***Enhancing School Culture with Rachels's Challenge  
In partnership with STOPit Solutions***

Schoolwide violence prevention program. Tier 1 and evidence based. Models what kindness looks like and feels like.

Rachel Joy Scoot was the 1st victim of Columbine High School shooting. She believed in the power of kindness. She talked about it, wrote about it and acted on it. After her death her stories emerged. She had written 6 journals. She wrote about the chain reaction of kindness.

Quote from her final essay - *I have a theory that if one person can go out of their way to show compassion, then it will start a chain reaction of the same. People will never know how far a little kindness can go.*

US Surgeon General in 2021 declared a State of Emergency in Youth Mental Health. It has not been lifted.

**4 facts about Teen Suicide and Self-harm**

1. 31% increase in teen suicide attempts since 2020
2. 51% increase in ER visits by girls due to attempted suicide
3. Every 50 seconds an adolescent is admitted to the ER for attempted suicide
4. Every 79 minutes one young person dies by suicide

**School Bullying and Violence**

1. 160k + teens skip school each day due to bullying
2. 80% of students who are bullied have reduced academic performance and ability to learn.

4. 75% of school shooting incidents have been linked to bullying and harassment.

School shootings are the "endpoint" ; it is not the "beginning".

# Financial Update to Board

To: Members of the Board of Education

From: Jennifer Stegman

Date: April 14, 2025

## Expenditures:

Chickasha's General Fund expenditures over the past five fiscal years and year-to-date (YTD) for the current fiscal year are detailed in Exhibits 1 and 2. Exhibit 1 delineates monthly salary and benefit expenses for all Chickasha Public School employees, while Exhibit 2 provides a breakdown of General Fund total expenses (including both salary and operational costs) by month.

Starting from FY21, payroll expenses for ten-month employees in May include both May and June, while June encompasses the payroll expenses for July and August. Additionally, in December of FY23, the district awarded a \$1,200 retention stipend to all employees meeting approved criteria. This was repeated in December of FY25 where the district awarded \$1,000 for a retention stipend. The notable rise in both payroll and overall expenses is mainly attributed to the one-time retention stipends in that specific year and month.

