MEMORANDUM

We have attached the 3000 series policies that deal with Business Operations.

Policy 3001. Budgets. This policy deals specifically with creating budget and related requirements. It notes that the Superintendent is responsible for developing the budget.

Policy 3002. Deposits. This policy sets out general guidelines for how to handle money collected by the district. Note that the procedures outlined in this policy apply to anyone acting on behalf of the district, which includes employees, students and volunteers. Your board should determine the amount of cash that it is comfortable in keeping in the building overnight.

Policy 3003. Bidding for Construction, Remodeling, Repair, or Site Improvements. This policy sets out the process that the board will follow when it is going to solicit bids for construction and related projects.

The second section sets out the process that the District will follow when it is undertaking a construction project that has an anticipated cost of less than \$100,000. Under state law, school districts are only required to engage in the formal solicitation of bids when they are undertaking construction with a cost of more than \$100,000, but most districts want to follow some structured process for obtaining quotes or estimates before they begin smaller projects. This section also includes the ability for the district to use the ESUCC Coop for these non-bid projects.

The third section sets out the formal requirements of Nebraska's bidding statutes.

Policy 3003.1. Bidding for Construction, Remodeling, Repair, or Related Projects Financed with Federal Funds. This policy sets out the requirements that you must follow when you use federal funds for construction. Please note that this policy will apply to any construction financed with federal funds, regardless of how much the anticipated project

will cost. If the construction project has an anticipated cost of more than \$100,000, then you will have to comply with both policy 3003 and 3003.1.

Policy 3004. General Purchasing and Procurement. This policy sets out general guidelines for purchasing equipment and supplies which are not purchased with federal funds. Please review it carefully to be sure that it accurately describes your process in a general way. Note that there is a provision in this policy which states that use of statewide cooperative purchasing programs for school districts, such as ESUCC's Coop Purchasing, satisfies any requirement under this policy or state law to the extent such a bid or quote is not otherwise independently required by law.

The board must make a decision about two parts of the fourth section of this policy. You must tell staff how many days prior to a board meeting they have to submit receipts for reimbursement. You must also set the amount at which you will require staff to secure written quotes and/or estimates. Due to the way the federal regulations work, we strongly urge you to set that limit at **\$10,000**. As you will see, the EDGAR regulations have one set of rules for purchases under \$10,000, another set of rules for purchases between \$10,000 and \$250,000, and a third set of rules for purchase over \$250,000. We think it will be confusing for the district to adopt a fourth set of rules for purchases below \$10,000 but above some other limit set by the board. Having said all that, the board is certainly entitled to adopt a lower threshold than \$10,000 in this policy because it applies to purchases not made with federal funds.

Policy 3004.1: Fiscal Management for Purchasing and Procurement Using Federal Funds. This policy sets out all of the elements that are required by the Education Department General Administrative Regulations (EDGAR). These regulations apply to all federal grants that are made by the US Department of Education to local school districts directly and to all funds that pass from the federal government through state departments of education to local schools. That means you will need to follow this policy for purchases for your food program, special education, Title I and any other federal program. The first section recites that this policy will only apply to purchases made with federal dollars. This keeps your staff from having to jump through the hoops in this policy if they are spending state or local funds. All of your staff who work in areas where federal funds are spent (cooks, special ed and Title I paraeducators, etc.) should be trained on this policy.

Policy 3005. School Activities Fund. This policy governs school activity funds and it provides that funds remaining after graduation may be transferred to any district account. Notice that this policy attempts to address

the problem of unspent senior class funds by permitting the funds to be transferred at the board's discretion or kept in that class's fund. If your board follows a different practice, contact us or your regular school attorney to be sure that your practice is lawful.

Policy 3006. [Intentionally Left Blank]

Policy 3007. Review of Bills. This policy provides a good set of checks and balances which is always a subject of focus for the State Auditor.

Policy 3008. Grants, Gifts and Bequests. Although it is generally a good thing when people want to give the school district donations, boards need to have control over what is donated and how it is used. This policy allows the superintendent to accept the donation of personal items (like coats for a winter closet drive) and of cash donations up to a limit set by your board. All other donations must be approved by the board.

Policy 3009. Audits. This policy states that you will obtain an annual audit as required by law. It also states that the district does not use generally accepted accounting principles. Most schools do not have the staff or other resources to comply with GAAP and state statute specifically provides that schools do not have to follow GAAP. Nonetheless, the state auditor will frequently criticize schools for not following GAAP. This policy will help schools defend against that sort of criticism.

Policy 3010. Insurance. This policy addresses insurance as it relates to protecting the school district, the board as a corporate body, individual board members, appointed officers, employees, and volunteers from financial loss arising from any claim, demand, suit or judgment. The school district's insurance should be reviewed annually or as the need arises.

Policy 3011. Transportation. This policy addresses transportation. Please review it to make sure it is consistent with your transportation plan. If you have adopted a different plan, substitute yours for our form plan. If you would like us to review it, please e-mail it to us.

Policy 3012. School Meal Program. This policy addresses the provision of a meal program for students and the meal charge policy. The Meal Program section outlines the district's responsibilities to create a program, set costs, and/or contract with a private company to manage the program. It also states that the district will notify families of the costs and the procedure for signing up for free or reduced-price meals. The Meal Charge Policy outlines the district's duty under federal regulations to establish procedures and provide notice for how the school will handle student meals

when a student's meal account is delinquent. We have provided four options for boards to choose from.

Policy 3013. Emergency Closings. This policy on emergency closing states that school will be held on each day of the school calendar unless the superintendent determines that school should not be in session. Note that the policy uses the "impossible or impracticable" wording from the mandatory attendance statute, which should support the district if a parent ever claims bad weather as a defense to a truancy charge.

Policy 3014. Use of School Property. Over the last several years, schools and ESUs in Nebraska have seen an increase in the variety and frequency of groups wanting to utilize district facilities. Districts in Nebraska and throughout the country have been involved in significant litigation regarding facility use, and many others have been forced to resolve facility use questions with entities like the ACLU. In response, our policy takes a comprehensive look at these issues. We will highlight the main provisions for your board to focus on, below:

Accounting for "Regular Uses." Many districts permit patrons to use facilities such as the weight room and track on a regular basis. Some districts have designated hours, and others permit patrons to keep keys or fobs to access the facilities. Most districts use some sort of application and agreement for these uses separate from their general facility use application. The first section of the policy is an attempt to capture these regular, individual uses and permit them with only one application. We have also included an Application, Release, Waiver, and Agreement document. Rather than requiring patrons to apply for a facility use permission every time, we hope this one-time application process protects the district to the maximum extent possible and eases the administrative burden when patrons use the facilities regularly.

Prohibiting Commercial Use. This is a very tricky area for many districts. Most districts do not want to turn the school and school activities into shopping malls. However, most schools do want to permit booster clubs and student groups to raise funds which support school students and activities. From a purely legal perspective, the district is almost always better off prohibiting others from profiting by using district facilities. One recent example is an athletic trainer who wanted to host a workout class in the school weight room and charge money for patrons to attend. The trainer sought to take advantage of the facility being open to

community use and planned to use the district's equipment and facilities rent-free to host the class. As a result of requests like this, we have written the policy to prohibit commercial uses which result in personal financial gain. If your district has a practice of permitting commercial uses, such as fitness classes, for-profit craft fairs, and other such events, you should contact us directly to assist you in preparing a policy provision which best protects the district.

Redefined Groupings. The policy breaks out groups using facilities into four separate categories: curriculum-related student groups, extracurricular student groups, non-curriculum related student groups, and non-student groups. This grouping system closely tracks the Supreme Court cases and assists in drawing clearer lines for requirements of various groups depending upon their alignment with district curriculum and activity offerings. For example, the policy says that all student groups are given priority over other outside groups.

Charging Fees for Admission. The last section of the policy prohibits groups which use school facilities from charging admissions fees. This is a *major* question in many districts, and our provision may not be consistent with your district's practices and preferences for supporting your community groups. **Please read this section carefully and be sure to discuss it fully with your entire board.**

The Political Subdivision Tort Claims Act exempts schools from liability when their facilities are used for "recreational" purposes, *but only if the group using facilities does not charge a fee to participate in or spectate the event.* Likewise, if the district maintains control over the event/facilities, such as providing supervision or custodial services, the protection from liability may not apply.

These protections came about as a result of court cases where political subdivisions were sued because someone attending an event held in public facilities was injured. In one case, for example, a patron suffered an ankle injury stepping in an animal burrow on a courthouse lawn during a town celebration. The public policy behind these protections says that schools should be encouraged to permit others to use their facilities. As an incentive to permit the recreational use of district facilities, school districts should not be held liable for damages suffered

when patrons are participating or spectating "recreational" activities on school grounds. The definitions in the statutes are quite broad, providing protection to schools in many cases.

However, in order to maintain the protections of this law, schools cannot permit outside groups to charge a fee to attend the facility and cannot maintain control over the facility. If someone has to pay a fee to attend an activity, and if the district maintains control over the facility, then the patron(s) has a greater expectation of protection from possible dangers. But if the school does not maintain control and the entity using the facility does not charge an admission fee, the district is only liable for its "gross negligence" rather than standard negligence.

As you can see, this is one of the more complex policies in our service. Please feel free to call us and work through these issues one-by-one whenever it is convenient for you.

Policy 3015. Time Away From School Activities. This policy states that school activities will not be held on Wednesday nights or Sundays. This policy intentionally considers these days "time away from activities" and specifically and intentionally does not contemplate the types of activities in which students may be engaged on those days. **If you have other days designated for time away from school activities, modify the policy accordingly.**

Policy 3016. Smoking. Many districts are struggling with effective policy solutions to electronic cigarettes, vapor pens, and similar technology. In 2014 the Unicameral made it a criminal violation for any minor under the age of 18 to use "vapor products or alternative nicotine products." Accordingly, we recommend that your general tobacco use policy to include an option which prohibits the use of vape pens, electronic cigarettes, and the like. While this policy applies to all students and staff, it applies generally to all district patrons and visitors. This policy has 3 options. You should select one or a combination of these policies.

Policy 3017 Press Releases. This policy requires administrative approval of press releases regarding school-related activities and events.

Policy 3018. Denial of Access to School Premises. This policy provides a method for denying access to school activities or school premises. It permits an administrator to limit or deny access to certain school activities or school premises for various reasons.

Policy 3019. Sale or Disposal of School Property. This policy states that the sale of school property must be made with the best interests of the school and taxpayers in mind. It sets forth the statutory requirement that the sale of school property be approved by a two-thirds vote of the board of education at a regular board meeting.

Policy 3020. Copyright Compliance. This policy addresses copyright compliance and discusses the steps district administrators must take or may take when an infringement occurs. It states that teachers and students may not use any media in a manner that is in violation of applicable copyright laws. If staff or students subject the district to payment for copyright violations, the district may require the offending student or staff member to make the district whole. **Please note: even if there is a technical infraction which occurs because of a staff member or student, one protection for educational institutions against copyright liability is to distribute materials and provide training to staff and students about the importance of copyright compliance. This policy requires you to distribute materials to students and staff for the purpose of preserving that defense.**

Policy 3021. Operation of School Business Office This policy describes the days and hours that the business office will be open. Some boards prefer that the district's business office be open during regular business hours. **You should revise the policy to describe the district's practice.**

Policy 3022. Volunteers. This policy addresses the use of volunteers. We recommend having most volunteers sign a volunteer services agreement, though we recognize that in some instances the volunteer's involvement will be insubstantial. The policy also prohibits people from volunteering if they refuse to comply with a requested background check. If you need assistance in creating or updating your volunteer services agreement, we would be happy to help

Policy 3023. Record Management and Retention. School districts must comply with two sets of laws governing the retention and deletion of records. The Federal Rules of Civil Procedure require government entities to retain some electronic records with metadata intact and to state with specificity when they will delete electronic records. Nebraska's Records Management Act and the record retention schedules adopted by the Nebraska Secretary of State's Record Management Division outline when schools may delete both physical and digital records. The schedules which apply to school districts are Schedule 10 and Schedule 24. This policy outlines how the school district will comply with all of these various laws and regulations.

This policy has several options for you to adopt, depending on whether you use a cloud-based productivity suite and, if so, which suite you use. If you use a cloud-based service such as Google Apps for Education or Office 365, you will need to select the retention level you have selected from your service provider. If you still use internal servers to host your e-mail, you will need to consult with your technology coordinator to determine how long the district stores e-mail and other electronic data. There is no obligation to retain all of your e-mail in their original format, but you must identify your retention schedule for these records.

Under Schedule 24, "short term communications" must be maintained for at least 6 months, which is why we have included that retention period for school-affiliated social media posts. Please note that all this means is that staff using school-affiliated social media posts cannot delete their posts for at least 6 months. If you use Twitter, for example, to announce sports scores, you just cannot go back and delete old Tweets at the end of the school year. You do not have to print these posts -- leaving them on the social media application counts as "maintaining" under the schedules.

Your retention obligations for security video is covered by Schedule 24. After consulting with the Secretary of State's office, we have categorized security video as "working papers" which can be destroyed as soon as the school determined that there is no need to keep it. Schools will have to complete an annual disposition report regarding this footage. The Secretary of State's Office was gracious enough to provide us with a sample disposition report on security video footage, which we have included as an example with the forms for the 3000 series.

Policy 3024. Booster Clubs and Parent Teacher Organizations.

This policy addresses booster clubs and parent-teacher organizations. There are two variations that can be used. In both cases, we suggest that the district: (1) take complete control over the organization's finances or (2) keep the school's finances and the organization's finances completely separate. Regardless of which approach is used, the key is to make the relationship clear in the policy. We have attached policies which address both situations.

