**AGREEMENT
between**

_____ **School District and HORIZON: Digitally Enhanced Campus**

This Agreement is entered into this ____ day of _____, 2024 between _____ School District (“District”), and Horizon: Digitally Enhanced Campus (“Horizon”).

I. INTRODUCTION

The Horizon Consortium is a network of school districts who provide access to online content and professional development through license agreements sponsored by Horizon.

Title 70, Section 1210.704 of the Oklahoma Statutes mandates the provision of a statewide online learning platform to provide high quality online learning opportunities for Oklahoma students that are aligned with the subject matter standards adopted by the State Board of Education. Additionally, Title 70, Section 3-145.3 of the Oklahoma Statutes mandates state negotiation with online vendors to provide a state rate price to school districts for supplemental online courses. Further, Oklahoma Administrative Code 777:15-1-4 requires that the price offered does not exceed the lowest price at which the course is offered by use or sale to any state, public school, or school district in the United States.

II. ROLES AND RESPONSIBILITIES

District agrees to perform the following duties and responsibilities:

- a) Student access to curriculum content under the Concurrent License model will be shared by all consortium member schools through a licensing agreement with contracted vendors. Curriculum content under the Student License model is student-specific and linked uniquely to the respective district. District may make A La Carte purchases directly from the vendor or through Horizon reimbursement if purchasing through this Agreement.
- b) Compliance with all state/federal mandates will be the responsibility of District.
- c) District must provide, at its expense, server set up equipment (*if required*) and computers to be used by students when accessing content on-site.
- d) District will determine the individual students, their ages, and curriculum needs in providing access to virtual online content.
- e) District will participate in Professional Development and training required to ensure fidelity of program delivery. The training is provided to District by Horizon and online vendors at no cost.

District will ensure participation by appropriate personnel. Horizon assumes no responsibility for the use of software access as applied by District.

- f) District is responsible for transcription of the online course credits for its students. Horizon is not responsible for awarding credits.
- g) Horizon recommends that assessments be conducted in a proctored setting.
- h) District will provide a primary and billing point-of-contact for communications with Horizon.
- i) Upon submission of the Agreement, District will identify how many licenses under each model they intend to use during the 2024-25 school year and will complete the online [License Commitment Form](https://horizon.ok.gov/license-commitment-form/) (<https://horizon.ok.gov/license-commitment-form/>). Execution of the Agreement indicates a commitment by the District to purchasing said licenses. [NOTE: There is no cost associated with Horizon's AP and select honors courses.] Payment for these initial licenses shall be made by October 1, 2024. Additional licenses can be purchased throughout the contract period upon written request of District via submission of an additional License Commitment Form. Payment for additional licenses shall be made within 45 days of invoice.

Horizon agrees to perform the following duties and responsibilities:

- a) Horizon will negotiate contracts with online vendors and purchase for District all licenses. Horizon will invoice District the negotiated consortium state rate according to the License Commitment Form submitted by District.
- b) Horizon may deduct an additional 30% for each courseware license purchased by new Horizon Consortium members. Horizon legacy members (*members in year 2 or beyond*) will receive a 20% discount for each courseware license. Districts with the Rural Low Income School (RLIS) designation will receive a 30% discount for each courseware license. As Horizon funds are limited, discounts will be provided on a first come first served basis, and require license commitment by District by June 30, 2024, unless otherwise approved by Horizon.
- c) Horizon will collaborate with District to coordinate professional development opportunities provided by the online vendors. The accompanying professional development fees will be paid by Horizon.

III. TERM

The term of the Agreement is for the 2024-25 school year and terminates on June 30, 2025. To continue the relationship of the parties, a new Agreement must be executed. All payments by and through Horizon are subject to agency budget approval.

IV. STUDENT DATA ACCESSIBILITY, TRANSPARENCY, AND ACCOUNTABILITY

Horizon maintains the right to access district and student usage and success reporting data including the following: course access, student usage, course completion rates, student course disabled data, and progress by time. This data will only be used for comparative analysis and to validate

modifications made throughout the school year. Individual student names will not be used in any reporting.

V. EMPLOYMENT RELATIONSHIP

This Agreement does not create an employment relationship between District and Horizon. At no time during the performance of this Agreement shall District have authority to obligate Horizon for payment of goods and services. District shall not make any promise of expenditure of funds by Horizon over the amount of funds Horizon has agreed to expend for this Agreement.

VI. ASSIGNMENT

The rights and obligations of Horizon and District may not be assigned or transferred to any other person, firm, or corporation without prior written consent of all parties.

VII. DISPUTE RESOLUTION

Any claims, disputes, or litigation arising from the Agreement shall be governed by the laws of the State of Oklahoma. Venue for any action shall be in the District Court for Oklahoma County, Oklahoma.

VIII. AMENDMENTS

Any change to this Agreement must be approved in writing by both parties.

IN WITNESS WHEREOF, the duly authorized representatives of the parties have caused this Agreement to be executed as of the day and year first set forth above.

