In 2023, the General Assembly passed legislation, now codified at Connecticut General Statutes Section 10-222jj, requiring each board of education to adopt a restorative practices response policy to be implemented by school employees for incidents of challenging behavior or student conflict that is nonviolent and does not constitute a crime. Boards of education are required to adopt such policy by July 1, 2025. The policy directs the district’s administration to develop “a continuum of strategies to prevent, identify, and respond to challenging behavior, including but not limited to bullying and harassment.”

RESTORATIVE PRACTICES RESPONSE POLICY

The Newtown Board of Education (the “Board”) is committed to identifying strategies to improve school climate, including, but not limited to, by responding to challenging behavior and implementing evidence and research-based interventions, including restorative practices. Restorative practices may be implemented by school employees for incidents of challenging behavior, bullying, and/or harassment in the school environment, or other forms of student conflict that is nonviolent and does not constitute a crime. Restorative practices shall not include the involvement of a school resource officer or other law enforcement official unless such challenging behavior or other conflict escalates to violence and/or constitutes a crime. In addition, the Newtown Public Schools (the “District”) shall address challenging behavior, bullying, and harassment in accordance with the Board’s Student Discipline policy and any other applicable Board policy, administrative regulations, and/or school rules.

For purposes of this policy:

- “Restorative practices” means evidence and research-based system-level practices that focus on (A) building high-quality, constructive relationships among the school community, (B) holding each student accountable for any challenging behavior, and (C) ensuring each such student has a role in repairing relationships and reintegrating into the school community.
- “Challenging behavior” means behavior that negatively impacts school climate or interferes, or is at risk of interfering, with the learning or safety of a student or the safety of a school employee.
- “Bullying” means unwanted and aggressive behavior among children in grades kindergarten to twelve, inclusive, that involves a real or perceived power imbalance. “Bullying” includes “cyberbullying”, which means any act of bullying through the use of the Internet, interactive and digital technologies,

cellular mobile telephone or other mobile electronic devices or any other electronic communication.

- “School climate” means the quality and character of the school life, with a particular focus on the quality of the relationships within the school community, and which is based on patterns of people’s experiences of school life and that reflects the norms, goals, values, interpersonal relationships, teaching, learning, leadership practices and organizational structures within the school community.
- “School climate improvement plan” means a building-specific plan developed by the school climate committee, in collaboration with the school climate specialist, using school climate survey data and any other relevant information, through a process that engages all members of the school community and involves such members in a series of overlapping systemic improvements, school-wide instructional practices and relational practices that prevent, identify and respond to challenging behavior, including, but not limited to, alleged bullying and harassment in the school environment.
- “School environment” means a school-sponsored or school-related activity, function or program, whether on or off school grounds, including at a school bus stop or on a school bus or other vehicle owned, leased or used by the Board, and may include other activities, functions or programs that occur outside of a school-sponsored or school-related activity, function or program if bullying at or during such other activities, functions or programs negatively impacts the school environment.

The Board directs the administration of the District to develop a continuum of strategies to prevent, identify, and respond to challenging behavior, bullying, and harassment. Such strategies shall include research-based interventions, including restorative practices, and may be included in each school’s school climate improvement plan. Such strategies shall be shared with the school community, including, but not limited to, through publication in the relevant student handbook.

The Board further directs the Superintendent or designee to collect and maintain data regarding types of challenging behavior addressed using the Restorative Practices Response Policy and data concerning the implementation of restorative practices.

Board Budget Procedures and Line Item Transfers (16 v 15)

Last year, the model policy was revised to allow local boards of education to deposit up to 2% of unexpended funds from the prior fiscal year from the budgeted appropriation for education into a nonlapsing account and regional boards of education to create a reserve fund for educational expenditures with appropriations not to exceed 2% of the annual district budget. Public Act 25-93 now requires local boards of education to compile an annual report regarding this nonlapsing account and to submit the report to the Connecticut State Department of Education (“CSDE”). The policy has been revised to reflect this new requirement.

BOARD BUDGET PROCEDURES AND LINE ITEM TRANSFERS

In accordance with Conn. Gen. Stat. § 10-222, the Board of Education (the “Board”) shall prepare an itemized estimate of its budget each year for submission to the Board of Finance and Legislative Council for review. The Legislative Council is the “Fiscal Authority” as defined in the Town Charter. For purposes of this policy, an itemized estimate means an estimate in which the following broad budgetary categories listed below are divided into one or more budgetary category line items.

- 100 - Salaries
- 200 - Employee Benefits
- 300 - Purchased Professional Services
- 400 - Purchased Property Services
- 500 - Other Purchased Services
- 600 - Supplies
- 700 - Property
- 800 - Other
- 900 - Special Education Contingency

The itemized estimate provided to the Fiscal Authority is referred to herein as the “Itemized Estimate.”

The Board shall review the recommendations and suggestions made by the Fiscal Authority as to how it may consolidate non-educational services and realize financial efficiencies. If the Board rejects such suggestions and recommendations, it shall provide the Fiscal Authority a written explanation of the reason for the rejection.

Following the annual appropriation, the Board shall meet and revise the Itemized Estimate, if necessary, and adopt a final appropriated budget for the year. Line items in the budget may be allocated more specifically by the Superintendent or the Superintendent’s designee in the development, administration and monitoring of the budget.

The Superintendent and/or the Superintendent’s designee shall be responsible for administering and monitoring the budget through the course of the year. The

Superintendent or designee shall maintain a system of appropriate expenditures and encumbrance accounting that is organized to conform with the requirements for State and Federal Accounting Reports. A quarterly financial report shall be prepared in a narrative format summarizing each budgetary category line item, the appropriated budget amount, expenditure to date encumbrances, projected expenditures, difference between the projected expenditures and the appropriation, and general comments indicating the reasons for the difference.