Policy 3025. Returned and Outstanding Checks. This policy deals with insufficient fund checks. It states that a person who wrote a bad check must pay the school the amount of the check in cash plus an additional \$30 (the board should choose the amount) to cover costs to the district. It also gives the district the authority to refuse to accept checks from people whose checks are repeatedly returned for insufficient funds. The policy also addresses checks which are outstanding and authorizes the superintendent to review them and resolve any issues related to outstanding checks, including

stopping payment and reissuing the checks. **These terms are not statutorily required and the board may set its own standards.**

Policy 3026. Handbooks. This policy covers handbooks. It states that handbooks are intended to convey information and explain school regulations and procedures. It points out that the handbooks are not contracts and that the administration has the authority to change handbook provisions during the year so long as the changes are consistent with board policy. It also makes clear that the handbooks are trumped, when inconsistent, by board policy and state law.

Policy 3027. Resolution of Conflicts Between Parents Over School Issues. This policy addresses the resolution of conflicts between parents over school issues. It explains that the school will not become involved in disputes between parents regarding such issues as court orders, student records, and picking up children at school.

Policy 3028. Sex Offenders. This policy deals with sex offenders and emphasizes the importance of students' safety at school. It states that the school will notify staff members, parents, and students (1) of any registered sex offenders residing in the school district and (2) of the availability of information about sex offenders on the State Patrol's web page. If your district does not distribute this list to staff, parents, and students, you should.

Policy 3029. Distribution of Flyers Advertising Non-School Issues. This policy addresses the distribution of flyers advertising activities of non-school organizations. The first numbered paragraph sets forth prohibitions against flyers with statements that are inappropriate for a school setting. The remaining paragraphs set forth procedures and requirements for flyers.

Policy 3030. Automatic External Defibrillator Program. This policy deals with automatic external defibrillators (AED). Some organizations offer to donate both the AED and the cost of its upkeep. The attached policy is designed to limit the school district's potential liability while incorporating the policy elements recommended by the American Medical Association and the American Heart Association. You will have to identify a medical advisor and should be sure that the person designated as the AED Program Coordinator understands his/her obligations under the policy and is willing to fulfill those responsibilities. **Note that you will have to identify a Program Coordinator and Medical Advisor.**

Policy 3031. Students Electing to Attend School in Adjoining State. This policy addresses requests for students to attend schools in an

adjoining state. It restricts approval of out-of-state enrollment except when (1) the student will suffer extreme and unusual harm if not allowed to attend school in an adjoining state; or (2) the district's financial circumstances will be unaffected by the out-of-state transfer.

Policy 3032. Copyrighting Fees for School District Records. addresses the copying fees for School District Records should they be requested. You will have to identify what amount you will charge for each request.

Policy 3033. Lending Textbooks to Children Enrolled in Private Schools. This policy complies with Rule 4 of the Nebraska Department of Education. It addresses lending textbooks to children enrolled in private schools and the process for individuals to fill out an application for the textbooks. The procedures and timelines laid out in the policy are required by NDE.

Rule 4 has a very broad definition of the term "textbook." Although we do not recite that definition in the policy itself, administrators and boards should understand that "textbook" includes digital resources and subscriptions:

Textbook shall mean any instructional material that is designated for use by individual students in classroom instruction as the principal source of study material, in any of grades kindergarten through grade 12 in the public school(s) of each school district. The following, if designated for use by individual students as the principal source of study material, are likewise to be considered textbooks for purposes of this chapter: multiple texts; electronic and digital subscriptions; and hard-copy, write-in work texts if accessible by students pursuant to a multi-year subscription entered into by the school district. Instructional material that is in a non-tangible, electronic or digital format, e.g. web-based (on-line) material, accessible by students through a subscription or license agreement entered into by the school district, is a textbook if the individual student's access ceases within the timeframe described in Section 003.01 of this chapter. The following are not to be considered textbooks: library books, teacher's editions, hard-copy supplemental workbooks and any book or material designated for classroom, and not individual use (e.g. "Big Books" and the like).

For many years, when homeschool parents have asked to borrow textbooks from the school district, it has merely been a matter of loaning out an extra book, which did not impose any additional cost on the school. With this much

broader definition of “textbook” homeschool and private school parents could seek to access digital textbooks or other electronic resources. If the school pays a per-user subscription for these resources, the district is not required to pay that cost for the homeschool or private school student. Instead, the district requests funds from NDE to pay for the requested resource. You may also add up to 5% of the cost to defray administrative expense. Then the department will respond to the request by informing the schools whether there are sufficient funds to pay for the requested resource. Schools are only obligated to purchase and lend textbooks only to the extent that the Legislature appropriates funds to the Nebraska Department of Education to be distributed for this purpose.

Policy 3034. [Intentionally Left Blank]

Policy 3035. Chain of Command. This policy was created in response to requests from several of our school district clients to provide more effective and efficient assistance to patrons and employees with questions or concerns. You should review this carefully to be sure it accurately describes how your district's chain of command operates.

Policy 3036. Purchasing (Credit) Card Program. Many school districts in Nebraska use credit cards to purchase goods and services for school purposes. However, many schools are unaware that, though state law authorizes the use of such credit cards, it also imposes certain obligations upon the district. In addition, the Nebraska Auditor of Public Accounts has chastised some schools in their audits because school personnel failed to maintain adequate supporting documentation for credit card expenses in violation of state law and school district policy. This policy includes everything required by state law and incorporates recommendations made by the State Auditor in previous school district audits. It also tracks changes to federal purchasing and procurement and allows continuity of your purchasing system. After you adopt the policy, we strongly encourage you to provide a copy of it to all employees and require them to acknowledge that they have received and read it.

Policy 3037. Petty Cash. The Nebraska State Auditor expressed concern during a recent audit that a school district maintained a petty cash fund without adopting any policy or procedures governing its use. The auditor was particularly concerned about the lack of monitoring and oversight of the fund. If you do not use petty cash, you do not need a policy. However, if you do utilize such a fund, we strongly encourage you to adopt a policy that spells out its amount, who controls it, when it may be used, monitoring procedures, etc. You should review this policy with the administration and the board to make sure that it conforms to your actual practice.

Policy 3038. [Intentionally Left Blank]

Policy 3039. Threat Assessment and Response. Schools are required to have a “threat assessment” procedure which they are supposed to use any time someone reports a threat made by a student, staff member, or patron. The idea is that the school can use a data-driven approach to determine what to do in response to such a threat rather than a knee-jerk reaction. There are three options in this policy - one in which a “threat assessment team” investigates and responds to threats; one in which the superintendent performs these tasks alone; and one in which a school district law enforcement unit conducts the investigation. You should select the option that best reflects your district’s practices. However, you cannot use the “law enforcement unit” option unless you have adopted Policy 5054, designating a “law enforcement unit” for your district.

Policy 3040. School Safety and Security. We have designed this policy so that it complies with the Safety and Security Protocols. The first section states that the board wants to meet the minimum safety requirements. If your board wants to go beyond the minimum to meet the “exceeds” or “outstanding” level of the rubric, please let us know and we will revise these policies accordingly.

In the next two sections of this policy, we have tried to separate out the obligations for safety and security measures between the superintendent, principals, and the crisis team. You may revise **who** must perform each of the duties identified, but you may not **eliminate** any of these duties and still comply with the Safety and Security Protocols.

Your board should carefully review the section of the policy dealing with memorials and select which option will best fit your district’s needs. We have made two changes to the policy. When a school community experiences the death of a student or a similar tragedy, there is often the very human tendency to want to do something in memory of the deceased student. These memorials can range from spontaneous tributes piled at lockers or parking spaces to more permanent, lasting tributes like placing plaques in halls or planting trees or gardens in the student’s name. There may also be ceremonies or assemblies that bring together members of the school community to share memories and grieve together. While this is a very understandable impulse, the most current psychological research indicates that these sorts of memorials are not good for kids and they create tremendous potential legal issues. The best legal and psychological agrees that it is best practice to disallow student memorials. While we defer to the research, we also know that there can be tremendous political pressure to allow a memorial. So, we

have included two options for memorials. The first is to flatly prohibit them. The second option sets up a process whereby the school's crisis team can consider a request for a memorial and make a recommendation to the board. It is important that you discuss this issue as a board **now** before a crisis event has occurred.

Policy 3041. Crisis Team Duties. This policy places the majority of the responsibility for complying with the Safety and Security Protocols on the crisis team. Note that the superintendent names people to serve on the crisis team using the considerations set out in policy 3040 above. The way this is set up, it will be the crisis team that conducts the self-assessment required by NDE. All of you currently have an All-Hazard School Security Plan. It is likely that the Safety and Security Protocols will require substantial revisions to that plan, and this policy places the responsibility for those revisions on the crisis team. Again, we have not included anything in this policy which is not required for minimum compliance with the Safety and Security Protocols.

Policy 3042. Construction Management at Risk Contracts and Policy 3043. Design-Build Contracts. The Political Subdivisions Construction Alternatives Act requires a school to have policies in place before it can use the construction management at risk and design-build methods of construction. These policies comply with the requirements of the Act.

Policy 3044. Incidental or De Minimis Use of Public Resources. The general rule is that personal uses of "public resources" are not permitted. However, the Nebraska Political Accountability and Disclosure Act allows boards or public entities, such as schools and ESUs, to pass a policy which authorizes board members and employees to use public resources for personal purposes when those uses are "incidental or de minimis." As long as the personal use is accounted for on the board member's or employee's personal taxes, as required by law, the board can authorize these uses to avoid complaints and allegations of misuse. This policy is designed to account for the most common uses we come across, and your board is free to remove or add additional uses consistent with your practices.

Policy 3045. Use of Sniffer Dogs. Many schools have decided to use trained drug dogs to conduct "sniff searches" of vehicles on school grounds, school lockers used by students, and other items or areas at the school. Schools have the authority to use drug dogs to conduct "sniff searches" in many, if not most, circumstances. One exception is the use of a dog to sniff a student or staff member. **We strongly discourage school districts from allowing dogs to sniff people.** The tougher questions are whether the school ***should*** implement use drug sniffing dogs and, if so, how

the program should be implemented. This policy includes our recommended procedures in the event that school decides to use drug dogs.

Policy 3046. Animals at School. This policy addresses animals on school grounds from all relevant legal perspectives: class pets, therapy animals, and service dogs. The requirements for each are different, with the key being the disability-related considerations for therapy animals (which can include nearly any animal) to service dogs (which include only specially trained dogs and miniature horses). The policy also requires that requests for service animals and requests for therapy animals (where you allow them) that are made by or on behalf of a student with an IEP or a 504 plan be referred to the respective IEP or 504 Team for consideration. There are two options for therapy animals, and you will need to pick one.

Policy 3047. Data Breach Response. School districts that are required to provide reasonable security to personal information handled by the district. This policy states the district will implement the appropriate security, and if the district experiences a data breach it will investigate the breach, provide notice to those affected, and notice to the Attorney General. We have also included a section that provides for data governance protocols to be put in place to map the flow of data between software, hardware, and personnel in order to maintain good data hygiene and make sure data breach responses will run smoothly and efficiently.

Policy 3048. Communicable Diseases. This policy sets forth steps to take if it is determined that a staff member or student has a high risk communicable disease. Because we get this question all the time, we did want to highlight that, yes, Hepatitis "E" is a real thing included in the DHHS regulations.

Policy 3049. Drones and Unmanned Aircraft. With the increasing use of drones and other unmanned aircraft by schools and by private individuals, this policy contemplates some general use restrictions while also factoring in differences for district uses versus personal or private use on school grounds. The policy generally defers to the superintendent or his or her designee to provide permission, designate authorized areas, and impose other restrictions on the use of drones on school property.

Policy 3050. Technology in the Classroom. This policy addresses the use of electronic devices and software applications in the classroom that are not selected or purchased by the district. If a teacher brings in a Google Home, Amazon Echo, or similar device; or wants to use a specific application; this policy requires that the teacher notify the administration of the device or application's use, and provides guidance on how the device should be setup.

The policy also restricts the use of assistive technology to prohibit the recording and transmitting of the classroom activities of other students.

Policy 3051. Opioid Overdose Prevention and Response. Naloxone, also known by its brand name Narcan, has been used by emergency responders and health care professionals for many years as an opioid antagonist to reduce deaths and negative consequences of individuals experiencing opioid overdose. Although Nebraska has a naloxone statute allowing for dispensing naloxone without a prescription, the Department of Health and Human Services, Division of Public Health, has also issued a standing order to facilitate the availability of naloxone. This policy allows the district to take advantage of those laws and have naloxone available to administer by appropriately trained staff. Much like the policy on AED's, it is permissive and you should consult with your school nurse and local authorities if you want to have a naloxone program.

Policy 3052. Leasing Personal Property. This policy provides the authority for authorized personnel to lease personal property (e.g., equipment, goods, etc.) from vendors for school district use. A decision will need to be made as to the total lease amount above which written quotes/estimates will be required to be obtained from multiple vendors.

This policy also provides the authority for the Superintendent to lease out district-owned personal property that is not needed for school purposes. Decisions will have to be made concerning (1) the threshold (dollar amount) of the fair market value of the personal property in question under which the Superintendent may lease out such property without board authorization, and (2) the maximum number of days that the Superintendent can agree to lease out district-owned personal property.

Policy 3053. Nondiscrimination. This policy satisfies the requirement that a school district have a policy which forbids discrimination for unlawful reasons.

School districts with 50 or more employees are required to appoint a responsible person to coordinate the administrative requirements of ADA compliance and to respond to complaints filed by the public. In this policy, the 504 coordinator is the same person as the ADA coordinator. If you do not want your 504 coordinator to serve as your ADA coordinator let us know and we can work with you to customize this policy.

Policy 3054. Law Enforcement Unit. This policy allows the board to designate a law enforcement unit for the district. The district is permitted to designate any individual or group as it's law enforcement unit. The disclosure

of records created and maintained by a law enforcement unit for a law enforcement purpose is not restricted by state and federal student record laws, so this policy further outlines how law enforcement unit records should be maintained and how they may be disclosed. Designating a law enforcement unit implicates complex legal and privacy considerations, and we encourage you to reach out for advice on these issues before adopting this policy.

