Dr. Jonas stated that there was one item for the Board's consideration for surplus: the district's older Grasshopper mower. She explained that the plan would be to dispose of the mower via auction, and that the district would contact an auction service to arrange for its inclusion in an upcoming sale.

Dr. Jonas noted that efforts were made to keep the mower operational over the summer. Rick, with assistance from Mr. Koehler, attempted several repairs; however, the mower required ongoing maintenance throughout the season. Due to its continued mechanical issues, Rick requested that the mower be surplused, and expressed his appreciation for the Board's consideration.

Mr. Fornoff asked if there were any questions from the Board. Mr. Dalrymple inquired whether the district had recently acquired a new Grasshopper mower. Dr. Jonas confirmed that a newer model was purchased last summer, and that the one being considered for surplus is the older of the two.

4.3. Discuss and consider approval of Board Resolution 9-25-1 to designate Flatwater Bank and Dayspring Bank as official depositories for district funds.

Motion to adopt Board Resolution 9-25-1 to designate Flatwater Bank and Dayspring Bank as official depositories for district funds Passed with a motion by Lisa Brass and a second by Matt Dalrymple.

Becky Jobman: Abstain (With Conflict)
Lisa Brass: Yea
Matt Dalrymple: Yea
Kyle Fornoff: Yea
Ryan Sukraw: Yea
Kelly Terrell: Yea

Dr. Jonas confirmed that, as this is a resolution, it would be read into the record. She noted that a Conflict of Interest Statement had been submitted by Mrs. Jobman, and as such, she would abstain from voting on this resolution.

Dr. Jonas then read the resolution as follows:

"Be it resolved that the official depositories of school funds for this school district are hereby designated to be Dayspring Bank and Flatwater Bank. Furthermore, the designation of any other institutions as depositories of school funds is hereby withdrawn."

She stated that once the Board has completed its discussion and vote, the resolution would be marked as read in its entirety.

The resolution, having been read and presented, was consented to and approved by a majority of the Board members. This action formally designates Dayspring Bank and Flatwater Bank as the sole official depositories for district funds.

Mr. Fornoff asked if there were any questions from the Board and noted that this has historically been the district's standard practice. No questions were raised.

Signed Official Depositories Resolution

4.4. Discuss and consider a resolution on school district standards for acceptance or rejection of option enrollment applications for the 2026-2027 school year.

Motion to approve the option enrollment resolution as presented Passed with a motion by Becky Jobman and a second by Kelly Terrell.

Lisa Brass: Yea
Matt Dalrymple: Yea
Kyle Fornoff: Yea
Becky Jobman: Yea
Ryan Sukraw: Yea
Kelly Terrell: Yea

Dr. Jonas stated that, per legislation passed two years ago, school districts are now required to establish option enrollment capacity standards one year in advance of the school year to which they apply. She noted that the standards for the current school year (2025-2026) were adopted at this time last year, and the discussion now pertains to the 2026-2027 school year.

Dr. Jonas confirmed that there are no changes to the existing standards. The district's **numeric capacity** remains set at **70 students per grade level**, kindergarten through 12th grade.

Regarding **programmatic capacity**, Dr. Jonas explained that decisions will continue to defer to the Special Education Director, as required by state statute.

She also reviewed the district's **standards for denial of option enrollment applications**, which state that the district will not accept an option student if any of the following conditions apply:

- The enrollment would increase operating costs for the district, such as requiring the hiring of additional staff or contracting with outside entities.
- The enrollment would necessitate the procurement of new equipment, technology, or furnishings.
- The enrollment would require the rearrangement of existing staff caseloads.

- The student is reasonably deemed by appropriate staff to pose a potential risk to the health or safety of students or staff.
- The enrollment may adversely affect the quality of educational services provided to resident students, as determined by appropriate staff.

Mr. Fornoff asked if there were any questions for Dr. Jonas. No questions were raised.

Signed Option Enrollment Resolution

4.5. Discuss and consider approval of membership with STANCE for the 2025-2026 school year.

Motion to approve membership with STANCE for the 2025-2026 school year Passed with a motion by Lisa Brass and a second by Kelly Terrell.

Dr. Jonas confirmed that District 20 has been a member of STANCE (Schools Taking Action for Nebraska Children's Education) since the organization's inception. She noted that Dr. Teahon was one of the founding members. The mission of STANCE is to address legislative issues from the perspective of school superintendents rather than lobbyists.

Dr. Jonas shared that STANCE has been a highly effective organization, both in terms of her professional involvement and in its broader impact engaging with state legislators. The group frequently serves as a reference point for other organizations when evaluating their positions on proposed legislation.

She explained that STANCE membership is particularly valuable because it consists of superintendents from districts similar in size to District 20—some slightly larger, others slightly smaller. This creates a productive "think tank" environment. Participation does involve occasional travel to Lincoln, particularly during the legislative session, where Dr. Jonas attends approximately every other week. She emphasized that the group provides meaningful opportunities to advocate for public education and to build relationships that prove beneficial in addressing various district matters throughout the year.

Mr. Fornoff inquired about the number of participating districts. Dr. Jonas estimated that there are approximately 13 member districts, though she would need to consult the official roster to confirm that figure.

She also confirmed that the cost of membership is relatively low. However, because it is a district membership, it is brought before the Board for approval in the interest of transparency.

Mr. Fornoff asked if there were any further questions. None were raised.

4.6. Discuss and consider approval of payment to Joseph Hewgley & Associates.

Motion to approve payment to Joseph R. Hewgley & Associates in the amount of \$98,990 from the depreciation fund as presented. Passed with a motion by Matt Dalrymple and a second by Ryan Sukraw.