Such financial reports shall be presented to the Board at the second regularly scheduled meeting in the month following the quarterly period for which such report is prepared, in accordance with the following schedule:

<u>Period Covered</u>	<u>Submitted</u>
July, August, September	October
October, November, December	January
January, February	March
March, April	May
Year-End Financial Report	August*

*The year-end report shall be completed and presented by the end of August.

Based on expenditures and budget projections, with such Itemized Estimates, the Superintendent or the Director of Business shall recommend to the Board transfers from one of the broad budgetary categories in the Itemized Estimate (as set forth above) to another as needed.

For effective and efficient administration of day-to-day operations, budget transfer authority is granted to the Superintendent or the Director of Business, as his/her designee, under the following restrictions:

Board authorization is required for any transfer between major object codes exceeding \$10,000.

Transfers between major object codes less than \$10,000 may be made without prior Board of Education approval, but will be referenced and approved as part of the monthly Itemized Estimate.

Transfers within major object codes may be made without prior Board of Education approval, but will be referenced and approved as part of the monthly Itemized Estimate.

Notice of major object codes falling into a negative balance will also be included in the monthly Itemized Estimate.

If an emergency transfer of \$50,000 or less is needed and the Board is unable to meet in advance, the Superintendent may approve the transfer and report to the Board at its next regularly scheduled meeting.

The Board shall not expend more than the amount of the appropriation and the amount of money received from other sources, including any unexpended funds that have been set aside in a nonlapsing account as authorized by law and described below, for educational purposes. If any occasion arises whereby additional funds are needed by the Board, the Chairperson of the Board shall notify the Fiscal Authority and submit a request for such necessary additional funds. No additional funds shall be expended until such supplemental appropriation is granted and no supplemental expenditures shall be made in excess of those so authorized.

Unexpended Funds

Notwithstanding any provision of the general statutes, municipal charter, home rule ordinance, or other ordinance, the Board may deposit into a nonlapsing account any unexpended funds from the prior fiscal year from the budgeted appropriation, in an amount not to exceed two per cent of the total budgeted appropriation for such prior fiscal year. Each expenditure from the account must be authorized by the Board and shall be made only for educational purposes, in accordance with state law.

Each fiscal year, the Board shall compile and submit to the Connecticut State Department of Education a report regarding the nonlapsing account, including, but not limited to, the total balance of the account, the amount deposited into such account in a fiscal year, and an accounting of the expenditures made from such account.

We do report the annual expenditures each year from the non-lapsing account to CSDE by way of the EFS report that is due each September. However, at this time, there are no entries in this report, or any others, to report non-lapsing deposits. More than likely, at some point, the state will issue instructions on how they intend to collect this data.

NON-DISCRIMINATION (COMMUNITY MEMBERS)**

Protected Class Discrimination Prohibited:

It is the policy of the Newtown Board of Education (the "Board") that any form of discrimination or harassment on the basis of race, religion, color, national origin, ancestry, alienage, sex, sexual orientation, marital status, age, disability, pregnancy, gender identity or expression, veteran status, status as a victim of domestic violence, sexual assault, or human trafficking, or any other basis prohibited by state or federal law ("Protected Class") is prohibited in the Newtown Public Schools (the "District"), whether by students, Board employees, Board members or third parties subject to the control of the Board, subject to the conditions and limitations established by law. The Board's prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics, school-sponsored activities, as well as the District website. When the Board has created a limited public forum, the Board shall provide equal access to the Boy Scouts and other groups as required by law.

Retaliation Prohibited:

The Board further prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

Discrimination and/or harassment against any individual on the basis of that individual's association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment, and is therefore prohibited by this policy.

Scope and Applicability:

Students, Board employees, Board members and community members (e.g., other individuals affiliated with the District, accessing or seeking access to District facilities) are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

Harassment constitutes unlawful discrimination when it creates a hostile environment, which occurs when the harassment is sufficiently severe, pervasive, or persistent so as to interfere with or limit an individual's ability to participate in or benefit from the services, activities, or opportunities offered by the District.

The following non-exhaustive list provides examples of the types of prohibited conduct that may be considered Protected Class harassment that can lead to a hostile environment:

- objectively offensive racial, ethnic, or religious epithets (or epithets commonly associated with any Protected Class membership, including but not limited to epithets relating to sex, sexual orientation, and/or gender identity or expression);

- graphic, written or electronic communications that are harmful or humiliating based on Protected Class membership;
- bigoted conduct or communications; or
- physical, written, electronic or verbal threats based on Protected Class membership.

Harassment does not have to involve intent to harm, be directed toward a specific person, or involve repeated incidents.

Sexual harassment is a form of harassment that is prohibited by law and Board policy. For more information regarding harassment based on sex, sexual orientation, pregnancy, or gender identity or expression, contact the District's Title IX Coordinator at:

Any such reprisals or retaliation will result in disciplinary action against the retaliator, and other corrective actions as appropriate.

Discrimination on the Basis of Protected Class Association Prohibited:

Discrimination and/or harassment against any individual on the basis of that individual’s association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment.

Scope and Applicability:

Students, Board employees, Board members and community members (e.g., other individuals affiliated with the District, accessing or seeking access to District facilities) are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

The following non-exhaustive list provides examples of the types of prohibited conduct that may be considered Protected Class harassment that can lead to a hostile environment:

- objectively offensive racial, ethnic, or religious epithets (or epithets commonly associated with any Protected Class membership, including but not limited to epithets relating to sex, sexual orientation, and/or gender identity or expression);

- graphic, written or electronic communications that are harmful or humiliating based on Protected Class membership;

Harassment does not have to involve intent to harm, be directed toward a specific person, or involve repeated incidents.

If an individual is unable to make a written complaint, the employee receiving the oral complaint will either reduce the complaint to writing, assist the individual with completing the written complaint form, or request the assistance of a District administrator to do so.

