THE PAYMENTS SYSTEM
Safe, Secure and Efficient
When you use a credit or debit card, pay for something with a check or use an ATM, you are using the Fed's payments system. The Federal Reserve helps to make the payments process safer, quicker, more reliable and more efficient.
Electronic Payments
BANK SUPERVISION AND REGULATION
Ensuring a Safe and Sound Banking System
The Federal Reserve works to keep banks sound and your money safe. One of the missions of the Federal Reserve is supervising and regulating banks and other financial institutions. The goal is to keep banks strong and protect consumers' rights.
While banks are private businesses, they are important to the whole economy. The Fed makes sure banks are safe and financially sound, and they treat you fairly when you apply for and use credit.
Bank Regulation
The Federal Reserve Board helps write the rules with which banks and other financial institutions must comply. Bank examiners conduct reviews of a bank's financial performance and its compliance with regulations and consumer protection laws.

RECEIVED MAY 13

LEASE OF REAL ESTATE

This lease is made this 6th day of May 2019, by and between the Lessor, Links to Learning Two LLC and Lessee, Yukon Public Schools.

Witness:

Herein after set forth, the Parties have agreed:

1. The Lessor hereby leases to Lessee and the Lessee hereby leases from the Lessor real property known as 12230 N. Mustang Road, Yukon, Oklahoma 73099.
2. The term of the Lease commences on August 1, 2019 and extends to May 31, 2020.
3. The rent of the leased property shall be payable in equal monthly payments of Four Thousand Dollars ($4,000.00) per month. The lessee will provide an invoice by the 5th of each month to receive rent payment by the 15th day of each month at the Lessor's following address: 11313 Fiddlesticks Lane, Yukon, OK 73099. This lease may be extended for an additional year if the Lessee notifies the Lessor by May 31, 2020.
4. The Lessee shall use the leased property in a careful and proper manner and shall comply and conform with all laws, ordinances and regulations which relate in any manner to the possession, use or maintenance of the leased property.
5. The Lessee shall inspect the leased property at least seventy-two hours after receiving it. Unless the Lessee gives written notice to the Lessor within this time specifying any defect or other objection to the leased property, the Lessee agrees that it will be conclusively presumed, as between the Lessee and Lessor, that the Lessee has fully inspected and acknowledges that the leased property is in good condition and repair and the Lessee is satisfied therewith and has accepted the leased property in such good condition and repair.
6. The Lessor shall have the right to utilize the property from 2:30 p.m. to 8:00 a.m. the following day. Between the hours of 8:00 a.m. to 2:30 p.m. the property shall be used by the Lessee.
7. The Lessee can make alterations, additions or improvements to the leased property. with notice to the Lessor. All additions and improvements made to the leased property shall belong to and become the property of the Lessor upon the expiration of the lease. The equipment, furniture, partitions, doors,

etc. must be installed by the lessee, Yukon Public Schools. These items may be used by Links to Learning Daycare and shall be deemed to be attachments to the property at the expiration of the lease.

8. The Lessee, at its own cost and expense, shall keep the leased property in good repair, condition and working order.

9. During the period of time when Lessee is occupying the building the Lessee shall provide accidental and liability coverage in the sum of Five Hundred Thousand Dollars ($500,000.00) and shall indemnify the Lessor for any injuries suffered by any party on the property between 8:00 a.m. and 2:30 p.m.

10. The Lessor shall be obligated to provide all utilities to the Lessee and it will be considered to be part of the $4,000.00 per month lease.

11. The Yukon Pre K School must close on the same day as the Piedmont School system.

12. Yukon Pre K Teachers may come in early and work in the facility; and, the Lessor will try to accommodate and be flexible.

13. Before any changes are made to the leased premises this Lease Agreement must be completed and in full force and effect.

14. Any changes or alterations made to this Lease Agreement must be made in writing and signed by all parties.

Meet Our Managers—Vol 4!!

