Student Council has started planning Homecoming which is the week of September 29-October 4. The theme this year is “Light the Way to Victory”, which is a takeoff of the movie *Tangled*.

Music and Student Council will once again be selling Eileen’s Cookie Dough in October as a fundraiser.

The Band is busy perfecting their field show that evolves around a Disney theme. They will be attending the Harvest of Harmony parade in Grand Island on October 4 and the Minden Bandfest on October 18.

FBLA had a cake raffle at the L/N Volleyball game to raise money for the Alzheimer's Association. The group will be selling Krispy Kreme Donuts and working the concession stand at the GICC Football home game to fundraise this year. Four officers and six members will attend the Fall Leadership Conference in Kearney.

The High School Art Club is off to a strong start with 72 students signed up, its biggest group yet! This year the group is planning visits to college art departments and public art museums, plus one social event each semester. For the fall, it is bringing back the popular pumpkin carving party, this time held in the Superior Auditorium Building for a fun, Halloween-themed night of creativity.

Superior FFA has changed to an affiliation chapter meaning where anyone in an Ag Ed class is technically a member now. In the upcoming weeks, students will be competing in Range Judging on September 17, Land Evaluation on October 4, and exploring careers at Husker Harvest Days on September 11. The Chapter has completed over 15 hours of community service with the tree clean up after the August 9 storm. The organization is looking for community members with a knowledge of livestock to help the members practice for the district livestock evaluation.

Fall Growth MAPS Testing

On August 25th-27th, 6th-11th grade students participated in MAP (Measure of Academic Progress) testing. These tests measure students' achievement and growth in Language Usage, Reading, Math, and Science. This fall test gives students and teachers a baseline on where students are at in each subject according to our state standards. Our goal is for students to show growth when they test in the winter and the spring.

This year I sent a letter to all parents about MAPS testing and why it is important. Along with this information, I gave parents the schedule on what days we were testing with the corresponding test. Students finalized makeup testing this past week, so as a staff we will now look at our students' scores to identify strengths and areas where we need to improve.

Dual Credit CNA Course

Nurse McMeen is offering a fall CNA course again for juniors and seniors. She is going with the hybrid format this fall. Students will take courses / lectures online and then have in-person hours on Sundays. We have five students enrolled to take this course.

Professional Development

This year we are having LaRaesha Kugel visit our secondary building four times to provide professional development and instructional coaching to our staff. Her first visit was on September 3rd. She visited classrooms and was impressed with our clear expectations and how our teachers built relationships with our students making every classroom safe for everyone.

Last year, LaRaesha helped our staff to focus on developing engagement strategies. This year, we are building on that foundation by deepening engagement and shifting our classrooms toward a more student-centered learning environment.

 - DeMoine Adams will be coming to present on our Teammates Mentoring Program
