## TEACHER'S CONTRACT

**THIS CONTRACT** is made by and between the Board of Education of Dawson County School District No. 24-0001, commonly known as Lexington Public Schools and referred to herein as the "Board" and "District" respectively, and **Leah Keaschall**, a legally qualified teacher, referred to herein as the "Teacher".

**WITNESSETH:** The Board agrees to employ Teacher above named in the schools of the District for a school year, which shall begin on or about January 10, 2023, and conclude on or about May 25, 2023. Teacher accepts such employment at a salary based upon placement on step 1 of column BA of the salary schedule.

**FIRST:** Teacher's salary shall be payable in 7 equal installments. The first installment shall be payable on the 20<sup>th</sup> day of February, 2023, and the remaining installments shall be payable on the 20th day of each month thereafter.

**SECOND:** Teacher will abide by the District's and Administration's policies, rules, regulations and directives and all state and federal statutes, rules, and regulations. Teacher's duties are subject to assignment by the Administration. Teacher agrees to devote full time during days of school to his/her position in all respects and to perform the assigned duties diligently and faithfully to the best of his/her professional ability.

**THIRD:** In addition to the teaching duties set forth herein, Teacher may be assigned such "extra duty" assignments which shall be for such compensation as may be agreed upon by the District and Teacher or by Teacher's duly authorized bargaining agent.

**FOURTH:** A majority of the Board members may cancel or amend this contract during its term members for any of the following reasons: (a) cancellation, termination, revocation or suspension of Teacher's certificate by the State Board of Education; (b) a breach of any material provision of this contract; (c) any reason set forth in this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) immorality; (i) physical or mental incapacity; (j) any conduct that interferes substantially with the teacher's continued performance of duties; (k) any arrest, criminal charge, or criminal conviction of Teacher or the failure to report the same; (l) any filing against the Teacher under Neb. Rev. Stat. Section 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (m) knowingly falsifying school district records or documents; (n) misrepresentation of fact to the district and its personnel in the conduct of the district's official business; (o) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (p) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the district except as prescribed by a physician. Cancellation or amendment under this contract shall be governed by applicable provisions of Nebraska statute.

**FIFTH:** Upon termination of this contract for just cause, or upon Teacher's release from this contract, the compensation paid or to be paid hereunder shall be an amount that bears the same ratio to the yearly salary herein specified as the number of days of service to the date of such termination bears to the number of days of service in the contract year. Teacher shall refund any unearned fractional portion of an installment paid but not earned prior to termination of the contract.

**SIXTH:** Upon termination of this contract for any reason, Teacher shall immediately return all District property to the District.

**SEVENTH:** There shall be no penalty for release or resignation by the Teacher from this contract, provided no resignation shall become effective until the close of the school year unless it is accepted by the Board, which shall fix the time that the resignation is to take effect.

**EIGHTH:** This contract shall conform to the regulations governing deductions from the above-stated compensation with reference to withholding tax, social security and Teacher's retirement. Teacher authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by Teacher or the value of property or money entrusted to Teacher or owed by Teacher to the District during the course of or as a result of Teacher's employment, if such property or money have not properly been returned to the District. Other deductions may be withheld as agreed to by the parties to this contract.

**NINTH:** Teacher affirms that he/she is not under contract with another school board or board of education within this state covering a part or all of the same time of performance as is contemplated by this agreement. Teacher affirms that he/she holds or will hold a valid Nebraska Teaching Certificate at the beginning of the term of this contract. This contract is not valid until said certificate is registered in the office of the Superintendent of Schools, and Teacher shall not be compensated for any services performed prior to the date of the registration.

**TENTH:** Teacher shall report to the District within 24 hours any arrest, criminal charge, or criminal conviction of Teacher. Teacher shall report to the District within 24 hours any filing against the Teacher under section 43-247 of the Nebraska statutes or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect.

**ELEVENTH:** The compensation set forth in this agreement shall be subject to such adjustments as the Board and Teacher or Teacher's duly authorized bargaining agent may agree upon from time to time. Teacher authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Teacher or the value of property or money entrusted to the Teacher or owed by the Teacher to the District during the course of the Teacher's employment, if such property or money has not properly been returned to the District.

**TWELFTH:** Teacher's failure to return a signed copy of the contract or renewal agreement to the Superintendent of Schools or Secretary of the Board of Education of the District on or before January 6, 2023, shall constitute a rejection of this offer of employment.

