Any Party asserting Force Majeure as an excuse shall have the burden of proving that reasonable steps were taken (under the circumstances) to minimize delay or damages caused by foreseeable events, that all non-excused obligations were substantially fulfilled, and that the other Party was timely notified of the likelihood or actual occurrence which would justify such an assertion so that other prudent precautions could be contemplated.

RESOURCES:

During the course of providing the Products and Services, participants will be provided with various Resources, some of which shall be distributed by hand or by email to participants during or in preparation or follow-up to particular events, and others of which shall be accessed through websites operated by CKH (“Websites”). CKH does not discriminate against any program participant, employee, or applicant for services on the basis of race, color, national origin, sex, disability, or age, and shall ensure that federal funds are not used for any program or activity that engages in such discrimination.

Section 5: Intellectual Property

COPYRIGHTS & TECHNOLOGY RIGHTS

CKH’s intellectual property is a crucial part of providing training materials and consulting services to its clients, and CKH could not continue its work if its clients did not honor and respect CKH’s intellectual property rights. All copyrights and other forms of intellectual property protection pertaining to the Resources, including without limitation all content and functionality on or of the Websites, as well as all text, graphics, images, logos, icons, audio, video, tables, algorithms, analytics, reports, and dynamic content associated with the Resources, whether prearranged or created or modified during the course of providing the Products and Services, as well as the selection, arrangement and “look and feel” of all the foregoing, (excluding personal data belonging to you or your authorized users) are the exclusive property of CKH or its licensors. **None of our work or work product is done on a “work for hire” basis, and all our material and work product is owned exclusively by CKH and is subject to one or more of the following: copyright, trademark, patent, license, or trade secret.** Intellectual property and learning/know-how that may be developed while working with any client shall remain the property of CKH. By entering into this Agreement, you are expressly acknowledging and agreeing to the matters set forth in this paragraph and you are agreeing that none of the training materials, notebooks, videos, presentations, processes or concepts may be used by you, for any purpose, without the express advance written consent of CKH. All textual, dramatic, audio, and/or visual Resources are protected by U.S. and international copyright laws. All rights not expressly granted are reserved.

TRADEMARKS:

The trademarks, service marks, designs, and logos displayed on or in conjunction with the Products, Services, Resources or Websites (collectively, the “Trademarks”) are the registered and unregistered trademarks of CKH and its licensors. You agree that you will obtain advance written consent from CKH before referring to or attributing any information to CKH or its licensors in any public medium (e.g., signage, press releases, websites, etc.) for advertising or promotion purposes, or for the purpose of informing or influencing any third party, understanding that such consent may be denied for any or no reason. You also agree that you will not use or reproduce any Trademark of, or imply any endorsement by or relationship with, CKH or its licensors.

USE OF RESOURCES:

Capturing Kids’ Hearts grants individual participants of training a limited, non-exclusive, revocable, and non-transferable license for the Term of this Agreement to view, access, download, display, and otherwise use specific Capturing Kids’ Hearts Resources for their personal and classroom use only. Resources are made available to participants based upon their completed training and provided during training or through site content of Websites.

Access to Resources for participants is based upon both their completion of specific training(s) with Capturing Kids' Hearts and the contractual relationship between Capturing Kids' Hearts and the Client, the organization of which the participant is a current member. The relationship with a Client is documented in the products listed in the Products and Services Section and determines the varying levels of access to Resources based upon the training, products or subscriptions purchased. If the participant is no longer part of the Client's organization, the participant will no longer have access to the resources.

