Transportation/Maintenance/Athletic Director Report

- We have just about finished all the repairs to our vehicles from the 3rd round of inspections. Our blue chevy van also had a fuel pump go out in the last week. I plan to have a sheet with all of our vehicles mileage on it for you at our next meeting. We will start on the 4th round of inspections at the end of the school year.
- I had a NSTA (Nebraska State Transportation Association) meeting on March 17th. The meeting was very informative and they are planning on doing meetings every couple of months going forward. One thing that came out of that meeting was where each school district stands on seat belts in school buses. Iowa passed a lap/shoulder belt law in 2019. If and when a bill gets introduced here in Nebraska, the NSTA would like to know where each school stands on this. I have another meeting in June where we will discuss this further.
- Egan Supply will be here to recoat our gym floor this summer on July 2nd. We will close the gym from July 2-11 to allow the floor to dry properly.
- Kudu Lawn Care was here at the beginning of April to aerate and fertilize our football field and front lawn area. Everything is looking good at this time.
- The lawn mowing season is upon us. I have fired up all of the lawn equipment and everything is running well at this time. I will keep you up to speed if something changes on this.
- I have most of next year's activities and events input into the google calendar for the 2021-2022 school year. In a follow up from the last meeting, we will be holding the Mudecas JH quiz bowl in Sterling on Monday, April 11th. This will only be a half day of school for our students. Staff will stay and help facilitate the quiz bowl.

Dear Chris Salberg

The Sterling Board of Education and Administration would like to commend you for your hard work and commitment to ensuring the continued success of our SkillsUSA chapter at Sterling Public Schools. We appreciate your input and willingness to assist in hosting the SkillsUSA event on March 15 and your efforts did not go unnoticed. We greatly appreciate your efforts to promote and assist our SkillsUSA even in retirement.

We greatly appreciate your support and commitment to our students and school! Go Jets!

Dear Sharon Floth,

The Sterling Board of Education and Administration would like to commend you for your willingness to assist our music program by practicing and recording the piano part to accompany our band and choir at our music contests. Your willingness to help enabled our band and choir to compete when they otherwise likely would not have been able. Thank you for the multiple visits to our school and for the time that you committed to helping our students be successful.

We greatly appreciate your support to our students and school! Go Jets!

Yours Truly,

Re: Core Services Resolution
Program Support: 2021-2022 School Year

The service units in Nebraska are required by law to provide *Core Services* (Rule 84) to member schools. In order to do that, the state provides some funding, which is based on the student enrollment numbers for each district. This information is shared with superintendents each year.

I have not received a draft from NDE regarding Core Services funds for 2021-2022. The amount for 2020-2021 is \$172,419.59.

Each service unit in the state is given the responsibility to define Core Services within the following prerequisites:

- A. Core Services shall be within the following service areas in order of priority:
 - a. Staff Development
 - b. Technology; and
 - c. Instructional Material Services;
- B. Core Services shall improve teaching and student learning by focusing on enhancing school improvement efforts, meeting statewide requirements, and achieving statewide goals in the state's system of elementary and secondary education;
- C. Core Services shall provide schools with access to services that:
 - a. The educational service unit and its member school districts have identified as necessary services;
 - b. Are difficult, if not impossible, for most individual school districts to effectively and efficiently provide with their own personnel and financial resources;
 - c. Can be efficiently provided by each educational service unit to its member school districts;
 - d. Can be adequately funded to ensure that the service is provided equitably to the state's public school districts;
- D. Core Services shall be designed so that the effectiveness and efficiency of the service can be evaluated on a statewide basis; and

E. Core Services shall be provided by the educational service unit in a manner that minimizes the costs of administration or service delivery to member school districts.

Statutes also state that in order for Core Services to be provided to member schools, two-thirds of the member districts representing a majority of the students must approve these services. The statute also has the same requirement for additional services provided by the ESU and funded by the general fund tax levy. In the past a district's participation in Core Service Programs has been identified by a resolution (enclosed) approved by the board of education for each district. Support services have been identified and supported by the unit's Advisory Committee. In addition to utilizing property tax receipts for support services, portions of those costs are paid for by the districts utilizing the services. This plan has been, and is discussed continually, and is supported by the Advisory Committee.

At this point, the amount of Core Services funding is not known. To meet the intent of the law in a professional manner given the financial constraints continues to be a challenge. The financial and professional support shown by our districts is wonderful and has been very beneficial. Such support allows the services to continue.

Enclosed with this memo is a resolution for each district's Board of Education to consider. With that support and an endorsement from ESU 4's Board we will receive state funding in order to support Core Services for the 2020-2021 school year. Please consider this resolution at your April/May Board meeting and return the resolution document to me. I will then ask the ESU 4 Board to approve all district resolutions.

Thank you to your Board for the continued support for ESU 4's Core Services programs. As well, thank you for the endorsement of the identified support services we have provided and will continue to provide.

2021-2022 Board Goals

1. Review curriculum and classes to optimize student learning by providing adequate time for students to study at school through teacher collaboration. This allows the staff to identify any issues/needs/problems with class offerings and scheduling.
2. Review and investigate extracurricular activities.
3. Evaluate grading policies and assessments to recognize student achievement.
4. Work with Grounds/Facilities Committee to develop an on-going Master Plan to improve and/or repair facilities.
 - a. Clean up property
 - b. Long term plan for Industrial Tech and Bus Barn
 - c. Review and develop a plan for the main entrance/cafeteria/lunchroom.
5. Create an advertisement plan for increased enrollment and promote Sterling Public Schools.