Dr. Jonas reported that Joseph Hewgley & Associates, the full-service architectural firm the district has worked with over the past several years, is approaching the conclusion of its contractual engagement with the district. She and Jesse met with Joseph and Ryan from the firm the previous Friday to discuss the process for closing out ongoing projects and bringing the overall partnership to a close by December.

Phase 2 / Area B - Elementary School Renovation

Dr. Jonas explained that "Phase 2" (referred to internally as Area B) pertains to the elementary building renovation completed during the summer prior to last. The total project management fee for this phase was \$60,000. The payment currently proposed is \$57,000, which represents 95% of the total fee, corresponding to the portion of the project completed to date.

While the majority of work has been finalized, Dr. Jonas noted that there are still some HVAC-related issues being addressed. Although there is now a clear resolution plan in place, the district has opted to retain the remaining 5% of the project fee until it is fully satisfied with the outcome.

To provide context, she shared that roughly six months ago, Jesse was receiving approximately 200 HVAC error notifications per week, requiring continual troubleshooting and resets. Following a rewiring effort by the contractor this past July, the number of weekly notifications has decreased significantly to 2 to 4 per week. Despite the improvement, Dr. Jonas emphasized the importance of reaching either a complete resolution or full understanding of the root issue before releasing the final payment.

Phase 3 / Areas C & D - Preliminary Design Work

Dr. Jonas also discussed Phase 3, encompassing Areas C and D, which include the CTE hallway, the high school main entrance, and the academic wing. The district engaged Joseph Hewgley & Associates for preliminary design work related to the development of a secure entryway, including conceptual drawings and a preliminary cost estimate. Additional work included construction documents for a few smaller projects in that area, which were ultimately deferred.

The total invoice for services rendered in Phase 3 is \$41,990. Dr. Jonas confirmed that this amount reflects all design services completed to date. Joseph Hewgley & Associates has verified that, aside from the 5% retainage on Phase 2 (Area B), this payment will fulfill all outstanding obligations.

Mr. Fornoff asked if any members of the Facilities Committee had additional comments. Mr. Dalrymple expressed appreciation for the administration's diligence, thanking Dr. Jonas and staff for "watching the numbers" and "holding their feet to the fire" to ensure accountability and satisfactory resolution.

4.7. Discuss and consider approval of band uniform purchase.

Motion to approve the band uniform purchase as presented Passed with a motion by Becky Jobman and a second by Lisa Brass.

Dr. Jonas informed the Board that the district's current band uniforms are over 20 years old and have far exceeded their intended lifespan. While replacement discussions began last spring, the finalization of the design and ordering process took additional time to complete.

The original project estimate was \$120,000, but Dr. Jonas noted that the scope has been significantly scaled back. The reduction was achieved by minimizing the number of extra uniforms ordered, with a guarantee from the vendor that additional uniforms in matching styles and sizes can be manufactured in the future as needed. She identified this as a key improvement in both cost-efficiency and sustainability.

The proposed purchase includes:

- 60 full uniforms, complete with all necessary components
- An updated band banner
- Total cost: \$56,777.33

Because the purchase exceeds the district's \$40,000 policy threshold, it is presented for Board approval.

Dr. Jonas expressed enthusiasm about the updated design, noting that renderings of the uniforms look excellent. While she deferred to the music staff on the technical components of the uniform, she shared excitement about the visual upgrade and the opportunity to modernize after two decades. She acknowledged that while the uniforms likely won't arrive in time for the current marching band season, Mr. Johnson is exploring other opportunities for students to showcase the new look—possibly at events like Dudley Drumlines for state competitions where students frequently participate.

In response to a question from Mr. Fornoff regarding delivery timelines, Dr. Jonas confirmed that the company indicated a 60-day production window, following student measurements and final specifications.

Mr. Dalrymple asked whether the band would wear the new uniforms during halftime performances at football games, as they had in the past. Dr. Jonas confirmed that this has been discussed with Mr. Johnson and could be a possibility in the future.

Mrs. Brass expressed appreciation for the administration's diligence in managing the project and acknowledged that while 20 years is a long time for any uniform, the investment makes more sense when considered over such a long lifespan. She also commended the band program's fundraising efforts in support of the purchase.

Mr. Fornoff echoed those sentiments, offering a shout-out to Mr. Johnson and sharing that he has heard consistently positive feedback about the music and band program. He recognized the strong momentum and leadership being shown within that department.

5. Policy & Procedure

5.1. Recognize the Gothenburg Education Association as the exclusive bargaining agent for certificated teachers for 2025-2026.

Dr. Jonas confirmed that the item pertains to the 2026-2027 school year not the 2025-2026 school year.

Mr. Fornoff noted that the Gothenburg Education Association was officially certified as the exclusive collective bargaining agent for Gothenburg Public Schools by the Nebraska Commission of Industrial Relations on February 8, 2016. He clarified that this agenda item is strictly procedural, serving as formal recognition ahead of the upcoming negotiations.

The district's initial bargaining meeting is scheduled for next month. Mr. Fornoff acknowledged the presence of Mrs. Meisinger, a member of the negotiation team, and commented that the Board looks forward to those early-morning sessions.

Mr. Fornoff asked if there were any questions from the Board. No questions were raised, and the meeting moved on with no action taken.

5.2. Annual review of Policy 2016 - Participation in Insurance Program by Board Members

Dr. Jonas stated that the district is required to annually review its policy regarding Board of Education members' participation in the district's health and life insurance plans. She explained that Board members may choose to participate in these insurance programs, which are offered to district employees.

Dr. Jonas clarified that any Board member electing to participate must pay both the employee and employer portions of the insurance premiums directly to the district, in advance of any payments being made to the insurance carrier.

She noted that currently, no Board members participate in this insurance program. Therefore, as this is an annual review, no action is required at this time.

Mr. Fornoff asked if there were any questions from the Board. There were none, and the meeting proceeded with no action taken.

