of great growth and success for you.

Through a caring school, family, and community partnership, the goal of preparing students to become responsible and respectful individuals in a safe and challenging environment will remain a central focus of Ralston Middle School.

Have a great year!

WIN (What I Need Time)

Our goal is for all students to learn at high levels. We know students do not always learn at the same rate. WIN Time provides time in the middle school schedule for re-teaching, homework assistance, and enrichment. In the past, students have had to retake assessments or get help from a teacher before school, during lunch time, or after school. WIN Time allows teachers to give students what they need based on identified priority standards in the content areas during the school day.

Responsible and Respectful Behavior

~~You are expected to conduct yourself appropriately and to cooperate with the requests of all staff members.~~

~~Your teachers will teach you the student's expectations. Teachers will communicate with you when you are not meeting the expectations for student behavior. Teachers will also notify your parent/guardian if you fail to meet classroom expectations.~~

Guidance Counselor

There are times when we all get down on ourselves and lose confidence. There is a caring and skilled counselor at Ralston Middle School to listen. If you need guidance or just need someone to listen to a problem, a counselor is here to listen to you. This person will work closely with your entire team and get to know you better through some team and advisement activities. Counseling services are available to every student in our school. Students can stop by the counselor's office to set up a time and to get a pass. Students must check in with their teacher

before meeting with the counselor. If something is urgent and the counselor is not available, do not wait. Please visit with another staff member.

The counselor can help you with many things including:

- Academic success
- Attendance
- School / grade transition

Ralston Middle School Academic Integrity Policy

To ensure our vision of creating a community of respect, responsibility, and academic excellence, we must demonstrate a high level of personal character and academic integrity.

Examples of plagiarism:

- Participation in extracurricular activities may be suspended until the issue has been fully resolved to the satisfaction of the principal.
- A student's academic misconduct can be confidentially communicated to their teachers.
- Appropriate consequences will be determined by the administration.

Textbooks and Book Covers

~~The school district loans textbooks to you. Keep them covered, clean, and protected because you will return them at the end of the semester or school year. You are responsible for their condition and may be fined up to the full cost of the book if there is abnormal wear or damage to any books you have been loaned. You may provide your own book covers, or your team teachers will have some free books covers available.~~

Lab equipment, sports equipment, instruments, computers, lockers, tables, chairs, and desks are all school property, and you are responsible for items in your care. Ralston Middle School is not responsible to pay for damages when another student steals, vandalizes or breaks another student's personal property.

Lockers (Policy 5036)

Lockers are the property of the school district and students are permitted to use them without charge. The assignment of a locker is on a temporary basis and may be revoked at any time. School officials may inspect student lockers without any particular suspicion or reasonable cause.

The school loans lockers to each student as an area to keep coats, books, and other items that are needed for school. Students will have access to their lockers before school and after school. Lockers will be issued at the beginning of the school year. Students, students' possessions including, but not limited to purses, bags, and automobiles, may be searched whenever there is a reasonable suspicion that the student possesses any illegal substance or object which is a violation of law or district policy, or which could cause bodily harm or damage to property. The refusal of a student to consent or submit to a reasonable search and/ or to surrender objects or substances found as a result of such a search may be grounds for discipline.

Each student is assigned their own locker. Students are not to share lockers for any reason.

- Lockers are school property.
- Lockers are subject to inspection at any time. This may include inspection by police dogs.
- Use only the locker assigned to you.
- Your locker combination is your personal business - DO NOT TELL YOUR COMBINATION TO ANYONE!
- Lockers must be kept in an orderly fashion at all times.
- Kicking lockers closed is not acceptable.
- Rigging lockers to open them without using the combination leaves all items in the locker susceptible to theft - Do not preset your locker to open.
- Never leave anything unlocked in the locker rooms.
- If your locker gets stuck, tell an office secretary, teacher, counselor, or administrator.

Lab equipment, sports equipment, instruments, computers, lockers, tables, chairs, and desks are all school property, and you are responsible for items in your care. Ralston Middle School is not responsible to pay for damages when another student steals, vandalizes or breaks another student's personal property.

Building and Grounds

Your parents and the taxpayers in this school district pay for our educational programs, materials, and facilities. Any offender will pay for vandalism or careless use of property, and disciplinary actions will be taken by the administration. You are expected to care properly for the furniture, equipment, and building.

- Recycle paper.
- No open containers of pop or other liquid are permitted outside of the cafeteria, unless cleared as a legitimate medical condition.

Emergency Procedures

Various drills are held at regular intervals throughout the school year and are an important safety precaution. It is essential when these drills are held that everyone follows staff instructions promptly. Directions for each type of emergency will be reviewed by the teacher and posted in each classroom and within the student planner. If a student is in the hall during a Lockout, the student should return to their classroom. If a student is in the hall during a Lockdown, the student should go to the closest possible restroom.

Food Items

Food and beverage items should be consumed in the cafeteria. Exceptions would be special food days in classes or Advisement. Clear water bottles may be used in a respectful and responsible manner. Sunflower seeds will not be allowed in the building at any time. The permission of gum will be at the teacher's discretion.

Lunch

Parents, students, etc. are asked not to bring/ order in lunches from outside vendors to students or groups of students unless cleared through the principal's office. Students will be able to leave the building for lunch only with their parent or guardian.

Any manner of dress, hair style, make-up, or personal hygiene that -

- Constitutes a threat to the safety, health, or welfare of the student or others;
- Violates any statute;
- Interferes with the education process, or that school officials can reasonably predict will interfere with the education process; or
- Causes or may cause excessive maintenance problems in the school may be grounds for corrective or disciplinary action.

The superintendent or their designee may institute specific dress code regulations in any school consistent with board policy.

Dress Code

The school dress code is based on the principle that student dress is the responsibility of each student's parents/guardians. For this reason, we feel that many of the restrictions on dress code and grooming should originate with the parent/ guardian rather than with the school administration.

The dress code should allow for individualism and meet the current trend of changing styles. However, when a style becomes extreme, the matter will be discussed with the student. Students wearing clothing that is deemed inappropriate may be sent home or have proper clothing delivered by a parent or wear clothing stored in the office for dress code violations. Students who refuse to comply will face disciplinary action.

1. Appearances which are disruptive, according to the staff, will not be allowed. Students may be referred to administration for final approval. Automatically included in this category are -

 - d. No bare midriffs.
 - e. Upper body articles should cover the body from both shoulders to the waist. Shirt straps must be approximately one inch or wider
 - f. No pants/ clothing with tears/ missing fabric that reveals excessive skin.
2. Students must wear shoes or sandals at all times, no slippers.
3. Students will not be allowed to wear sunglasses, hats, caps, bandanas, bandanas worn as headbands, or other head coverings that are not related to an individual's religious/ cultural beliefs. Those items are to be kept IN LOCKERS during the day from 7:55 am to 3:14 pm. Bandana printed items may not be worn or displayed.
4. Coats are generally not needed in school and should not be worn in class unless a teacher determines coats are needed.
 - a. What is NOT allowed? Any coat that is generally worn as an OUTSIDE coat for warmth is not allowed. Not allowed are heavy overcoats, ski jackets, rain wear, or any lined jackets.

Students are prohibited from using cellular phones or other electronic devices while at school, except as provided in this policy or outlined in student handbooks.

Media Center

All students enrolled in Ralston Middle School are entitled to borrow books from the school media center. A library ID card is not needed. During school hours, a student will be allowed to use the media center with a pass signed by a teacher. Books and periodicals taken out of the media center must be checked out at the circulation desk. Students should exercise good judgment when deciding the number of books to check out at one time. Reserved books, reference books, and encyclopedias may be checked out for one period or overnight only. **You are responsible for their condition and may be fined up to the full cost of the book if there is abnormal wear or damage to any books you have been loaned.**

Physical Education

Physical Education is part of our curriculum. Every student is expected to participate unless excused as a part of legitimate medical conditions.

Should this be the case, we expect a doctor's written excuse stating the reason and the length of time the pupil will not be participating. These excuses will be renewable at the beginning of each school year. If a student has a doctor's written excuse, they will be unable to participate in athletic practice and events during that time. Parent/guardian written excuses may not amount to more than three (3) days for the school year. For any illness or injury that limits the student's activity longer than this, a doctor's written excuse is expected.

Proper gym shoes are required. Clothing for P.E. must follow the dress code policies.

Bikes

- LOCK your bikes at all times.
- The school is not responsible for lost, stolen, or damaged bikes.

Student Activities (Policy 6028)

The school day at RMS does not necessarily end when the bell rings at the end of the day. There are several opportunities for students after school, however, students need to report to the designated areas directly after school or bring a signed note if they are staying after with a teacher. **Students not participating in an after school opportunity are expected to be off school property by 3:30 pm.** If a student is participating in any extra-curricular activity, they must be present at school for at least four periods of the school day.

The opportunities listed below are available for students staying after school. Students involved must follow the school guidelines when staying after school.

Teacher Help Computer Labs Media Center Athletics Activities

Ralston Middle School programs are proud of the students, coaches and sponsors who contribute to make the activities programs a positive experience for its participants. Success in extracurricular activities cannot always

be measured by the wins and losses of each program, but they must also be measured by the satisfaction and educational experiences received by the participants. The activities program also provides opportunities to assist participants in growing physically, mentally, and emotionally.

The element of competition, although it exists, is controlled to the point that it does not determine the nature of the programs. This is considered to be educationally and psychologically sound because of the training it offers for living in a competitive society. Students are stimulated to want to win and excel, but the principles of good behaviors prevail at all times to enhance the educational values of the contest.

The coaching and activities staff and administration believe that participation in activities and athletics, both as a participant and as a student spectator, is an integral part of the student's educational experiences. Such participation is a privilege that carries with it responsibilities to the school, the team, the student body, the community, and the students themselves. In their participation and in their conduct, they are representing all of these groups. Such experiences contribute to the knowledge, skill, and emotional patterns that they possess, thereby providing guidance in becoming better people and better citizens.

Safety

The District's philosophy is to maintain an activities program that recognizes the importance of the safety of the participants. To ensure safety, participants are required to become fully familiar with the dangers and safety measures established for the activity in which they participate, to adhere to all safety instructions for the activity in which they participate, to inform their coach or sponsor when they are injured or have health problems that require their activities be restricted, and to exercise common-sense.

Warning for Participants and Parents

The purpose of this warning is to bring your attention to the existence of potential dangers associated with athletic injuries. Participation in any intramural or athletic activity may involve injury of some type. The severity of such injury can range from minor cuts, bruises, sprains and muscle strains to more serious injuries to the body's bones, joints, ligaments, tendons, or muscles, to catastrophic injuries to the head, neck and spinal cord. On rare occasions, injuries can be so severe as to result in total disability, paralysis or death. Even with appropriate coaching, appropriate safety instruction, appropriate protective equipment and strict observance of the rules, injuries are still a possibility.

Player Responsibility - Listen to your Coaches/Sponsors

- Stop what you are doing and make eye contact.
- Be respectful while listening by displaying appropriate body language.
- Make a conscious effort to pay attention to detail.
- Respond to instructions immediately and in a positive manner.
- If you do not understand, raise your hand and ask questions.

Player Responsibility - Accept Coaching Instruction and Team Philosophies

- Understand that coaching is instructional. Learning the fundamentals of your sport/activity is integral in becoming the best you can be in that particular endeavor.
- If you feel frustrated, visit with your coach or sponsor at an appropriate time.
- Make only **POSITIVE** comments to your teammates - **SUPPORT ONE ANOTHER!**
- Remember your teammates are here for the same common goals!
- Respect your opponents- treat them how you would choose to be treated.
- Win with class. Lose with dignity.

All students entering seventh grade are required to have physical exams prior to enrolling at RMS. These also serve as the athletic physical during the student's seventh grade year.

If a student needs health insurance, please stop in the office for an informational handout provided by Student Assurance Services.

Attendance Requirements

1. Attend practices regularly. Students may miss practices for the following reasons only: 1) family 2) church 3) involvement in another school activity 4) illness (absence from school that day)
2. Be on time for all scheduled practices, contests and departure for contests. In the event a participant is unable to attend a practice or contests, the participant should contact the coach or sponsor in advance by phone, with a written note, or by email. Any practice that is missed without prior contact with the coach will be assumed an unexcused practice.
3. On the day of a contest, performance or other activity, be in attendance for four periods of the school day. A student who is not in attendance for the four periods is ineligible for the contest, performance, or activity (*exceptions may be made for extenuating circumstances, such as doctor/dentist appointments or family emergencies. The principal or athletic director must approve the exception*).
4. Every attempt should be made to be in attendance the day of a contest. Sleeping in to rest up for the game will not be considered an extenuating circumstance, nor will be going home ill and then returning to play in the contest later that day.
5. Students will have situations when they meet with teachers after school to make up tests or assignments. Academics are always the first priority. In this situation, students must:
 - Bring a note/pass from the teacher to their coach **before** practice begins. Some coaches may have you change into your practice clothes before meeting with your teacher.
 - Complete assignments with the teacher then return to practice.

However, if a student must serve a detention due to our RMS late work policy or for not meeting expectations for behavior in the classroom. Students must still possess a note/pass from the teacher in these situations so coaches are aware of the team member obligations with their teachers.

Equipment and Lockers

The athletic department will furnish equipment needed for each program. It will not furnish shoes or any equipment needed of a personal nature. All equipment checked out to a participant is their responsibility. Upon completion of the season, the equipment will be checked in to the coach. *If there is an item missing or damaged, the student must pay for the replacement cost.*

Students are provided a locker in the locker room to store practice clothing and equipment. *Students are to be responsible for locking all equipment and personal articles in their lockers during practice and game times.*

Negligence in doing so could result in items being stolen. The school is not responsible for lost or stolen items.

Scheduled Practice Times

Students will receive a practice and game schedule from their coaches at the start of the sports season. Practices will be held from 3:25-5 p.m. During the winter sports season, there could be 6:00-7:30 a.m. practices on a rotating basis due to the availability of the gyms. However, please refer to the practice schedule received at the beginning of the season for exact practice times. These may vary. Please arrange your student to be picked up from practices and games on time.

Cancellation/Postponement Procedure:

There may be situations when we will need to postpone or cancel games or matches due to inclement weather. The following steps will be used to communicate to parents:

- An announcement will be made over the school intercom to alert students of the cancellation/postponement.
- Students will be allowed to use classroom telephones to contact parents.
- In the event that games are cancelled or postponed, no practices will be held after school.
- The cancellation/postponement will also be posted on our RMS website.

Facilities Usage

No one is allowed to be in the building or to use the athletic facilities without a coach or sponsor supervising. Any athlete using the weight room must also be supervised by coaching staff.

Transportation Policy

Activities may be conducted at locations other than Ralston Middle School. In some instances, Ralston Middle School will not provide transportation to the activity. Ralston Middle School is not responsible when students are provided transportation by a vehicle driven by others. In these instances, the responsibility and liability of the school and school officials is limited to the period from the participant's arrival at the event site and contact with the coach, sponsor, or assigned staff member, until dismissal from the event. All other liability for the child's safety lies with the parent, or their designated drivers.

Age Specific Information to Parents of Middle School Athletes

NSAA Eligibility Rule 2.3 – “Student is ineligible if 19 years of age before August 1 of the current school year.” (Students in grades 7 or 8 may participate on a high school team if they are 15 years of age prior to August 1 of the current school year). Parents need to be informed that their child, who would be ineligible if they turn 15 years of age before August 1st of their 8th grade year of school or 14 years of age before August 1st of their 7th grade school year. Please contact your school's activities director for more information.

Extracurricular Code of Conduct

Participation in extracurricular activities is a privilege. The privilege carries with it responsibilities to the school, team, student body, and the community. Participants are not only representing themselves, but also their school and community in all of their actions. Others judge our school on the student participants' conduct and attitudes, and how they contribute to our school spirit and community image.

The student participants' performance and devotion to high ideals and values make their school and community proud. Consequently, participation is dependent upon adherence to this Code of Conduct and the school district's policies, procedures and rules.

Scope of the Code of Conduct

The Code of Conduct applies to all extracurricular activities. Extracurricular activities means student activities or organizations which are supervised or administered by the school district which do not count toward graduation or grade advancement and in which participation is not otherwise required by the school. **The Code of Conduct also applies to participation in school-sponsored activities such as school dances, 8th grade end of the year celebration at Papio Fun Park, attendance at school events such as athletic contests and concerts, and other school sponsored events.**

A participant means a student who participates in, has participated in, or will participate in an extracurricular or school sponsored activity.

Any Ralston student is subject to disciplinary procedures for inappropriate actions that take place at their building of attendance, any other district building and/or school related activity, or for any other action prohibited by state statute.

While we cannot itemize every action of misconduct here, the following are the main areas of conduct, which may lead to disciplinary action, in-school suspension/suspension, expulsion from school, and/or loss of extracurricular participation privileges:

- The possession, use, sale, or transmission of tobacco, alcoholic beverages, drugs, or drug paraphernalia.
- The willful use of force, violence, threat, or insubordinate action.
- Gross disrespect for any student, school official, or employee. This includes the use of profanity or disrespectful speech or gestures toward another student or school employee.
- Stealing, willful damage, or destruction of school property or property belonging to another student or school employee.
- Continued behavior that seriously interferes with classroom instruction or other activities associated with school.
- Threatening or intimidation of other students, teachers, or anyone else connected with the school. This includes sexual, verbal, and physical harassment.

Students cannot participate in extracurricular contests, performances, practices, or attend other school activities on days of in school suspension and/or out of school suspension.

Academic Standards

Participation in extracurricular school activities is encouraged and desirable for all students. At the same time, the primary mission and responsibility for each student is to establish a firm academic foundation. A student participating in extracurricular school activities shows evidence of sincere effort towards scholastic achievement. To be eligible for participation in extracurricular activities, students must:

- Demonstrate the ability to balance academics with extracurricular participation. **A student is ineligible to participate in extracurricular activity contests or performances for the following academic reasons:**
 - *If they have an F grade in one of their classes*
- Office staff will do grade checks. Students are ineligible until grades have been improved and a new grade check is completed by administration.

- Academic requirements do not apply to:
 - *Instructional field trips which are a part of the scheduled course learning experience; or*
 - *Activities or events that are a part of the students' grade requirements.*

School Dances

A school-sponsored dance is a school activity subject to all provisions of the Student Activity Code, and is a privilege available to students meeting all requirements for participation.

General Rules of Student Conduct at Dances.

In addition to all rules of student conduct in the Student handbook, students attending dances shall adhere to the following rules of conduct:

Relationships Between Parents and Coaches/Sponsors

Both parenting and coaching are very difficult vocations. By establishing an understanding between coaches and parents, both are better able to accept the actions of the other and provide a more positive experience for everyone. Parents have the right to know the expectations placed on them and their children. Coaches and sponsors have the right to know that if parents have a concern, they will discuss it with the coach at the appropriate time and place.

Conflict Resolution

In the event you have a concern about your student's participation on our teams and/or our programs, we ask that you use the following chain of communication to deal with the concerns:

1. First, ask your student to talk with the coach or sponsor about the concerns. This is an important life skill to teach your student and a very important first step in problem solving.
2. Second, if the issues have not been resolved by the coach or sponsor and student, then the parent/legal guardian should request a meeting with the coach or sponsor outside of class time, practice time, or event time. The coach or sponsor may request that the student attend this meeting.
3. Third, if these two steps have not succeeded, then the parent/legal guardian may request a meeting with the activities director at the school. The student and coach/sponsor will also be included in this meeting.
4. Fourth, if resolution has not been achieved, the parent/legal guardian and student may request a meeting with the principal, in which the coach or sponsor, parent, student, and assistant principal will attend. We hope the concerns can be addressed at the site level.
5. Topics that will not be discussed at any of these meetings will be playing time, game strategies, playing level, starters, student selections on teams, and comparison of students' skills. We as an administration believe it is the responsibility and right of the coaches and sponsors to determine the members of the team, the time and/or role earned by each student during each game and event, and to determine the strategies used during a game or event.

“Team selection” and “playing time” decisions are the responsibility of the individual coach or sponsor of the activity. Consistent, however, with the purpose of the activities program, the coaches and sponsors shall follow the following established guidelines for team selection and playing time decisions, along with such other guidelines as each individual coach and sponsor may develop which are not inconsistent with these established guidelines:

- **School Representative** - Student participants must demonstrate that they can and will represent themselves and their school in a manner that reflects the development of high ideals and appropriate values, which shall include good citizenship in the school and in the community.
- **Success** - Student participants must demonstrate that they can make the activity program more successful, both from a standpoint of competitive success and success in promoting a positive school spirit. Characteristics for purposes of these criteria include the student's: (1) talent or skill, (2) desire to improve the student's own skills or talents as well as those of others in the activity, and (3) attitude of respect towards teammates, the coach, the school, and the community.

Parent/Guardian Role in Communicating with Children

- Make sure your children know that win or lose, scared or heroic, you love them, appreciate their efforts and are not disappointed in them. This will allow them to do their best without fear of failure. Be the person in their life they can look to for constant positive reinforcement.
- Try your best to be completely honest about your child's athletic ability, competitive attitude, sportsmanship and actual skill level.
- Be helpful but don't coach them. It's tough not to, but it is a lot tougher for the child to be flooded with advice and critical instruction.
- Teach them to enjoy the thrill of competition, to be "out there trying," to be working to improve their skills and attitudes. Help them develop the feeling for competing, for trying hard, for having fun.
- Try not to relive your athletic life through your child in a way that creates pressure. If they are comfortable with you win or lose, then they are on their way to maximum enjoyment.
- Don't compete with the coach. If your child is receiving mixed messages from two different authority figures, they will likely become disenchanted.
- Don't compare the skill, courage, or attitude of your child with other members of the team.
- Get to know the coach(es). Then you can be assured that their philosophy, attitudes, ethics, and knowledge are such that you are happy to have your child under their leadership.
- Always remember that children tend to exaggerate, both when praised and when criticized. Temper your reaction and investigate before overreacting.

Parent/Guardian Role in Communicating with a Coach/Sponsor

- *Communication you should expect from your child's coach includes:*
 - Philosophy of the coach
 - Expectations the coach has for your child
 - Locations and times of all practices and contests
 - Team requirements
 - Procedure should your child be injured
 - Discipline that results in the denial of your child's participation
- *Communication coaches expect from parents:*
 - Notification of any schedule conflicts well in advance
 - Specific concerns in regard to a coach's philosophy and/or expectations
- *Appropriate concerns to discuss with coaches:*
 - The treatment of your child, mentally, and physically
 - Ways to help your child improve
 - Concerns about your child's behavior
 - Injuries or health concerns. Report injuries to the coach immediately!! Tell the coach about any health concerns that may make it necessary to limit your child's participation or require assistance of trainers. Students are sometimes unwilling to tell coaches when they are injured, so please make sure the coach is told.
- *Issues not appropriate to discuss with coaches:*
 - Playing time
 - Team strategy
 - Play calling
 - Other student-athletes

Good Sportsmanship—Behavior Expectations of Spectators

Good sportsmanship is expected to be exhibited by all coaches, sponsors, students, parents and other spectators. The school can be punished by NSAA for a lack of good sportsmanship at NSAA sanctioned events. More importantly, activities are more enjoyable for the students when good sportsmanship is displayed.

Responsibilities of Spectators Attending Interscholastic Athletics and Other Extracurricular Activities

- Show interest in the contest by enthusiastically cheering and applauding the performance of both teams.

- Show proper respect for opening ceremonies by standing at attention and remaining silent when the National Anthem is played.
- Understand that a ticket is a privilege to observe the contest, not a license to verbally attack others, or to be obnoxious. Maintain self-control.
- Do not “boo,” stamp feet or make disrespectful remarks toward players or officials.
- Learn the rules of the game, so that you may understand and appreciate why certain situations take place.
- Know that noise makers of any kind are not proper for indoor events.
- Obey and respect officials and faculty supervisors who are responsible for keeping order. Respect the integrity and judgment of game officials.
- Stay off the playing area at all times.
- Do not disturb others by throwing material onto the playing area.
- Show respect for officials, coaches, cheerleaders, and student-athletes.
- Pay attention to the half-time program and do not disturb those who are watching.
- Respect public property by not damaging the equipment or the facility.
- Know that the school officials reserve the right to refuse attendance of individuals whose conduct is not proper.
- Refrain from the use of alcohol, tobacco, and drugs on the site of the contest.

Concussion Awareness (Policy 6034)

The Nebraska Unicameral has found that concussions are one of the “most commonly reported injuries in children and adolescents who participate in sports and recreational activities and that the risk of catastrophic injury or death is significant when a concussion or brain injury is not properly evaluated and managed.”

The School District will:

1. Require all coaches and trainers to complete one of the following online courses on how to recognize the symptoms of a concussion or brain injury and how to seek proper medical treatment for a concussion or brain injury -
 - a. Heads UP Concussions in Youth Sports
 - b. Concussion in Sports—What You Need to Know
 - c. Sports Safety International
 - d. ConcussionWise
 - e. ACTive™ Athletic Concussion Training for Coaches
2. On an annual basis provide concussion and brain injury information to students and their parents or guardians prior to such students initiating practice or competition. This information will include:
 - a. The signs and symptoms of a concussion;
 - b. The risks posed by sustaining a concussion;
 - c. The actions a student should take in response to sustaining a concussion, including the notification of their coaches; and
 - d. Acknowledgement of receipt of information by both parent/guardian and the student.

A student who participates on a school athletic team must be removed from a practice or game when they are reasonably suspected of having sustained a concussion or brain injury in such practice or game after observation by a coach or a licensed healthcare professional who is professionally affiliated with or contracted by the school. The student will not be permitted to participate in any school supervised team athletic activities involving physical exertion, including practices or games, until the student:

1. has been evaluated by a licensed health care professional;
2. has received written and signed clearance to resume participation in athletic activities from the licensed health care professional; and
3. has submitted the written and signed clearance to resume participation in athletic activities to the school accompanied by written permission to resume participation from the student’s parent or guardian.

If a student is reasonably suspected after observation of having sustained a concussion or brain injury and is removed from an athletic activity, the parent or guardian of the student will be notified by the school of:

1. the date and approximate time of the injury suffered by the student,
2. the signs and symptoms of a concussion or brain injury that were observed, and
3. any actions taken to treat the student.

The school district will not provide for the presence of a licensed healthcare professional at any practice or game.

School officials shall deem the signature of an individual who represents that they are a licensed healthcare professional on a written clearance to resume participation that is provided to the school to be conclusive and reliable evidence that the individual who signed the clearance is a licensed healthcare professional. The school will not take any additional or independent steps to verify the individual's qualifications.

Students who have sustained a concussion and returned to school may need informal or formal accommodations, modifications of curriculum, and monitoring by medical or academic staff until the student is fully recovered. The school's "return to learn protocol" shall be the guidance provided by the Nebraska Department of Education entitled "Bridging the Gap from Concussion to the Classroom," and accompanying materials and future supplements. Nothing in this policy or the referenced protocol shall entitle a student who has sustained a concussion to an individualized plan under Section 504 of the Rehabilitation Act, although staff will refer students who have sustained a concussion for evaluation under Section 504 as appropriate.

Routine Directory Information (Policy 5017)

The school district shall disclose the following as routine directory information pertaining to any past, present or future student who is, has been, or will be regularly enrolled in the district.

- Name and grade
- Name of parent and/or guardian

Directory information does not include a student's social security number.

Upon request, the district will provide military recruiters and institutions of higher education with the names, addresses, and telephone numbers of high school students unless a student's parents have notified the district in writing that they do not want this information disclosed without their prior written consent. Military recruiters will be granted the same access to a student in a high school grade as is provided to postsecondary educational institutions or to prospective employers of such students.

Within 30 days prior to or following the commencement of each school year and, for a new student who enrolls after the commencement of a school year, within 30 days following such enrollment, the district will notify parents and guardians each year of their rights under this policy and the Family Educational Rights and Privacy Act. Parents will be given an opportunity to prevent the release of this directory information by filing a written objection with the district.