Name: Pamela Ryburn

Hometown: Yukon, Oklahoma

School : Skyview Elementary School

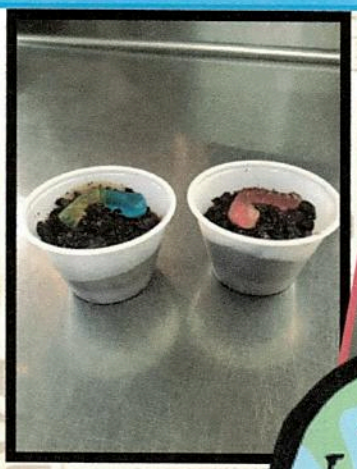
Ms. Pam has been with the Yukon School District for 9 years and is finishing up her 5th year as kitchen manager at Skyview Elementary! Her first grandson, Arthur Dutcher was born on September 14, 2018! She loves to devote her free time to Arthur and her garden. Pam loves anything chocolate! Her favorite meal is a Roast with Potatoes and Carrots. Ms. Pam loves when our kiddos tell her that her kitchen makes the best food they've ever had!

Thank you for your dedicated service to our students, Ms. Pam

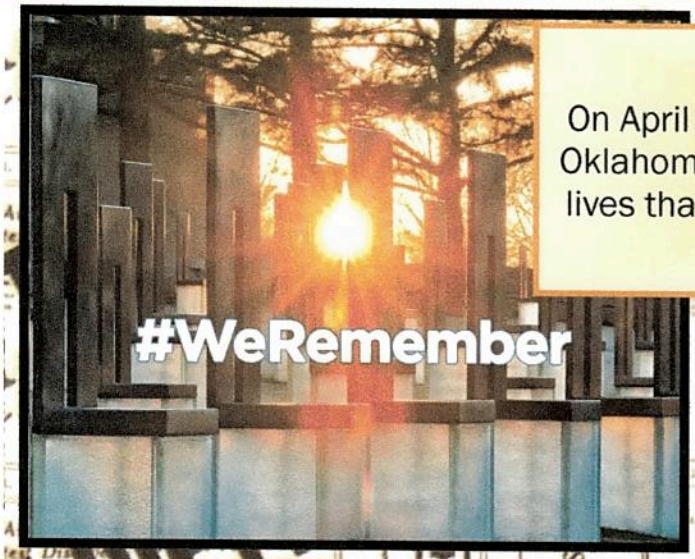
Miller Updates!

Although Yukon's Future Chef Winner, Colby Williams did not reach the final round... A close neighbor won the National Title! But don't worry-we will get em' next year!

April 22 was Earth Day….
To celebrate we had a special treat- Dirt Dessert!

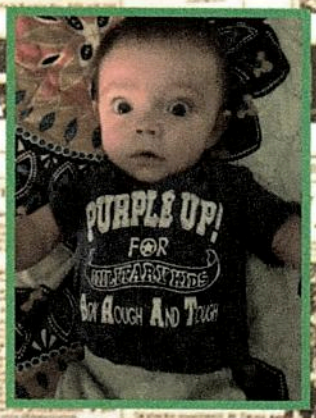


Miller Updates



We Remember

On April 19, 2019 it was the 24th anniversary of the Oklahoma City bombing. We will never forget the 168 lives that were lost and all the brave survivors of that fateful day.

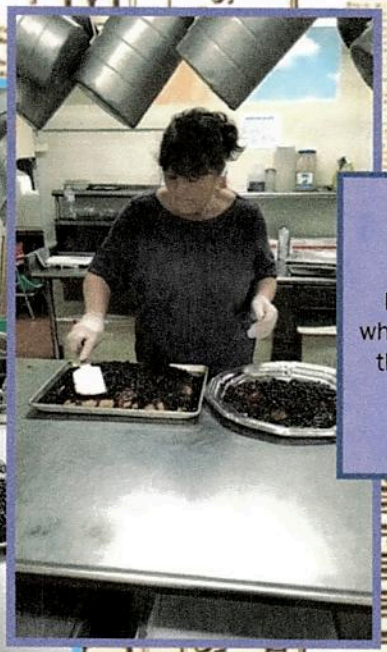


Purple Up Day!

April 17, 2019

Purple Up! Is a day when purple, which is the resulting color when all the service branch colors are combined, is worn across the nation to remind us of the sacrifices made and resilience built by being a military kid.

We support all our military kiddos and their families!