All complaints received by employees are to be forwarded immediately to the Superintendent or designee. Upon receipt of a complaint alleging discrimination or harassment of a community member (e.g., an individual affiliated with the District, accessing or seeking access to District facilities who is not a student or an employee) under this complaint procedure, the Superintendent shall promptly investigate the complaint, or designate a District administrator or other trained individual to do so. During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the complainant, the reporter (if different from the complainant), the respondent and any witnesses to the conduct. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and/or other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible, as determined by the investigator.

Upon receipt of a written complaint of discrimination or harassment of a community member, the investigator should:

1. Offer to meet with the complainant and respondent (if applicable) within ten (10) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) to

discuss the nature of the complaint, discuss the availability of interim measures, identify individuals the complainant or respondent believes has relevant information, and obtain any relevant documents the complainant or respondent may have;

2. Provide the complainant and respondent (if applicable) with a copy of the Board's non-discrimination policy and accompanying regulations;
3. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with the parties to the complaint and any relevant witnesses or other individuals deemed relevant to the complaint;
4. Review any records, notes, statements, or other documents relevant to the complaint;
5. Maintain confidentiality to the extent practicable throughout the investigative process, in accordance with state and federal law;
6. Complete a final investigation report that includes: (i) a findings of fact based on the evidence gathered; (ii) for each allegation, the conclusion(s) and reasoning(s) as to whether the discrimination or harassment occurred; and (iii) for any individual(s) found to have engaged in discrimination or harassment, a broad statement of consequences imposed (to the extent permitted by state and federal confidentiality requirements) (e.g., "Consequences were imposed.").
7. Communicate the outcome of the investigation in writing to the complainant and respondent (if any) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) from the date the complaint was received by the Superintendent's office. The complainant and respondent (if any) shall be notified of any extension of the investigation timeline. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will take steps designed to remedy the discrimination or harassment, adhering to the requirements of state and federal law;
8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of employees and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent (if any) will receive notice and interim measures may be implemented as necessary;

9. Whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the discrimination or harassment. Corrective action should include steps designed to avoid continuing discrimination or harassment;
10. After receiving the written notice of the outcome, parties shall have ten (10) school days to submit a formal written statement of appeal, if they so choose, to the Superintendent challenging the outcome of the investigation and explaining the basis for appeal. Upon receipt of an appeal, the Superintendent shall appoint a decisionmaker(s) for the appeal, who may be the Superintendent or designee. The decisionmaker(s) for the appeal will provide the appealing party's written statement to the non-appealing party. The non-appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the investigation. The decisionmaker(s) for the appeal shall review the evidence and the information presented by the parties and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator(s) and the parties, a meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling the written outcome. Generally, a party's disagreement with the outcome of the investigation, alone, will not be basis for further action. The decisionmaker(s) for the appeal will attempt to issue written notice of the outcome of the appeal to the parties within thirty (30) school days of receipt of all written statements from the parties.

Complaint Procedure for Superintendent/Board Member Complaints:

Any District administrator or Board member who receives a complaint of discrimination, harassment or retaliation of a community member by a Board Member and/or the Superintendent shall forward the complaint promptly to the Assistant Superintendent. Complaints pertaining to the Superintendent or Board of Education members will be forwarded to the Chair of the Board of Education. In all cases, the individual receiving the complaint shall take appropriate steps to cause the matter to be investigated in a manner consistent with the procedures described above.

If a complainant or a respondent is not satisfied with the findings and conclusions of an investigation in which the Superintendent or a member of the Board is the respondent, within ten (10) school days of receiving the findings such party may present the complaint and written outcome to the Board Chair (or, if initially presented by the Board Chair, the Board Vice Chair), who will take appropriate steps to cause the matter to be reviewed in a manner consistent with the Board's non-discrimination policy and regulation. Such steps may include retention of an investigator different from the investigator who investigated the complaint.

NON-DISCRIMINATION

Protected Class Discrimination Prohibited:

The Newtown Board of Education (the “Board”) will not make employment decisions (including decisions related to hiring, assignment, compensation, promotion, demotion, disciplinary action and termination) on the basis of race, color, religion, age, sex, marital status, sexual orientation, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, gender identity or expression, status as a victim of domestic violence, sexual assault, or human trafficking, or any other basis prohibited by state or federal law (“Protected Class”), except in the case of a bona fide occupational qualification.

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual’s actual or perceived membership in a Protected Class, whether by students, Board employees, Board members or third parties subject to the control of the Board, is prohibited in the Newtown Public Schools (the “District”). The Board’s prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics.

Discrimination on the Basis of Erased Criminal History Prohibited:

The Board will not discriminate against any employee or applicant for employment solely on the basis of the individual’s erased criminal history record information, as defined in Conn. Gen. Stat. § 46a-80a.

Retaliation Prohibited:

The Board prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

Discrimination on the Basis of Protected Class Association Prohibited:

Discrimination and/or harassment against any individual on the basis of that individual's association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment and is therefore prohibited by this policy.

Scope and Applicability:

Students, Board employees, Board members and community members (e.g., other individuals affiliated with the District, accessing or seeking access to District facilities) are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

Definitions:

The following definitions apply for purposes of this policy:

A. Discrimination

It is illegal for employers to treat employees differently in relation to hiring, discharging, compensating, or providing the terms, conditions, and privileges of employment because of such employee's actual or perceived membership in a Protected Class.

B. Harassment

Harassment is a form of Protected Class discrimination that is prohibited by law and by this policy. Harassment is unwelcome conduct that is based on an employee's actual or perceived membership in a Protected Class. Harassment constitutes unlawful discrimination when 1) enduring the offensive conduct becomes a condition of continued employment, or 2) the conduct is severe or pervasive enough to create a work environment that a reasonable person would consider intimidating, hostile, or abusive.

