Mr. Jason Buckingham, Superintendent  
Ralston Public Schools  
8545 Park Drive  
Omaha, NE 68127

Dear Mr. Buckingham,

I am writing to formally resign from my position as a 5th-grade teacher at Blumfield Elementary, effective at the end of the current school year (2025-26). Enclosed with this letter is also my application for Voluntary Separation offered by the Ralston Public Schools.

I have deeply valued my time in service to the Ralston School District, and I am grateful for the opportunities that I've been given to grow personally and professionally. I appreciate the support that I have received from all colleagues, support staff, and administration throughout my career. It has been an honor and a pleasure to be a teacher to all of my students over my 39 years of service.

I wish you and the entire Ralston Family the very best.

Sincerely,

A handwritten signature in black ink that reads "Michelle R. Hulsing". The signature is written in a cursive, flowing style.

Dr. Ryan Pivonka  
Director of Human Resources  
Ralston Public Schools  
8545 Park Drive  
Ralston, NE 68127

Dear Ralston Public Schools,

I am writing to formally inform you that I will be leaving my position at the end of this year, as my wife has matched into a fellowship program in Wisconsin and we will be relocating to support this next step in her career. This decision is bittersweet, as I am both excited for the opportunities ahead and genuinely sad to be saying goodbye to a team and community that mean so much to me.

Thank you for all that you and my colleagues have taught me and for the many ways you have helped me grow as a professional during my time here. The mentorship, collaboration, and support I have experienced in this role have been invaluable, and I will carry these lessons with me into the next chapter of my career.

I remain committed to ensuring a smooth transition over the coming months and am happy to assist in any way that is helpful. I am deeply grateful for the trust and opportunities I have been given and will always look back on my time here with appreciation.

Sincerely,

Kyle Kikta

## WHAT IS YOUR ROLE?

Over the past few years, the Legislature has increasingly inserted itself into both the boardroom and the classroom. Decisions that have traditionally been left to local boards or the State Board of Education have been centralized at the State Capitol. In addition, the past years have seen an increase in efforts to divide public K-12 education and foster distrust between local boards and their constituents. There are things you can do:

- **Advocate for Local Control:** Talk to lawmakers about impactful decisions and how important it is that decisions remain local. Continue advocating for local control over local decisions. Let us help you!
- **Build Trust:** Share your decisions with your constituents. Celebrate your successes! Show lawmakers and constituents your commitment to transparency. Use your meetings to educate your public on the decisions you are making.
- **Share Your Story:** No one is more qualified to talk about your school district, your community, and your needs related to providing a quality education than you!

**DID YOU KNOW:** 79% of Nebraska's 1,700 locally elected school board members serve at or within 100 miles of where they graduated ... with 51% serving IN the district they graduated from. As a school board member and community leader, you are in an excellent position to educate and influence the legislative process and are seen as a key resource on education policy for your district.

We encourage all boards to include a legislative update as part of each meeting and to discuss/share key legislative information within your community. Advocacy is year-round, not just during the session. 109<sup>TH</sup> LEGISLATURE, 1<sup>ST</sup> SESSION

**The Nebraska Association of School Boards is the only state organization created by school board members to represent the interests of school board members.**

**Your Association's legislative agenda is initiated each year with the submission of local board proposals.**

**The NASB Legislation Committee reviews all proposals, and then submits its recommendations to the NASB Board of Directors.**

**The Board can then review and amend the submissions before presenting them to the NASB Delegate Assembly.**

**The Delegate Assembly gives each member school district a voice in shaping the agenda of NASB.**

**Standing Positions remain in effect until they are repealed by the Assembly.**

## WHAT DOES THIS REPRESENT?

The narrative you read inside the pages of this book represents a set of belief statements which direct NASB's government relations efforts. These words guide our lobbying efforts at the State Capitol and the State Board of Education, as well as with our representatives in Washington, D.C.

While this work characterizes an effort to describe an issue or condition to be addressed, rarely is a bill written in such plain language. Legislative bills are a blend of several ideas (or perhaps a promising idea and a substantial price tag). NASB determines its stance on a bill with the Legislation Committee who offers guidance taking into consideration the technical and political aspects of a bill needed to navigate the turbulent amendment process.

... AS APPROVED BY THE LEGISLATION COMMITTEE ON AUGUST 16, 2024  
 ... AND APPROVED BY THE BOARD OF DIRECTORS ON AUGUST 17, 2024  
 ... AND APPROVED BY THE DELEGATE ASSEMBLY ON NOVEMBER 22, 2024

Standing positions are statements of purpose and direction which are developed and maintained over time. They are considered annually by the Delegate Assembly and remain in effect until they are actively removed.