Fine Dining

Fine Dining Etiquette Class & Lunch

Ms. Stennis's 2nd grade class at Ranchwood Elementary was chosen to participate in a Fine Dining Lunch & Etiquette class on May 16! Students attended an etiquette class followed by a Fine Dining lunch experience. This included a restaurant type atmosphere with a plated 4 course meal! Students were encouraged to dress up for the occasion and some did just that! Take a look!

ETIQUETTE CLASS

In etiquette class, not only did everyone learn about proper manners and how to set a table, but Chef Patrick had a special surprise! Everyone learned fun ways to fold napkins!

All students received a Framed Fine Dining Certificate

Fine Dining

Takes great pleasure in awarding this

Certificate to

Hang out as Ken Lennon, Executive Show Lighting Designer for Walt Disney Imagineering takes us through some of his favorite projects. Hear what it's been like to work on some of the most unconventional projects for one of the most creative companies in the world for the past 30 years.

ETC: PAST, PRESENT, AND FUTURE - Keynote by David Lincecum

Founded in 1975, ETC has grown into a vibrant international organization renowned for its culture of innovation and service. In this session, we share our story of where we came from, what makes us tick, and how we are poised to tackle the challenges of tomorrow.

FROM PROTOCOLS TO PERFORMANCE: NETWORKING FOR ENTERTAINMENT LIGHTING Tom Barthel-Steer

Network technology is now universally present in our lives and work, but many of us barely think about it despite using it every day. In this session Tom will work from the ground up to describe how networking technologies work and can be used to bring exciting new integrations into lighting systems.

SHOW CONTROL: HOW TO TEACH YOUR CONSOLE TO MAKE COFFEE (AND OTHER LESS USEFUL SKILLS) - Jake Pomeroy, Nick Saiki, and Jason Perry

Show Control is the swiss army tool of lighting control. It's a universal translator that allows communication to be passed between devices that are oftentimes not meant to work together. In this class, we will take a look at a number of the show control protocols available to us such as OSC, MIDI, UDP, and SMPTE. We will discover how we can use these ridiculous acronyms to either simplify our lives or feed our theatrical mad scientist experiments.

RDM: SO MUCH MORE THAN A SETTING THAT SHOULD BE TURNED OFF - Eric Veik and Graham Parker

Ever ask the question, "What is RDM and how is it used with ETC Software?" Look no further. This class will demonstrate using RDM with Net3 Concert and/or Eos to configure lighting fixtures. Additional discussion topics include "Where is it used?", "Can I leave it on? Why does tech support tell me to turn it off?!", Error Reporting, Compatibility, and a dive into the RDM conversation, i.e. "Who said what at 44Hz?"

HANDS-ON NETWORKING - Tom Barthel-Steer and Shawn Blystone

Shawn and Tom will take you through the process of installing and troubleshooting a network. We will cover how to use diagnostic tools to find faults in a system, how to terminate cables, and how to build a system that is guaranteed show-reliable.

SATURDAY SESSIONS

HUE-MOR ME - Keynote by Wendy Luedtke and Mike Wood

Do you believe your eyes when choosing colors? How accurate is the color picker on your console? Do you see what I see? And what is color anyway? This session will attempt to bamboozle, educate, and entertain by revealing how fabulously futile and absolutely valid these questions are.

AUGMENT3D - Lowell Olcott

We'll show you how to dive in ETC's first integrated 3D programming environment. Augment3d is part of Eos v3.0 and in beta summer 2019. This new and exciting tool enables Eos users to control and design in a three dimensional space. With fully integrated augmented reality technology in the Eos remote apps, Eos v3.0 puts the power of Augment3d in the palm of your hand

SECRETS OF COST-EFFECTIVE ROUTINE MAINTENANCE – David Fox and Therese Goding

This hands-on session demonstrates how to maintain Power Controls, Fixtures, Consoles and accessories and shares tips and tricks so you can develop a plan to easily and effectively perform regular maintenance to your system.

BEST PRACTICES FOR SYSTEM MAINTENANCE AND RECORDKEEPING – Erin Giblin and Therese Goding

You have a great system in place and everything is working fine. Time to kick up your feet backstage and relax, right? Before you get too comfortable, Therese and Erin will talk you through some preventative maintenance, record keeping, and general best practices to put into place to keep your venue running smoothly. We will go over a range of topics including maintenance schedules, record keeping, updating software, and communicating to those using your space.