The following non-exhaustive list provides examples of the types of prohibited conduct that may be considered Protected Class harassment that can lead to an intimidating, hostile, or abusive environment, and are therefore prohibited by this policy:

- display of images or symbols commonly associated with discrimination against individuals on the basis of their membership in a Protected Class;

- graphic, written or electronic communications that are harmful or humiliating based on Protected Class membership;
- bigoted conduct or communications; or
- physical, written, electronic or verbal threats based on Protected Class membership.

Harassment does not have to involve intent to harm, be directed toward a specific person, or involve repeated incidents.

Sexual harassment is a form of harassment that is prohibited by law and Board policy. For more information regarding harassment based on sex, contact the District's Title IX Coordinator at:

Gen. Stat. §§ 27-103(c),(d).

E. Gender identity or expression

Gender identity or expression refers to a person's gender-related identity, appearance or behavior, whether or not that gender-related identity, appearance or behavior is different from that traditionally associated with the person's physiology or assigned sex at birth, which gender-related identity can be shown by providing evidence including, but not limited to, medical history, care or treatment of the gender-related identity, consistent and uniform assertion of the gender-related identity or any other evidence that the gender-related identity is sincerely held, part of a person's core identity or not being asserted for an improper purpose.

**ADMINISTRATIVE REGULATIONS REGARDING DISCRIMINATION
COMPLAINTS (PERSONNEL)**

Protected Class Discrimination Prohibited:

The Newtown Board of Education (the “Board”) will not make employment decisions (including decisions related to hiring, assignment, compensation, promotion, demotion, disciplinary action and termination) on the basis of race, color, religion, age, sex, marital status, sexual orientation, national origin, alienage, ancestry, disability, pregnancy, genetic information, veteran status, gender identity or expression, status as a victim of domestic violence, sexual assault, or human trafficking, or any other basis prohibited by state or federal law (“Protected Class”), except in the case of a bona fide occupational qualification.

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual’s actual or perceived membership in a Protected Class, whether by students, Board employees, Board members or third parties subject to the control of the Board, is prohibited in the Newtown Public Schools (the “District”). Students, Board employees, Board members and third parties are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

Discrimination on the Basis of Erased Criminal History Prohibited:

The Board will not discriminate against any employee or applicant for employment solely on the basis of the individual’s erased criminal history record information, as defined in Conn. Gen. Stat. § 46a-80a.

Retaliation Prohibited:

The Board prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

The District will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of Protected Class discrimination or harassment. Any such reprisals or retaliation may result in disciplinary action against the retaliator, and other corrective actions as appropriate.

Discrimination on the Basis of Protected Class Association Prohibited:

Discrimination and/or harassment against any individual on the basis of that individual's association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment.

Scope and Applicability:

Students, Board employees, Board members and community members (e.g., other individuals affiliated with the District, accessing or seeking access to District facilities) are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

The following non-exhaustive list provides examples of the types of prohibited conduct that may be considered Protected Class harassment that can lead to a hostile environment, and are therefore prohibited:

- objectively offensive racial, ethnic, or religious epithets (or epithets commonly associated with any Protected Class membership, including but not limited to epithets relating to sex, sexual orientation, and/or gender identity or expression);
- other words or phrases commonly considered demeaning or degrading on the basis of Protected Class membership;
- display of images or symbols commonly associated with discrimination against individuals on the basis of their membership in a Protected Class;
- graphic, written or electronic communications that are harmful or humiliating based on Protected Class membership;
- bigoted conduct or communications; OR
- physical, written, electronic or verbal threats based on Protected Class membership.

Harassment does not have to involve intent to harm, be directed toward a specific person, or involve repeated incidents.

Reporting to District Officials:

It is the policy of the Board to provide for the prompt and equitable resolution of complaints alleging Protected Class discrimination or harassment. The District will investigate both formal and informal complaints of discrimination, harassment or retaliation.

Employees are encouraged to report incidents of alleged Protected Class discrimination, harassment, or retaliation immediately.

Any employee who believes they or another employee has experienced Protected Class discrimination or harassment or an act of retaliation or reprisal in violation of Board policy should report such concern in writing to **Assistant Superintendent** in

accordance with the Board's complaint procedures included in these Administrative Regulations Regarding Non-Discrimination/Personnel.

If a complaint involves allegations of discrimination or harassment based on sex, such complaints will be handled in accordance with the procedures set forth the applicable Board policy regarding sex discrimination and sexual harassment.

If a complaint involves allegations of discrimination or harassment based on disability, such complaints will be addressed in accordance with the procedures set forth in the applicable Board policy regarding Section 504/ADA.

In the event conduct reported as Protected Class discrimination and/or harassment allegedly violates more than one policy, the Board will coordinate any investigation in compliance with the applicable policies.

Mandatory Staff Reporting for Student Incidents:

Board employees are required to report incidents of alleged student-to-student and employee-to-student discrimination, harassment or retaliation that may be based on a Protected Class when Board employees witness such incidents or when Board employees receive reports or information about such incidents, whether such incidents are verbal or physical or amount to discrimination, harassment or retaliation in other forms. **Reports should be made to any District administrator or to:**

Assistant Superintendent
Newtown Public Schools

Newtown, CT 06470
Phone: (203) 426 7617

Complaint Procedure:

Preferably, complaints should be filed within thirty (30) calendar days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints. The District will investigate such complaints promptly and equitably, and will take corrective action when allegations are verified.

As soon as an individual feels that they, or another employee, has been subjected to Protected Class discrimination or harassment, the individual should make a written complaint to the Superintendent or designee.

