East Parking Lot Sidewalk Project - Sidewalk and Bus parking areas have been installed, along with bollards and bollard sleeves. Also rock has been placed around bollards in between the bus parking area and sidewalk for expansion.

Greenhouse- Has made the transition from idle to back in operation. There is one project currently growing with more planned for later this fall and winter.

Bus Routes - We have been able to combine 2 afternoon routes to free up a driver. Afternoon route numbers are traditionally smaller than morning routes due to after school activities and parent pickups. Student numbers and, "on bus time", in the mornings are large enough that we will need 5 routes at this time.

Topics:

Elementary Book Fair: We had another great week for the elementary book fair. We had muffins with mom, donuts with dad, and a day for grandparents. We appreciate all the help from the volunteers and community. We also raised \$2200 for two charities, Kids in Need Foundation and Kids in Distressed Situations. The money was raised by bringing change throughout the week and we also received money from the community. We talked to the students about giving back and for every dollar we raised Scholastics will donate a book to a charity, so we helped two charities get 2200 books.

AR Goals: For the 1st quarter we had approximately 8,811 books checked out from library, 76% are averaging 85% or higher and 61% were 90% and higher on their AR quizzes.

Jump Rope for Heart: Mr. Mahlberg was presented an award at this year's Shape Nebraska Physical Education Conference for the outstanding job Dudley Elementary did in raising money for the American Heart Association.

Youth Leadership Conference: We took six 5th grade students to UNK last week to attend the Youth Leadership Conference. They were Jake Burge, Emma Peterson, Addison Wyatt, Bennett Geiken, Emily Cornwell, and Kynlee Strauser. We had a great time and they learned a lot about some of the things they do on the UNK campus and leadership qualities to bring back to Dudley.

STANCE: Our STANCE group has made a good impression at the capital as we had three senators drop in just to visit at our last meeting. I do see a few chinks in the armor as school funding is discussed. We (I) are preparing a short presentation (slides and video) to share our message with legislators and their staff.

Legislature: We continue to monitor potential bills that will be presented in the legislature this year. Every session is interesting and this year will be no different. The Education and Revenue Committees have been hold joint meetings to discuss school funding mechanisms and the heavy reliance on property taxes in particular. I have been told that as a group, they coming up with solutions. The two ways to reduce property taxes are to cut education or to find additional revenue sources at the state level.

Ideas that have been discussed:

- Foundation aid (\$150 / student) would be \$45 million statewide / \$141,000 in District #20.
- Adjust or eliminate the minimum levy adjustment (probably too late for us.)
- Reduce ag land valuation from 75% to 65% for TEOSSA calculations only. (would reduce the local effort rate but would do that statewide so I am not sure how that would impact the overall pot of money in state aid.)
- Eliminate averaging adjustment (Issue only for districts under the state average cost per pupil and at the 1.05 levy. We may eventually be there.)
- Increase allocated income tax (doesn't impact non-equalized districts.)

Conversations concerning Charter Schools, vouchers and tax credits continue to evolve.

NSAA: A committee of representatives from throughout the state has been meeting to discuss potential changes in classification structure. I have heard that these meeting have had limited impact also.

Jay Holmes, Maintenance Supervisor

East Parking Lot Sidewalk Project - Sidewalk and Bus parking areas have been installed, along with bollards and bollard sleeves. Also rock has been placed around bollards in between the bus parking area and sidewalk for expansion.

Greenhouse- Has made the transition from idle to back in operation. There is one project currently growing with more planned for later this fall and winter.

Bus Routes - We have been able to combine 2 afternoon routes to free up a driver. Afternoon route numbers are traditionally smaller than morning routes due to after school activities and parent pickups. Student numbers and, "on bus time", in the mornings are large enough that we will need 5 routes at this time.

Topics:

Elementary Book Fair: We had another great week for the elementary book fair. We had muffins with mom, donuts with dad, and a day for grandparents. We appreciate all the help from the volunteers and community. We also raised \$2200 for two charities, Kids in Need Foundation and Kids in Distressed Situations. The money was raised by bringing change throughout the week and we also received money from the community. We talked to the students about giving back and for every dollar we raised Scholastics will donate a book to a charity, so we helped two charities get 2200 books.

AR Goals: For the 1st quarter we had approximately 8,811 books checked out from library, 76% are averaging 85% or higher and 61% were 90% and higher on their AR quizzes.

Jump Rope for Heart: Mr. Mahlberg was presented an award at this year's Shape Nebraska Physical Education Conference for the outstanding job Dudley Elementary did in raising money for the American Heart Association.

Youth Leadership Conference: We took six 5th grade students to UNK last week to attend the Youth Leadership Conference. They were Jake Burge, Emma Peterson, Addison Wyatt, Bennett Geiken, Emily Cornwell, and Kynlee Strauser. We had a great time and they learned a lot about some of the things they do on the UNK campus and leadership qualities to bring back to Dudley.

STANCE: Our STANCE group has made a good impression at the capital as we had three senators drop in just to visit at our last meeting. I do see a few chinks in the armor as school funding is discussed. We (I) are preparing a short presentation (slides and video) to share our message with legislators and their staff.

Legislature: We continue to monitor potential bills that will be presented in the legislature this year. Every session is interesting and this year will be no different. The Education and Revenue Committees have been hold joint meetings to discuss school funding mechanisms and the heavy reliance on property taxes in particular. I have been told that as a group, they coming up with solutions. The two ways to reduce property taxes are to cut education or to find additional revenue sources at the state level.

Ideas that have been discussed:

- Foundation aid (\$150 / student) would be \$45 million statewide / \$141,000 in District #20.
- Adjust or eliminate the minimum levy adjustment (probably too late for us.)
- Reduce ag land valuation from 75% to 65% for TEOSSA calculations only. (would reduce the local effort rate but would do that statewide so I am not sure how that would impact the overall pot of money in state aid.)
- Eliminate averaging adjustment (Issue only for districts under the state average cost per pupil and at the 1.05 levy. We may eventually be there.)
- Increase allocated income tax (doesn't impact non-equalized districts.)

Conversations concerning Charter Schools, vouchers and tax credits continue to evolve.

NSAA: A committee of representatives from throughout the state has been meeting to discuss potential changes in classification structure. I have heard that these meeting have had limited impact also.

Bylaws of the Board - MeetingsClosed Sessions

The Board of Education may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. Closed sessions may be held for, but shall not be limited to, such reasons as: (a) strategy sessions with respect to collective bargaining, real estate purchases, or litigation; (b) discussion regarding deployment of security personnel or devices; (c) investigative proceedings regarding allegations or misconduct; or (d) evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting; provided, however a closed meeting shall never be held for the purpose of discussing the appointment or election of a new member to the Board of Education.

The vote to hold a closed session shall be taken in open session. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The Board shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken.

Any member of the Board shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reasons stated in the original motion to hold a closed session. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

The term "closed session" as used in the policies, regulations and Bylaws of the District shall include within its meaning any "executive session" or "executive meeting" authorized or prescribed by said policies, regulations and Bylaws, all of said terms being interchangeable.
