=====

Topics:

Parent Teacher conference: We had another great turnout for PT conferences. We made a few changes to getting progress reports to parents before going to the conferences. The changes we have made gave our lower elementary a little more flexibility in setting their schedules.

5th/6th grade Yearbook Group: Every year we have a group of 5th and 6th graders work on the elementary yearbook. We are getting preorders.

NCSA Legislative meeting: I attended the legislative conference this year in Lincoln. There are many bills this session that could have a direct impact on school finance, assessment, and curriculum. I appreciate the opportunity to attend these sessions; I feel it keeps us at the table when discussing current legislation.

Observations: Almost done with formal observations and will start back with walk-throughs towards the end of the month. This year has been a great time to discuss our teaching and how the PLC process is changing the way we think about what we do at every level.

I. SWC Basketball

- The higher seed hosted first round games while all consolation games were hosted in Gothenburg. This was the first year the SWC held consolation games. The rationale behind this was that teams who lose in the first round have ten or more days off until their next game. This format allows them to play at least two games the week of conference and not have such a long lay off in between games. The semifinals, finals, and 3rd place games were played at North Platte Community College. Their facilities are top notch and we are working on an agreement for them to host at least every other year.
- Our girls finished in 4th place while the boys were 7th.

II. SWC Wrestling

- McCook hosted the conference wrestling tournament this year. The boys wrestled extremely well and finished runner-up as a team. Jeremy Larson, Noah Gugelman, and Pat Hudson all won individual conference titles while seven other wrestlers finished in the top four. We host the B-4 District Wrestling Tournament here in Gothenburg this Friday and Saturday. As of the most recent ratings, five of the top ten teams in Class B are in our district.

III. District Track

- District assignments have been released. Gothenburg will be competing in the B-6 District with a host yet to be determined.

Meeting: February Board Meeting

Date: 2/12/18

Mrs. Allison Jonas

Pk Programs: Mrs. Bell and I met with the Gothenburg Early Childhood Learning Coalition last week. Conversations regarding community initiatives to support a coordinator and some programming were very positive. An additional preschool meeting was scheduled to discuss policies and procedures with area private providers. Jump Start will run July 9th – 27th.

Curriculum:

Math – We're getting ready to order materials for next year. Feedback has been very positive with EUREKA.

Science – Met last week to begin discussing any realignment to the new standards. The JH/HS team has done an outstanding job working with Mr. Wiggins on course descriptions and aligning new standards with classes and content. Our next step is a K-12 vertical alignment conversation that we'll have after ACT. We're not looking at a text book adoption until 2019-2020 once programs have had a chance to align to the new standards.

Mentor Program: I've met with each new teacher to discuss this month's focus: Helping students generate and test hypothesis. I assist with self-reflection and they've each set their monthly goal that will be my focus for walkthroughs in the month of February.

Professional Development: Staff continue to focus on prioritizing and unpacking standards while utilizing a 15 Day Challenge structure to lesson plan. This is a work in progress. Our goal for staff is that each teacher will have one class/course prioritized and unpacked by the end of this year. The Guiding Coalition established this goal with a long term goal of being complete within five years.

Completed Staff Evaluations:

Formal: 50 (38 teacher, 13 paraprofessional)

Walkthroughs: 117

Internal Board Policies - Methods of OperationOpportunity for Public Expression

Therefore, the following guidelines have been established for patrons to efficiently and effectively give expression to their suggestions, concerns, and grievances:

- A. Public Forum - Each Board meeting shall have on its agenda a specific time entitled Public Forum, during which patrons may address the Board on matters of general concern. Patrons wishing to address the Board during the Public Forum will be allowed five (5) minutes to express their view. Board of Education members will refrain from expressing personal opinions during the Public Forum unless asked a direct question by a patron recognized by the Board President as having the floor. The Board imposed time limit may be extended by a majority vote of the Board following a request to do so. Board action may not be taken on matters discussed during the Public Forum unless the matter specifically appears on the prepared agenda. In the discretion of the Board President, the Public Forum may be omitted or bypassed at some, but not all, meetings of the Board of Education.
- B. Concerns and Complaints - Board action shall not be taken regarding a concern or complaint unless the following procedure has been followed:
 - Step 1. All Complaints concerning a particular school situation shall be submitted to the Principal of the building. They should be submitted in writing when practical. If the party involved is other than an individual, then the organization or persons represented shall be identified. If the problem involves other than an individual building, then the matter shall be directed to the Superintendent.
 - Step 2. Should the matter not be resolved to the satisfaction of the parties involved, they may appeal to the Superintendent.
 - Step 3. If the initiating party is not satisfied with the response of the Superintendent, said party may address a written appeal to the Board of Education through the Secretary of the Board.
- C. Speak to Agenda Item - Patrons or visitors who desire to have an item placed on the monthly Board meeting agenda and speak on that item should make their wishes known to the Superintendent prior to the distribution of the meeting agenda. Meeting: February Board Meeting

Date: 2/12/18

Mr. Widdifield

=====

Topics:

Parent Teacher conference: We had another great turnout for PT conferences. We made a few changes to getting progress reports to parents before going to the conferences. The changes we have made gave our lower elementary a little more flexibility in setting their schedules.

5th/6th grade Yearbook Group: Every year we have a group of 5th and 6th graders work on the elementary yearbook. We are getting preorders.

NCSA Legislative meeting: I attended the legislative conference this year in Lincoln. There are many bills this session that could have a direct impact on school finance, assessment, and curriculum. I appreciate the opportunity to attend these sessions; I feel it keeps us at the table when discussing current legislation.

