**Re: Representation of Noble Public Schools**

Dear Mr. Solomon:

This letter is intended to establish the terms and conditions of this firm's representation of Independent School District No. 40 of Cleveland County, Oklahoma, commonly known as the Noble School District ("District"), if you desire our services. This agreement must be approved by the Board pursuant to an agenda item at a duly called meeting of the Board.

Legal services rendered by this law firm will be on an "as needed" basis and will encompass work requested to be performed by the Superintendent or the Board of Education. A schedule of the current billing rates of our shareholders, associates, legal assistants, law clerks and interns is attached. This schedule is subject to change from time to time when the firm implements a general change of rates for its District clients, or to reflect additional experience or expertise gained by the firm's professional staff. In addition, newly hired professional staff may be added. The billing rates for new professionals will be set based upon their experience. The firm will provide an updated schedule of billing rates upon request at any time.

This firm will provide a monthly statement for legal services rendered for the District, which will fully set out what services were provided and how much time was spent performing them. In addition, a monthly statement of cash advanced on behalf

of the District, if any, will be provided. This will include funds expended on the District's behalf for copying, electronic legal research time, travel expenses and the like. Payment of our monthly statements by the District is not dependent on whether the District is wholly or partially reimbursed by a third party and shall not be delayed by the District's expectation of receipt of third party payments.

From time to time it may be possible for another partner and/or an associate of this firm to provide part of the legal services needed by the District. Since associate time is billed a lower hourly rate, such may represent a lower expense to the District. Of course, we would monitor all work performed by associates.

On or about the 15th of each month you will receive an invoice for services rendered the previous month along with a statement of cash advanced. If you have any questions regarding any invoice which you receive, please call it to my attention immediately.

If this agreement is approved by the Board of Education, I ask that the Board President and Clerk execute this copy of the letter and return it to me for our file. Another copy with my original signature should be maintained for your file.

This agreement may be terminated at any time without cause by either party upon written notice to the other. This agreement shall be deemed renewed on July 1 of each year unless one of the parties advises the other on or before June 30 that it wishes to withhold ratification and/or to terminate the Agreement.

If you have any questions regarding the above or wish to discuss the terms further, please do not hesitate to contact me.

With kind regards,

Kent B. Rainey