When a student reaches 18 years of age, the permission or consent required of and the rights accorded to the parents or guardians of such student under this policy shall only be required of and accorded to such student. Within 30 days prior to or following the commencement of each school year and, for a new student who enrolls after the commencement of a school year, within 30 days following such enrollment, each school district shall notify each student who is at least 18 years of age or who will reach 18 years of age during such school year of (1) the option to make a written request to the school district that routine directory information for such student not be released in response to a request made by a military recruiter without such student's written consent and (2) that any such request made previously by a parent or guardian for such student expires upon the student reaching 18 years of age.

Parent Involvement in Education Practices (Policy 5018)

The school district recognizes the importance of parental and guardian involvement in the education of their children. The school district will take the following steps to ensure that the rights of parents and guardians to participate in the education of their children are preserved.

1. Parents/Guardians will be provided access, as described in district procedures, to district-approved textbooks and other curricular materials and tests used in the district upon request.
 - a. A parental request to review specific approved textbooks and other district- or building-approved curricular materials (written, visual, and audio) should be made to the principal of the building where the textbooks and curriculum materials are used.
 - b. Parents may check out textbooks and may review curricular materials such as video and audio recordings within a time frame determined by the building principal to prevent disruption of the instructional process.
 - c. A parental request to review specific standardized and criterion-referenced tests used in the district should be made in writing to the building principal. Copies of the most recent tests used in the district will be available for parent review. Parents wishing to review statewide NeSA assessments will be provided with sample questions and a copy of a practice test, but will not be provided with copies of the actual assessment due to testing security. In the case of other secure tests such as the ACT, parents must contact the publisher to obtain copies of the test.
2. Parents/Guardians will be permitted, within district procedures, to attend and observe courses, assemblies, counseling sessions, and other instructional activities.
 - a. Parents/guardians are invited to make appointments with the building principal to visit classes, assemblies and other instructional activities. The principal shall give permission after determining that parental/guardian observation would not disrupt the activity. Observations that last more than 60 minutes or occur on consecutive days are typically disruptive and will not be permitted absent unusual circumstances, in the sole discretion of the building principal.
 - b. Parents/guardians may contact the building principal to request permission to attend counseling sessions in which their child is involved.
3. Parents/guardians will be permitted, within district procedures, to ask that their children be excused from school experiences that parents find objectionable.
 - a. Building principals may excuse a student from any single school experience at the parent's written request.
 - b. When appropriate, alternative experiences will be provided for the student by the school.
4. Parents/guardians will be informed through the student handbook and district policies of the manner that the district will provide access to records of students.
5. Parents/guardians will be informed of the standardized and criterion-referenced district testing program. Parents may request additional information from the building principal.
6. Parents/guardians will be informed of the circumstances under which they may opt-out of state and federal assessments.
 - a. In accordance with federal law, at the beginning of the school year, the District shall provide notice of the right to request a copy of this policy to parents/guardians of students attending schools receiving Title I funds. The District will provide a copy of this policy to a requesting parent in a timely manner.
 - b. State Assessments
 - i. The District cannot approve requests to opt out of state assessments. Approval of such requests is contrary to state law.
 - c. National Assessment of Educational Progress
 - i. As a condition of receiving federal funds, the District participates in the National Assessment of Educational Progress (NAEP). To help ensure that the District has a representative sample of students taking the NAEP, which will allow the District to assess the quality and effectiveness of its programming on a national level, the District strongly encourages all eligible students to participate. However, student participation in NAEP is voluntary.

- ii. The District shall provide parents/guardians of eligible students with reasonable notice prior to the exam being administered. Parents/guardians wishing to opt their students out of the NAEP assessment must notify the district in writing at least three days prior to the exam date to ensure that the District can coordinate supervision and alternative activities for students who have opted out.
7. Parents/guardians will be notified of their right to remove their children from surveys prior to district participation in surveys.
- a. The principal must approve all surveys intended to gather information from students before they are administered to students.
 - b. Students' participation in surveys is voluntary. Parents/guardians may restrict their child from participating in any survey.

Field Trip (Policy 6027)

The board encourages instructional staff to incorporate field trips into the curriculum. These trips should normally be conducted during the school day.

General Conditions

All trips must be pre-approved by the teacher's building principal. Out-of-state and overnight trips require pre-approval by the board. The superintendent and principals will develop guidelines for approval of trips and communicate those guidelines to teaching staff.

Parental Permission

Each student must submit a signed parental permission slip prior to being allowed to attend a field trip. A new permission slip must be submitted for each trip. Caregivers, as that term is defined in the Nebraska Strengthening Families Act, shall be permitted to sign parental permission slips.

Supervision

Sponsoring teachers must ensure that students are adequately supervised and chaperoned by a responsible adult at all times during field trips. Whether paid staff or volunteers, chaperones are prohibited from drinking alcoholic beverages of any kind at any time during any field trip. All chaperones must be at least 21 years of age. Any chaperone who drives students must possess a valid driver's license. Chaperones who drive students in private vehicles must possess adequate insurance coverage. Chaperones do not have any property right in or to a chaperone assignment. The school district may deny or terminate a chaperone assignment for any reason that is not unconstitutional or unlawful. The superintendent's decision shall be final.

Student Conduct

Students must comply with the student code of conduct, any applicable extracurricular conduct codes, and all directives by trip chaperones.

Parental/Guardian Access to Student Records (Policy 5016)

The school district shall manage student records and reports as is necessary for effective administration and in compliance with the law. In general "student records" shall not include transitory communications such as e-mail, text messages, handwritten communication between school and home, and the like, and these items will not generally be maintained by the district.

For purposes of the district's compliance with state and federal law, the district "maintains" student records which are printed and kept in the student's physical file or which school district staff have intentionally saved within the official school district digital student information system that specifically identifies the student for whom those records are maintained. The school district may also use learning management systems, which deliver and manage instructional content. The school district maintains student records within its student information system but not in its learning management system. The official school district student information system is SIMS.

Each building principal will assign responsibilities for the preparation and maintenance of records and will ensure compliance with the applicable federal and state laws, regulations, and record retention schedules

regarding their storage and use in the building. No “student record” or record required to be retained by the Nebraska Secretary of State’s Record Retention Schedules applicable to the district will be destroyed unless it is first saved in a retrievable, digital format. This includes only records required to be kept by the applicable Retention Schedules and “student records” as defined by state and federal law, and this policy does not prohibit the district from following its record expungement procedures for all other records.

Students or their parents, guardians, teachers, counselors, or school administrators shall have access to the school’s files or records maintained concerning themselves or their students. For purposes of this policy, “teachers” include paraeducators and volunteers who are providing educational services to a student on behalf of the School District. A school official may access, maintain, and use education records containing personally identifiable information (PII) when they have a legitimate educational interest in such. “School official” includes any agent, volunteer, or contractor performing an institutional service or function for which the school would otherwise use its own employees and who is under the school district’s direct control with respect to their access to, maintenance of, and use of PII from student records. For example, a school official may include, but would not be limited to, a teacher or other educator, administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); school board member; volunteer; contractor or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, representative of the district’s insurance providers, auditor, medical consultant, therapist, or a third-party website operator who has contracted with the school district or its agent to offer online programs for the benefit of students and/or the district; members of law enforcement acting on behalf of the school district; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing their tasks. A school official typically has a “legitimate educational interest” if the official needs to review an education record in order to fulfill a school-related professional, contractual, statutory, or regulatory responsibility. All disciplinary material shall be removed and destroyed upon the pupil’s graduation or after the pupil’s continuous absence from the school for a period of three years, and after authorization is given by the State Records Board pursuant to state law. Upon request, the school district will disclose education records without consent to officials of another school district in which a student seeks or intends to enroll.

Outside agencies such as physicians, probation officers, psychologists, child guidance clinics, and other agencies concerned with child welfare who are working directly with a child may have access to information pertaining to that child with written parental consent or upon issuance of a valid court order.

The school district shall share student data, records, and information with school districts, educational service units, learning communities, and the State Department of Education to the fullest extent practicable unless otherwise prohibited by law. Each year, the school district will notify parents and guardians of their rights under this policy and the Family Educational Rights and Privacy Act.

 - i. postsecondary education recruitment;
 - ii. military recruitment;

Investigations, Arrests, and Other Student Contact by Law Enforcement and HHS (Policy 5022)

The school district and its administrators and staff desire to maintain a positive working relationship with law enforcement officers and other representatives of governmental bodies in the discharge of their duties. However, this desire must be balanced against other equally important factors such as a student’s legal rights, ensuring that a student’s time spent in school is for education, and acknowledging that the school stands *in loco parentis* to the students.

“Law enforcement officer” means police officers, county sheriffs, state patrolmen, Health and Human Service workers, Child Protective Services workers, Office of Juvenile Services workers, probation officers, U.S. Immigration and Customs Enforcement (ICE) agents, Federal Bureau of Investigations agents, or any other government investigatory workers.

“Parent” means the biological or adoptive mother or father, guardian, responsible relative, or any other person who has claimed legal or actual charge or control of the student pursuant to Nebraska law or Title 92 Nebraska Administrative Code Chapter 19.

Law enforcement officers are encouraged whenever possible to talk to a student away from the school before or after school hours so as to cause as little disruption as possible to the student’s education.

Law enforcement officers may be called to the school at the request of school administration, or they may initiate contact with the school for their own purposes. Contact between the school and law enforcement officers on matters involving students shall be made through the office of the superintendent or building principal and the law enforcement officer. All reasonable attempts should be made to avoid embarrassing the student before their teachers and peers, and to avoid disrupting the student's and school's education program. Any questioning by law enforcement officers that is permitted should be conducted in a private room or area where confidentiality can be maintained. This should be an area removed from observation by or contact with other pupils and school personnel.

School staff shall promptly notify the superintendent when a student is questioned, arrested, or removed from school grounds by law enforcement officers.

School Related Criminal Activity

This section applies to alleged or suspected criminal activity that occurs on school grounds; in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or by their designee; or at a school-sponsored activity or athletic event.

Law enforcement officers will be allowed to contact and question students at school regarding school related criminal activity as provided below.

The building principal must be notified before a student may be questioned in school or taken from a classroom by law enforcement. The building principal should request identification of the officers, their affiliation with the identified law enforcement agency, and whether their purpose is to interview, interrogate, or take custody of the student.

The building principal will make reasonable attempts to contact a student's parent for their consent and/or presence before the student is interviewed. In the event that a parent cannot be contacted after reasonable attempts, the student will be questioned only if the law enforcement officer identifies emergency circumstances requiring immediate questioning. A building principal or designee shall be present for such questioning. The student will be brought to a private room and the contact will be made out of sight of others as much as practicable.

If the student is suspected of criminal activity, it is the responsibility of the law enforcement officer to advise a student of their rights against self-incrimination.

If at any time the district's representative believes that the questioning is being conducted in an inappropriate manner and clearly contrary to the rights of the student, then the representative shall request that the law enforcement activities cease. The building principal will also make another attempt to contact the student's parent.

The building principal shall document steps taken to notify parents, summarize the law enforcement activities, identify the actions taken by the District on behalf of the student, and any further contact with law enforcement officer.

Non-School Related Criminal Activity

Law enforcement officials may not question students at school unless parental consent is obtained or the law enforcement authorities have a warrant or court order.

Taking a Student into Custody

Law enforcement officers seeking custody of a student must contact the superintendent or building principal. The principal will request the arresting law enforcement officer to provide a copy of the arrest warrant, written parental consent, a court order, or other document giving authority to take the student into legal custody. If there is no document presented, the principal should obtain the officer's name, badge number identifying the

law enforcement agency, date, time, the reason for the arrest, and the place to which the student is reportedly being taken. Whenever practicable, the arrest or release of the student should be conducted in a location and in a manner that minimizes observation by others.

When a law enforcement officer removes a student from the school, the building principal will take immediate steps to notify the parent about the student's removal and the place to which the minor is reportedly being taken, except when a minor has been taken into custody as a victim of suspected child abuse.

Child Abuse and Neglect

When law enforcement officers seek to investigate reports of alleged child neglect or abuse regarding a student, the building principal shall obtain a proper identification from the authorities or officials. If a student interview is conducted on school grounds, the building principal or designee and such other school personnel as appropriate shall observe the interview.

If the law enforcement officer decides to remove the student from school, school officials shall provide the law enforcement authorities with the address and telephone number of the student's parent or guardian. The principal or other school official shall, as a condition of releasing the student to the law enforcement officer, require the officer to sign a statement certifying that the child is being removed from school premises because they are believed to be the victim of child abuse and that the officer understands and will comply with the legal requirements of Neb. Rev. Stat. § 79-294.

Student Records

Student records will be shared with law enforcement officers only as allowed by state and federal law.

Audio and Video Recording (Policy 5063)

Students and their parents or guardians should assume that any class in which students are enrolled may be recorded by the school district or other students for legitimate educational purposes. Recordings permitted pursuant to this policy may only be used by students for personal academic purposes and may not be republished without additional, written consent from a school administrator. For purposes of this policy "recording" includes still photographs, video, audio, and other similar data captured in any medium.

Recordings Made by The District

The district may use cameras or other devices for purposes of making security, safety, or other recordings without a specific purpose or for a specific purpose when such recordings are deemed necessary or appropriate by the administration. The district will not maintain the recordings unless the recording is purposefully copied and saved, and the recordings will only be available for review for a limited time based on the district's then-current recording capacity. The district administrators estimate that this is approximately 10 days but may change at any time.

Classroom Recordings by Staff

Staff members may make audio and video recordings of classroom instruction and school activities upon authorization of the superintendent or supervising administrator.

Prohibited Recordings by Students

Unless otherwise authorized by this policy or law, students are prohibited from making audio or video recordings during the school day on school grounds; when being transported to and from school activities or programs in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event, unless the recording is made in a manner permitted by the school for members of the public. In such an instance, the students remain subject to the district's appropriate use and student discipline policies.

For example, this policy does not prohibit students from making recordings of an athletic event for their personal use similar to a parent or other patron, subject to other applicable board policy. However, this policy generally prohibits students from using smart-speakers or other devices which actively or passively create or transmit audio or video recordings, including Google Home, Amazon Alexa, Apple HomePod, and AngelSense devices.

Permitted Classroom Recordings by Students

Students may make audio or video recordings of classroom lectures or discussions:

- (1) For their convenience after providing notice to the classroom teacher and receiving the teacher's permission;
- (2) For the benefit of another student who is absent after providing notice to the classroom teacher and receiving the teacher's permission;
- (3) If recording is necessary to accommodate the student's disability and is required by the student's Individualized Education Plan (IEP) or Section 504 Plan.

Staff may revoke permission to record if the recording distracts from or disrupts the classroom environment, unless the recording is necessary to accommodate a student's disability.

Permitted Non-classroom Recordings

Students may make audio or video recordings otherwise prohibited by this policy outside the classroom only with the permission of a teacher or school administrator, provided that such recordings otherwise comply with any applicable state and federal laws and district policy. In no event shall photographs or video recordings be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy.

Notice of Non-Discrimination (Policy 3053)

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotape, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at:

<https://www.usda.gov/sites/default/files/documents/ad-3027.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

Title IX Policy (Board Policy 3057)

It is the policy of the school district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any of the school district's programs or activities. The district is required by Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106 to not discriminate in such a manner.

1. Title IX Coordinator

1.1. **Designation.** The district will designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under this policy, who will be referred to as the "**Title IX Coordinator.**" The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective

bargaining or professional agreements with the district, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator. Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment). This report may be made by any means, including but not limited to, in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours).

2. **Definitions.** As used in this policy, the following terms are defined as follows

2.1. **Actual knowledge** means notice of sexual harassment or allegations of sexual harassment to any district employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only district employee with actual knowledge is the respondent (as that term is defined below). "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in subsection 1.1 above.

2.2. **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

2.3. **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegation of sexual harassment. The only district official who is authorized to initiate the Grievance Process for Formal Complaints of Sexual Harassment against a respondent is the Title IX Coordinator (by signing a formal complaint). At the time of filing a formal complaint with the district, a complainant must be participating in or attempting to participate in the district's education program or activity. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator under subsection 1.1 above, and by any additional method designated by the district. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under this policy or under 34 C.F.R. part 106, and will comply with the requirements of this policy and 34 C.F.R. part 106, including subsections 5.1.3–5.1.4 and 34 C.F.R. § 106.45(b)(1)(iii).

2.4. **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

2.5. **Consent** for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. District officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.

2.6. **Sexual harassment** means conduct on the basis of sex that satisfies one or more of the following:

2.6.1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;

2.6.2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity;

2.6.3. **Sexual assault**, as defined in 20 U.S.C. § 1092(f)(6)(A)(v), which means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:

2.6.3.1. **Sex Offenses, Forcible**—Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.

2.6.3.1.1. **Rape**—(Except Statutory Rape) The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

2.6.3.1.2. **Sodomy**—Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of

- giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
- 2.6.3.1.3. **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
- 2.6.3.1.4. **Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
- 2.6.3.2. **Sex Offenses, Non-forcible**—(Except Prostitution Offenses) Unlawful, non-forcible sexual intercourse.
- 2.6.3.2.1. **Incest**—Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law
- 2.6.3.2.2. **Statutory Rape**—Non-Forcible sexual intercourse with a person who is under the statutory age of consent
- 2.6.4. **Dating violence**, as defined in 34 U.S.C. § 12291(a)(10), which means violence committed by a person—
 - 2.6.4.1. who is or has been in a social relationship of a romantic or intimate nature with the victim; and
 - 2.6.4.2. where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - 2.6.4.2.1. The length of the relationship.
 - 2.6.4.2.2. The type of relationship.
 - 2.6.4.2.3. The frequency of interaction between the persons involved in the relationship.
- 2.6.5. **Domestic violence**, as defined in 34 U.S.C. § 12291(a)(8), which includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- 2.6.6. **Stalking**, as defined in 34 U.S.C. § 12291(a)(30), which means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—
 - 2.6.6.1. fear for his or her safety or the safety of others; or
 - 2.6.6.2. suffer substantial emotional distress.
- 2.7. **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

3. **Discrimination Not Involving Sexual Harassment.**

3.1. **General Prohibition.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by the district.

3.2. Specific Prohibitions. Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, in providing any aid, benefit, or service to a student, the district will not on the basis of sex:

- 3.2.1. Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;
- 3.2.2. Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;
- 3.2.3. Deny any person any such aid, benefit, or service;
- 3.2.4. Subject any person to separate or different rules of behavior, sanctions, or other treatment;
- 3.2.5. Apply any rule concerning the domicile or residence of a student or applicant;
- 3.2.6. Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;
- 3.2.7. Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

3.3. Complaint Procedure. All complaints regarding any alleged discrimination on the basis of sex, including without limitation violations of this policy, 34 C.F.R. part 106, Title IX, Title VII, or other state or federal law—when the alleged discrimination does not arise from or relate to an allegation of sexual harassment as defined in subsection 2.6 above—shall be addressed pursuant to the district’s general complaint procedure, Board Policy 2006.

4. Response to Sexual Harassment

4.1. Reporting Sexual Harassment. Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the District’s Title IX Coordinator. No person will be retaliated against based on any report of suspected sexual harassment or retaliation. Any District employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

4.2. General Response to Sexual Harassment. When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. The district will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For the purposes of this policy “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The district’s response will treat complainants and respondents equitably by offering supportive measures as defined in subsection 2.7 above to a complainant, and by following the grievance process described in section 5 below before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant’s wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

4.3. Emergency Removal. Nothing in this policy precludes the district from removing a respondent from the district’s education program or activity on an emergency basis, provided that the district undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. In the event that the district so removes a respondent on an emergency basis, then the district will provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

4.4. Administrative Leave. Nothing in this policy precludes the district from placing a non-student employee respondent on administrative leave during the pendency of a grievance process that complies with section 5 below. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

4.5. General Response Not Conditioned on Formal Complaint. With or without a formal complaint, the district will comply with the obligations and procedures described in this section 4.

5. Grievance Process for Formal Complaints of Sexual Harassment.

5.1. General Requirements.

- 5.1.1. **Equitable Treatment.** The district will treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual

harassment has been made against the respondent, and by following the grievance process described in this section 5 before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies will be designed to restore or preserve equal access to the district's education program or activity. Remedies may include the same individualized services described in subsection 2.7 as "supportive measures"; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.

- 5.1.2. **Objective Evaluation.** This grievance process requires an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a complainant, respondent, or witness.
- 5.1.3. **Absence of Conflicts of Interest or Bias.** The district will require that any individual designated by a recipient as a Title IX Coordinator, investigator, decision-maker, or any person designated by a recipient to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.
- 5.1.4. **Training.** The district will ensure that all individuals or entities described in this Training section 5.1.4 receive training as provided below. Any materials used to train these individuals will not rely on sex stereotypes and will promote impartial investigations and adjudications of formal complaints of sexual harassment.
 - 5.1.4.1. **All District Employees and Board Members.** All district employees and board members will be trained on how to identify and report sexual harassment.
 - 5.1.4.2. **Title IX Coordinators, Investigators, Decision-Makers, or Informal Resolution Facilitators.** The district will ensure that Title IX Coordinators, investigators, decision-makers, or any person designated by the district to facilitate an informal resolution process receive training on:
 - 5.1.4.2.1. The definition of sexual harassment in subsection 2.6;
 - 5.1.4.2.2. The scope of the district's education program or activity;
 - 5.1.4.2.3. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable; and
 - 5.1.4.2.4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.
 - 5.1.4.3. **Decision-Makers.** The district will ensure that decision-makers receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, as set forth in subsection 5.6.
 - 5.1.4.4. **Investigators.** The district will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence, as set forth in subsection 5.5.8.
- 5.1.5. **Presumption.** It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
- 5.1.6. **Reasonably Prompt Time Frames.** This grievance process shall include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes. The process shall also allow for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.
- 5.1.7. **Range of Possible Sanctions and Remedies.** Following a determination of responsibility, the district may impose disciplinary sanctions and remedies in conformance with this and the district's student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion.
- 5.1.8. **Range of Supportive Measures.** The range of supportive measures available to complainants and respondents include those listed in subsection 2.7.
- 5.1.9. **Respect for Privileged Information.** The district will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information

protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

5.2. Notice of Allegations.

5.2.1. **Initial Notice.** Upon receipt of a formal complaint, the district will provide the following written notice to the parties who are known:

5.2.1.1. A copy of this policy.

5.2.1.2. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in subsection 2.6, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. The written notice will include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process. The written notice will inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, under subsection 5.5.5, and may inspect and review evidence under subsection 5.5.5. The written notice will inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

5.2.2. **Supplemental Notice.** If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Initial Notice described above, the district will provide notice of the additional allegations to the parties whose identities are known.

5.3. Dismissal of Formal Complaint.

5.3.1. The district will investigate the allegations in a formal complaint.

5.3.2. **Mandatory Dismissals.** The district **must** dismiss a formal complaint if the conduct alleged in the formal complaint:

5.3.2.1. Would not constitute sexual harassment as defined in subsection 2.6 even if proved;

5.3.2.2. Did not occur in the district's education program or activity; or

5.3.2.3. Did not occur against a person in the United States.

5.3.3. **Discretionary Dismissals.** The district **may** dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing:

5.3.3.1. The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;

5.3.3.2. The respondent is no longer enrolled in or employed by the district; or

5.3.3.3. Specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

5.3.4. Upon a dismissal required or permitted pursuant to subsections 5.3.2 or 5.3.3 above, the district will promptly send written notice of the dismissal and an explanation of that action simultaneously to the parties.

5.3.5. Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

5.4. Consolidation of Formal Complaints. The district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in this policy to the singular "party," "complainant," or "respondent" include the plural, as applicable.

5.5. Investigation of Formal Complaint. When investigating a formal complaint and throughout the grievance process, the district will:

5.5.1. Designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint;

5.5.2. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized

professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a grievance process under this section (if a party is not an "eligible student," as defined in 34 CFR 99.3, then the district will obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3);

- 5.5.3. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
- 5.5.4. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
- 5.5.5. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;
- 5.5.6. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
- 5.5.7. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least 10 calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report; and
- 5.5.8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 calendar days prior to the time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

5.6. Exchange of Written Questions. After the district has sent the investigative report to the parties pursuant to subsection 5.5.8, but before reaching a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decision to exclude a question as not relevant.

5.7. Determination Regarding Responsibility

- 5.7.1. **Decision-Maker(s).** The decision-maker(s) cannot be the same person as the Title IX Coordinator or the investigator(s).
- 5.7.2. **Written Determination.** The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) will apply the preponderance of the evidence standard. The written determination will include:
 - 5.7.2.1. Identification of the allegations potentially constituting sexual harassment as defined in subsection 2.6;
 - 5.7.2.2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
 - 5.7.2.3. Findings of fact supporting the determination;
 - 5.7.2.4. Conclusions regarding the application of the district's code of conduct to the facts;

- 5.7.2.5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
- 5.7.2.6. The district's procedures and permissible bases for the complainant and respondent to appeal.
- 5.7.3. The district will provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.
- 5.7.4. The Title IX Coordinator is responsible for effective implementation of any remedies.
- 5.8. **Appeals.** The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.
 - 5.8.1. **Time for Appeal.** Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools within ten (10) calendar days of the date of the respective written determination of responsibility or dismissal from which the appeal is taken. The Notice of Appeal must include (a) the name of the party or parties making the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds (from subsection 5.8.2 below) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy, 34 C.F.R. part, 106, and Title IX.
 - 5.8.2. **Grounds for Appeal.** Appeals from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, are limited to the following grounds:
 - 5.8.2.1. Procedural irregularity that affected the outcome of the matter;
 - 5.8.2.2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
 - 5.8.2.3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.
 - 5.8.3. As to all appeals, the district will:
 - 5.8.3.1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
 - 5.8.3.2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;
 - 5.8.3.3. Ensure that the decision-maker(s) for the appeal complies with the standards set forth in subsections 5.1.3–5.1.4.
 - 5.8.3.4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
 - 5.8.3.5. Issue a written decision describing the result of the appeal and the rationale for the result; and
 - 5.8.3.6. Provide the written decision simultaneously to both parties.
- 5.9. quality that may result in a chorus or choruses of one or predominantly one sex.
- 5.10. **Classes and Extracurricular Activities.** The district may provide non-vocational single-sex classes or extracurricular activities as permitted by 34 C.F.R. part 106.
- 6. **Athletics.** It is the policy of the district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, club, or intramural athletics offered by the district, and that the district will not provide any such athletics separately on such basis.
 - 6.1. **Separate Teams.** Notwithstanding the foregoing paragraph, the district may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport.

6.2. **Equal opportunity.** The district will provide equal athletic opportunity for members of both sexes. Unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams will not constitute noncompliance with this section.

7. **Certain Different Treatment on the Basis of Sex Permitted.** Nothing herein shall be construed to prohibit the district from treating persons differently on the basis of sex as permitted by Title IX or 34 C.F.R. part 106. For example, and without limiting the foregoing, the district may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

8. **Retaliation Prohibited.** Neither the district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).

8.1. **Specific Circumstances.**

8.1.1. The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section.

8.1.2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

9. **Notification of Policy.** The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

10. **Publication of Policy.** The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).

11. **Application Outside the United States.** The requirements of this policy apply only to sex discrimination occurring against a person in the United States.

12. **Scope of Policy.** Nothing herein shall be construed to be more demanding or more constraining upon the district than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the district is in compliance with Title IX and 34 C.F.R. part 106, then all of the district's obligations under this policy shall be deemed to be fulfilled and discharged.

Compulsory Attendance and Excessive Absenteeism (Policy 5001)

Required Attendance

Every person residing in the school district who has legal or actual charge or control of any child who is of mandatory attendance age shall cause that child to attend a public or private school regularly unless the child has graduated from high school or has been allowed to disenroll pursuant to this policy.

Mandatory Attendance Age

All children who are or will turn six years old before January 1 of the current school year are of mandatory attendance age. Children who have not turned eighteen years of age are of mandatory attendance age.

Exceptions

This policy does not apply when temporary illness or severe weather conditions make attendance impossible or impracticable.

A child who will not reach age 7 before January 1 of the current school year may be excused from mandatory attendance if the child's parent or guardian completes an affidavit affirming that alternative educational arrangements have been made for the child. A copy of the required affidavit is attached to this policy.