SO, YOU HAVE A LIGHTING SYSTEM... NOW WHAT? - Steve Short, Jess Olcott, and Kat Lanphear

This class helps you identify what you have, what you want, and how it fits together. We will give you tools to talk to other users about what your space can do, and to dealers about how to prepare your space for an unknown future.

RIGGING: OUT OF SIGHT, OUT OF MIND – K(NOT)! - Mickey Henry and Nils Becker

A rigging system is a complex machine that has a lot of variables that need to be understood to be operated safely. We will be lifting the curtain of what compromises a typical motorized rigging system and how to keep it running. This course will cover topics including, pros and cons of a motorized rigging system, day to day operations of a rigging system, and what you need to do to keep it running in tip top shape.

BECAUSE YOU CAN'T WRAP EVERYBODY IN BUBBLE WRAP – Turk Wilson and Spencer Lyons

This class will be a discussion and overview of safety, including personnel and facilities, from day to day to more dramatic events.

SUNDAY SESSIONS

HOW TO TROUBLESHOOT (ALMOST) ABSOLUTELY ANYTHING – Steve Short and John Hessler

Knowing everything about all the products is pretty cool, but for mere mortals can be a little off-putting. It can even get in the way sometimes. In this class, led by grizzled veterans, we will discuss methods of approaching troubleshooting by yourself and with others. We will share a systematic approach towards identifying and solving issues without needing to be a product expert. The class will also show tactics for maximizing your interaction with remote technical service.

SO MANY COMPONENTS, SO LITTLE TIME – Steve Short and Chris Blad

You're used to hanging lights, plugging them in, and having them "just work" when you turn them on from the console, but what happens when they don't? It's easy to focus on the console as the problem, but often it's not! Dimmers, relays, optos, gateways, DMX, sACN, switches, architectural processors...what does it all mean and why do I need all of this stuff? This class will investigate how to go beyond the hardware you interact with on a daily basis and look at other components in the larger system.

IT WORKED UNTIL I... - John Hessler and Tom Waddington

Sometimes in the life of your lighting system, there will be surprises that seemingly come from nowhere but are all-present when they arrive. In this class we use anecdotes to illustrate some of the many ways a system may seemingly change itself as well as some of the tools you can use to minimize possible impacts.

AUTOMATED LIGHT MAINTENANCE – OR: HOW I LEARNED TO STOP WORRYING AND LOVE THE MOVER – Malori Carr, Michael Vidal, and Matt Stoner

Wire harnesses and motors got your head spinning 540 degrees? In this class, you'll be able to learn the basic techniques to troubleshooting and diagnosing your LED Automated lights created by ETC and HES. We'll cover a range of topics including but not limited to terminology, troubleshooting tips and tricks, wire harnesses and basics of motors and electronic drivers that make them whir.

PRODUCT MANAGERS ROUNDTABLE

In this session, ETC's marketing product managers will lead conversations about the development plans of future ETC products and technologies. This discussion will focus on the topics you want to cover so come ready with any ideas, suggestions, and questions you have.

Place, Purpose, and Nature of the Trip

I am requesting permission to attend Jostens Adviser University (JAU) in Orlando, Florida on July 16-20. JAU is a rigorous professional development opportunity, and conference attendees will receive a certificate for completing 31 hours of professional development at the end of the conference. Attending JAU will help me with every aspect of the journalism program and the most effective ways to teach students. The yearbook program encourages differentiated learning groups, and JAU will help provide me tools to be a stronger teacher and adviser.

If booster club is paying an amount is required. If activity fund is being used, a PO number and amount is required.

Cost Analysis

Registration Costs /PO Number:	Registration paid by Jostens
Lodging Cost/PO Number:	963033

Airfare or Personal or District Vehicle

Per diem (meals, taxi/uber, parking):	963035
Cost of a Substitute:	No Substitute Required

Will Participation Lead to Further Competition?

- [x] Yes
- [ ] No

If Yes, Explain

Participation in this professional development will further my knowledge and ability to effectively teach my students how to create a yearbook that maintains competitive standards.