APPLICABLE RESTRICTIONS & REQUIREMENTS:

Any unauthorized use of Resources is prohibited and may violate copyright, trademark, patent, and other applicable laws or regulations and could result in criminal or civil penalties. All Resources are made available for use by you only to the extent that such use complies with all Applicable Restrictions & Requirements. For these purposes, "**Applicable Restrictions & Requirements**" means any and all of the following: (i) the provisions of this Agreement; (ii) the Terms of Use associated with the Websites; (iii) any other CKH agreements or Products and Services that may be applicable to you; (iv) any written instructions or restrictions provided to you by CKH; and (v) any instructions or restrictions printed on or otherwise accompanying any copies of the Resources that are provided to you, or that appear on Websites that are associated with such Resources. To be clear, except to the extent expressly permitted in writing as part of the Applicable Restrictions & Requirements, your rights do not include rights to do any of the following (collectively, "**Prohibited Actions**"), all of which you are prohibited from doing without CKH's express prior written consent: (i) reproduce, modify, translate, aggregate, distribute, sell, commercially exploit, transmit, post, make derivatives of, or publicly disclose any of the Resources, or any portion thereof, in any way not expressly permitted in writing by CKH; (ii) remove, redact, or omit any and all copyright and other proprietary notices displayed on the Resources or on any permitted copies thereof; (iii) use of any data mining, robots or similar data gathering or extraction methods in connection with the Resources or the Websites; (iv) download (other than page caching) of any portion of the Resources or the Websites except to the extent expressly authorized during provision of the Products and Services; (v) reverse engineer or access the Resources or the Websites in order to develop or use any competitive website, content, app, product or service; (vi) use any of the Websites, Products or Resources other than for their intended purposes; (vii) resell any Resources or other Products delivered or otherwise acquired by you during the course of the Services or otherwise through the Websites; (viii) store, transport or use any Products or Resources in an unsafe or reckless manner or in any manner prohibited by law or regulation; or (ix) use any of the Resources in any manner not permitted by law or regulation. CKH may also impose additional reasonable limits on the scope of your access to and use of the Resources, including limits on time or number of materials accessed or machines used to access such Resources, in part to prevent unauthorized third-party access to or use of such Resources.

AUTHORIZED INSTRUCTION AND REINFORCEMENT:

Only individuals who are officially certified by CKH and maintain active certification status are authorized to deliver "formal instruction", training, or facilitation of CKH content.

As a clarification, CKH's Process Champions Implementation Visits, Campus and District Traction Visits, subsequent trainings, etc., are structured to provide educators already trained in CKH-1 more tools to help coach educators from their school already trained in CKH-1 on the general principles and concepts of CKH, the CKH Process and associated CKH tools. For these educators who experience Process Champions or other consultative visits/trainings, they may reference, model, or reinforce the principles of CKH in the normal course of meetings, conversations, coaching sessions, or daily interactions, provided that such reinforcement does not constitute formal instruction or initial CKH training.

Clarification of "Formal Instruction"

"Formal instruction" refers to structured teaching sessions, workshops, or trainings (such as but not limited to Capturing Kids' Hearts 1 or 2, Process Champions, Leadership Blueprint, etc.) designed to educate others on the core methodologies, frameworks, or practices of CKH.

Brand Protection Note

Uncertified individuals or Client's designated CKH Process Champions may not represent themselves as certified facilitators, nor may they create or distribute instructional materials to support their role as a Process Champion or to reinforce the teaching of CKH.

CONFIDENTIALITY:

This Agreement and its various terms (including the pricing, combination of services and solutions, and other terms of all associated Products and Services section) as well as metrics, observations and personal information about Client's participants that may be contained or reflected in Deliverables (collectively, "**Confidential Information**") shall be treated as confidential by Client and shall not be disclosed to any third parties throughout the Term of this Agreement and for five (5) years thereafter. However, notwithstanding the foregoing, Client may disclose such Confidential Information in compliance with judicial or other governmental orders or open records requests, provided that (i) Client shall give CKH at least ten business days advance written notice before so disclosing in response to such orders or requests, and (ii) Client shall reasonably cooperate with CKH to accommodate any requests from CKH to secure protective orders or to limit the scope of responses to the extent legally permissible.