Discontinuing Enrollment – 5 Year Old Students

The person seeking to discontinue the enrollment of a student who will not reach six years of age prior to January 1 of the current school year shall submit a signed, written request to the superintendent using the form which is attached to this policy. The school district may request written verification or documentation that the person signing the form has legal or actual charge or control of the student. The school district shall discontinue the enrollment of any student who satisfies these requirements. Any student whose enrollment is discontinued under this subsection shall not be eligible to re-enroll in this school district until the beginning of the following school year unless otherwise required by law.

Discontinuing Enrollment – 16 and 17 Year Old Students

Only children who are at least 16 years of age may be disenrolled from the district. The person seeking to discontinue the child's enrollment shall submit a signed, written request and submit it to the superintendent using the form which is attached to this policy. The district will follow the procedures outlined on the attached form in considering requests to disenroll.

Only children disenrolling to attend a non-accredited school may be exempt from this policy. The person with legal or actual charge or control of the child must provide the superintendent with a copy of the signed request submitted to the State Department of Education for attending non-accredited schools. The superintendent may confirm the validity of the submission with the State Department of Education.

Attendance Officer

Each building principal is designated as an attendance officer for the district. Each building principal, at their discretion, may delegate these responsibilities to any other qualified individual. The attendance officer is responsible for enforcing the provisions of state law relating to compulsory attendance. This responsibility includes but is not limited to filing a report with the county attorney of the county in which a student resides. Compensation for the duties of attendance officer is included in the salary for the superintendent or designee.

Excessive Absenteeism

When a student receives five (5) absences or the hourly equivalent in any semester, the Attendance Officer will follow the attached procedure for addressing barriers to the student's attendance.

Reporting Excessive Absenteeism

The building administrator shall report to the county attorney of the county in which the student resides when the school has documented the efforts made that the collaborative plan to reduce barriers identified to improve regular attendance has not been successful and that the child has been absent more than 20 days per year.

Pregnant and Parenting Students (Policy 5008)

Students who are pregnant or parenting are encouraged to continue participating in the district's educational and extracurricular programs.

- I. Accommodations Regarding Attendance and Participation
 - A. Generally - Students who anticipate deviations from their regular school experience or accrue absences due to pregnancy or parenting should notify their building principal as early as possible to discuss their educational programming. The building principal will work with the student to develop a plan to assist the student in participating in district curriculum and extra-curricular activities. Such a plan will include:

1. The provision of online courses if the student cannot regularly attend classes;
 2. The arrangement of meeting times with teachers;
 3. The identification of child care providers that meet statutory requirements for quality and care if the student has not identified appropriate child care; and
 4. All other curricular adjustments, modifications, and means of supplementing classroom attendance deemed appropriate by the school administrators, which will include, but not be limited to, the modification of attendance policies.
- B. Students with Disabilities - For students with disabilities who have an IEP or Section 504 plan, the administrators, student's parents or guardians, and student if appropriate will collaborate with the student's educational team to coordinate accommodations consistent with state and federal law. As permitted by law, students may be entitled to accommodations as a result of pregnancy.
- II. Accommodations Regarding Lactation and Breastfeeding
- A. Accommodations
1. In order to accommodate lactating and breastfeeding students, the district will provide reasonable opportunities to express breast milk or breastfeed in a place, other than a bathroom, which is shielded from view and free from intrusion from district students, employees, and the public.
 2. Students who wish or need to express breast milk on a regular schedule will work with school administrators to create a schedule which accommodates the student's needs while facilitating education to the maximum extent possible.
 3. The district will provide a location for students to store expressed breast milk in or near the location designated for students to express milk to create the least amount of disruption to the student's participation in class or activities.
- B. Educational Process - In order to prevent interference with the educational process, no student shall express breast milk within school classrooms or buses. Nothing in this policy limits the authority of the administration to impose consequences consistent with the Student Discipline Act and other state and federal law.

Absence Procedures

Good school attendance and punctuality are important and closely related to success in school.

- When a student is to be absent from school, **a parent or guardian must notify the attendance secretary.** The attendance secretary is available at 7:00 a.m. To help us ensure student safety, please call 402-331-4701 before 8:30 a.m. If the school has not received a call, the school shall call the parent/guardian to verify the student's whereabouts. Parents/guardians are expected to call each day that the student is to be absent from school, unless other arrangements have been made.
- Following an absence, a student must report to the office with a note from home explaining the reason for the absence, if the parents did not previously call the attendance secretary.
- Students may not leave school at any time before dismissal without prior parental permission.
- Calls to remove a student from school due to illness during the school day must come from the nurse's office (not personal cell phone or classroom phone).
- Please arrange for absences for reasons other than illness and family emergencies as far in advance as possible. If a student is on a school-sponsored trip, the absence is considered an activity and does not count against their absent total or their perfect attendance. If the student is going with parents, it is a permissible absence, though it will count towards their number of absences for the year. In either case, students are required to get assignments in advance and complete as much as possible in advance. Students may or may not be excused from school to participate in trips sponsored by outside organizations.
- Students are expected to be in their classrooms and in their seats when the tardy bell rings.

Unexcused Absences

Students can gain the most from their education if they attend classes on a regular basis. All absences must be with the permission of parents and the proper school officials. If a student is absent without being properly

excused, it can be considered a truancy. A truancy is defined as follows: After leaving home, a student does not attend school, does not attend a class, overtly refuses to attend school, or leaves school after arrival without permission of school officials.

Habitual Truancy/Notification

Habitual truancy is defined as excessive absences or tardies, which inhibit a child's ability to be successful in their education. Excessive absences are best resolved when the parents/guardians, school, physicians, and the community work together.

Parents/guardians are asked to notify and work with building administrators or assignees regarding reasons for absences and any extended or recurring illnesses or family emergencies involved. Illnesses of 3 days or more will require a doctor's note. If illness continues to be a reason for absences, a form will be given to the parents or mailed to the doctor's office to be completed by the student's physician. School authorized or sponsored activities, trips, and all suspensions and expulsions that may result in absence from classes are not counted as absences from school for truancy purposes.

A student who is absent 5 days or the hourly equivalent per quarter will be reported to the building administrator.

The building administrator is required to render all services in the school district's power to compel the student to attend school including:

- One or more meetings with the parent/guardian and child, if necessary, to report and attempt to solve the truancy problem.
Educational counseling provided by the school counselor or student assistance team.
- Educational evaluation and specific efforts by the school to help remedy any condition diagnosed.
- Investigation by review of records and documented interventions by the school social worker. If the school social worker determines further review is needed, they will meet with appropriate school personnel, the parent/guardian, and child to discuss the need for interventions and/or referral to appropriate community services.

Upon accumulation of 10 recorded absences, a form letter will be sent to the parent/guardian of the child notifying them of the school attendance policy and the Nebraska Compulsory Attendance Law.

Upon accumulation of 15 recorded absences, a form letter will be sent to the parent/guardian of the child notifying them of the school attendance policy, the compulsory attendance law, and the school's requirement to notify the county attorney after 20 school absences are reported.

A student who reaches 20 absences (**regardless of whether any of the absences were excused**) will be referred to the Douglas County Attorney's Office as habitually truant as required by law (79-209).

The Ralston Board of Education authorizes the Ralston School District to render all services in its power to compel a child who has accumulated five days of unexcused absences per quarter, or the hourly equivalent, to attend some school, which the person having control of the child shall designate, in an attempt to remediate the child's truant behavior.

Leaving School Early

To ensure the safety of our students, we are requiring that when a student is being picked up by you, the parent/guardian, or anyone else, that proper I.D. be shown. The person picking up the student must be on the Family Information Sheet. If the person is not on the information sheet, we will not allow the student to leave the school with this individual.

Student Bullying (Policy 5054)

Definition of Bullying. The Centers for Disease Control and Prevention defines bullying as “any unwanted aggressive behavior(s) by another youth or group of youths who are not siblings or current dating partners that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated.” Nebraska statute defines bullying as “an ongoing pattern of physical, verbal or electronic abuse.” The District’s administrators are authorized to use both of these definitions to determine whether any specific situation constitutes bullying. Both of these definitions include both in-person and cyberbullying behaviors.

Bullying Prohibited. Students are prohibited from engaging in any form of bullying behavior.

Reporting Bullying. Students who experience or observe bullying behavior must immediately report what happened to a teacher or administrator. Students can use the district’s anonymous platform safe2help located at www.Safe2helpNE.org or at 531-299-7233 to make this report. Students may always confer with their parents or guardians about bullying they experience or witness, but the students must also ultimately report the situation to a teacher or administrator.

Bullying Investigations. School district staff will investigate allegations of bullying using the same practices and procedures that the district observes for student disciplinary matters. In no circumstance will school district staff be deliberately indifferent to allegations of bullying.

Disciplinary Consequences. The disciplinary consequences for bullying behavior will depend on the frequency, duration, severity and effect of the behavior.

A student who engages in bullying behavior on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or their designee, or at school-sponsored activities or school-sponsored athletic events may be subject to disciplinary consequences including but not limited to long-term suspension, expulsion, or mandatory reassignment.

Without limiting the foregoing, a student who engages in bullying behavior that materially and substantially interferes with or disrupts the educational environment, the district’s day-to-day operations, or the education process, regardless of where the student is at the time of engaging in bullying behavior, may be subject to discipline to the extent permitted by law.

Bullying Based on Protected Class Status. Bullying based on protected class status is unique and may require additional investigation. The appropriate district staff member or coordinator will promptly investigate bullying complaints that violate the district’s anti-discrimination policies.

Support for Students Who Have Experienced Bullying. Regardless of where the bullying occurred, the district will consider whether victims of bullying are suffering an adverse educational impact and, if appropriate, will refer those students to the district’s student assistance team or other resources as appropriate.

Bullying Prevention and Education. Students and parents are encouraged to inform teachers or administrators orally or in writing about bullying behavior or suspected bullying behavior. School employees are required to inform the administrator of all such reports. The appropriate administrator shall promptly investigate all such reports. Each building shall engage in activities which educate students about bullying, bullying prevention and digital citizenship.

Policy Review. The school district shall review this policy annually.

Student Discipline (Policy 5035)

Administrative and teaching personnel may take actions regarding student behavior, other than those specifically provided in this policy and the Student Discipline Act, which are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include, but need not be limited to, counseling of students, parent conferences, referral to restorative justice practices or services, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. Disciplinary consequences may also include in-school suspension, Saturday School,

and any other consequence authorized by law. District administrators may develop building-specific protocols for the imposition of student discipline.

In this policy, references to "Principal" shall include building principals, the principal's designee, or other appropriate school district administrators.

Any statement, notice, recommendation, determination, or similar action specified in this policy shall be effectively given at the time written evidence thereof is delivered personally to or upon receipt of certified or registered mail or upon actual knowledge by a student or his or her parent or guardian.

Any student who is suspended or expelled from school pursuant to this policy may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be determined on a case-by-case basis by the principal of the building to which the student is reassigned.

Pre-Kindergarten through Second Grade Students

Notwithstanding any other provision of this policy, an elementary school shall not suspend a student in pre-kindergarten through second grade unless the student brings a deadly weapon as defined in section 28-109 on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or his or her designee, or at a school-sponsored activity or athletic event. As an alternative to suspension, the school district may take any action authorized by law, including those provided in section 79-258.

Makeup Work for Suspended Students

Any student who is suspended must be given an opportunity to complete any classwork and homework missed during the period of suspension, including, but not limited to, examinations ("makeup work"). Any makeup work must be completed and turned in within 2 school days after completion of the suspension. This makeup guideline shall be provided to the student and a parent or guardian at the time of suspension. Suspended students may not be required to attend the school's alternative program for expelled students in order to complete classwork or homework.

Short-Term Suspension

The Principal may exclude students from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

1. Conduct constituting grounds for expulsion as hereinafter set forth; or,
2. Other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff of the school, that occur on or off school grounds, if such conduct interferes with school purposes or there is a connection between such conduct and school.

The following process applies to short-term suspension:

1. The Principal shall make a reasonable investigation of the facts and circumstances. Short-term suspension shall be imposed only after a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
2. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what he or she is accused of having done, be given an explanation of the evidence the authorities have, and be given an opportunity to explain the student's version of the facts.
3. Within 24 hours or such additional time as is reasonably necessary, **not to exceed an additional 48 hours**, following the suspension, the Principal will send a written statement to the student, and the student's parent or guardian, describing the student's conduct, misconduct or violation of the rule or standard and the reasons for the action taken. An opportunity will be given to the student, and the student's parent or guardian, to have a conference with the Principal ordering the short-term suspension before or at the time the student returns to school **and shall document such effort in writing**. The Principal shall determine who, in addition to the parent or guardian, is to attend the conference.
4. Students who are short-term suspended **must** be given the opportunity to complete classwork **and homework missed during the period of suspension**, including but not limited to examinations, as provided herein.

Emergency Exclusion

Students may be emergency excluded from school pursuant to the board's separate policy on emergency exclusion or state law.

Weapons and/or Firearms

Students may be disciplined for the possession of weapons and/or firearms pursuant to the board's separate policy on weapons and firearms or state law.

Long-Term Suspension

Students may be excluded by the Principal from school or any school function for a period of more than five school days but less than twenty school days (long-term suspension) for any conduct constituting grounds for expulsion as hereinafter set forth. The process for long-term suspension is set forth below.

Expulsion

1. **Meaning of Expulsion.** Expulsion means exclusion from attendance in all schools, grounds and activities of or within the system for a period not to exceed the remainder of the semester in which it took effect unless the misconduct occurred (a) within ten school days prior to the end of the first semester, in which case the expulsion shall remain in effect through the second semester, or (b) within ten school days prior to the end of the second semester, in which case the expulsion shall remain in effect for summer school and the first semester of the following school year, or (c) unless the expulsion is for conduct specified in these rules or in law as permitting or requiring a longer removal, in which case the expulsion shall remain in effect for the period specified therein. Such action may be modified or terminated by the school district at any time during the expulsion period.
2. **Summer Review.** Any expulsion that will remain in effect during the first semester of the following school year will be automatically scheduled for review before the beginning of the school year. The review will be conducted by the hearing officer who conducted the initial expulsion hearing, or a hearing officer appointed by the Superintendent in the event no hearing was previously held or the initial hearing officer is no longer available or willing to serve, after the hearing officer has given notice of the review to the student and the student's parent or guardian. This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise the student may be readmitted by action of the Superintendent.
3. **Suspension of Enforcement of an Expulsion:** Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which the school district deems appropriate.
4. **Alternative School or Pre-expulsion Procedures.** The school shall either provide an alternative school, class or educational program for expelled students, or shall follow the pre-expulsion procedures outlined in NEB. REV. STAT. 79-266.

Reporting Requirement to Law Enforcement

Violations of this section will result in a report to law enforcement if:

1. The violation includes possession of a firearm;
2. The violation results in child abuse;
3. It is a violation of the Nebraska Criminal Code that the administration believes cannot be adequately addressed solely by discipline from the school district;
4. It is a violation of the Nebraska Criminal Code that endangers the health and welfare of staff or students;

6. The report is required or requested by law enforcement or the county attorney.

Student Conduct

Ralston Middle School will incorporate into its discipline policy a combination of the following:

- Detentions
- Parent Contact
- In-school Suspension (I.S.S.)
- Out of School Suspension (O.S.S.)

Based on the decision of the RMS staff and administration and the severity/seriousness of the incident students may be assigned the appropriate penalties above or other consequences, as necessary.

Tardy Procedures

Being on time is an important life skill that all students need to learn and model to become successful in current and future endeavors. Because we believe strongly in this life skill, we fully expect students to arrive at their classrooms on time and ready to learn. We have a general discipline continuum that will be followed for students who are chronically late to class. Remedies may include but are not limited to detention, in-school suspensions, and/or loss of privileges.

Restricted Lunch Assignment

If you are assigned to restricted lunch you are to:

- Check into the office to determine placement for your lunch detention.
- Be responsible for cleaning up your area when you are done with lunch.
- If behavior during lunch detention does not meet expectations, or if students do not take the responsibility to serve these detentions, additional detentions will be assigned.
- Be present for the assigned number of days. Absences will not count for days assigned.

In-Service Days

At the decision of the administration, students may be assigned to In-service Days or student vacation days for the following misconduct:

1. Truancies or chronic tardiness to classes.
2. Vandalism/Stealing.
3. Fighting.
4. Cheating/Missing work
5. Gross disrespect toward school officials/employees.
6. Threatening or intimidation of other students/school officials. This includes sexual, verbal, or physical harassment.
7. Behavior that seriously interferes with classroom instruction or other activities associated with school.

This time affords students an opportunity to serve discipline obligations, attend school full time, and take advantage of the educational opportunities regular school attendance affords. It also gives students an opportunity to complete work usually done at home. All school rules apply to students while attending these days. In-Service Days begin at 8:00 a.m.

In-School Suspension

At the discretion of the administration, a student may be assigned to in-school suspension if they have violated a major rule or are continually disruptive in class. Students are disciplined through isolation from the regular class atmosphere, restricted periods of silence, and strict observance of other rules. Failure to comply with the following guidelines could result in additional time assigned to in-school suspension or out-of-school suspension.

Guidelines for In-School Suspension

- Students are to be responsible for bringing all needed materials.
- Students will be given a work schedule to structure their day.
- Students are to complete all assignments given to them by their teachers.
- Students may be required to complete a suspension-learning packet, which will be related to the offense for which they were assigned in-school suspension, or the student may be required to complete a think sheet.
- An in-school suspension day begins at 8:00 a.m. and concludes at 3:24 p.m.

Grounds for Emergency Exclusion (Policy 6031)

Any student may be excluded from school in the following circumstances subject to the procedural provisions governing short term suspension found elsewhere in these policies or state law -

1. If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or
2. If the student's conduct presents a clear threat to the physical safety of themselves, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

Extension of Exclusion

Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for up to five school days on an emergency basis. If the superintendent or superintendent's designee determines that it is appropriate to consider the extension of an exclusion beyond five days, such consideration shall be made according to the procedures set forth below.

Notification of Student's Parent(s) or Guardian(s)

The superintendent or the superintendent's designee shall notify the student's parent(s) or guardian(s) that the principal has proposed the extension of the exclusion. If the initial notice is oral, the superintendent shall confirm it in writing.

Opportunity to Request a Hearing

The student's parent(s) or guardian(s) may submit an oral request for a hearing on the proposed extension of the exclusion within two school days of receiving the initial notice. If the initial request for a hearing is oral, they shall confirm the request in writing.

Failure to Request a Hearing

If the parent(s) or guardian(s) do not request a hearing within two school days of receiving oral or written notice, the proposed extension of the exclusion shall automatically go into effect.

Appointment and Qualifications of a Hearing Examiner

If the parent(s) or guardian(s) request a hearing, the superintendent shall appoint a hearing examiner upon receiving a request for a hearing. The hearing examiner may be any person who did not bring charges against the student, is not to be a witness at the hearing, and has no involvement in the charge.

Hearing Examiner's Notice to Parent(s) or Guardian(s)

The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within five school days after the school district receives the initial oral or written request; provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.

Continued Exclusion

If a hearing is requested, the principal may determine in their sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the superintendent.

Examination of Student's Records and Affidavits

Prior to the hearing, the student and their parent(s) or guardian(s) shall have the right to examine and have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.

Attendance at Hearing

The hearing may be attended by the hearing examiner, the principal (or designee), the student, and the student's parents or guardian(s). The student may be represented at this hearing by a representative of the family's choice.

Student's Witness(es)

The student and their parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. If school personnel or other students are requested to testify by the student's parent(s) or guardian(s), the hearing officer shall endeavor to help obtain the presence of such witnesses at the hearing.

Right to Know Issues and Nature of Testimony

The student and their parent(s) or guardian(s) have the right to request in advance of the hearing the issues which the administration will propose in support of the extension, and the general nature of the testimony of any administrative or expert witnesses.

Presence of Student and Witnesses at the Hearing

The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in their own defense and may be questioned on such testimony, but may choose not to testify.

Sworn or Affirmed Testimony

The principal or their designee shall present evidence supporting the recommended extension of the exclusion. Witnesses will give testimony under oath of affirmation, and may be questioned.

Hearing Examiner's Report and Recommendations

The hearing examiner shall prepare a report of their findings and recommendations, and forward the report to the superintendent.

Superintendent's Decision

The superintendent will review the hearing examiner's report and determine whether to extend the exclusion. They shall have the decision delivered or sent by registered or certified mail to the student, the student's parent(s), or guardian(s). If the superintendent decides to extend the exclusion, the extension will take effect immediately.

District Drug Policy

The School District of Ralston is concerned about the academic growth and the personal welfare of every person associated with the schools. The misuse of alcohol, marijuana, or other chemicals can seriously interfere with one's health. This is essentially true of teenagers since adolescence is a period of rapid change and important personality integration. The inappropriate use of alcohol and other chemicals can not only hinder academic achievement but also affect physical health and even block personal growth.

It shall be the policy of the School District of Ralston to take positive action through education, counseling, parental involvement, medical referral, and police referral in the handling of incidents in the school involving the possession, sale, and/or use of behavior affecting substances. These substances shall include, but are not limited to, marijuana, LSD, glue, alcohol, barbiturates, and other controlled chemical substances.

Inspection of school district property for the location of drugs, narcotics, liquor, weapons, poisons, and missing properties are matters relating to health and safety and may be regarded as reasonable purposes for such inspection by school personnel.

Drug and Chemical Use

When a student is found using, possessing, or under the influence of alcohol, marijuana, drug paraphernalia, or other illegal drugs, the following disciplinary actions will be taken -

1. The police will be contacted in all cases of possession of suspected illegal drugs and/or alcoholic beverages.
2. The student will be suspended from school for up to five days pending recommendation from their parent(s) to meet with the administration of Ralston Middle School. Additional disciplinary action may be invoked if the student participates in extracurricular activities or athletics.
3. Repeat occurrences of illegal drug or alcohol abuse will lead to expulsion proceedings.

Use of Tobacco Products (Policy 3016)

The use or possession of any tobacco products, including cigarettes, cigars, or other tobacco or tobacco derivative products; vapor products or electronic nicotine delivery systems; alternative nicotine products; or any other such look-alike or imitation product, is not permitted on school property at any time.

Investigations, Arrests, and Other Student Contact by Law Enforcement and Health and Human Services (Policy 5022)

Investigations and Arrests by Police or Other Law Enforcement Officers Police or other law enforcement officers may be called to the school at the request of school administration, or may initiate contact with the school in connection with a criminal investigation. The school district shall not allow law enforcement officers access to students to conduct an investigation during school hours unless the officers are investigating charges that the student has been the victim of abuse or neglect. Contact between the school and law enforcement authorities on matters involving students shall be made through the office of the superintendent or principal and the law enforcement officer.

Law enforcement officers may talk to a student away from the school before or after school hours, and they should be encouraged to do so. Law enforcement officers shall be allowed to conduct an interview at the school only when the interview is conducted at the request of the school or when they can show that special circumstances exist. This determination should be made by the appropriate building principal or superintendent. Law enforcement officers should be permitted to interview students on school grounds only after providing the superintendent or appropriate building principal with a statement in writing that the law enforcement officer has reason to believe and does believe that the student is the victim of child abuse or neglect perpetrated by the child's parent(s) or some other member of the child's immediate family or household, and that the law enforcement official wishes to interview the student regarding such abuse or neglect.

Throughout this process, all attempts should be made to avoid embarrassing the student before their teachers and peers, and to avoid disrupting the student's and school's education program.

1. Law enforcement officers should be permitted to take custody of a student if they possess an arrest warrant or if they otherwise assert a lawful basis for doing so. Whenever possible, the arrest or release of the student should be conducted in the building principal's office and out of the view of other students. When a principal or other school official releases a minor student to a law enforcement officer for the purpose of removing the minor from the school premises, they shall take immediate steps to notify the parent, guardian, or other responsible adult regarding the release of the minor to the officer and the place to which the minor is reportedly being taken, except when a minor has been taken into custody as a victim of suspected child abuse. If the law enforcement officer indicates that the child is being taken into custody because the child is the victim of suspected child abuse, the principal or other school official shall, as a condition of releasing the student to the law enforcement officer, require the officer to sign the statement appended hereto certifying that the child is being removed from school premises because they are believed to be the victim of child abuse and that the officer understands and will comply with the legal requirements of NEB. REV. STAT. § 79294.
2. Law enforcement personnel shall not be allowed to roam about the school until the student is found, and shall remain in the administration office while school personnel seek the student. A district employed SRO may move about the building as needed.
3. If possible, the education program of the student should not be disrupted to allow for police questioning of the student during class time.
4. Any questioning by law enforcement officers that is permitted should be conducted in a private room or area where confidentiality can be maintained. This should be an area removed from observation by or contact with other pupils and school personnel.
5. If law enforcement officers are to be allowed to question a student under the age of 18, the principal or school official shall make a reasonable attempt to notify the child's parents before questioning begins, except in cases of suspected child abuse or child neglect involving the parent or other family member. The parents should be given the opportunity to come to the school prior to the questioning.

6. If the parents are notified and are able to attend, they should be allowed to be present at the interview. The principal or designee should be present at the interview, but should not take part in any questioning. The principal or designee should remain a neutral observer at all times.
7. School representatives may search lockers, personal belongings, and cars that students drive to school when there is reasonable cause to do so. This includes, but is not limited to, clothes, book bags, purses, books, and gym bags.
8. The district superintendent or designee may authorize the use of trained sniffer dogs for detection of illegal drugs, explosives and/or contraband at any time.
9. The district superintendent or designee may authorize the use of preliminary breath tests (or alcohol sensors) on school property.

Use of Sniffer Dogs (Policy 3045)

The board of education finds that the possession of illegal drugs and other contraband on school grounds is unlawful, is disruptive of the educational process, is harmful to students and staff, and is contrary to the interests of the school district. Accordingly, to minimize the presence of these items on school grounds, the administration is authorized to use sniffer dogs according to the protocol set forth in this policy.

Protocol for Use of Sniffer Dogs

1. The superintendent, or the building principal with the superintendent's permission, may initiate the use of specially trained sniffer dogs to conduct an inspection.
2. The administration will contact the canine provider and/or the appropriate law enforcement agency to schedule the use of a sniffer dog or dogs. The administration shall require an assurance from the provider that any sniffer dogs to be used in the school have been properly trained, and may request evidence of the training and/or certification of the dogs. In no event will the school district authorize a sniffer dog to sniff any person.
3. The superintendent or if designated by the superintendent, the building principal, and law enforcement representatives or canine provider will confer regarding the specific plan of areas to be inspected. The plan may involve any or all school building facilities, vehicles in the school parking lot, or other areas where students and staff vehicles are parked on school property during or after school hours.
4. If the inspection is scheduled for a day when school is in session, students and staff will be informed over the public address system, and will be directed to remain in their rooms until given further directions.
5. During the inspection, administrators may assign personnel to designated areas as deemed appropriate to assist in the smooth handling of the inspection.
6. After the inspection is finished, students and staff will be notified over the public address system, and will be thanked for their cooperation.
7. If the sniffer dog alerts, the alert will constitute reasonable cause for the administration to conduct a search of the property. If the sniffer dog alerts on a vehicle on school grounds, the owner will be required to unlock the vehicle doors and trunk for further inspection of the interior of the vehicle. If the owner refuses to unlock the vehicle, the matter will be turned over to law enforcement authorities. The owner will be subject to disciplinary action as specified in board policy and/or the student or staff handbook or as otherwise allowed by law. This may include discipline for the refusal to obey an administrative directive.
8. Any illegal drugs or contraband found on school grounds, whether in a desk, locker, vehicle, or any other place on school grounds, will be confiscated and turned over to law enforcement authorities. A student's parents will be contacted. The individual will be subject to disciplinary action as specified in board policy and/or the student or staff handbook or as otherwise allowed by law.
9. At the conclusion of the inspection, school officials will confer with the canine provider and/or any law enforcement authorities who were involved in the inspection to review the results of the inspection. The administration may authorize any follow-up inspections or other action deemed appropriate.

