- Nebraska's public meetings laws do not apply to school board deliberations pertaining solely to disputed adjudicative facts. *McQuinn v. Douglas Cty. Sch. Dist. No. 66*, 259 Neb. 720, 612 N.W.2d 198 (2000).
- The primary purpose of the public meetings law is to ensure that public policy is formulated at open meetings. *Marks v. Judicial Nominating Comm.*, 236 Neb. 429, 461 N.W.2d 551 (1990).
- The public meetings law is broadly interpreted and liberally construed to obtain the objective of openness in favor of the public, and provisions permitting closed sessions must be narrowly and strictly construed. *Grein v. Board of Education of Fremont*, 216 Neb. 158, 343 N.W.2d 718 (1984).
- Although a committee was a subcommittee of a natural resources district board, it was not subject to the Open Meetings Act because there was never a quorum of board members in attendance and the committee did not hold hearings, make policy, or take formal action on behalf of the board. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).

For purposes of the Open Meetings Act, unless the context otherwise requires:

(1)(a) Public body means (i) governing bodies of all political subdivisions of the State of Nebraska, (ii) governing bodies of all agencies, created by the Constitution of Nebraska, statute, or otherwise pursuant to law, of the executive department of the State of Nebraska, (iii) all independent boards, commissions, bureaus, committees, councils, subunits, or any other bodies created by the Constitution of Nebraska, statute, or otherwise pursuant to law, (iv) all study or advisory committees of the executive department of the State of Nebraska whether having continuing existence or appointed as special committees with limited existence, (v) advisory committees of the bodies referred to in subdivisions (i), (ii), and (iii) of this subdivision, and (vi) instrumentalities exercising essentially public functions; and

(b) Public body does not include (i) subcommittees of such bodies unless a quorum of the public body attends a subcommittee meeting or unless such subcommittees are holding hearings, making policy, or taking formal action on behalf of their parent body, except that all meetings of any subcommittee established under section 81-15,175 are subject to the Open Meetings Act, (ii) entities conducting judicial proceedings unless a court or other judicial body is exercising rulemaking authority, deliberating, or deciding upon the issuance of administrative orders, and (iii) the Judicial Resources Commission or subcommittees or subgroups of the commission;

(2) Meeting means all regular, special, or called meetings, formal or informal, of any public body for the purposes of briefing, discussion of public business, formation of tentative policy, or the taking of any action of the public body; and

## Annotations

- A township is a political subdivision, and as such, a township board is subject to the provisions of the public meetings laws. *Steenblock v. Elkhorn Township Bd.*, 245 Neb. 722, 515 N.W.2d 128 (1994).
- A county agricultural society is a public body to which the provisions of the Nebraska public meetings law are applicable. *Nixon v. Madison Co. Ag. Soc'y*, 217 Neb. 37, 348 N.W.2d 119 (1984).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943, and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).
- Although a committee was a subcommittee of a natural resources district board, it was not subject to the Open Meetings Act because there was never a quorum of board members in attendance and the committee did not hold hearings, make policy, or take formal action on behalf of the board. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- Although the Open Meetings Act does not define "subcommittee," a subcommittee is generally defined as a group within a committee to which the committee may refer business. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).
- The Open Meetings Act does not require policymakers to remain ignorant of the issues they must decide until the moment the public is invited to comment on a proposed policy. By excluding nonquorum subgroups from the definition of a public body, the Legislature

has balanced the public's need to be heard on matters of public policy with a practical accommodation for a public body's need for information to conduct business. *Koch v. Lower Loup NRD*, 27 Neb. App. 301, 931 N.W.2d 160 (2019).

- As an administrative agency of the county, a county board of equalization is a public body. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- The electors of a township at their annual meeting are a public body under the Open Meetings Act. *State ex rel. Newman v. Columbus Township Bd.*, 15 Neb. App. 656, 735 N.W.2d 399 (2007).
- The meeting at issue in this case was a "meeting" within the parameters of subsection (2) of this section because it involved the discussion of public business, the formation of tentative policy, or the taking of any action of the public power district. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).
- Informational sessions in which the governmental body hears reports are briefings. *Johnson v. Nebraska Environmental Control Council*, 2 Neb. App. 263, 509 N.W.2d 21 (1993).

