Rationale: A tentative agreement between Dawson County School District #20, Gothenburg Public Schools and the Gothenburg Education Association was reached through the negotiations process. The agreement represents an increase of 1.41% on the base salary or an approximate increase in total compensation of 2.44%. Comparability for this negotiations cycle was based on total compensation including salary, insurance, retirement and social security and was calculated using staff employed by the district in October of 2020. Certificated staff compensation is based on comparability with schools of similar size and who are located within a similar geographic area. The comparability was completed by KSB Law.

The Gothenburg Education Association has ratified the proposed agreement.

- 4.1.4. Superintendent Evaluation

Rationale: Gothenburg board policy 2120 states that the Superintendent of Schools shall be evaluated twice during the first year of employment and at least once annually thereafter. The Gothenburg Board of Education has completed Dr. Rhodes' 2020-2021 evaluation and performance goals.

Rationale: Annual evaluations are in progress for all administrators. The Gothenburg administrative team is a professional group of leaders. District #20 will continue to benefit from their employment. Salaries will be considered later in the Spring in conjunction with non-certificated staff.

4.1.7. Consider approval of special education contracts for 2021-22 with ESU #10.

Rationale: We join the following cooperatives as student needs are identified. Program costs are prorated between districts who utilize the program.

Audiology. Several audiological services are available, these include comprehensive hearing evaluations for individuals from birth to 21 years of age; analysis, testing, and troubleshooting of hearing aid and cochlear implant devices used by students; consultation on FM system/auditory trainer device purchases for use at school as well as fitting and adjusting school amplification devices and assessment of classroom acoustics; and on-site school consultations regarding the impact of hearing loss, noise exposure, hearing loss prevention, and how to properly use and troubleshoot equipment.

Deaf Education. Three deaf educators provided direct services, consultative services, and assessment services to school districts in ESU 10 and ESU 11 to assist them in providing services to students, birth-21 who are deaf or hard of hearing.

Vision Services. A vision specialist provided direct services, consultative services, and assessment services to ESU 10 school districts' students, ages birth-21 who are blind or partially sighted.

Vocational Transition. A vocational transition specialist provided on-site assistance to 21 school districts for students with disabilities age 16 and older to help them realize independent living and employment appropriate to each student's skills and abilities.

SpEd Supplemental Supervision School Age. There was a change in 2018-19 for districts who were not part of the supervision cooperative. The service unit has an obligation to evaluate and supervise the special education staff that they employ and the programs in which they work so all districts that contract for staff are required to contribute to the supervision cooperative. Costs are adjusted for districts with their own special education supervisors to account for staff supervision only and do not include charges for other supervision services. These costs appear on the schedule A as SpEd Supplemental Supervision services.

4.1.8. Consider approval of special education contract with Team Therapy for physical therapy services for the 2021-22 school year.

Rationale: Physical Therapy: Team Therapy provides direct services, consultative services and assessment services to District #20 for physical therapy services.

Mr. Kyle Fornoff has filed a conflict of interest form (NADC Form C-3) per Board Policy 8260 and will not participate in the discussion or consideration of this agenda item. Mr. Fornoff will leave the board table and sit within the visitor's area during the discussion of this item.

- 4.1.9. Consider approval of special education contract with Danette Anderson for occupational therapy services for the 2021-22 school year.

Rationale: Occupational Therapy: Danette Anderson, OTD, OTR/L provides direct services, consultative services and assessment services to District #20 for occupational therapy services.

Meeting: February Board Meeting

Date: 2/8/21

Mrs. Angie Richeson

Summer School: Planning for Camp Dudley (similar to Summer School) has begun. Camp Dudley focuses on the continual development of reading and math skills and each student will have a specialized curriculum focusing on his or her particular needs. The ultimate goal of this three-week program is to better prepare our students for the next grade level.

Camp Dudley will run every day (Monday through Friday) **July 12th through July 30th**. Students in kindergarten through 6th grade (during the 2020-2021 school year... think of it as an extension to the current school year) will attend Camp Dudley in the morning (specific times to be determined).