Notice to students and staff

Students and staff shall be informed of the District's policy regarding the use of sniffer dogs as soon as practicable after the adoption of this policy. Thereafter, students and staff shall be informed of the policy at the beginning of the school year. By this policy and/or via the provision in the student or staff handbook, students and staff are specifically notified that:

1. Lockers may be sniffed by sniffer dogs at any time.
2. Vehicles parked on school property may be sniffed by sniffer dogs at any time.
3. Classrooms and other common areas may be sniffed by sniffer dogs at any time students and staff are not present.
4. If contraband of any kind is found, the student or staff member shall be subject to appropriate disciplinary action.

The only exceptions for a student to bring or possess a weapon, including a firearm, are as follows -

1. The firearm or weapon has been brought to school grounds or to an activity or event off school grounds for some educational purpose;
2. The person bringing the firearm or weapon has requested and received the prior approval of both the instructor and the building principal to do so; and
3. All arrangements to use and store the firearm or weapon safely while it is on school premises have been agreed to and carried out.

Consequences - Firearm

Any student who brings a firearm, as that term is defined in 18 United States Code 921, to school will be expelled from school for one calendar year. The superintendent of schools and the board of education shall have the authority to modify the expulsion requirement on a case-by-case basis.

Consequences – Weapon

State law and this policy provides that any student who violates this policy by knowingly bringing, possessing, handling or transmitting a weapon, other than a firearm, on school grounds, in a school owned vehicle, or at a school activity or event off school grounds may be suspended on a long-term basis, mandatorily reassigned, or expelled for the remainder of the school year in which the expulsion takes effect (if the misconduct occurs during the first semester) or the remainder of the second semester, summer school, and the first semester of the following school year (if the misconduct occurs during the second semester).

Confiscation of Firearms

Administrative and teaching personnel are statutorily authorized, without a warrant, to confiscate any firearm possessed in violation of this policy. By statute, any firearm that is confiscated by school personnel shall be delivered to a peace officer as soon as practicable. Such firearms are subject to being destroyed by law enforcement authorities.

Report to Law Enforcement Authorities

All school personnel are required to report any violation of this policy to a principal or the superintendent of schools. Pursuant to state and federal law, school personnel are required to report to law enforcement authorities when a student brings a firearm or weapon to school.

Visitors (Policy 3056)

The Board of Education and staff of the District welcome visits to the schools. Such visitations will be governed by those rules and regulations established by the district to provide a safe environment.

- I. In accordance with building and District safety procedures, parents/guardians, students, and others may visit schools. These visits shall be in compliance with all building and District safety guidelines. The principal or appropriate Central Office administrator authorizing the visits shall consider the following
 - A. Disruption to the educational environment;
 - B. Distraction to students and staff;
 - C. Confidentiality for students and staff;
 - D. Safety of students and staff.
- II. Parent/Guardians
 - A. Parents wishing to attend and monitor courses, counseling sessions, and other instructional activities, must obtain prior approval of the appropriate teacher, counselor, or administrator as defined by the building handbook.
 - B. Parents attending or monitoring courses with prior approval who, by their conduct or presence, interfere with the educational process or constitute an interference with school purposes, will be asked to leave.
 - C. Parents attending building assemblies, building activities, classroom activities/parties during school hours will sign in at the office in accordance with building procedures.

- A. Visits by students from other school districts or buildings must be cleared through the building principal. If approval is given, a visitor's pass will be issued.
- B. Children below legal school age wishing to visit the school must be accompanied by their parent or guardian
- C. Non-students (graduates, etc.) will not be allowed to visit in a building without special permission from the building principal.

IV. Program Visitation

- A. Persons wishing to visit schools for the purpose of viewing new programs, organizational patterns, facilities, etc. must obtain clearance from the appropriate Central Office administrator.

Student Illness

Medical. A school nurse or health aide is available at all times during the school day. If a student is not feeling well during school hours they should:

Tell the teacher and obtain a pass to the Health Office, you must have a pass to go to the Health Office. Please do not go to the Health Office during passing periods.

When, because of illness or injury to a student, it becomes inadvisable for the student to remain in school, a parent/guardian will be contacted by telephone and requested to come to school to pick up their student. If a parent/guardian can not be contacted, the emergency number that has been furnished to the school will be used.

The person picking up the student must do so within one hour of being contacted.

If parent/guardian/emergency contact can not be contacted and it is the opinion of the school officials that further medical aid is needed immediately, a rescue squad will be called, at the parents' expense, and the student will be transported to the nearest hospital.

Under no circumstances will an ill or injured student be allowed to leave school on their own without parental permission.

First Aid. The school attempts to provide a safe environment for your child. First aid will be administered when appropriate. Any treatment beyond first aid is the responsibility of the parents.

Students who suffer from a significant illness which has an actual or expected duration of six months or more may be eligible for accommodations and support under Section 504 of the Rehabilitation Act or under the Individuals with Disabilities in Education Act. The school will provide accommodations to students who are returning to school after a prolonged absence due to illness, including pediatric cancer, through a 504 plan or an IEP, as appropriate. The student's plan will include informal or formal accommodations, modifications of curriculum and monitoring by medical or academic staff as determined by the student's IEP team or 504 committee. Parents and staff will engage in ongoing communication about the needs of a student who is facing these circumstances.

Parents must complete emergency information for each child enrolled in the district. The information should list the family physician's name, where parents or a responsible adult can be located, and any necessary emergency instructions.

Immunizations (Board Policy 5010)

In compliance with Nebraska Law 79-217, each student wishing to enroll in the school district is required to be immunized against measles, mumps, rubella, poliomyelitis, diphtheria, pertussis, tetanus, hepatitis and varicella (chicken pox) prior to enrollment. Any student who does not comply with this policy shall not be permitted to continue attending school.

The district is not responsible for the cost of such immunizations.

Exceptions to this policy are listed below:

- a. Provisional Enrollment: Students who meet the statutory requirements for provisional enrollment shall be allowed to attend school for thirty days without the necessary immunizations.

- b. Immunization shall not be required if the student's parent or guardian submits one of the following to the superintendent of schools:
 - i. A statement signed by a medical professional stating that the required immunization would be injurious to the health and well-being of the student or any member of the student's household.
 - ii. An affidavit signed by the student or a legally authorized representative of the student, stating that the immunization conflicts with the student's religious beliefs.
- c. Students who are excepted from the immunization requirement may be excluded from school in the event of an outbreak of any contagious disease in the school population.

Medication of Students (Board Policy 5024)

Whenever possible, parents should arrange medication schedules to eliminate the need for giving medication during school hours. When it is necessary for school personnel to administer medication to students, the school district will comply with the Nebraska Medication Aide Act, the requirements of Title 92, Nebraska Administrative Code, Chapter 59, (promulgated by the Nebraska Department of Education and entitled Methods of Competency Assessment of School Staff Who Administer Medication), and all state and federal regulations. Parents and guardians who wish to have their child receive medication from school personnel must comply with the following procedures:

1. Prescription medication
 - a. Parents/guardians must provide a physician's written authorization for the administration of the medication.
 - b. Parents/guardians must sign an Authorization for Medication form provided by the school.
 - c. The medication must be brought to school by a responsible adult in the prescription container and must be properly labeled with the student's name, the physician's name, and directions for administering the medication.
2. Nonprescription/over the counter medication. Parents/guardians must provide a physician's written authorization for the administration of the medication. These included, but are not limited to, pain relievers, cold medicine, allergy medicine, etc..
 - a. Parents/guardians must sign an Authorization for Medication form provided by the school.
 - b. The medication must be brought to the school by a responsible adult in the manufacturer's container, and will be kept in the Health Office.
 - c. The container must be labeled with the child's name and with directions for provision or administration of the medication.

The district reserves the right to review and decline requests to administer or provide medications that are not consistent with standard pharmacological references, are prescribed in doses that exceed those recommended in standard pharmacological references, or that could be taken in a manner that would eliminate the need for giving them during school hours. The district may request parental authorization to consult with the student's physician regarding any medication prescribed by such physician.

At the end of the school year, if there is any medication left over, a responsible adult must pick this up from the Health Office. Any medication left after the school year has completed, will be properly disposed of.

The district will not purchase, prescribe, or provide any form of medication to any student.

The district will stock and use naloxone, when necessary in accordance with policy 3051.

Physical Examination

The State of Nebraska requires a birth certificate and evidence of a physical examination by a qualified physician for all incoming kindergartners, seventh graders, and all out-of-state transfer students.

Kindergarten students are required to have an eye examination by a qualified medical professional prior to enrollment.

Evidence of a physical examination must be dated no more than six months prior to entrance, and must be on file prior to the first day of school. **This is a state law.**

If there is objection to a physical examination, a refusal form must be signed and dated at the school by the parent/guardian.

Chronic Conditions

It is the parent/guardian's responsibility to notify the school health office of any chronic conditions that students may have including, but not limited to, asthma, allergies, diabetes, heart conditions, lung conditions, or seizures. The school may require a physician's order for treatment or a signed emergency action plan to assist staff in managing these chronic conditions at school. Also very important, is to keep the school notified of any changes in the student's condition.

Communicable Diseases

The School District of Ralston will use the communicable disease regulations set up by the State of Nebraska and local Health Departments concerning children with communicable diseases and their attendance at school.

Summary of Communicable Diseases and Contagious Conditions

Fever

Children will be sent home if they have a fever of 100 degrees or higher. **Children must be fever free for one full school day prior to returning to school.**

Vomiting

Children will be sent home if they vomit due to illness. **Children must be free from vomiting for one full school day prior to returning to school.**

Chicken Pox - By direct contact and airborne spread.

Approximately 2 weeks, but may be as long as 3 weeks, after exposure a susceptible person may be expected to "break out" with their first crop of blister-like eruptions. New eruptions can be expected to continue for 3-4 days. Students will be excluded from school for 7 calendar days, starting from the time of the first eruption. Due to the degree of severity, the student may stay out of school longer. Students may be sensitive to their appearance even when they are no longer contagious, causing their absence to be longer than 7 calendar days. Secondary infections after apparent recovery may occur. Cellulitis (skin disorder) and Bacteremia (blood poisoning) are the most common kinds of secondary infections. Complications as described below with measles may also occur.

Measles - (Rubella, Red or Hard Measles) By direct contact, droplet spread and less commonly by airborne spread.

Approximately 10 days after exposure a susceptible person may develop a fever. Within 2-3 days a red blotchy rash will develop, usually starting on the face and neck and becoming generalized. A dry, hacky cough will develop at the same time. This is a serious disease. Students are excluded from school until the 7th day after the initial appearance of the rash. Parents should be cautioned not to send children back to school too soon as complications such as ear infections leading to hearing loss, decreased visual acuity, pneumonia, and encephalitis are not uncommon.

Mumps - By direct contact and droplet spread.

Approximately 18 days after exposure a susceptible person may develop a fever and swelling or tenderness of one or more salivary glands. Students are excluded from school for 9 calendar days from the onset of swelling; complications may occur as above plus some including reproductive organs.

Rubella - By direct contact and droplet spread, may be airborne. (German or 3-day Measles)

Approximately 18 days after exposure a susceptible person may suffer from a low-grade fever, headache, feeling sluggish and cold-like symptoms. Most victims will manifest a rash. Diagnosis may be difficult if a rash is not present. Students should be excluded for 5 calendar days after onset of rash. This disease is highly contagious, but usually mild.

Impetigo, Scabies, and Ringworm

To be excluded from school upon recognition. To be readmitted when there is no longer evidence of contagion, or upon a written statement from physician or phone call from doctor's office indicating that the condition is under treatment and no longer considered contagious.

Pediculosis - (Head lice)

To be excluded when live vermin and/or eggs are present. To be readmitted the morning after treatment is started. Treatment consists of lice shampoo and nit comb. Eggs must be removed prior to the child returning to school. All family members and close contacts that attend school may be inspected by the nurse.

Pinkeye

To be excluded from school upon recognition. May return with a written doctor's statement or phone call from the doctor's office after prescribed treatment or when the eye is normal in appearance.

Fifth Disease

To be excluded upon recognition. May return with a written doctor's statement or phone call from the doctor's office. Characteristically begins on the face and classically produces an intensely red "slapped cheek" appearance. A lace-like rash may appear on the trunk and upper extremities.

Animals at School (Policy 3046)

Animals are not allowed in school district buildings or on school district property without the written permission of the superintendent except as provided in this policy. See Board Policy 3046 regarding Service Animals and Therapy Dogs for more information.

Lunch Program (Policy 5038)

The superintendent shall be the administrator of the school lunch program which shall be run in accordance with state and federal guidelines.

General Information

- You may bring or purchase your breakfast or lunch.
- Parents may wish to assure their child of a well balanced diet. If this is the case you can have your child's card coded. This code will alert the lunch help, and only a balanced meal can be purchased.
- We have an automated system for students to use in purchasing their breakfast or lunch.
- Federal School Food Service guidelines do not permit bringing food into the building for groups of students at serving time.
- Students who received free or reduced meals last year will qualify automatically the first week. However, the parents of those students must fill out a new application form and return it to the office in order to continue receiving free or reduced meals.
- All students will be given application forms and guidelines. Students will be notified if they are eligible.

Identimetrics Finger Scanning

The Ralston Public Schools use a finger scan system to provide security for your students meal account. All students are assumed to be eligible to participate in this system unless notified by the parent/guardian that they wish to exclude their student. All parents/guardians wishing to exclude their student from this program should contact their school secretary and request exclusion.

Chromebook Essentials

Receiving Your Chromebook

1. Parent/Guardian Orientation

All parents/guardians are expected to attend registration and sign the *Ralston Public Schools Student Chromebook Agreement* before a device will be issued to their student.

2. Distribution

Students will receive their Chromebook and related peripherals within the first two weeks of school. Students and parents/guardians will need to sign the *Ralston Public Schools Student Chromebook Agreement* Receipt before receiving their Chromebook.

3. Transfer/New Student Distribution

All transfers/new students will be able to pick up their Chromebook from the school media center/technology office. **Students and parents/guardians will need to sign the *Ralston Public Schools Student Chromebook Agreement* Receipt before receiving their Chromebook.**

Returning Your Chromebook

1. End of Year

Students returning to the district the next school year, will retain their Chromebook and all issued peripherals over the summer unless parents elect to return their student's device for the summer.

2. Transferring/Withdrawing Students

Students who transfer out of or withdraw from the Ralston Public Schools must turn in their Chromebook and related peripherals to the media center/technology office on or before their last day of attendance. Failure to turn in the Chromebook will result in the student being charged the full replacement cost. Unpaid fines and fees of students leaving the Ralston Public Schools must be paid prior to disenrollment from the district. The district may also file a report of stolen property with the Police Department.

RPS Chromebook Coverage Program

Ralston Public Schools offers the opportunity to participate in the optional RPS Chromebook Coverage Program designed to protect students and families from full financial responsibility for device repairs and/or replacement. The cost is \$20.00/\$10.00* (*reduced for students who qualify for Free/Reduced Lunch Program) **annually** for each Chromebook and it covers the summer months if parents/students elect to keep the Chromebook over the summer.

Payment must be submitted by September 1st in order to participate in this program. After this date, a student's device will not be eligible for the RPS Chromebook Coverage Program. Students enrolling at RPS throughout the school year will have three weeks to submit payment in order to participate in the RPS Chromebook Coverage Program. If a student withdraws from Ralston Public Schools and then re-enrolls later in the current school year, the coverage purchased at the student's initial registration will be reinstated. **Premiums are non-refundable.**

The program covers devices assigned to the student against accidental damage and/or loss. Damaged, lost, or stolen devices should be reported immediately according to the process described during orientation. Ralston Public Schools will require that a police report be submitted in cases of theft. Fraudulent reporting of theft will be turned over to the police for prosecution. A student making a false report will also be subject to disciplinary action as outlined by the school code of conduct.

Total value of repairs or device replacement will be determined by RPS. The program will pay the amount of damage or replacement per the schedule of repairs listed **below**. Damage as a result of gross negligence or purposeful damage will

not be covered under the RPS Computing Device Coverage Program. Parents/Guardians are responsible for 100% of damages due to gross negligence. The district reserves the right to discontinue participation for students with unusually high numbers of claims. Such discontinuation will be effective 30 days after notification to the student and parent/guardian.

Training

Students will receive training to address care and usage of the Chromebook as well as usage of their Google (@ralstonschools.org) account. Digital Citizenship training will also be provided to address respectful, responsible, and ethical use of the internet and digital tools.

Taking Care of Your Chromebook

Students are responsible for the general care of the Chromebook which they have been issued by the school. Chromebooks that are broken or fail to work properly must be taken to the school media center/technology office. If a loaner Chromebook is needed, one will be issued to the student until their Chromebook can be repaired or replaced.

General Precautions

- No food or drink should be next to your Chromebook.
- Cords, cables, and removable storage devices must be inserted carefully into the Chromebook.
- Students should never carry their Chromebook while the screen is open.
- Chromebooks should not be used or stored near pets.
- Chromebooks should not be used with the power cord plugged in when the cord may be a tripping hazard.
- Chromebooks must remain free of any writing, drawing, stickers, or labels.
- Chromebooks, not being used for an extended period of time, should be shut down in order to conserve battery life.
- Chromebooks should never be shoved into a locker or wedged into a book bag as this may break the screen.
- Heavy objects should never be placed on top of Chromebooks.
- Do not expose your Chromebook to extreme temperature or direct sunlight for extended periods of time. Extreme heat or cold may cause damage to the Chromebook.
- Always bring your Chromebook to room temperature prior to turning it on.

Device Protection

- Students and parents may decide to add additional protection for their Chromebooks by purchasing a hard protective case and/or sleeve from an outside source.

Carrying Chromebooks

- Always transport Chromebooks with care.
- Never lift Chromebooks by their screen.
- Never carry Chromebooks with the screen open.

Screen Care

- The Chromebook screen can be damaged if subjected to heavy objects, rough treatment, some cleaning solvents, and other liquids. The screens are particularly sensitive to damage from excessive pressure.
- Do not put pressure on the top of a Chromebook when it is closed.
- Do not store a Chromebook with the screen open.
- Do not place anything in the protective case that will press against the cover.
- Make sure there is nothing on the keyboard before closing the lid (e.g. pens, pencils, or disks).
- Only clean the screen with a soft, **dry** microfiber cloth or anti-static cloth. Do not clean screens with products containing ammonia or alcohol.

Using Your Chromebook

Students are expected to bring a fully charged Chromebook to school every day and bring their Chromebook to all classes unless specifically advised not to do so by their teacher.

If a Student Does not Bring His/Her Chromebook to School

- Loaner devices may be available for students failing to bring their device to school.

- A student borrowing a Chromebook will be responsible for any damage to or loss of the issued device.
- School personnel will document the number of times a loaner is issued to each student for not having his/her own Chromebook at school and will send reports to administration for students who have excessive occurrences during the school year.
- Staff will treat such occurrences as insubordination offenses, which may result in disciplinary action.
- If a loaner is not turned in at the end of the day, an administrator will be contacted and will work on retrieving the loaner.

Charging Chromebooks

- Chromebooks must be brought to school each day with a full charge.
- Students should charge their Chromebooks at home every evening.

Personalizing the Chromebook

- Chromebooks must remain free of any decorative writing, drawing, stickers, paint, tape, or labels that are not the property of the Ralston Public Schools. Spot checks for compliance will be done by administration, teachers, and technology support staff at any time.
- Students may add appropriate music, photos, and videos to their Chromebook. Personalized media are subject to inspection and must follow the Ralston Public Schools Internet Safety and Acceptable Use Policy.

Sound

- Sound should be muted at all times unless permission is obtained from a teacher.
- Headphones may be used at the discretion of the teachers.

Printing

- Students will be encouraged to digitally publish and share their work with their teachers and peers when appropriate.
- Students may set up their home printers with the Google Cloud Print solution to print from their Chromebooks at home. Information about Google Cloud Print can be obtained here: <http://www.google.com/cloudprint/learn/>.

Logging into a Chromebook

- Students will log into their Chromebook using their school-issued Google (@ralstonschools.org) account.
- Students should never share their account passwords with others. In the event of a compromised account the Ralston Public Schools Technology Department reserves the right to disable your account.
- The student assigned to the Chromebook should be the only individual logging in to and using the device.

Using Your Chromebook Outside of School

- Students are encouraged to use their Chromebook at home and other locations outside of school.
- A WiFi Internet connection will be necessary for the majority of Chromebook use; however, some applications can be used while not connected to the Internet. Students are bound by the Ralston Public Schools Acceptable Use Policy, Administrative Procedures, acceptable use agreement, and all other guidelines in this document wherever they use their Chromebook. Please note that some internet providers DO NOT work with Chromebook.

Operating System and Security

Students may not use or install any operating system on their Chromebook other than the current version of ChromeOS that is supported and managed by the district.

No Expectation of Privacy

Students have no expectation of confidentiality or privacy with respect to any usage of a Chromebook, regardless of whether that use is for district-related or personal purposes, other than as specifically provided by law. The district may, without prior notice or consent, log, supervise, access, deny access to, view, monitor, and record use of the Chromebook at any time for any reason related to the operation of the district. By using a Chromebook, students agree to such access, monitoring, and recording of their use.

Monitoring Software

Teachers, school administrators, and the technology department staff may use monitoring software that allows them to view the screens and activity on Chromebook.

Updates

The Chromebook operating system, ChromeOS, updates itself automatically. Students do not need to manually update their Chromebook.

Virus Protection

Chromebook uses the principle of “defense in depth” to provide multiple layers of protection against viruses and malware, including data encryption and verified boot. There is no need for additional virus protection.

Content Filter

The district utilizes an Internet content filter that is in compliance with the federally mandated Children’s Internet Protection Act (CIPA). All Chromebooks are filtered for inappropriate content and pass through the District’s filtering appliance when connected to the Internet regardless of the physical location (e.g., school, home, public WiFi). If a website is blocked in school, then it will be blocked out of school. If an educationally valuable site is blocked, students should contact school personnel, who in turn, will submit a helpdesk ticket to request the site be unblocked. Ralston Public Schools makes every effort to filter web content through its comprehensive web filter; however, it is essential students and parents understand that students will be held accountable for using technology according to District policies.

Inspection

Students may be asked to provide their Chromebook for inspection. The purpose for inspection will be to check for proper care and maintenance as well as inappropriate material being carried into the school.

Software on Chromebooks

Originally Installed Software

Chromebook software is delivered via the Chrome Web Store and/or Google Play. Some applications, such as Google Drive, are available for offline use. The software originally installed on the Chromebook must remain on the Chromebook in usable condition and be easily accessible at all times.

All Chromebooks are supplied with the latest stable build of Google Chrome Operating System (OS), and many other applications useful in an educational environment. The Chrome OS may install updates when the computer is idle or restarted.

Google Apps for Education Accounts

Chromebooks seamlessly integrate with the Google Apps for Education suite of productivity and collaboration tools. This suite includes Google Docs (word processing), Sheets (spreadsheets), Slides (presentations), Drawings, Forms, Sites, and Gmail within Ralston Public Schools.

Additional Apps and Extensions

Students are unable to install additional apps and extensions on their Chromebook other than what has been approved by the Ralston Public Schools.

- If you inadvertently access a website that contains obscene, pornographic, or otherwise offensive material, notify a teacher or the principal immediately so that such sites can be blocked from further access. This is not merely a request. It is a responsibility.

Legal Propriety

RPS Acceptable Use Agreement (AUA)

Ralston Public Schools Internet Access is to be used only for classroom related activities. This agreement applies when using either school equipment or personal equipment on the district network.

This Acceptable Use Agreement (AUA) outlines the appropriate use of RPS's technology resources and services during and after school hours. By signing this form, students are indicating that they understand and agree to abide by the guidelines written below.

RPS network, technology resources and Internet access are school resources and use of them is considered a privilege. Therefore, violation of this AUA will result in the loss of this privilege and/or other appropriate discipline actions according to division-level policies.

These actions may include written warnings, withdrawal of access privileges, and in extreme cases, suspension, expulsion or termination of privileges.

Compliance with Law and Use of Computers/Internet

Users of Ralston Public Schools technology will follow all laws, policies, and rules governing computers. This includes (but is not limited to) copyright laws, software publisher's rights, license agreements, acts of terrorism, assault, threats, and student right of privacy.

Safety and Security:

- I will not attempt to access material that is obscene, pornographic, harmful to others, or otherwise inappropriate for education.
- I understand that passwords are private and should not be shared with others. I will not allow others to use my account name or password, or try to use that of others.
- I will not attempt to engage in hacking or attempts to bypass security settings or interfere with the operation of the RPS network in any way.
- I will use RPS network and technology resources productively and responsibly for school-related purposes.
- I will maintain the setup of RPS devices as they were when I received them.
- I will record or share image or audio files only when I have obtained permission from my teacher, media specialist or administrator. I will not use cameras in restrooms, locker rooms, or dressing rooms, regardless of intent.
- I will not use RPS network and technology resources to access, display, create or communicate material that is illegal, obscene, destructive, harassing, threatening, hateful or otherwise offensive. I am responsible for not pursuing or sending material that could be considered objectionable or harmful to myself or others.
- I will be responsible for all of my digital files, including backing up files not already stored in the cloud.

Digital Citizenship

- I will use technology in such a way that does not disrupt the educational environment. This includes setting all of my devices on "mute" or "vibrate" unless permission is obtained from the teacher, media specialist or administrator.
- I will be thoughtful and polite and use appropriate language in my digital communication, as determined by school administrators.
- I will follow appropriate guidelines when publishing work online (e.g. to a website, blog, wiki, discussion board, podcasting or video server).
- I will respect the intellectual property rights of others. I will obey copyright guidelines and avoid plagiarizing others' work or ideas.
- I understand that I am an ambassador for the school/District in all of my online activities, which should not reflect negatively on my school/District. I will not post personal or embarrassing information about other students, employees, members of the RPS community or myself.

Expectations of Privacy

The computer system, including email and Internet, is the property of the Ralston Public School District. RPS relies on a combination of self-hosted, externally hosted, and cloud-based services. These services are primarily intended for educational and business use and are subject to monitoring at any time. Although RPS does not routinely check communications or files, it has the right to review, audit, and disclose all matters sent over or stored on the system. As a result, members of the RPS community should recognize that there is no reasonable expectation of privacy when using the computer system.

Respecting and Protecting Intellectual Properties

The increasing use of technology and multimedia at RPS presents a wonderful opportunity for students and teachers to share what they do with others at RPS. The presentations, photos, video and audio of classes, field trips and school events are often shared electronically through web-based resources. Sometimes, students and parents buy or receive copies of school events on media, such as CDs or DVDs. The instinct to share achievements is understandable, but these files are for private use only. Any sharing of these materials within the RPS Google domain is prohibited.

Agreement Violations

Any violation of the agreement may result in the loss of access to the Internet by the student/adult involved. Additional disciplinary action may be determined in accordance with existing policies of the Ralston Public Schools, including applicable State and Federal laws.

Users of Ralston Public Schools technology shall be granted permission to access the Internet upon receipt of the signed Acceptable Use Agreement Signature Form available from your building administrator or media specialist.

Details and definitions of the full Ralston Public Schools Student Internet and Computer Access Policy (5037) can be reviewed on the Ralston Public Schools webpage.

action as outlined by the school code of conduct.

RALSTON PUBLIC SCHOOLS DIRECTION STATEMENT

Cultivating resilient citizens prepared for the diverse demands of the future.

THE RALSTON PUBLIC SCHOOLS BELIEVES...

- An educational process is a partnership involving the school, the family, the student, and the community.
- Students learn best when they are actively engaged in the learning process.
- All students can learn.
- Students learn best when schools maintain high expectations for learning.
- The foremost responsibility of any educational organization is the student.
- The essence of education is the ability to develop lifelong learners to deal responsibly with choice in a changing world.

ACCREDITATION

Ralston Public School District has achieved AdvancED district accreditation.

BOARD OF EDUCATION POLICIES

Board of Education policies can be accessed on the district website: www.ralstonschools.org.

RIGHT TO HANDBOOK NOTICE

Handbooks will be available on the district and school websites. Notification of the web address and location to links will be provided to all students. In addition, any parent or student may request a printed copy of the handbook. A copy of the general rules of conduct will be posted in a conspicuous place in each school building.