**84-1410. Closed session; when; purpose; reasons listed; procedure; right to challenge; prohibited acts; chance meetings, conventions, or workshops.**

(1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. The subject matter and the reason necessitating the closed session shall be identified in the motion to close. Closed sessions may be held for, but shall not be limited to, such reasons as:

(a) Strategy sessions with respect to collective bargaining, real estate purchases, pending litigation, or litigation which is imminent as evidenced by communication of a claim or threat of litigation to or by the public body;

(b) Discussion regarding deployment of security personnel or devices;

(c) Investigative proceedings regarding allegations of criminal misconduct;

(d) Evaluation of the job performance of a person when necessary to prevent needless injury to the reputation of a person and if such person has not requested a public meeting;

(e) For the Community Trust created under section 81-1801.02, discussion regarding the amounts to be paid to individuals who have suffered from a tragedy of violence or natural disaster; or

(f) For public hospitals, governing board peer review activities, professional review activities, review and discussion of medical staff investigations or disciplinary actions, and any strategy session concerning transactional negotiations with any referral source that is required by federal law to be conducted at arms length.

Nothing in this section shall permit a closed meeting for discussion of the appointment or election of a new member to any public body.

(2) The vote to hold a closed session shall be taken in open session. The entire motion, the vote of each member on the question of holding a closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. If the motion to close

passes, then the presiding officer immediately prior to the closed session shall restate on the record the limitation of the subject matter of the closed session. The public body holding such a closed session shall restrict its consideration of matters during the closed portions to only those purposes set forth in the motion to close as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action shall mean a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order, or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under subdivision (1)(a) of this section.

(3) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (a) the protection of the public interest or (b) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.

(4) Nothing in this section shall be construed to require that any meeting be closed to the public. No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or other electronic communication shall be used for the purpose of circumventing the requirements of the act.

(5) The act does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power.

- When notice is required, a notice of a special meeting of a city council posted in three public places at 10:00 p.m. on the day preceding the meeting is not reasonable advance publicized notice of a meeting as is required by this section. *Pokorny v. Inadequate agenda notice under this section meant there was a substantial

violation of the public meeting laws; however, later actions by the board of directors cured the defects in notice, and such actions were in substantial compliance with the statute. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).

#### **84-1412. Meetings of public body; rights of public; public body; powers and duties.**

(3) No public body shall require members of the public to identify themselves as a condition for admission to the meeting nor shall such body require that the name of any member of the public be placed on the agenda prior to such meeting in order to speak about items on the agenda. The body shall require any member of the public desiring to address the body to identify himself or herself, including an address and the name of any organization represented by such person unless the address requirement is waived to protect the security of the individual.

(4) No public body shall, for the purpose of circumventing the Open Meetings Act, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(5) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(6) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if:

(a) A member entity of the public body is located outside of this state and the meeting is in that member's jurisdiction;

(b) All out-of-state locations identified in the notice are located within public buildings used by members of the entity or at a place which will accommodate the anticipated audience;

(c) Reasonable arrangements are made to accommodate the public's right to attend, hear, and speak at the meeting, including making virtual conferencing available at an in-state location to members, the public, or the press, if requested twenty-four hours in advance;

(d) No more than twenty-five percent of the public body's meetings in a calendar year are held out-of-state;

(e) Out-of-state meetings are not used to circumvent any of the public government purposes established in the Open Meetings Act; and

(7) Each public body shall, upon request, make a reasonable effort to accommodate the public's right to hear the discussion and testimony presented at a meeting.

(8) Public bodies shall make available at the meeting or the instate location for virtual conferencing as required by subdivision (6)(c) of this section, for examination and copying by members of the public, at least one copy of all reproducible written material to be discussed at an open meeting, either in paper or electronic form. Public bodies shall make available at least one current copy of the Open Meetings Act posted in the meeting room at a location accessible to members of the public. At the beginning of the meeting, the public shall be informed about the location of the posted information.

## Annotations

- To preserve an objection that a public body failed to make documents available at a public meeting as required by subsection (8) of this section, a person who attends a public meeting must not only object to the violation, but must make that objection to the public body or to a member of the public body. *Stoetzel & Sons v. City of Hastings*, 265 Neb. 637, 658 N.W.2d 636 (2003).

### **84-1413. Meetings; minutes; roll call vote; secret ballot; when; agenda and minutes; required on website; when.**

(1) Each public body shall keep minutes of all meetings showing the time, place, members present and absent, and the substance of all matters discussed.

(2) Any action taken on any question or motion duly moved and seconded shall be by roll call vote of the public body in open session, and the record shall state how each member voted or if the member was absent or not voting. The requirements of a roll call or viva voce vote shall be satisfied by a public body which utilizes an electronic voting device which allows the yeas and nays of each member of such public body to be readily seen by the public.