Educational Benefits

It will help me further my understanding of teaching yearbook, from copy and writing to design and photography, and especially leadership, teambuilding, and grading. Attending this workshop will also help me to encourage my staff to lead and teach one another in a positive environment.

NEW ADVISER TRACK

The New Adviser Track will arm you with all the strategies you need for a great first year advising yearbook. Organization, project management, team building, photography and design will be covered, along with

VARIETY TRACK

In this track, educators attend hand-selected classes on a variety of topics, so that learning can be customized to needs. Each day includes a “homeroom” based on experience level or school size. This

PHOTOGRAPHY TRACK

This **beginners** class starts with the basics and covers the full range of topics needed to comfortably use your DSLR camera in both hands-on activities and lectures. Topics include: proper camera handling, the best

journalism basics. We recommend that all new advisers begin their JAU experience by taking a Yearbook Avenue or Monarch seminar, depending on their school's yearbook creation platform. **Laptop required.

grouping allows attendees to explore issues and ask questions that are specific to their needs. See [illegible] tab for more information on instructors. **Laptop strongly recommended.

modes for an assignment, understanding exposure, camera metering, white balance, improving composition, tips for better coverage, improving pop-up flash, and increasing staff motivation. You are required to bring: a DSLR Camera, at least a basic kit lens (17mm-55mm), a 4 GB or larger empty memory card, a fully-charged camera battery and a laptop.

FISCAL NOTE: Monthly Fee of $1,000 per month per child (not to exceed 4 children) for a teaching assistant for each child who reaches the age of three years and are enrolled in the Early Foundations program and choose to continue in this program. (See Memorandum for stipulations)

CONTACT PERSON: Amy Beams, Executive Director of Educational Services
Jalonda Bengs, Assistant Director of Special Services

MEMORANDUM OF UNDERSTANDING

THIS AGREEMENT is entered into by and between the Canadian County Health Department, (CCHD), and Yukon Public Schools, (YPS), jointly, "parties".

Purpose of the Agreement: The purpose of this agreement is to perform the services listed below as part of the "Autism Toddler Replication Program" (Replication of Early Foundations: Autism Model and Outreach Project), a joint venture by the aforementioned parties to provide services through the Canadian County SoonerStart program to children birth-3 yrs identified as children with suspected or identified Autism Spectrum Disorder. Also to negotiate terms pertaining to the use of space, utilities, telephone and internet within the El Reno First Steps and purchase of consumable supplies to include snacks.

Agreement Period: The agreement is to be effective on July 1, 2019, and will remain in effect until June 30, 2020. Any modifications to this agreement, including but not limited to extensions and renewals, shall be valid only if the change is made by mutual agreement and approved in writing by an authorized official of each party directly impacted by the modification.

Terms of Agreement:

Duties of the CCHD include:

1. Provide a Program Coordinator for the Early Foundations Program who will be available to the Early Foundations Program for a minimum of 4 hours per day. The Program Coordinator will be an employee of the Oklahoma State Department of Health (OSDH).

2. Early Foundation Program will provide materials, toys, supplies and furniture necessary to implement and maintain the Early Foundations Program, including, if necessary, computer equipment and related software.

3. CCHD will hire and train teaching assistants for each child. The teaching assistants will be trained in the Early Foundations model and will receive training in confidentiality procedures including Family Educational Rights and Privacy Act (FERPA) and Health Insurance Portability and Accountability Act (HIPAA).

4. Keep accurate records of attendance and programming in the Early Foundations Program.

5. Keep accurate records of child objectives and activities designed to attain child objectives (i.e. individual program development, data collection, etc.)

6. Program will provide home visits to children participating in the Early Foundations Program and related parent support services.

Duties of Yukon Public Schools include:

1. Yukon Public Schools will pay a monthly fee of **$1,000.00 per child (not to exceed 2 children)** and not to exceed the total contract cap of $24,000 a contract year provided that:
   a. The child resides in their School District; and
   b. The IEP team from that school determines that placement in the Early Foundations Program is appropriate for said child.

Use of El Reno First Steps: CCHD, EFP, and associated schools affirmatively represent that each will comply with those policies and procedures relating to discipline and to the conduct and performance of educational activities on the premises of El Reno First Steps.

