BE IT RESOLVED BY THE BOARD OF EDUCATION OF DODGE COUNTY SCHOOL DISTRICT 0001 (FREMONT PUBLIC SCHOOLS) IN THE STATE OF NEBRASKA:

Section 1. The Board of Education (the “**Board**”) of Dodge County School District 0001 (Fremont Public Schools) in the State of Nebraska (the “**District**”) hereby finds and determines as follows:

(a) The District is duly organized as a school district under Sections 79-102 and 79-407, Reissue Revised Statutes of Nebraska, as amended, maintaining both elementary and high school grades under the direction of a single board of education.

(b) Pursuant to Chapter 10, Article 7, Reissue Revised Statutes of Nebraska, as amended (the “**Act**”), the Board has the authority, upon a majority vote of electors voting at a special election held on September 14, 2021 (the “**Election**”) to (1) issue negotiable bonds of the District for the purpose of paying the costs of land acquisition and site improvements for new and existing property, including any necessary demolition of existing buildings; construction and acquisition of new elementary school buildings and related improvements; additions, renovations and improvements to existing elementary, fifth and sixth grade, middle school and high school facilities; and providing for the necessary furniture, equipment and apparatus for such school buildings, renovations and improvements for the District (the “**Project**”), and (2) levy an annual tax on the taxable value of all the taxable property in the District sufficient in rate and amount to pay the principal of and interest on such bonds.

(c) Pursuant to a resolution adopted by the Board, at the Election there was submitted to the electors of the District a proposition (the “**Proposition**”) for the issuance of bonds in an amount not to exceed \$123,000,000 to provide funds to pay the costs of the Project and related costs and to levy an annual tax sufficient to pay the principal of and interest on such bonds as the same become due.

(d) Notice of the Election was published as provided by law, the Election was conducted as provided by law and the results of the Election were as follows:

Total Ballots Cast	6,151
Ballots cast in favor of bonds and tax	3,987

(e) The Board has duly canvassed the returns of the Election and hereby further finds and determines that a majority of all the qualified electors voting on the Proposition voted in favor of the issuance of such bonds and the levy and collection of taxes to pay the same.

(f) The District has not issued any of the bonds authorized at the Election prior to the date of this resolution.

(g) It is necessary, desirable, advisable and in the best interest of the District to authorize the issuance, sale and delivery of the bonds authorized at the Election pursuant to the Act, in one or more series, in an aggregate stated principal amount not to exceed \$123,000,000 for the purposes of paying a portion of the costs of the Project, capitalized interest on the bonds, and the costs of issuing such bonds. Such bonds are expected to be issued in multiple series on different dates.

(h) All conditions, acts, and things required by law to exist or to be done precedent to the issuance of such bonds do exist and have been done in due form and time as required by law.

Section 2. (a) For the purpose of paying the costs of the Project and the costs of issuing bonds as described herein, the issuance, sale and delivery of general obligation school bonds of the District, in one or more series, is hereby authorized and directed in an aggregate stated principal amount not to exceed \$123,000,000 (the “**Bonds**”). The Bonds shall be issued in fully registered form in the denomination of \$5,000 or any integral multiple thereof, not exceeding the amount maturing in any one year, and shall be numbered from R-1 upward in the order of their issuance.