(3) The vote to elect leadership within a public body may be taken by secret ballot, but the total number of votes for each candidate shall be recorded in the minutes.

(4) The minutes of all meetings and evidence and documentation received or disclosed in open session shall be public records and open to public inspection during normal business hours.

(5) Minutes shall be written or kept as an electronic record and shall be available for inspection within ten working days or prior to the next convened meeting, whichever occurs earlier, except that cities of the second class and villages may have an additional ten working days if the employee responsible for writing or keeping the minutes is absent due to a serious illness or emergency.

(6) Beginning July 31, 2022, the governing body of a natural resources district, the city council of a city of the metropolitan class, the city council of a city of the primary class, the city council of a city of the first class, the county board of a county with a population greater than twenty-five thousand inhabitants, and the school board of a school district shall make available

on such entity's public website the agenda and minutes of any meeting of the governing body. The agenda shall be placed on the website at least twenty-four hours before the meeting of the governing body. Minutes shall be placed on the website at such time as the minutes are available for inspection as provided in subsection (5) of this section. This information shall be available on the public website for at least six months.

## Annotations

- Under prior law, if a person present at a meeting observes and fails to object to an alleged public meetings laws violation in the form of a failure to conduct rollcall votes before taking actions on questions or motions pending, that person waives his or her right to object at a later date. *Hauser v. Nebraska Police Stds. Adv. Council*, 264 Neb. 944, 653 N.W.2d 240 (2002).
- Subsection (2) of this section does not require the record to state that the vote was by roll call, but requires only that the record show if and how each member voted. Neither does the statute set a time limit for recording the results of a vote, after which no corrections of the record can be made. If no intervening rights of third persons have arisen, a board of county commissioners has power to correct the record of the proceedings had at a previous meeting so as to make them speak the truth, particularly where the correction supplies some omitted fact or action and is done not to contradict or change the original record but to have the record show that a certain action was taken or thing done, which the original record fails to show. *State ex rel. Schuler v. Dunbar*, 214 Neb. 85, 333 N.W.2d 652 (1983).
- Failure by a public governing body, as defined under section 84-1409, R.R.S.1943, to take and record a roll call vote on an action, as required by section 84-1413(2), R.S.Supp.,1980, grants any citizen the right to sue for the purpose of having the action declared void. In this case such failure could not be later corrected by a nunc pro tunc order because there was no showing that a roll call vote on the disputed action was actually taken, and even if it was the record showed it was not recorded until over a year later. Sections 23-1301, R.R.S.1943, and 23-1302, R.R.S.1943, make it the duty of the county clerk to record proceedings of the board of county commissioners. *State ex rel. Schuler v. Dunbar*, 208 Neb. 69, 302 N.W.2d 674 (1981).
- There is no requirement that a public body make a record of where notice was published or posted. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).

### **84-1414. Unlawful action by public body; declared void or voidable by district court; when; duty to enforce open meeting laws; citizen's suit; procedure; violations; penalties.**

(1) Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in violation of the Open Meetings Act shall be declared void by the district court if the suit is commenced within one hundred twenty days of the meeting of the public body at which the alleged violation occurred. Any motion, resolution, rule, regulation, ordinance, or formal action of a public body made or taken in substantial violation of the Open Meetings Act shall be voidable by the district court if the suit is commenced more than one hundred twenty days after but within one year of the meeting of the public body in which the alleged violation occurred. A suit to void any final action shall be commenced within one year of the action.

(2) The Attorney General and the county attorney of the county in which the public body ordinarily meets shall enforce the Open Meetings Act.

(3) Any citizen of this state may commence a suit in the district court of the county in which the public body ordinarily meets or in which the plaintiff resides for the purpose of requiring compliance with or preventing violations of the Open Meetings Act, for the purpose of declaring an action of a public body void, or for the purpose of determining the applicability of the act to discussions or decisions of the public body. It shall not be a defense that the citizen attended the meeting and failed to object at such time. The court may order payment of reasonable attorney's fees and court costs to a successful plaintiff in a suit brought under this section.

(4) Any member of a public body who knowingly violates or conspires to violate or who attends or remains at a meeting knowing that the public body is in violation of any provision of the Open Meetings Act shall be guilty of a Class IV misdemeanor for a first offense and a Class III misdemeanor for a second or subsequent offense.

- Statutory change, requiring "publicized notice" for board of education employment hearings, occurring between dates meeting scheduled and conducted, held not to void

proceedings. *Alexander v. School Dist. No. 17*, 197 Neb. 251, 248 N.W.2d 335 (1976).