6. Reports

Mrs. Jobman shared that the committee recently held a budget workshop last month, with the final budget scheduled for adoption at the end of this month. Mrs. Josie Floyd, Elementary Principal

Parent-Teacher Conferences: Parent/Teacher Conferences are scheduled for Thursday, October 23rd, from 7:00 a.m. to 7:00 p.m. Families of K-6th grade students will receive a letter with a designated time for either an in-person or Zoom conference. These conferences are a valuable opportunity for teachers to build positive relationships with parents, share early learning insights from the first months of school, and discuss goals for the school year. Additionally, we will be using this time to communicate Individual Reading Improvement Plans for Kindergarten-3rd grade students, as required by the Reading Improvement Act (LB1081), enacted in 2018 and implemented in 2019-2020. Mrs. Butterfield and the K-3 teachers have dedicated considerable effort to creating these plans, which is both commendable and greatly appreciated. Students in 1st-3rd grades were assessed using DIBELS 8th edition from August 19-22, while Kindergarten students will be assessed during the week of October 7-10 to determine eligibility for a Reading Improvement Plan.

The Swede Way: The Dudley staff has done an outstanding job of teaching school-wide and classroom expectations in these first few weeks. Students are being celebrated for following the Swede Shield through Positive Office Calls, Swede Way Tickets, and our weekly Super Swedes recognition. Our goal is to highlight students who embody "The Swede Way" by being Safe, Kind, Respectful, and Responsible. So far, over 3,000 Swede Way tickets have been distributed to students, 40+ positive calls home have been made to families, and 22 students were identified as Super Swedes!

The Swede Way Pledge:

Check out our new Dudley Elementary Swede Pledge which was created by a team who attended Restorative Practice training this summer. Thank you to: Mrs. Bartels, Mrs. Stienike, Mrs. Waddle, Mr. Hamilton, Mrs. Baker, and Mrs. Rubenthaler! Our Dudley students say it in their classrooms every day to begin their day THE SWEDE WAY!

Swede Branch Flatwater Bank: We are excited to kick off the third year of our Swede Branch Flatwater Bank! On August 27th, our 6th grade students attended an assembly where they were introduced to the role of a bank teller and the application process. Those interested in becoming tellers submitted their applications by September 8th, followed by interviews on September 12th. Be sure to mark your calendar for our grand opening on October 8th! We're thrilled to continue offering this valuable opportunity for students to develop financial literacy and start saving for their future.

Administrator Report

Meeting: Sept Board Meeting

Date: 9/8/25

Mrs. Maggie Tiller - Director of Teaching and Learning

Curriculum & Instruction:

- Review and Adoption Timeline (always keep)
 - 2025-2026 - ELA (English Language Arts)
 - 2026-2027 - Science materials review and adoption
 - 2027-2028 - Social Studies materials review and adoption
- Spanish Materials
 - We have 2 in-person Spanish teachers for the 25-26 school year and we purchased Senderos from Vista Higher Learning for them to use
- Constitution Day Education (Policy 6032)
 - Constitution Day is an American federal observance that recognizes the adoption of the United States Constitution and those who have become U.S. citizens. It is observed on September 17, the day in 1787 that delegates to the Constitutional Convention signed the document in Philadelphia. During the week of September 17th, Gothenburg Public Schools will engage K-12th grade students in learning opportunities and activities that highlight the historic and continuing importance of the United States Constitution.

Assessment:

- MAP Growth Assessments are being finished up next week. The fall assessment provides detailed and actionable data about where a student is on his / her unique learning path and helps teachers make important decisions about instruction.
- DIBELS (Dynamic Indicators of Basic Early Literacy Skills) - grades 1-6 have completed this diagnostic assessment that staff use to analyze phonetic and reading needs in order to provide support to students.

Professional Development:

- Our collaborative teams have been reflecting on the practices of a Professional Learning Community (or PLC) so that they can design a SMART goal to guide their team's work this year. These goals also align with our Continuous Improvement Priorities.
- On Sept 19, our math teachers will engage in more professional development with the new math materials to continue to grow in their use of them.
- The other teachers will participate in other professional development sessions on Sept 19 to improve practices within their classrooms. More about that next month.

Mentor / Mentee Program:

- Mentees and Mentors:
 - In September, the focus is on communicating learning goals, using grading scales or rubrics to monitor progress, holding high expectations for learners, and how to encourage reluctant learners. This month all new staff have an opportunity to go watch their mentor teachers in action.
 - I have had an opportunity to meet with each new staff member to reflect on the first weeks of school. While it is an adjustment being new to our district, they have all expressed enthusiasm and excitement about being a Swede.

Continuous Improvement (CI):

- Work day at ESU 10 on Sept 4 to learn about how to prepare for our external visit next year. Mrs. Feather, Mrs. Butterfield, Mrs. McKenna and myself drafted a plan for our steering team to use for those preparations.

Strategic Plan - Strategy 3: We will collaborate with all stakeholders to maximize student growth

- 3.3 - Implement innovative and effective communication practices (Operational Phase)
 - Miss Jacobsen created a “Who Ya Gonna Call?” guide for both buildings to communicate how stakeholders can reach out about various topics.

Budget

Gothenburg Public Schools will receive \$179,619 less in State Aid than it did in 2024-2025. Our employment package increased our expenses by \$459,946. Inclusive of these two items, our needs have increased by \$896,640 which will be reflected in our tax request increase.

Total Property Tax Reduced as a result of increased SPED & Foundation Aid is approximately \$1,800,000.

The changes made in the past two years by legislature are incredibly beneficial for our taxpayers. Instead of having to raise property taxes by \$1,800,000 we are able to use the adjusted revenue from the state rather than taxing our patrons.

Additionally, the legislature passed a property tax credit of 30% that is reflected on tax statements.