Liability: Parties are responsible for their own negligent and intentional acts and omissions under this agreement and each party indemnifies the other parties against any liability, damages, losses or expenses arising from the other parties' responsibilities hereunder.

Confidentiality: Parties agree that any obvious or identified confidential or proprietary information, including but not limited to medical/educational records and/or financial records, will be kept confidential and shall not be disclosed to any third party without specific written permission from the other party, or as otherwise required under state or federal law and/or regulation, or valid court order. Procedures for FERPA and HIPAA will be followed by all parties.

Cancellation: This agreement is subject to termination upon thirty (30) days written notice by either party. Either party may terminate this agreement immediately upon written notice to the other party in the event of a material breach of this agreement.

SCHOOL RESOURCE OFFICER CONTRACT

City of Yukon and Yukon Public Schools

This contract is made by and between the City of Yukon Police Department; herein "City", and the Yukon Public School District; herein "District" for the purpose of establishing the terms under which the City shall provide the District with School Resource Officers and the compensation.

Witnesseth

For and in consideration of the mutual undertakings herein set forth, the City and District agree as follows:

A. Assignment and Selection of School Resource Officers

1. City agrees to provide police officers to serve as a School Resource Officer (SRO) at each of the following District secondary school locations:
    a. Yukon High School 9 – 12 Campus
    b. Yukon Middle School 6 - 8 Campus

2. The School Resource Officers shall be initially screened by the Yukon Police Department. A list of approved candidates will be forwarded to the Principals of the aforementioned schools; each principal shall make a selection from the list of approved candidates to serve as SROs. If a Principal is not satisfied with the performance of the School Resource Officer assigned to his or her school, he or she may request the Chief of Police or his Designee to replace the officer and the Chief or his Designee shall make every attempt to do so.

3. The City shall assign the School Resource Officers to the schools as their primary duty assignment and will not regularly be assigned additional police duties. However; the City reserves the right to reassign these officers in the event of an emergency or for training.

B. Job Responsibilities of the School Resource Officer

1. The primary function of the School Resource Officers shall be to ensure the safety of the students and faculty and provide campus security. Specifically, the School Resource Officer shall assist in limiting access to the school grounds to authorized persons, provide police protection of school property, personnel and students, investigate criminal acts on school grounds and serve as liaison between the school, the police department, juvenile officials, probation officials, courts and other agencies of the juvenile justice system.

2. The Principal shall retain his or her authority regarding all school issues. The School Resource Officer shall determine all law enforcement issues. The School Resource Officer shall communicate with the Principal regarding all law enforcement incidents on the campus or at school related activities and the Principal shall be involved in the decision making process involving custodial arrests. The School Resource Officers are solely responsible to the Chief of Police but shall work directly and in cooperation with the Principal of the school to which they are assigned.

3. The School Resource Officer shall attend professional development training as required by the City, District and School Resource Officers' training.

4. The School Resource officers shall be available as a resource to provide information on topics on which the officers have special competence due to their law enforcement training. The School Resource Officers shall also attempt to identify and counter deviant behavior and any other behavior that would be disruptive or unsafe to the students, faculty or district property.

5. The School Resource Officers shall make themselves visible in a public relations role in order to provide a highly visible crime deterrent on school property in order to effectively promote security and order in the schools.

6. The School Resource Officers will be present in the cafeteria (YHS/YMS) and rotunda (YHS) during student lunch periods. A School Resource Officer will be stationed to monitor traffic before and after school at YHS and stationed in parking area during drop off and pick up times at YMS. Resource Officers at both sites will routinely station themselves in the hallways during passing periods, these are times when student traffic is high and incidents are more likely to occur.

7. The School Resource Officers shall also attempt to provide guidance and direction for students, parents and staff when appropriate; to work with the school administrators to resolve school-police problems; and to work with parents of troubled youth.

8. The Principal of the school to which an officer is assigned and the Chief of Police may agree to establish and modify, as needed, rules and regulations concerning the School Resource Officers' duties and schedule so long as they both agree on such changes.

9. School Resource Officers will serve on the Safe and Healthy Committee for the campuses they are assigned and will consult for other campuses in the District if asked to do so.