Policy 3055. School Resource Officers. On and after January 1, 2021, school must have a memorandum of understanding in effect with any law enforcement agency that provides school resource officers and any security agency which provides security guards to schools in a school district. Each MOU must include policies that address six specific issues. We have developed this policy to ensure that every policy provision required by the new SRO statutes exists and can be incorporated into any MOU.

Policy 3056. Guest Speakers. Some schools have invited guest speakers into school with little to no knowledge of the guest speaker's message, experience, or intent. Not surprisingly, not all guest speaker appearances went as smoothly as one would hope when there is little research done about the guest speaker. This policy includes a process and procedure to research guest speakers so that everyone involved has a clear understanding of the guest speaker's purpose and message. This will help the school determine if the proposed message complies with school district policies and its fundamental values and to avoid unwanted surprises for everyone involved.

Policy 3057. Title IX. This policy went into effect on August 14, 2020.

In the event this policy conflicts or is otherwise inconsistent with mandatory provisions of the UGG, EDGAR or other applicable federal law, the mandatory provisions of the laws shall control.

The District will also comply with the requirements of the public lettings laws (NEB. REV. STAT. §§ 73-101 through 73-106) when the contemplated expenditure for the complete project exceeds \$100,000, the Political Subdivisions Construction Alternatives Act (NEB. REV. STAT. §§ 13-2901 through 13-2914), energy financing contracts (NEB. REV. STAT. §§ 66-1062 through 66-1066), other applicable state laws, and the board's general policy on Bidding for Construction and Related Projects. In the event of a conflict between state and federal law, the more stringent requirement shall apply.

II. All projects undertaken pursuant to this policy will be subject to the following bond requirements

- A. A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual documents as may be required within the time specified.**

A. Methods of Bidding/Soliciting Quotations or Estimates

Micro-purchase means a purchase of supplies or services using simplified acquisition procedures, the annual aggregate amount of which does not exceed \$10,000. Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy "reasonable" means the purchase is comparable to market prices for the geographic area.

To the extent practicable, the District distributes micro-purchases equitably among qualified suppliers. The District will follow its standard policy on purchasing.

2. Construction with an Anticipated Cost of between \$10,000 and \$250,000 (Small Purchase Procedures)

 - b) Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of.
 - c) Any or all bids may be rejected if there is a sound documented reason.
5. The board shall have discretion in determining which bidders are responsible and responsive and shall award the contract to the lowest, responsible, and responsive bidder whose bid meets the bid specifications. This means that the board will select the bid that offers the best value and award a contract based upon the amount of the bid and the bidder's ability and capacity to carry on the work, its equipment and facilities, honesty, integrity, skills,

business judgment, experience, equipment, facilities, financial stability, past performance, and other relevant factors.

6. The board will generally complete its review of bids and select a vendor within 30 days of bid submission.

2. The bid documents shall also provide that such bids shall be opened simultaneously in the presence of the bidders or their representatives.

3. Bids received after the date and time specified in the bid documents shall be returned to the bidder unopened.

4. If bids are being opened on more than one contract, the board, in its discretion, may award each contract as the bids are opened.

5. Sealed bids will be opened in a place and at the specific time stated in the bid solicitation. Bidders shall be notified of the opening and invited to be present.

6. Bids will be reviewed by the Superintendent and/or designee and submitted to the board for approval.

7. The board shall have discretion in determining which bidders are responsible and responsive and shall award the contract to the lowest, responsible, and responsive bidder whose bid meets the

bid specifications. This means that the board will select the bid that offers the best value and award a contract based upon the amount of the bid and the bidder's ability and capacity to carry on the work, its equipment and facilities, honesty, integrity, skills, business judgment, experience, equipment, facilities, financial stability, past performance, and other relevant factors.

8. The board will generally complete its review of bids and select a vendor within 30 days of bid submission.

D. The terms of any construction project undertaken pursuant to this policy will be memorialized in a written contract which has been reviewed by the district's legal counsel and approved by the board.

V. Other Contract Matters.

A. Required Terms

The non-Federal entity's contracts must contain the applicable provisions required by section 200.326 and described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards.

B. Contracting with Certain Vendors

Pursuant to the standards contained in 2 C.F.R. § 200.321, the District will take all necessary affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible consistent with state law.

To the maximum extent practicable, the school food program shall purchase domestic commodities or products produced in US or processed in US substantially using agricultural commodities produced in US.

C. Full and Open Competition

The district's procurement transactions will be conducted in a manner providing full and open competition consistent with 2 C.F.R §200.319.

D. Debarment and Suspension

The District awards contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed

procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

The District may not subcontract with or award subgrants to any person or company who is debarred or suspended. For all contracts over \$25,000 the District verifies that the vendor with whom the District intends to do business with is not excluded or disqualified. 2 C.F.R. Part 200, Appendix II(1) and 2 C.F.R. §§ 180.220 and 180.300.

The District will verify debarment or suspension by revising the excluded parties list on SAM.gov, collecting a certification through the bidding process, and/or by including a debarment and suspension provision in the bid and contract documents. The Superintendent or his/her designee shall be responsible for such verification.

E. Settlements of Issues Arising Out of Contract

The District alone is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the District of any contractual responsibilities under its contracts. Violations of law will be referred to the local, state, or federal authority having proper jurisdiction.

F. Record Keeping

1. Record Retention

- a) The District maintains all records that fully show (1) the amount of funds under the grant or subgrant; (2) how the subgrantee uses those funds; (3) the total cost of each project; (4) the share of the total cost of each project provided from other sources; (5) other records to facilitate an effective audit; and (6) other records to show compliance with federal program requirements. 34 C.F.R. §§ 76.730-.731 and §§ 75.730-.731. These records and accounts must be retained and made available for programmatic or financial audit.

- b) The U.S. Department of Education is authorized to recover any federal funds misspent within 5 years before the receipt of a program determination letter. 34 C.F.R. § 81.31(c). Schedule 10 (Local School Districts) and Schedule 24 (Local Agencies General Records) of the Nebraska Records Management Division as approved by the Nebraska Secretary of State/State Records Administrator requires the District to maintain records regarding construction projects for a minimum of five (5) years after the sale or demolition of the building. However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.
- c) Records will be destroyed in compliance with Schedule 10, Schedule 24, and State law. This includes the completion of a Records Disposition Report.

2. Maintenance of Construction Records for Projects Financed with Federal Funds

- a) The District must maintain records sufficient to detail the history of all construction projects financed with federal funds. These records will include, but are not necessarily limited to the following: rationale for the method of construction, selection of contract type, contractor selection or rejection, the basis for the contract price (including a cost or price analysis), and verification that the contractor is not suspended or debarred.
- b) Retention of construction records shall be in accordance with applicable law and Board policy.

VI. Conflict of Interest and Code of Conduct

A. Board and staff member conflicts of interest are governed by the district’s conflict of interest policies.

2. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.
3. The board may determine at its discretion that a financial interest is not substantial enough to give rise to a conflict of interest.

C. Favors and Gifts

The officers, employees, and agents of the District may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts, with the limited exception of unsolicited items of nominal value.

D. Enforcement

Purchases made with federal funds, whether those funds are derived directly from the federal government (e.g. award of a federal grant) or are derived by pass-through awards from the Nebraska Department of Education (e.g. special education funds, school lunch funds, Title I funds) are subject to the policy on Purchasing and Procurement with Federal Funds, which is found elsewhere in this section.

This policy applies to all other purchases made by the school district other than construction, remodeling, repair and site improvements.

II. General Purchasing Policy

- A. The school district's budget shall be the guide for all purchases. No employee of the district may make a purchase that is not provided for in the budget without board or administrative approval.
- B. The board intends to purchase competitively, whenever possible, without prejudice and to seek maximum educational value for every dollar expended.
- C. The acquisition of services, equipment and supplies shall be centralized in the administration office under the supervision of the superintendent of schools, who shall be responsible for developing and administering the purchasing program of the school district.
- D. Purchases or commitments of district funds that are not authorized by this policy will be the responsibility of the person making the commitment.

III. Building-Specific Purchasing

- A. School buildings are operationally under the control of building principals. Principals have control and responsibility for the building and grounds, for all supplies and equipment housed at the building, for all school-related activities in the building, and for all pupils, teachers, and other employees assigned to the building.
- B. Principals, in consultation with their staff, are responsible for requisitioning, managing, distributing, and utilizing supplies within the building.
- C. The superintendent of schools or his designee is responsible for the requisitioning, managing, distributing, and utilizing of supplies for maintenance and transportation.
- D. The administration is responsible for purchasing of goods, services and supplies and for providing the necessary forms for establishing efficient procedures to facilitate the process.

IV. Purchasing Procedures

- A. School personnel must secure the approval of an authorized administrator before making any purchases.

- B. No purchase shall be made that violates any conflict of interest policy or law.
- C. No employee shall endorse any product of any type or kind in such a manner as will identify him/her in any way as an employee of the school district.
- D. The board believes in patronizing local businesses. Fiscal Management for Purchasing and Procurement Using Federal Funds

I. Applicability of Policy

This policy applies only to non-construction related purchases undertaken with federal funds which are subject to the federal Uniform Grant Guidance (UGG) and other applicable federal law, including but not limited to the Education Department and General Administration Regulations (EDGAR) and the United States Department of Agriculture (USDA) regulations governing school food service programs. In the event this policy conflicts or is otherwise inconsistent with mandatory provisions of the UGG, EDGAR or other applicable federal law, the mandatory provisions of the laws shall control.

All other non-construction purchases will be governed by the Board's general purchasing policy, which can be found earlier in this subsection. In the event of a conflict between state and federal law, the more stringent requirement shall apply.

This procurement policy shall govern all purchasing activities that relate to any aspect of the National School Lunch and Breakfast Programs. The district's goal is to fully implement all required procurement rules, regulations and policies set forth in 2 CFR 200, 7 CFR parts 210, 3016 and 3019, and by the Nebraska Department of Education.

II. Procurement System

The District maintains the following purchasing procedures.

A. Responsibility for Purchasing

The authority to make purchases shall be governed by the District's purchasing policy, which can be found elsewhere in this section. Except as otherwise provided in the District's purchasing policy, the acquisition of services, equipment, and supplies shall be centralized in the administration office under the supervision of the superintendent of schools, who shall be responsible for developing and administering the purchasing program of the school district. Purchases or commitments of district funds that are not authorized by this policy will be the responsibility of the person making the commitment.

B. Methods of Purchasing

The type of purchase procedures required depends on the cost of the item(s) being purchased.

1. Purchases up to \$10,000 (Micro-Purchases)

Micro-purchase means a purchase of supplies or services using simplified acquisition procedures, the annual aggregate amount of which does not exceed \$10,000. Micro-purchases may be made or awarded without soliciting competitive quotations, to the extent district staff determine that the cost of the purchase is reasonable. For purposes of this policy "reasonable" means the purchase is comparable to market prices for the geographic area.

To the extent practicable, the District distributes micro-purchases equitably among qualified suppliers. The District will follow its standard policy on purchasing, which can be found earlier in this subsection.

2. Purchases between \$10,000 and \$250,000 (Small Purchase Procedures)

Small purchases are purchases that, in the aggregate amount, is more than \$10,000 and less than \$250,000 annually. For small purchases, price or rate quotes shall be obtained in advance from a reasonable number of qualified sources as detailed in the district's standard policies on purchasing and on bid letting and contracts, which can be found earlier in this subsection.

3. Purchases Over \$250,000

a) Sealed Bids (Formal Advertising)

For purchases over \$250,000, the district will generally follow the bidding process outlined in the board's policy on Bidding for Construction, Remodeling, Repair or Site Improvement.

b) Contract/Price Analysis

The District performs a cost or price analysis in connection with every procurement action in excess of \$250,000, including contract modifications. The district will make an independent estimate of costs prior to receiving bids or proposals.

4. Noncompetitive Proposals (Sole Sourcing)

- a) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:
 - 1) The item is available only from a single source;
 - 2) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
 - 3) The federal awarding agency or pass-through entity expressly authorizes noncompetitive proposals in response to a written request from the District; or
 - 4) After solicitation of a number of sources, competition is determined inadequate.

- c) A cost or price analysis will be performed for noncompetitive proposals when the price exceeds \$250,000.

C. Use of Purchase (Debit & Credit) Cards

District use of purchase cards is subject to the policy on purchase cards which can be found elsewhere in this subsection.

D. Federal Procurement System Standards

The district's procurement transactions will be conducted in a manner providing full and open competition consistent with 2 C.F.R §200.319.

The District will maintain and follow general procurement standards consistent with 2 C.F.R. §200.318.

E. Debarment and Suspension

The District awards contracts only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

The District may not subcontract with or award subgrants to any person or company who is debarred or suspended. For all contracts over \$25,000 the District verifies that the vendor with whom the District intends to do business with is not excluded or disqualified. 2 C.F.R. Part 200, Appendix II(1) and 2 C.F.R. §§ 180.220 and 180.300.

The District will verify debarment or suspension by revising the excluded parties list on SAM.gov, collecting a certification through the bidding process, and/or by including a debarment and suspension provision in the bid and contract documents. The Superintendent or his/her designee shall be responsible for such verification.

F. Settlements of Issues Arising Out of Procurements

The District alone is responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to, source evaluation, protests, disputes, and claims. These standards do not relieve the District of any contractual responsibilities under its contracts. Violations of law will be referred to the local, state, or federal authority having proper jurisdiction.

III. Conflict of Interest and Code of Conduct

A. Board and staff member conflicts of interest are governed by the district's conflict of interest policies.

B. Purchases covered by this policy are subject to the following additional provisions.

- 1. Employees, officers, and agents engaged in the selection, award, and/or administration of district contracts which are prohibited from engaging in such actions if a real or apparent conflict of interest is present.**

2. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.
3. The board may determine at its discretion that a financial interest is not substantial enough to give rise to a conflict of interest.