- Voiding an entire meeting is a proper remedy for violations of the Open Meetings Act. Once a meeting has been declared void pursuant to Nebraska's public meetings law, board members are prohibited from considering any information obtained at the illegal meeting. *Wolf v. Grubbs*, 17 Neb. App. 292, 759 N.W.2d 499 (2009).
- Actions by the board of directors were merely voidable under this section, and not void. Pursuant to subsection (3) of this section, the plaintiffs were awarded partial attorney fees because they were successful in having the court declare that the board of directors was in substantial violation of the statute, even though the plaintiffs did not get the relief requested of having the board's actions declared void. *Hansmeyer v. Nebraska Pub. Power Dist.*, 6 Neb. App. 889, 578 N.W.2d 476 (1998).

August 5, 2025

3. **UPDATE ON YOUTH GOLF AND PLAYER DEVELOPMENT PROGRAMS.** Brent McGrew, head teaching professional, reviewed the programs offered to youth golfers noting that the change to weekly and daily sign ups has worked well. The USKids golf program ending next week has approximately 100 participants with the addition of many new kids this year. He pointed out the first PGA junior league was held this year as well with 22 participants and that he intends to offer a PGA junior simulator league this winter if time allows for details to be worked out.
4. **PARK AND RECREATION DIRECTOR REPORT.** Eckhardt reviewed the report. Hansen mentioned that he received a request from a Wagner's Lake homeowner that the trees and brush on the south side of the lagoon next to hole number one at Van Berg golf course remain in place since they provide some protection from golf balls. Eckhardt confirmed that a recent grant award will allow some new trees to be planted on the course this fall that could potentially provide additional protection for homes at Wagner's Lake.

## Plot & Grow Community Garden

### Purpose of the Program

The City of Columbus Parks and Recreation Department offers residents the opportunity to take part in the community gardening experience. Community gardens give individuals the chance to grow their own food and plants, while also fostering learning, sharing, and connection among neighbors—helping both the garden and the community thrive.

16 Garden Plots are available at the following park:

- Frontier Park – 2969 Kozy Drive, Columbus, NE 68601

### Garden Plots are rented on an annual basis:

- February 1 – March 31: Application window is open for **Columbus residents**
- After April 1: Remaining plots can be rented by **Columbus Residents** (including a second plot is available) and **Non-residents**
- November 1 – January 31: Returning gardeners can **renew** their previous season's plot

### Gardener Eligibility

To be eligible for a garden plot, you must:

- Sign and return the rental contract with the \$50 payment (Columbus residents) or the \$70 payment (non-residents) to **City Hall**, 2500 14<sup>th</sup> St, Suite 3, Columbus, NE 68601
- Rent only one plot per household (unless extra plots are available after April 1)
- Use the plot only for personal consumption (no commercial use)
- Comply with the rules for the entire rental period
- Gardeners in good standing will be given priority for renewals

### Rules

By following the rules and guidelines, gardeners contribute to a positive gardening environment and demonstrate their commitment to the responsible and productive use of the garden plots.

When signing up, you acknowledge the following rules:

1. **Access:** gardeners may access their garden between sunrise and sunset.
2. **Plot Boundaries:** All gardening activities must remain within the gardener's assigned plot boundaries marked by the Parks and Recreation Department. Gardeners may only pick their own crops unless permitted by another plot user.
3. **Plot Return Policy:** Gardeners wishing to return their plot must contact the Parks and Recreation Department directly. Garden plots may not be given away, transferred, or sublet to other individuals. All plot exchanges or terminations will be managed exclusively by the Parks and Recreation Department. Please note that all fees are non-refundable and will not be prorated in the event a plot is returned early or reclaimed.
4. **Fencing:** The Parks and Recreation Department will provide fencing around the entire garden area. Renters who wish to add additional fencing around their individual plot may do so; fencing must be mesh, no higher than two feet, and remain entirely within their plot boundaries.
5. **Structures:** Simple non-permanent structures like trellises (up to 4 feet) are allowed but should not shade neighboring plots.
6. **Seasonal Planting:** Begin planting as soon as the weather permits in the spring. Fall clean-up, including removing dead plants and structures, must be completed by November 1.
7. **Mulch:** Non-biodegradable mulches (e.g., stone, carpet) are prohibited.
8. **Woody Plants:** Trees, shrubs, and woody vines are not allowed.
9. **Weed Control:** Flamers and torchers are not permitted for weed control.
10. **Pesticides:** Only granular pesticides are allowed. Follow label instructions strictly. Do not use restricted pesticides or store them in your plot.
11. **Trash and Plant Debris:** Dispose of all waste in the park's trash receptacles. Do not dump materials outside your plot or in surrounding areas.
12. **Storage:** There are no storage bins for tools or hoses. Bring tools, hoses, and other supplies with you and take them when you leave. Do not store excess lumber, fencing, or garden tools at your plot.
13. **Water Access:** Water access is available on the west side of the building for gardeners to connect a hose.
14. **Plot Maintenance:** Maintain active weeding, planting, and harvesting throughout the season.
15. **Inspections:** The Parks and Recreation Department will conduct inspections and issue written notices to gardeners whose plots are not in compliance with the rules, who disrupt neighboring plots, or who fail to use their plots appropriately. Gardeners will have seven days from the date of the notice to address and correct the identified issues. Failure to comply may result in the plot being reclaimed and reassigned.