## Terms of Sale

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"). Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All product, pricing and other information is based on the latest information available and is subject to change. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax\_Department@dell.com or ARSalesTax@emc.com, as applicable.

**Governing Terms:** This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at [www.dell.com/terms](http://www.dell.com/terms) or [www.dell.com/oemterms](http://www.dell.com/oemterms)), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

**Supplier Software Licenses and Services Descriptions:** Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on [www.Dell.com/eula](http://www.Dell.com/eula). Descriptions and terms for Supplier-branded standard services are stated at [www.dell.com/servicecontracts/global](http://www.dell.com/servicecontracts/global) or for certain infrastructure products at [www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm](http://www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm).

**Offer-Specific, Third Party and Program Specific Terms:** Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on [www.dell.com/offeringspecificterms](http://www.dell.com/offeringspecificterms) ("Offer Specific Terms").

**In case of Resale only:** Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

**In case of Financing only:** If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

**Plan for Safe Return**  
**Lexington Public Schools**  
Updated: January 9, 2023

**Overview**

- This plan has been updated for the start of the 2022-2023 school year, but will be continuously reviewed and revised as necessary. There is currently no declared State of Emergency for Nebraska or Directed Health Measure (DHM) in effect that requires the District to mandate masks or other specific interventions.
- Lexington Public Schools (“District”) will continue with the safety protocols described below.
- This plan was written taking into account a broad base of stakeholder input and public comment, including the consultation of local medical providers, parents, and staff.
- It shall be posted to the District’s website: [www.lexschools.org](http://www.lexschools.org) on June 14, 2022 and reposted, as necessary, thereafter.
- It is accessible in the languages of English, Spanish, and Somali, but can be translated into other languages as requested, or reformatted for persons with disabilities.
- This plan will be reviewed at least every six months and revised as necessary taking into account input from members of the public, local medical providers, public health agencies, and the Centers for Disease Control (“CDC”). Any revisions will be publicly available on the District’s website.
- The District shall maintain records of the people involved in writing this plan; and document input received about, changes to, posting locations of, and policies referenced within, this plan.

## **Plan Contents**

### **i. Masking**

Masks shall be optional for students, staff, and visitors. The District shall provide masks to students and staff who wish to wear them, and will make our best effort to work with parents to reinforce their wishes concerning their children's mask-wearing in school. Students, staff, and drivers may be required to wear masks on school buses and in other District vehicles if directed by the Nebraska Department of Education. If masks are required on vehicles, they must cover the nose and mouth.

### **ii. Physical distancing**

Physical distancing will be maximized to the greatest extent feasible while considering the educational needs of students.

### **iii. Handwashing and respiratory etiquette**

Frequent hand-washing and/or use of hand sanitizer will be practiced in all buildings. Students shall be instructed to wash their hands with soap and water for at least 20 seconds. When handwashing is unavailable, hand sanitizer shall be used. Students and staff shall be instructed to cover their mouths and noses while coughing or sneezing with a tissue when masks are not worn; and to immediately wash their hands after blowing their noses.

### **iv. Cleaning and maintaining healthy facilities, including improving ventilation**

The District will increase the frequency of cleaning and disinfecting buildings using EPA-approved detergents and disinfectants. Cleaning staff will be trained on the use of various cleaning agents, the use of PPE, and other relevant safety protocols.

Buildings will be cleaned at least once daily and high touch surfaces more frequently as needed. The District will work collaboratively with its cleaning contractor to ensure cleaning staff are trained and apprised of recommended practices.

When possible, the District will increase the introduction of outdoor air and/or higher SEER filtration to improve ventilation and indoor air quality. Student transportation vehicles will be sanitized at the beginning and end of every shift using EPA-approved disinfectants.

**v. Contact tracing in combination with isolation and quarantine, in collaborations with the state, local, territorial, or Tribal health departments**

The District will comply with privacy laws and the recommended protocols for quarantine and isolation of the Nebraska Department of Health and Human Services. An internal tracking document has been created to record the dates, medical orders, and isolation requirements for students and staff across the District, accessible only to authorized District personnel. The District will use its website to publish the most current recommendations concerning quarantine and isolation as well as utilize its communications system (email, text, voice) and translation services to inform households.

Students and staff who show symptoms of COVID will be encouraged to stay home. Those symptoms will be communicated to students, their families, and staff in multiple translations using the District’s website, social media platforms, and communications system. Available substitute teachers will be identified and principals will assist in developing staffing plans to cover the classrooms of quarantined or isolated staff members.