Exhibit 1: Payroll Expenses by Month and Year

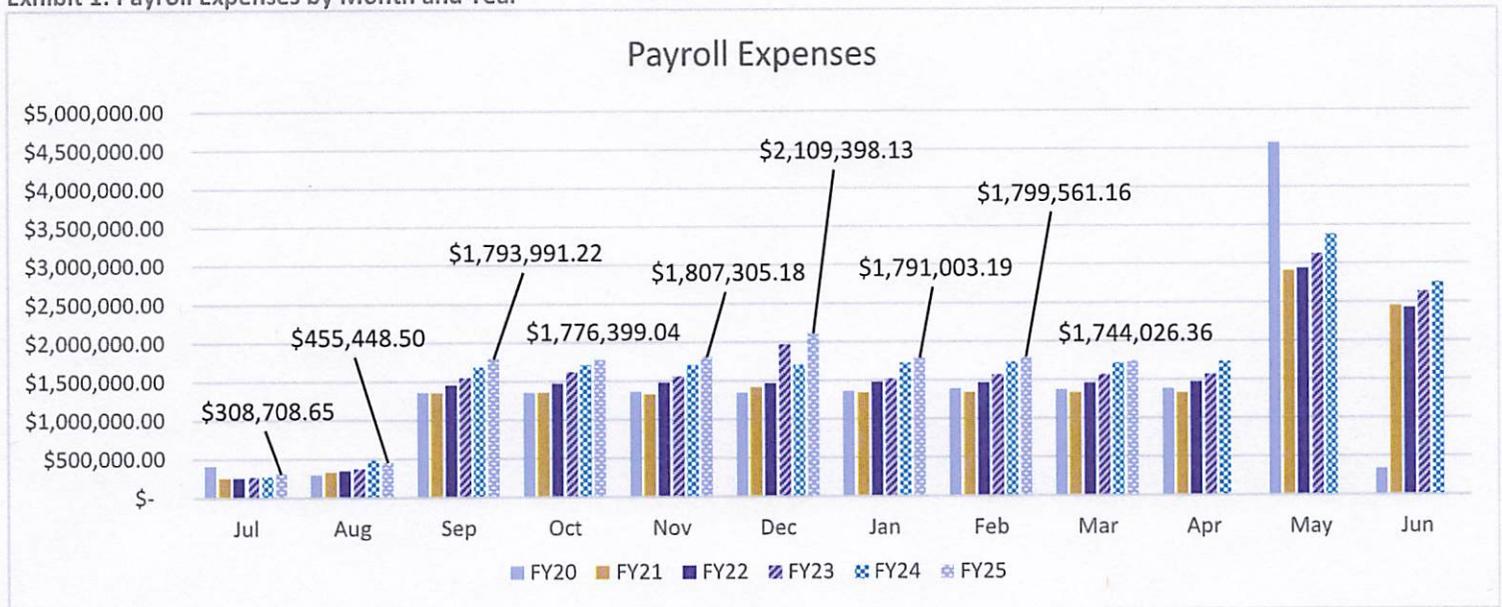

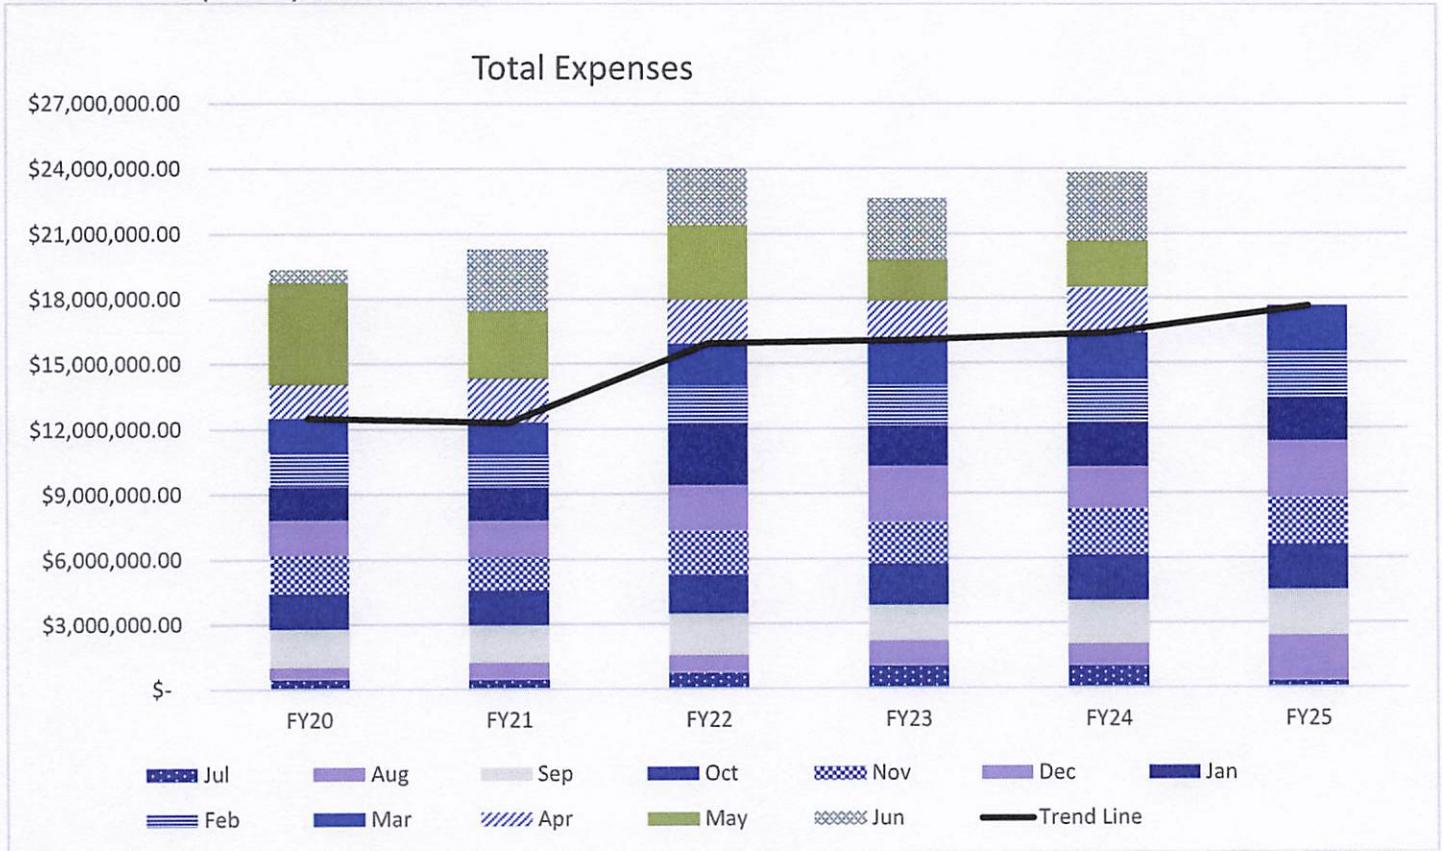

Exhibit 2: Total Expense by Month and Year

Revenues:

Exhibit 3 provides General Fund receipts by month, covering FY20 through FY24, with year-to-date figures for FY25. These receipts include funding from state, local, and federal sources. Current receipts have increased compared to the same period last year, likely due to delays in federal reimbursements and the disbursement of salary increase funds for expenses incurred in the previous year.