C. Favors and Gifts

The officers, employees, and agents of the District may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts, except that this provision does not prohibit the receipt of unsolicited items of nominal value. For purposes of this policy, "nominal value" means a fair market value of \$25 or less.

D. Enforcement

Disciplinary Actions including, but not limited to, counseling, oral reprimand, written reprimand, suspensions without pay, or termination of employment, will be applied for violations of such standards by officers, employees, or agents of the District.

H. Disposal of Equipment

When it is determined that original or replacement equipment acquired under a federal award is no longer needed for the original project or program or for

other activities currently or previously supported by a federal awarding agency, the Superintendent or his/her designee will contact the awarding agency (or pass-through for a state-administered grant) for disposition instructions.

However, if any litigation, claim, or audit is started before the expiration of the record retention period, the records will be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. 2 C.F.R. § 200.333.

3011 Transportation

The school district will provide free transportation, partially provide free transportation, or pay an allowance for transportation in lieu of free transportation on each day school is in session to the students who reside in the district and qualify for transportation according to the district's transportation plan. The families of students who will not be provided transportation pursuant to the district's plan or who must drive students to a pick-up point will be reimbursed according to statute if they qualify for such reimbursement. Parents seeking mileage reimbursement must submit requests to the district on forms which may be obtained from the office of the Superintendent of Schools.

When a student who has been attending the district is placed into foster care, school district staff will collaborate with state and local child welfare agencies to determine whether transportation is required under state law when it is in the child's best interest that their school of origin be maintained. The district will only provide transportation to students placed in foster care when the responsible child welfare agency agrees to reimburse the school district for the cost of transportation or when transportation is otherwise required by law. The board designates the Superintendent of Schools as the initial point of contact for child welfare agency representatives to discuss transportation issues related to children in foster care.

School Meal Program and Meal Charges

Meal Program. The school district will make a school meal program available to students. The cost of the program will be determined by the board of education so as to make the program as nearly self-supporting as possible. With board approval, the district may contract with a private company or corporation for the management and/or provision of the program.

The district will notify the families with children attending school of the current guidelines for free or reduced-price school meals. A copy of the complete regulations and procedures regarding reduced-price and free meals shall be available in the office of the superintendent.

Meal Charge Policy. The district will notify students and their families of the policy for **Charged Meals**, meaning meals received by a student when the student does not have money in hand or in his or her food account. This policy applies to students who receive meals at the free, reduced, or full rates.

Notice of this policy must be provided in writing to all households at the start of each school year and to households that transfer to the school during the school year. Notice may be provided through the student handbook, student registration materials, online portal used to access student accounts, direct mailing or e-mail, newsletter, the district website, and/or any other appropriate means. Notice of this policy will also be provided all school staff responsible for the enforcement of it, including food service professionals responsible for collecting payment for meals at the point of service, staff involved in notifying families of low or negative balances, and other staff involved in enforcing any aspect of this policy.

The district's policy on charged meals is: 

OPTION A

If a student has no funds available to pay for a meal, no food will be provided.

OPTION B

If a student has no funds available to pay for a meal, the student will be permitted to charge up to five meals. Thereafter, if a student has no funds available to pay for a meal, no food will be provided.

OPTION C

If a student has no funds available to pay for a meal, the student will be provided and charged for a limited "courtesy meal" option, such as a plain sandwich.

OPTION D

If a student has no funds available to pay for a meal, the student will be provided and charged for up to five limited "courtesy meals," such as a plain sandwich. Thereafter, if a student has no funds available to pay for a meal, no food will be provided.

Students who qualify for free meals will not be denied a reimbursable meal, even if they have accrued a negative balance from other food purchases. School staff may prohibit any students from charging a la carte or extra items if they do not have cash in hand or their account has a negative balance.

If a student repeatedly lacks funds to purchase a meal, has not brought a meal from home, and is not enrolled in a free meal program, the district will use its resources and contacts to protect the health and safety of the student. Failure or refusal of parents or guardians to provide meals for students may require mandatory reporting to child protection agencies as required by law.

Collection of Delinquent Meal Charge Debt

The school district is required to make reasonable efforts to collect unpaid meal charges. The building principal or his or her designee will contact households about unpaid meal charges and notify them again of the availability of the free and reduced meal program and/or establish payment plans and due dates by telephone, e-mail, or other written or oral communication. If these collection efforts are unsuccessful, the school district may pursue any other methods to collect delinquent debt as allowed by law. Collection efforts may continue into a new school year.

In the event that the Nebraska Department of Education develops a state-level meal charge policy, it shall supersede that portion of this policy.

The facility uses defined in this paragraph are an exception to the general facility use requirements contained in this policy for ease of administration and efficiency. All other facility uses must comply with the other provisions of this policy.
 - b. These particular facilities may be used upon only one application and upon signing the district's written waiver and agreement.

Upon determining that a person or group has engaged in, or is engaging in conduct that constitutes grounds for exclusion under this policy, the superintendent shall take such action as he or she determines appropriate, including directing the person to cease engaging in the conduct or to leave the school premises or activity immediately. The superintendent may request assistance from law enforcement authorities to remove an offending person from the school grounds. Copyrighted works such as print, audio, video, software, applications, and other documents or media ("works") may be reproduced or used for educational purposes only when the use of the reproduction is a fair use in compliance with state and federal copyright law or when the written permission or license for such use has been obtained from the copyright holder. A staff member who wishes to use any non-original work must obtain the prior written permission of the building principal. Unless the district has obtained a license for use of a work for its intended educational purpose, no principal shall grant permission for a requested use of a copyrighted work unless the principal has reasonable grounds to believe that it is a fair use under applicable copyright law. Only works requested to be used in the course and scope of employment with the district will be permitted.

Distribution of Copyright Compliance Materials. The district will make information available to staff and students which describes and promotes compliance with copyright laws.

Course Materials Subject to Copyright Protection. The purpose of this provision is to provide notice to all staff, students, and parents that course materials may be subject to copyright protection. No class materials may be used or copied for use outside of the class session or sessions in which the materials are used for educational purposes unless authorized or required by law. No student or staff member may take audio or video recording of any class in which copyrighted materials are used unless authorized or required by law or an applicable educational plan provided under state and federal disability laws. Any such recordings will be kept only long as required to fulfill the purpose of the recording, such as for evaluative purposes, or the applicable retention period required by law.

Copies for Individuals with Disabilities. This policy does not restrict district staff members from reproducing or distributing copies of copyrighted works in a specialized format for use by individuals with disabilities to gain access to the work.

Removal of Unauthorized Copyrighted Works. Upon obtaining knowledge or awareness of an unauthorized use of copyrighted works, the district will take reasonable steps to remove, deny access to, and stop use of any unauthorized copyrighted work stored in the district's

paper or digital files or programs. This includes but is not limited to administrators accessing staff files and equipment for the purpose of physically removing curricular materials or directing staff members to cease using the materials immediately when there has been no license granted or fair use determination made. The superintendent or superintendent's designee may limit or deny access to district materials and programs to students or staff members who engage in violations of this policy or copyright law. The district may require the student or staff member to obtain training on copyright protections and limitations in order to regain access to any such materials or programs.

Violations by Students and Staff. Any staff member who violates this policy will face disciplinary action up to and including the cancellation, nonrenewal, or termination of the employee's employment. Any student who violates this policy may face disciplinary action up to and including expulsion. Individuals who subject the school district to financial penalty for copyright violations may be required to reimburse the district for its costs for such violation.

Record Management and Retention

The school district will comply with all federal record retention requirements, the Nebraska Records Management Act, and with Schedules 10 and 24 of the Nebraska Secretary of State's Records Management Division. These requirements apply to both physical and digital records. When permitted by Schedule 10 and Schedule 24 of the Nebraska Secretary of State's Office, records will be transferred to durable electronic media for long-term storage.

Special Rules Related to Electronic Forms of Communication.

Electronically stored information such as e-mail, instant messaging, and other electronic communication are important to the district's overall operation. E-mail and other forms of electronic communication which is subject to retention under the Nebraska Records Management Act may be moved to a storage method other than their original format. Each individual who creates or receives electronic communications that belong to or pertain to the operation of the district is responsible for determining whether and in what format those records must be maintained. Duplicate records may be destroyed at any time prior to the approved retention period. Staff members who are uncertain about whether a record should be retained should consult with their supervising administrator.

Option 1 - use if the district uses subscription Google Apps but has not activated Vault: Due to the nature and volume of forms of electronic communication related to the operation of the district, transitory or multiple copies of electronic communication will be retained with metadata intact for 30 days. After this time, the electronically stored information with metadata intact shall be subject to overwriting or deletion from the district's electronic files and records, except as otherwise required by these policies or state and federal law.

Option 2 - use if the district has a Subscription to Google Apps with Vault activated: The district will archive all Google Apps data with metadata intact, except for instant messaging which users determine to be transitory. Only the domain administrator or other designated individual will be able to retrieve electronic communication and other electronically stored information which has been vaulted.

Option 3 - use if the district uses Office 365: Office 365 allows your system administrator to tailor complete data retention policies for data and communications inclusive of the Office 365 sphere. You will need to check with your system administrator to see how he or she has set the retention for

electronically stored information. If the system administrator has selected the minimum retention options, you can adopt Option 1 above and if the system administrator has selected complete retention, you can adopt the following: The district will archive all Office 365 data with metadata intact, except for instant messaging which users determine to be transitory. Only the domain administrator will be able to retrieve electronic communication which has been deleted.

Option 4 – use if the district does not use a hosted e-mail service: The district's data storage capacity is limited. Therefore, electronic communication will only be retained on District resources in its original form with its metadata intact for a period of 60 days from the date the electronic communication is created.

School-affiliated Social Media Posts. Communication on school-affiliated social media accounts are considered short-term communications pursuant to the Records Management Act. As such, they will be retained in their original form on the vendor's system and will not be deleted by the user for at least 6 months. Individuals who are uncertain as to whether a specific social media account is "school-affiliated" should refer to the Board's policy on Staff and District Social Media Use contained elsewhere in these policies.

Special Rules Related to Security Camera Footage. Video footage from security cameras is generally considered working papers under the Records Management Act, and will be overwritten consistent with the district's audio and video recording policy. Video footage which captures an event of educational or behavioral significance and contains personally-identifiable information will be maintained by the school district pursuant to its policy on student records.

Student Records. The retention of student records is also governed by the board's policy on student records.

Records Regarding Pending or Threatened Litigation. When litigation against the district or its employees is filed or threatened, the district will take all reasonable action to preserve all documents and records that pertain to the issue. When the district is made aware of pending or threatened litigation, a litigation hold directive will be issued by the superintendent or his/her designee. The directive will be given to all persons suspected of having records that may pertain to the potential issues in the litigation. The litigation hold directive overrides any records retention schedule that may otherwise call for the disposition or destruction of the records until the litigation hold has been lifted.

Booster Clubs and Parent-Teacher Organizations

Parent-teacher organizations and booster clubs (collectively, "Supporting Entities") promote goodwill throughout the community and strengthen educational programs via parental and community involvement in the district. However, the district's involvement with Supporting Entities may result in negative legal and political consequences.

Supporting Entities are separate entities from the district and board. Therefore, district employees may only participate in a Supporting Entity's activities as a member, officer, or director of the Supporting Entity. District employees may not participate in Supporting Entities in their capacity as a district employee. Further, in-school announcements for Supporting Entity sponsored functions must provide a clear indication that the function is sponsored by the Supporting Entity.

Notwithstanding anything herein to the contrary, an administrator employed by the district may attend the meetings of the Supporting Entity. An administrator who attends Supporting Entity meetings must strongly **recommend** that the Supporting Entity adopt the following policies:

- (a) The Supporting Entity should legally establish itself as a Nebraska Nonprofit Organization.
- (b) The Supporting Entity should require that
 - i. all checks written out of the Supporting Entity's checking account contain two signatures;
 - ii. sales slips, receipts, or invoices for every expenditure be provided to the Supporting Entity's treasurer and kept in the Supporting Entity's records; and
 - iii. bank statements be reviewed and approved by the Supporting Entity treasurer and reconciled by a Supporting Entity officer that does not have check-signing authority.

Supporting Entities may only use the district's facilities for meetings or public activities, and may only use the district's names, logos, or mascots, upon prior written approval of a district administrator.

Resolution of Conflicts Between Parents Over School Issues

It is in students' best educational interests to have parents work cooperatively with each other and with school personnel regarding their children's education. In certain circumstances, parents disagree with each other regarding their children's education or other issues involved with the school district. Though such disagreements typically occur with separated or divorced parents, this regulation is not limited to those circumstances.

1) Obtaining Records and Confering with Teachers.

All parents can obtain their children's records and meet with their children's teachers regardless of custody or visitation rights unless a court enters an order otherwise or their parental rights have been terminated. The district will not schedule separate parent-teacher conferences absent extraordinary circumstances.

2) Accessing a Child at School/Picking Up a Child.

School personnel will neither interpret nor enforce court orders governing the relations between separated or divorced parents unless the court order terminates the parental rights of a parent, limits a parent to supervised visitation with minor children or otherwise specifically limits the parent's access to the child at school. In all other circumstances, parents may contact their child while at school or pick a child up from school at any time. School staff are not responsible for enforcing visitation schedules contained in any court order to which the school district is not a party.

Sex Offenders

The safety of the students attending school is very important to the board of education. School employees, parents, and students should be aware of dangers posed by sex offenders living within the school district, and should be vigilant in providing protection against these dangers.