(b) The Superintendent of the District and President of the Board (each, an “**Authorized Officer**”) is hereby authorized and directed, in the exercise of his independent judgment and absolute discretion, to hereafter, from time to time, specify, set, designate, determine, establish and appoint, as the case may be, and in each case in accordance with and subject to the provisions of this Resolution, for each series of the Bonds, (1) the date of original issue of the Bonds, the first series of which shall be issued on or before March 1, 2022, (2) the aggregate stated principal amount of each series of the Bonds to be issued (which shall in no event exceed the stated principal amount of \$123,000,000 in the aggregate), (3) the principal payment dates for the Bonds and the principal amount of Bonds to mature on each of such dates, (4) the date of final maturity of each series of Bonds, which shall in no event be later than the twenty-fifth anniversary of the date of original issue of each such series of Bonds, (5) the date or dates upon which each series of the Bonds shall be sold, (6) the rate or rates of interest to be carried by each maturity of each series of the Bonds (which shall in no event result in a true interest cost exceeding 5.00% per annum for a series of the Bonds) and any original issue premium or discount, (7) the method by which such rate or rates of interest shall be calculated and the interest payment dates and record date for the Bonds, (8) whether or not the Bonds shall be subject to redemption prior to their stated maturity and, if subject to such prior redemption, (A)

the provisions and procedures governing such prior redemption, (B) the nature of any notice to be given in the event of any such prior redemption, (C) the redemption price or prices payable upon such redemption (not to exceed 104%) and (D) the respective periods in which each redemption price shall be payable, (9) the amount and due date of each sinking fund installment for Bonds that are term Bonds, (10) all of the other terms of the Bonds not otherwise determined or fixed by the provisions of this Resolution, (11) the underwriting discount, not to exceed 0.80%, and the price at which the Bonds shall be sold and the identity of the underwriting firm purchasing the Bonds, as the original purchaser, (the “**Purchaser**”) and, (12) the form, contents, terms and provisions of the Bond Purchase Agreement and Registrar Agreement (each as hereinafter defined) and (13) the form and contents of any closing and other documentation executed and delivered by the District in connection with the authorization, issuance, sale and delivery of the Bonds.

(c) Payments of interest due on the Bonds prior to maturity or earlier redemption shall be made by the Registrar (hereinafter defined) by mailing a check or draft in the amount due for such interest on each interest payment date to the registered owner of each Bond, as of the record date for such interest payment date, to such owner’s registered address as shown on the books of registration required to be maintained pursuant to **Section 5**. Payment of the principal or redemption price of and interest on any Bond at maturity or earlier redemption shall be made upon presentation and surrender of such Bond as the same shall become due and payable at maturity, upon redemption or otherwise, in lawful money of the United States of America at the office of the Registrar. Notwithstanding the foregoing, Bonds issued in book-entry form shall be paid in accordance with **Section 2(d)**.

(d) The Bonds shall be executed on behalf of the District by the manual or facsimile signatures of the President and Secretary. The Bonds shall initially be issued in book-entry form only using the services of The Depository Trust Company (the “**Depository**”), with one typewritten bond per maturity being issued to the Depository. In such connection such officers are authorized to execute and deliver a letter of understanding and representation (the “**Representation Letter**”) in the form required by the Depository, for and on behalf of the District, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon the issuance of the Bonds in book entry-form, the following provisions shall apply:

(1) The District and the Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a “**Bond Participant**”) or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each, a “**Beneficial Owner**”) with respect to the following:

(A) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds;

(B) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption; or

(C) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond.

(2) Upon receipt by the Registrar of written notice from the Depository to the effect that the Depository is unable or unwilling to discharge its responsibilities, the Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests

the District and the Registrar to do so, the District and the Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (A) to arrange, with the prior written consent of the District, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (B) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(3) Subject to any operational requirements of the Depository, if the District determines that it is desirable that certificates representing the Bonds be delivered to the Beneficial Owners of the Bonds and so notifies the Registrar in writing, the Registrar shall so notify the Depository, whereupon the Depository will notify the Bond Participants of the availability through the Depository of certificates representing the Bonds. In such event, the District and the Registrar shall issue, transfer or exchange certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(4) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Representation Letter.

(5) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Registrar, and the Bonds may be delivered in physical form to the following:

(A) any successor securities depository or its nominee;

(B) any persons, upon (i) the resignation of the Depository from its functions as depository or (ii) termination of the use of the Depository pursuant to this **Section 2**.