C. Hours of Work

1. Unless otherwise directed by the Principal, City shall assign officers to work during the instructional days of the school year, Monday through Friday, eight hours a day, with Saturday and Sunday off. Subject to the approval of the Chief of Police, each Principal shall be responsible for determining a consistent eight-hour schedule per day for the School Resource Officer assigned to that Principal's campus.

2. Any hours scheduled by the Principal outside of the standard eight-hour day for the School Resource Officer shall be paid to the office by the District at the current security rate of pay for school activities.

3. The School Resource Officer will not work on District professional development days, during summer school, or during student holidays unless requested by the District. The School Resource Officers will not routinely work during the summer vacation. If the School Resource Officers are utilized during summer school or summer break, the District will provide request for the officer ten (10) days in advance and shall pay the City for the time worked.

D. Consideration

1. The District agrees to pay the City for the use of the three (3) School Resource Officers a total sum of $150,000.00 (one hundred fifty thousand dollars) for the period of ten (10) months, August to May, of the contract term. The District will pay the City $15,000.00 (fifteen thousand dollars) a month after each completed month of service. The City will pay any remaining balance of the Officer' yearly salary and benefits.

2. The City will provide law enforcement training and certifications, vehicle and police equipment; including communications equipment needed to allow the officer to contact headquarters and other officers. The District may provide any radio equipment needed to allow the officers to communicate with school staff, if desired by the District.

E. Term

1. This Contract shall be effective July 1st of 2018 to June 30th of 2019. Either City or District may cancel this contract by giving the other party thirty (30) days written notice of cancellation. If this contract is terminated prior to the end of the contract year, District shall be entitled to a pro-rata reimbursement of unused funds paid by the District.

F. Indemnification

1. The City waives, released, indemnifies and holds harmless, to the extent authorized by law, the District from any and all claims, damages, injuries, cause of action, or lawsuits arising out of the acts, or failures to act, of the School Resource Officers, whether such acts or failures to act occurred on or off District property.

G. Miscellaneous

1. This Contract supersedes all prior agreements and representations concerning the School Resource Officers and constitutes the complete agreement between the parties.

2. City and District agree that no promise or agreement which is not herein expressed has been made to either party and that neither party is relying upon statement or representation other than the terms stated in this Contract.

3. No amendments to this Contract shall be binding unless reduced to writing and signed by both parties.

4. The City will maintain all official records of incidents and reports that are generated as a result of police action or request for police services from any person upon the property of the District.

5. Records of the performance and service provided by the City will be maintained by the City and stored at the police department. Individual officer evaluations will be maintained in accordance with City policy and procedure.

6. Office space and furniture as well as computer equipment and electronic devices may be provided by the District to allow the officers and Administrators of the District to communicate better. Police equipment shall only be used by the School Resource Officers.

7. The District will conduct a customer satisfaction survey of its staff in relation to the the School Resource Officers. The survey will be constructed in conjunction with the School Resource Officers and it will be administered once per year at the discretion of the District. The results will be shared with the Chief of Police.

8. School Resource Officers and other security personnel will work together to provide safety to the sites served, share information as appropriate, and meet on a regular

basis with the Superintendent or his designee to discuss matters of safety and security for the District.

REC'D MAY 2 1 2019

OSSBA
OKLAHOMA STATE SCHOOL BOARDS ASSOCIATION

May 17, 2019

Dear Superintendent:

Thank you for subscribing to OSSBA's policy services. We are hopeful that the services provided are meeting the policy needs of your school district. Enclosed is an invoice for policy subscription services for the 2019-2020 school year.
For the upcoming school year, the program will remain digital delivery for superintendents and school board members. The service will remain at the cost of $750 per school year and will include the following benefits:

- Revise or develop new, customized policies based on information from board minutes (within the subscription period). A district may receive 12 new or revised policies per year, or any requested. Any policies requested over 12 will be available for $50/policy (also available in electronic format).
- New or newly updated SDE required policies – customized.
- Monthly policy newsletter which features at least three sample policies.
- Annual policy revisions based on legislative action during subscription year.
- Free monthly webinar explaining PSST content for administrators.

If your district is interested in continuing service for the 2019-2020 school year, please use the enclosed invoice. Please let me know if you have any questions. OSSBA looks forward to working with your school district in the future.

Sincerely,

Julie L. Miller