Due to the current COVID-19 pandemic, we are still thinking through the specific details of Camp Dudley. Based on the success we saw last summer when we were required (due to COVID-19) to make changes (smaller class sizes) and instead held TWO separate Camp Dudley sessions to make it so the teacher to student ratios was much smaller, we will consider doing something similar this summer (even if COVID restrictions loosen).

Last year the two sessions were held from 8:00 - 9:30 a.m. and from 10:00 - 11:30 a.m. Due to the lower elementary renovation, we will also need to move our Summer School classrooms to the upper elementary. More details to come.

Jump Start: The goal of Jump Start is to provide an opportunity for incoming kindergarteners to become familiar with the building, classmates, and routines before entering kindergarten in August. Due to the lower elementary renovation this summer, we feel it is counterproductive to hold Jump Start in an upper elementary area or classroom and therefore plan to cancel our "traditional" three-week summer Jump Start. Instead, we plan to hold Jump Start at the beginning of the school year (like last year) and will change the name from Jump Start to V.I.K. Days (Very Important Kindergarten Days).

V.I.K Days will take place the first two days of school and will provide our kindergarteners an opportunity to TRANSITION to kindergarten in a very special and successful way. Students will NOT have an assigned classroom teacher to start the school year. Instead, they will spend the first two days of school experiencing ALL aspects of kindergarten. They will have time to interact with all the kindergarten staff and experience those first few days of school through play-based activities. At the end of the second day of school, students will take home a letter that will let them know who their classroom teacher will be for the remainder of the school year.

National School Counseling Week (February 1-5, 2021): Thank you to Mrs. Pam Glodowski, Ms. Michelle Stevens, Mrs. Melissa Shepherd, and Mr. Jerry Wiggins for all they do in our

district. We appreciate their passion, expertise, and constant collaborative work in order to help Gothenburg students focus on (and succeed in) their academic and social-emotional learning... in order to be college and career ready. We truly cannot put into words what these four accomplish in a day!

Administrator Report

Meeting: February Board Meeting

Date: 2/08/21

Dr. Todd Rhodes, Superintendent

=====

Risk Tier: Gothenburg Public Schools remains operational in the Orange risk tier.

2021-2022 State Aid Projection: The Nebraska Department of Education released a model for state aid for the 21-22 school year. The model is based on current state statute and current TEOSA formula. The projection has District #20 receiving approximately \$850,000.

Legislature: We continue to watch closely what happens in Lincoln. Currently all bill hearings are taking place on a full day basis. Hearings are somewhat different than normal. For example, hearing room seating is very limited, with only testifiers on a particular bill usually being seated during a hearing on that bill. Someone wishing to be in the testimony record, but not wanting to actually testify has another option: you can drop off your written testimony at the hearing room for the bill between 8:30 a.m. and 9:30 a.m. on the day of the hearing. A person doing so must personally deliver the testimony. Someone else may not drop off that testimony on another person’s behalf.

Internal Board Policies - Methods of OperationOpportunity for Public Expression

The Board of Education as a representative body, recognizes the importance of the public's viewpoint relative to the direction of the educational programs in Gothenburg Public Schools. Therefore, the following guidelines have been established for patrons to efficiently and effectively give expression to their suggestions, concerns, and grievances:

- A. Public Forum - Each Board meeting shall have on its agenda a specific time entitled Public Forum, during which patrons may address the Board on matters of general concern. Patrons wishing to address the Board during the Public Forum will be allowed five (5) minutes to express their view. Board of Education members will refrain from expressing personal opinions during the Public Forum unless asked a direct question by a patron recognized by the Board President as having the floor. The Board imposed time limit may be extended by a majority vote of the Board following a request to do so. Board action may not be taken on matters discussed during the Public Forum unless the matter specifically appears on the prepared agenda. In the discretion of the Board President, the Public Forum may be omitted or bypassed at some, but not all, meetings of the Board of Education.