Overall Levy: ↓\$0.025

Overall Tax Asking: \$11,289,858

Total Property Tax Reduced as a result of increased SPED & Foundation Aid: **\$1,800,000**

Frequently Asked Questions:

How does the Department of Education ensure students in an exempt school (homeschool) are making academic progress?

The NDE's role is limited to ensuring the exemption paperwork is complete. Once approved, there is no ongoing oversight or accountability for curriculum, assessments, or student performance.

My child has been homeschooled for the past two years. If we re-enroll, can they take the same classes as their peers?

Placement depends on the documentation provided. Ideally, a homeschool program will share a transcript that outlines the courses completed and grades earned. If a transcript is not available, the school will work with you and your child to determine the most appropriate placement. At the high school level, this may mean that a student's schedule does not fully align with their age-based cohort. For example, a 16-year-old may be enrolled in a course or several courses that are typically taken by freshmen if no documentation is available.

Meeting: October Board Meeting

Date: 10/13/25 @ 6:00 p.m.

Mrs. Josie Floyd, Elementary Principal

Parent-Teacher Conferences: K-6th conferences have been scheduled with parents/guardians and will be held on October 23rd from 7:00 a.m.-7:00 p.m. All teachers will facilitate their conferences within their classroom due to all teachers teaching reading and math this year.

Kindergarten DIBELS:

The DIBELS assessment was administered to all kindergarten students on 10/8/25 as our screener for the Reading Improvement Act (LB1081). This was within the 45 calendar day window that is allowed for kindergarten. Teachers will meet with Mrs. Butterfield and myself to review the data and write Individual Reading Improvement Plans for students who do not meet the Fall threshold. Teachers will be communicating the plans with parents during P/T conferences. Our goal is to work together to help all students achieve their grade level benchmark by the end of the year.

Swede Branch Flatwater Bank: (Strategy 2)

Our 14 new student tellers have had three training sessions and are excited and ready for business. The bank OPENING DAY is October 15th and we are anticipating many visitors! The bank will be open for deposits every Wednesday (unless noted) from 7:40-8:05 in the Dudley Gym.

Positive Office Referrals:

Over 50 Positive Office Referrals have been submitted at this time. Additionally, over 9,000 Swede Tickets were handed out to students during the 1st quarter (41 days) to recognize students for following the SWEDE SHIELD. Tickets can be distributed by any GPS staff member (teachers, custodians, paras, counselors, administration). Our first quarter assembly is scheduled for Friday, October 17th @ 2:30 at the Football Stadium!

Super Swedes:

Each Friday, teachers are randomly selecting a student from every classroom as their Super Swede. Students must not have any negative office referrals and should be carrying themselves (The Swede Way) by being SAFE, KIND, RESPECTFUL, & RESPONSIBLE. Students receive a certificate, locker/cubby postcard, have a grade level photo taken, and are recognized on the Monday morning announcements. As of 10/10/25, we have recognized 110 students as Super Swedes!

Math Olympiad:

Dudley Elementary is offering a new after school opportunity for our students in 5th and 6th grades who excel in the area of math based on their NWEA MAP Spring and/or Fall scores in addition to teacher recommendations. We had 33 students qualify for the program and 27 have elected to participate. Ms. Klumpe will be sponsoring the program one day a week, after school, from 3:30-4:30. The "mathletes" will have 5 online contests throughout the school year with the first competition being November 13th and the final one landing between March 2nd-23rd. We are looking forward to seeing our students grow in the area of math through the program goals:

- To stimulate enthusiasm and a love for mathematics
- To introduce mathematical concepts
- To teach strategies for problem solving

- To develop mathematical flexibility
- To strengthen mathematical intuition
- To foster mathematical creativity and ingenuity
- To provide the satisfaction, joy and thrill of solving challenges
- To develop an appreciation of mathematics

- A. Education Pathway, Mechatronics
 - a. Education Pathway provides a path for both future teachers and para professionals. Classes would be taken remotely.
- B. Mechatronics
 - a. ***a multidisciplinary field that integrates mechanical engineering, electrical engineering, control systems, and computer science to design and develop modern products and systems***
 - b. Distance learning platform with a certified facilitator (GPS teacher)
 - i. Certified through 4 summer courses

II. ISPS program

- A. Mrs. Massin and Mrs. Rubenthaler
 - a. Increasing number of students who are provided with support
 - b. Meet with parents, teachers, students

III. Spanish

At our 9/8 Dr. Z Day - I asked students to provide feedback via a quick Google Form that mirrored the GForm I sent out to you all. The Form included two questions addressing each construct (Efficacy, Enjoyment, Motivation, and Task Value) which allowed students and staff the ability to Strongly Agree (4), Agree (3), Disagree (2), or Strongly Disagree (1). The Form also included one open-ended question asking: If you could change 1 thing about class, what would it be?

This year's results are the highest recorded for a Fall Data collection in the 8 years I have been Coordinator! We are off to a GREAT start.

Students and Staff agree:

- Students are successful at learning in class (Efficacy)
- Students enjoy our class (Enjoyment)
- Students want to learn (Motivation)
- Students feel learning another language is important (Task Value)

I read through each of the students' open-ended responses to code them so that we can see frequency of response codes. The top three student responses to what they would change about class include:

- Nothing
- More Visits
- More Games

ESU 5 takes the Continuous Improvement Process seriously. Our Staff has filtered the results to the specific districts they serve to identify strengths and areas of improvement.

If you have any questions about your District Data - please let me know.

Budget Update

Our budget packet was submitted in accordance with the Auditor's guidelines and can now be accessed online or [here](#).