**BELIEF STATEMENTS FOR AN EFFECTIVE BOARD**

**CONDITIONS OF CHILDREN**

**CURRICULUM & INSTRUCTION**

**FUNDING & FINANCE**

**GOVERNANCE & STRUCTURE**

**PROFESSIONAL STANDARDS & EMPLOYEE RELATIONS**

**STATE POLICY**

**S-6 — Parent Involvement** - NASB urges boards of education to support partnerships between parents and schools that encourage parent involvement in the education process. (1997)

**S-7 — Policy** - NASB considers it imperative that boards of education adopt clearly defined, flexible policies after input from the administration, parents, employees, and other interested parties. Policies, based on a clear understanding of the education process, should be thoroughly reviewed annually. The execution of policy is the responsibility of professional administrators and staff. (prior to 1995)

**S-8 — Use of Accountability Data for School Improvement** - NASB supports using school accountability data to determine potential strategies/resources for helping schools improve. We support the concept of growth or learning mindset which suggests that school effectiveness is assessed as an improvement process. Our perspective is that all schools in Nebraska are important and have opportunities to become more effective as quality educational systems. (2020)

**BELIEF STATEMENTS FOR AN EFFECTIVE BOARD**

**S-1 — Board Development** - NASB encourages boards of education to take part in board in-service and development programs and to budget funds for such programs. (1995)

**S-2 — Board Recognition** - NASB believes the service of school boardsmanship is fundamental to participatory democracy and deserves recognition collectively and individually from state and local communities. (prior to 1995)

**S-3 — Business and Education Partnerships** - NASB encourages boards of education to develop mutually beneficial partnerships with business to ensure mutual understanding and cooperation.(1995)

**S-4 — Collaborative Services to Youth** - NASB urges collaborative linkages between schools and other public and private agencies that serve children. (prior to 1995)

**S-5 — Leadership Team** - NASB believes that each board of education should create an administrative leadership team, which should include all supervisory and managerial employees including the superintendent and board members. (prior to 1995, amended 2007)

**CONDITIONS OF CHILDREN**

**S-9 — Abuse of Alcohol, Tobacco, & Other Drugs** - NASB supports efforts by boards of education and state and national officials to strictly enforce policies regarding the sale, use or possession of illegal drugs including methamphetamine, marijuana, THC products and synthetic equivalents of THC and marijuana, alcohol, tobacco, nicotine products, vapor products (including e-cigarettes), and any products intended by appearance or effect to replicate tobacco products on school property. The designation of “drug free zones” near schools is also urged. (prior to 1995, amended 2015)

**S-10 — At-Risk Students and the Achievement Gap** - NASB recognizes that there are many children and youth who are experiencing special difficulties in achieving high education standards. NASB supports increased funding to help close the gap in educational opportunity and educational achievement, and urges boards of education to work with, and obtain increased funding from the state Legislature, as well as state and federal education agencies to assist at-risk children and youth in making adequate educational progress. ## 109<sup>TH</sup> LEGISLATURE, 1<sup>ST</sup> SESSION

**S-11 — Cooperation with HHS** - NASB supports legislation which mandates cooperation and consultation with school districts as it relates to the placement of children under the custody of DHHS. Comprehensive information about a child's educational needs should be shared with a school district prior to the placement of a student in a new school district. (2020)

**S-12 — Early Childhood Education** - NASB supports quality early childhood education programs accessible to all children and advocates programs that provide age-appropriate activities to prepare children for school. (prior to 1995)

**S-13 — Enrollment Option; Homebound Students** - NASB supports legislation stating that when an option student becomes homebound, the school district in which the student resides assumes full responsibility for educating the student. (1998, amended 2016)

**S-14 — Enrollment Option Limitation** - NASB supports legislation returning option students to the resident school district if the option district must contract with another school district or agency for the educational services needed by the student. (1996, amended 2016)

**S-15 — Liability for Medication Administration** - NASB supports legislation that would limit the liability of a school district and school district representatives for the administering of prescription medication to students. (1999, amended 2013, 2016)

**S-16 — Mental & Behavioral Health** - NASB will support legislative efforts to provide services related to mental and behavioral health to school-age children across Nebraska. (2018)

**S-17 — Nutrition Education/Student Wellness** - NASB believes that wellness programs for schools should emphasize healthy lifestyles and eating habits, mindful of all eating disorders, as well as obesity. (2004)

**S-18 — Safe School Environment** - NASB supports efforts to provide a school environment that is free from weapons, harassment, bullying, violence, drugs (including alcohol and tobacco), and other factors which threaten the safety of students and staff. (1997, amended 2012)

**S-19 — Statewide Poverty/Trauma Funding** - NASB recognizes the growing number of public school students across the state that are living in impoverished conditions and/or with traumatic experiences. NASB supports the use of research-based science to strengthen policy, program design and funding that targets those impacted by persistent poverty and/or trauma. (2017)

**S-20 — Student Discipline** - NASB opposes legislative mandates related to student discipline. NASB supports student discipline as an essential, mutual responsibility of parents, teachers, and administrators, with final responsibility resting with school boards. (1999, amended 2019)

(1995, amended 2009)

**S-22 — Achievement Test Score Use** - NASB opposes the use of test scores for the comparison of school districts or for the ranking of schools. (1998)

### FUNDING & FINANCE

**S-31 — Accounting of Funds** - NASB supports transparent accounting and full disclosure of all funds received and expended for public education consistent with federal regulations. (2005)