(6) In the event of any partial redemption of a Bond, unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this **Section 2**, the books and records of the Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced, the District shall immediately provide a supply of printed bond certificates, duly executed by the manual or facsimile signatures of the President and Secretary, for issuance upon transfers from the Depository and subsequent transfers or in the event of partial redemption. In the event that such supply of bonds shall be insufficient to meet the requirements of the District and Registrar for issuance of replacement bonds upon transfer or partial redemption, the District agrees to order printed an additional supply of bonds and to direct their execution by the manual or facsimile signature of its then duly qualified and acting President and Secretary. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bonds delivered to the Registrar for issuance upon transfer), such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until the Certificate of Authentication thereon shall have been duly executed by the Registrar. Certificates of Authentication on different Bonds need not be signed by the same representative. The executed Certificate of Authentication on each Bond shall be conclusive evidence that it has been authenticated and delivered under this Resolution.

(e) Any Bond issued upon transfer or exchange thereof shall be dated as of the date of original issue of such Bond or the interest payment date six months preceding the interest payment date next following the date of registration thereof in the office of the Registrar, as shall be appropriate, unless such date of registration shall be an

interest payment date, in which case they shall be dated as of such date of registration; provided, however, that if, as shown by the records of the Registrar, interest on such Bond shall be in default, the Bond issued in lieu thereof may be dated as of the date to which interest has been paid in full on such surrendered Bond; and provided further, that if the date of registration shall be prior to the first interest payment date, such Bond shall be dated as of the date of original issue thereof. The Bonds shall bear interest from the date of original issue thereof.

(f) When any Bond shall have been duly called for redemption and payment thereof duly made or provided for, interest thereon shall cease from and after the date specified for the redemption thereof.

(g) Both the principal of and interest on the Bonds shall be payable at the office of the Registrar in any coin or currency of the United States of America which at the time of such payment is legal tender for public and private debts.

(h) If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city where the principal corporate trust office of the Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

(i) An Authorized Officer, in her or his discretion, may authorize the printing of CUSIP identification numbers on the Bonds. In the event such numbers are imprinted on the Bonds, no such number shall constitute a part of the contract evidenced by the particular Bond upon which it is imprinted, and no liability shall be attached to the District, or to any officer or agent thereof, including the Registrar, by reason of such numbers or any use made thereof, including any use thereof made by the District, any such officer, the Registrar, or by reason of any inaccuracy, error or omission with respect thereto or in such use.

(j) The Bonds, registration provisions, form of authentication and form of assignment pertaining thereto shall be substantially in the forms set forth below with such changes as may be determined upon by an Authorized Officer and such other necessary or appropriate variations, omissions and insertions as are incidental to numbering, denominations, interest rate or rates, registration provisions, redemption provisions and other details thereof or as are otherwise permitted or required by law or this Resolution.

(k) In the event that payments of interest due on the Bonds on an interest payment date are not timely made, such interest shall cease to be payable to the registered owners as of the record date for such interest payment date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Registrar whenever money for the purpose of paying such defaulted interest becomes available.

(l) The Bonds shall be in substantially the following form:

In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the District shall execute and the Registrar shall deliver Bonds in accordance with the provisions of this Resolution. For every such exchange or transfer of Bonds, whether temporary or definitive, the District or the Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum(s) shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The District and the Registrar shall not be required to make any transfer or exchange of any Bonds called for redemption.

As to any Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and the payment of or on account of the principal or redemption price of and the interest on any such Bond shall be made only to or upon the order of the registered owner thereof or its legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond, including the interest thereon, to the extent of the sum(s) so paid.