COMMUNICATION

PHONE & EMAIL COMMUNICATION

To ensure effective and timely communication between our school district, staff, and school patrons, Ralston Public Schools uses a messaging platform to announce or remind our students and parents/guardians about important upcoming events. Also, it can serve as an information system to communicate student absences, school cancellations due to inclement weather, and crisis situations that may arise. Messages may come in the form of a pre-recorded phone call, text, push alert through the RPS Mobile App, and in other cases, will be accompanied by an email.

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are scheduled twice a year. If additional conferences are desired, parents are encouraged to contact their child's teacher or principal. Appointments for the conference will be made at a mutually convenient time. Conferences are designed to share information between parent(s) and teachers. Parents are encouraged to attend each of the scheduled conferences.

PROGRESS REPORTS

Student progress will be formally reported to parents four times each school year. The main purpose of the reporting system is to communicate to the parent and the student, the teacher's assessment of the student's

growth and development. A child's achievement in the academic areas is based on his/her ability and performance. Achievement markings are given based on the progress the child has made as they work on those materials that are educationally appropriate for him/her.

SCHOOL PUBLICATIONS

Each building will provide a newsletter to parents with updated information specific to your child's school. School Board policies, handbooks, and curriculum information are available at each school building and online at: www.ralstonschools.org.

NOTICE OF PARENTAL RIGHTS

The Family Education Rights and Privacy Act and the Nebraska Public Records Law authorize school districts to make "directory information" available for review at the request of non-school individuals. These laws also give parents and guardians a voice in the decision-making process regarding the disclosure of directory information regarding their children.

Directory information is information from an education record of a student which would not generally be considered harmful or, if it were disclosed, an invasion of privacy. For example, an athletic program, which lists the names of team members, their heights and/or weights, and an academic program which lists the names of students receiving academic awards both contain directory information. Directory information includes the following information about a student:

- Name and grade
- Name of parent and/or guardian
- Address
- Telephone number, including the student's cell phone number
- E-mail address
- Date and place of birth
- Dates of attendance
- The image or likeness of students in pictures, videotape, film or other medium
- Major field of study
- Participation in activities and sports
- Degrees and awards received
- Social media usernames or handles
- Weight and height of members of athletic teams
- Most recent previous school attended
- Certain class work which may be published onto the Internet
- Classroom assignment and/or home room teacher
- Student ID number, user ID, or other unique personal identifier used by the student for purposes of accessing or communicating in electronic systems, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a personal identification number (PIN), password, or other factor known or possessed only the authorized user.

Directory information does not include a student's social security number.

Upon request, the district will provide military recruiters and institutions of higher education with the names, addresses and telephone listings of high school students unless a student's parents have notified the district that they do not want this information disclosed without their prior written consent. Any student who is 18 years of age or older should communicate to the district office if they do not want this information disclosed without their prior written consent.

The district will notify parents and guardians each year of their rights under this policy and the Family Educational Rights and Privacy Act. Parents will be given the opportunity to prevent the release of this directory information by filing a written objection with the district.

Ralston Public Schools has defined directory information for media purposes.

Several times during the school year, local media (TV, radio, newspaper, etc.) visit Ralston schools for newsworthy items, school happenings, holidays, local interest items and interview/photograph students for newspaper articles, TV news items, and promos. Media events are considered directory information.

Ralston Public Schools has defined directory information for the use of the Web (www.ralstonschools.org).

All Ralston schools and district Internet Web pages are considered directory information. Internet Web pages (schools and districts) may contain pictures and names of students.

Internal/External use of information: Whatever choice you make, the school district will be able to use this directory information for internal school purposes and to share it with other educational institutions and professionals in accordance with law. Please refer to this student handbook referencing Parental/Guardian Access to Student Records and Routine Directory Information (Policies 5016 and 5017). If you disagree with the way directory information may be used, please complete a written objection in writing, available at 8545 Park Drive, Omaha, NE 68127. The objection should be completed by the 1st of September of the current school year.

DAY TO DAY

CLASS TREATS/GIFTS/FLOWERS/PARTY INVITATIONS

For the safety of our students, homemade food items will not be permitted. Treats for birthdays or other special occasions must be purchased from a store and must arrive in the original store container. We encourage you to consider alternative non-edible treats such as pencils, erasers, or buying a book for the classroom as ways to celebrate your child's birthday. Gifts/flowers may be delivered to the office but will be kept in the office until the end of the school day.

Party invitations that include the **entire class** can be distributed at school. Invitations that are only for select students need to be mailed by parents. The school is not permitted to provide other student information to mail or contact other families.

LOST CLOTHING

All clothing the student would normally remove while in school should be marked with the child's first and last names. If an article of clothing is lost, the student should check in the lost and found area. Periodically throughout the year, the school will donate to charitable organizations clothing placed in the lost and found area that has not been claimed.

SKATEBOARDS/SCOOTERS

Safety concerns dictate that skateboards, scooters, and similar play items are not allowed on school property.

SPORTS EQUIPMENT

Such articles as hockey sticks, gloves, mitts, bats, toys, skates, etc. should not be brought to school without prior permission from the principal.

TOYS

To help eliminate classroom disturbance, disagreements on the playground, and to prevent loss or breakage, toys should not be brought to school. An exception to this rule will be made if the toy is to be used in "show and tell" and has been approved by the teacher. In this case the toy should be brought to school in a sack or book bag and taken out only for the purpose of and during classroom "show and tell" time. **The student and his/her parent assume liability for any personal items brought to school.**

STUDENT FEES, FINES AND CHARGES

The District's general policy is to provide for instruction in accordance with the Nebraska State Constitution. The district offers some activities, programs, and services that extend beyond the minimum level of constitutionally-required free instruction and as such may require additional expenditures that are properly borne by students as a separate charge. Such charges shall be kept to a minimum to maintain the activity, program or service. Students qualifying under part 3 of this policy may receive a fee waiver. No fees, materials, specialized or non-specialized attire, or equipment shall be required of students except as expressly permitted.

PART ONE:

The District's general policy is to provide for instruction in accordance with the Nebraska State Constitution. The district offers some activities, programs, and services that extend beyond the minimum level of constitutionally required free instruction and as such may require additional expenditures that are properly borne by students as a separate charge. Such charges shall be kept to a minimum to maintain the activity, program or service. Students qualifying under part 3 of this policy may receive a fee waiver. No fees, materials, specialized or non-specialized attire, or equipment shall be required of students except as expressly permitted below.

Extracurricular activities and spectator events: A fee will be charged for participation in extracurricular activities and to spectators of extracurricular activities. Each school building shall annually submit its extracurricular fee list to the District for approval and publication in that school's handbook.

1. Fees may be charged for participation in extracurricular activities. Extracurricular activities are those activities or organizations where student participation is voluntary and does not count toward graduation or advancement between grades.
2. Schools may require students to furnish specialized equipment and attire, or pay a reasonable fee for use of district owned equipment and attire, for participation in extracurricular activities including such activities as extracurricular music.
3. Clubs, teams and organizations for which there may be a fee required for participation may also, as a club, team or organization, decide to make purchases, and may fundraise and/or seek donations according to District policy to assist in the funding of such purchases, which may include, but are not limited to, apparel and trips. The decision of an organization to require members to participate in fundraising or otherwise fund purchases is not a fee charged by the District.
4. Fees may be charged for admission to activities and events which occur at the facilities of Ralston Public Schools and for transportation to and from activities and events which occur at other schools, when those activities do not count toward graduation or advancement between grades and when student participation is voluntary.
5. A school may sell an activity ticket that admits students to activities and events that do not count toward graduation or advancement between grades.
6. Field trip fees may only be charged if participation by the student is voluntary and it does not relate to the required curriculum or if the field trip occurs after school hours and does not count toward school attendance.

Materials for course project: The District authorizes the operation of school stores in which students may purchase food, beverages and personal or consumable items. A school store need not have a permanent physical presence and may provide order forms for students to voluntarily purchase items from the school or another vendor. School stores may stock required personal and consumable items and make such items available to students for voluntary purchase. Schools may not require students to purchase an item directly from the school store.

Clothing: In addition to school guidelines about general appropriateness of attire, school buildings may require students to furnish and wear non-specialized clothing meeting general guidelines for the specified courses and activities, if the guidelines are reasonably related to the course. Each school's clothing guidelines shall be submitted to the District for approval and publication in the student handbook.

CODE OF CONDUCT & DISCIPLINE

STUDENT CONDUCT

Bullying Prohibited. Bullying disrupts a school's ability to educate students, threatens public safety by creating an atmosphere in which such behavior can escalate into violence.

Bullying Prevention and Education. Students and parents are expected to immediately inform teachers or administrators orally or in writing about bullying behavior or suspected bullying behavior. School employees are required to inform the administrator of all such reports. The appropriate administrator shall promptly investigate all such reports. Each building shall engage in activities, which educate students about bullying and bullying prevention.

Bullying Defined. Bullying means any intentionally hostile or offensive verbal, written, graphic, demonstrative, electronic, or physical act that has the purpose of exerting domination over another student through the act of intimidating, frightening, oppressing, or adversely controlling the student, and that is disruptive of the educational process, or any ongoing pattern of physical, verbal, written, graphic, demonstrative, or electronic abuse, on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or his or her designee, or at school-sponsored activities or school-sponsored athletic events. This may include, but is not limited to, verbal, graphic, written, or electronic activities such as name-calling, taunting, blackmailing, inciting to fight, terrorizing, or physical or demonstrative activities such as poking, blocking or impeding, following, hair pulling, mock hitting motions, intentionally bumping, tripping, and damaging clothing.

It may include, but is not limited to, unwelcome sexual advances, requests for sexual favors, and verbal or non-verbal sexual comments or physical conduct of a sexual nature. Any offenses that meet the definition of sexual harassment may result in suspension or potential reassignment based on the severity of the incident. Legal authorities may be contacted.

GENERAL CONDUCT OF STUDENTS

Students are expected to conduct themselves in an orderly, dignified, and respectful manner at all times. This applies to student interactions with other students, staff members, and visitors. Violence will not be tolerated. Any such actions on the part of students will result in immediate consequences, as outlined in school board policy and/or Nebraska statutes. Consequences may include student exclusion, suspension and/or expulsion. (See Appendix) Student discipline shall conform to the general rules of conduct that are stated in the Board approved handbooks. (Policy 5035)

Principles and General Procedures: It is the philosophy of the School District of Ralston that appropriate behavior is of great importance in schoolwork, and that all feasible means should be employed to help each student develop skills in self-discipline. Students are expected to follow school and classroom rules, and to be courteous to all of their associates. Such learning may call for control of student conduct by adults.

Any Ralston student is subject to disciplinary procedures for inappropriate actions that take place at his/her building of attendance or any other district building and/or school related activity or for any other action prohibited by state statute.

Students may be kept after school at the discretion of a staff member. In such cases, every effort will be made to notifyNo pants/clothing with tears/missing fabric that reveals excessive skin.

If two students are involved in an act of misconduct, the school is not permitted to share the consequences of another student with the other parties parents/guardians.

DRESS CODE

The school dress code is based on the principle that student dress is the responsibility of each student's parents/guardians. For this reason, we feel that many of the restrictions on dress code and grooming should originate with the parent/guardian rather than with the school administration.

The dress code should allow for individualism and meet the current trend of changing styles. However, when a style becomes extreme, the matter will be discussed with the student. Students wearing clothing that is deemed inappropriate may be sent home or have proper clothing delivered by a parent or wear clothing stored in the office for dress code violations. Students who refuse to comply will face disciplinary action.

1. Appearances which are disruptive, according to the staff, will not be allowed. Students may be referred to administration for final approval. Automatically included in this category are -

This review shall be limited to newly discovered evidence or evidence of changes in the student's circumstances occurring since the original hearing. This review may lead to a recommendation by the hearing officer that the student be readmitted for the upcoming school year. If the school board or board of education or a committee of such a board took the final action to expel the student, the student may be readmitted only by action of the board. Otherwise the student may be readmitted by action of the Superintendent.
3. **Suspension of Enforcement of an Expulsion:** Enforcement of an expulsion action may be suspended (i.e., "stayed") for a period of not more than one full semester in addition to the balance of the semester in which the expulsion takes effect, and as a condition of such suspended action, the student may be assigned to a school, class, or program/plan and to such other consequences which the school district deems appropriate.

2. The violation results in child abuse;
3. It is a violation of the Nebraska Criminal Code that the administration believes cannot be adequately addressed solely by discipline from the school district;

Per school board policy, our campuses are smoke-free. The use or possession of tobacco or vaping products by any student on campus or at any school event home or away is prohibited. The offending participant will visit with an administrator for school

consequences. The student will not be able to participate in any practices or contests during any suspension, and cannot practice, attend, or participate in any events the day of the possession or use.

EMERGENCY EXCLUSION

Grounds for Emergency Exclusion. Any student may be excluded from school in the following circumstances subject to the procedural provisions governing short term suspension found elsewhere in these policies or state law:

(a) If the student has a dangerous communicable disease transmissible through normal school contacts and poses an imminent threat to the health or safety of the school community; or

(b) If the student's conduct presents a clear threat to the physical safety of himself, herself, or others, or is so extremely disruptive as to make temporary removal necessary to preserve the rights of other students to pursue an education.

Any emergency exclusion shall be based upon a clear factual situation warranting it and shall last no longer than is necessary to avoid the dangers that prompted the exclusion.

Extension of Exclusion. Pursuant to the Student Discipline Act, the principal has the authority to exclude a student from school for up to five school days on an emergency basis. If the superintendent or superintendent's designee determines that it is appropriate to consider the extension of an exclusion beyond five days, such consideration shall be made according to the procedures set forth below.

Notification of Student's Parent(s) or Guardian(s). The superintendent or the superintendent's designee shall notify the student's parent(s) or guardian(s) that the principal has proposed the extension of the exclusion. If the initial notice is oral, the superintendent shall confirm it in writing.

Opportunity to Request a Hearing. The student's parent(s) or guardian(s) may submit an oral request for a hearing on the proposed extension of the exclusion within two school days of receiving the initial notice. If the initial request for a hearing is oral, they shall confirm the request in writing.

Failure to Request a Hearing. If the parent(s) or guardian(s) do not request a hearing within two school days of receiving oral or written notice, the proposed extension of the exclusion shall automatically go into effect.

Appointment and Qualifications of a Hearing Examiner. If the parent(s) or guardian(s) request a hearing, the superintendent shall appoint a hearing examiner upon receiving a request for a hearing. The hearing examiner may be any person who did not bring charges against the student, is not to be a witness at the hearing, and has no involvement in the charge.

Hearing Examiner's Notice to Parent(s) or Guardian(s). The hearing examiner shall promptly give written notice of the time, date and place of the hearing. The hearing will be held within five school days after the school district receives the initial oral or written request; provided, the hearing may be held more than five school days after receipt of the request upon a showing of good cause. No hearing will be held on less than two (2) school days' notice unless otherwise agreed to by the student's parent(s) or guardian(s) and school officials.

Continued Exclusion. If a hearing is requested, the principal may determine in his or her sole discretion that the student shall remain excluded from school until the hearing officer makes a recommendation to the superintendent.

Examination of Student's Records and Affidavits. Prior to the hearing, the student and his/her parent(s) or guardian(s) shall have the right to examine and have school officials explain the student's records and any affidavits that will be used by school officials at the hearing.

Attendance at Hearing. The hearing may be attended by the hearing examiner, the principal (or designee), the student, and the student's parents or guardian(s). The student may be represented at this hearing by a representative of the family's

choice.

Student's Witness(es). The student and his/her parent(s) or guardian(s) may ask any person with knowledge of the events leading up to the sanction or with general knowledge of the student's character to testify on behalf of the student. If school personnel or other students are requested to testify by the student's parent(s) or guardian(s), the hearing officer shall endeavor to help obtain the presence of such witnesses at the hearing.

Right to Know Issues and Nature of Testimony. The student and his/her parent(s) or guardian(s) have the right to request in advance of the hearing the issues which the administration will propose in support of the extension, and the general nature of the testimony of any administrative or expert witnesses.

Presence of Student and Witnesses at the Hearing. The student and witnesses may be excluded at the discretion of the hearing examiner in accordance with state statutes. The student may speak in his/her own defense and may be questioned on such testimony, but may choose not to testify.

Sworn or Affirmed Testimony. The principal or his or her designee shall present evidence supporting the recommended extension of the exclusion. Witnesses will give testimony under oath of affirmation, and may be questioned.

Hearing Examiner's Report and Recommendations. The hearing examiner shall prepare a report of his or her findings and recommendations, and forward the report to the superintendent.

Superintendent's Decision. The superintendent will review the hearing examiner's report and determine whether to extend the exclusion. He or she shall have the decision delivered or sent by registered or certified mail to the student, the student's parent(s), or guardian(s). If the superintendent decides to extend the exclusion, the extension will take effect immediately.

ACADEMICS

INSTRUCTIONAL MATERIALS AND ACTIVITIES

The District will provide access to textbooks and other curriculum materials used in Ralston schools for parental review. If any materials appear questionable to a parent / guardian, a request may be made to have the material reviewed by a panel of teachers and parents. It is Ralston Public School's intent to keep parents well informed. Parents and guardians are welcome at any assembly, counseling session, or other special educational activity. Please contact the building principal prior to the event to ensure space may be provided.

STUDENT ASSISTANCE TEAMS

When a student experiences difficulties with learning or behavior in school, the teacher will consult the student's parent(s). If the problem persists the teacher or other school personnel may also seek the advice or suggestions of other teachers. Sharing of expertise among educators whether the problem is simple or complex, often promotes desirable solutions. At each elementary school, appropriate personnel, referred to as the Student Assistance Team (S.A.T.), meet regularly to assist in providing the most desirable education opportunities for the students.

The S.A.T. usually consists of regular educators including the student's teacher, parent(s), and other personnel who may be appropriate to consider the problem at hand. Staff members who will be included on the team are general education classroom teachers, administrators and school counselors or reading specialists. Special education staff may be involved occasionally as needed. Parents will receive a notice and be involved throughout the SAT process.

The goal of the team is to share information in a problem-solving discussion. The classroom teacher will bring evidence to demonstrate the difficulty occurring within the classroom. As a team, the members will discuss possible causes for the difficulty. After a cause has been identified team members will give recommendations. The recommendations will become interventions. Once the interventions have been identified, persons responsible will be identified as well as a timeline. Generally a S.A.T. intervention will be tried for approximately 30-45 hours of intervention. This allows for accurate data collection on whether the intervention was appropriately identified and successful. At the end of approximately 30-45 hours of intervention a S.A.T. 2 meeting will occur. At this meeting results of the interventions will be shared. The team will

determine if the appropriate level of success has been reached. Additional interventions may be put in place and monitored for another 30-45 hours of intervention. If the team feels that appropriate interventions have been in place and the child is not making significant progress a further recommendation for testing may be made. Parents are encouraged to participate and be involved throughout the entire S.A.T. process.

FIELD TRIPS

Students in prekindergarten through sixth grade will have the opportunity to participate in field trips throughout their educational experience. Information about specific field trips where students leave the building will be sent home to parents and guardians prior to the field trip. This includes transportation to other buildings for school-related events (e.g. concerts, orientation, etc.). Parents/guardians will sign a permission slip sent home by the teachers.

On field trips, parents are not typically able to ride the bus due to the limited amount of space on the bus. Therefore, if parents/guardians plan on attending field trips, they may be asked to provide their own transportation.

PREKINDERGARTEN

Ralston Public Schools offers prekindergarten programming in all elementary buildings. Prekindergarten Handbooks are provided to each parent/guardian over the summer before school begins. Prekindergarten screenings are held in the spring and summer for the following school year. For information please contact the District Office at 402-331-4700.

CHILD FIND NOTICE

Ralston Public Schools has an ongoing goal of locating and identifying all children, birth through age 21, who have special needs. The district will provide any child or youth who has a disability an appropriate public education at no cost to the parents of the child. Children or youth with disabilities are those who have hearing impairments, vision impairments, behavioral disorders, deafness, blindness, health impairments, specific learning disabilities, mental disabilities, autism, or traumatic brain injuries. In addition, children and youth with any disability which substantially limits a major life activity may receive modifications to allow them access to an appropriate education (Section 504 of the Rehabilitation Act, as amended).

Ralston Public Schools requests your help in locating children and youth with disabilities who are eligible to benefit from Special Education. If you know of a child or youth who is a resident of the District, who may have a disability and is not receiving needed services, please contact the Director of Student Services, 8545 Park Drive, Ralston, NE 68127.

COMPLAINT REGARDING PRINTED MATERIALS

Patrons, students or faculty members desiring to make a complaint about any textbook, workbook, or materials used within the Ralston School system should file a written complaint with the building principal. Each building principal serves as a chairperson of a committee composed of faculty, librarian, and lay citizens who will review each complaint on an individual basis and make a decision based upon this review. All decisions are subject to review by the Superintendent of Schools. Patrons in disagreement with the decision reached by the committee and/or the Superintendent may appear before the Board of Education with their complaint.

A free and reduced price lunch program is available for those qualifying. The cost is \$.40 for a reduced lunch and \$.30 for a reduced breakfast. SCHOOL PROPERTY & STUDENT SAFETY

SAFETY

Instruction in safety practices begins in every elementary classroom the first day of school and continues throughout the year. The home and school must work together until safe living is a natural practice of the child. Parents should constantly set an example of safety for their children. You can do your part by helping your children learn the following:

The student will...

- go directly home after school.
- walk the safest route to and from school.
- look and be sure the way is clear before crossing the street.
- cross the street only at marked crossings.
- stay on the sidewalk. Avoid lawns, vacant lots, etc.
- walk on the left side of the street if there are no sidewalks.
- observe and obey traffic rules.
- get in and out of the car on the curbside.
- make safe choices when crossing the street and in the parking lot.
- observe the rules of good bicycle riding.
- cross railroad tracks at proper places and make safe choices while near the tracks.
- leave items on the ground that belong on the ground.
- refuse all gifts, invitations or rides from strangers.
- obey general safety rules.

SAFETY DRILLS

Students and staff will practice routine safety drills. During a fire drill all people in the building are required to leave.

During tornado drills all students will receive instructions concerning safe areas of the building and precautions to be followed during a tornado.

BICYCLE RULES

All bicycles must be placed in the bicycle rack immediately upon arrival at school. No riding is permitted on school grounds. Bicycles must be chained and padlocked to the bicycle rack. **The school assumes no responsibility for theft or vandalism that occurs to bicycles.**

INCLEMENT WEATHER - SCHOOL CLOSING/CONSIDERATIONS

When school is dismissed during the school day, parents may pick up their students or they will be sent home by regular means (bus or walk). Be sure to communicate to your building's office if your contact or emergency information changes.

As a general guideline students will participate in outdoor activities unless the **wind chill is 10° F or below**, above 95 degrees Fahrenheit, or precipitation necessitates students remaining indoors. The building principal may restrict outside activity when inclement weather is present in concern for the health and safety of students and staff.) The Safety Patrol may not be on duty in the case of extreme weather conditions.

ANIMALS ON SCHOOL GROUNDS

Animals are not allowed in school district buildings or on school district property without the written permission of the superintendent except as provided in this policy. See Board Policy 3046 regarding Service Animals and Therapy Dogs for more information.

MEDICAL Health Services & Regulations

A school nurse or health aide is available at all times during the school day. If a student is not feeling well during school hours they should:

- Tell the teacher and obtain a pass to the Health Office, you must have a pass to go to the Health Office. Please do not go to the Health Office during passing periods.
- When, because of illness or injury to a student, it becomes inadvisable for the student to remain in school, a parent/guardian will be contacted by telephone and requested to come to school to pick up their student. If a parent/guardian can not be contacted, the emergency number that has been furnished to the school will be used. The person picking up the student must do so **within one hour of being contacted.**
- If parent/guardian/emergency contact can not be contacted and it is the opinion of the school officials that further medical aid is needed immediately, a rescue squad will be called, at the parents expense, and the student will be transported to the nearest hospital.
- Under no circumstances will an ill or injured student be allowed to leave school on their own without parental permission.

Please review your child's records to make sure your child has obtained the needed immunizations prior to enrollment. Please check with your child's physician or contact the Douglas County Health Department for information on immunization clinics that are available (444-7213). You may also contact the school nurse if you have questions regarding the law or need assistance in getting your child's immunizations.

Nebraska School Law dictates that your child will not be able to enroll unless dates of immunizations are provided to the school at the time of enrollment.

FIRST AID

The school attempts to provide a safe environment for your child. First aid will be administered when appropriate. Any treatment beyond first aid is the responsibility of the parents.

IMMUNIZATIONS

Nebraska School Law (79.217-223) requires that all students be immunized against diphtheria, pertussis, tetanus, poliomyelitis, measles, rubella, mumps, Hepatitis B, and 2 doses or year of infection for Varicella **PRIOR TO ENROLLMENT**. Affidavits for religious or medical reasons are available in the school office.

All students will need to have on file at least 3 DTP, 3 Polio, and 2 doses of MMR (Measles, Mumps, and Rubella) immunizations; 3 doses of pediatric hepatitis B vaccine, or, if the alternate hepatitis B vaccination schedule is used, 2 doses of a licensed adult hepatitis B vaccine specified for adolescents 11-15 years of age, 2 doses or year of infection for varicella (chicken pox).

Kindergarten, seventh grade and all out-of-state transfer students are required to have dates on file for the following immunizations: 3 DTP, 3 Polio, 2 MMR, 3 Hepatitis B, 2 doses or year of infection for varicella (chicken pox). 7th Graders are required to have an additional Tdap booster (contains Pertussis booster).

MEDICATION

Administering Medication to Students

Whenever possible, parents should arrange medication schedules to eliminate the need for giving medication during school hours. When it is necessary for school personnel to administer medication to students, the school district will comply with the Nebraska Medication Aide Act, the requirements of Title 92, Nebraska Administrative Code, Chapter 59, (promulgated by the Nebraska Department of Education and entitled Methods of Competency Assessment of School Staff Who Administer Medication), and all state and federal regulations. Parents and guardians who wish to have their child receive medication from school personnel must comply with the following procedures:

1. Prescription medication

- a. Parents/guardians must provide a physician's written authorization for the administration of the medication.
- b. Parents/guardians must sign an Authorization for Medication form provided by the school.
- c. The medication must be brought to school by a responsible adult in the prescription container and must be properly labeled with the student's name, the physician's name, and directions for administering the medication.

2. Nonprescription/over the counter medication.

- a. Parents/guardians must provide a physician's written authorization for the administration of the medication. These included, but are not limited to, pain relievers, cold medicine, allergy medicine, etc..
- b. Parents/guardians must sign an Authorization for Medication form provided by the school.
- c. The medication must be brought to the school by a responsible adult in the manufacturer's container, and will

be kept in the Health Office.

d. The container must be labeled with the child's name and with directions for provision or administration of the medication.

All medications must be brought into the Health Office by an adult. If a student rides the bus, an adult can hand the medication to the bus driver, who can then give it to a staff member at the school dropoff.

The district reserves the right to review and decline requests to administer or provide medications that are not consistent with standard pharmacological references, are prescribed in doses that exceed those recommended in standard pharmacological references, or that could be taken in a manner that would eliminate the need for giving them during school hours. The district may request parental authorization to consult with the student's physician regarding any medication prescribed by such physician.

At the end of the school year, if there is any medication left over, a responsible adult must pick this up from the Health Office. Any medication left after the school year has completed, will be properly disposed of.

The district will not purchase, prescribe, or provide any form of medication to any student.

The district will stock and use naloxone, when necessary in accordance with policy 3051.

PHYSICAL EXAMINATIONS

The State of Nebraska requires a birth certificate and evidence of a physical examination by a qualified physician for all incoming kindergartners, seventh graders, and all out-of-state transfer students.

Kindergarten students are required to have an eye examination by a qualified medical professional prior to enrollment.

Evidence of a physical examination must be dated no more than six months prior to entrance, and must be on file prior to the first day of school. **This is a state law.**

If there is objection to a physical examination, a refusal form must be signed and dated at the school by the parent/guardian.

