4.1.1. Bond Resolution

For the past 18 months the school district administration Board of Education and a citizens committee have been studying the district facility needs. The study utilized professional services including BVH Architects, Morrissey Engineering, D. A. Davidson Financial, Educational Consulting Inc. and a roofing consultant. All aspects of the building envelope, mechanical/electrical systems, interior/exterior finishes and sites were evaluated.

Educators were engaged to evaluate each facility's ability to accommodate current and future curriculum needs and identify strengths and weaknesses of each building. A survey of the community was conducted which provided valuable insight into the community's perceptions relative to each facility and how projects should be prioritized. The citizens committee reviewed all the data and made recommendations to the Board of Education related to scope of projects, priorities and size of a potential bond issuance.

It is the recommendation of the administration to proceed with a bond resolution at an amount not to exceed \$123 million in an effort to take full advantage of the current favorable bond market. The term for the bonds will be set at 25 years. It is the intent to maintain the current property tax levy in the bond fund and special building fund throughout the term of the life of the bonds.

It is the further recommendation of the administration that the attached Bond Resolution be passed and filed with the Dodge County Clerk for a September 14 special election.

Mr. Shepard and FPS Board of Education Members:

I am seeking your approval to create a new cooperative sponsorship agreement between Fremont High School, Archbishop Bergan High School, Arlington High School and Blair High School for girls and boys swimming.

Blair High School has reached out to the members of our current cooperative agreement to gauge our interest in adding them to our new agreement. All three schools feel that this would be a positive addition. We feel that including Blair would add an additional 2-5 participants to our swimming program each year. Adding these students would help to further defray the costs of the YMCA facility rental and coaches' salaries. Furthermore, the addition of these students would not displace any current participants in the program as we typically have open spots in our lineup.

Our most recent cooperative agreement with Archbishop Bergan and Arlington expired at the end of the 2020-21 school year. The NSAA requires cooperative agreements to be renewed by all schools every two years. This new agreement will cover girls and boys swimming for the 2021-2022 & 2022-2023 school years. Thank you in advance for your consideration of this proposal.

Sincerely,

Scott Anderson
Assistant Principal/Activities Director
Fremont High School

Mr. Shepard and Board of Education Members,

I am seeking your approval to add baseball as a sport offered by Fremont High School as well as to enter into cooperative agreements with Archbishop Bergan for both baseball and girls wrestling.

There are two main factors that have led to this proposal. The first being that the NSAA has approved adding Girls Wrestling as an officially sanctioned sport beginning with the 2021-22 school year. The second factor being that our cooperative agreement with Archbishop Bergan for baseball expired at the end of the 2020-21 school year.

Below is information regarding facilities to be used as well as a proposed budget. The budget will fluctuate based on the actual number of events, athletes participating and travel.

For baseball we will use Schilke Field for our home games and practices. We anticipate having a head coach and three paid assistant positions, which is the same coaching structure that we use for softball. We have worked with the FEA to identify the appropriate placement on the Extra-Duty Schedule for the coaching positions identified above.

During the hearing on the Student Fees Policy in July, baseball was identified with the appropriate expectation of student fees identified.

Anticipated Budget:

Coaches Stipends:	\$ 17,000
Equipment and Uniforms:	\$ 8,000
Travel:	<u>\$ 23,000</u>
First Year Total Budget:	\$ 48,000

It is the recommendation of the Fremont High School Administration to add baseball as a Fremont High School sport and to enter a cooperative agreement with Archbishop Bergan High School for both Baseball and Girls Wrestling for the 2021-2022 school year.

Sincerely,

Scott Anderson
Assistant Principal/Activities Director
Fremont High School

Mr. Shepard and Board of Education Members,

I am seeking your approval to add boys and girls cross country as sports offered by Fremont Middle School beginning in the 2021-22 school year as well as adding a head boys middle school and a head girls middle school coach.

For a number of years, cross country has been offered as a "club" sport at Fremont Middle School. After doing some research, we have found that Fremont is one of the few Class A school districts that does not offer cross country as an "official" middle school sport.

Below is information regarding a proposed budget. The budget will fluctuate based on the actual number of events, athletes participating and travel. The Fremont Track Club has graciously agreed to provide uniforms for both the boys and girls teams.

We have worked with the FEA to identify the appropriate placement on the Extra-Duty Schedule for the coaching positions identified above.

Anticipated Budget:

Coaches Stipends:	\$ 4,858
Entry Fees:	\$ 500
Travel:	<u>\$ 3,400</u>
First Year Total Budget:	\$ 8,758

It is the recommendation of the Fremont Middle School Administration to add boys and girls cross country as official Fremont Middle School sports offerings for the 2021-2022 school year.

Sincerely,

Thad Schumacher
Activities Director
Fremont Middle School

Fremont Learning Center Student Handbook

Changes for 2021-2022

- There were no program structure changes added/amended/omitted
- Velyda Demuth was added as new science teacher
- 2021-2022 Learning Center calendar was added (as approved in spring)

Pathfinder Student-Parent Handbook Changes 2021 – 2022

- 1. Counseling:** Students who attend the Pathfinder Program have the added advantage of meeting regularly with a counselor, and will receive points toward their point card for attending counseling sessions. Counselors will communicate with teachers and families regarding student progress. Counseling is an integral part of the program and all students will be required to attend unless determined otherwise by the IEP team.
- 2. FPS PROPERTY PARTNERSHIP:** Students attending Pathfinder are permitted on other school property (i.e. High School, Middle School, Elementary School) for sport practices/events, extracurricular activities, dual-enrollment courses, or other school sponsored activities. However, they are not permitted on other school property during times they are not assigned to be there—this includes parking lots.
- 3. USDA Language related to the Lunch / Breakfast Programs and current Board adopted calendars.**

Mr. Shepard and FPS Board of Education Members:

On behalf of Fremont High School, I would like to request the following amendment to our early dismissal requests that were approved at the June Board of Education Meeting:

Fri. 12/3/21 John McMullen Wrestling Invitational 1:30 PM Start/Dismiss @ 12:00 PM (Lunch served)

The rationale for this request is because girls wrestling is now an NSAA sanctioned sport. We feel that it is important to include both genders at our home invitational. The earlier start and dismissal times will allow us to complete the tournaments in one day. Also, the earlier dismissal will allow for our students to clear the building prior to the event beginning, as well as free parking space for the participating teams and spectators. FHS staff not helping with the event will be expected to participate in professional development and/or work in their classrooms.

Thank you for your consideration of this request.

Sincerely,

Scott Anderson
Assistant Principal/Activities Director
Fremont High School

August 9, 2021

Dear Members of the Board,

The administration and staff at JCAC request board approval to move the dates of the Fall parent/teacher conferences to October 4th and October 6th, 2021. These dates have the least amount of conflicting activities at FHS and FMS. These new dates also do not conflict with conferences at FMS or FHS. Our previously scheduled dates had several other activities scheduled over top of our conferences which led to many coaches and teachers with children involved in the activities to be gone. We have also found that our attendance at conferences is much lower when there are high school athletic events scheduled on the same evenings. The idea to change to these new dates was initiated by members of the FEA and they gave their input on the new proposed dates. The dates were confirmed as acceptable and preferred by members of the teaching staff and Doug Sheppard, FEA President. Thank you for your consideration.

Sincerely,
Brent Harrill