Section 6: Disclaimers

Client accepts and must accept all of the Resources, Access, Products and Services, including any work products, results or deliverables produced thereby (collectively, "**Deliverables**"), "AS IS" and with all faults and errors. CKH HEREBY DISCLAIMS ANY AND ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, THAT MIGHT RELATE TO THE RESOURCES, ACCESS, SERVICES OR ANY DELIVERABLES, EXCEPT FOR ANY SPECIFIC WARRANTIES THAT MAY BE EXPRESSLY PROVIDED IN THE TERMS OF THIS AGREEMENT, IF ANY. The entire risk as to the functionality, operation, and results is with the Client, and neither CKH nor any of its Consultants or other representatives assumes any risk or obligation in connection therewith. CKH hereby disclaims any and all liability, risk, obligation, or responsibility for decisions made or actions taken by Client after use of the Products, Resources, Access, Services, or any Deliverables. CKH shall in no way be responsible or liable for CLIENT'S use of (1) the Resources, Access, Products, Services, or Deliverables, (2) the information and data provided by third parties in order to use the Resources, Access, Products, Services or Deliverables; or (3) the information or results obtained through the Resources, Access, Products, Services or Deliverables. CKH does not guarantee or warrant any particular result or success as a result of the use of the Resources, Access, Products, Services, or Deliverables. Instead, the Resources, Access, Products, Services, and Deliverables should be considered tools to assist the Client, but they should not be treated as a singular solution.

In no event shall CKH or any of its Consultants or other representatives be liable for or responsible for any indirect, incidental, or consequential damages or injuries related to Client's or its representative's use of: (1) the Resources, Access, Products, Services or Deliverables; (2) the information and data provided by third parties in order to use the Resources, Access, Products, Services or Deliverables; or (3) the information or results obtained through the Resources, Access, Products, Services or Deliverables. The maximum possible liability of CKH shall not exceed the lesser of (a) the amount that the Client paid for the Resources, Access, Products, Services, or Deliverables that directly relate to the claim giving rise to such liability or (b) the full retail cost of those same Resources, Access, Products, Services or Deliverables.

No information shared by CKH verbally or in writing can be constituted to be professional advice, such as medical, legal, financial, psychological, business, or counseling advice. Diagnosing medical or psychological conditions cannot be done through a coaching process and should only be done by licensed professionals.

Section 7: Entirety & Interpretation

Once accepted, this Agreement together with the Terms of Use associated with our Websites represents the entire agreement, and supersedes any and all previous understandings, between you and CKH as pertains to our Products and Services and your Access to Resources. To be valid and enforceable, any amendment or modification to this Agreement, which may be in the form of a subsequent Products and Services Amendment that expressly invokes this Agreement, must be in a writing and signed by the respective authorized representatives to be bound thereby. This Agreement shall be construed, interpreted, and enforced exclusively under the laws and venue applicable in College Station, Brazos County, Texas. Section and paragraph headings have been included in this Agreement in hopes of facilitating ease of reference, but such headings shall not affect the interpretation of this Agreement. In the event of any inconsistency that cannot be

reasonably resolved between this Agreement and an applicable Products and Services, the Products and Services section shall control for purposes of resolving the inconsistency, and a more recent Products and Services section shall control over inconsistent terms in Products and Services section(s). To the extent of any inconsistency that cannot be reasonably resolved between this Agreement and the Terms of Use associated with our Websites, this Agreement shall control throughout the Term, while the Terms of Use will control after the Term. You also agree that this Agreement will not be construed against CKH by virtue of having drafted it.

Section 8: Acceptance & Term

To indicate your acceptance of this Agreement without changes, the Client should have its authorized representative sign where indicated below and return the signed Agreement to Capturing Kids' Hearts via email to wendy.cox@capturingkidshearts.org. With Benchmark Assessments, Unit Assessments, and technology-facilitated lessons that automate data collection, enCORE makes it easy to monitor progress towards IEP goals and learning objectives. Students practice right within their zone of proximal development — not too easy, not too hard — helping to minimize frustration, reduce interfering behaviors, and keep learning on track.