**S-32 — Budget Lid: Growth Factor** - NASB supports legislation which would establish an education expenditures “growth factor” which reflects the actual cost of providing a public education for school districts, learning communities, and ESUs. (2001, amended 2008)

**S-33 — Compensation for Statewide Standards & Assessments** - NASB supports adequate funding to compensate school districts/ESUs for the cost of implementing and managing the statewide learning standards and assessments. (2008, amended 2009, 2013)

**S-37 — Expand use of Qualified Capital Purpose Undertaking Fund** - NASB supports the expansion of the Qualified Capital Purpose Undertaking Fund to include modifications for student and staff security including cyber security. (2015)

**S-38 — Financing Capital Improvements** - NASB supports adequate funding for school districts and ESUs for maintenance or replacement of our rapidly deteriorating facilities. (1997, amended 2015)

**S-39 — Fiscal Policy** - NASB believes the Governor and Legislature must work together to create fiscal policy that will adequately fund public education statewide based upon the needs of students and not driven by a pre-set allocation of funds for education regardless of need. Nebraska demographics and student needs are dynamic, as are the changing education standards required to be competitive nationally and internationally. To meet this challenge, fiscal policy would be built upon a broad base with the lowest possible rates to provide stability in the tax base and revenue stream, provide local government with the tools to generate adequate financial resources, yet equalize financial support

among taxpayers, and assure the principle of uniform assessment. (prior to 1995, amended 2009)

**S-40 — For-Profit Entities Operating in Tax-Exempt Zones** - NASB supports legislation to ensure equitable tax payments by for-profit business ventures operating on publicly owned or otherwise exempt property. (2003)

**S-41 — Funding of Mandated Programs** - NASB urges full funding by the state and federal governments at statutory levels of all programs, standards, activities, and services mandated to public schools and ESUs by the Legislature and Congress, and further urges that any unfunded mandates allow authority for supplementary appropriations or outside levy lid funding. (1997, amended 2012, 2017, 2019)

**S-42 — Funding: School District Infrastructure, Site Purchases and Building Operating Expenses** - NASB supports legislation that would provide an alternative to property taxes for financing facility development, maintenance, and operation. (2003)

**S-43 — General Fund Reserve Limit Exception** - NASB supports legislation that would not allow school districts to be penalized or state aid to be adjusted, to a school disadvantage, when any type of error or correction is made in calculating the state aid formula. (1999, amended 2016)

**S-44 — Including Gifts, Donations, or Foundation Funds as Receivables** - NASB opposes the inclusion of gifts, endorsements, donations, or foundation expenditures that are not regular operating expenses in the calculation of receivables in the state aid formula. (2000)

**S-45 — K-12 School Trust Land and Permanent School Fund** - NASB opposes any action that would reduce the assets, or the value thereof, of the school land trust or diversion of the Permanent School Fund. (prior to 1995, amended 2010, 2024)

**S-46 — Legislation Implementation** - NASB supports the concept that any legislative bill that limits financial resources, or requires additional financial resources, is done within a timeframe that will not negatively affect the school's ability to prepare their budget. (1997, amended 2015, 2017, 2019)

**S-47 — Legislative Review of Statutory Deadlines** - NASB urges legislative review of the conflicting mandatory deadlines that affect school revenues and expenditures. (2011)

**S-48 — Lower Local Effort Rate** - NASB supports lowering the Local Effort Rate and valuations in TEEOSA which would increase equalization aid. (2024)

## 109<sup>TH</sup> LEGISLATURE, 1<sup>ST</sup> SESSION

**S-49 — Property Tax Reform/Relief** - Any legislative discussion on property tax and distribution of state aid should include participation from school board and ESU board members. (2015)

**S-50 — Reset the Revenue Lid** - NASB supports legislation requiring the Nebraska Department of Education to recalculate the revenue lid to add the amount of the special education reimbursement, or alternatively, to not include the special education reimbursement in the revenue restricted by the lid. (2024)

**S-51 — Revenue Reductions for School Districts Affected by Property Valuation Losses** - NASB supports legislation that would create a hold harmless effect for districts which experience a decrease in valuation. (2004)

**S-52 — School District Options in Dealing with Large, Unanticipated Revenues** - NASB supports legislation giving school boards options in dealing with large, unanticipated revenue increases in order to minimize fluctuations in state aid. (2000)

**S-53 — School and ESU Funding Must Be Predictable and Sustainable** - Notwithstanding any current standing position or resolution, the NASB would consider the support of a school/ESU funding proposal only if it could be demonstrated to be predictable, sustainable, and it does not encroach on local control as defined by the locally elected school board or ESU members. (2024)

**S-54 — Special Building Fund Tax Levy Exclusion** - NASB supports amending the Nebraska Statutes that address budgeting and spending lid restrictions to allow school districts the ability to utilize up to fourteen cents of the Special Building Fund tax levy outside of the budgeting and spending lid restriction so that districts can plan for and fund capital improvement projects, building repairs and upgrades, and school district infrastructure needs. (2007, amended 2020)