The individual who is alleged to have experienced Protected Class discrimination/harassment (the "complainant") and any individual accused of Protected Class discrimination/harassment (the "respondent") (if applicable) will be provided a

copy of the Board's policy and regulation and made aware of the individual's rights under this policy and regulation. In the event the Superintendent or designee receives a complaint alleging discrimination or harassment based on sex, the Superintendent or designee shall follow the procedures set forth in the applicable Board policy regarding sex discrimination and sexual harassment. In the event the Superintendent or designee receives a complaint alleging discrimination or harassment based on disability, the Superintendent or designee shall follow the procedures set forth the applicable Board policy regarding Section 504/ADA.

The complaint should state the:

- A. Name of the complainant,
- B. Date of the complaint,
- C. Date(s) of the alleged harassment/discrimination,
- D. Name(s) of the alleged harasser(s) or discriminator(s),
- E. Location where such alleged harassment/discrimination occurred,
- F. Names of any witness(es) to the alleged harassment/discrimination,
- G. Detailed statement of the circumstances constituting the alleged harassment/discrimination; and
- H. Proposed remedy.

Any individual who makes an oral complaint of alleged discrimination or harassment of an employee will be provided a copy of this regulation and will be requested to make a written complaint pursuant to the above procedure. If an individual is unable to make a written complaint, the employee receiving the oral complaint will either reduce the complaint to writing, assist the individual with completing the written complaint form or request that a District administrator assist the individual.

All complaints received by employees are to be forwarded immediately to the Superintendent or designee. Upon receipt of a complaint alleging discrimination or harassment of an employee under this complaint procedure, the Superintendent shall promptly investigate the complaint, or designate a District administrator or other trained individual to do so.

During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the complainant, the reporter (if different from the complainant), the respondent, and any witnesses to the conduct. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the

complexity of the investigation, availability of individuals with relevant information and/or other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible, to the extent consistent with due process, as determined by the investigator.

Upon receipt of a written complaint of alleged discrimination or harassment of an employee, the investigator should:

1. Offer to meet with the complainant and respondent (if applicable) within ten (10) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) to discuss the nature of the complaint, discuss the availability of interim measures, identify individuals the complainant or respondent believes has relevant information, and obtain any relevant documents the complainant or respondent may have;
2. Provide the complainant and respondent (if applicable) with a copy of the Board's non-discrimination policy and accompanying regulations;
3. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with the parties to the complaint and any relevant witnesses or other individuals deemed relevant to the complaint;
4. Review any records, notes, statements, or other documents relevant to the complaint;
5. Maintain confidentiality to the extent practicable throughout the investigative process, in accordance with state and federal law;
6. Complete a final investigation report that includes: (i) a findings of fact based on the evidence gathered; (ii) for each allegation, the conclusion(s) and reasoning(s) as to whether the discrimination or harassment occurred; and (iii) for any individual(s) found to have engaged in discrimination or harassment, a broad statement of consequences imposed (to the extent permitted by state and federal confidentiality requirements) (e.g., "Consequences were imposed.").
7. Communicate the outcome of the investigation in writing to the complainant and respondent (if any) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) from the date the complaint was received by the Superintendent's office. The complainant and respondent (if any) shall be notified of such extension. The written notice shall include a

finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will take steps designed to remedy the discrimination or harassment, adhering to the requirements of state and federal law;

8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of employees and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent (if any) will receive notice and interim measures may be implemented as necessary;
9. Whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the discrimination or harassment. Corrective action should include steps designed to avoid continuing discrimination or harassment;
10. After receiving the written notice of the outcome, parties shall have ten (10) school days to submit a formal written statement of appeal, if they so choose, to the Superintendent challenging the outcome of the investigation and explaining the basis for appeal. Upon receipt of an appeal, the Superintendent shall appoint a decisionmaker(s) for the appeal, who may be the Superintendent or designee. The decisionmaker(s) for the appeal will provide the appealing party's written statement to the non-appealing party. The non-appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the investigation. The decisionmaker(s) for the appeal shall review the evidence and the information presented by the parties and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator(s) and the parties, a meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling the written outcome. Generally, a party's disagreement with the outcome of the investigation, alone, will not be basis for further action. The decisionmaker(s) for the appeal will attempt to issue written notice of the outcome of the appeal to the parties within thirty (30) school days of receipt of all written statements from the parties.

Complaint Procedure for Superintendent/Board Members Complaints:

Any District administrator or Board member who receives a complaint of discrimination, harassment or retaliation of any employee by a Board Member or by the Superintendent shall forward the complaint promptly to **Assistant Superintendent**. Complaints pertaining to the Superintendent or Board of Education members will be forwarded to the Chair of the Board of Education. Complaints pertaining to the Board Chair will be forwarded to the Board Vice Chair. In all cases, the individual receiving the complaint shall take appropriate steps to cause the matter to be investigated in a manner consistent with the procedures described above.

If a complainant or a respondent is not satisfied with the findings and conclusions of an investigation in which the Superintendent or a member of the Board is the respondent, within ten (10) school days of receiving the findings such party may present the complaint and written outcome to the Board Chair (or, if initially presented by the Board Chair, the Board Vice Chair), who will take appropriate steps to cause the matter to be reviewed in a manner consistent with the Board's non-discrimination policy and regulation. Such steps may include retention of an investigator different from the investigator who investigated the complaint.

Remedial Action:

If the District makes a finding of discrimination, harassment or retaliation of an employee, the District will take remedial action designed to:

- A. eliminate the discriminatory/harassing/retaliatory conduct,
- B. prevent its recurrence, and
- C. address its effects on the complainant and any other affected individuals.