Financial Audit

The financial audit was completed September 22nd-24th. A final report will be available at the November board meeting. This was the first audit since I've been here that did not include a single audit (completed when we receive more than \$750,000 in federal funds) and I was amazed at how streamlined this process is. Unfortunately, our auditor has informed us that they are getting out of the school audit business. We will be opening up an RFP process soon to find a new firm to work with.

Dr. Jonas stated that there was one item for the Board's consideration for surplus: the district's older Grasshopper mower. She explained that the plan would be to dispose of the mower via auction, and that the district would contact an auction service to arrange for its inclusion in an upcoming sale.

Dr. Jonas noted that efforts were made to keep the mower operational over the summer. Rick, with assistance from Mr. Koehler, attempted several repairs; however, the mower required ongoing maintenance throughout the season. Due to its continued mechanical issues, Rick requested that the mower be surplus, and expressed his appreciation for the Board's consideration.

Mr. Fornoff asked if there were any questions from the Board. Mr. Dalrymple inquired whether the district had recently acquired a new Grasshopper mower. Dr. Jonas confirmed that a newer model was purchased last summer, and that the one being considered for surplus is the older of the two.

4.3. Discuss and consider approval of Board Resolution 9-25-1 to designate Flatwater Bank and Dayspring Bank as official depositories for district funds.

Motion to adopt Board Resolution 9-25-1 to designate Flatwater Bank and Dayspring Bank as official depositories for district funds Passed with a motion by Lisa Brass and a second by Matt Dalrymple.

Becky Jobman: Abstain (With Conflict)
Lisa Brass: Yea
Matt Dalrymple: Yea
Kyle Fornoff: Yea
Ryan Sukraw: Yea
Kelly Terrell: Yea

Dr. Jonas confirmed that, as this is a resolution, it would be read into the record. She noted that a Conflict of Interest Statement had been submitted by Mrs. Jobman, and as such, she would abstain from voting on this resolution.

Dr. Jonas then read the resolution as follows:

"Be it resolved that the official depositories of school funds for this school district are hereby designated to be Dayspring Bank and Flatwater Bank. Furthermore, the designation of any other institutions as depositories of school funds is hereby withdrawn."

She stated that once the Board has completed its discussion and vote, the resolution would be marked as read in its entirety.

The resolution, having been read and presented, was consented to and approved by a majority of the Board members. This action formally designates Dayspring Bank and Flatwater Bank as the sole official depositories for district funds.

Mr. Fornoff asked if there were any questions from the Board and noted that this has historically been the district's standard practice. No questions were raised.

Signed Official Depositories Resolution

4.4. Discuss and consider a resolution on school district standards for acceptance or rejection of option enrollment applications for the 2026-2027 school year.

Motion to approve the option enrollment resolution as presented Passed with a motion by Becky Jobman and a second by Kelly Terrell.

Lisa Brass: Yea
Matt Dalrymple: Yea
Kyle Fornoff: Yea
Becky Jobman: Yea
Ryan Sukraw: Yea
Kelly Terrell: Yea

Dr. Jonas stated that, per legislation passed two years ago, school districts are now required to establish option enrollment capacity standards one year in advance of the school year to which they apply. She noted that the standards for the current school year (2025-2026) were adopted at this time last year, and the discussion now pertains to the 2026-2027 school year.

Dr. Jonas confirmed that there are no changes to the existing standards. The district's **numeric capacity** remains set at **70 students per grade level**, kindergarten through 12th grade.

Regarding **programmatic capacity**, Dr. Jonas explained that decisions will continue to defer to the Special Education Director, as required by state statute.

She also reviewed the district's **standards for denial of option enrollment applications**, which state that the district will not accept an option student if any of the following conditions apply:

- The enrollment would increase operating costs for the district, such as requiring the hiring of additional staff or contracting with outside entities.
- The enrollment would necessitate the procurement of new equipment, technology, or furnishings.
- The enrollment would require the rearrangement of existing staff caseloads.

- The student is reasonably deemed by appropriate staff to pose a potential risk to the health or safety of students or staff.
- The enrollment may adversely affect the quality of educational services provided to resident students, as determined by appropriate staff.

Mr. Fornoff asked if there were any questions for Dr. Jonas. No questions were raised.

Signed Option Enrollment Resolution

4.5. Discuss and consider approval of membership with STANCE for the 2025-2026 school year.

Motion to approve membership with STANCE for the 2025-2026 school year Passed with a motion by Lisa Brass and a second by Kelly Terrell.

Lisa Brass: Yea
Matt Dalrymple: Yea
Kyle Fornoff: Yea
Becky Jobman: Yea
Ryan Sukraw: Yea
Kelly Terrell: Yea

Dr. Jonas confirmed that District 20 has been a member of STANCE (Schools Taking Action for Nebraska Children's Education) since the organization's inception. She noted that Dr. Teahon was one of the founding members. The mission of STANCE is to address legislative issues from the perspective of school superintendents rather than lobbyists.

Dr. Jonas shared that STANCE has been a highly effective organization, both in terms of her professional involvement and in its broader impact engaging with state legislators. The group frequently serves as a reference point for other organizations when evaluating their positions on proposed legislation.

She explained that STANCE membership is particularly valuable because it consists of superintendents from districts similar in size to District 20—some slightly larger, others slightly smaller. This creates a productive "think tank" environment. Participation does involve occasional travel to Lincoln, particularly during the legislative session, where Dr. Jonas attends approximately every other week. She emphasized that the group provides meaningful opportunities to advocate for public education and to build relationships that prove beneficial in addressing various district matters throughout the year.

Mr. Fornoff inquired about the number of participating districts. Dr. Jonas estimated that there are approximately 13 member districts, though she would need to consult the official roster to confirm that figure.

She also confirmed that the cost of membership is relatively low. However, because it is a district membership, it is brought before the Board for approval in the interest of transparency.

Mr. Fornoff asked if there were any further questions. None were raised.