**S-55 — State Funding System** - NASB supports a stable, predictable, equitable, and adequate statewide education funding system that honors the Legislature’s commitment to provide for free instruction in the common schools of this state, as guaranteed by the Nebraska Constitution, by prioritizing education funding in the state budget, and that:

- Invests in the education of all Nebraska public school children;
- Establishes a state fund or funding mechanism that assists Nebraska public schools with the costs of maintaining and constructing facilities;
- Reduces our dependence on local property taxes by drawing revenue from multiple funding sources;
- Promotes the responsibility of locally elected school boards to make sound, transparent school budget decisions;
- Provides funding in a timely and predictable manner;

- Includes the principle of equalization;
- Funds the total excess allowable costs for special education and support services; and
- Recognizes that a long-term solution to education funding will require an ongoing, collaborative effort to execute a vision and strategic plan to grow and diversify our economy. (1997, amended 2009, 2018)

**S-56 — Use of a Uniform Valuation Calculation to Determine Local Resources and State Aid** - NASB supports a property tax assessment system that utilizes uniform accounting practices to determine the property valuation number from which local and state officials can calculate both the local resources available to fund schools from property taxes, and the resulting calculation of state aid payments to school districts. (2003)

**S-57 — Vouchers and Tax Credits** - NASB opposes any attempt to amend or circumvent the Nebraska and United States Constitutions to permit the use of public funds for the support, either direct or indirect, of schools not controlled by the public at large. NASB opposes any state or federal legislation allowing either tax credits or vouchers for children, or the parents or guardians of children attending nonpublic schools, or donors to scholarship funds for non-public education. (prior to 1995, amended 2020)

## GOVERNANCE & STRUCTURE

**S-58 — Accountability** - NASB believes that boards of education are accountable to students, parents, taxpayers, and employees for providing education programs, striving for education excellence, identifying education needs, adopting clearly defined written policies, measuring the success of instruction programs, and interpreting and disseminating information to the public through a public relations plan. (prior to 1995)

**S-59 — Allied Schools** - NASB opposes legislation that would mandate the formation of an allied system of school districts. (2014, amended 2016)

**S-60 — Amend Open Meetings Act for Evaluations** - NASB supports legislation to allow boards to go into executive session to discuss superintendent evaluations and/or for the narrowing down of superintendent candidates. (2017)

**S-61 — Authority of School Boards** - NASB supports the authority of boards of education to effectively govern and execute their statutory responsibilities. (1997, amended 2015)

**S-62 — Charter Schools** - NASB believes that any charter schools, or the like, involved with any aspect of K-12 education be authorized by a public school district, be located within the boundaries of such public school district and be accountable to the authorizing district for their student achievement, finances and operations. (1998, amended 2015)

**S-63 — Duties of Schools** - NASB believes that the primary function of Nebraska schools should be the education of students and that the Legislature should be discouraged from placing duties on school districts which are not directly related to education. (prior to 1995)

**S-64 — E-meetings - Fully-Implemented or Partial Allowable Attendance** - NASB supports legislation which allows for school board members to participate in school board meetings via electronic means while still maintaining a quorum when necessitated for the health and safety of the board and public. Virtual meetings cannot impede the public's ability to participate. (2020)

**S-65 — Educational Service Unit Governance** - NASB supports governance of ESUs by elected boards and supports local determination of specific mechanisms of that governance. (2005)

**S-66 — Educational Service Unit Reorganization** - NASB supports the continuation of ESUs as an effective means of delivering educational services to school districts and their students. Any reforms would provide for a statutory hold harmless provision in the distribution formula for Core Service funding when an Equity Unit reorganizes with any other ESU, and must be mindful of ESUs' essential role of delivering direct services and being responsible to the local school districts they serve. (2004, amended 2005)

**S-67 — Interactive Remote Communication Technology (Televideo)** - NASB urges the legislature to provide updated rules and procedures so patrons are able to readily testify at legislative hearings via televideo (interactive remote communication technology) on a regular, ongoing basis to allow for a more equitable opportunity for the public to participate in the legislative process. (2017)

**S-68 — Local Control and the Possession of Firearms on School Grounds** - NASB supports the rights of local school boards to determine the appropriateness, guidelines, and ability for the possession of firearms by non-law enforcement personnel on school grounds or at school related activities. (2023)

**S-69 — Organization** - NASB opposes legislation that would mandate consolidation of districts or administration. NASB favors cooperation between school districts as well as ESUs to remove all barriers and penalties to promote orderly and voluntary reorganization into more efficient governing and administrative units to best serve the educational needs of Nebraska's children. (prior to 1995, amended 2008, 2015, 2017, amended 2019)

**S-70 — Personal Liability** - NASB opposes unnecessary laws which make individual members of a governing board of a political subdivision personally liable for damage judgements which result from lawsuits filed against the political subdivision. (prior to 1995, amended 2015)

**S-71 — Publication of Minutes, Receipts, & Expenditures** - NASB supports removing the requirement to publishing hearing notices and meeting minutes in public newspapers and supports the use of alternative means to communicate board activity. (2020)

**S-72 — Restriction of Resources and Board Responsibilities** - NASB supports legislation allowing local boards to function as elected officials and to continue to establish policies, including finance policies, as representatives of the constituents who elected them. (1997)