CHRONIC CONDITIONS

It is the parent/guardian's responsibility to notify the school health office of any chronic conditions that students may have including, but not limited to, asthma, allergies, diabetes, heart conditions, lung conditions, or seizures. The school may require a physician's order for treatment or a signed emergency action plan to assist staff in managing these chronic conditions at school. Also very important, is to keep the school notified of any changes in the student's condition.

COMMUNICABLE DISEASES

The School District of Ralston will use the communicable disease regulations set up by the State of Nebraska and local Health Departments concerning children with communicable diseases and their attendance at school.

SUMMARY OF COMMUNICABLE DISEASES AND CONTAGIOUS CONDITIONS

Fever

Children will be sent home if they have a fever of 100 degrees or higher. Children must be fever free for 24 hours prior to returning to school with no medication given.

Vomiting

Children will be sent home if they vomit due to illness. Children must be free from vomiting for 24 hours prior to returning to school.

Chicken Pox - By direct contact and airborne spread.

Approximately 2 weeks, but may be as long as 3 weeks, after exposure a susceptible person may be expected to "break out" with their first crop of blister-like eruptions. New eruptions can be expected to continue for 3-4 days. Students will be excluded from school for 7 calendar days, starting from the time of the first eruption. Due to the degree of severity, the student may stay out of school longer. Students may be sensitive to their appearance even when they are no longer contagious, causing their absence to be longer than 7 calendar days. Secondary infections after apparent recovery may occur. Cellulitis (skin disorder) and Bacteremia (blood poisoning) are the most common kinds of secondary infections. Complications as described below with measles may also occur.

Measles - (Rubella, Red or Hard Measles) By direct contact, droplet spread and less commonly by airborne spread.

Approximately 10 days after exposure a susceptible person may develop a fever. Within 2-3 days a red blotchy rash will develop, usually starting on the face and neck and becoming generalized. A dry, hacky cough will develop at the same time. This is a serious disease. Students are excluded from school until the 7th day after the initial appearance of the rash. Parents should be cautioned not to send children back to school too soon as complications such as ear infections leading to hearing loss, decreased visual acuity, pneumonia, and encephalitis are not uncommon.

Mumps - By direct contact and droplet spread.

Approximately 18 days after exposure a susceptible person may develop a fever and swelling or tenderness of one or more salivary glands. Students are excluded from school for 9 calendar days from the onset of swelling; complications may occur as above plus some including reproductive organs.

Rubella - By direct contact and droplet spread, may be airborne. (German or 3-day Measles)

Approximately 18 days after exposure a susceptible person may suffer from a low-grade fever, headache, feeling sluggish and cold-like symptoms. Most victims will manifest a rash. Diagnosis may be difficult if a rash is not present. Students should be excluded for 5 calendar days after onset of rash. This disease is highly contagious, but usually mild.

Impetigo, Scabies, and Ringworm

To be excluded from school upon recognition. To be readmitted when there is no longer evidence of contagion, or upon a written statement from physician or phone call from doctor's office indicating that the condition is under treatment and no longer considered contagious.

Pediculosis - (Head lice)

To be excluded when live vermin and/or eggs are present. To be readmitted the morning after treatment is started. Treatment consists of lice shampoo and nit comb. Eggs must be removed prior to the child returning to school. All family members and close contacts that attend school may be inspected by the nurse.

Pinkeye

To be excluded from school upon recognition. May return with a written doctor's statement or phone call from the doctor's office after prescribed treatment or when the eye is normal in appearance.

Fifth Disease

To be excluded upon recognition. May return with a written doctor's statement or phone call from the doctor's office. Characteristically begins on the face and classically produces an intensely red "slapped cheek" appearance. A lace-like rash may appear on the trunk and upper extremities.

1. Parents/Guardians will be provided access, as described in district procedures, to district-approved textbooks and other curricular materials and tests used in the district upon request.

 - c. A parental request to review specific standardized and criterion- referenced tests used in the district should be made in writing to the building principal. Copies of the most recent tests used in the district will be available for parent review. Parents wishing to review statewide NSCAS assessments will be provided with sample questions and a copy of a practice test, but will not be provided with copies of the actual assessment due to testing security. In the case of other secure tests such as the ACT, parents must contact the publisher to obtain copies of the test.

WEBSITES

District, School, & Teacher

Ralston Public Schools district website address is www.ralstonschools.org. Some of the services provided include school and teacher websites, Board of Education, calendars, community connections, enrollment, handbooks, lunch menus, online lunch payment, student services, & instructional resources.

GOOGLE APPS FOR EDUCATION. Ralston Public Schools actively uses Google Apps for Education(GAFE). The applications that students have access to include gmail, calendars, and drive. All students grades 3-12 have an email account. Each account is password protected. All students K-12 have a drive account. The drive app includes the ability to create documents, spreadsheets, presentations, and drawings. GAFE gives all our students equal access to the same products. The only requirement for the student is internet access.

R-KIDS. All Ralston schools offer the R-KIDS (Ralston Knowledge, Information, Data Site) online grading. This site will encourage greater communication between the school, teacher, student, and parent. Grades are a way for students, teachers and parents to communicate the progress and achievement level of each student. An on-line grading system enhances this

communication and creates a more efficient way for parents and students to monitor their progress in school. Teachers will post grades in a timely manner, based upon the assignment and the teacher's schedule. Parents are encouraged to monitor their child's progress by checking the system weekly. Please note that some classes may not have graded assignments each week. When a student is missing an assignment/assessment, the incomplete box will be checked. Once the work is made up, the grade will be entered and the late box will be checked.

What is an Acceptable Usage Policy? An acceptable use policy (AUP), is a set of rules applied by the owner or manager of a network, website or large computer system that restrict the ways in which the network, website or system may be used. AUP documents are written for corporations, businesses, universities, schools, internet service providers, and website owners, often to reduce the potential for legal action that may be taken by a user, and often with little prospect of enforcement. See reverse side for Ralston's AUP.

Ralston's AUP

The use of school-owned technology, including computers, whether stand-alone, as a part of a local area network, or as part of a wide area network such as the Internet, is a privilege, not a right, and must be consistent with and driven by the educational objectives of the Ralston School District.

The Ralston School District exercises exclusive control over all school-owned technology, and students should not expect privacy regarding their use of any such equipment or network because school property is subject to search and inspection at any time by school officials. This search and inspection includes, but is not limited to, electronic mail, Internet access, file storage and transfer. Students are responsible for whatever is contained in computer files assigned to them.

Students using computers connected to the Internet, an international computer network, are able to access computers and people all over the world. The Ralston School District does not condone student access to any unsuitable materials which exist on the Internet. The Ralston School District recognizes that it cannot control the information on other computer systems and that it may not be physically possible to screen out all such inappropriate information and materials. All student Internet activities are subject to being monitored.

The Ralston School District makes no warranties of any kind, whether expressed or implied, for the technological services it provides. The District will not be responsible for any damages a user suffers. This includes loss of data.

Technology will be supplied for student use on an "as is, as available" basis. The availability of on-line resources does not indicate endorsement of their contents by the Ralston School District. The District specifically denies any responsibility for the accuracy or quality of information obtained through the Internet.

The purchase of services or merchandise through the Internet, including the use of credit cards by students through District technological services is prohibited. The Ralston School District shall not be liable for any costs arising out of such transactions.

The Ralston School District will not be responsible for any liability or expense the user may incur in connection with the use of District technology. The user agrees to indemnify (hold harmless) the Ralston School District for any expenses, including attorney's fees, arising out of the use of District technology in violation of this agreement.

It is the responsibility of the parents/guardians to establish and convey the standards that their child should follow. In support of parents/guardians, the Ralston School District will enforce the minimum appropriate technology use standards set in the Technology Procedures (Code of Ethics for Technology).

ON-LINE GRADING SITE

R-KIDS (Ralston Knowledge, Information, Data Site) on-line grading enhances communication between the school, teacher, student, and parent. It also creates a more efficient way for parents and students to monitor their progress in school. Teachers post grades in a timely manner and parents are encouraged to monitor their child's progress by checking the system weekly. R-KIDS is available for all students in grades kindergarten through twelve. Parents can register for R-KIDS by visiting Ralston

A. Methods of Enforcement

- i. The district monitors all Internet communications, Internet usage and patterns of Internet usage. Students have no right of privacy to any Internet communications or other electronic files. The computer system is owned by the school district. As with any school property, any electronic files on the system are subject to search and inspection at any time.
- ii. The school district uses a technology protection measure that blocks access to some Internet sites that are not in accordance with the policy of the school district. Standard use of the Internet utilizes a proxy server-based filter that screens for non-curriculum related pages.

- iv. The school district staff will monitor students' use of the Internet through direct supervision and by monitoring Internet use history to ensure enforcement of the policy.

B. Consequences for Violation of this Policy

- i. Access to the school's computer system and to the Internet is a privilege, not a right. Any violation of school policy and rules may result in:

 4. Other discipline as school administration and the school board deem appropriate.
- ii. Students who use school computer systems without permission and for non-school purposes may be guilty of a criminal violation and will be prosecuted.

POLICY 5063 AUDIO & VIDEO RECORDING

Students and their parents or guardians should assume that any class in which students are enrolled may be recorded by the school district or other students for legitimate educational purposes. Recordings permitted pursuant to this policy may only be used by students for personal academic purposes and may not be republished without additional, written consent from a school administrator. For purposes of this policy "recording" includes still photographs, video, audio, and other similar data captured in any medium.

Recordings Made by The District. The district may use cameras or other devices for purposes of making security, safety, or other recordings without a specific purpose or for a specific purpose when such recordings are deemed necessary or appropriate by the administration. The district will not maintain the recordings unless the recording is purposefully copied and saved, and the recordings will only be available for review for a limited time based on the district's then-current recording capacity. The district administrators estimate that this is approximately 10 days but may change at any time.

Classroom Recordings by Staff. Staff members may make audio and video recordings of classroom instruction and school activities upon authorization of the superintendent or supervising administrator.

Prohibited Recordings by Students. Unless otherwise authorized by this policy or law, students are prohibited from making audio or video recordings during the school day on school grounds; when being transported to and from school activities or programs in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or by his

or her designee; or at a school-sponsored activity or athletic event, unless the recording is made in a manner permitted by the school for members of the public. In such an instance, the students remain subject to the district's appropriate use and student discipline policies. For example, this policy does not prohibit students from making recordings of an athletic event for their personal use similar to a parent or other patron, subject to other applicable board policy. However, this policy generally prohibits students from using smart-speakers or other devices which actively or passively create or transmit audio or video recordings, including Google Home, Amazon Alexa, Apple HomePod, and AngelSense devices.

Permitted Classroom Recordings by Students. Students may make audio or video recordings of classroom lectures or discussions:

- (1) For their convenience after providing notice to the classroom teacher and receiving the teacher's permission;
- (2) For the benefit of another student who is absent after providing notice to the classroom teacher and receiving the teacher's permission;
- (3) If recording is necessary to accommodate the student's disability and is required by the student's Individualized Education Plan (IEP) or Section 504 Plan.

Staff may revoke permission to record if the recording distracts from or disrupts the classroom environment, unless the recording is necessary to accommodate a student's disability.

Permitted Non-classroom Recordings. Students may make audio or video recordings otherwise prohibited by this policy outside the classroom only with the permission of a teacher or school administrator, provided that such recordings otherwise comply with any applicable state and federal laws and district policy. In no event shall photographs or video recordings be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy.

POLICIES & PROCEDURES

POLICY 5022 INVESTIGATIONS, ARRESTS & OTHER STUDENT CONTACT BY LAW ENFORCEMENT OR HEALTH & HUMAN SERVICES

The school district and its administrators and staff desire to maintain a positive working relationship with law enforcement officers and other representatives of governmental bodies in the discharge of their duties. However, this desire must be balanced against other equally important factors such as a student's legal rights, ensuring that a student's time spent in school is for education, and acknowledging that the school stands *in loco parentis* to the students.

"Law enforcement officer" means police officers, county sheriffs, state patrolmen, Health and Human Service workers, Child Protective Services workers, Office of Juvenile Services workers, probation officers, U.S. Immigration and Customs Enforcement (ICE) agents, Federal Bureau of Investigations agents, or any other government investigatory workers.

"Parent" means the biological or adoptive mother or father, guardian, responsible relative, or any other person who has claimed legal or actual charge or control of the student pursuant to Nebraska law or Title 92 Nebraska Administrative Code Chapter 19.

Law enforcement officers are encouraged whenever possible to talk to a student away from the school before or after school hours so as to cause as little disruption as possible to the student's education.

Law enforcement officers may be called to the school at the request of school administration, or they may initiate contact with the school for their own purposes. Contact between the school and law enforcement officers on matters involving students shall be made through the office of the superintendent or building principal and the law enforcement officer. All reasonable attempts should be made to avoid embarrassing the student before his or her teachers and peers, and to avoid disrupting the student's and school's education program. Any questioning by law enforcement officers that is permitted should be conducted in a private room or area where confidentiality can be maintained. This should be an area removed from observation by or contact with other pupils and school personnel.

School staff shall promptly notify the superintendent when a student is questioned, arrested, or removed from school grounds by law enforcement officers.

School Related Criminal Activity. This section applies to alleged or suspected criminal activity that occurs on school grounds; in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or by his or her designee; or at a school-sponsored activity or athletic event.

Law enforcement officers will be allowed to contact and question students at school regarding school related criminal activity as provided below.

The building principal must be notified before a student may be questioned in school or taken from a classroom by law enforcement. The building principal should request identification of the officers, their affiliation with the identified law enforcement agency, and whether their purpose is to interview, interrogate, or take custody of the student.

The building principal will make reasonable attempts to contact a student's parent for their consent and/or presence before the student is interviewed. In the event that a parent cannot be contacted after reasonable attempts, the student will be questioned only if the law enforcement officer identifies emergency circumstances requiring immediate questioning. A building principal or designee shall be present for such questioning. The student will be brought to a private room and the contact will be made out of sight of others as much as practicable.

If the student is suspected of criminal activity, it is the responsibility of the law enforcement officer to advise a student of his or her rights against self-incrimination.

If at any time the district's representative believes that the questioning is being conducted in an inappropriate manner and clearly contrary to the rights of the student, then the representative shall request that the law enforcement activities cease. The building principal will also make another attempt to contact the student's parents.

The building principal shall document steps taken to notify parents, summarize the law enforcement activities, identify the actions taken by the District on behalf of the student, and any further contacts with law enforcement officers.

Non-School Related Criminal Activity. Law enforcement officials may not question students at school unless parental consent is obtained or the law enforcement authorities have a warrant or court order.

Taking a Student into Custody. Law enforcement officers seeking custody of a student must contact the superintendent or building principal. The principal will request the arresting law enforcement officer to provide a copy of the arrest warrant, written parental consent, court order, or other document giving authority to take the student into legal custody. If there is no document presented, the principal should obtain the officer's name, badge number identifying the law enforcement agency, date, time, the reason for the arrest, and the place to which the student is reportedly being taken. Whenever practicable, the arrest or release of the student should be conducted in a location and in a manner that minimizes observation by others.

When a law enforcement officer removes a student from the school, the building principal will take immediate steps to notify the parent about the student's removal and the place to which the minor is reportedly being taken, except when a minor has been taken into custody as a victim of suspected child abuse.

Child Abuse and Neglect. When law enforcement officers seek to investigate reports of alleged child neglect or abuse regarding a student, the building principal shall obtain a proper identification from the authorities or officials. If a student interview is conducted on school grounds, the building principal or designee and such other school personnel as appropriate shall observe the interview.

If the law enforcement officer decides to remove the student from school, school officials shall provide the law enforcement authorities with the address and telephone number of the student's parent or guardian. The principal or other school official shall, as a condition of releasing the student to the law enforcement officer, require the officer to sign a statement certifying that the child is being removed from school premises because he or she is believed to be the victim of child abuse and that the officer understands and will comply with the legal requirements of NEB. REV. STAT. § 79-294.

Student Records. Student records will be shared with law enforcement officers only as allowed by state and federal law.

NOTICE OF NON-DISCRIMINATION

The school district does not discriminate on the basis of race, color, national origin, religion, marital status, sex, pregnancy, gender identity, gender expression, sexual orientation, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the nondiscrimination policies:

Name: Dr. Mike Rupprecht
Title: Executive Director of Human Resources and School Improvement
Address: 8545 Park Drive, Ralston, Nebraska 68127
Telephone: 402-898-3483
E-mail: mrupprecht@ralstonschools.org

For further information on notice of nondiscrimination, please visit <http://wdcrobcolp01.ed.gov/CFAPPS/OCR/contactus.cfm> for the address and phone number of the office that serves your area, or call 1-800-421-3481.

For additional prohibited discrimination and related information, please review school district Policy 3053 – Nondiscrimination

PARENT CONCERN PROCEDURES

The policy of the Ralston School District is to solve problems at the level at which they occur. If a parent has a concern about anything that has happened at school, they should contact the person who has the most information about the matter. In most instances this will be the student's classroom teacher. Parents/guardians are encouraged to work with building principals to bring about resolution(s).

When a concern relates to a special area (such as physical education, music, art or media) that teacher should be contacted. If, after conferencing with the teacher, a satisfactory solution has not been reached, the principal of the building should then be contacted.

RECORDS AVAILABLE FOR REVIEW

Parents/guardians may review their child's files and records at any time. The building principal is responsible for maintaining and protecting the privacy of such files. Outside agencies, such as, but not limited to, physicians, probation officers, psychologists, child guidance clinics, and other reputable agencies who are working with the child, may access these files with parental/guardian consent or by court order. (Policy 5016)

Schools are required to provide information concerning the progress and activities of a student to the custodial and non-custodial parent equally, unless restricted by court order. If a restriction is to apply, a copy of the certified court order outlining the rights and restrictions must be placed on file in the school office. A copy of the school's files or records concerning a student will be provided at no charge, upon request, to any public or private school to which the student transfers. The building principal may authorize a total charge of \$1.00 for copies of student records that are not being mailed to another school district for transfer purposes.

GRIEVANCE PROCEDURE FOR DISCRIMINATION CLAIMS

Grievances, complaints, and communications should be initiated and processed in the following manner. This procedure is to be followed for any and/or all alleged acts of discrimination.

1. If a student has a grievance or complaint, the person should present the matter to the building principal in an effort to resolve the problem informally. The grievance or problem should be signed and dated by the building principal.

2. If the principal has the authority to resolve the problem it will be done as quickly as possible. If the principal does not have the authority it shall be reported to the superintendent in a timely manner.
3. Within 10 days, if the principal has not resolved the grievance, the aggrieved party may provide a written, signed, and dated copy of the grievance to the superintendent.
4. Within 10 days of the superintendent's decision, the aggrieved party may provide a written, signed, and dated copy of the grievance to the president of the board of education. The superintendent may also provide a copy of the grievance to the president of the board of education if the superintendent believes the problem is policy and not administration.
5. The Board of Education shall make an investigation, either as a board or as a committee, and shall provide the aggrieved party an opportunity to appear before the full board in person, either privately or accompanied by legal counsel, with the right to present facts and witnesses in full hearing. At the conclusion of the investigation, the Board of Education shall, within 30 calendar days, render its determination in writing.

NOTICE TO PARENTS - PROFESSIONAL QUALIFICATIONS

As a parent of a student in Ralston you have the right to know the professional qualifications of the classroom teacher who instructs your child or if there will be a change in staff for more than four weeks of student contact days. Under the Every Student Succeeds Act, federal law allows you to request certain information about your student's classroom teacher. The law also requires the district to give you this information in a timely manner upon request. Listed below is the information about which you have the right to know:

- *Whether the Nebraska Department of Education (NDE) licensed or endorsed your student's teacher for the grades and subjects taught.*
- *Whether NDE has decided that your student's teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.*
- *The teacher's college major; whether the teacher has any advanced degrees, and if so, the subject of the degrees. Whether any teachers' aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.*

Please contact the Executive Director of Human Resources if you would like to receive any of this information at 402-331-4700.

TESTING POLICY

The Ralston School District follows the required state guidelines for standardized testing. The Board of Education shall receive an annual written report consisting of the results of all components of the school system performance program including, but not limited to, standardized norm-referenced assessments, criterion-referenced assessments, student performance, school system demographics, financial information, follow-up studies of graduates, and learning climate surveys. These reports shall be made available to all patrons of the district. (Policies IL and ILC)

1. Copies of the most recent standardized and criterion-referenced tests used in the district will be available for parental/guardian review. Requests should be made to the building principal. In the case of secure tests, such as the ACT, parents/guardians must contact the publisher.
2. Parents/guardians may obtain individual test results of their child by contacting the teacher or building principal.
3. Building principals will excuse a student from specific tests through written request by the student's parents/guardians when they object on political, moral, or religious grounds.

Parents have the option to opt out of NAEP, but not out of state mandated assessments. To opt out of a state NAEP assessment a parent/guardian must provide a written notification to the school principal prior to the beginning of the assessment window.

PARENTAL/GUARDIAN NOTIFICATION OF STUDENT SURVEYS

All internal surveys which are intended to gather information from students in the district will be approved by the building principal prior to being made available to students. Student participation in surveys is voluntary.

All surveys from external sources will be approved by the Superintendent. Student participation in surveys is voluntary.

Parents/Guardians will be notified in writing prior to school district participation in surveys by students and may restrict their child from participating in any survey through written request.

Title IX Policy

It is the policy of the school district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subject to discrimination under any of the school district's programs or activities. The district is required by Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106 to not discriminate in such a manner.

1. Title IX Coordinator

1.1. **Designation.** The district will designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under this policy, who will be referred to as the **"Title IX Coordinator."** The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator. Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment). This report may be made by any means, including but not limited to, in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours).

2. Definitions. As used in this policy, the following terms are defined as follows:

2.1. **Actual knowledge** means notice of sexual harassment or allegations of sexual harassment to any district employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only district employee with actual knowledge is the respondent (as that term is defined below). "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in subsection 1.1 above.

2.2. **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

2.3. **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegation of sexual harassment. The only district official who is authorized to initiate the Grievance Process for Formal Complaints of Sexual Harassment against a respondent is the Title IX Coordinator (by signing a formal complaint). At the time of filing a formal complaint with the district, a complainant must be participating in or attempting to participate in the district's education program or activity. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator under subsection 1.1 above, and by any additional method designated by the district. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under this policy or under 34 C.F.R. part 106, and will comply with the requirements of this policy and 34 C.F.R. part 106, including subsections 5.1.3–5.1.4 and 34 C.F.R. § 106.45(b)(1)(iii).

2.4. **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

2.5. **Consent** for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to

some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. District officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.

2.6. **Sexual harassment** means conduct on the basis of sex that satisfies one or more of the following:

- 2.6.1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;
- 2.6.2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity;
- 2.6.3. **Sexual assault**, as defined in 20 U.S.C. § 1092(f)(6)(A)(v), which means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:
 - 2.6.3.1. **Sex Offenses, Forcible**—Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.
 - 2.6.3.1.1. **Rape**—(Except Statutory Rape) The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
 - 2.6.3.1.2. **Sodomy**—Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
 - 2.6.3.1.3. **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
 - 2.6.3.1.4. **Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity
 - 2.6.3.2. **Sex Offenses, Non-forcible**—(Except Prostitution Offenses) Unlawful, non-forcible sexual intercourse.
 - 2.6.3.2.1. **Incest**—Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law
 - 2.6.3.2.2. **Statutory Rape**—Non-Forcible sexual intercourse with a person who is under the statutory age of consent
- 2.6.4. **Dating violence**, as defined in 34 U.S.C. § 12291(a)(10), which means violence committed by a person—

- 2.6.4.1. who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- 2.6.4.2. where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - 2.6.4.2.1. The length of the relationship.
 - 2.6.4.2.2. The type of relationship.
 - 2.6.4.2.3. The frequency of interaction between the persons involved in the relationship.
- 2.6.5. **Domestic violence**, as defined in 34 U.S.C. § 12291(a)(8), which includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- 2.6.6. **Stalking**, as defined in 34 U.S.C. § 12291(a)(30), which means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—
 - 2.6.6.1. fear for his or her safety or the safety of others; or
 - 2.6.6.2. suffer substantial emotional distress.

2.7. **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

3. Discrimination Not Involving Sexual Harassment.

3.1. **General Prohibition.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by the district.

3.2. **Specific Prohibitions.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, in providing any aid, benefit, or service to a student, the district will not on the basis of sex:

- 3.2.1. Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;
- 3.2.2. Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

- 3.2.3. Deny any person any such aid, benefit, or service;
- 3.2.4. Subject any person to separate or different rules of behavior, sanctions, or other treatment;
- 3.2.5. Apply any rule concerning the domicile or residence of a student or applicant;
- 3.2.6. Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;
- 3.2.7. Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

3.3. Complaint Procedure. All complaints regarding any alleged discrimination on the basis of sex, including without limitation violations of this policy, 34 C.F.R. part 106, Title IX, Title VII, or other state or federal law—when the alleged discrimination does not arise from or relate to an allegation of sexual harassment as defined in subsection 2.6 above—shall be addressed pursuant to the district’s general complaint procedure, Board Policy 2006.

4. Response to Sexual Harassment

4.1. Reporting Sexual Harassment. Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the District’s Title IX Coordinator. No person will be retaliated against based on any report of suspected sexual harassment or retaliation. Any District employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

4.2. General Response to Sexual Harassment. When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. The district will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For the purposes of this policy “education program or activity” includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The district’s response will treat complainants and respondents equitably by offering supportive measures as defined in subsection 2.7 above to a complainant, and by following the grievance process described in section 5 below before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant’s wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

4.3. Emergency Removal. Nothing in this policy precludes the district from removing a respondent from the district’s education program or activity on an emergency basis, provided that the district undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. In the event that the district removes a respondent on an emergency basis, then the district will provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

4.4. Administrative Leave. Nothing in this policy precludes the district from placing a non-student employee respondent on administrative leave during the pendency of a grievance process that complies with section 5 below. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

4.5. **General Response Not Conditioned on Formal Complaint.** With or without a formal complaint, the district will comply with the obligations and procedures described in this section 4.

5. **Grievance Process for Formal Complaints of Sexual Harassment.**

5.1. **General Requirements.**

5.1.1. **Equitable Treatment.** The district will treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following the grievance process described in this section 5 before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies will be designed to restore or preserve equal access to the district's education program or activity. Remedies may include the same individualized services described in subsection 2.7 as "supportive measures"; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.

5.1.2. **Objective Evaluation.** This grievance process requires an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a complainant, respondent, or witness.

5.1.3. **Absence of Conflicts of Interest or Bias.** The district will require that any individual designated by a recipient as a Title IX Coordinator, investigator, decision-maker, or any person designated by a recipient to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

5.1.4. **Training.** The district will ensure that all individuals or entities described in this Training section 5.1.4 receive training as provided below. Any materials used to train these individuals will not rely on sex stereotypes and will promote impartial investigations and adjudications of formal complaints of sexual harassment.

5.1.4.1. **All District Employees and Board Members.** All district employees and board members will be trained on how to identify and report sexual harassment.

5.1.4.2. **Title IX Coordinators, Investigators, Decision-Makers, or Informal Resolution Facilitators.** The district will ensure that Title IX Coordinators, investigators, decision-makers, or any person designated by the district to facilitate an informal resolution process receive training on:

5.1.4.2.1. The definition of sexual harassment in subsection 2.6;

5.1.4.2.2. The scope of the district's education program or activity;

5.1.4.2.3. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable; and

5.1.4.2.4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

5.1.4.3. **Decision-Makers.** The district will ensure that decision-makers receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, as set forth in subsection 5.6.

- 5.1.4.4. **Investigators.** The district will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence, as set forth in subsection 5.5.8.
- 5.1.5. **Presumption.** It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
- 5.1.6. **Reasonably Prompt Time Frames.** This grievance process shall include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes. The process shall also allow for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.
- 5.1.7. **Range of Possible Sanctions and Remedies.** Following a determination of responsibility, the district may impose disciplinary sanctions and remedies in conformance with this and the district's student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion.
- 5.1.8. **Range of Supportive Measures.** The range of supportive measures available to complainants and respondents include those listed in subsection 2.7.
- 5.1.9. **Respect for Privileged Information.** The district will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

5.2. Notice of Allegations.

- 5.2.1. **Initial Notice.** Upon receipt of a formal complaint, the district will provide the following written notice to the parties who are known:
- 5.2.1.1. A copy of this policy.
- 5.2.1.2. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in subsection 2.6, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. The written notice will include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process. The written notice will inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, under subsection 5.5.5, and may inspect and review evidence under subsection 5.5.5. The written notice will inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.
- 5.2.2. **Supplemental Notice.** If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Initial Notice described above, the district will provide notice of the additional allegations to the parties whose identities are known.