Examples of appropriate action may include, but are not limited to:

- A. In the case of a student respondent, interventions for the individual who engaged in the discrimination/harassment may include, but are not limited to, discipline (including but not limited to suspension and/or expulsion), educational interventions, exclusion from extra-curricular activities and/or sports programs, and/or referral to appropriate state or local agencies;
- B. In the case of an employee respondent, interventions for the individual who engaged in the discrimination/harassment may include, but are not limited to, supervisor notification, discipline (including possible termination of employment), training, and/or referral to appropriate state or local agencies;
- C. In the case of respondent who is otherwise associated with the school community, interventions for the individual who engaged in the discrimination/harassment may include, but are not limited to, exclusion from school property and/or activities and/or referral to appropriate state or local agencies;
- D. Follow-up inquiries with the complainant and witnesses to ensure that the discriminatory/harassing conduct has stopped and that they have not experienced any retaliation;
- E. Supports for the complainant; and
- F. Training or other interventions for the larger school community designed to ensure that students, staff, parents, Board members and other individuals within the school community understand the types of behavior that constitute discrimination/harassment, that the District does not tolerate it, and how to report it.

Staff Development:

The District will periodically provide staff development for District administrators and periodically distribute the Board's Non-Discrimination policies and the implementing administrative regulations to staff and students in an effort to maintain an environment free of discrimination and harassment.

Protected Class Discrimination Prohibited:

The Newtown Board of Education (the "Board") complies with all laws prohibiting the exclusion of any person from any of its educational programs or activities, or the denial to any person of the benefits of any of its educational programs or activities, including all academic, extra-curricular, and school-sponsored activities, on the basis of any protected characteristic (or protected class) including race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, veteran status, status as a victim of domestic violence, sexual assault, or human trafficking or any other basis prohibited by state or federal law ("Protected Class"), subject to the conditions and limitations established by law. When the Board has created a limited public forum, the Board shall provide equal access to the Boy Scouts and other groups as required by law.

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual's actual or perceived membership in a Protected Class, whether by students, Board employees, Board members or third parties subject to the control of the Board, is prohibited in the Newtown Public Schools (the "District"). The Board's prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics.

Retaliation Prohibited:

The Board prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

Discrimination on the Basis of Protected Class Association Prohibited:

Discrimination and/or harassment against any individual on the basis of that individual's association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment and is therefore prohibited by this policy.

Scope and Applicability:

Students, Board employees, Board members and community members (e.g., other individuals affiliated with the District, accessing or seeking access to District facilities) are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

Definitions:

A. Discrimination:

With respect to students, unlawful discrimination occurs when a student is denied participation in, or the benefits of, a program or activity of the Board because of such student's actual or perceived membership in a Protected Class.

B. Harassment:

Harassment is a form of Protected Class discrimination that is prohibited by law and by this policy. Harassment constitutes unlawful discrimination when it creates a hostile environment, which occurs when the harassment is sufficiently severe, pervasive, or persistent so as to interfere with or limit a student's ability to participate in or benefit from the services, activities, or opportunities offered by the District.

The following non-exhaustive list provides examples of the types of prohibited conduct that may be considered Protected Class harassment that can lead to a hostile environment, and are therefore prohibited by this policy:

Harassment does not have to involve intent to harm, be directed toward a specific person, or involve repeated incidents.

Sexual harassment is a form of harassment that is prohibited by law and Board policy. For more information regarding harassment based on sex, contact the District's Title IX Coordinator at:

Telephone: 203-426-7617
purcarof@newtown.k12.ct.us

C. Veteran:

A veteran is any person honorably discharged from, released under honorable conditions from or released with an other than honorable discharge based on a qualifying condition from active service in the United States Army, Navy, Marine Corps, Coast Guard, Air Force and Space Force and any reserve component thereof, including the Connecticut National Guard. "Qualifying condition" means (i) a diagnosis of post-traumatic stress disorder or traumatic brain injury made by an individual licensed to provide health care services at a United States Department of Veterans Affairs facility, (ii) an experience of military sexual trauma disclosed to an individual licensed to provide health care services at a United States Department of Veterans Affairs facility, or (iii) a determination that sexual orientation, gender identity or gender expression was more likely than not the primary reason for an other than honorable discharge, as determined in accordance with Conn. Gen. Stat. §§ 27-103(c), (d).

D. Gender identity or expression:

Gender identity or expression refers to a person's gender-related identity, appearance or behavior, whether or not that gender-related identity, appearance or behavior is different from that traditionally associated with the person's physiology or assigned sex at birth, which gender-related identity can be shown by providing evidence including, but not limited to, medical history, care or treatment of the gender-related identity, consistent and uniform assertion of the gender-related identity or any other evidence that the gender-related identity is sincerely held, part of a person's core identity or not being asserted for an improper purpose.

E. Sexual orientation:

Sexual orientation refers to a person's identity in relation to the gender or genders to which they are romantically, emotionally or sexually attracted, inclusive of

any identity that a person (i) may have previously expressed, or (ii) is perceived by another person to hold.

F. Race:

The term race is inclusive of ethnic traits historically associated with race, including but not limited to, hair texture and protective hairstyles. “Protective hairstyles” includes, but is not limited to, wigs, headwraps and hairstyles such as individual braids, cornrows, locs, twists, Bantu knots, afros and afro puffs.

Stat. § 46b-38a; (2) stalking, including but not limited to, stalking as described in Conn. Gen. Stat. § 53a-181d, of such family or household member; (3) a pattern of threatening, including but not limited to, a pattern of threatening as described in Conn. Gen. Stat. § 53a-62, of such family or household member or a third party that intimidates such family or household member; or (4) coercive control of such family or household member, which is a pattern of behavior that in purpose or effect unreasonably interferes with a person’s free will and personal liberty. “Coercive control” includes, but is not limited to, unreasonably engaging in any of the following: (a) isolating the family or household member from friends, relatives or other sources of support; (b) depriving the family or household member of basic necessities; (c) controlling, regulating or monitoring the family or household member’s movements, communications, daily behavior, finances, economic resources or access to services; (d) compelling the family or household member by force, threat or intimidation, including, but not limited to, threats based on actual or suspected immigration status, to (i) engage in conduct from which such family or household member has a right to abstain, or (ii) abstain from conduct that such family or household member has a right to pursue; (e) committing or threatening to commit cruelty to animals that intimidates the family or household member; or (f) forced sex acts, or threats of a sexual nature, including, but not limited to, threatened acts of sexual conduct, threats based on a person’s sexuality or threats to release sexual images.