Exhibit 3: Receipts by Month

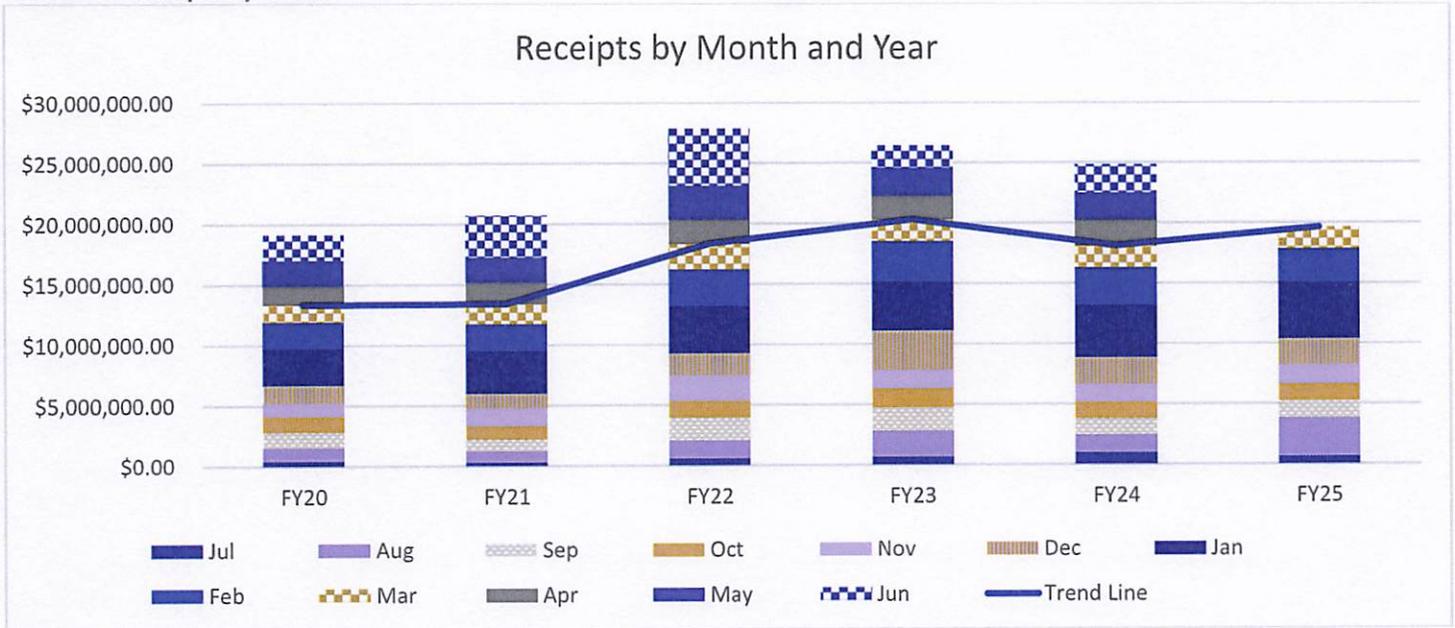

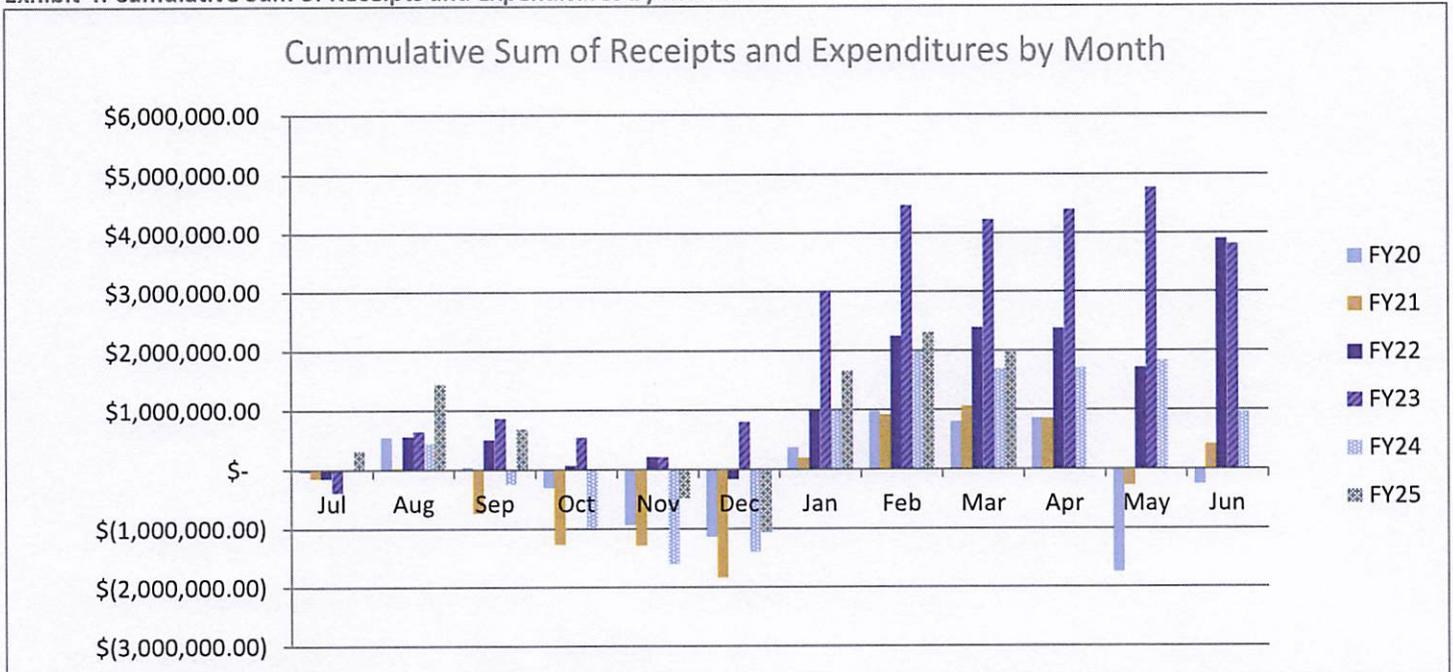

Exhibit 4 delineates General Fund revenues and expenses by month spanning from FY20 to FY24, along with year-to-date figures for FY25. These values represent the cumulative sum of revenues and expenses at the end of each month. These values reflect revenue and expenses generated within the designated year, excluding fund balances carried forward from prior years. This information serves as a valuable tool for analyzing cash flow trends and guiding the district in projecting the required cash fund balances.