### Guidelines

These guidelines provide gardeners, their families, and the gardening community with basic principles for a successful garden plot program.

### Plant Choices

- Grow a wide variety of fruits, vegetables, herbs, and flowers.
- Some perennials are permitted, but must be managed.
- Keep plants like mint in pots to control their spread.
- Plants listed as invasive in Nebraska are not allowed.

### Mulch

Organic mulch (e.g., compost, leaves, straw) is highly recommended. Plastic or porous weed-blocker covers are allowed but must be secured. Avoid fresh manure.

### Watering

- The Frontier Park concession building has a hose attachment on the west side. Due to the distance, we will provide a hose extension.
- Bring your own hose or bucket. Sharing is encouraged.
- Use water efficiently and fix leaky hoses to avoid wasting water.
- Limit watering to 15 minutes if others are waiting.

### Managing Pests

Pests like weeds, insects, and small animals can be controlled using the following practices:

- Choose pest-resistant plant varieties.
- Use compost for fertilizer and organic mulch to retain water.
- Remove pests by hand where possible.
- Dispose of dead and diseased plants immediately.

### Safety

Gardeners participate at their own risk. The City of Columbus is not responsible for loss or damage to personal property. Report illegal activities to the City of Columbus Police Department at 402-564-3201.

**5. Presentation on pollinator project partnership with Pheasants Forever.**

# 2026 Pollinator Project

Introduction

# What is Pheasants Forever mission?

- ▶ **Overview of the Mission**

- ▶ Pheasants Forever, established in 1982, is dedicated to the conservation of upland wildlife habitats. The organization focuses on several key areas to achieve its mission:

- **Habitat Improvements:** The organization works to restore and enhance habitats suitable for pheasants, quail, and other wildlife. This includes creating and maintaining grasslands, wetlands, and other critical ecosystems.

# Parks we are targeting

- ▶ Airport
- ▶ Bark Park
- ▶ Buffalo Square
- ▶ Centennial Park
- ▶ Frontier Park
- ▶ Sock Pond
- ▶ Sunset Park

# What is our Goal?

- ▶ Our goal is to add pollinators and or native grasses in certain parks around our community. We have hand selected 7 parks in Columbus we thought would be a good fit for this project.

# What is a pollinator and why have them?

- ▶ A pollinator is anything that helps move pollen from one part of a flower to another. This movement fertilizes a plant, helping make seeds, fruits, and new plants. Some plants can pollinate themselves, and others use wind or water to move their pollen. But many plants need help from insects and animals like bees, butterflies, birds, bats, and even some small mammals.
- **Pollinators are responsible for 1 out of 3 bites of food we take each day.** Pollinators help plants produce seeds, fruits, and vegetables.
- **Healthy ecosystems depend on pollinators.** At least 75% of all flowering plants on Earth are pollinated by insects and animals! This amounts to more than 1,200 food crops and 180,000 different types of plants—plants which help stabilize our soils, clean our air, supply oxygen, and support wildlife.
- **They're part of a healthy economy.** In the United States alone, pollination by honey bees contributed to over \$19 billion of crop production in 2010, while pollination by other insect pollinators contributed to nearly \$10 billion of crop production.

# Our goal for 2026

# Frontier Park

- One big pollinator
- 3 patches of native grasses

# 2027 Goals

- ▶ We will visit this at the end of 2026 to see how well Bark Park and Frontier Park take off. Our plan would be to get the remaining parks... Airport, Buffalo, Centennial, and Sunset done in year 2027. Sock Pond would be our main focus for 2028 as it's a large area to cover and would need lots of attention and planning. As we start the process and get the 2026's goals completed, I will share what the plans for each park in 2027 will look like.