4.6. Discuss and consider approval of payment to Joseph Hewgley & Associates.

Motion to approve payment to Joseph R. Hewgley & Associates in the amount of \$98,990 from the depreciation fund as presented. Passed with a motion by Matt Dalrymple and a second by Ryan Sukraw.

Lisa Brass:	Yea
Matt Dalrymple:	Yea
Kyle Fornoff:	Yea
Becky Jobman:	Yea
Ryan Sukraw:	Yea
Kelly Terrell:	Yea

Dr. Jonas reported that Joseph Hewgley & Associates, the full-service architectural firm the district has worked with over the past several years, is approaching the conclusion of its contractual engagement with the district. She and Jesse met with Joseph and Ryan from the firm the previous Friday to discuss the process for closing out ongoing projects and bringing the overall partnership to a close by December.

Phase 2 / Area B - Elementary School Renovation

Dr. Jonas explained that "Phase 2" (referred to internally as Area B) pertains to the elementary building renovation completed during the summer prior to last. The total project management fee for this phase was \$60,000. The payment currently proposed is \$57,000, which represents 95% of the total fee, corresponding to the portion of the project completed to date.

While the majority of work has been finalized, Dr. Jonas noted that there are still some HVAC-related issues being addressed. Although there is now a clear resolution plan in place, the district has opted to retain the remaining 5% of the project fee until it is fully satisfied with the outcome.

To provide context, she shared that roughly six months ago, Jesse was receiving approximately 200 HVAC error notifications per week, requiring continual troubleshooting and resets. Following a rewiring effort by the contractor this past July, the number of weekly notifications has decreased significantly to 2 to 4 per week. Despite the improvement, Dr. Jonas emphasized the importance of reaching either a complete resolution or full understanding of the root issue before releasing the final payment.

Phase 3 / Areas C & D - Preliminary Design Work

Dr. Jonas also discussed Phase 3, encompassing Areas C and D, which include the CTE hallway, the high school main entrance, and the academic wing. The district engaged Joseph Hewgley & Associates for preliminary design work related to the development of a secure entryway, including conceptual drawings and a preliminary cost estimate. Additional work included construction documents for a few smaller projects in that area, which were ultimately deferred.

The total invoice for services rendered in Phase 3 is \$41,990. Dr. Jonas confirmed that this amount reflects all design services completed to date. Joseph Hewgley & Associates has verified that, aside from the 5% retainage on Phase 2 (Area B), this payment will fulfill all outstanding obligations.

Mr. Fornoff asked if any members of the Facilities Committee had additional comments. Mr. Dalrymple expressed appreciation for the administration's diligence, thanking Dr. Jonas and staff for "watching the numbers" and "holding their feet to the fire" to ensure accountability and satisfactory resolution.

4.7. Discuss and consider approval of band uniform purchase.

Motion to approve the band uniform purchase as presented Passed with a motion by Becky Jobman and a second by Lisa Brass.

Dr. Jonas informed the Board that the district's current band uniforms are over 20 years old and have far exceeded their intended lifespan. While replacement discussions began last spring, the finalization of the design and ordering process took additional time to complete.

The original project estimate was \$120,000, but Dr. Jonas noted that the scope has been significantly scaled back. The reduction was achieved by minimizing the number of extra uniforms ordered, with a guarantee from the vendor that additional uniforms in matching styles and sizes can be manufactured in the future as needed. She identified this as a key improvement in both cost-efficiency and sustainability.

The proposed purchase includes:

- 60 full uniforms, complete with all necessary components
- An updated band banner
- Total cost: \$56,777.33

Because the purchase exceeds the district's \$40,000 policy threshold, it is presented for Board approval.

Dr. Jonas expressed enthusiasm about the updated design, noting that renderings of the uniforms look excellent. While she deferred to the music staff on the technical components of the uniform, she shared excitement about the visual upgrade and the opportunity to modernize after two decades. She acknowledged that while the uniforms likely won't arrive in time for the current marching band season, Mr. Johnson is exploring other opportunities for students to showcase the new look—possibly at events like Dudley Drumlines for state competitions where students frequently participate.

In response to a question from Mr. Fornoff regarding delivery timelines, Dr. Jonas confirmed that the company indicated a 60-day production window, following student measurements and final specifications.

Mr. Dalrymple asked whether the band would wear the new uniforms during halftime performances at football games, as they had in the past. Dr. Jonas confirmed that this has been discussed with Mr. Johnson and could be a possibility in the future.

Mrs. Brass expressed appreciation for the administration's diligence in managing the project and acknowledged that while 20 years is a long time for any uniform, the investment makes more sense when considered over such a long lifespan. She also commended the band program's fundraising efforts in support of the purchase.

Mr. Fornoff echoed those sentiments, offering a shout-out to Mr. Johnson and sharing that he has heard consistently positive feedback about the music and band program. He recognized the strong momentum and leadership being shown within that department.

5. Policy & Procedure

5.1. Recognize the Gothenburg Education Association as the exclusive bargaining agent for certificated teachers for 2025-2026.

Dr. Jonas confirmed that the item pertains to the 2026-2027 school year not the 2025-2026 school year.

Mr. Fornoff noted that the Gothenburg Education Association was officially certified as the exclusive collective bargaining agent for Gothenburg Public Schools by the Nebraska Commission of Industrial Relations on February 8, 2016. He clarified that this agenda item is strictly procedural, serving as formal recognition ahead of the upcoming negotiations.

The district's initial bargaining meeting is scheduled for next month. Mr. Fornoff acknowledged the presence of Mrs. Meisinger, a member of the negotiation team, and commented that the Board looks forward to those early-morning sessions.

Mr. Fornoff asked if there were any questions from the Board. No questions were raised, and the meeting moved on with no action taken.