**vi. Diagnostic testing and screening testing**

The District shall refer students and staff having COVID symptoms to community diagnostic testing locations. If diagnostic or screening testing is recommended and becomes available in schools, the District will avail its facilities to students and staff who provide informed consent, and provide training to school nurses who may be able to assist in testing. Rate of community transmission will be monitored to determine whether asymptomatic screening is warranted. The District will use its website to publish the most current recommendations concerning quarantine and isolation as well as utilize its website, social media platforms, communications system, and translation services to apprise households.

**vii. Efforts to provide vaccinations in school communities**

The District will continue to work collaboratively with the Two Rivers Public Health Department, local medical providers, and other community leaders to promote and disseminate information on vaccinations to students, staff, and the community at large. The District will continue to avail its website, social media platforms, communications systems, message translation services, and facilities toward this effort.

**viii. Appropriate accommodations for children with disabilities with respect to health and safety policies**

The District will accommodate exceptions to COVID protocols as permitted by a student's IEP or 504 team decisions.

**ix. Coordination with State and local health officials. Including the needs for support and technical assistance to implement strategies consistent to the greatest extent practicable, with relevant CDC guidance**

District personnel will participate in information-sharing sessions as necessary with local health care providers, the Two Rivers Public Health Department, and other community leaders. District administrators will continue to participate in regular state education department and governor briefings.

**Continuity of Services**

**Student Academic Needs.** The District has invested in iPads, wireless connectivity, academic and organizational software, and student and staff training to ensure continuity of instruction should in-person learning not be possible. Students will continue to be provided accommodations as stated in their IEP/504 plans during remote learning. Parent input will be sought to develop a plan for the provision of remote IEP services. Student progress will be reviewed by the student's team when in person learning resumes.

**Social emotional, mental health, physical health, and food service.** The District implemented a social-emotional universal screener for students and staff beginning in the 2021-2022 school year. A social, behavioral and emotional approach using evidence-based curriculum, professional development, and interventions is currently being implemented. Additional staff have been put in place to help support the mental health needs of all staff and students. School counselors and mental health support staff will be available for any students or staff in need of assistance.

## **NSAA Cup**

***High school activities are intended to produce positive life enriching experiences which help individuals, solely and collectively, discover and develop skills to improve their quality of character, expression, and collaboration.***

***Each year the Nebraska School Activities Association will recognize the most successful interscholastic high school activities programs in Nebraska State Championship level competition. Public and private member schools in four Classifications of three Divisions will earn awards.***

### **Overview**

The NSAA Cup recognizes high schools having the most successful interscholastic activities programs in the state for that year. The divisions of competition include a Girls Division, a Boys Division, and an All-School Division. Schools in each division are divided into four classes, (A, B, C, and D) determined each activities year, based on enrollment.

Three simultaneous contests will take place during the year. The Girls Division and Boys Division competitions, in each class, will feature schools earning points from their respective athletic activities and in the case of coed schools, sharing the fine arts activities' points equally. The All-School Division contest will include all activities in which each high school participates.

This awards program began in the fall of 2006. The NSAA Cup awards are distinctive high-quality silver cups and will become the property of the winning schools each year.

The winners of the NSAA Cup are determined by a point system based on performance in State Championship events within each Division and Class. Music, which does not have a State Championship, will earn points based on District Music Contest participation.

### **Point System**

During the school year member schools will earn five points for each NSAA sponsored activity in which they participate through the completion of the State Championship in each activity.

All schools, which finish in the top eight positions (plus any ties) in a State Championship event, receive points. In playoff events involving teams in a split classification, the same top eight positions in that event's class (D1 and D2) will earn full points for their Class competition. If there are fewer than eight schools from a classification in the event, only those schools represented, are eligible to receive points.

Points are awarded for all activities Championship events as follows:

- First place 50
- Second place 45
- Third place 40
- Fourth place 35
- Fifth place 30
- Sixth place 25
- Seventh place 20
- Eighth place 15

**In the event of a tie, the schools receive an equal number of points based on the tied places total points value and divided by the number of teams which are tied.**

If a tie for place exists, points will be split evenly between all teams tied for a specific place. For example, the non-advancing quarterfinals teams in an eight-team, single elimination Championship bracket will split the 5<sup>th</sup> through 8<sup>th</sup> place points. ( $30 + 25 + 20 + 15 = 90 \div 4 = 22.5$  pts each)

In wrestling, NSAA Cup points will be awarded based on a school's highest finish at either the Individual Wrestling Championship or the Dual Wrestling Championships. For example: If a school places 4<sup>th</sup> at the Individual Championships and places 3<sup>rd</sup> at the Dual Championships, that school would receive the 40 points earned for the 3<sup>rd</sup> place finish at the Dual Championships, instead of receiving points for both Championship events.