**S-73 — School Activities** - NASB supports direct involvement by boards of education in the governance and activities of the Nebraska School Activities Association. (prior to 1995)

**S-75 — Updating notice requirements** - NASB supports updating notice requirements for all school board meetings that recognizes available technology. (2022)

## PROFESSIONAL STANDARDS & EMPLOYEE RELATIONS

**S-76 — Activity Assignments** - NASB opposes legislation that would require a separate written employment contract for coaching or any other activity assignment that would require that a person be notified by a specified date of the termination of an assignment for the following year. (1999)

**S-77 — Compensation** - NASB will support a concept of compensation for teachers which is not based solely upon the experience and education attainment of teachers as found on standard salary schedules. (1995)

**S-78 — Criminal Background Checks** - NASB supports legislation which would aid public schools and ESUs in obtaining criminal background history information on prospective and current employees, and personnel provided through any contract service provider or anyone working on school property. (1999, amended 2006)

**S-79 — Employee Bonuses and Incentives** - NASB supports legislation creating a comprehensive plan to recruit, retain and reward highly qualified individuals for teaching professions throughout the state, including offering incentives to encourage employees to sign a contract of employment. **S-80 — Employee Support** - NASB recognizes the need to support district employees with their health and supports initiatives that provide for the physical and mental wellness of all school employees. (2020)

**S-81 — Medical Insurance** - NASB supports the concept of exploring alternatives to the costs of health insurance for the purpose of assuring the greatest allocation of our financial resources to education programs and services for children. (prior to 1995, amended 2003)

**S-85 — Staff Development and Evaluation** - NASB supports in-service training, enrichment programs, and continuing education for professional staff. Regular evaluations of performance, competency in the subject areas, and demonstrated ability to instruct or manage, in part as shown through student performance, should be conducted to promote professional growth. (1995)

## STATE POLICY

**S-86 — Advisory Groups** - NASB requests that there be board of education representatives on all government commissions, councils, and committees which could have an impact on local school district policy or finance. (1995)

**S-87 — Choice and Affiliation** - NASB supports the concepts of choice and affiliation among public schools as a means to maximize education opportunity. NASB believes any such program should result in the least amount of disruption and uncertainty for the affected school districts. (1995)

**S-88 — Constitutional Rights & Responsibilities** - NASB, and school board members, fully supports the U.S. Constitution and the rights and responsibilities embodied within it. NASB therefore supports education and behavior that teaches and models expression of these rights and responsibilities. (2009, amended 2015)

**S-89 — Corporate Sponsorships in Schools** - NASB opposes restrictions on school districts' ability to exercise their best judgment in entering into corporate sponsorship agreements. (2004)

**S-90 — Educational Service Units** - NASB supports Educational Service Units as an effective and efficient means to provide educational services to local school districts. ESUs should be responsible to the local school boards they serve. (1997)

**S-91 — Guiding the P-16 Effort: 21st Century Skills** - NASB urges state and local policymakers to forge a new working relationship in redesigning Nebraska's public education system for the 21st century, with a focus on improving student achievement and holding each level of the system accountable, from preschool through post-secondary education or training, in a manner that:

- Promotes multi-level communication and interaction between all P-16 partners to enhance student academic success;
- Offers all students a rigorous developmentally-appropriate curriculum designed to opportunities and choice, regardless of the post-secondary path they choose;
- Engages the assets of the full community;
- Utilizes data and technology to individualize education for students and to incorporate new learning into the design;
- Closes the achievement gap by focusing on quality teaching and learning opportunities;
- Implements standards-based education fully in a seamless curriculum, so one level of the system builds on the next and the end result is known and understood from the beginning;
- Provides sufficient resources that are adequate and sustainable at every level of the system to meet the challenge, resisting unfunded or underfunded mandates; and
- Preserves the ability of local school boards and their communities to address local needs and challenges in a flexible manner using a variety of options. (2009, amended 2016)

**S-92 — Independent School Districts** - NASB supports the independence of established PK-12 school districts and also supports the cooperation and equalization of opportunity among school districts within learning communities. NASB believes that any legislation introduced impacting school districts or learning communities should seek to give districts and learning communities equalized resources. ## 109<sup>TH</sup> LEGISLATURE, 1<sup>ST</sup> SESSION

**S-93 — Local Control for Public PK-12 Schools** - NASB believes public PK-12 systems should be organized to serve communities throughout Nebraska without arbitrary size limits or a single model, which would not fit our state’s varied communities. NASB opposes legislating arbitrary size limits and will work to remedy such limits currently in statute. (2006, amended 2013)

**S-94 — Local District Advocacy** - NASB supports the right and obligation of local school districts to advocate for legislative action that impacts their individual interests. (1996)

**S-95 — NDE Authority** - NASB opposes attempts by the legislature to preempt the statutory authority of the Nebraska State Board of Education to be the policy-forming, planning and evaluative body for Nebraska schools. (2017)

