Board Policy 6004 defines the distinction between curriculum and materials as follows:

- **Curriculum** is adopted by the Board of Education and refers to the content and standards being taught.
- **Materials** are resources used to support and facilitate instruction of the curriculum.

The purpose of today's discussion is to provide an overview of the process used to develop the recommendation and to gather feedback and questions from the Committee on American Civics.

If the recommendation is approved, the review window will open today. Materials will be available for viewing by contacting Mrs. Angie Richeson prior to the April Board meeting.

This is an informational and discussion item only.