[NOTE TO BE DELETED: This paragraph is not required but is recommended]. The Nebraska Legislature has enacted the Nebraska Sex Offender Registration Act. The Act requires sex offenders to register with the local county sheriff where they reside. The school district shall notify staff members, parents, and students of any registered sex offenders residing in the school district. Such notice shall contain information about the availability of further information on the State Patrol's web page, and shall inform the recipient of the prohibition against using the information for any retaliatory purpose against the sex offender, the offender's family, or the offender's employer. Only information deemed non-confidential pursuant to NEB. REV. STAT. §§ 29-4006 and 29-4009 will be disclosed in the aforementioned notification.

The board does not generally permit registered sex offenders on school grounds, at any school sponsored activity, or on any property under the control of the school district. The superintendent or his/her designee is hereby empowered to notify sex offenders of this policy and to grant limited permission to attend certain activities on a case-by-case basis.

Students who are registered sex offenders shall not be precluded from receiving a free education from the school district on that basis. The school district will consider a student's status as a registered sex offender in determining the student's educational placement and program.

Staff and students who are unsure whether a threat is substantive or transient should report the situation. Staff and students must make such report regardless of the nature of the relationship between the individual who initiated the threat or threatening behavior and the person(s) who were threatened or who were the focus of the threatening behavior. Staff and students must also make such reports regardless of where or when the threat was made or the threatening behavior occurred.

The school district shall not proceed further with the solicitation or with the award of the contract and shall suspend performance under the contract, if awarded, unless the Superintendent makes a written determination that the protest is clearly without merit or that award of the contract without delay is necessary to protect the substantial interests of the school district.

- C. Authority to Resolve Protests. Prior to the commencement of an administrative review by the Board concerning any protest, the Superintendent shall attempt to resolve any protest filed by an interested party concerning any solicitation. If the protest is not resolved by mutual agreement, the Superintendent shall create and deliver a Decision to the protestor within a reasonable time after the written protest was received. The Decision shall include a written summary of the Superintendent's investigation and a recommendation regarding the outcome of the protest. The Decision shall (1) state the reasons for the action taken, and (2) inform the interested party of their right to the

administrative review by the Board. A copy of the Decision shall be mailed or otherwise furnished immediately to the interested party and any other party intervening protester and all other bidders. If not satisfied with the decision of the Superintendent, any interested party protester may appeal to the Board, but the decision shall be final unless the interested party protester files a timely appeal with the Board.

D. Board Appeal Procedures. Any interested party protester, within five working days of receipt of a decision of the Superintendent, may file with the Superintendent a written notice of appeal for an administrative review before the Board. The Notice of Appeal must clearly state the action protested and the basis of appeal. The Board will conduct an administrative review at its next regularly scheduled meeting or at a special meeting. The school district board of education shall consider the Decision of the Superintendent and shall make the final decision on the protest. The school district board of education's decision shall be final.

6. A construction management at risk contract may be conditioned upon later refinements in scope and price and may permit the school district in agreement with the construction manager to make changes in the project without invalidating the contract. Later refinements shall not exceed the scope of the project statement contained in the request for proposals.

Prohibitions. The school district shall not use a construction management at risk contract for any construction project excluded by NEB. REV. STAT. § 13-2914 or any other applicable law.

Design-Build Contracts

This policy is adopted pursuant to the Political Subdivisions Construction Alternatives Act (NEB. REV. STAT. § 13-2901 through § 13-2914).

The board shall adopt a resolution by a two-thirds affirmative vote selecting the design-build contract delivery system prior to proceeding with any of the steps involved with solicitation or execution of any construction contract.

Definitions. For purposes of this policy:

1. Board means the District's Board of Education.
2. Department means the Nebraska Department of Education.
3. Design-Build Contract (DB Contract) means a contract which is subject to qualification-based selection between the District and a Design-Builder to furnish (a) architectural, engineering, and related design services for a project pursuant to the Nebraska Political Subdivisions Construction Alternatives Act (Act) and (b) labor, materials, supplies, equipment, and construction services for a project pursuant to the Act.
4. Design-Builder means a legal entity which proposes to enter into a DB Contract which is subject to qualification-based selection pursuant to the Act.
5. District means _____ Public Schools.
6. NEARA means the Nebraska Engineers and Architects Regulation Act.
7. Performance-Criteria Developer (PCD) means any person licensed or any organization issued a certificate of authorization to practice architecture or engineering pursuant to the NEARA who is selected by the District pursuant to this policy to assist the District in the development of Project Performance Criteria, Requests For Proposals, evaluation of Proposals, evaluation of construction under a DB Contract to determine adherence to the Project Performance Criteria, and any additional services requested by the District to represent its interests in relation to a project.
8. Project Performance Criteria means the performance requirements of the project suitable to allow the Design-Builder to make a Proposal.

Performance requirements include the following, if required by the project: capacity, durability, standards, ingress and egress requirements, description of the site, surveys, soil and environmental information concerning the site, interior space requirements, material quality standards, design and construction schedules, site development requirements, provisions for utilities, storm weather retention and disposal, parking requirements, applicable governmental code requirements, and other criteria for the intended use of the project.

9. Proposal means an offer in response to a Request For Proposals ("RFP") by a Design-Builder to enter into a DB Contract for a project pursuant to the Act.
10. Act means the Nebraska Political Subdivisions Construction Alternatives Act.
11. Request for Proposals (RFP) means the documentation by which the District solicits Proposals.
12. Superintendent means the District's Superintendent of Schools.

Procedures. The District shall follow the procedures below in connection with any DB Contract.

1. Rules and Procedures for Selecting and Hiring a PCD for a Specific Project.

A. The District shall encourage eligible persons or organizations who desire to provide services to the District as a PCD to submit a statement of qualifications and performance data to the District. At least thirty days prior to selecting and hiring a PCD, the District shall publish notice in a newspaper of general circulation in the District that it is seeking a PCD for a design-build project. The notice shall include the following:

- (1) A general description of the Design-Build project;
- (2) Directions regarding how interested persons or organizations can apply for consideration by the District;
- (3) The date by which persons or organizations must submit their applications; and
- (4) A statement that any person or organization applying for consideration by the District must obtain a copy of

the District's Design-Build Contract Policy from the Superintendent.

- B. To apply to be the District's PCD, applicants must submit a current statement of qualifications and performance data to the District. The statement of qualifications must include evidence that the applicant is licensed or certified to practice architecture or engineering pursuant to the NEARA. Applicants must update any information provided to the District to reflect any changed conditions of the applicant.
- C. Applicants shall first be certified by the Superintendent as qualified to act as a PCD for the District. In order to certify an applicant, the Superintendent shall make a finding that a PCD is fully qualified to render the required service. Factors to be considered in making this finding shall include capabilities to perform, adequacy of personnel, past record and performance, and experience; and may also include consideration of recent, current, and projected workloads; experience; equipment and facilities; promptness, and the quality of work previously done by applicant; suitability to the particular task; willingness to meet time and budget requirements; and such other qualities as are found necessary to consider in order to determine whether or not, if awarded the contract, the applicant could perform it strictly in accordance with its terms capabilities to perform.
- D. The Board shall evaluate each qualified applicant's current statement of qualifications and performance data. The Board shall conduct discussions with, and may require public presentations by no less than three applicants regarding their qualifications, approach to the project, ability to furnish the required service, and other factors identified above.
- E. The Board shall select, in order of preference, at least three applicants deemed to be most highly qualified to perform the required services after considering the factors outlined above.
- F. The Board shall negotiate a contract with the most qualified applicant for compensation which the Board determines is fair and reasonable. In making this determination, the Board shall conduct a detailed analysis of the cost of the professional services required in addition to considering their scope and complexity. For all lump-sum or cost-plus-a-fixed-fee professional service contracts, the Board shall require the applicant receiving the award to

execute a certificate stating that wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting. Any contract under which such a certificate is required shall contain a provision that the original contract price and any additions thereto shall be adjusted to exclude any significant sums by which the Board determines the contract price had been increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs. All such contract adjustments shall be made within one year following the end of the contract.

- G. If the Board is unable to negotiate a satisfactory contract with the applicant considered to be the most qualified at a price the Board determines to be fair and reasonable, it shall terminate negotiations with that applicant. The Board may then undertake negotiations with the second most qualified applicant. If the Board fails to reach an agreement with the second most qualified applicant, it shall terminate negotiations with that applicant. The Board shall then undertake negotiations with the third most qualified applicant.
- H. If the Board is unable to negotiate a satisfactory contract with any of the selected applicants, it shall either select additional applicants in order of their competence and qualification and continue negotiations in accordance with this policy until an agreement is reached or review the agreement under negotiation to determine the possible cause for failure to achieve a negotiated agreement.
- I. The Board may designate a committee to carry out any or all of the Board's duties under the PCD selection section of this policy, provided that the Board must approve any agreement with an applicant prior to its execution. Any such committee must have among its membership at least one person who is licensed to practice architecture or engineering pursuant to the NEARA.
- J. The public shall not be excluded from the meetings or proceedings under this section of this policy in accordance with the Open Meetings Act.
- K. The contract between the District and the PCD shall contain a prohibition against contingent fees as follows: "The PCD warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the PCD, to solicit or

secure this agreement and that the PCD has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the PCD, any fee, commission, percentage, gift, or any other consideration contingent upon or resulting from the award or the making of this agreement." Upon violation of such provision, the District shall have the right to terminate the agreement without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, or consideration.

- L. The PCD is ineligible to be included as a provider of any services in a Proposal for the project on which it has acted as a PCD.
- M. A PCD may not be employed by or may not have a financial or other interest in a Design-Builder that will submit a Proposal.

2. Procedures and standards to be used to prequalify Design-Builders.

- A. The District, with the help of the PCD, shall prepare a request for letters of interest. The request for letters of interest shall:
 - (1) Describe the project in sufficient detail to permit a Design-Builder to submit a letter of interest;
 - (2) Be published in a newspaper of general circulation within the District at least 30 days prior to the deadline for receiving letters of interest; and
 - (3) Be sent by first-class mail to any Design-Builder upon request.
- B. Letters of interest shall be reviewed by the District in consultation with the PCD. The District and the PCD will evaluate prospective Design-Builders based on the information submitted to the District in response to the request for letters of interest.
- C. The District shall select at least three prospective Design-Builders, except that if only two Design-Builders have submitted letters of interest, the District shall select at least two prospective Design-Builders. Such selected Design-Builders shall be considered prequalified and eligible to receive and respond to the RFP.

- D. The District and PCD shall use the following standards when selecting which prospective Design-Builders to prequalify: capabilities to perform, adequacy of personnel, past record and performance, and experience; and may also include consideration of recent, current, and projected workloads; experience; equipment and facilities; promptness, and the quality of work previously done by applicant; suitability to the particular task; willingness to meet time and budget requirements; and such other qualities as are found necessary to consider in order to determine whether or not, if awarded the contract, the applicant could perform it strictly in accordance with its terms capabilities to perform.

3. Procedures for the preparation and content of RFPs.

- A. The District, with the help of the PCD, shall prepare the RFP, which shall contain:
 - (1) The identity of the school district for which the project will be built and will execute the Design-Build Contract;
 - (2) A copy of this Design-Build Contract Policy and all other policies adopted by the District relating to the DB Contract;
 - (3) The proposed terms and conditions of the DB Contract, including any terms and conditions which are subject to further negotiation. The proposed general terms and conditions shall be consistent with nationally recognized model general terms and conditions which are standard in the design and construction industry in Nebraska. The proposed terms and conditions may set forth an initial determination of the manner by which the Design-Builder selects any subcontractor and may require that any work subcontracted be awarded by competitive bidding;
 - (4) A project statement which contains information about the scope and nature of the project;
 - (5) Project Performance Criteria;
 - (6) Budget parameters for the project;
 - (7) Any bonds or insurance required by law or as may be additionally required by the District;
 - (8) The criteria for evaluation of Proposals and the relative weight of each criterion;
 - (9) A requirement that the Design-Builder provide a written statement of its proposed approach to the design and construction of the project, which may include graphic

materials illustrating the proposed approach to design and construction but shall not include price proposals;

(10) A requirement that the Design-Builder agree to the following conditions:

- (i) An architect or engineer licensed to practice in Nebraska will participate substantially in those aspects of the offering which involve architectural or engineering services;
- (ii) At the time of the design-build offering, the Design-Builder will furnish to the Board a written statement identifying the architect or engineer who will perform the architectural or engineering work for the design-build project;
- (iii) The architect or engineer engaged by the Design-Builder to perform the architectural or engineering work with respect to the design-build project will have direct supervision of such work and may not be removed by the Design-Builder prior to the completion of the project without the written consent of the Board;
- (iv) A Design-Builder offering design-build services with its own employees who are design professionals licensed to practice in Nebraska will: (a) comply with the NEARA by procuring a certificate of authorization to practice architecture or engineering and (b) submit proof of sufficient professional liability insurance; and
- (v) The rendering of architectural or engineering services by a licensed architect or engineer employed by the Design-Builder will conform to the NEARA and rules and regulations adopted under the Act; and

(11) Other information the District chooses to require.

B. At least 30 days prior to the deadline for receiving and opening Proposals, the notice of the RFP shall be:

- (1) Published in a newspaper of general circulation within the District;
- (2) Filed with the Department; and

- (3) Sent by first-class mail to the prequalified Design-Builders only.

4. Procedures for preparing and submitting Proposals.

- A. Prequalified Design-Builders shall prepare and submit Proposals as required by the RFP.
- B. All Proposals shall be sealed. Proposals shall not be opened until expiration of the time established for making Proposals as set forth in the RFP.
- C. Proposals may be withdrawn at any time prior to acceptance.
- D. The District has the right to reject any and all Proposals except for the purpose of evading the law. The District may thereafter solicit new Proposals using the same or a different Project Performance Criteria.

