#### 1. Regular Report of the Superintendent

Superintendent Dr. Espolt started off thanking the Board for the opportunity to serve as Superintendent. He said his family has moved to Shawnee, and his daughter will be attending here in the district. Celebrate Teachers was this morning. An optional prayer luncheon with almost 200 people in attendance was sponsored by area church leaders, and the day finished with convocation with all staff. He said we believe every stakeholder has a choice to be a part of Shawnee Public Schools. He said we believe in parental rights strongly here at Shawnee. He said we know parents can turn to a virtual charter school, homeschool, or another school down the road, but we want people to make Shawnee their choice. Today's speaker asked what was our word for the year, and ours is honor. He said we have prioritized community engagement. We have some opportunities with subcommittees: community engagement, capital improvements. We have a brand-new website thanks to work by the community engagement and subcommittee. We will have a listening tour at all of our buildings to give them a voice in how staff are honored. Three community forums throughout the town are scheduled. Working with Shawnee CTV to broadcast those. We have opportunities with community partners. Our softball team is playing at CPN Firelake Fields, and football will play at OBU. We are proud of those partnerships. We did lose some of our afterschool grants. Sequoyah and Will Rogers's grant was not renewed. This is only the 2<sup>nd</sup> time that SPS did not have a 21<sup>st</sup> Century Community

Learning Center grant renewed. We want to ensure our community that we are still working on providing those opportunities for our families. We are able to feed every single student in our district for free this year. We know the need to meet our families where they are, and PreK-12 will eat for free.