Section 6. (a) An Authorized Officer is hereby authorized to enter into the Bond Purchase Agreement between the District and the Purchaser under which the District agrees to sell the Bonds to the Purchaser, upon the terms and conditions set forth therein and with such changes therein as shall be approved by an Authorized Officer, which officer is hereby authorized to execute the Bond Purchase Agreement for and on behalf of the District, such

officer's signature thereon being conclusive evidence of his or her approval thereof (the "**Bond Purchase Agreement**"). An Authorized Officer shall be responsible for delivery of the Bonds and for all other ministerial acts relating to the Bonds. Each Authorized Officer and all other officers of the Board are hereby authorized to take all actions subsequent to the sale of the Bonds in accordance with the provisions of this Resolution as may be required for the delivery of the Bonds to the Purchaser thereof. Such officials are hereby authorized to execute such orders, certificates, receipts and other documents as may be necessary or desirable for delivery and to receive the purchase price for the Bonds.

(b) The proceeds received from the sale of the Bonds, including the accrued interest thereon, if any, on the Bonds from the date of original issuance thereof to the date of delivery and payment therefor, shall be received by an Authorized Officer, who shall deposit the proceeds thereof into the "Construction Fund," which is hereby established and created. Amounts on deposit in the "Construction Fund" shall be expended from time to time in order to pay costs and expenses incurred by the District in connection with the Project, which may include costs of issuance of the Bonds.

Section 7. The District's obligations under this Resolution shall be fully discharged and satisfied as to any Bond authorized and issued hereunder, and such Bond shall no longer be deemed outstanding hereunder when payment of the principal or redemption price thereof and accrued interest thereon to the date of maturity or redemption (a) shall have been made, or caused to have been made, in accordance with the terms thereof; or (b) shall have been provided for by depositing with the Registrar, or in escrow with a national or state bank having trust powers in trust solely for such payment of such Bond (1) sufficient money to make such payments; or (2) direct general obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America (herein referred to as "**Government Obligations**"), in such amounts and with such maturities as to principal and interest as will insure the availability of sufficient money to make such payments, and such Bond shall thereupon cease to draw interest from the date fixed for its redemption or maturity and, except for the purposes of such payment, shall no longer be entitled to the benefits of this Resolution; provided that with respect to any Bond called or to be called for redemption prior to the stated maturity thereof, notice of redemption shall have been duly given. If money or Government Obligations shall have been deposited in accordance with the terms hereof with the Registrar or escrow agent in trust for that purpose sufficient to pay the principal or redemption price of or interest on any Bond to the date of maturity or redemption, all liability of the District for such payment shall forthwith cease, determine and be completely discharged, and such Bond shall no longer be considered outstanding.

Section 8. The preparation, use, distribution and delivery of a Preliminary Official Statement and an Official Statement or other offering materials of the District in such forms and of such contents as an Authorized Officer shall, in the exercise of her or his independent judgment and absolute discretion determine to be necessary, proper, appropriate, advisable or desirable in order to effectuate the issuance, sale and delivery of the Bonds is hereby in all respects, authorized, directed, adopted, specified, accepted, ratified, approved and confirmed. An Authorized Officer shall deem any such offering materials as final for purposes of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934, as amended.

Section 9. The District hereby (a) authorizes and directs that an Authorized Officer execute and deliver, on the date of issue of the Bonds, a continuing disclosure undertaking (the "Continuing Disclosure Undertaking") in such form as shall be satisfactory to the District and in compliance with Rule 15c2-12 of the Securities and Exchange Commission, and (b) covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Undertaking) or any Beneficial Owner or any Registered Owner of a Bond (as such terms are defined in the Continuing Disclosure Undertaking) may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the District to comply with its obligations under this section.

Section 10. All actions heretofore taken by an Authorized Officer and all other officers, officials, employees and agents of the District, including without limitation the expenditure of funds and the selection, appointment and employment of bond counsel and financial advisors and agents, in connection with issuance and sale of the Bonds, together with all other actions taken in connection with any of the matters which are the subject hereof, are in all respects authorized, adopted, specified, accepted, ratified, approved and confirmed.