- B. Concerns and Complaints - Board action shall not be taken regarding a concern or complaint unless the following procedure has been followed:
 - Step 1. All Complaints concerning a particular school situation shall be submitted to the Principal of the building. They should be submitted in writing when practical. If the party involved is other than an individual, then the organization or persons represented shall be identified. If the problem involves other than an individual building, then the matter shall be directed to the Superintendent.
 - Step 2. Should the matter not be resolved to the satisfaction of the parties involved, they may appeal to the Superintendent.
 - Step 3. If the initiating party is not satisfied with the response of the Superintendent, said party may address a written appeal to the Board of Education through the Secretary of the Board.

- C. Speak to Agenda Item - Patrons or visitors who desire to have an item placed on the monthly Board meeting agenda and speak on that item should make their wishes known to the Superintendent prior to the distribution of the meeting agenda. Upon receipt of a request to be heard the Superintendent may, in the discretion of the Superintendent, place the item on the agenda. The Board President shall then allow the patron or visitors to address the Board at the appropriate time. The length of this presentation will be determined at the discretion of the Board President. Persons who wish to speak to an agenda item will not be required to have their name be placed on the agenda prior to the meeting in order to speak about items on the agenda.

Press Release:
2021 Compensation

The Gothenburg Public Schools and the Gothenburg Education Association have reached an agreement on contract terms for the 2021-2022 school year.

Certificated staff compensation is based on comparability with schools of similar size and who are located within a similar geographic area. Comparability for this negotiations cycle was based on total compensation and was calculated using the certificated staff employed by the district in October of 2020. The comparability was completed by KSB Law.

The agreement represents an increase in base salary from \$36,800 to \$37,325 that results in an approximate increase in salary of 1.41%. The insurance package continues at the \$1,050 deductible level through the Educators Health Alliance resulting in a total increase of 2.44%.

AdministrationElection of Administrative Personnel

All administrative positions shall be authorized by the board of education upon the recommendation of the superintendent of schools. All administrators shall be properly certified so as to conform with standards established by the Nebraska State Board of Education and shall have such training and experience as deemed appropriate by the superintendent of schools. Unless otherwise indicated, administrators are assigned, supervised, and evaluated by the superintendent of schools.

The rehiring for the Superintendent shall be considered at the regular January meeting of the Board of Education. The rehiring for the Principal shall be considered at the regular February meeting of the Board of Education. Action on such rehiring shall be taken by the Board of Education on or before April 15 of each year. The dates for action are subject to modification in the discretion of the Board of Education.

Date of Adoption: February 12, 2007

**EDUCATIONAL SERVICE UNIT 10
CONTRACT FOR SCHOOL AGE AND BELOW AGE FIVE
SPECIAL EDUCATION SERVICES**

THIS AGREEMENT, made and entered into this 1st day of July, 2021, by and between **EDUCATIONAL SERVICE UNIT 10** of the State of Nebraska hereinafter called "**SERVICING AGENCY**," **GOTHENBURG PUBLIC SCHOOLS**, called "**DISTRICT**."

WITNESSETH:

The District does hereby agree to hire the Servicing Agency to service its school age students with disabilities, below age five children with disabilities during the school year 2021-22, and the Servicing Agency agrees to act as such Servicing Agency, for the consideration and under the terms and conditions as hereinafter set forth:

- 1, A description of the program of special education and related services to be provided to District students shall be as set forth in Schedule "A" hereto attached, including full-time equivalency (FTE) provided in 2020-21 and anticipated in 2021-22 unless district notifies servicing agency otherwise.
- 2, It is agreed that the District shall pay the Servicing Agency for said special education or related services in accordance with the rate schedule. This schedule shall be in full force and effect during the school year of 2021-22, commencing not earlier than August 1, 2021, and ending not later than August 20, 2022. The total dollar amount of this contract will be submitted to the district on or before July 1, 2021 or as soon as the budgets are set for the Servicing Agency.
- 3, The District agrees that pending the reconciliation of costs for the actual services rendered, the amount payable for those special education services to be delivered by the Servicing Agency, shall be paid in full. All programs and services will be billed based on the actual services delivered.
4. The District agrees that the amount payable for special education services the first month of the school year will be 1/10 of the budgeted cost with payment due on or before October 17, 2021.
- 5, The Servicing Agency agrees to bill the District for the actual cost of special education services rendered and to make any adjustments caused by prior overpayment or underpayment.
- 6, The Servicing Agency agrees to provide the District with the final billing, a complete reconciliation of the actual costs of special education services rendered and the actual rate for cost of services. The final billing to the District shall serve as a final reconciliation of the amount of payment previously agreed upon in item two of this contract.
7. The District agrees that the final billing for special education services submitted to the District by the Servicing Agency for actual services rendered during the contract period shall be considered as an amendment to the original contract and by reference made a part thereof.
8. Special education programs or services which extend beyond the regular school year will be provided by the Servicing Agency upon request by the District. Extended programs shall be covered by separate contract.
9. It is further agreed that in the event the District does not pay the Servicing Agency as herein set forth, the Servicing Agency may cancel this contract and refuse further service. In the event of such cancellation, the Servicing Agency may recover any past due amounts.
10. The Servicing Agency shall record and supply to the District information on each child for whom services are contracted. The Servicing Agency agrees to confer with the District for purposes of evaluating such child's progress.

11. The Servicing Agency shall assist the District with the preparation of plan and budget, financial reports and other procedures required by NDE Rule 51.

12. The District and the Servicing Agency agree to abide by the mandated procedures for identification, verification, placement, development of the individualized program, inspection and review of student records, and other requirements as specified in NDE Rule 51, Regulations and Standards for Special Education Programs, Nebraska State Department of Education, and the Federal Regulations of IDEA 2006.

13. The District hereby agrees that changes or modifications in the program or children served shall be mutually agreed upon before said change or modifications are implemented.

14. Should the Servicing Agency be unable to render the services contracted because of the Servicing Agency's inability to employ personnel who meet the criteria for employment of the Servicing Agency and/or the certification requirements of the State of Nebraska, or for other reasons which are determined by the Servicing Agency to be valid, the Servicing Agency will not assume liability for those services contracted for but not provided. In which instance, schools will be notified no later than September 1, 2021.

15. The District herewith agrees that any act intentionally and unilaterally done which act may cause litigation against the Servicing Agent shall be defended at the sole expense of the District and any damages assessed against the District for the Servicing Agency or either of them shall be borne entirely by the District. This paragraph shall not operate to indemnify or relieve the Servicing Agency of any liability otherwise attaching to it under any applicable state or federal law, nor to any action undertaken by the District in the provision of special education services or related services which are undertaken in consultation with the Servicing Agency or in a good faith effort by the District to comply with lawful obligations of the District.

16. The District herewith agrees that in the event the District desires to change the services provided by this contract for a subsequent year whether by change in full-time equivalency, staffing, change in percentage FTE of any area of endorsement held by personnel presently assigned to the District, to eliminate any program or service being provided pursuant to this contract, it shall be the duty of the District to notify the administrator in writing of such requested change on or before March 1 next preceding the starting date of the school year to be affected by any changes as are described in this paragraph.

17. The District herewith agrees that in the event that no such written notice is made to the Servicing Agency on or before March 1, that the Servicing Agency shall be entitled to assume that the District desires the same FTE in all areas of endorsement, certification or other qualification, and in all programs it had through this contract with the Servicing Agency. In the event the District should later notify the Servicing Agency of a diminished request for FTE in any area of endorsement, certification or other qualification, or in any program or service provided by this contract, the Servicing Agency shall use its best effort to find other employment for such affected personnel, provided, however, that in the event such personnel cannot be reassigned and to the extent that such personnel constitute a cost to the Servicing Agency that cannot be passed through by way of contract or otherwise, the District agrees to pay any cost incurred by the Servicing Agency for such personnel.

