6.1.2. COVID-19 Leave Extension Resolution

RESOLUTION

WHEREAS, The FFCRA leave expired December 31, 2020, yet Covid-19 remains present in our community and staff will hereafter need leave because of Covid-19.

NOW, THEREFORE, BE IT RESOLVED that.

1. Covid-19 Leave. Commencing January 1, 2021 employees of the School District who would be eligible for FFCRA paid leave, but for the law expiring, shall be entitled to paid Covid-19 leave.
 - a. Eligible Employees: Employees who would be eligible for FFCRA leave, but for its expiration.
 - b. Leave Event: The employee must be subject to a condition that would be FFCRA leave eligible, but for the expiration of the law.
 - c. Amount of Leave: For such time period as the employee is directed to quarantine or isolate due to Covid-19, but paid Covid-19 leave may not exceed 10 days, inclusive of any paid leave under the FFCRA taken prior to January 1, 2021.
2. Conclusion of Resolution: This Resolution shall expire effective upon the earlier of:
 - Vaccine Availability: At such time as the second dose (if a second dose is required for immunity) of the vaccine is available to the affected employee. The vaccine may be available to some employees earlier than others, so the availability of paid Covid-19 leave may end earlier for some employees than for others. The vaccine shall not be considered available to an employee who is unable to take it for a verified health or religious reason.
 - FFCRA Extension: If a law similar to the FFCRA is enacted, upon such enactment.
 - End of Emergency: On the date either the local health department or the Governor of the State of Nebraska declares Covid-19 or the state of emergency to be at an end, whichever is earlier.

The foregoing Resolution having been read in its entirety, Mike Petersen moved for its passage and adoption and Pam Murphy seconded same. After discussion and on roll call vote the members voted as follows:

6.1.3. Early Release for Teacher Work Time in February and March

The FEA President and Administration have worked together to identify options during the second semester to provide for additional work time for staff.

The rationale for the need for additional work time stems from the additional effort required to provide lessons both in class and for our online learners. Entering lessons in SeeSaw and Canvas takes additional time and working with students and families of online learners also require additional effort.

Having students released from school will allow additional time for teachers to plan, enter lessons into SeeSaw and Canvas, enter grades, follow up with online learners, etc. These days coupled with the PD days built into the second semester calendar, dedicated for a similar purpose, will provide for additional time.

The decision to release school is not taken lightly given that any time students are not in school they are not learning and it creates an increased burden on our families for childcare and nutrition. Choosing partial days as opposed to full days allows for the food security needs of our students to be met prior to leaving for the weekend.

It is the recommendation of the administration and FEA to provide additional time for teacher work by scheduling two early release days in February and March for K-12 students. The two early dismissal days in February will be Friday, February 12 and Friday, February 26; and in March will be Friday, March 5 and Friday, March 26. Dismissal times will be FHS 1:00 pm, ELEM 1:10 pm, JCAC 1:15 pm, FMS 1:25 pm. Preschool programming will continue as previously scheduled.

7/4 July 4th Holiday Observed

 Students/Teachers Not in Session

February 3, 2021

Board of Education Members,

Fremont High School would like to request an early dismissal of 1:15 p.m. on Wednesday, April 7, 2021 to coincide with building-wide ACT testing. On April 7, 2020, Fremont High School staff will be administering the state-mandated ACT to all juniors. Also on that day, the PreACT will be given to all 10th-grade students. Ninth-grade students will participate in a variety of short workshops to include career exploration, digital citizenship, and bullying/harassment prevention. Traditionally, this has been an early dismissal day for Fremont High School.

The ACT is now required by the State of Nebraska and is an extremely important measure of academic success. The ACT reading, mathematics, science social science and writing assessments administered on this day will be used to assess the academic progress of our students and will compare the performance of students in the Fremont Public Schools with students across the state of Nebraska. The ACT is also an entrance exam for students who wish to attend a two- or four-year college or university and success on this test can lead to college entrance and scholarship opportunities.

The PreACT will be administered to all Fremont High School 10th-grade students on the same day. This test is a preview of the actual ACT that many of these students will be taking throughout the next year, and that all of our students will take as juniors. This test allows Fremont High School 10th-grade students to be exposed to the rigor of the ACT and to have a greater insight into any academic areas that they need to focus improvement.

The 9th-graders will participate in a series of workshops with speakers/presenters on the topics of career exploration, digital citizenship, and bullying/harassment prevention.