FLEXIBLE BLENDED LEARNING TO SUPPORT ALL LEARNERS

DESIGNED BY EXPERTS, PROVEN TO WORK

Every lesson in enCORE is backed by evidence-based instructional practices and real-world classroom experience. Developed by BCBA's, PhDs, SLPs, and veteran educators, enCORE utilizes systematic instruction, the Science of Reading, and Applied Behavior Analysis — giving you confidence that the instruction you're delivering works.

Supporting You Every Step of the Way

BRING LEARNING TO LIFE WITH HANDS-ON MATERIALS

enCORE is packed with multi-sensory, hands-on learning experiences that help new skills stick. From hard-copy literature books and student workbooks to math and science manipulatives, visual supports, and small group activities, students get plenty of ways to connect with what they're learning. With so many print-based and tangible materials, students not only build academic skills — they also strengthen social, emotional, and developmental connections with their teachers and peers.

COLLECT AND ANALYZE DATA WITH TECHNOLOGY-FACILITATED LESSONS

As a blended learning solution, we recognize the value of **responsive technology** in shaping individualized learning pathways. enCORE technology automates student data collection, ensuring each student has access to personalized instruction based on their demonstrated strengths and areas of need. Teachers who use enCORE may input student IEP goals and assign lessons specific to these goals to support progress monitoring efforts and keep parents informed. Technology lessons give teachers the ability to provide immediate feedback to students in 1:1, small group, or whole group settings, tracking student response in real time and adjusting the rigor accordingly.

SIMPLIFY PLANNING WITH DAILY IMPLEMENTATION GUIDES (DIGS)

Daily Implementation Guides (DIGs) make the day-to-day planning simple! The DIGs break down the unit's lesson plans day-by-day, outlining what to teach, how to use materials, and specific instructional steps. These guides ensure smooth implementation with or without support staff or for substitute lesson planning. DIGs also include corresponding teacher-led technology lessons, providing valuable data on student progress for progress monitoring and IEP development.

ENGAGE STUDENTS WITH ACCESSIBLE CURRENT EVENTS

enCORE Events are accessible news stories based on timely, real-world current events, such as Chinese New Year, the Super Bowl, and Women's History Month. Each current event topic includes a mini-lesson with a recipe and cross-curricular activities, along with materials and differentiated newsletters. *This Just In!* is designed to address national and global news stories that students may learn about in their everyday lives. enCORE Events and *This Just In!* provides the essential background knowledge and vocabulary necessary for students to be active consumers of mainstream media.

The collage displays several sample pages from the enCORE Events and This Just In! materials. The pages include text, images, and interactive elements. One page is titled "Eclipse" and features a red and black image of an eclipse. Another page is titled "Send to the Paris Olympics" and features the Olympic rings. A third page is titled "Hispanic Heritage Month" and features a colorful floral pattern. The pages are arranged in a grid-like fashion, showing various content types like text, images, and graphics.

“

I've been using TeachTown's enCORE solution in my self-contained classroom for the last three years. Once I got set up, **the solution was easy-to-implement, logical and effective.** I love that all of the lesson plans repeat a pattern, with sequencing, comprehension and phonemic awareness. The manipulatives and workbooks allow for hands-on activity in the classroom, which also boosts student engagement. The scaffolding of the material has produced great results with my students.

Deliver Evidence-Based Literacy Instruction with the Science of Reading

The five tenets of the Science of Reading are integrated and cohesive within the ELA domain of enCORE.

PHONEMIC AWARENESS

enCORE includes age-appropriate phonemic awareness activities to support students learning to identify and manipulate individual sounds in words. Includes rhyming skills and follows a developmental progression.

Ask us about our Phonics and Phonemic Awareness Scope and Sequence!

PHONICS

Each unit contains phonics instruction, beginning with single sound-letter correspondence, short vowels, digraphs, initial and final blends, common flexions and silent 'e', progressing to vowel teams, vowel digraphs, r-controlled vowels, word patterns, and the most common prefixes and suffixes, and moving toward decoding and spelling.

FLUENCY

Repeated readings are embedded in the enCORE implementation guide within every unit, giving students the opportunity to read the literature from the e-Reader OR have the e-Reader read to them. Additionally, decodable readers are included for every enCORE Elementary Unit to support fluency.

enCORE ensures students develop essential reading skills from Kindergarten through transition years!

