**REDUCTION-IN-FORCE
CERTIFIED PERSONNEL**

It is the policy of the Wellston Board of Education that, in the event it becomes necessary to reduce the professional staff of this school district, reduction-in-force at any level may be based on any of the following conditions:

- Decrease in revenue,
- Decrease in student enrollment,
- Changes in educational programs or curriculum,
- Cancellation of programs, or
- Any other circumstances determined by the board.

Definitions

Career teacher means a teacher who:

- a. is employed by a school district prior to the 2017-2018 school year and has completed three (3) or more consecutive complete school years as a teacher in one school district under a written continuing or temporary teaching contract, or
- b. for teachers employed for the first time by a school district under a written continuing or temporary teaching contract during the 2017-2018 school year and thereafter.

(1) has completed three (3) consecutive complete school years as a teacher in one school district under a written continuing or temporary teaching contract and has achieved a district evaluation rating of "superior" as measured pursuant to the TLE as set forth in 70 O.S. § 6-101.16 of this act for at least two (2) of the three (3) school years,

(2) has completed four (4) consecutive complete school years as a teacher in one school district under a written continuing or temporary teaching contract, has averaged a district evaluation rating of at least "effective" as measured pursuant to the TLE for the four-year period, and has received a rating of at least "effective" for the last two (2) years of the four-year period, or

(3) has completed four (4) or more consecutive complete school years in one school district under a written continuing or temporary teaching contract and has not met the requirements of subparagraph "a" or "b" of this paragraph, only if the principal of the school at which the teacher is employed submits a petition to the superintendent of the school district requesting that the teacher be granted career status, the superintendent agrees with the petition, and the school district board of education approves the petition. The principal shall specify in the petition the underlying facts supporting the granting of career status to the teacher;

Probationary teacher means a teacher who:

- a. for teachers employed by a school district prior to the 2017-2018 school year and has completed fewer than three (3) consecutive complete school years as a teacher in one school district under a written teaching contract, or
- b. for teachers employed for the first time by a school district under a written teaching contract during the 2017-2018 school year and thereafter.

REDUCTION-IN-FORCE, CERTIFIED PERSONNEL (Cont.)

In the event any of the above conditions occur, every effort will be made to accomplish the necessary reduction by attrition, voluntary resignation, or voluntary retirement. Reduction-in-force will be made according to the following procedures:

1. The position will be the determining factor in a reduction, not the teacher occupying the position.
2. The primary basis used in determining the retention or reassignment of affected teachers when a school district implements a reduction-in-force plan shall be the ratings of the teachers as measured pursuant to the TLE as set forth in 70 O.S. § 6-101.16. The order of termination, for affected teachers, will be as follows:
 - A. A probationary teacher in an eliminated position will be terminated first
 - B. A career teacher in an eliminated position will be placed in a retained position in which the teacher is, at the time of the presentation of the recommendation to reduce force, certified by standard certification, provided the position is occupied by a probationary teacher.
 - C. If a career teacher is qualified for standard certification in a position held by a probationary or licensed teacher but does not have such a certificate, then such career teacher must have evidence of eligibility for such certification on file in a personnel file in the office of the superintendent at the time of the presentation of the recommendation to reduce force.
 - D. If there is more than one career teacher assigned to the position that is subject to being eliminated, the following criteria, in this order, will be used to determine which of the career teachers will be retained:
 1. Certification in a retained teaching position that is open. A career teacher with standard certification for the retained position will be retained over a probationary teacher.
 2. Seniority in continuous, full-time, contracted, certified employment in the district. (Approved medical leave shall not result in a break in service.)
 3. If certification and seniority are the same according to the above criteria, the determining factors in order of importance are:
 - a. Years of teaching experience in the retained position in the local school district.
 - b. Academic degree status:

A teacher with a doctor's degree will be retained over a teacher with a master's or a bachelor's degree; a teacher with a master's will be retained over a teacher with a bachelor's degree.
 - E. If there is more than one probationary teacher in the position being reduced, the criteria listed in D, 1 through 3, will be used in determining which probationary teacher or licensed teacher will be retained.

Optional

Personnel whose employment is terminated under the provisions of this policy shall be given priority for reemployment to fill subsequent vacancies in positions for which they have standard certification. Such

REDUCTION-IN-FORCE, CERTIFIED PERSONNEL (Cont.)

reemployment shall be in reverse order of termination according to the provisions of this policy. Priority for reemployment shall extend through _____ (date) *(not to exceed one year)*.

Any person terminated under the provisions of this policy who wishes to be considered for future vacancies must make formal application for a teaching position and must notify the superintendent by certified mail, restricted delivery, within ten (10) days following final board action on the termination, of the teacher's desire to remain an active applicant for a teaching position.