18. This contract may be renegotiated by mutual agreement.

Meeting: February Board Meeting

Date: 2/8/21

Mrs. Angie Richeson

Summer School: Planning for Camp Dudley (similar to Summer School) has begun. Camp Dudley focuses on the continual development of reading and math skills and each student will have a specialized curriculum focusing on his or her particular needs. The ultimate goal of this three-week program is to better prepare our students for the next grade level.

Camp Dudley will run every day (Monday through Friday) **July 12th through July 30th**. Students in kindergarten through 6th grade (during the 2020-2021 school year... think of it as an extension to the current school year) will attend Camp Dudley in the morning (specific times to be determined).

Due to the current COVID-19 pandemic, we are still thinking through the specific details of Camp Dudley. Based on the success we saw last summer when we were required (due to COVID-19) to make changes (smaller class sizes) and instead held TWO separate Camp Dudley sessions to make it so the teacher to student ratios was much smaller, we will consider doing something similar this summer (even if COVID restrictions loosen).

Last year the two sessions were held from 8:00 - 9:30 a.m. and from 10:00 - 11:30 a.m. Due to the lower elementary renovation, we will also need to move our Summer School classrooms to the upper elementary. More details to come.

Jump Start: The goal of Jump Start is to provide an opportunity for incoming kindergarteners to become familiar with the building, classmates, and routines before entering kindergarten in August. Due to the lower elementary renovation this summer, we feel it is counterproductive to hold Jump Start in an upper elementary area or classroom and therefore plan to cancel our "traditional" three-week summer Jump Start. Instead, we plan to hold Jump Start at the beginning of the school year (like last year) and will change the name from Jump Start to V.I.K. Days (Very Important Kindergarten Days).

V.I.K Days will take place the first two days of school and will provide our kindergarteners an opportunity to TRANSITION to kindergarten in a very special and successful way. Students will NOT have an assigned classroom teacher to start the school year. Instead, they will spend the first two days of school experiencing ALL aspects of kindergarten. They will have time to interact with all the kindergarten staff and experience those first few days of school through play-based activities. At the end of the second day of school, students will take home a letter that will let them know who their classroom teacher will be for the remainder of the school year.

National School Counseling Week (February 1-5, 2021): Thank you to Mrs. Pam Glodowski, Ms. Michelle Stevens, Mrs. Melissa Shepherd, and Mr. Jerry Wiggins for all they do in our

district. We appreciate their passion, expertise, and constant collaborative work in order to help Gothenburg students focus on (and succeed in) their academic and social-emotional learning... in order to be college and career ready. We truly cannot put into words what these four accomplish in a day!

Risk Tier: Gothenburg Public Schools remains operational in the Orange risk tier.

2021-2022 State Aid Projection: The Nebraska Department of Education released a model for state aid for the 21-22 school year. The model is based on current state statute and current TEOSSA formula. The projection has District #20 receiving approximately \$850,000.

Legislature: We continue to watch closely what happens in Lincoln. Currently all bill hearings are taking place on a full day basis. Hearings are somewhat different than normal. For example, hearing room seating is very limited, with only testifiers on a particular bill usually being seated during a hearing on that bill. Someone wishing to be in the testimony record, but not wanting to actually testify has another option: you can drop off your written testimony at the hearing room for the bill between 8:30 a.m. and 9:30 a.m. on the day of the hearing. A person doing so must personally deliver the testimony. Someone else may not drop off that testimony on another person's behalf.

Bylaws of the Board - MeetingsClosed Sessions

The Board of Education may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) strategy sessions with respect to collective bargaining, real estate purchases, or litigation; (b) discussion regarding deployment of security personnel or devices; (c) investigative proceedings regarding allegations or misconduct; or (d) evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; provided, however a closed meeting shall never be held for the purpose of discussing the appointment or election of a new member to the Board of Education.

The vote to hold a closed session shall be taken in open session. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The Board shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken.

Any member of the Board shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reasons stated in the original motion to hold a closed session. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

The term "closed session" as used in the policies, regulations and Bylaws of the District shall include within its meaning any "executive session" or "executive meeting" authorized or prescribed by said policies, regulations and Bylaws, all of said terms being interchangeable.