Section 11. Without in any way limiting the power, authority or discretion elsewhere herein granted or delegated, the Board hereby (a) authorizes and directs each Authorized Officer and all other officers, officials, employees and agents of the District to carry out or cause to be carried out, and to perform such obligations of the District and such other actions as they, or any of them, in consultation with bond counsel, the Purchaser of the Bonds and its or their counsel, shall consider necessary, advisable, desirable or appropriate in connection with this Resolution, any Preliminary Official Statement and any Official Statement and other offering materials of the District used in connection with issuance, sale and delivery of the Bonds, including without limitation and whenever appropriate the execution and delivery thereof and of all other related documents, instruments, certifications and opinions, and (b) delegates, authorizes and directs each Authorized Officer the right, power and authority to exercise her or his independent judgment and absolute discretion in (1) determining and finalizing all other terms and provisions to be carried by the Bonds not specifically set forth in this Resolution and (2) the taking of all actions and the making of all arrangements necessary, proper, appropriate, advisable or desirable in order to effectuate the issuance, sale and delivery of the Bonds. The execution and delivery by an Authorized Officer or by any such other officers, officials, employees or agents of the District of any such documents, instruments, certifications and opinions, or the doing by them of any act in connection with any of the matters which are the subject of this Resolution, shall constitute conclusive evidence of both the District's and their approval of the terms, provisions and contents thereof and of all changes, modifications, amendments, revisions and alterations made therein and shall conclusively establish their absolute, unconditional and irrevocable authority with respect thereto from the District and the authorization, approval and ratification by the District of the documents, instruments, certifications and opinions so executed and the actions so taken.

Section 12. (a) The District covenants and agrees that (1) it will comply with all applicable provisions of the Internal Revenue Code of 1986, as amended (the "**Code**"), including Sections 103 and 141 through 150, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds, and (2) it will not use or permit the use of any proceeds of the Bonds or any other funds of the District, nor take or permit any other action, or fail to take any action, which would adversely affect the exclusion from gross income of the interest on the Bonds. The District will also adopt such other resolutions and take such other actions as may be necessary to comply with the Code and with other applicable future laws, in order to ensure that the interest on the Bonds will remain excluded from gross income for federal income tax purposes, to the extent any such actions can be taken by the District.

(b) The District covenants that (1) it will comply with all requirements of Section 148 of the Code to the extent applicable to the Bonds, (2) it will use the proceeds of the Bonds as soon as practicable and with all reasonable dispatch for the purposes for which the Bonds are issued, and (3) it will not invest or directly or indirectly use or permit the use of any proceeds of the Bonds or any other funds of the District in any manner, or take or omit to take any action, that would cause any Bond to be an "arbitrage bond" within the meaning of Section 148(a) of the Code.

(c) The District covenants that it will pay or provide for the payment from time to time of all arbitrage rebate to the United States of America pursuant to Section 148(f) of the Code and any United States Treasury Regulations applicable to the Bonds from time to time. This covenant shall survive payment in full or defeasance of the Bonds. The District specifically covenants to pay or cause to be paid to the United States of America, the required amounts of arbitrage rebate at the times and in the amounts specified in the Federal Tax Certificate executed and delivered by the District in connection with the issuance of the Bonds (the "**Tax Certificate**"). The

Tax Certificate may be amended or replaced if, in the opinion of nationally recognized bond counsel, such amendment or replacement will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on any Bond.

(d) The District covenants that it will not use any portion of the proceeds of the Bonds, including any investment income earned on such proceeds, directly or indirectly, (1) in a manner that would cause the Bonds to be “private activity bonds” within the meaning of Section 141(a) of the Code, or (2) to make or finance a loan to any non-governmental entity.