LEGAL REFERENCE: 70 O.S. § 6-101.31

REDUCTION-IN-FORCE SUPPORT PERSONNEL

The Wellston Board of Education believes that every reasonable effort should be made to avoid a reduction in force at any level. However, if it should become necessary to reduce the number of full-time support employees due to lack of funds or lack of work in a particular area, the position or program will be the determining factor and not the individuals who occupy the position or serve the program.

An employee is considered to be a full-time employee if the number of hours worked is the number of hours customarily worked in that position and if that position is designated as a full-time position by the board.

A reduction in force may occur for lack of funds, lack of work because of a decline in enrollment, consolidation of programs or positions, elimination of positions, or other circumstances as determined by the board.

If termination of employment should become necessary, notices of such terminations will be made as set forth in the policy governing suspension, demotion, or termination of support employees found elsewhere in this manual.

Any necessary terminations shall begin by dismissing temporary, seasonal, or part-time employees within the job category affected. These employees shall be terminated at the discretion of the board or the board's designee. Job categories are listed alphabetically as follows:

- a. Assistants for handicapped students
- b. Bus drivers
- c. Classroom assistants
- d. Food service
- e. Maintenance/custodial
- f. Media/library assistants
- g. Office personnel/assistants

If normal attrition and the release of temporary and part-time employees do not sufficiently reduce the support staff, the following items will be considered in the reduction process in the order listed:

1. Job qualification by training and years of experience
2. In the event that two or more employees in the affected category are equal in the above factor, termination shall be made on the basis of seniority within each general job category.

Seniority shall be defined as the total length of service as a support employee within this district. Employees who are terminated and subsequently reinstated shall retain cumulative seniority for all periods worked except for the period of termination.

Demotions in position shall follow the same procedure as terminations.

An employee who takes a voluntary demotion or a voluntary reduction in assigned time in lieu of termination shall be returned to a higher position or a position with more hours as vacancies become available, if the employee chooses to return.

**TEACHER TERMINATION
PROCEDURES**

In accordance with the policy of the board of education, the following procedures shall be followed in terminating the employment of career and probationary teachers.

Whenever the superintendent recommends to the board of education that a teacher employed within this school district be dismissed or not reemployed, the superintendent's written recommendation shall set forth the basis for the recommendation. The recommendation shall include the specific statutory grounds on which a career teacher should be dismissed or not reemployed, or the cause for which a probationary teacher should be dismissed or not reemployed, and shall include the underlying facts supporting the recommendation.

Whenever the board of education receives a recommendation for the dismissal or nonreemployment of a teacher, the board or individual designated by the board shall mail, or cause to be mailed, a copy of the recommendation to the teacher, by personal delivery to the teacher with a signed acknowledgement of receipt, or serve the recommendation and notice of hearing by process server. If mailed, such mailing will be by certified mail, restricted delivery, return receipt requested. The notice must specify the statutory grounds - for career teachers - or the cause - for probationary teachers - upon which the recommendation is based and shall include the teacher's right to a hearing before the board and the date, time, and place set by the board for hearing. Such hearing shall be held within the school district no sooner than twenty days nor later than sixty days following the teacher's receipt of notice. The board delegates the superintendent, as its agent, to set a time, date, and place for the hearing after consultation with the board president.

Hearing procedures for teachers shall be as follows:

1. The parties to the hearing are the teacher and the superintendent or designee, and they shall be afforded the following rights at any hearing held pursuant to these regulations:
 - A. The right to be represented.
 - B. The right to present witnesses in person or to present their testimony by interrogatories, affidavits, or depositions if agreed to by the parties. A list of all witnesses and exhibits shall be furnished to the other party at least five (5) days before the hearing.
 - C. The right to cross-examine witnesses.
 - D. The right to testify in his/her own behalf and present evidence and argument on all issues involved.
 - E. The right to have an orderly hearing.
 - F. The right to have an impartial decision based upon the evidence presented.
2. The board president or, in case of absence, a designee, shall be the presiding officer at the hearing.
3. The hearing shall be convened by the board president who shall state the purpose of the hearing, introduce the parties, and administer the oath to all persons who will testify.

TEACHER TERMINATION PROCEDURES (Cont.)

