SANCTIONING OF PARENT ORGANIZATIONS AND BOOSTER CLUBS

In compliance with the provisions of state law HB2107 (1996 Leg.), the Tonkawa School District has established procedures to provide for sanctioning of organizations, booster clubs and associations exempted or applying to be exempted from statutory controls and Board policies and procedures pertaining to school activity funds.

The board of education will annually sanction parent organizations and booster clubs which exist to promote a positive relationship between the district and the community by assisting and supporting the schools in recognizing and promoting student activities. Close communication will be maintained to ensure that the goals of the organization are in compliance with the goals and policies of the district. The district will incur no liability for the acts, errors, or omissions of the sanctioned organization.

Organizations have the following options for managing funds related to the Tonkawa School District.

- A. Funds may be deposited and expended through a Board-approved school activity account at their local school site. Organizations that choose to deposit their funds in a board-approved school activity account must follow the District's policies and procedures for school activity funds.
- B. Funds may be deposited and expended through an organization's local bank account and will be exempt from regulations of the District's school activity fund until granted sanctioning status by the Tonkawa Board of Education under the requirements of this sanctioning policy/

Organization who have previously obtained IRS designation as 201© (3) Organizations are still required to apply for sanctioning by the Board of Education

PROCEDURES FOR SANCTIONING BY THE BOARD OF EDUCATION

- A. Application for sanctioning (copy attached) must be completed by the organization or association prior to July each year.
- B. The completed application form must be submitted to the Superintendent of Schools for review
- C. The superintendent will make a recommendation to the Board of Education concerning the organization seeking to be sanctioned.
- D. The Board of Education will review the organization's application and determine whether to approve or decline the sanctioning request. The Board of Education's decision is final and non-appealable.
- E. All organizations and associations wishing to be sanctioned will make an application to the Board of Education on an annual basis.
- F. Sanctioning will be approved by the Board of Education on a one-year basis only (July 1 to June 30). The Board of Education will consider all sanctioning applications at the beginning of the fiscal year (Normally, the July and August Board meetings).
- G. The organization must be managed or operated by adults, and will present its bylaws and/or constitution to the board. These will differentiate the parent organization or booster club from any student organizations and will provide details of their structure, including:
 - 1. Officers' names and addresses;
 - 2. Details of the process to elect officers and the length of each officer's term;
 - 3. Purpose and goals;
 - 4. A detailed breakdown of the dues structure for the membership and officers;
 - 5. Itemized projection for the use of the funds generated by both items and costs.

- J. Any plan, project, or activity intended to modernize, renovate or render maintenance to school-controlled and/or owned properties will be presented to the superintendent for consideration, comments, evaluation, approval, and sponsorship. This must be done before any public announcement is made.
- K. Following the first year of sanctioning, the Board may require the organization to provide additional financial information.
- It should be noted that the sanctioning by the Board of Education in no way grants the organization or association "tax -exempt" status for its operations, nor does it grant "tax-deductible" status to its donors. The organization or association should consult a tax professional for advice on these matters