Section 13. Rebate Account. To ensure proper compliance with the tax covenants contained in **Section 12**, the District shall establish and an Authorized Officer shall maintain one or more accounts separate from any other fund or account established and maintained hereunder appropriately designated as the 2019 Rebate Account. All money at any time deposited in any Rebate Account in accordance with the provisions of a Tax Certificate shall be held for the account of the District in trust for payment to the federal government of the United States of America, and neither the District nor any registered owner of any Bond shall have any rights in or claim to such money. All amounts deposited into or on deposit in any Rebate Account shall be governed hereby and by the related Tax Certificate. The District shall invest all amounts held in any Rebate Account in accordance with the related Tax Certificate. Money shall not be transferred from a Rebate Account except in accordance with the related Tax Certificate.

Section 14. The Secretary is directed to make and certify transcripts of the proceedings of the District precedent to the issuance of such Bonds, a copy of which shall be delivered to the Purchaser.

Section 15. (a) If any one or more of the provisions of this Resolution should be determined by a court of competent jurisdiction to be contrary to law, then such provisions shall be deemed severable from the remaining provisions of this Resolution and the invalidity thereof shall in no way affect the validity of the other provisions of this Resolution or of the Bonds and the registered owners of the Bonds shall retain all the rights and benefits accorded to them under this Resolution and under any applicable provisions of law.

(b) If any provision of this Resolution shall be held or deemed to be or shall, in fact, be inoperative or unenforceable or invalid in any particular case in any jurisdiction or jurisdictions, or in all cases because it conflicts with any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable or invalid in any other case or circumstance, or of rendering any other provision or provisions herein contained inoperative or unenforceable or invalid to any extent whatever.

Section 16. All documents, agreements, certificates, and instruments related to the Bonds shall be valid, binding, and enforceable against the District when executed and delivered by means of (i) an original manual signature; (ii) a faxed, scanned, or photocopied manual signature, or (iii) any other electronic signature permitted by electronic signatures laws, including any relevant provisions of the Uniform Commercial Code, in each case to the extent applicable. Each faxed, scanned, or photocopied manual signature, or other electronic signature, shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each document, agreement, certificate, and instrument related to the Bonds may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same document, agreement, certificate, or instrument, as applicable.

Section 17. This Resolution shall take effect and be in force from and after its passage as provided by law.

To: Mr. Shepard and Fremont Public Schools Board of Education
From: Cliff Huss
Date: November 8, 2021
RE: ECF FY2021 Request

Members of the Board,

Fremont Public Schools has applied for Emergency Connectivity Fund (ECF) funding. The ECF application was submitted during the first funding window in August 2021 and an ECF Funding Commitment Decision Letter was received October 25, 2021 approving our request for \$156,400.00. The request is to purchase Chromebooks with an i3 processor for all teachers and administrators. The Lenovo Flex5 Chromebook was chosen from previous research and testing.

An updated Chromebook will help teachers and administrators should there be another shutdown. Teacher and Administrator experience proved that the existing Chromebooks they have do not have a powerful enough processor to host a class Zoom session and provide additional sharing. Tests have concluded that a Chromebook with an i3 processor will provide enough processing power to allow a teacher or Administrator to successfully host a class Zoom session and share additional information to session participants.

This request is to proceed with the purchase of Lenovo Flex5 Chromebooks and Google Management licenses. Total quantity of Chromebooks will be determined by Amazon Business prices at the time of order. Intent is to order as many Chromebooks as can be ordered utilizing the full funding amount. FPS will cover any partial Chromebook cost amount above the ECF funding amount. FPS must also purchase a Google Management license for each Chromebook at \$32.00 each. ECF Funding will not provide funding for Google Management licenses.

Estimated quantities:

Lenovo Flex5 Chromebooks: 474 (estimated price each: \$329.99, estimated total: \$156,415.26)
ECF Funding: \$156,400.00, FPS cost: \$15.26

Google Chrome License: 474 @ \$32.00 each = \$15,168.00
ECF Funding: \$0.00, FPS cost: \$15,168.00

Estimated FPS total cost: \$15,183.26
The district's share will be funded through the General Fund.

Thank you

Cliff Huss
Director of Information Services