**S-96 — Nonpublic Schools Standards** - NASB believes that nonpublic schools should have the same state standards as the public schools, including school approval, accreditation, teacher certification and endorsement, and safety standards. (prior to 1995)

**S-97 — Policy Leadership & Vision on the Future of Nebraska’s PK-12 Schools** - NASB supports efforts to bring policy makers of the executive and legislative branches, educators, school boards, learning community coordinating councils, and ESU boards, and citizens together to determine the best course for the future delivery of PK-12 education to the students of the state. NASB boards emphasize increasing student achievement through governance structures that are clear, efficient, and controlled by the local district. (2003, amended 2008, 2010, 2013)

**S-98 — Voting Higher Than a Simple Majority** - The NASB firmly opposes any legislation that mandates a voting threshold higher than a simple majority for passing any issue presented to voters by a school district or ESU. We believe that requiring anything more than a majority vote undermines the democratic process and places undue barriers on the ability of school districts or ESUs to address critical needs and make decisions that reflect the will of the community. ## 3045 Use of Sniffer Dogs

The board of education finds that the possession of illegal drugs and other contraband on school grounds is unlawful, is disruptive of the educational process, is harmful to students and staff, and is contrary to the interests of the school district. Accordingly, to minimize the presence of these items on school grounds, the administration is authorized to use sniffer dogs according to the protocol set forth in this policy.

### Protocol for Use of Sniffer Dogs

1. The superintendent, or the building principal with the superintendent's permission, may initiate the use of specially trained sniffer dogs to conduct an inspection.
2. The administration will contact the canine provider and/or the appropriate law enforcement agency to schedule the use of a sniffer dog or dogs. The administration shall require an assurance from the provider that any sniffer dogs to be used in the school have been properly trained, and may request evidence of the training and/or certification of the dogs. In no event will the school district authorize a sniffer dog to sniff any person.
3. The superintendent or if designated by the superintendent, the building principal, and law enforcement representatives or canine provider will confer regarding the specific plan of areas to be inspected. The plan may involve any or all school building facilities, vehicles in the school parking lot, or other areas where student and staff vehicles are parked on school property during or after school hours.
4. If the inspection is scheduled for a day when school is in session, students and staff will be informed over the public address system, and will be directed to remain in their rooms until given further directions.
5. During the inspection, administrators may assign personnel to designated areas as deemed appropriate to assist in the smooth handling of the inspection.
6. After the inspection is finished, students and staff will be notified over the public address system, and will be thanked for their cooperation.
7. If the sniffer dog alerts, the alert will constitute reasonable cause for the administration to conduct a search of the property. If the sniffer dog alerts on a vehicle on school grounds, the owner will be required to unlock the vehicle doors and trunk for further inspection of the interior of the vehicle. If the owner refuses to unlock the vehicle, the matter will be turned over to law enforcement authorities. The owner will be subject to disciplinary action as specified in board policy and/or the student or staff handbook or as otherwise allowed by law. This may include discipline for the refusal to obey an administrative directive.
8. Any illegal drugs or contraband found on school grounds, whether in a desk, locker, vehicle, or any other place on school grounds, will be confiscated and turned over to law enforcement authorities. A student's parents will be contacted. The individual will be subject to disciplinary action as specified in board policy and/or the student or staff handbook or as otherwise allowed by law.
9. At the conclusion of the inspection, school officials will confer with the canine provider and/or any law enforcement authorities who were involved in the inspection to review the results of the

inspection. The administration may authorize any follow-up inspections or other action deemed appropriate.

## **NOTICE TO STUDENTS AND STAFF**

Students and staff shall be informed of the District's policy regarding the use of sniffer dogs as soon as practicable after the adoption of this policy. Thereafter, students and staff shall be informed of the policy at the beginning of the school year. By this policy and/or via the provision in the student or staff handbook, students and staff are specifically notified that:

1. Lockers may be sniffed by sniffer dogs at any time.
2. Vehicles parked on school property may be sniffed by sniffer dogs at any time.

### **Incidental or De Minimis Use of Public Resources**

The board prohibits its members and employees from using public resources for personal or political purposes as prohibited in the Nebraska Political Accountability and Disclosure Act (“Act”). However, the board recognizes that incidental or de minimis uses of public resources are sometimes necessary and within reason. The purpose of this policy is to comply with the Act and to authorize certain uses of public resources as permitted by the Act.

The following uses of public resources are permitted as incidental or de minimis:

- Limited communications with family members or other non-district employees for personal purposes, such as e-mails or text messages with a spouse using district hardware, software, internet, accounts, or other public resources so long as this communication does not distract from or interfere with employees performing their official duties, with interference determined in the sole and unfettered discretion of an employee’s supervising administrator;
- Traveling to or from the person’s home when the primary purpose serves the interests of the district. If an employee is unsure whether the primary purpose serves the interests of the district, the employee should obtain the approval of his or her supervising administrator, who is authorized to make that determination under this policy;
- Making a limited number of copies of personal documents when the person cannot make alternative arrangements;
- Using personal social media accounts or accessing appropriate websites which are consistent with the district’s digital citizenship curriculum while off duty;
- Using district-owned computer programs, such as Word, Excel, Adobe, and others for personal purposes while off duty;
- Any other uses contained in the collective bargaining agreement or individual contract of the employee;
- Other uses by employees authorized by the superintendent or superintendent’s designee. The board intends to allow the superintendent to authorize such uses on a case-by-case basis to the maximum extent permitted by the Act; and
- Other uses by the superintendent or board members authorized by the board president. The board intends to allow the board president to authorize such uses on a case-by-case basis to the maximum extent permitted by the Act