Observations: Almost done with formal observations and will start back with walk-throughs towards the end of the month. This year has been a great time to discuss our teaching and how the PLC process is changing the way we think about what we do at every level.

District Track

I. SWC Basketball

- The higher seed hosted first round games while all consolation games were hosted in Gothenburg. This was the first year the SWC held consolation games. The rationale behind this was that teams who lose in the first round have ten or more days off until their next game. This format allows them to play at least two games the week of conference and not have such a long lay off in between games. The semifinals, finals, and 3rd place games were played at North Platte Community College. Their facilities are top notch and we are working on an agreement for them to host at least every other year.
- Our girls finished in 4th place while the boys were 7th.

II. SWC Wrestling

- McCook hosted the conference wrestling tournament this year. The boys wrestled extremely well and finished runner-up as a team. Jeremy Larson, Noah Gugelman, and Pat Hudson all won individual conference titles while seven other wrestlers finished in the top four. We host the B-4 District Wrestling Tournament here in Gothenburg this Friday and Saturday. As of the most recent ratings, five of the top ten teams in Class B are in our district.

III. District Track

- District assignments have been released. Gothenburg will be competing in the B-6 District with a host yet to be determined.

Meeting: February Board Meeting

Date: 2/12/18

Mrs. Allison Jonas

Pk Programs: Mrs. Bell and I met with the Gothenburg Early Childhood Learning Coalition last week. Conversations regarding community initiatives to support a coordinator and some programming were very positive. An additional preschool meeting was scheduled to discuss policies and procedures with area private providers. Jump Start will run July 9th – 27th.

Curriculum:

Math – We’re getting ready to order materials for next year. Feedback has been very positive with EUREKA.

Science – Met last week to begin discussing any realignment to the new standards. The JH/HS team has done an outstanding job working with Mr. Wiggins on course descriptions and aligning new standards with classes and content. Our next step is a K-12 vertical alignment conversation that we’ll have after ACT. We’re not looking at a text book adoption until 2019-2020 once programs have had a chance to align to the new standards.

Mentor Program: I’ve met with each new teacher to discuss this month’s focus: Helping students generate and test hypothesis. I assist with self-reflection and they’ve each set their monthly goal that will be my focus for walkthroughs in the month of February.

Professional Development: Staff continue to focus on prioritizing and unpacking standards while utilizing a 15 Day Challenge structure to lesson plan. This is a work in progress. Our goal for staff is that each teacher will have one class/course prioritized and unpacked by the end of this year. The Guiding Coalition established this goal with a long term goal of being complete within five years.

Completed Staff Evaluations:

Formal: 50 (38 teacher, 13 paraprofessional)

Walkthroughs: 117

Gothenburg Public Schools
Strategic Plan - January 2018
DRAFT # 1

“The mission of Gothenburg Public Schools is to prepare all students within a positive and innovative learning environment.”

WE BELIEVE THAT:

#AllMeansALL

- Every child can learn and will be given the opportunity to succeed.
- Education addresses the whole child’s development – academic, social-emotional, personal health and well-being and prepares the student for life’s transitions.
- Education should be tailored to every student’s needs.
- Everyone is entitled to a safe, caring, and respectful learning environment.
- Every day counts for every child and not just some children.
- Every student should take ownership of their education.

#BeBold

- Kids-first decision making culture.
- Growth mindset focused on continually raising our standards.
- We will continue to be a progressive school district by thinking ahead, planning for the future, and being prepared.
- We can never be satisfied with the status quo as we must strive for a better tomorrow in a diverse and unpredictable world..
- Every student will be prepared so that they have choices when they leave our doors.i
- The school is accountable to the greater-community, its residents and its children.

#Excellence is an Expectation

- Instruction addresses critical thinking, communication, collaboration, and creativity in a global society.
- Learning is an interactive process where all students learn to read, write, and think critically to the best of their ability.
- High expectations promote higher achievement.
- Achievement builds self-esteem; self-esteem promotes achievement.
- Excellence is worth the investment and great is the only acceptable outcome.

#Relationships Matter at GPS

- Teamwork makes the dream work; students, parents, staff, and community.
- Our greatest resource is people and it is the people that make the “school.”
- All people are entitled to a positive, safe, caring, and respectful environment.
- Shaping and developing character is the shared responsibility of the individual, family, school and community.
- Maintain positive reputation to attract families to the community.
- Understand the importance of being good stewards of district finances.
- Culture that enhances collaboration within Board of Education, leadership teams, and staff working towards measurable common goals.

Accountability for a Quality Education System Today and Tomorrow (AQuESTT)

Every student, every day.

Keeping our focus where it matters most. We believe that by integrating components of accountability, assessment, accreditation, career education, and data into a system of school improvement and support, we build a broader, bolder, and better education system for all Nebraska students.

Great things happen when we work together.

A quality education system helps make our state and communities strong. By collaborating and focusing on AQuESTT's six investment areas, we can help enhance the education system, positively impact our children and schools, and create a better Nebraska. So where do you fit in?

Bylaws of the Board - MeetingsClosed Sessions

The Board of Education may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) strategy sessions with respect to collective bargaining, real estate purchases, or litigation; (b) discussion regarding deployment of security personnel or devices; (c) investigative proceedings regarding allegations or misconduct; or (d) evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; provided, however a closed meeting shall never be held for the purpose of discussing the appointment or election of a new member to the Board of Education.

The vote to hold a closed session shall be taken in open session. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The Board shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken.

Any member of the Board shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reasons stated in the original motion to hold a closed session. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

The term "closed session" as used in the policies, regulations and Bylaws of the District shall include within its meaning any "executive session" or "executive meeting" authorized or prescribed by said policies, regulations and Bylaws, all of said terms being interchangeable.