5.3. Dismissal of Formal Complaint.

- 5.3.1. The district will investigate the allegations in a formal complaint.
- 5.3.2. **Mandatory Dismissals.** The district must dismiss a format complaint if the conduct alleged in the formal complaint:
 - 5.3.2.1. Would not constitute sexual harassment as defined in subsection 2.6 even if proved;
 - 5.3.2.2. Did not occur in the district's education program or activity; or
 - 5.3.2.3. Did not occur against a person in the United States.
- 5.3.3. **Discretionary Dismissals.** The district may dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing:
 - 5.3.3.1. The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;
 - 5.3.3.2. The respondent is no longer enrolled in or employed by the district; or
 - 5.3.3.3. Specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.
- 5.3.4. Upon a dismissal required or permitted pursuant to subsections 5.3.2 or 5.3.3 above, the district will promptly send written notice of the dismissal and an explanation of that action simultaneously to the parties.
- 5.3.5. Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

5.4. **Consolidation of Formal Complaints.** The district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in this policy to the singular "party," "complainant," or "respondent" include the plural, as applicable.

5.5. **Investigation of Formal Complaint.** When investigating a formal complaint and throughout the grievance process, the district will:

- 5.5.1. Designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint;
- 5.5.2. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a grievance process under this section (if a party is not an "eligible student," as defined in 34 CFR 99.3, then the district will obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3);
- 5.5.3. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;

- 5.5.4. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
- 5.5.5. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;
- 5.5.6. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
- 5.5.7. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least 10 calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report; and
- 5.5.8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 calendar days prior to the time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

5.6. Exchange of Written Questions. After the district has sent the investigative report to the parties pursuant to subsection 5.5.8, but before reaching a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decision to exclude a question as not relevant.

5.7. Determination Regarding Responsibility

- 5.7.1. **Decision-Maker(s).** The decision-maker(s) cannot be the same person as the Title IX Coordinator or the investigator(s).
- 5.7.2. **Written Determination.** The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) will apply the preponderance of the evidence standard. The written determination will include:
 - 5.7.2.1. Identification of the allegations potentially constituting sexual harassment as defined in subsection 2.6;

- 5.7.2.2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
- 5.7.2.3. Findings of fact supporting the determination;
- 5.7.2.4. Conclusions regarding the application of the district's code of conduct to the facts;
- 5.7.2.5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
- 5.7.2.6. The district's procedures and permissible bases for the complainant and respondent to appeal.
- 5.7.3. The district will provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.
- 5.7.4. The Title IX Coordinator is responsible for effective implementation of any remedies.

5.8. Appeals. The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.

- 5.8.1. **Time for Appeal.** Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools within ten (10) calendar days of the date of the respective written determination of responsibility or dismissal from which the appeal is taken. The Notice of Appeal must include (a) the name of the party or parties making the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds (from subsection 5.8.2 below) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy, 34 C.F.R. part, 106, and Title IX.
- 5.8.2. **Grounds for Appeal.** Appeals from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, are limited to the following grounds:
 - 5.8.2.1. Procedural irregularity that affected the outcome of the matter;
 - 5.8.2.2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
 - 5.8.2.3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.
- 5.8.3. As to all appeals, the district will:
 - 5.8.3.1. Notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties;
 - 5.8.3.2. Ensure that the decision-maker(s) for the appeal is not the same person as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator;

- 5.8.3.3. Ensure that the decision-maker(s) for the appeal complies with the standards set forth in subsections 5.1.3–5.1.4.
- 5.8.3.4. Give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome;
- 5.8.3.5. Issue a written decision describing the result of the appeal and the rationale for the result; and
- 5.8.3.6. Provide the written decision simultaneously to both parties.

5.9. Informal Resolution. The district will not require as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, waiver of the right to an investigation and adjudication of formal complaints of sexual harassment consistent with this section. Similarly, the district will not require the parties to participate in an informal resolution process under this section and may not offer an informal resolution process unless a formal complaint is filed. However, at any time prior to reaching a determination regarding responsibility the district may facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication, provided that the district:

- 5.9.1. Provides to the parties a written notice disclosing:
 - 5.9.1.1. The allegations;
 - 5.9.1.2. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations;
 - 5.9.1.3. That at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint; and
 - 5.9.1.4. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared;
- 5.9.2. Obtains the parties' voluntary, written consent to the informal resolution process; and
- 5.9.3. Does not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.

5.10. Recordkeeping.

- 5.10.1. The district will maintain for a period of seven years records of:
 - 5.10.1.1. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the district's education program or activity;
 - 5.10.1.2. Any appeal and the result therefrom;
 - 5.10.1.3. Any informal resolution and the result therefrom; and
 - 5.10.1.4. All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The district will make these training materials publicly available on its website, or if the district does not maintain a website then

the district will make these materials available upon request for inspection by members of the public.

- 5.10.2. For each response required under section 4, the district will create, and maintain for a period of seven years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the district will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the district's education program or activity. If the district does not provide a complainant with supportive measures, then the district will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the district in the future from providing additional explanations or detailing additional measures taken.

6. **Superintendent Authorized to Contract.** The board authorizes the Superintendent to contract for, designate, and appoint individuals to serve in the roles of the district's investigator(s), decision-maker(s), informal resolution facilitator(s), or appellate decision-maker(s) as contemplated by this policy.

7. Access to Classes and Schools.

7.1. **General Standard.** Except as provided in this section or otherwise in 34 C.F.R. part 106, the district will not provide or otherwise carry out any of its education programs or activities separately on the basis of sex, or require or refuse participation therein by any of its students on the basis of sex.

- 7.1.1. **Contact sports in physical education classes.** This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.
- 7.1.2. **Ability grouping in physical education classes.** This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.
- 7.1.3. **Human sexuality classes.** Classes or portions of classes that deal primarily with human sexuality may be conducted in separate sessions for boys and girls.
- 7.1.4. **Choruses.** The district may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

7.2. **Classes and Extracurricular Activities.** The district may provide non-vocational single-sex classes or extracurricular activities as permitted by 34 C.F.R. part 106.

8. **Athletics.** It is the policy of the district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, club, or intramural athletics offered by the district, and that the district will not provide any such athletics separately on such basis.

8.1. **Separate Teams.** Notwithstanding the foregoing paragraph, the district may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport.

8.2. **Equal opportunity.** The district will provide equal athletic opportunity for members of both sexes. Unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams will not constitute noncompliance with this section.

9. **Certain Different Treatment on the Basis of Sex Permitted.** Nothing herein shall be construed to prohibit the district from treating persons differently on the basis of sex as permitted by Title IX or 34 C.F.R. part 106. For example, and without limiting the foregoing, the district may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.
10. **Retaliation Prohibited.** Neither the district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The district will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).
- 10.1. **Specific Circumstances.**
- 10.1.1. The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section.
- 10.1.2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.
11. **Notification of Policy.** The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.
12. **Publication of Policy.** The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).
13. **Application Outside the United States.** The requirements of this policy apply only to sex discrimination occurring against a person in the United States.
14. **Scope of Policy.** Nothing herein shall be construed to be more demanding or more constraining upon the district than the requirements of Title IX (20 U.S.C. § 1681) and 34 C.F.R. part 106. To the extent that the district is in compliance with Title IX and 34 C.F.R. part 106, then all of the district's obligations under this policy shall be deemed to be fulfilled and discharged.

Student Bullying

Definition of Bullying. Nebraska statute defines bullying as “an ongoing pattern of physical, verbal or electronic abuse.” The Centers for Disease Control and Prevention defines bullying as “any unwanted aggressive behavior(s) by another youth or group of youths who are not siblings or current dating partners that involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated.” The school district’s administrators will consider these definitions when determining whether any specific situation constitutes bullying. These definitions include both in-person and cyberbullying behaviors.

Bullying Prohibited. Students are prohibited from engaging in any form of bullying behavior.

Reporting Bullying. Students who experience or observe bullying behavior must immediately report what happened to a teacher or administrator. Students can use the district’s anonymous platform safe2help located at www.Safe2helpNE.org or at 531-299-7233 to make this report. Students may always confer with their parents or guardians about bullying they experience or witness, but the students must also ultimately report the situation to a teacher or administrator.

Bullying Investigations. School district staff will investigate allegations of bullying using the same practices and procedures that the district observes for student disciplinary matters. In no circumstance will school district staff be deliberately indifferent to allegations of bullying.

Disciplinary Consequences. The disciplinary consequences for bullying behavior will depend on the frequency, duration, severity and effect of the behavior.

A student who engages in bullying behavior on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose by a school employee or their designee, or at school-sponsored activities or school-sponsored athletic events may be subject to disciplinary consequences including but not limited to long-term suspension, expulsion, or mandatory reassignment.

Without limiting the foregoing, a student who engages in bullying behavior that materially and substantially interferes with or disrupts the educational environment, the district’s day-to-day operations, or the education process, regardless of where the student is at the time of engaging in the bullying behavior, may be subject to discipline to the extent permitted by law.

Bullying Based on Protected Class Status. Bullying based on protected class status is unique and may require additional investigation. The appropriate district staff member or coordinator will promptly investigate bullying complaints that violate the district’s antidiscrimination policies.

Support for Students Who Have Experienced Bullying. Regardless of where the bullying occurred, the district will consider whether victims of bullying are suffering an adverse educational impact and, if appropriate, will refer those students to the district’s student assistance team.

Bullying Prevention and Education. Students and parents are encouraged to inform teachers or

administrators orally or in writing about bullying behavior or suspected bullying behavior. School employees are required to inform the administrator of all such reports. The appropriate administrator shall promptly investigate all such reports. Each building shall engage in activities which educate students about bullying, bullying prevention and digital citizenship.

Policy Review. The school district shall review this policy annually.

A. Methods of Bidding/Soliciting Quotations or Estimates

The type of procedures required depends on the anticipated cost of the project.

Micro-purchase means a purchase of supplies or services using simplified acquisition procedures, the annual aggregate amount of which does not exceed \$10,000. Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy "reasonable" means the purchase is comparable to market prices for the geographic area.

To the extent practicable, the District distributes micro-purchases equitably among qualified suppliers. The District will follow its standard policy on purchasing.

2. Construction with an Anticipated Cost of between \$10,000 and \$250,000 (Small Purchase Procedures)

For construction projects subject to this policy, small purchases are purchases that, in the aggregate amount, is more than \$10,000 and less than \$250,000 annually. For small purchases, price or rate quotes shall be obtained in advance from a reasonable number of qualified sources as detailed in the district's standard policies on purchasing and on bid letting and contracts.

B. Construction Projects with an estimated cost of between \$109,000 and \$249,999 will be made pursuant to the District's Policy on Bid Letting and Contracts.

Pursuant to Nebraska law, construction projects which have an anticipated aggregate cost of \$109,000 or more are subject to state public lettings laws (NEB. REV. STAT. §§ 73-101 through 73-106). The board will follow its standard policy on bid letting and contracts for construction projects financed with federal funds which have an anticipated aggregate cost of between \$109,000 and \$250,000.

IV. Construction Projects with an Anticipated Cost Over \$250,000

A. Sealed Bids: All constructions projects subject to this policy with an anticipated cost of \$250,000 or more will be publicly solicited using the sealed bid method

1. Bids must be solicited from an adequate number of known suppliers, providing them sufficient response time prior to the date set for opening the bids, for state, local, and tribal governments, the invitation for bids must be publicly advertised;
2. The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;
3. Sealed bids will be publicly opened in a place and at the specific time stated in the bid solicitation. Bidders shall be notified of the opening and invited to be present.
4. The contract will be awarded to the lowest responsive and responsible bidder.
 - a) Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest.
 - b) Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of.
 - c) Any or all bids may be rejected if there is a sound documented reason.
5. The board shall have discretion in determining which bidders are responsible and responsive and shall award the contract to the lowest, responsible, and responsive bidder whose bid meets the bid specifications. This means that the board will select the bid that offers the best value and award a contract based upon the amount of the bid and the bidder's ability and capacity to carry on

the work, its equipment and facilities, honesty, integrity, skills, business judgment, experience, equipment, facilities, financial stability, past performance, and other relevant factors.

6. The board will generally complete its review of bids and select a vendor within 30 days of bid submission.

B. Advertising for Bids.

1. The superintendent or designee will arrange to advertise for bids by publishing notice in any newspaper of general circulation within the school district at least 7 calendar days prior to the date on which bids are due.

2. Nothing shall prevent the superintendent or designee from advertising in additional media outlets or for a longer period of time.

C. Bid Documents

1. The bid documents shall identify the day upon which the bids shall be returned, received, or opened and shall identify the hour at which the bids will close or be received or opened.

2. The bid documents shall also provide that such bids shall be opened simultaneously in the presence of the bidders or their representatives.

3. Bids received after the date and time specified in the bid documents shall be returned to the bidder unopened.

4. If bids are being opened on more than one contract, the board, in its discretion, may award each contract as the bids are opened.

5. Sealed bids will be opened in a place and at the specific time stated in the bid solicitation. Bidders shall be notified of the opening and invited to be present.

6. Bids will be reviewed by the Superintendent and/or designee and submitted to the board for approval.

7. The board shall have discretion in determining which bidders are responsible and responsive and shall award the contract to the lowest, responsible, and responsive bidder whose bid meets the

bid specifications. This means that the board will select the bid that offers the best value and award a contract based upon the amount of the bid and the bidder's ability and capacity to carry on the work, its equipment and facilities, honesty, integrity, skills, business judgment, experience, equipment, facilities, financial stability, past performance, and other relevant factors.

8. The board will generally complete its review of bids and select a vendor within 30 days of bid submission.

D. The terms of any construction project undertaken pursuant to this policy will be memorialized in a written contract which has been reviewed by the district's legal counsel and approved by the board.

V. Other Contract Matters.

A. Required Terms

The non-Federal entity's contracts must contain the applicable provisions required by section 200.326 and described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. This includes a "Buy American" provision that provides that as appropriate and to the extent consistent with law, the District and contractor should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of the Buy American provision must be included in all subawards including all contracts and purchase orders for work or products under this award.

B. Contracting with Certain Vendors

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible and consistent with state law.

To the maximum extent practicable, the school food program shall purchase domestic commodities or products produced in the U.S. or processed in the U.S. substantially using agricultural commodities produced in the U.S.

C. Full and Open Competition

The district's procurement transactions will be conducted in a manner

providing full and open competition consistent with 2 C.F.R §200.319.

D. Debarment and Suspension

The District awards contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

The District may not subcontract with or award subgrants to any person or company who is debarred or suspended. For all contracts over \$25,000 the District verifies that the vendor with whom the District intends to do business with is not excluded or disqualified. 2 C.F.R. Part 200, Appendix II(1) and 2 C.F.R. §§ 180.220 and 180.300.

The District will verify debarment or suspension by revising the excluded parties list on SAM.gov, collecting a certification through the bidding process, and/or by including a debarment and suspension provision in the bid and contract documents. The Superintendent or his/her designee shall be responsible for such verification.

E. Settlements of Issues Arising Out of Contract

The District alone is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the District of any contractual responsibilities under its contracts. Violations of law will be referred to the local, state, or federal authority having proper jurisdiction.

F. Record Keeping

1. Record Retention

- a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and §§ 75.730-.731. The District also maintains records of

significant project experiences and results. 34 C.F.R. § 75.732. These records and accounts must be retained and made available for programmatic or financial audit.

- b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before the receipt of a program determination letter. 34 C.F.R. § 81.31(c). Schedule 10 (Local School Districts) and Schedule 24 (Local Agencies General Records) of the Nebraska Records Management Division as approved by the Nebraska Secretary of State/State Records Administrator requires the District to maintain records regarding construction projects for a minimum of five (5) years after the sale or demolition of the building. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.
 - c) Records will be destroyed in compliance with Schedule 10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.
2. Maintenance of Construction Records for Projects Financed with Federal Funds
- a) The District must maintain records sufficient to detail the history of all construction projects financed with federal funds. These records will include, but are not necessarily limited to the following: rationale for the method of construction, selection of contract type, contractor selection or rejection, the basis for the contract price (including a cost or price analysis), and verification that the contractor is not suspended or debarred.
 - b) Retention of construction records shall be in accordance with applicable law and Board policy.

VI. Conflict of Interest and Code of Conduct

- A. Board and staff member conflicts of interest are governed by the district's conflict of interest policies.
- B. Contracts covered by this policy are subject to the following additional provisions.
 - 1. Employees, officers, and agents engaged in the selection, award, and/or administration of district contracts which are prohibited from engaging in such actions if a real or apparent conflict of interest is present.
 - 2. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.
 - 3. The board may determine at its discretion that a financial interest is not substantial enough to give rise to a conflict of interest.

C. Favors and Gifts

The officers, employees, and agents of the District may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts, with the limited exception of unsolicited items of nominal value.

D. Enforcement

Disciplinary Actions will be applied for violations of such standards by officers, employees, or agents of the District at the board's discretion.

VII. Financial Management

A. Identification.

The District will identify, in its accounts, all federal awards received and expended and the federal programs under which they were received. Federal program and award identification include, as applicable, the CFDA title and

number, federal award identification number and year, name of the federal agency, and, if applicable, name of the pass-through entity.

B. Financial Reporting

The District will make an accurate, current, and complete disclosure of the financial results of each federal award or program in accordance with the financial reporting requirements set forth in the Education Department General Administrative Regulations (EDGAR).

C. Accounting Records

The District maintains records which adequately identify the source and application of funds provided for federally-assisted activities. These records must contain information pertaining to grant or subgrant awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation.

D. Internal Controls

The Superintendent or his/her designee must maintain effective control and accountability for all funds, real and personal property, and other assets through board review and approval of claims, an annual audit of the district's finances pursuant to the applicable Nebraska Department of Education and federal rules and regulations, and comparison of expenditures and outlays to budgeted amounts. The District adequately safeguards all such property and assures that it is used solely for authorized purposes.

E. Budget Control

Actual expenditures or outlays will be compared with budgeted amounts for each federal award at least annually and more often as required by law or deemed prudent by the board or administrative staff.

F. Payment Methods

The District will comply with applicable methods and procedures for payment that minimize the time elapsing between the transfer of funds and disbursement by the District, in accordance with the Cash Management Improvement Act at 31 CFR Part 205. Generally, the District receives payment from the Nebraska Department of Education on a reimbursement basis. 2 CFR § 200.305. However, if the District receives an advance in federal grant funds, the District will remit interest earned on the advanced payment quarterly to the federal agency. The District may retain interest amounts up

to \$500 per year for administrative expenses. 2 CFR § 200.305(b)(9).

Consistent with state and federal requirements, the District will maintain source documentation supporting the federal expenditures (invoices, time sheets, payroll stubs, etc.) and will make such documentation available for the Nebraska Department of Education to review upon request.

G. Allowability of Costs

Expenditures must be aligned with approved budgeted items. Any changes or variations from the state-approved budget and grant application need prior approval.

When determining how the District will spend its grant funds, the Superintendent or his/her designee will review the proposed cost to determine whether it is an allowable use of federal grant funds before obligating and spending those funds on the proposed good or service. All costs supported by federal education funds must meet the standards outlined in EDGAR, 2 CFR Part 3474 and 2 CFR Part. The Superintendent or his/her designee must consider these factors when making an allowability determination.

The Superintendent or his/her designee will consider Part 200's cost guidelines when federal grant funds are expended. The Superintendent or his/her designee will also consider whether all state - and District-level requirements and policies regarding expenditures have been followed.

H. Use of Program Income – Deduction, Addition, or Cost Sharing or Matching

The default method for the use of program income for the District is the deduction method. 2 C.F.R. § 200.307(e). Under the deduction method, program income is deducted from total allowable costs to determine the net allowable costs. Program income will only be used for current costs unless the District is otherwise directed by the federal awarding agency or pass-through entity. 2 C.F.R. § 200.307(e)(1). The District may also request prior approval from the federal awarding agency to use the addition method. Under the addition method, program income may be added to the Federal award by the Federal agency and the non-Federal entity. The program income must then be used for the purposes and under the conditions of the Federal award. 2 C.F.R. § 200.307(e)(2). The District may also request prior approval from the federal awarding agency to use the cost sharing or matching method.

While the deduction method is the default method, the District always refers to the grant award notice prior to determining the appropriate use of program

income.

I. Cost Sharing or Matching

For all Federal awards, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be accepted as part of the non-Federal entity's cost sharing or matching when such contributions meet all of the following criteria:

- (1) Are verifiable from the non-Federal entity's records;
- (2) Are not included as contributions for any other Federal award;
- (3) Are necessary and reasonable for accomplishment of project or program objectives;
- (4) Are allowable under [subpart E \(Cost Principles\) of this part](#);
- (5) Are not paid by the Federal Government under another Federal award, except where the Federal statute authorizing a program specifically provides that Federal funds made available for such program can be applied to matching or cost sharing requirements of other Federal programs;
- (6) Are provided for in the approved budget when required by the Federal awarding agency; and
- (7) Conform to other provisions of this part, as applicable.

J. Documentation of Personnel Expenses

Records that reflect charges to federal awards for salaries and wages will comply with the rules and requirements of 2 CFR 200.430.

VIII. Other Contract Matters.

A. Required Terms

The non-Federal entity's contracts must contain the applicable provisions required by section 200.326 and described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

B. Contracting with Certain Vendors

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible consistent with state law.

To the maximum extent practicable, the school food program shall purchase domestic commodities or products produced in US or processed in US substantially using agricultural commodities produced in US.

C. Record Keeping

1. Record Retention

a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and § 75.730-.731. The District also maintains records of significant project experiences and results. 34 C.F.R. § 75.732. These records and accounts must be retained and made available for programmatic or financial audit.

b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before the receipt of a program determination letter. 34 C.F.R. § 81.31(c). Schedule 10 (Local School Districts) and Schedule 24 (Local Agencies General Records) of the Nebraska Records Management Division as approved by the Nebraska Secretary of State/State Records Administrator requires the District to maintain records regarding federal awards for a minimum of six (6) years. Consequently, the District shall retain records for a minimum of six (6) years from the date on which the final Financial Status Report is submitted, unless otherwise notified in writing to extend the retention period by the awarding agency, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.

c) Records will be destroyed in compliance with Schedule

10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.

2. Maintenance of Procurement Records

a) The District must maintain records sufficient to detail the history of all procurements. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, the basis for the contract price (including a cost or price analysis), and verification that the contractor is not suspended or debarred.

b) Retention of procurement records shall be in accordance with applicable law and Board policy.

D. Privacy

The District has protections in place to ensure that the personal information of both students and employees is protected. These include the use of passwords that are changed on a regular basis; staff training on the requirements of the Family Educational Rights and Privacy Act (FERPA) and State confidentiality requirements; and training on identifying whether an individual requesting access to records has the right to the documentation.

Fiscal Management for Purchasing and Procurement Using Federal Funds

I. Applicability of Policy

This policy applies only to non-construction related purchases undertaken with federal funds which are subject to the federal Uniform Grant Guidance (UGG) and other applicable federal law, including but not limited to the Education Department and General Administration Regulations (EDGAR) and the United States Department of Agriculture (USDA) regulations governing school food service programs. In the event this policy conflicts or is otherwise inconsistent with mandatory provisions of the UGG, EDGAR or other applicable federal law, the mandatory provisions of the laws shall control.

All other non-construction purchases will be governed by the Board's general purchasing policy, which can be found earlier in this subsection. In the event of a conflict between state and federal law, the more stringent requirement shall apply.

This procurement policy shall govern all purchasing activities that relate to any aspect of the National School Lunch and Breakfast Programs. The district's goal is to fully implement all required procurement rules, regulations and policies set forth in 2 CFR 200, 7 CFR parts 210, 3016 and 3019, and by the Nebraska Department of Education.

II. Procurement System

The District maintains the following purchasing procedures.

A. Responsibility for Purchasing

The authority to make purchases shall be governed by the District's purchasing policy, which can be found elsewhere in this section. Except as otherwise provided in the District's purchasing policy, the acquisition of services, equipment, and supplies shall be centralized in the administration office under the supervision of the superintendent of schools, who shall be responsible for developing and administering the purchasing program of the school district. Purchases or commitments of district funds that are not authorized by this policy will be the responsibility of the person making the commitment.

B. Methods of Purchasing

The type of purchase procedures required depends on the cost of the item(s) being purchased.

1. Purchases up to \$10,000 (Micro-Purchases)

Micro-purchase means a purchase of supplies or services using simplified acquisition procedures, the annual aggregate amount of which does not exceed \$10,000. Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy "reasonable" means the purchase is comparable to market prices for the geographic area.

To the extent practicable, the District distributes micro-purchases equitably among qualified suppliers. The District will follow its standard policy on purchasing, which can be found earlier in this subsection.

2. Purchases between \$10,000 and \$250,000 (Small Purchase Procedures)

Small purchases are purchases that, in the aggregate amount, is more than \$10,000 and less than \$250,000 annually. For small purchases, price or rate quotes shall be obtained in advance from a reasonable number of qualified sources as detailed in the district's standard policies on purchasing and on bid letting and contracts, which can be found earlier in this subsection.

3. Purchases Over \$250,000

a) Sealed Bids (Formal Advertising)

For purchases over \$250,000, the district will generally follow the bidding process outlined in the board's policy on Bidding for Construction, Remodeling, Repair or Site Improvement.

b) Contract/Price Analysis

The District performs a cost or price analysis in connection with every procurement action in excess of \$250,000, including contract modifications. The district will make an independent estimate of costs prior to receiving bids or proposals.

4. Noncompetitive Proposals (Sole Sourcing)

- a) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:
 - 1) The item is available only from a single source;
 - 2) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
 - 3) The federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the District; or
 - 4) After solicitation of a number of sources, competition is determined inadequate.
- b) Noncompetitive proposals may only be solicited with the approval of the superintendent or the board. Sufficient and appropriate documentation that justifies the sole sourcing decision must be maintained by the superintendent or designee.
- c) A cost or price analysis will be performed for noncompetitive proposals when the price exceeds \$250,000.

5. Competitive Proposals.

- a) The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

- 1) Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals must be considered to the maximum extent practical;
 - 2) Proposals must be solicited from an adequate number of qualified sources; and
 - 3) Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered.
- b) The District may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.
- c) The District may select a proposal that offers the best value and that is based upon the proposer's responsiveness to the proposal, experience, reputation, staff qualifications, ability and capacity to carry on the work, price, honesty, integrity, skills, business judgment, financial stability, past performance, and other relevant factors. The evaluation may be conducted by the school board, a designated committee, or another designee of the school board.

C. Use of Purchase (Debit & Credit) Cards

District use of purchase cards is subject to the policy on purchase cards which can be found elsewhere in this subsection.

D. Federal Procurement System Standards

The district's procurement transactions will be conducted in a manner providing full and open competition consistent with 2 C.F.R §200.319.

The District will maintain and follow general procurement standards consistent with 2 C.F.R. §200.318.

E. Debarment and Suspension

The District awards contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

The District may not subcontract with or award subgrants to any person or company who is debarred or suspended. For all contracts over \$25,000 the District verifies that the vendor with whom the District intends to do business with is not excluded or disqualified. 2 C.F.R. Part 200, Appendix II(1) and 2 C.F.R. §§ 180.220 and 180.300.

The District will verify debarment or suspension by revising the excluded parties list on SAM.gov, collecting a certification through the bidding process, and/or by including a debarment and suspension provision in the bid and contract documents. The Superintendent or his/her designee shall be responsible for such verification.

F. Settlements of Issues Arising Out of Procurements

The District alone is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the District of any contractual responsibilities under its contracts. Violations of law will be referred to the local, state, or federal authority having proper jurisdiction.