VOCABULARY

Every unit of enCORE focuses on vocabulary that is embedded within that unit's literature. The vocabulary targets were chosen to be useful for students in daily situations and to help with comprehension of the text. The vocabulary words are embedded in the text multiple times so that students have multiple opportunities to engage with the words and develop deeper semantic knowledge. Vocabulary instruction is incorporated into the teacher lesson plans, as well as within the technology lessons in order for the students to have repeated exposures.

TEXT COMPREHENSION

Every segment in enCORE begins with anchored instruction to help students connect information in the text to their daily lives or to build background knowledge prior to reading. Each book, companion text, and/or chapter incorporates multiple comprehension activities to address text comprehension standards.

“
My son’s life changed forever. My practically nonverbal son, who had been learning the same thing repeatedly for years, suddenly showed that he knew more than what anybody could imagine. In more than a year my son can now read, spell simple words, answer yes/no, can do simple addition and subtraction, count money, time and much more. Just because he was not able to talk, or answer, didn’t mean that he didn’t know the answers....TeachTown was so amazing for my son.

Expenditures:

Payroll expenses have consistently accounted for a substantial portion of the district's total expenses, ranging from approximately 73% to 87% over the fiscal years provided. This trend highlights that personnel costs remain the district's primary expenditure. The notable dip in FY22 was likely influenced by increased revenue from ESSER funds, which enabled the district to invest in significant non-payroll expenditures such as HVAC system upgrades. FY22 also marked one of the district's highest years for revenue collections. However, in the years that followed, the percentage of payroll relative to total expenses not only rebounded but rose to an even higher proportion. Exhibit 1 illustrates payroll expenses from FY21 to July of FY26 by month and year. Exhibit 2 illustrates payroll expenses as a percentage of total expenses FY20 to FY25.

In December of FY23, the district issued a \$1,200 retention stipend to all employees who met the approved criteria. This was repeated in December of FY25 with a \$1,000 retention stipend. The increases in payroll and overall expenses during those months are primarily due to these one-time retention payments.

Exhibit 1: Payroll Expenses by Month and Year Exhibit 2: Payroll Expense as a Percentage of Total Expenses

From FY21 through FY25, revenue and expenditure variances reflect both federal funding cycles and adjustments in local and state revenue streams.

- FY2021: The district ended the year with a modest positive variance of \$96,674, indicating balanced revenues and expenditures during the initial pandemic recovery period.
- FY2022: Revenues exceeded expenditures by \$3,168,060, largely due to federal relief funds (ESSER II and III) and delayed spending on recovery initiatives.
- FY2023: A continued surplus of \$2,273,021 reflected the strategic use of remaining federal funds and conservative budgeting practices.
- FY2024: As federal relief funds expired, the district recorded a deficit of \$1,151,385, driven by increased operational costs and the transition back to standard funding levels.
- FY2025: A further deficit of \$1,377,229 occurred as expenditures outpace revenues due to inflationary pressures, staffing costs, and declining one-time revenues.

Overall, the five-year period shows two years of deficits following three years of surpluses, aligning with the conclusion of federal COVID-19 relief programs. The district remains fiscally responsible, using fund balances accumulated during surplus years to sustain operations and protect instructional quality during the adjustment period. Exhibit 5 reflects the variance trendline from Fy21 to FY25.

Exhibit 5 Revenue and Expense Variances

Exhibit 6 delineates General Fund revenues and expenses by month spanning from FY21 to FY25, along with year-to-date figures for FY26. These values represent the cumulative sum of revenues and expenses at the end of each month. These values reflect revenue and expenses generated within the designated year, excluding fund balances carried forward from prior years. This information serves as a valuable tool for analyzing cash flow trends and guiding the district in projecting the required cash fund balances. Exhibit 7 reflects Cumulative General Fund revenues and expenditures that are consistent with FY24 trends.
