The band boosters organization has received a quote and itinerary from Bob Rogers Travel for this trip. The Band Boosters Organization conducts general fundraising activities year round, so many students already have money raised to help cover the costs of this trip.

In addition to what has already been raised, the band boosters will be conducting the following fundraiser over the next couple of months to help secure the necessary funds so that any band student wanting to go on this trip can attend:

- selling of chocolate candy bars
- selling of car wash gift certificates
- dining out at restaurants that will donate a portion of proceeds from a specific evening back to the band boosters
- selling concessions at football, wrestling and basketball home events

The band boosters organization will also use money from their general fund to help students who are unable to raise the necessary funds to ensure that all students that want to participate in the trip can attend.

It is the recommendation of the administration to approve the out of State travel request pursuant to Board of Education Policy 53C.11a with the following criteria being met: 1) The contract for the trip is entered into by the Band Booster Club and not the school district. 2) Provisions are made for students that are free / reduced priced meals eligible for any meals not covered by Bob Rogers Travel. 3) At least 25% of the total cost of the trip is fundraised prior to entering into the agreement for the trip. 4) The Booster Club considers purchasing the Enhanced Plan F561E Tripmate coverage.

Mr. Shepard and FPS Board of Education Members:

I am seeking your approval to add Logan View High School to our high school boys and girls bowling cooperative agreement with Archbishop Bergan High School. The addition of Logan View will potentially increase opportunities for the students that are already participants in the program as it will bring us closer to being able to field full teams at both the varsity and junior varsity levels.

This agreement will be for the 2024-25 school year and the 2025-26 school year.

Sincerely,

Scott Anderson