SECTION 2. SPS agrees to accept for assignment to cooperating teachers in the public schools an agreed upon number of students enrolled in ORU's Education Program course. SPS further agrees the cooperating teacher will give direct supervision to the student teacher/observer assigned and will work with a faculty member assigned by xxx in directing and evaluating the student teacher/observer experience.

ORU further agrees to provide student teacher/observer supervision, instruction, mentoring or assistance, as needed by various staff members to enhance and develop the student teacher's/observer's ability to effectively educate children in an urban educational environment. Including, but not limited to; identifying and serving children with disabilities, serving children from diverse socio-economical populations, and serving children with foreign language barriers.

ORU agrees and affirms that all ORU employees entering upon SPS property under the provisions of this Agreement are and shall be covered by worker's compensation insurance to the extent required by applicable law and that SPS shall, in no event, be required to provide such coverage for ORU's student teachers/observes and employees.

SECTION 8. SPS and ORU agree that student safety is a top priority. In an effort to protect the student's safety, ORU agrees that it will not place any individual on SPS property, whether as a student teacher/observer, officer, agent, employee or contractor, if that person has been convicted of a felony or has been convicted of any crime involving moral turpitude. All ORU employees and student teachers/observers must have in their possession, at all times, a current photo ID which identifies them as a student teacher/observer or employee of ORU and, if required by SPS, a SPS photo ID authorizing access to a specific SPS site. If at any time a student teacher/observer or ORU employee demonstrates actions which are inappropriate or create a disruption within a school, the principal may require that such person leave SPS property and not return without specific permission of the principal and/or the Executive Director of Elementary or Secondary Education.

SECTION 9. Neither SPS, nor its employees, shall receive compensation from ORU for services performed under this Agreement in support of ORU's Teacher Education Program. ORU may, however, with SPS's consent, provide cooperating teachers a tuition waiver to enroll in an ORU course upon completion of their supervision of a student teacher/observer.

If Customer does not have approved credit with Cummins, as solely determined by Cummins, payments are due in advance or at the time of supply of the Services. If payment is not received when due, in addition to any rights Cummins may have at law, Cummins may charge Customer eighteen percent (18%) interest annually on late payments, or the maximum amount allowed by law. Customer agrees to pay all Cummins' costs and expenses (including all reasonable attorneys' fees) related to Cummins' enforcement and collection of unpaid invoices, or any other enforcement of this Agreement by Cummins. Unless otherwise stated, the Quote excludes all applicable local, state, or federal sales and/or use or similar taxes which Cummins is required by applicable laws to collect from Customer and shall be stated on the invoice.

New parts supplied during the remedy of Warrantable Defects are warranted for the balance of the warranty period still available from the original warranty of such parts. The remedies set forth in this Section 5 shall not be deemed to have failed of their essential purpose so long as Cummins is willing to correct defective Services or refund the purchase price therefor.
6. **LIMITATIONS OF WARRANTIES AND LIABILITY.** THE REMEDIES PROVIDED IN THE LIMITED WARRANTY AND THIS AGREEMENT ARE THE SOLE AND EXCLUSIVE WARRANTIES AND REMEDIES PROVIDED BY CUMMINS TO THE CUSTOMER UNDER THIS AGREEMENT. EXCEPT AS SET OUT IN THE WARRANTY AND THIS AGREEMENT, AND TO THE EXTENT PERMITTED BY LAW, CUMMINS EXPRESSLY DISCLAIMS ALL OTHER REPRESENTATIONS, WARRANTIES, ENDORSEMENTS, AND CONDITIONS OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY STATUTORY OR COMMON LAW IMPLIED REPRESENTATIONS, WARRANTIES AND CONDITIONS OF FITNESS FOR A PURPOSE OR MERCHANTABILITY. Customer agrees to assign, and does hereby assign, all right, title, and interest to such intellectual property to Cummins. Any Cummins pre-existing intellectual property shall remain Cummins' property. Nothing in this Agreement shall be deemed to have given Customer a license or any other rights to use any of the intellectual property rights of Cummins.
13. **MISCELLANEOUS.** Cummins shall be an independent contractor with respect to the Services performed under this Agreement. All notices under this Agreement shall be in writing and be delivered personally, mailed via first class certified or registered mail, or sent by a nationally recognized express courier service to the addresses set forth in the Quote. No amendment of this Agreement shall be valid unless it is in writing and signed by the parties hereto. Failure of either party to require performance by the other party of any provision hereof shall in no way affect the right to require such performance at any time thereafter, nor shall the waiver by a party of a breach of any of the provisions hereof constitute a waiver of any succeeding breach. Any provision of this Agreement that is invalid or unenforceable shall not affect the validity or enforceability of the remaining terms hereof.
14. **ON-CALL SERVICES.** Upon Customer's request, Cummins shall provide on-call services (repair, emergency work or other) on the Equipment ('On-call Services').