III. Conflict of Interest and Code of Conduct

A. Board and staff member conflicts of interest are governed by the district's conflict of interest policies.

B. Purchases covered by this policy are subject to the following additional provisions.

1. Employees, officers, and agents engaged in the selection, award, and/or administration of district contracts which are prohibited from engaging in such actions if a real or apparent conflict of interest is present.
2. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.
3. The board may determine at its discretion that a financial interest is not substantial enough to give rise to a conflict of interest.

C. Favors and Gifts

The officers, employees, and agents of the District may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts, except that this provision does not prohibit the receipt of unsolicited items of nominal value. For purposes of this policy, "nominal value" means a fair market value of \$25 or less.

D. Enforcement

Disciplinary Actions including, but not limited to, counseling, oral reprimand, written reprimand, suspensions without pay, or termination of employment, will be applied for violations of such standards by officers, employees, or agents of the District.

IV. Property Management Systems

A. Property Classifications

1. Equipment means tangible personal property (including information technology systems) having a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by the District for financial statement purposes, or \$5,000.

2. Supplies means all tangible personal property other than those described in §200.33 Equipment. A computing device is a supply if the acquisition cost is less than the lesser of the capitalization level established by the District for financial statement purposes or \$5,000, regardless of the length of its useful life. 2 C.F.R. §200.94.
3. Computing Devices means machines used to acquire, store, analyze, process, and publish data and other information electronically, including accessories (or “peripherals”) for printing, transmitting and receiving, or storing electronic information. 2 C.F.R. §200.20.

D. Physical Inventory

1. A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.
2. The Superintendent or his/her designee will ensure that the physical inventory is performed. The physical inventory will generally occur during the months of June or July, but may be conducted during other time periods with the approval of the superintendent.

E. Maintenance

In accordance with 2 C.F.R. 313(d)(4), the District maintains adequate maintenance procedures to ensure that property is kept in good condition.

F. Lost or Stolen Items

The District maintains a control system that ensures adequate safeguards are in place to prevent loss, damage, or theft of the property.

G. Use of Equipment

Equipment must be used in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be

supported by the federal award, and the District will not encumber the property for any non-federal program use without prior approval of the federal awarding agency and the pass-through entity.

H. Disposal of Equipment

When it is determined that original or replacement equipment acquired under a federal award is no longer needed for the original project or program or for other activities currently or previously supported by a federal awarding agency, the Superintendent or his/her designee will contact the awarding agency (or pass-through for a state-administered grant) for disposition instructions.

If the item has a current FMV of \$5,000 or less, it may be retained, sold, or otherwise disposed of with no further obligation to the federal awarding agency.

I. Equipment and Capital Expenditures

A. Identification

The District will identify, in its accounts, all federal awards received and expended and the federal programs under which they were received. Federal program and award identification include, as applicable, the CFDA title and number, federal award identification number and year, name of the federal agency, and, if applicable, name of the pass-through entity.

B. Financial Reporting

The District will make an accurate, current, and complete disclosure of the financial results of each federal award or program in accordance with the financial reporting requirements set forth in the Education Department General Administrative Regulations (EDGAR).

C. Accounting Records

The District maintains records which adequately identify the source and application of funds provided for federally-assisted activities. These records must contain information pertaining to grant or subgrant awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation.

D. Internal Controls

The Superintendent or his/her designee must maintain effective control and accountability for all funds, real and personal property, and other assets through board review and approval of claims, an annual audit of the district's finances pursuant to the applicable Nebraska Department of Education and federal rules and regulations, and comparison of expenditures and outlays to budgeted amounts. The District adequately safeguards all such property and assures that it is used solely for authorized purposes.

E. Budget Control

Actual expenditures or outlays will be compared with budgeted amounts for each federal award at least annually and more often as required by law or deemed prudent by the board or administrative staff.

F. Payment Methods

The District will comply with applicable methods and procedures for payment that minimize the time elapsing between the transfer of funds and disbursement by the District, in accordance with the Cash Management Improvement Act at 31 CFR Part 205. Generally, the District receives payment from the Nebraska Department of Education on a reimbursement basis. 2 CFR § 200.305. However, if the District receives an advance in federal grant funds, the District will remit interest earned on the advanced payment quarterly to the federal agency. The District may retain interest amounts up to \$500 per year for administrative expenses. 2 CFR § 200.305(b)(9).

Consistent with state and federal requirements, the District will maintain source documentation supporting the federal expenditures (invoices, time sheets, payroll stubs, etc.) and will make such documentation available for the Nebraska Department of Education to review upon request.

G. Allowability of Costs

Expenditures must be aligned with approved budgeted items. Any changes or variations from the state-approved budget and grant application need prior approval.

When determining how the District will spend its grant funds, the Superintendent or his/her designee will review the proposed cost to determine whether it is an allowable use of federal grant funds before obligating and spending those funds on the proposed good or service. All costs supported by federal education funds must meet the standards outlined in EDGAR, 2 CFR Part 3474 and 2 CFR Part. The Superintendent or his/her designee must consider these factors when making an allowability determination.

The Superintendent or his/her designee will consider Part 200's cost guidelines when federal grant funds are expended. The Superintendent or his/her designee will also consider whether all state - and District-level requirements and policies regarding expenditures have been followed.

H. Use of Program Income – Deduction, Addition, or Cost Sharing or Matching

The default method for the use of program income for the District is the deduction method. 2 C.F.R. § 200.307(e). Under the deduction method, program income is deducted from total allowable costs to determine the net allowable costs. Program income will only be used for current costs unless the District is otherwise directed by the federal awarding agency or pass-through entity. 2 C.F.R. § 200.307(e)(1). The District may also request prior approval from the federal awarding agency to use the addition method. Under the addition method, program income may be added to the Federal award by the Federal agency and the non-Federal entity. The program income must then be used for the purposes and under the conditions of the Federal award. 2 C.F.R. § 200.307(e)(2). The District may also request prior approval from the federal awarding agency to use the cost sharing or matching method.

While the deduction method is the default method, the District always refers to the grant award notice prior to determining the appropriate use of program income.

I. Cost Sharing or Matching

For all Federal awards, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be

accepted as part of the non-Federal entity's cost sharing or matching when such contributions meet all of the following criteria:

- (1) Are verifiable from the non-Federal entity's records;
- (2) Are not included as contributions for any other Federal award;
- (3) Are necessary and reasonable for accomplishment of project or program objectives;
- (4) Are allowable under [subpart E \(Cost Principles\) of this part](#);
- (5) Are not paid by the Federal Government under another Federal award, except where the Federal statute authorizing a program specifically provides that Federal funds made available for such program can be applied to matching or cost sharing requirements of other Federal programs;
- (6) Are provided for in the approved budget when required by the Federal awarding agency; and
- (7) Conform to other provisions of this part, as applicable.

J. Documentation of Personnel Expenses

Records that reflect charges to federal awards for salaries and wages will comply with the rules and requirements of 2 CFR 200.430.

VI. Written Compensation Policies

A. Time and Effort Standards

All employees who are paid in full or in part with federal funds must keep specific documents to demonstrate the amount of time they spent on grant activities. This includes an employee whose salary is paid with state or local funds but is used to meet a required "match" in a federal program. These documents, known as time and effort records, are maintained in order to charge the costs of personnel compensation to federal grants. Charges to federal awards for salaries and wages must be based on records that accurately reflect the work performed. These records must:

- (1) Be supported by a system of internal controls which provides reasonable assurance that the charges are accurate, allowable, and properly allocated;
- (2) Be incorporated into official records;
- (3) Reasonably reflect total activity for which the employee is compensated, not exceeding 100% of compensated activities;
- (4) Encompass both federally assisted and all other activities compensated by the District on an integrated basis;

- (5) Comply with the established accounting policies and practices of the District and
- (6) Support the distribution of the employee's salary or wages among specific activities or costs objectives.

B. Time and Effort Procedures

Time and effort procedures will follow and comply with 2 CFR 200.430(i).

C. Fringe Benefits

Except as provided otherwise by federal law, the costs of fringe benefits will be allowable provided that the benefits are reasonable and required by law, a district-employee agreement, or another policy of the District.

D. Leave

The cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if they are provided under established written District leave policies.

E. Unexpected or Extraordinary Circumstances

In the event of a pandemic or other unexpected or extraordinary circumstance, the District may close school or individual buildings. In such case, the District may compensate federally funded or other employees during such closure to ensure the return of staff to employment after the closure as allowed by state or federal law.

F. Documentation for Personnel Expenses

Records that reflect charges to federal awards for salaries and wages will comply with the rules and requirements of 2 CFR 200.430.

VII. Other Contract Matters.

A. Required Terms

The non-Federal entity's contracts must contain the applicable provisions required by section 200.326 and described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

B. Contracting with Certain Vendors

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible consistent with state law.

~~To the maximum extent practicable, the school food program shall purchase domestic commodities or products produced in US or processed in US substantially using agricultural commodities produced in US.~~

Buy American. The District participates in the National School Lunch Program and School Breakfast Program and is required to use the nonprofit food service funds, to the maximum extent practicable, to buy domestic commodities or products for Program meals. A "domestic commodity or product" is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR 210.21(d). The District may deviate from this general requirement only if:

- The product is not produced or manufactured in the U.S. in sufficient and reasonably available quantities of a satisfactory quality; or
- Competitive bids reveal the costs of a U.S. product are significantly higher than the non-domestic product.

C. Record Keeping

1. Record Retention

- a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and §§ 75.730-.731. The District also maintains records of significant project experiences and results. 34 C.F.R. § 75.732. These records and accounts must be retained and made available for programmatic or financial audit.
- b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before

the receipt of a program determination letter. 34 C.F.R. § 81.31(c). Schedule 10 (Local School Districts) and Schedule 24 (Local Agencies General Records) of the Nebraska Records Management Division as approved by the Nebraska Secretary of State/State Records Administrator requires the District to maintain records regarding federal awards for a minimum of six (6) years. Consequently, the District shall retain records for a minimum of six (6) years from the date on which the final Financial Status Report is submitted, unless otherwise notified in writing to extend the retention period by the awarding agency, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.

- c) Records will be destroyed in compliance with Schedule 10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.

2. Maintenance of Procurement Records

- a) The District must maintain records sufficient to detail the history of all procurements. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, the basis for the contract price (including a cost or price analysis), and verification that the contractor is not suspended or debarred.
- b) Retention of procurement records shall be in accordance with applicable law and Board policy.

D. Privacy

The District has protections in place to ensure that the personal information of both students and employees is protected. These include the use of passwords that are changed on a regular basis; staff training on the requirements of the Family Educational Rights and Privacy Act (FERPA) and

State confidentiality requirements; and training on identifying whether an individual requesting access to records has the right to the documentation.

It shall notify the parents and guardians at least 10 days prior to the start of

school when and where the textbooks will be available. It shall make textbooks available to parents or guardians on or before August 15th. If the number of textbooks for a particular subject or grade level is insufficient to fill all of the requests, the textbooks shall be distributed to parents and guardians based on a random drawing.

Parents and guardians shall sign a receipt on the form prescribed by the Department of Education when they pick up the textbooks and shall return the textbooks that can be returned no later than 15 days after the district's last day of class. The district shall assess the returned textbooks for damage beyond normal wear and tear. The parent or guardian who signed the receipt is responsible for paying the reasonable cost of the repair or replacement of any book that is damaged, lost, stolen, or not returned.

The school district shall limit the loan each year to ten textbooks per student for students in grades K-6 and to eight textbooks per student for students in grades 7-12.

5003 Admission of Part-Time Students

A student may be permitted to enroll on a part-time basis pursuant to this policy and applicable curricular practices when enrollment is appropriate for reasons that include but are not limited to the following: the student attends another education institution on a part-time basis; is enrolled for a limited number of credit hours needed to graduate; has a modified schedule because of a disability or as part of an individualized education plan; or is a student who resides in the school district but attends a private, denominational, or parochial school or a school that elects not to meet accreditation or approval requirements (referred to herein as an exempt school student or an exempt school, respectively).

Application for Enrollment. The parent or guardian of an exempt school student who is of appropriate age to attend school, ~~resides in~~ is a resident of the school district, has not graduated from high school, and has not received a graduate equivalency diploma must meet all of the district's admission requirements and file an application for enrollment on forms provided by the school district by July 15th of the year of enrollment. For second semester high school courses, the application must be filed by November 15. For students who move into the district mid-semester, the application must be filed within 20 days of moving into the district. The administration shall review the application, determine whether to approve or deny it, notify the parent or guardian, and schedule enrollment at an educationally appropriate time in the building or attendance center of the administration's choice. Enrollment does not carry over from one school year to the next, and the parent or guardian of an exempt school student must apply for enrollment each school year.

Limitations Based on Resources. The enrollment of exempt school students is subject to limitations established by the district for grades, classes, courses, and programs based on the limited resources available to the school district. Full-time students shall be given priority for enrollment in grades, classes, courses, and programs.

Placement of Students. Exempt school students shall be placed in courses for which they have adequate preparation and which are determined to be educationally appropriate based on criteria that include, but are not limited to the student's age, achievement test scores, academic record, evaluation by school personnel and any other standards used by the district for the placement of students.

Grades and Academic Honors. Exempt school students shall receive grades, report cards, and transcripts, but shall not be eligible to graduate, receive a diploma or qualify for class ranking unless they meet all district requirements for such including earning a sufficient number of credit hours and semesters of attendance.

Applicability of School Rules. Exempt school students are subject to all rules and standards of the board of education and administration as set forth in policy, handbooks or other communications, as well as the rules and directives of the building administration and teaching personnel. They must remain on the school campus during scheduled classes but must leave the school campus when not engaged in a course or course-related activity unless the course or course-activity requires their presence or the building principal approves their presence. Students who violate school policies, rules, or directives shall be subject to disciplinary procedures up to and including suspension and expulsion.

Extracurricular Sports and Activities. Students who are enrolled in a private, denominational or parochial school may not participate in extracurricular sports and activities sponsored by the public school district if they participate in extracurricular sports and activities offered by the private, denominational or parochial school. Exempt school students may participate in extracurricular sports and activities if they are enrolled in at least 20 credit hours per semester, with at least 10-5 credit hours per semester of enrollment in the public school district. ~~Exempt school students who are not enrolled in at least 10-credit hours may not participate in extracurricular sports and activities.~~ All part-time students must also meet all other eligibility requirements set by the board, administration and coach/sponsor prior to participating and for continued participation in the sport or activity. 5004 Option Enrollment

The board of education supports the concept embodied in the Enrollment Option Program that parents and legal guardians have the primary responsibility for insuring that their children receive the best education possible. Accordingly, the school district will participate in the option enrollment program and receive option students as provided herein.

1. Definitions

- a. Option Student Defined.** Option student shall mean a nonresident student who has chosen to attend the school district under the provisions of the option enrollment program.
- b. Resident School District Defined.** Resident school district shall mean the school district in which a student resides or in which the student is admitted as a resident of the school district pursuant to state law.
- c. Option School District Defined.** Option school district shall mean the school district that a student chooses to attend other than his or her resident school district.

2. Persons Entitled to Apply for Option Enrollment of Students. Only parents and legal guardians may apply for option enrollment of students. Applications filed by foster parents and adults acting *in loco parentis* are not authorized and will be automatically denied.

3. Duties, Entitlements and Rights of Option Students. Except as otherwise provided herein, once an option student's option enrollment application has been accepted he/she shall be treated as a resident student of the school district.

4. Standards for Acceptance or Rejection of Option Students.

- a. Special Education Capacity.** Capacity for special education services will be determined on a case-by-case basis. If an application for option enrollment received by the school district indicates that the student has an individualized education program under the federal Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq., or has been diagnosed with a disability as defined in section 79-1118.01, the application will be evaluated by the director of special education services or the director's

designee who must determine if the school district and the appropriate class, grade level, or school building has the capacity to provide the applicant the appropriate services and accommodations. The Federal Educational Rights and Privacy Rights Act (FERPA) (20 U.S.C. § 1232g) permits the release of education records when a student seeks or intends to enroll in a different school district.

a.b. Numeric Capacity. The board of education may set the numeric capacity of programs, classes, grade levels, or school buildings by operation of this policy or through freestanding action by the board. Numeric Capacity will be determined based upon available staff, facilities, projected enrollment of resident students, and projected number of students with which the option school district will contract based on existing contractual arrangements, ~~and availability of appropriate special education programs~~. Individuals seeking information about the numeric capacity set by the board may contact the superintendent for a copy of that resolution.

b.c. Programmatic Capacity. In addition to the numeric capacity standards referred to above, the board may, by resolution, prior to October 15 of each school year, declare a program, a class, or a school unavailable for the next school year to option students due to lack of capacity. Individuals seeking information about the programs that have been declared to be unavailable due to lack of capacity may contact the superintendent for a copy of the board's resolution.

c.d. Other Standards for Acceptance or Rejection of Option Enrollment Applications. In addition to the numeric and programmatic capacity standards outlined above, the school district shall not accept an option student when acceptance of the student:

- i. Would increase the operating costs of the school district, such as by requiring the hiring of new staff or contracting with outside entities to provide services to the student;
- ii. Would require the procurement of new equipment, technology, or furnishings;
- iii. Would cause or require the rearrangement of caseloads for staff and contracted professionals;
- iv. Is reasonably deemed by appropriate school staff to pose a potential risk to the health or safety of students or staff;

- v. May pose a risk of adversely affecting the quality of educational services being provided to resident students, as determined by appropriate school staff.

~~d. The school district shall accept an option student with a disability only to the extent that the school district's then current staff and facilities are sufficient to accommodate the student's needs without significantly increasing the operating costs of the school district, such as by requiring the hiring of new staff.~~

e. **Prohibited Standards.** The school district shall not base the decision to accept or reject an option student on the student's previous academic achievement, athletic or other extracurricular ability, disabling condition(s), proficiency in the English language, or previous disciplinary proceedings.

f. **Order of Acceptance.** If there are more option student applicants for any program, class, grade level or school building than can be accepted into such program, class, grade level or school building, applicants shall be accepted in the following order:

- i. students with brothers or sisters attending the school district, either as resident students or as option students, shall be granted first priority;

- ii. thereafter, option students shall be accepted into such program, class, grade level or school building in the order in which written applications were received by the school district.

g. **Maximum Capacity Report.** The school district will annually establish, publish, and report the capacity for each school building under the district's control pursuant to procedures, criteria, and deadlines established by the Nebraska Department of Education.

5. **False or Misleading Option Applications.** If, prior to the student's attendance as an option student, the school district discovers that a previously accepted option application contained false or substantively misleading information, the option application will be rejected.

6. **Academic Credits and Graduation.** The school district shall accept credits toward graduation that were awarded by another school district,

and shall award a diploma to an option student if the student meets the graduation requirements of the school district.

7. Information Regarding Schools, Programs, Policies and Procedures. The school district, its officers and employees, shall make information about the school district and its schools, programs, policies and procedures available to all interested people.

8. Procedure for Students Optioning Into or Out of the School District.

a. The parent or legal guardian of any student desiring to option into or out of the school district shall submit a proper and timely application to the board of education and the other affected school district for enrollment during the following and subsequent school years. Any application requiring the approval of the school district shall be deemed submitted when the application is actually received in the school district's business office.

b. On or before April 1st, the school district shall notify the parent or legal guardian of any student who has submitted an application to option into the school district and the resident school district, in writing, whether the application is accepted or rejected. If an application is rejected, the reason for such rejection shall be stated in the notification. This written notice shall be sent via certified mail to the address listed on the option application.

9. Late Applications and Requests for Release

a. The board of education may refuse a request of a student seeking to option out of the school district when the option application is submitted after March 15th under the following conditions:

i. When the district has already entered into contracts with teaching staff for the following school year;

ii. When the district has already contracted for the performance of specific services for the student;

iii. When the release of the student would have a negative financial impact or loss of revenue for the district.

b. The board of education will approve late applications to option into the district under the following conditions:

- i. When the resident district has released the student;
- ii. When the student's late enrollment into the district meets the standards for acceptance or rejection of option students contained elsewhere in this policy;

OR

- b. The board of education will deny all applications to option into the district that are received by the district after March 15 of the school year prior to the student's requested enrollment.
- c. The superintendent will notify parents or guardians who have submitted properly completed option applications after March 15th no later than 60 days following submission of the application of the board's acceptance or rejection of the application.

10. Students Who Do Not Need a Release from the Resident District

- a. A student does not need to be released from his/her resident district under the following circumstances:
 - i. When the student has relocated to a different resident school district after February 1
 - ii. When a student's option school district merges with another district effective after February 1
- b. The school district shall accept or reject an application from a student under this paragraph using the criteria set forth in this policy and will accept or reject the application within forty-five days.

11. Cancellation of Option.

Students who option either into or out of the school district shall:

- a. Attend the option school district until graduation or relocation/re-option in a different resident school district unless the student chooses to return to the resident school district, in which case the student's parent or legal guardian shall timely submit a cancellation form to the school board or board of education of the option school district and the resident school district for approval for the following year.

- b.** Attend an option school district for not less than one school year unless the student relocates to a different resident school district, completes requirements for graduation prior to the end the school year, transfers to a parochial or private school, or upon mutual agreement of the resident and option school districts cancels the enrollment option and returns to the resident school district.

12. Authority of Superintendent.

The board of education authorizes the superintendent of schools to make decisions on its behalf pursuant to and to apply the criteria articulated by this policy in determining whether to grant or deny option enrollment applications.

5035 Student Discipline

Administrative and teaching personnel may take actions regarding student behavior, other than those specifically provided in this policy and the Student Discipline Act, which are reasonably necessary to aid the student, further school purposes, or prevent interference with the educational process. Such actions may include, but need not be limited to, counseling of students, parent conferences, referral to restorative justice practices or services, rearrangement of schedules, requirements that a student remain in school after regular hours to do additional work, restriction of extracurricular activity, or requirements that a student receive counseling, psychological evaluation, or psychiatric evaluation upon the written consent of a parent or guardian to such counseling or evaluation. Disciplinary consequences may also include in-school suspension, Saturday School, and any other consequence authorized by law. District administrators may develop building-specific protocols for the imposition of student discipline.

In this policy, references to "Principal" shall include building principals, the principal's designee, or other appropriate school district administrators.

Any statement, notice, recommendation, determination, or similar action specified in this policy shall be effectively given at the time written evidence thereof is delivered personally to or upon receipt of certified or registered mail or upon actual knowledge by a student or his or her parent or guardian.

Any student who is suspended or expelled from school pursuant to this policy may not participate in any school activity during the duration of that exclusion including adjacent school holidays and weekends. The student activity eligibility of a student who is mandatorily reassigned shall be determined on a case-by-case basis by the principal of the building to which the student is reassigned.

Pre-Kindergarten through Second Grade Students

Notwithstanding any other provision of this policy, an elementary school shall not suspend a student in pre-kindergarten through second grade unless the student brings a deadly weapon as defined in section 28-109 on school grounds, in a vehicle owned, leased, or contracted by a school being used for a school purpose or in a vehicle being driven for a school purpose by a school employee or his or her designee, or at a school-sponsored activity or athletic event. As an alternative to suspension, the school district may take any action authorized by law, including those provided in section 79-258.

Makeup Work for Suspended Students

Any student who is suspended must be given an opportunity to complete any classwork and homework missed during the period of suspension, including, but not limited to, examinations ("makeup work"). Any makeup work must be completed and turned in within 2 school days after completion of the suspension. This makeup guideline shall be provided to the student and a parent or guardian at the time of suspension. Suspended students may not be required to attend the school's alternative program for expelled students in order to complete classwork or homework.

Short-Term Suspension

The Principal may exclude students from school or any school function for a period of up to five school days (short-term suspension) on the following grounds:

1. Conduct constituting grounds for expulsion as hereinafter set forth; or,
2. Other violations of rules and standards of behavior adopted by the Board of Education or the administrative or teaching staff of the school, that occur on or off school grounds, if such conduct interferes with school purposes or there is a connection between such conduct and school.

The following process applies to short-term suspension:

1. The Principal shall make a reasonable investigation of the facts and circumstances. Short-term suspension shall be imposed only after a determination that the suspension is necessary to help any student, to further school purposes, or to prevent an interference with school purposes.
2. Prior to commencement of the short-term suspension, the student will be given oral or written notice of the charges against the student. The student will be advised of what he or she is accused of having done, be given an explanation of the evidence the authorities have, and be given an opportunity to explain the student's version of the facts.
3. Within 24 hours or such additional time as is reasonably necessary, not to exceed an additional 48 hours, following the suspension, the Principal will send a written statement to the student, and the student's parent or guardian, describing the student's conduct, misconduct or violation of the rule or standard and the reasons for the action taken. For example, this policy does not prohibit students from making recordings of an athletic event for their personal use similar to a parent or other patron, subject to other applicable board policy. In no event shall photographs or video recordings be taken or made in restrooms, locker rooms, or other areas where there is a reasonable expectation of privacy.

However, this policy generally prohibits students from using smart-speakers or other devices which actively or passively create or transmit audio or video recordings, including Google Home, Amazon Alexa, Apple HomePod, and AngelSense devices.

- ~~(1) For their convenience after providing notice to the classroom teacher and receiving the teacher's permission;~~
- ~~(2) For the benefit of another student who is absent after providing notice to the classroom teacher and receiving the teacher's permission;~~
- ~~(3) If recording is necessary to accommodate the student's disability and is required by the student's Individualized Education Plan (IEP) or Section 504 Plan.~~

~~Staff may revoke permission to record if the recording distracts from or disrupts the classroom environment, unless the recording is necessary to accommodate a student's disability.~~

~~**Permitted Non-classroom Recordings.** Students may make audio or video recordings otherwise prohibited by this policy outside the classroom only with the permission of a teacher or school administrator, provided that such recordings otherwise comply with any applicable state and federal laws and district policy. Artificial Intelligence

As used in this policy, artificial intelligence tools (“AI Tools”) mean machine-based resources that use computer science, algorithms, large language models, and/or machine learning to perform tasks, answer questions, collect information, and respond to human-directed tasks, queries, and objectives. AI Tools include, but are not necessarily limited to, commercially-available resources like ChaptGPT, Google Bard, and other chatbots.

The board recognizes that among other resources, when properly used, AI Tools may provide valuable source information to students and teachers in relation to the district’s academic curriculum and assignments. Student use of AI Tools should focus on using such tools as a resource and for background material, rather than using the AI Tools to complete the assignment. Therefore, AI Tools may only be used by students in accordance with the following requirements:

1. Unless an individual teacher affirmatively communicates to students that AI Tools may be used for a specific assignment, then AI Tools may not be used. Individual teachers will decide for each individual assignment the extent to which students may use AI Tools for such assignment. Teachers are encouraged to make such a decision in advance of students being given the individual assignment in question.
2. Teachers will communicate to all students responsible for completing an assignment the extent to which such students may use AI Tools in connection with such assignment. Teachers will endeavor to include in such communications examples of permissible and impermissible uses of AI Tools.
3. If a student uses any AI Tools in connection with a school assignment, the student must comply with the following:
 - a. The student must explicitly disclose to the teacher in writing that the student used an AI Tool and the specific AI Tool used.
 - b. In any student work (whether hard copy, electronic, digital, or otherwise), the student shall give proper attribution to the AI Tool(s) used to the same extent that students are expected to give proper attribution to other sources of information such as books, texts, encyclopedias, secondary sources, and other traditional media. Such attribution may include, but is not

necessarily limited to, accurate quotations, citations, footnotes, endnotes, and/or bibliography entries.

- c. In no instance may the output from one or more AI Tools be copied and placed within a student's work as if the student wrote such section himself or herself. For example and not limitation, students may not outsource the organization or the writing of any written work to any AI Tool.
- 4. A student's failure to meet the requirements stated in this policy will constitute a violation of the district's prohibitions against cheating plagiarism and/or academic dishonesty, including but not necessarily limited to such prohibitions stated in the Student Handbook, which violation will subject the student to discipline up to and including expulsion.
- 5. The student requirements stated above are the minimum requirements for any student assignment. An individual teacher may impose more stringent requirements for any specific academic assignment or coursework.