5. Procedures for evaluating Proposals.

- A. The District may only proceed to negotiate and enter into a DB Contract if there are at least two proposals from prequalified Design-Builders.
- B. The District shall refer the proposals for recommendation to a selection committee. The selection committee shall be a group of at least five persons designated by the District. Members of the selection committee shall include (1) members of the school board, (2) members of the school administration or staff, (3) the school's architect or engineer (4) any person having special expertise relevant to selection of a design-builder under the Act, and (5) a resident of the District other than an individual included in subdivisions (1) through (4) of this subsection. A member of the selection committee designated under subdivision (4) or (5) of this subsection shall not be employed by or have a financial or other interest in a design-builder who has a proposal being evaluated and shall not be employed by the District or the school's architect or engineer.
- C. The selection committee and the District shall evaluate proposals taking into consideration the criteria enumerated in subdivisions (1) through (7) of this subsection with the maximum percentage of total points for evaluation which may be assigned to each criterion set forth following the criterion. The following criteria shall be evaluated, when applicable:

- (1) The financial resources of the design-builder to complete the project **(up to ten percent)**;
- (2) The ability of the proposed personnel of the design-builder to perform **(up to thirty percent)**;
- (3) The character, integrity, reputation, judgment, experience, and efficiency of the design-builder **(up to thirty percent)**;
- (4) The quality of performance on previous projects **(up to thirty percent)**;
- (5) The ability of the design-builder to perform within the time specified **(up to thirty percent)**;
- (6) The previous and existing compliance of the design-builder with laws relating to the contract **(up to ten percent)**; and
- (7) Such other information as may be secured having a bearing on the selection **(up to twenty percent)**.

NOTE TO BE DELETED: The percentages listed above must be modified so that they add up to 100%. This can be done directly in the policy, at the time the school board designates the Design-Build method for a specific project, or at a later time but before the RFP is published and sent out.

The records of the selection committee in evaluating proposals and making recommendations shall be considered public records for purposes of NEB. REV. STAT. § 84-712.01.

- D. The District shall then evaluate and rank each proposal on the basis of best meeting the criteria in the request for proposals and taking into consideration the recommendation of the selection committee.

6. Procedures for Negotiations between the District and Design-Builders Submitting Proposals Prior to the District's Acceptance of a Proposal.

- A. The District may attempt to negotiate a DB Contract with the highest ranked Design-Builder selected by the Board and may enter into a DB Contract after negotiations.
- B. The negotiations shall include a final determination of the manner by which the design-builder selects a subcontractor.
- C. If the District is unable to negotiate a satisfactory DB Contract with the highest ranked Design-Builder, it may terminate negotiations with that Design-Builder. The District may then undertake negotiations with the second highest ranked Design-Builder and may enter into a DB Contract with that Design-Builder after negotiations.
- D. If the District is unable to negotiate a satisfactory DB Contract with the second highest ranked Design-Builder, it may terminate negotiations with that Design-Builder. The District may then undertake negotiations with the third highest ranked Design-Builder, if any, and may enter into a DB Contract with that Design-Builder after negotiations.
- E. If the District is unable to negotiate a satisfactory DB Contract with any of the ranked Design-Builders, it may either revise the RFP and solicit new Proposals or cancel the design-build process.
- F. If the District is able to negotiate a satisfactory contract with a design-builder, the District shall file a copy of all design-build contract documents with the State Department of Education within thirty days after their full execution. Within thirty days after completion of the project, the design-builder shall file a copy of all contract modifications and change orders with the State Department of Education.

7. Procedures for Filing and Acting on Formal Protests Relating to the Solicitation or Execution of DB Contracts.

- A. Definitions.
 - (1) Interested party shall mean an actual or prospective bidder whose direct economic interest would be affected by the award of a contract by the District to another party or by the failure of the District to award a contract to such actual or prospective bidder.
 - (2) Protest shall mean a written objection by an interested party on any phase of the bidding process, including specification, preparation, bid solicitation, and intent to award.

B. Right to Protest. An interested party may protest to the Superintendent. The protest shall be submitted in writing on company letterhead within five working days after public notice of the bid. Protests based on alleged apparent improprieties in a solicitation or other request for proposals must be filed before bid opening or the closing date for receipt of proposals. In all other cases, the protest must be filed within five working days following the selection of the design-builder. To expedite handling of protests, the envelope containing the protest should be clearly labeled "Protest". The written protest shall include as a minimum the following:

- (1) The name and address of the interested party;
- (2) Appropriate identification of the relevant solicitation, and if a bid has been opened, its number, and date of opening;
- (3) A detailed statement of reasons for the protest;
- (4) Supporting, exhibits, evidence, or documents to substantiate any claims unless not available within the filing time, in which case the expected availability date shall be indicated; and a list of all persons who have knowledge of facts relevant to the protest; and
- (5) The action(s) the protestor desires the school district to take to resolve the protest.

The Superintendent will immediately decide upon receipt of the protest whether or not the award of a contract shall be delayed, or if the protest is timely received after the award, whether the performance of the contract should be suspended. The school district shall not proceed further with the solicitation or with the award of the contract and shall suspend performance under the contract, if awarded, unless the Superintendent makes a written determination that the protest is clearly without merit or that award of the contract without delay is necessary to protect the substantial interests of the District.

C. Authority to Resolve Protests. Prior to the commencement of an administrative review by the Board concerning any protest, the Superintendent shall attempt to resolve any protest filed by an interested party concerning any solicitation. If the protest is not resolved by mutual agreement, the Superintendent shall create and deliver a Decision to the protestor within a reasonable time after the written protest was

received. The Decision shall include a written summary of the Superintendent's investigation and a recommendation regarding the outcome of the protest. The Decision shall (1) state the reasons for the action taken, and (2) inform the interested party of their right to the administrative review by the Board. A copy of the Decision shall be mailed or otherwise furnished immediately to the interested party and any other party intervening protester and all other bidders. If not satisfied with the decision of the Superintendent, any interested party protester may appeal to the Board, but the decision shall be final unless the interested party protester files a timely appeal with the Board.

D. Board Appeal Procedures. Any interested party protester, within five working days of receipt of a decision of the Superintendent, may file with the Superintendent a written notice of appeal for an administrative review before the Board. The Notice of Appeal must clearly state the action protested and the basis of appeal. The Board will conduct an administrative review at its next regularly scheduled meeting or at a special meeting. The school district board of education shall consider the Decision of the Superintendent and shall make the final decision on the protest. The school district board of education's decision shall be final.

8. Refinements and Changes. A DB Contract may be conditioned upon later refinements in scope and price and may permit the District, in agreement with the Design-Builder, to make changes in the project without invalidating the DB Contract. Later refinements shall not, however, exceed the scope of the project statement contained in the RFP.

9. Projects Excluded. The District shall not use a design-build contract for any construction project excluded by NEB. REV. STAT. § 13-2914 or any other applicable law.

Incidental or De Minimis Use of Public Resources

The board prohibits its members and employees from using public resources for personal or political purposes as prohibited in the Nebraska Political Accountability and Disclosure Act ("Act"). However, the board recognizes that incidental or de minimis uses of public resources are sometimes necessary and within reason. The purpose of this policy is to comply with the Act and to authorize certain uses of public resources as permitted by the Act.

The following uses of public resources are permitted as incidental or de minimis:

- Limited communications with family members or other non-district employees for personal purposes, such as e-mails or text messages with a spouse using district hardware, software, internet, accounts, or other public resources so long as this communication does not distract from or interfere with employees performing their official duties, with interference determined in the sole and unfettered discretion of an employee's supervising administrator;
- Traveling to or from the person's home when the primary purpose serves the interests of the district. If an employee is unsure whether the primary purpose serves the interests of the district, the employee should obtain the approval of his or her supervising administrator, who is authorized to make that determination under this policy;
- Making a limited number of copies of personal documents when the person cannot make alternative arrangements;
- Using personal social media accounts or accessing appropriate websites which are consistent with the district's digital citizenship curriculum while off duty;
- Using district-owned computer programs, such as Word, Excel, Adobe, and others for personal purposes while off duty;
- Any other uses contained in the collective bargaining agreement or individual contract of the employee;
- Other uses by employees authorized by the superintendent or superintendent's designee. The board intends to allow the superintendent to authorize such uses on a case-by-case basis to the maximum extent permitted by the Act; and
- Other uses by the superintendent or board members authorized by the board president. The board intends to allow the board president to authorize such uses on a case-by-case basis to the maximum extent permitted by the Act

All uses pursuant to this policy must be (1) consistent with other district policies, (2) consistent with the provisions of Title 92, Nebraska Administrative Code, Chapter 27 (Nebraska Department of Education "Rule 27"), and (3) reported as compensation in accordance with the Internal Revenue Code of 1986, as amended, and taxes, if any, are paid. It is the responsibility of each board member or employee to account for their own tax liability, and the district will not indemnify or account for any personal use of public resources by the board member or employee.

All of the provisions of Rule 27 will apply to non-certificated staff for the purposes of this policy. In addition, employees may not use the school's internet, computers, or other technology to access obscene or pornographic material, sext, or engage in any illegal activities.

3045 Use of Sniffer Dogs

The board of education finds that the possession of illegal drugs and other contraband on school grounds is unlawful, is disruptive of the educational process, is harmful to students and staff, and is contrary to the interests of the school district. Accordingly, to minimize the presence of these items on school grounds, the administration is authorized to use sniffer dogs according to the protocol set forth in this policy.

Protocol for Use of Sniffer Dogs

1. The superintendent, or the building principal with the superintendent's permission, may initiate the use of specially trained sniffer dogs to conduct an inspection.
2. The administration will contact the canine provider and/or the appropriate law enforcement agency to schedule the use of a sniffer dog or dogs. The administration shall require an assurance from the provider that any sniffer dogs to be used in the school have been properly trained, and may request evidence of the training and/or certification of the dogs. In no event will the school district authorize a sniffer dog to sniff any person.
3. The superintendent or if designated by the superintendent, the building principal, and law enforcement representatives or canine provider will confer regarding the specific plan of areas to be inspected. The plan may involve any or all school building facilities, vehicles in the school parking lot, or other areas where student and staff vehicles are parked on school property during or after school hours.
4. If the inspection is scheduled for a day when school is in session, students and staff will be informed over the public address system, and will be directed to remain in their rooms until given further directions.
5. During the inspection, administrators may assign personnel to designated areas as deemed appropriate to assist in the smooth handling of the inspection.
6. After the inspection is finished, students and staff will be notified over the public address system, and will be thanked for their cooperation.
7. If the sniffer dog alerts, the alert will constitute reasonable cause for the administration to conduct a search of the property. If the sniffer

dog alerts on a vehicle on school grounds, the owner will be required to unlock the vehicle doors and trunk for further inspection of the interior of the vehicle. If the owner refuses to unlock the vehicle, the matter will be turned over to law enforcement authorities. The owner will be subject to disciplinary action as specified in board policy and/or the student or staff handbook or as otherwise allowed by law. This may include discipline for the refusal to obey an administrative directive.

8. Any illegal drugs or contraband found on school grounds, whether in a desk, locker, vehicle, or any other place on school grounds, will be confiscated and turned over to law enforcement authorities. A student's parents will be contacted. The individual will be subject to disciplinary action as specified in board policy and/or the student or staff handbook or as otherwise allowed by law.
9. At the conclusion of the inspection, school officials will confer with the canine provider and/or any law enforcement authorities who were involved in the inspection to review the results of the inspection. The administration may authorize any follow-up inspections or other action deemed appropriate.

NOTICE TO STUDENTS AND STAFF

Students and staff shall be informed of the District's policy regarding the use of sniffer dogs as soon as practicable after the adoption of this policy. Thereafter, students and staff shall be informed of the policy at the beginning of the school year. By this policy and/or via the provision in the student or staff handbook, students and staff are specifically notified that:

1. Lockers may be sniffed by sniffer dogs at any time.
2. Vehicles parked on school property may be sniffed by sniffer dogs at any time.
3. Classrooms and other common areas may be sniffed by sniffer dogs at any time students and staff are not present.
4. If contraband of any kind is found, the student or staff member shall be subject to appropriate disciplinary action.

3046 Animals at Schools

Animals are not allowed in school district buildings or on school district property without the written permission of the superintendent or his or her designee except as provided in this policy or as otherwise required by law.

I. USE OF ANIMALS FOR INSTRUCTIONAL PURPOSES

Animals that support a district program or curriculum or that are used for instructional purposes are allowed in school district buildings or on school district property with the written permission of the superintendent or building principal.

II. SERVICE ANIMALS

The school district does not permit discrimination against individuals with disabilities, including those who require the assistance of a service animal. An individual with a disability is permitted to be accompanied by his/her service animal on school property when required by law, subject to the conditions of this policy.

Service Animal. A "service animal" is a dog that has been individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Work or tasks **do not** include the crime deterrent effects of an animal's presence and the provision of emotional support, well-being, comfort, or companionship. The work or tasks performed by a service animal must be directly related to the handler's disability or necessary to mitigate a disability. Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purposes of this definition. **See also**, Miniature Horses below.

School District Inquiries. School officials **may** ask the owner or handler of an animal whether the animal is required because of a disability and what work or task the animal has been trained to do **unless** the answers to these inquiries are readily apparent. School officials **may not** ask about the nature or extent of a person's disability and may not require documentary proof of certification or licensing as a service animal.

Procedural Requirements. The following requirements must be satisfied **before** a service animal will be allowed in school buildings or on school grounds:

Request. A person who wants to be accompanied by his/her service animal must submit a written request form to a principal or superintendent. The request form is attached to this policy. These requests must be renewed each school year or whenever a different service animal will be used. When a request to be accompanied by a service animal is submitted by, or on behalf of, a student who has an Individualized Education Program (IEP) and/or a Section 504 Plan, then the request shall be promptly referred to the student's respective IEP Team and/or 504 Team for its consideration and/or input.

Health and Vaccination. The owner or handler must have proof of current licensure from the local licensing authority including proof of the service animal's current vaccinations and immunizations required by law.