All uses pursuant to this policy must be (1) consistent with other district policies, (2) consistent with the provisions of Title 92, Nebraska Administrative Code, Chapter 27 (Nebraska Department of Education “Rule 27”), and (3) reported as compensation in accordance with the Internal Revenue Code of 1986, as amended, and taxes, if any, are paid. It is the responsibility of each board member or employee to account for their own tax liability, and the district will not indemnify or account for any personal use of public resources by the board member or employee.

All of the provisions of Rule 27 will apply to non-certificated staff for the purposes of this policy. In

addition, employees may not use the school's internet, computers, or other technology to access obscene or pornographic material, sext, or engage in any illegal activities.

**BEFORE Ralston Public Schools**

IN RE GRIEVANCE OF )  
Article III. Fringe Benefits; F. Personal Leave )  
November 21, 2025 ) **GRIEVANCE STEP 1**

***Nature of Grievance***

The Grievant, the Ralston Education Association (REA), serves as the certified (2/10/82), recognized, and exclusive bargaining agent of the certified teachers employed by the School District of Ralston.

It has come to the attention of the REA that the School District's administration has unilaterally altered the established and mutually accepted past practice concerning the granting of personal leave. Specifically, the administration has decided to apply Article III, Fringe Benefits, Section F. Personal Leave, paragraph 4, which states:

*"Personal leave requests that extend a school break period or would include the first or second week of school will require approval of the building principal. Leave requests may be denied if the number of teacher absences exceeds 10% of the building's certified instructional staff for the day. Absences will be granted on a first come, first served manner."*

to all personal leave requests, rather than limiting its application to situations involving school breaks or the beginning of the school year, as has been the consistent past practice. This constitutes a deviation from established application and a violation of the collective bargaining agreement between the parties.

***Relief Requested***

The Ralston Education Association respectfully requests that the School District of Ralston take the following action:

- Resume the previous and established practice of granting personal leave as historically administered prior to the recent change; and

- Cease and desist from applying Article III, Section F, paragraph 4 in a manner inconsistent with past practice and the negotiated intent of the collective bargaining agreement.
- A written communication will be sent out to all certified staff from each building principal or Central Office within one week stating that we are returning to the practice of granting personal leave following the language and practice previously established by the 2010/2011 contract through October 2025.

Respectfully submitted,

  
Alicia George, REA President

## MEMORANDUM

**VIA HAND-DELIVERY AND  
EMAIL (alicia\_george@ralstonschools.org)**

To: Alicia George, President of the Ralston Education Association

From: Jason Buckingham

Re: Grievance Determination

Date: December 4, 2025

Ralston Education Association (“REA”) submitted a grievance to me on November 21, 2025 (the “Grievance”). Per the Negotiated Contract between Ralston Public Schools (the “District”) and the REA, a meeting was scheduled and took place on November 21, 2025. In attendance at the meeting were Alicia George (REA President), Stacy Stoffel (REA Chief Negotiator), and Jason Buckingham (District Superintendent). This letter is the District’s written response to the Grievance and the actions requested in the Grievance.

### **Determination of the Grievance/Actions Requested**

Article III(F) of the Negotiated Contract between the REA and the Ralston Board of Education states as follows:

(F) Personal Leave: Personal leave shall be awarded at the hourly equivalent of 8 hours per day, prorated to the employee’s FTE status. Each employee shall be granted paid leave each contract year for personal reasons as described below. The employee need not give a reason for the leave.

(1) All employees who have taught in the Ralston School District for 19 consecutive contract years or fewer will be granted two days (16 hours) of personal leave.

(2) At the start of their 20<sup>th</sup> consecutive contract year of teaching in Ralston, employees of the district will be granted three days (24 hours) of personal leave

(3) All certified personnel may accumulate up to a total of five personal days (40 hours).

(4) Personal leave requests that extend a school break period or would include the first or second week of school will require approval of the building principal. Leave requests may be denied if the number of teacher absences exceeds 10% of the building’s certified instructional staff for that day. Absences will be granted on a first come, first served manner. (underlining supplied.)

The REA claims that Article III, Section F, paragraph 4 should not apply to all personal leave requests but only to “...situations involving school breaks or the beginning of the school year.” The REA’s

Actions Requested in the Grievance are: 1) the District resume “the previous and established practice of granting personal leave as historically administered prior to the recent change”<sup>1</sup>; 2) the District cease and desist from applying Article III, Section F, paragraph 4 in a manner inconsistent with past practices and the negotiated intent of the collective bargaining agreement; and 3) a written communication be sent out to all certified staff from each building principal or Central Office within one week stating the District is returning to the practice of granting personal leave following the language and practice previously established by the 2010/ 2011 contract through October 2025. Below are specific responses to each of the actions requested.