[In response to requests from many of our clients, Shipman has developed the language below to in order to address incidents of biased conduct and/or communications by students. Please note that bias in this context is not currently defined by law, except when such bias raises to the level of unlawful discrimination and/or harassment. That said, it is commonly acknowledged that incidents of bias may be precursors to discriminatory and/or harassing conduct. Boards that wish to explicitly include reference to bias in this policy may utilize the language below in order to acknowledge the concerns presented regarding bias:

Biased Conduct:

The Board recognizes that certain student conduct or communications may be considered indicative of bias towards individuals who are members of a Protected Class, even when such conduct or communications do not rise to the level of discrimination and/or harassment. The Board directs the District administration to address any such biased conduct or communications in a manner consistent with the Board's legal obligations under state and federal law and Board policy, including free speech considerations, in order to promote a school environment that is welcoming and safe for all individuals.]

Reporting to District Officials:

It is the policy of the Board to provide for the prompt and equitable resolution of complaints alleging Protected Class discrimination or harassment. The District will investigate both formal and informal complaints of discrimination, harassment, or retaliation.

Any student, staff member and/or parent/guardian who believes a student has experienced Protected Class discrimination or harassment or an act of retaliation or reprisal in violation of this policy should report such concern in writing to **Assistant Superintendent** in accordance with the Board's complaint procedures included in the Board's Administrative Regulations Regarding Non-Discrimination/Students, which accompany this policy and are available online at www.newtownpolicies.org or upon request from the main office of any District school. Students are encouraged to immediately report concerns about Protected Class discrimination, harassment, or retaliation.

Students may make verbal or written reports about Protected Class discrimination, harassment, or retaliation to any Board employee.

If a complaint involves allegations of discrimination or harassment of a student based on sex, such complaints will be handled in accordance with the procedures set forth in the applicable Board policy regarding sex discrimination and sexual harassment. In the event reported conducted allegedly violates more than one policy, the Board will coordinate any investigation in compliance with the applicable policies.

ADMINISTRATIVE REGULATIONS REGARDING DISCRIMINATION COMPLAINTS (STUDENTS)

Protected Class Discrimination Prohibited:

The Newtown Board of Education (the “Board”) complies with all laws prohibiting the exclusion of any person from any of its educational programs or activities, or the denial to any person of the benefits of any of its educational programs or activities, on the basis of any protected characteristic (or protected class) including race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, veteran status, status as a victim of domestic violence, sexual assault, or human trafficking, or any other basis prohibited by state or federal law (“Protected Class”), subject to the conditions and limitations established by law. When the Board has created a limited public forum, the Board shall provide equal access to the Boy Scouts and other groups as required by law.

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual’s actual or perceived membership in a Protected Class, whether by students, Board employees, Board members or third parties subject to the control of the Board, is prohibited in the Newtown Public Schools (the “District”). The Board’s prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics.

Retaliation Prohibited:

The Board prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

The District will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of Protected Class discrimination or harassment. Any such reprisals or retaliation may result in disciplinary action against the retaliator, and other corrective actions as appropriate.

Discrimination on the Basis of Protected Class Association Prohibited:

Discrimination and/or harassment against any individual on the basis of that individual’s association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment.

Scope and Applicability:

Students, Board employees, Board members and community members (e.g., other individuals affiliated with the District, accessing or seeking access to District facilities)

are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

The following non-exhaustive list provides examples of the type of prohibited conduct that may be considered Protected Class harassment that can lead to a hostile environment, and are therefore prohibited:

- objectively offensive racial, ethnic, or religious epithets (or epithets commonly associated with any Protected Class membership, including but not limited to epithets relating to sex, sexual orientation, and/or gender identity or expression);
- other words or phrases commonly considered demeaning or degrading on the basis of Protected Class membership;
- display of images or symbols commonly associated with discrimination against individuals on the basis of their membership in a Protected Class;
- graphic, written or electronic communications that are harmful, or humiliating based on Protected Class membership;
- bigoted conduct or communications; or
- physical, written, electronic or verbal threats based on Protected Class membership.

Harassment does not have to involve intent to harm, be directed toward a specific person, or involve repeated incidents.

Reporting to District Officials:

It is the policy of the Board to provide for the prompt and equitable resolution of complaints alleging Protected Class discrimination or harassment. The District will investigate both formal and informal complaints of discrimination, harassment, or retaliation.

Any student, staff member and/or parent/guardian who believes a student has experienced Protected Class discrimination or harassment or an act of retaliation or reprisal in violation of Board policy should report such concern in writing to

Frank Purcaro

Assistant Superintendent

Complaint Procedure

Preferably, complaints should be filed within thirty (30) days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints. The District will investigate such complaints promptly and equitably, and will take corrective action when allegations are verified.

As soon as a student feels that they, or another student has been subjected to Protected Class discrimination, harassment or retaliation, the individual should make a written complaint to Frank Purcaro, Assistant Superintendent, or to the building principal, or designee.

Students may make verbal or written reports about Protected Class discrimination, harassment, or retaliation to any Board employee. Board employees receiving such reports shall promptly forward them to any District administrator or to Frank Purcaro, Assistant Superintendent.