The format that will be used is as follows:

Grade	Activity	Schedule
9th Grade	Workshops: Career, Digital Citizenship, Bullying/Harassment Prevention	7:50 a.m. - 1:15 p.m.
10th Grade	PreACT Test	7:50 a.m. - 1:15 p.m.
11th Grade	ACT Test	7:50 a.m. - 1:15 p.m.
12th Grade	College Visits/Scholarship Applications	No School

***All grade levels will be served both breakfast and lunch on this day.**

Time after dismissal will be used by teachers to further align curriculum with ACT topics. This process has been started at Fremont High School and this time will allow further development and implementation strategies. In addition, students will be allowed to stay in the building to get academic assistance or catch up on missing work.

Sincerely,
Mr. Myron Sikora
Principal
Fremont High School

RE: District Video Observation Camera Project: MSB, Lenihan, Facilities, Davenport - Cameras and Installation

Members of the Board,

The second phase of the district Video Observation Camera project is to install cabling and cameras at the Main Street Building, Lenihan Building, Facilities/Transportation Building and Davenport Building. The first step of each phase is installing cabling to camera locations, which was approved last month. The second step is purchasing and installing cameras and configuring them in the Genetec Security Center system. This request is for the second step of the project, cameras and installation.

Phase I of the project consisted of obtaining competitive price quotes from multiple vendors. I have contacted the camera vendor, Prime Communications, and asked them to provide a quote based on their Phase I response for Phase II of the project.

Phase II of the project includes 69 total camera locations at the four buildings. Coverage at each building includes internal hallways and entrances, and external spaces and entrances. The camera and installation estimate total provided by Prime Communications of \$110,979.89 is comparable to the price provided for Phase I cameras and installation.

With this information I am requesting approval to proceed with the purchase of cameras and installation for Phase II of the Video Observation Camera project at Main Street Building, Lenihan Building, Facilities/Transportation Building and Davenport building by Prime Communications at a total cost of \$110,979.89.

Thank you

RE: eRate FY2021 CAT2 Internal Connections (Cabling) Request

Members of the Board,

Fremont Public Schools has applied for, from the eRate 2021 Eligible Services list, Internal Connections (Cabling) for the 2021 Funding Year. RFPs were posted within the eRate program and responses were received and opened on January 22, 2021. This project will replace the Structured Cabling System installed at the Fremont Middle School and add drops at Johnson Crossing.

One response was received from Computer Cable Connection in the amount of \$149,569.72. Fremont Public Schools qualifies for 80% discount on projects. Costs associated with this project are:

- Total Category2 Internal Connections (Cabling): \$149,569.72
- USAC (eRate) Discount 80%: \$119,650.38
- Fremont Public Schools Contribution 20%: \$29,919.34

The eRate program was created as part of the Telecommunications Act of 1996. One primary focus of the changes in the Act was to help schools and libraries obtain access to state of the art services and technologies at discounted rates (phone, long distance and internet). The eRate Program is funded by additional charges on consumer and commercial phone services (landline and cellular) and internet services. eRate Discount rates are calculated by the level of poverty at each school and the urban/rural status of the population served. Discounts currently range from 20% to 90%. Fremont Public Schools qualifies for an 80% discount on services and has taken advantage of eRate in all years of the program. The eRate program also provides funding for approved Category 2 services. Category 2 services include Internal Connections (cabling, firewall, routers, switches, access points, wireless controllers and other specific items), and Basic Maintenance of Internal Connections.

eRate funding was changed in 2015 to eliminate discounts for phone services, and to allow all applicants access to Category 2 funds. Each entity is now allocated a potential funding amount, depending on student count at each site, and can apply for those funds over a five (5) year cycle. Prior to 2015 only applicants who qualified for 90% or greater discounts received Category 2 funds. Because Fremont Public Schools qualifies at the 80% discount rate we did not qualify for Category 2 funds prior to the 2015 changes. A second part of the Category 2 changes in 2015 included revising the list of Eligible Services. This list is updated for clarification each funding year. Fremont Public Schools has taken advantage of the changes to Category 2 funding to replace access points, to replace switches, to replace cabling and to install new fiber between cabling closets in all school buildings.

This request is to proceed, upon USAC (eRate) approval, with the Category 2 Internal Connections (Cabling) project at Fremont Middle School and Johnson Crossing at a total cost of \$149,569.72 (USAC (eRate) 80% Discount: \$119,650.38 and FPS District Contribution: \$29,919.34). With FPS Board approval and, when received, USAC (eRate) approval, a contract will be signed and the work will be scheduled.

Thank you