1. Action Requested. Resume the previous and established practice of granting personal leave as historically administered prior to the recent change.

a. *Determination.* This request is denied.

b. *Discussion.*

- i. When certified staff are on personal leave, the District is cognizant of the strain unfilled substitute positions have on our staff. Generally, if a substitute position is unfilled, it is covered by another staff member, or the class is combined with another class for the day. When a present staff member is required to cover for an absent staff member, it diminishes the ability of the present staff member is to teach students their students as they normally would, or it may cause the forfeiture of their plan time, thus diminishing the present staff member’s ability to teach and effectively prepare future lessons. In the elementary schools this may mean a Specialist, Special Education, English Learner or other Student Services personnel would be unable to provide their services for the day as they cover for an unfilled absence. Additionally, the District has received feedback from staff about the amount of stress covering additional classes places on our teachers. The District has examined many different aspects regarding the shortage of available substitute teachers and is exploring many different options on how to attract and retain substitute teachers. We currently pay the same or higher rate for daily substitutes as every district in the Metro, with the exclusion of Omaha Public Schools. Despite these efforts, the continuing lack of sufficient substitute teachers requires the District to exercise its right to limit personal leave under certain conditions set forth in the Negotiated Contract.
- ii. As listed in Article III, Section F, paragraph 4, the Negotiated Contract states “[l]eave requests may be denied if the number of teacher absences exceeds 10% of the building’s certified instructional staff for that day.” Ten percent represents a significant number of absent staff, and this has a detrimental impact not only on staff being forced to cover unfilled positions, it also has a

---

<sup>1</sup> To clarify: While the REA asserts that “recent practice” limited the denial of requests under Article III, Section F, paragraph 4 to personal leave extending a school break or including the first or second week of school, the District maintains that the remaining conditions in that paragraph have historically been enforced for personal leave outside those periods.

negative impact on student learning. The ability of administration to more effectively regulate the number of planned absences on any given day is important in maintaining a productive learning environment.

- iii. Furthermore, the REA's claim that denying any personal leave request when teacher absences exceed 10% of a building's certified instructional staff violates the collective bargaining agreement is incorrect. The Negotiated Contract clearly states: "Leave requests may be denied if the number of teacher absences exceeds 10% of the building's certified instructional staff for the day," followed by, "Absences will be granted on a first come, first served manner." While the first sentence of Article III, Section F, paragraph 4 addresses personal leave requests that extend a school break or include the first or second week of school, the subsequent sentences impose general operational limitations on all personal leave. There are no qualifiers restricting these rules to specific periods of leave, which is clear from the fact that the second sentence does not begin with "such leave requests." The plain language of the Negotiated Contract allows the District to limit personal leave based on these conditions. It would be illogical for the Contract to provide a building-wide denial standard only for a small subset of dates and be silent on any standard for all other days when staffing constraints are just as real. The parties resolved that operational need by adopting a uniform 10% threshold and a first-come, first-served allocation rule.

2. Action Requested: Cease and desist from applying Article III, Section F, paragraph 4 in a manner inconsistent with past practices and the negotiated intent of the collective bargaining agreement.

- a. *Determination*: This request is denied.

- b. *Discussion*:

- i. The plain language of the Negotiated Contract expressly provides the managerial right to limit planned leave in the event of excessive staff absenteeism on a given day. That threshold is set at 10% and remains enforceable, even if recent practice favored granting personal leave. Past practice confirms that such denials have occurred, and this contractual language is expressly included in the Negotiated Contract. As stated above, the changes to the availability of substitute teachers have created some unique circumstances that may require the denial of a personal leave request on occasion. Moreover, as also addressed above, the language of the Negotiated Contract allows the District to limit personal leave based on these conditions. As such, it is not "inconsistent with past practices" or "the negotiated intent of the collective bargaining agreement" for the District to exercise this right.
- ii. Article IV(C) states that the Agreement "constitute[s] the entire agreement between the parties for the life of the contract," and except as provided, neither party is obligated to bargain further on covered subjects. To the extent REA

points to how paragraph 4 “has been” administered (which the District disputes) before October 2025, the parties’ current, mutually executed language controls going forward.

3. Action Requested: A written communication be sent out to all certified staff from each building principal or Central Office within one week stating we are returning to the practice of granting personal leave following the language and practice previously established by the 2010/ 2011 contract through October 2025.

a. *Determination*: This request is denied.

b. *Discussion*:

i. As set forth in the November 21, 2025 meeting and in this letter, it is the position of the District that personal leave may be denied per the conditions set forth in Article III, Section F, paragraph 4. Accordingly, such a communication of a return to recent practice will not be made at this time.

#### **CONCLUSION/NEXT STEPS**

Per the Negotiated between the REA and the District, if my determination is not satisfactory to the REA, then it has seven (7) contract days to appeal the determination to the Board of Education. The Board then has thirty (30) days to hear the grievance, and shall issue a written decision within seven (7) days of the hearing.