The student and/or parent/guardian or other individual will be provided a copy of the Board's policy and regulation and made aware of the student's rights under this policy and regulation. In the event the **Assistant Superintendent, Frank Purcaro** receives a complaint alleging discrimination or harassment of a student based on sex, the **Assistant Superintendent, Frank Purcaro** shall follow the procedures set forth in the applicable Board policy regarding sex discrimination and sexual harassment. In the event the **Assistant Superintendent, Frank Purcaro** receives a complaint alleging discrimination or harassment of a student based on disability, the Director of Pupil Personnel, **Deborah Mailloux-Petersen** shall follow the procedures set forth in the applicable Board policy regarding Section 504/ADA.

The complaint should state the:

- D. Name(s) of the alleged harasser(s) or discriminator(s),
- E. Location where such alleged harassment/discrimination occurred,
- F. Names of any witness(es) to the alleged harassment/discrimination,

- H. Proposed remedy.

Any student and/or parent/guardian or other individual who makes an oral complaint of alleged discrimination or harassment of a student to any of the above-mentioned personnel will be provided a copy of this regulation and will be requested to make a written complaint pursuant to the above procedure. If a student (or individual acting on behalf of the student) is unable to make a written complaint, the Board employee receiving the oral complaint will either reduce the complaint to writing or assist the student (individual acting on behalf of the student) in completing the written complaint form or ask a District administrator for assistance in doing so.

All complaints are to be forwarded immediately to the Superintendent or designee. Upon receipt of a complaint alleging discrimination or harassment of a student under this complaint procedure, the Superintendent shall designate a District administrator (or other trained individual) to promptly investigate the complaint. During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the individual alleged to

have experienced Protected Class discrimination and/or harassment (the “complainant”), the reporter (if different from the complainant) the alleged discriminator/harasser (“respondent”) and any witnesses to the conduct. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and/or other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible to the extent consistent with principles of due process, as determined by the investigator.

Upon receipt of a written complaint of alleged discrimination or harassment of a student, the investigator should:

1. Offer to meet with the complainant (and respondent, if applicable) within ten (10) business days (provided that such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) to discuss the nature of the complaint, discuss the availability of interim measures, identify individuals the complainant or respondent believes has relevant information, and obtain any relevant documents the complainant or respondent may have;
2. Provide the complainant (and respondent, if applicable) with a copy of the Board’s non-discrimination policy and accompanying regulations;
3. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with the parties to the complaint and any relevant witnesses or other individuals deemed relevant to the complaint;
4. Review any records, notes, statements, or other documents relevant to the complaint;
5. Maintain confidentiality to the extent practicable throughout the investigative process, in accordance with state and federal law;
6. Complete a final investigation report that includes: (i) a findings of fact based on the evidence gathered; (ii) for each allegation, the conclusion(s) and reasoning(s) as to whether the discrimination or harassment occurred; and (iii) for any individual(s) found to have engaged in discrimination or harassment, a broad statement of consequences imposed (to the extent permitted by state and federal confidentiality requirements) (e.g., “Consequences were imposed.”).
7. Communicate the outcome of the investigation in writing to the complainant (and respondent, if applicable) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that

such timeframe may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) from the date the complaint was received by the Superintendent's office. The complainant (and respondent, if applicable) shall be notified of any extension of the investigation timeline. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will take steps designed to remedy the discrimination or harassment, adhering to the requirements of state and federal law;

8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of employees and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant (and respondent, if applicable) will receive notice and interim measures may be implemented as necessary;
9. Whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the discrimination or harassment. Corrective action should include steps designed to avoid continuing discrimination or harassment;
10. After receiving the written notice of the outcome, parties shall have ten (10) school days to submit a formal written statement of appeal, if they so choose, to the Superintendent challenging the outcome of the investigation and explaining the basis for appeal. Upon receipt of an appeal, the Superintendent shall appoint a decisionmaker(s) for the appeal, who may be the Superintendent or designee. The decisionmaker(s) for the appeal will provide the appealing party's written statement to the non-appealing party. The non-appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the investigation. The decisionmaker(s) for the appeal shall review the evidence and the information presented by the parties and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator(s) and the parties, a meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling the written outcome. Generally, a party's disagreement with the outcome of the investigation, alone, will not be basis for further action. The decisionmaker(s) for the appeal will attempt to issue written notice of the outcome of the appeal to the parties within thirty (30) school days of receipt of all written statements from the parties.

Remedial Action:

If the District makes a finding of discrimination, harassment or retaliation of a student, the District will take remedial action designed to:

- A. eliminate the discriminatory/harassing/retaliatory conduct,
- B. prevent its recurrence, and
- C. address its effects on the complainant and any other affected individuals.

Examples of appropriate action may include, but are not limited to:

- A. In the case of a student respondent, interventions for the individual who engaged in the discrimination/harassment may include, but are not limited to, discipline (including but not limited to suspension and/or expulsion), educational interventions, exclusion from extra-curricular activities and/or sports programs, and/or referral to appropriate state or local agencies;
- B. In the case of an employee respondent, interventions for the individual who engaged in the discrimination/harassment may include, but are not limited to, supervisor notification, discipline (including possible termination of employment), training, and/or referral to appropriate state or local agencies;
- C. In the case of respondent who is otherwise associated with the school community, interventions for the individual who engaged in the discrimination/harassment may include, but are not limited to, exclusion from school property and/or activities and/or referral to appropriate state or local agencies;
- D. Follow-up inquiries with the complainant and witnesses to ensure that the discriminatory/harassing conduct has stopped and that they have not experienced any retaliation;
- E. Supports for the complainant; and
- F. Training or other interventions for the larger school community designed to ensure that students, staff, parents, Board members and other individuals within the school community understand the types of behavior that constitute discrimination/harassment, that the District does not tolerate it, and how to report it.

District staff members and administrators will work with students and parents/guardians to take steps designed to prevent acts of discrimination, harassment and retaliation.