Service animals will not be allowed in school buildings or other school property until the school has approved the request.

Control. A service animal must be under the control of its handler at all times. The service animal must have a harness, backpack, vest identifying the dog as a trained service dog, leash, or other tether. If the handler is unable to use a harness, backpack, vest, leash, or other tether, because of a disability or the use of a harness, backpack, vest, leash, or other tether would interfere with the service animal's safe, effective performance of work or tasks, the use of these items is not required. However, the service animal must be otherwise under the handler's control.

Exclusion or Removal from School. A service animal may be excluded from school property and buildings if a school administrator determines that:

- (1) A handler does not have control of the service animal;
- (2) The service animal is not housebroken;
- (3) The service animal presents a direct and immediate threat to others in the school; or
- (4) The animal's presence fundamentally alters the nature of the service, program, or activity.

The handler or the student's parent or guardian shall be required to remove the service animal from school premises immediately upon such a determination. If the service animal is removed, the individual with a disability shall be provided with the opportunity to participate in the service, program, or activity without the service animal.

Allergic Reactions. If any student or school employee assigned to a classroom or mode of transportation in which a service animal is permitted suffers an allergic reaction to the service animal, the person having custody and control of the animal will be required to remove the animal to a different location designated by an administrator. The school will arrange a meeting between school personnel, the individual with the disability, and the parents or guardian(s) of the person with the disability if that person is a student to develop an alternate plan.

Supervision and Care of Service Animals. The owner or handler of a service animal is solely responsible for the supervision and care of the animal, including any feeding, exercising, and clean up while the animal is in a school building or on school property. Therapy animals are personal property of the Owner and are not owned by the school district.

Therapy Animal Standards and Procedures. The following requirements must be satisfied *before* a therapy animal will be allowed in school buildings or on school grounds:

Request. An Owner who wants to bring a therapy animal to school must submit a written request form to a principal or superintendent. The request form is attached to this policy. designee. Any certification required by the school district must remain current at all times.

Health and Vaccination. The therapy animal must be clean, well groomed, in good health, house broken, and immunized against diseases common to such animals. The Owner must submit proof of current required licensure from the local licensing authority and proof of the therapy animal's current vaccinations and immunizations from a licensed veterinarian, if applicable.

Control. A therapy animal must be under the control of the Owner at all times.

Identification. The therapy animal must have appropriate identification identifying it as a therapy animal.

No Disruption. The therapy animal must not disrupt the educational process by any of its behaviors.

Health and Safety. The therapy animal must not pose a health and safety risk to any student, employee, or other person at school.

Supervision and Care of Therapy Animals. The Owner is solely responsible for the supervision and care of the therapy animal, including any feeding, exercising, and clean up while the animal is in a school building or on school property. The school district is not responsible for providing any care, supervision, or assistance for a therapy animal.

Authorized Area(s). The Owner shall only allow the therapy animal to be in areas in school buildings or on school property that are authorized by school district administrators.

Insurance. The Owner must submit a copy of an insurance policy that provides liability coverage for the therapy animal while on school property.

Exclusion or Removal from School. A therapy animal may be excluded from school property and buildings if a school administrator determines that:

- (1) A handler does not have control of the therapy animal;
- (2) The therapy animal is not housebroken;
- (3) The therapy animal presents a direct and immediate threat to others in the school; or

- (4) The animal's presence otherwise interferes with the educational process.

The Owner shall be required to remove the therapy animal from school premises immediately upon such a determination.

Allergic Reactions. If any student or school employee assigned to a classroom in which a therapy animal is permitted suffers an allergic reaction to the therapy animal, the Owner of the animal will be required to remove the animal to a different location designated by an administrator.

Damages to School Property and Injuries. The Owner of a therapy animal is solely responsible and liable for any damage to school property or injury to personnel, students, or others caused by the therapy animal.

Other Therapy Animals. Therapy animals (1) owned by students, patrons, or other non-school employees or (2) owned by school employees for their own benefit will not be allowed on school grounds or school property except as otherwise required by law.

3050 Technology in the Classroom

I. In General

The district desires to use technology in a way that aides in the education of students. New devices and applications offer a number of helpful tools that can improve the student experience and increase learning. Many of these devices and applications also create concerns about student privacy. It is the goal of the district to embrace the helpful elements of technological advancement while remaining mindful of potential student privacy issues.

II. Devices

A. Non-district issued electronic devices may be used in the classroom, under supervision of a staff member. Teachers who wish to bring a device into the classroom on a regular or permanent basis, should inform the principal before deploying the device.

1. Smart speakers such as Google Home, Amazon Echo, Apple HomePod, and similar devices may be used in the classroom. The device must be registered to an account linked to the classroom teacher's school email address. The district will not maintain any records created by use of the smart speaker device. Any record of use will be considered non-record communications pursuant to Nebraska's Records Management Act, and not be maintained by the district.
2. Assistive technology may be used in district classrooms. Any assistive technology, such as an AngelSense device, that uses "listen-in" functionality must have that function disabled while the student using the device is in a district classroom. No assistive technology devices will be permitted to record or transmit the classroom activity of other students unless required by law.
3. All other electronic devices that connect to the internet that a staff member wishes to use for the education of students should be disclosed to the administration prior to use. The district may at any time direct that a teacher discontinue use of a given device.

- B. Any classroom recordings made by a staff member will be made pursuant to district policy.

III. Applications

A. School as Agent. The school will serve as an agent for parents/guardians in the collection of information within the school context. The school's use of student information is solely for education purposes.

B. District Applications. The district uses various software applications to record, track, and store student data. Each application selected by the district is in compliance with federal and state law, to the best of the administration's knowledge. Should the district become aware that an application used by the district has suffered a data breach, or been found to be out of compliance with federal or state law, the district will investigate the scope of the violations and notify students, parents, and staff in accordance with district policy.

C. Staff-Selected Applications.

1. Staff are permitted to select applications for use in the classroom.
2. Staff must perform basic due diligence to ensure that the application is safe for students and serves a pedagogical purpose. This policy shall not create a duty on the part of the school district and/or its personnel to administer naloxone. School representatives will not administer naloxone under the following circumstances:

- a. Naloxone is not available during the overdose emergency;
- b. There is no individual available who is qualified to administer naloxone; or
- c. School representatives are uncertain as to whether an opioid overdose is occurring.

Nothing in this policy is intended to regulate, restrict or otherwise deter a law enforcement officer, emergency medical technician, volunteer fire fighter, licensed medical professional or other authorized individual from administering his/her own supply of naloxone when responding in good faith to a suspected drug overdose occurring on school district property or at a school-sponsored event.

Procurement and Storage. The superintendent, in consultation with the school's nursing staff, will make the necessary arrangements to obtain naloxone. The naloxone will be stored unlocked in the nurses' office(s). The superintendent, in consultation with the school's nursing staff, will reorder naloxone.

Leasing Personal Property

I. Leases of Personal Property by the District

A. Applicability of this policy.

Leases of personal property using any federal funds, whether those funds are derived directly from the federal government (e.g. award of a federal grant) or are derived by pass-through awards from the Nebraska Department of Education (e.g. special education funds, school lunch funds, Title I funds) are subject to the policy on Purchasing and Procurement with Federal Funds, which is found elsewhere in this section.

This policy applies to all other leases of personal property made by the school district other than construction, remodeling, repair and site improvements.

B. General Leasing Policy

1. The school district's budget shall be the guide for all leases of personal property. Any leases of personal property must be approved by the board or superintendent.

3. The leasing of equipment and other goods shall be centralized in the administration office under the supervision of the superintendent of schools, who shall be responsible for developing and administering the leasing program of the school district.
4. Leases of personal property or commitments of district funds that are not authorized by this policy will be the responsibility of the person making the commitment.
5. No board member, employee, volunteer, parent-teacher organization, or other individual or entity may use a school district account, its tax identification number, or its tax exemption to make personal leases of any kind or for any reason.

C. Leasing Procedures

1. School personnel must secure the approval of the board or superintendent before entering into a lease for personal property.
2. For lease of more than \$ _____, the district will secure written quotes and/or estimates from a reasonable number of vendors. The district will lease from a responsible vendor with the lowest price unless the board approves the lease from the more expensive vendor.

D. Relations with Vendors

1. The board wishes to maintain good working relations with vendors who lease equipment, goods, and other personal property to the school system. The school shall not extend favoritism to any vendors. Each lease shall be entered into on the basis of quality, price and delivery, with past experiences being a factor if all other considerations are equal.
2. No lease shall be made that violates any conflict of interest policy or law.
3. The board believes in patronizing local businesses. Consequently, when proposals are judged to be equal in terms of quality, price, and/or service, the lease will be awarded to the firm that is located within the district. However, the board will not sacrifice either quality or economy to patronize local businesses.

II. Lease of District-Owned Personal Property to Others

A. Personal Property Valued at No More Than \$ _____

If the Superintendent determines that any personal property that is owned by the school district and has a fair market value of no more than \$ _____ is not needed for school district use, the Superintendent may enter into a lease agreement for a period no longer than the period of time during which such property is not needed for school purposes and in no event longer than _____ days. The Superintendent is authorized to determine the terms and conditions of the lease of this district-owned personal property,

provided however that Superintendent will avoid leasing such personal property at a rate that is significantly lower than the fair market value for comparable rentals of similar personal property. At Superintendent's discretion, Superintendent may require lessors of this district-owned personal property to furnish property and liability insurance covering lessors use of such property.

B. Personal Property Valued in Excess of \$ _____

1. Title IX Coordinator

1.1. **Designation.** The district will designate and authorize at least one employee to coordinate its efforts to comply with its responsibilities under this policy, who will be referred to as the "**Title IX Coordinator.**" The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, of the name or title, office address, electronic mail address, and telephone number of the Title IX Coordinator. Any person may report sex discrimination, including sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or sexual harassment). This report may be made by any means, including but not limited to, in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours).

2. Definitions. As used in this policy, the following terms are defined as follows:

2.1. **Actual knowledge** means notice of sexual harassment or allegations of sexual harassment to any district employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only district employee with actual knowledge is the respondent (as that term is defined below). "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in subsection 1.1 above.

2.2. **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

2.3. **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the district investigate the allegation of sexual harassment. The only district official who is authorized to initiate the Grievance Process for Formal Complaints of Sexual Harassment against a respondent is the Title IX Coordinator (by signing a formal complaint). At the time of filing a formal complaint with the district, a complainant must be participating in or attempting to participate in the district's education program or activity. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information required to be listed for the Title IX Coordinator under subsection 1.1 above, and by any additional method designated by the district. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by electronic mail or through an online portal provided for this purpose by the district) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party under this policy or under 34 C.F.R. part 106, and will comply with the requirements of this policy and 34 C.F.R. part 106, including subsections 5.1.3–5.1.4 and 34 C.F.R. § 106.45(b)(1)(iii).

2.4. **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.

2.5. **Consent** for purposes of this policy means the willingness in fact for conduct to occur. An individual may, as a result of age, incapacity, disability, lack of information, or other circumstances be incapable of providing consent to some or all sexual conduct or activity. Neither verbal nor physical resistance is required to establish that an individual did not consent. District officials will consider the totality of the circumstances in determining whether there was consent for any specific conduct. Consent may be revoked or withdrawn at any time.

2.6. **Sexual harassment** means conduct on the basis of sex that satisfies one or more of the following:

2.6.1. An employee of the district conditioning the provision of an aid, benefit, or service of the district on an individual's participation in unwelcome sexual conduct;

2.6.2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it

effectively denies a person equal access to the district's education program or activity;

2.6.3. **Sexual assault**, as defined in 20 U.S.C. § 1092(f)(6)(A)(v), which means an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation:

2.6.3.1. **Sex Offenses, Forcible**—Any sexual act directed against another person, without the consent of the victim including instances where the victim is incapable of giving consent.

2.6.3.1.1. **Rape**—(Except Statutory Rape) The carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.

2.6.3.1.2. **Sodomy**—Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.6.3.1.3. **Sexual Assault With An Object**—To use an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.6.3.1.4. **Fondling**—The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity

2.6.3.2. **Sex Offenses, Non-forcible**—(Except Prostitution Offenses) Unlawful, non-forcible sexual intercourse.

2.6.3.2.1. **Incest**—Non-Forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law

2.6.3.2.2. **Statutory Rape**—Non-Forcible sexual intercourse with a person who is under the statutory age of consent

2.6.4. **Dating violence**, as defined in 34 U.S.C. § 12291(a)(10), which means violence committed by a person—

2.6.4.1. who is or has been in a social relationship of a romantic or intimate nature with the victim; and

2.6.4.2. where the existence of such a relationship shall be determined based on a consideration of the following factors:

2.6.4.2.1. The length of the relationship.

2.6.4.2.2. The type of relationship.

2.6.4.2.3. The frequency of interaction between the persons involved in the relationship.

2.6.5. **Domestic violence**, as defined in 34 U.S.C. § 12291(a)(8), which includes felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.

2.6.6. **Stalking**, as defined in 34 U.S.C. § 12291(a)(30), which means engaging in a course of conduct directed at a specific person that would cause a reasonable person to—

2.6.6.1. fear for his or her safety or the safety of others; or

2.6.6.2. suffer substantial emotional distress.

2.7. **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the district's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the district's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The district will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the district to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

3. **Discrimination Not Involving Sexual Harassment.**

3.1. **General Prohibition.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by the district.

