

Projects Committee Meeting
Tuesday, November 25, 2014 8:30 AM
Lower Platte North NRD Office
P.O. Box 126
Wahoo, NE 68066

1. SWCP

1.A. SWCP Application Approvals

None

1.B. SWCP Payments

None

1.C. SWCP Cancellations

None

1.D. Cottonwood Creek Payments

1.E. Sand/Duck Creek Approvals

We have received two additional Sand and Duck Creek applications for conservation work in the watershed

Jeff Tepoel / Chris Tepoel	Basins/Tile	75%	\$ 5,400.00
William Chromy	Basins/Tile	75%	<u>\$ 7,896.00</u>
TOTAL:			\$ 13,296.00

No motion from Committee Meeting

1.F. Sand/Duck Cost Share Payment

None

1.G. 2014 Nebraska Buffer Strip Payments

Approval of 2014 Nebraska Buffer Strip Payments as attached.

1.H. Wahoo Creek Cost Share Approvals

We have three approved Wahoo Creek Watershed applications NRCS is requesting to move to Lands for Conservation approval for next Summer.

Jami will be present to discuss approvals. All three were under the understanding that they were applying for Lands for Conservation when applications were signed. All three fields have been planted to wheat in preparation of LFC work next Summer.

Donald Fujan **8 acres = \$ 1,760.00**
Dennis Fujan **40 acres = \$ 8,800.00**
Dennis Fujan **33 acres = \$ 7,260.00**

TOTAL: \$ 17,820.00

2. WATERSHEDS

2.A. Shell Creek - Watershed Plan

2.B. Wahoo Creek Watershed - Water Quality Plan (PIP) Phase I

As outlined in the attached report, JEO began looking at streams to narrow down priority areas and began stream and land use assessments. These tasks were 10% complete at the end of October.

3. LOWER PLATTE RIVER CORRIDOR ALLIANCE

3.A. LPRCA Monthly Report

A monthly report for November is anticipated by Board Meeting.

4. OTHER

4.A. Army COE 205 Projects

4.A.1. Fremont 205

As reported at the O, E & RW committee meeting, Dodge County has paid their share of 205 study expenses.

4.A.2. Schuyler 205

Attached to the Project Committee Minutes find the latest weekly construction report. The project is 80% complete, with a good portion of topsoil placement completed over the weekend. The final completion date is now December 15th.

4.B. Shell Creek Landowner Levee Project Update

Update from Mark Mainelli, P.E. : We have requested and received some of the required study summary from the COE. We anticipate the hydraulic portion of the report will be sent

this week. I am hopeful at that point we will be able to determine the study requirements for your project.

4.C. All Hazard Mitigation Plan Update- JEO Progress Report and Invoice

After our HMP meetings in October, JEO has been working with communities on their identified projects to reduce damages from natural disasters and to complete hazard risk assessments. Attached is a draft that was submitted by LPNNRD. At the end of October the HMP was 28% complete as outlined in the attachment.

4.D. Review of Projects Financial Statement

5. SAND CREEK ENVIRONMENTAL RESTORATION PROJECT REPORT

5.A. Lake Wanahoo

5.A.1. Wahoo By-Pass & County Road Paving Project Updates - Mike Murren

Two lanes over the top of the dam and County Road 17 intersection were opened on November 20th. Construction activities are now in winter shutdown and will resume in the Spring.

5.B. Upstream Structures - Update

6. WESTERN SARPY/CLEAR CREEK LEVEE REPORT

Segment 4b is near 50% complete with moving of random fill and minor clearing and grubbing to take place this fall (weather permitting).

Segment 5 landrights have been completed and COE will award construction contract on November 26th.

6.A. Project Invoice From PMRNRD

We have had a long standing agreement with Papio NRD to pay a maximum of \$150,000 each year for our WS/CC project expenses. Attached is their request for payment.

7. ADJOURNMENT

With no further business, the Projects Committee Adjourned at 9:04 a.m.