4. Upon the request of either party, the presiding officer may exclude from the hearing room the witnesses not at the time under examination, except that a party to the proceeding and his/her representative shall not be excluded.
5. At the hearing, the burden of proof shall be on the superintendent and the standard of proof shall be by a preponderance of the evidence.
6. The local board of education shall maintain such a record (including a tape or other electronic or digital recording of the hearing and any documents or evidence presented to the board) for two (2) years from the date of the hearing.
7. Informal disposition of any recommendation for dismissal or nonrenewal may be made by written stipulation, agreed settlement, consent order, or default.
8. The order of the procedures shall be:
 - A. Opening statement by the superintendent.
 - B. Opening statement by the teacher.
 - C. Presentation of the superintendent's evidence, followed by cross-examination of witnesses by the teacher.
 - D. Questions by the board members.
 - E. Presentation of the teacher's evidence, followed by cross-examination of witnesses by the superintendent.
 - F. Questions by the board members.
 - G. Presentation of rebuttal and surrebuttal evidence as necessary.
 - H. Closing argument by the superintendent.
 - I. Closing argument by the teacher.
 - J. Deliberation by the board members.
 - K. Vote by the board to accept or reject the superintendent's recommendation and recitation of findings of fact upon which the decision is based.
9. Presentation and consideration of evidence shall abide by the following:
 - A. Only evidence that reasonably relates to the issues before the board, as reflected in the notice to the teacher, should be deemed relevant.

TEACHER TERMINATION PROCEDURES (Cont.)

- B. Strict rules of evidence as required by a court of law shall not apply in these hearings.
- C. Rulings on admissibility of evidence will be made by the presiding officer.
- D. Documentary evidence may be received in the form of copies or excerpts.
- E. Documentary evidence presented to the board shall be marked with a distinguishing number or letter such as Teacher's Exhibit #1 or Superintendent's Exhibit #1.
- F. While hearings are open to the public, no questions or statements will be allowed by members of the public attending the hearing except through the parties or their counsel.

The board of education may convene into executive session to deliberate findings of fact. After due consideration of the evidence and testimony presented at the hearing, the board of education shall vote in open meeting whether or not to dismiss or nonreemploy the teacher. The board's decision shall include a recitation of the basic or underlying facts relied upon by the board in reaching its decision. The teacher shall be notified in writing of the board's decision by certified mail, restricted delivery, return receipt requested, or substitute process as authorized by law within ten (10) business days of the hearing. The decision of the board regarding a teacher shall be final and nonappealable.

The board of education must forward hearing information concerning teachers to the State Board of Education on a prescribed form available from the administrative office. The superintendent or designee shall notify the State Board of Education within ten (10) days of the dismissal or nonreemployment of a probationary or career teacher for either criminal sexual activity as defined in 21 O.S. § 886 (sodomy) or sexual misconduct as defined at 70 O.S. § 5-144.

A student suspended out-of-school shall be placed in a supervised, structured environment in either a home-based schoolwork assignment setting or another appropriate setting in accordance with a plan prescribed by the school administration that provides education in accordance with the supporting regulations. Parents or guardians will be provided with a copy of the education plan and will bear the responsibility of monitoring the student's educational progress until the student is readmitted to school. SUSPENSION OF STUDENTS, REGULATION (Cont.)

Procedural Steps to Suspension

Before a student is suspended from school, the principal of that school shall consider and apply, if appropriate, alternative in-school placement options that are not to be considered suspensions. Such placements can include an alternative school setting, reassignment to another classroom, or in-school detention. If such alternate placement is rejected, written justification must be placed in the student’s permanent record.

1. Probation. A student may be placed on probation with or without additional disciplinary action. If probation is elected by the principal as a suitable alternative to suspension, both the student and the parent(s) shall be notified of the probation and the reasons therefor.
2. In-school placement. In-school placement is an alternative to out-of-school suspension. In-school placement will be imposed by the student's principal, and the student will be placed in a supervised, structured environment. This placement will not be considered suspension and may include an alternative school setting, reassignment to another classroom, or in-school detention.
3. Out-of-school suspension.
 - A. Both the student and the parent(s) shall be notified of the suspension, the grounds therefor, and the right to appeal the suspension to the board of education. A student suspended out-of-school will be placed in a supervised, structured environment in either a home-based schoolwork assignment setting or another appropriate setting.
 - B. If a student is suspended out-of-school for five (5) days or less, the district may provide an education plan. If a student is suspended for more than five (5) days and is found guilty of acts as described above, the school administration shall provide the student with an education plan designed for the eventual reintegration of the student into school which provides for the core units in which the student is enrolled. The minimum core units shall consist of English, mathematics, science, social studies, and art. The plan shall set out the procedure for education and shall address academic credit for work satisfactorily completed. A copy of the plan shall be provided to the student’s parents or guardian, and the parents or guardian shall be responsible for the provision of a supervised, structured environment in which the parent or guardian shall place the student and bear responsibility for monitoring the student’s educational progress until the student is readmitted to school.