5.2. Annual review of Policy 2016 - Participation in Insurance Program by Board Members

Dr. Jonas stated that the district is required to annually review its policy regarding Board of Education members' participation in the district's health and life insurance plans. She explained that Board members may choose to participate in these insurance programs, which are offered to district employees.

Dr. Jonas clarified that any Board member electing to participate must pay both the employee and employer portions of the insurance premiums directly to the district, in advance of any payments being made to the insurance carrier.

She noted that currently, no Board members participate in this insurance program. Therefore, as this is an annual review, no action is required at this time.

Mr. Fornoff asked if there were any questions from the Board. There were none, and the meeting proceeded with no action taken.

Mrs. Josie Floyd, Elementary Principal

Parent-Teacher Conferences: Parent/Teacher Conferences are scheduled for Thursday, October 23rd, from 7:00 a.m. to 7:00 p.m. Families of K-6th grade students will receive a letter with a designated time for either an in-person or Zoom conference. These conferences are a valuable opportunity for teachers to build positive relationships with parents, share early learning insights from the first months of school, and discuss goals for the school year. Additionally, we will be using this time to communicate Individual Reading Improvement Plans for Kindergarten-3rd grade students, as required by the Reading Improvement Act (LB1081), enacted in 2018 and implemented in 2019-2020. Mrs. Butterfield and the K-3 teachers have dedicated considerable effort to creating these plans, which is both commendable and greatly appreciated. Students in 1st-3rd grades were assessed using DIBELS 8th edition from August 19-22, while Kindergarten students will be assessed during the week of October 7-10 to determine eligibility for a Reading Improvement Plan.

The Swede Way: The Dudley staff has done an outstanding job of teaching school-wide and classroom expectations in these first few weeks. Students are being celebrated for following the Swede Shield through Positive Office Calls, Swede Way Tickets, and our weekly Super Swedes recognition. Our goal is to highlight students who embody "The Swede Way" by being Safe, Kind, Respectful, and Responsible. So far, over 3,000 Swede Way tickets have been distributed to students, 40+ positive calls home have been made to families, and 22 students were identified as Super Swedes!

The Swede Way Pledge:

Check out our new Dudley Elementary Swede Pledge which was created by a team who attended Restorative Practice training this summer. Thank you to: Mrs. Bartels, Mrs. Stienike, Mrs. Waddle, Mr. Hamilton, Mrs. Baker, and Mrs. Rubenthaler! Our Dudley students say it in their classrooms every day to begin their day THE SWEDE WAY!

Swede Branch Flatwater Bank: We are excited to kick off the third year of our Swede Branch Flatwater Bank! On August 27th, our 6th grade students attended an assembly where they were introduced to the role of a bank teller and the application process. Those interested in becoming tellers submitted their applications by September 8th, followed by interviews on September 12th. Be sure to mark your calendar for our grand opening on October 8th! We're thrilled to continue offering this valuable opportunity for students to develop financial literacy and start saving for their future.

 - Constitution Day is an American federal observance that recognizes the adoption of the United States Constitution and those who have become U.S. citizens. It is observed on September 17, the day in 1787 that delegates to the Constitutional Convention signed the document in Philadelphia. During the week of September 17th, Gothenburg Public Schools will engage K-12th grade students in learning opportunities and activities that highlight the historic and continuing importance of the United States Constitution.

Assessment:

- MAP Growth Assessments are being finished up next week. The fall assessment provides detailed and actionable data about where a student is on his / her unique learning path and helps teachers make important decisions about instruction.
- DIBELS (Dynamic Indicators of Basic Early Literacy Skills) - grades 1-6 have completed this diagnostic assessment that staff use to analyze phonetic and reading needs in order to provide support to students.

Professional Development:

- Our collaborative teams have been reflecting on the practices of a Professional Learning Community (or PLC) so that they can design a SMART goal to guide their team's work this year. These goals also align with our Continuous Improvement Priorities.
- On Sept 19, our math teachers will engage in more professional development with the new math materials to continue to grow in their use of them.
- The other teachers will participate in other professional development sessions on Sept 19 to improve practices within their classrooms. More about that next month.

Mentor / Mentee Program:

Budget

Gothenburg Public Schools will receive \$179,619 less in State Aid than it did in 2024-2025. Our employment package increased our expenses by \$459,946. Inclusive of these two items, our needs have increased by \$896,640 which will be reflected in our tax request increase.

Total Property Tax Reduced as a result of increased SPED & Foundation Aid is approximately \$1,800,000.

The changes made in the past two years by legislature are incredibly beneficial for our taxpayers. Instead of having to raise property taxes by \$1,800,000 we are able to use the adjusted revenue from the state rather than taxing our patrons.

Additionally, the legislature passed a property tax credit of 30% that is reflected on tax statements.

Overall Levy: ↓\$0.025

Overall Tax Asking: \$11,289,858

Frequently Asked Questions:

How does the Department of Education ensure students in an exempt school (homeschool) are making academic progress?

The NDE's role is limited to ensuring the exemption paperwork is complete. Once approved, there is no ongoing oversight or accountability for curriculum, assessments, or student performance.

My child has been homeschooled for the past two years. If we re-enroll, can they take the same classes as their peers?

Placement depends on the documentation provided. Ideally, a homeschool program will share a transcript that outlines the courses completed and grades earned. If a transcript is not available, the school will work with you and your child to determine the most appropriate placement. At the high school level, this may mean that a student's schedule does not fully align with their age-based cohort. For example, a 16-year-old may be enrolled in a course or several courses that are typically taken by freshmen if no documentation is available.

Administrator Report

Meeting: October Board Meeting

Date: 10/13/25 @ 6:00 p.m.

Mrs. Josie Floyd, Elementary Principal

Parent-Teacher Conferences: K-6th conferences have been scheduled with parents/guardians and will be held on October 23rd from 7:00 a.m.-7:00 p.m. All teachers will facilitate their conferences within their classroom due to all teachers teaching reading and math this year.