3.2. **Specific Prohibitions.** Except as provided elsewhere in Title IX, 34 C.F.R. part 106, or this policy, in providing any aid, benefit, or service to a student, the district will not on the basis of sex:

- 3.2.1. Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;
- 3.2.2. Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;
- 3.2.3. Deny any person any such aid, benefit, or service;
- 3.2.4. Subject any person to separate or different rules of behavior, sanctions, or other treatment;
- 3.2.5. Apply any rule concerning the domicile or residence of a student or applicant;
- 3.2.6. Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person which discriminates on the basis of sex in providing any aid, benefit or service to students or employees;
- 3.2.7. Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

3.3. Complaint Procedure. All complaints regarding any alleged discrimination on the basis of sex, including without limitation violations of this policy, 34 C.F.R. part 106, Title IX, Title VII, or other state or federal law—when the alleged discrimination does not arise from or relate to an allegation of sexual harassment as defined in subsection 2.6 above—shall be addressed pursuant to the district’s general complaint procedure, Board Policy 2006 [**NOTE TO BE DELETED:** Update this policy number if your general complaint procedure is numbered differently from 2006].

4. **Response to Sexual Harassment**

4.1. Reporting Sexual Harassment. Any person who witnesses an act of unlawful sexual harassment is encouraged to report it to the District’s Title IX Coordinator. No person will be retaliated against based on any report of suspected sexual harassment or retaliation. Any District employee who receives a report of sexual harassment or has actual knowledge of sexual harassment must convey that information to the Title IX Coordinator as soon as reasonably practicable, but in no case later than the end of the following school day.

4.2. General Response to Sexual Harassment. When the district has actual knowledge of sexual harassment in its education program or activity against a person in the United States, the district will respond promptly in a manner that is not deliberately indifferent. The district will be deemed to be deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For the purposes of this policy "education program or activity" includes locations, events, or circumstances over which the district exercised substantial control over both the respondent and the context in which the sexual harassment occurs. The district's response will treat complainants and respondents equitably by offering supportive measures as defined in subsection 2.7 above to a complainant, and by following the grievance process described in section 5 below before the imposition of any disciplinary sanctions or other actions that are not supportive measures, against a respondent. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

4.3. Emergency Removal. Nothing in this policy precludes the district from removing a respondent from the district's education program or activity on an emergency basis, provided that the district undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. In the event that the district so removes a respondent on an emergency basis, then the district will provide the respondent with notice and an opportunity to challenge the decision immediately following the removal. This provision may not be construed to modify any rights under the Individuals with Disabilities Education Act, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act.

4.4. Administrative Leave. Nothing in this policy precludes the district from placing a non-student employee respondent on administrative leave during the pendency of a grievance process that complies with section 5 below. This provision may not be construed to modify any rights under Section 504 of the Rehabilitation Act of 1973 or the Americans with Disabilities Act.

4.5. **General Response Not Conditioned on Formal Complaint.** With or without a formal complaint, the district will comply with the obligations and procedures described in this section 4.

5. **Grievance Process for Formal Complaints of Sexual Harassment.**

5.1. **General Requirements.**

5.1.1. **Equitable Treatment.** The district will treat complainants and respondents equitably by providing remedies to a complainant where a determination of responsibility for sexual harassment has been made against the respondent, and by following the grievance process described in this section 5 before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent. Remedies will be designed to restore or preserve equal access to the district's education program or activity. Remedies may include the same individualized services described in subsection 2.7 as "supportive measures"; however, remedies need not be non-disciplinary or non-punitive and need not avoid burdening the respondent.

5.1.2. **Objective Evaluation.** This grievance process requires an objective evaluation of all relevant evidence—including both inculpatory and exculpatory evidence. Credibility determinations may not be based on a person's status as a complainant, respondent, or witness.

5.1.3. **Absence of Conflicts of Interest or Bias.** The district will require that any individual designated by a recipient as a Title IX Coordinator, investigator, decision-maker, or any person designated by a recipient to facilitate an informal resolution process, not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

5.1.4. **Training.** The district will ensure that all individuals or entities described in this Training section 5.1.4 receive training as provided below. Any materials used to train these individuals will not rely on sex stereotypes and will promote impartial investigations and adjudications of formal complaints of sexual harassment.

5.1.4.1. **All District Employees and Board Members.** All district employees and board members will be trained on how to identify and report sexual harassment.

5.1.4.2. **Title IX Coordinators, Investigators, Decision-Makers, or Informal Resolution Facilitators.** The district will ensure that Title IX Coordinators, investigators, decision-makers, or any person designated by the district to facilitate an informal resolution process receive training on:

5.1.4.2.1. The definition of sexual harassment in subsection 2.6;

5.1.4.2.2. The scope of the district's education program or activity;

5.1.4.2.3. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable; and

5.1.4.2.4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

5.1.4.3. **Decision-Makers.** The district will ensure that decision-makers receive training on issues of relevance of questions and evidence, including when questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, as set forth in subsection 5.6.

5.1.4.4. **Investigators.** The district will also ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence, as set forth in subsection 5.5.8.

5.1.5. **Presumption.** It is presumed that the respondent is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

- 5.1.6. **Reasonably Prompt Time Frames.** This grievance process shall include reasonably prompt time frames for conclusion of the grievance process, including reasonably prompt time frames for filing and resolving appeals and informal resolution processes if the district offers informal resolution processes. The process shall also allow for the temporary delay of the grievance process or the limited extension of time frames for good cause with written notice to the complainant and the respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities.
- 5.1.7. **Range of Possible Sanctions and Remedies.** Following a determination of responsibility, the district may impose disciplinary sanctions and remedies in conformance with this and the district's student discipline policy, and other state and federal laws. Depending upon the circumstances, these policies provide for disciplinary sanctions and remedies up to and including expulsion.
- 5.1.8. **Range of Supportive Measures.** The range of supportive measures available to complainants and respondents include those listed in subsection 2.7.
- 5.1.9. **Respect for Privileged Information.** The district will not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

5.2. **Notice of Allegations.**

- 5.2.1. **Initial Notice.** Upon receipt of a formal complaint, the district will provide the following written notice to the parties who are known:
- 5.2.1.1. A copy of this policy.
 - 5.2.1.2. Notice of the allegations of sexual harassment potentially constituting sexual harassment as defined in subsection 2.6, including sufficient details known at

the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known. The written notice will include a statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process. The written notice will inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, under subsection 5.5.5, and may inspect and review evidence under subsection 5.5.5. The written notice will inform the parties of any provision in the district's code of conduct that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

- 5.2.2. **Supplemental Notice.** If, in the course of an investigation, the district decides to investigate allegations about the complainant or respondent that are not included in the Initial Notice described above, the district will provide notice of the additional allegations to the parties whose identities are known.

5.3. **Dismissal of Formal Complaint.**

- 5.3.1. The district will investigate the allegations in a formal complaint.
- 5.3.2. **Mandatory Dismissals.** The district **must** dismiss a formal complaint if the conduct alleged in the formal complaint:
 - 5.3.2.1. Would not constitute sexual harassment as defined in subsection 2.6 even if proved;
 - 5.3.2.2. Did not occur in the district's education program or activity; or
 - 5.3.2.3. Did not occur against a person in the United States.

5.3.3. **Discretionary Dismissals.** The district **may** dismiss the formal complaint or any allegations therein, if at any time during the investigation or hearing:

5.3.3.1. The complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein;

5.3.3.2. The respondent is no longer enrolled in or employed by the district; or

5.3.3.3. Specific circumstances prevent the district from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

5.3.4. Upon a dismissal required or permitted pursuant to subsections 5.3.2 or 5.3.3 above, the district will promptly send written notice of the dismissal and an explanation of that action simultaneously to the parties.

5.3.5. Dismissal of a formal complaint under this policy does not preclude the district from taking action under another provision of the district's code of conduct or pursuant to another district policy.

5.4. **Consolidation of Formal Complaints.** The district may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. Where a grievance process involves more than one complainant or more than one respondent, references in this policy to the singular "party," "complainant," or "respondent" include the plural, as applicable.

5.5. **Investigation of Formal Complaint.** When investigating a formal complaint and throughout the grievance process, the district will:

5.5.1. Designate and authorize one or more persons (which need not be district employees) as investigator(s) to conduct the district's investigation of a formal complaint;

5.5.2. Ensure that the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding

responsibility rest on the district and not on the parties provided that the district cannot access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the district obtains that party's voluntary, written consent to do so for a grievance process under this section (if a party is not an "eligible student," as defined in 34 CFR 99.3, then the district will obtain the voluntary, written consent of a "parent," as defined in 34 CFR 99.3);

- 5.5.3. Provide an equal opportunity for the parties to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence;
- 5.5.4. Not restrict the ability of either party to discuss the allegations under investigation or to gather and present relevant evidence;
- 5.5.5. Provide the parties with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for either the complainant or respondent in any meeting or grievance proceeding; however, the district may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties;
- 5.5.6. Provide, to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, with sufficient time for the party to prepare to participate;
- 5.5.7. Provide both parties an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the district

does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation. Prior to completion of the investigative report, the district will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have at least 10 calendar days to submit a written response, which the investigator will consider prior to completion of the investigative report; and

- 5.5.8. Create an investigative report that fairly summarizes relevant evidence and, at least 10 calendar days prior to the time of determination regarding responsibility, send to each party and the party's advisor, if any, the investigative report in an electronic format or a hard copy, for their review and written response.

5.6. Exchange of Written Questions. After the district has sent the investigative report to the parties pursuant to subsection 5.5.8, but before reaching a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decision to exclude a question as not relevant.

5.7. Determination Regarding Responsibility

- 5.7.1. **Decision-Maker(s).** The decision-maker(s) cannot be the same person as the Title IX Coordinator or the investigator(s).
- 5.7.2. **Written Determination.** The decision-maker(s) will issue a written determination regarding responsibility. To reach this determination, the decision-maker(s) will apply the

preponderance of the evidence standard. The written determination will include:

- 5.7.2.1. Identification of the allegations potentially constituting sexual harassment as defined in subsection 2.6;
 - 5.7.2.2. A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
 - 5.7.2.3. Findings of fact supporting the determination;
 - 5.7.2.4. Conclusions regarding the application of the district's code of conduct to the facts;
 - 5.7.2.5. A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the district imposes on the respondent, and whether remedies designed to restore or preserve equal access to the district's education program or activity will be provided by the district to the complainant; and
 - 5.7.2.6. The district's procedures and permissible bases for the complainant and respondent to appeal.
- 5.7.3. The district will provide the written determination to the parties simultaneously. The determination regarding responsibility becomes final either on the date that the district provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.
- 5.7.4. The Title IX Coordinator is responsible for effective implementation of any remedies.

5.8. **Appeals.** The district will offer both parties the opportunity to appeal from a determination regarding responsibility, and from the

district's dismissal of a formal complaint or any allegations therein, on the grounds identified below.

5.8.1. **Time for Appeal.** Appeals may only be initiated by submitting a written Notice of Appeal to the Office of the Superintendent of Schools within ten (10) calendar days [NOTE TO BE DELETED: We recommend 10 calendar days to remain consistent with the other timeframes in the Title IX regulations. However, make sure this timeline is at least as long as any timelines for review or appeal in any general complaint procedure or grievance procedure] of the date of the respective written determination of responsibility or dismissal from which the appeal is taken. The Notice of Appeal must include (a) the name of the party or parties making the appeal, (b) the determination, dismissal, or portion thereof being appealed, and (c) a concise statement of the specific grounds (from subsection 5.8.2 below) upon which the appeal is based. A party's failure to timely submit a Notice of Appeal will be deemed a waiver of the party's right to appeal under this policy, 34 C.F.R. part, 106, and Title IX.

5.8.2. **Grounds for Appeal.** Appeals from a determination regarding responsibility, and from the district's dismissal of a formal complaint or any allegations therein, are limited to the following grounds:

5.8.2.1. Procedural irregularity that affected the outcome of the matter;

5.8.2.2. New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

5.8.2.3. The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

5.8.3. As to all appeals, the district will:

7.1.3. **Human sexuality classes.** Classes or portions of classes that deal primarily with human sexuality may be conducted in separate sessions for boys and girls.

7.1.4. **Choruses.** The district may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

7.2. **Classes and Extracurricular Activities.** The district may provide nonvocational single-sex classes or extracurricular activities as permitted by 34 C.F.R. part 106.

8. **Athletics.** It is the policy of the district that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person or otherwise be discriminated against in any interscholastic, club, or intramural athletics offered by the district, and that the district will not provide any such athletics separately on such basis.

8.1. **Separate Teams.** Notwithstanding the foregoing paragraph, the district may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport.

8.2. **Equal opportunity.** The district will provide equal athletic opportunity for members of both sexes. Unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams will not constitute noncompliance with this section.

9. **Certain Different Treatment on the Basis of Sex Permitted.** Nothing herein shall be construed to prohibit the district from treating persons differently on the basis of sex as permitted by Title IX or 34 C.F.R. part 106. For example, and without limiting the foregoing, the district may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

10. **Retaliation Prohibited.** Neither the district nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, 34 C.F.R. part 106, or this policy, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. The district will keep confidential the identity of any individual who has made a

report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the FERPA statute, 20 U.S.C. § 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder. Complaints alleging retaliation may be filed according to shall be addressed pursuant to Board Policy 2006 (Complaint Procedure).

10.1. Specific Circumstances.

- 10.1.1. The exercise of rights protected under the First Amendment does not constitute retaliation prohibited by this section.
- 10.1.2. Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this part does not constitute retaliation prohibited under this section, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

11. Notification of Policy. The district will notify applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district of the existence of this policy. The requirement to not discriminate, as stated in Title IX and 34 C.F.R. part 106, in the district's education program(s) or activities extends to admission and employment, and inquiries about the application of Title IX and 34 C.F.R. part 106 to the district may be referred to the district's Title IX Coordinator, the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

12. Publication of Policy. The district will prominently display on its website, if any, and in each handbook that it makes available to applicants for admission and employment, students, parents or legal guardians of students, employees, and all unions or professional organizations holding collective bargaining or professional agreements with the district, the name or title, office address, electronic mail address, and telephone number of the employee or employees designated as the Title IX Coordinator(s).

13. **Application Outside the United States.** The requirements of this policy apply only to sex discrimination occurring against a person in the United States.