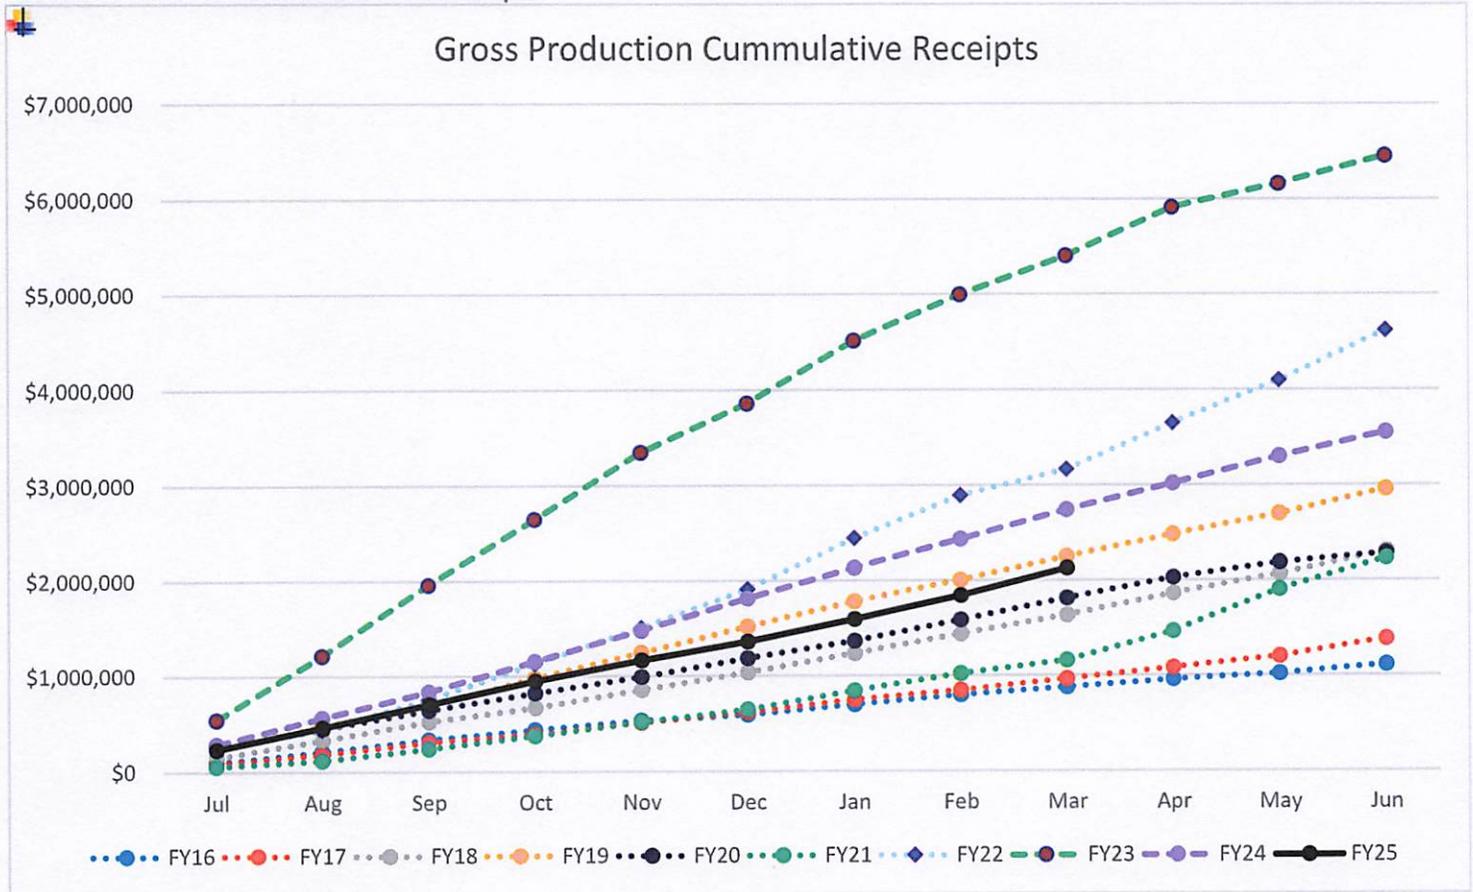

Exhibit 4: Cumulative Sum of Receipts and Expenditures by Month

### Cumulative Revenue Gross Production

Revenue trends for FY25 closely mirror those of FY24, but certain areas of revenue require closer monitoring. For instance, gross production collections have declined to levels last seen in FY19 and FY20. The gross production collections are down by approximately 15% from this time last year. Exhibits 5 illustrates cumulative gross production revenue trends.

Re: OKTLE, SEES, and McREL renewal for 2025-2026 School Year

Dear Mr. Croslin:

Thank you so much for your participation with OKTLE this past year. We continue to work hard to make improvements and innovations based upon your feedback and ideas.

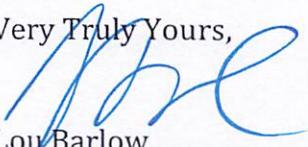

**McREL for principals and Support Employee Evaluation (SEES)** can also be activated or renewed with this agreement. McREL information will automatically be combined with teacher data for the end-of-year SDE report. Also, if you are not effectively evaluating your **support employees** each year, you should begin that process of annual documentation now, with our easy-to-use system.

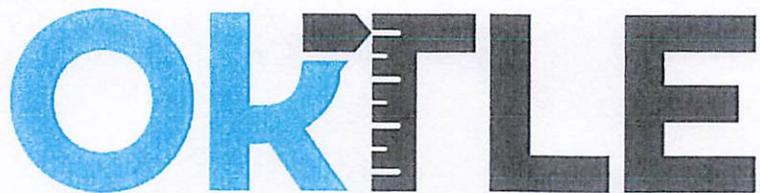

**To maintain uninterrupted access to the system for your administrators, teachers and/or support employees:**

- **Fill in your district information and number of certified teachers for OKTLE, the number of principals/leaders to be evaluated if you are using McREL, and the number of support employees if you will be using SEES.**
- **Sign the agreement**
- **Email it to us at [info@OKTLE.com](mailto:info@OKTLE.com). Regular mail and fax information is also included on the cover page.**

Upon receipt of your agreement we will immediately renew your accounts for the upcoming year. If you have any questions or comments, please contact me at the office or on my cell at 405-229-1555.

Very Truly Yours,

  
Lou Barlow  
President  
Employee Evaluation Systems, Inc.

This Agreement may be modified only pursuant to a writing executed by both parties.

(b) **Severability.** If any of the provisions of this Agreement are held by a court of competent jurisdiction to be invalid or unenforceable under any applicable statute or rule of law, such provision shall, to that extent, be deemed omitted and the remaining portions of this Agreement shall remain in full force and effect.

(c) **Survivability.** The obligations set forth herein shall survive any termination of this Agreement.

(d) **Waiver.** No term or provision of this Agreement shall be deemed to be waived and no consent to any breach or default shall be deemed to have been made unless such waiver or consent shall be in writing signed by the party against whom the waiver or consent is asserted.