Kindergarten DIBELS:

The DIBELS assessment was administered to all kindergarten students on 10/8/25 as our screener for the Reading Improvement Act (LB1081). This was within the 45 calendar day window that is allowed for kindergarten. Teachers will meet with Mrs. Butterfield and myself to review the data and write Individual Reading Improvement Plans for students who do not meet the Fall threshold. Teachers will be communicating the plans with parents during P/T conferences. Our goal is to work together to help all students achieve their grade level benchmark by the end of the year.

Swede Branch Flatwater Bank: (Strategy 2)

Our 14 new student tellers have had three training sessions and are excited and ready for business. The bank OPENING DAY is October 15th and we are anticipating many visitors! The bank will be open for deposits every Wednesday (unless noted) from 7:40-8:05 in the Dudley Gym.

Positive Office Referrals:

Over 50 Positive Office Referrals have been submitted at this time. Additionally, over 9,000 Swede Tickets were handed out to students during the 1st quarter (41 days) to recognize students for following the SWEDE SHIELD. Tickets can be distributed by any GPS staff member (teachers, custodians, paras, counselors, administration). Our first quarter assembly is scheduled for Friday, October 17th @ 2:30 at the Football Stadium!

Super Swedes:

Each Friday, teachers are randomly selecting a student from every classroom as their Super Swede. Students must not have any negative office referrals and should be carrying themselves (The Swede Way) by being SAFE, KIND, RESPECTFUL, & RESPONSIBLE. Students receive a certificate, locker/cubby postcard, have a grade level photo taken, and are recognized on the Monday morning announcements. As of 10/10/25, we have recognized 110 students as Super Swedes!

Math Olympiad:

Dudley Elementary is offering a new after school opportunity for our students in 5th and 6th grades who excel in the area of math based on their NWEA MAP Spring and/or Fall scores in addition to teacher recommendations. We had 33 students qualify for the program and 27 have elected to participate. Ms. Klumpe will be sponsoring the program one day a week, after school, from 3:30-4:30. The "mathletes" will have 5 online contests throughout the school year with the first competition being November 13th and the final one landing between March 2nd-23rd. We are looking forward to seeing our students grow in the area of math through the program goals:

- To stimulate enthusiasm and a love for mathematics
- To introduce mathematical concepts
- To teach strategies for problem solving

- To develop mathematical flexibility
- To strengthen mathematical intuition
- To foster mathematical creativity and ingenuity
- To provide the satisfaction, joy and thrill of solving challenges
- To develop an appreciation of mathematics

III. Spanish

At our 9/8 Dr. Z Day - I asked students to provide feedback via a quick Google Form that mirrored the GForm I sent out to you all. The Form included two questions addressing each construct (Efficacy, Enjoyment, Motivation, and Task Value) which allowed students and staff the ability to Strongly Agree (4), Agree (3), Disagree (2), or Strongly Disagree (1). The Form also included one open-ended question asking: If you could change 1 thing about class, what would it be?

This year's results are the highest recorded for a Fall Data collection in the 8 years I have been Coordinator! We are off to a GREAT start.

Students and Staff agree:

- Students are successful at learning in class (Efficacy)
- Students enjoy our class (Enjoyment)
- Students want to learn (Motivation)
- Students feel learning another language is important (Task Value)

I read through each of the students' open-ended responses to code them so that we can see frequency of response codes. The top three student responses to what they would change about class include:

- Nothing
- More Visits
- More Games

ESU 5 takes the Continuous Improvement Process seriously. Our Staff has filtered the results to the specific districts they serve to identify strengths and areas of improvement.

If you have any questions about your District Data - please let me know.

 - Collaborative teams use the data to write SMART goals and plan corresponding classroom activities to support students.
- NSCAS - still embargoed

Professional Development:

- Math teachers spent a day in September and again today (October 13) continuing their work with the new math materials. In September, two trainers from the Savvas company joined us in person to support the teachers.
- Remaining staff members engaged in technology sessions of their choice to grow their use and understanding of tools they can use in the classroom. Miss Janda showed a variety of uses of Canva, Mr. Ryker showed the basics of NotebookLM, Mrs. Tiller facilitated a session about building better prompts for using AI to simplify the work we do, as well as a session on Engagement websites and games. Other teachers provided resources and ideas that were also used within sessions. Special thanks to Mrs. Long, Mrs. Harrison, Mrs. Rubenthaler, and Mrs. Massin.

Mentor / Mentee Program:

- Mentees and Mentors:
 - In October, the focus is on conducting direct instruction lessons and a few engagement strategies. We had an opportunity to explore specific strategies, brainstormed ideas with each other, and teachers will take on the challenge of incorporating some of the ideas they learned into upcoming lessons.
 - Mentors will also have an opportunity to watch their mentee teach.

Budget Update

Our budget packet was submitted in accordance with the Auditor's guidelines and can now be accessed online or [here](#).

Financial Audit

The financial audit was completed September 22nd-24th. A final report will be available at the November board meeting. This was the first audit since I've been here that did not include a single audit (completed when we receive more than \$750,000 in federal funds) and I was amazed at how streamlined this process is. Unfortunately, our auditor has informed us that they are getting out of the school audit business. We will be opening up an RFP process soon to find a new firm to work with.

College-Going Rate

College-Going Rate

New data was released on the college-going rate for every school in the state. If a person wants to take a deeper look, they can explore it here: [Nebraska College Continuation Rates](#).

I pulled the numbers for schools in our array and was pleased to see that our college-going rate ranks **#2 out of 11**. Our array includes schools in our geographic area with enrollments up to twice as large or half as small as ours. This data reflects the 2023–2024 school year.