In District Music Contests, each school will earn five total points for entering at least two instrumental entries; and five total points for entering at least two vocal entries.

In activities' Championships involving cooperative agreements, each of the schools in the cooperative will earn the points for that respective event providing they have at least one student participating on the cooperative varsity team.

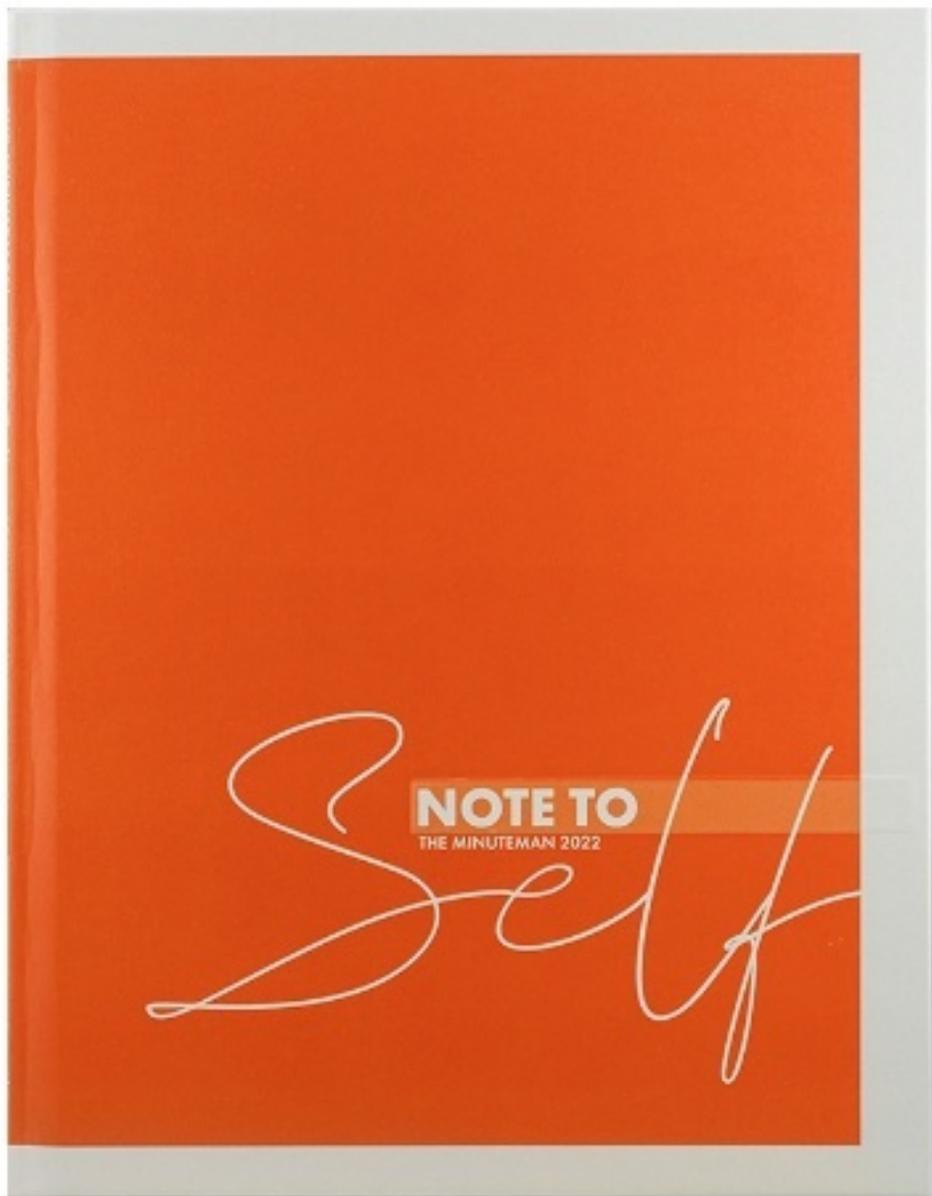

If a team is forced to relinquish its honors in a State competition as a result of an infraction (such as the use of ineligible players) it will be ineligible for any points in that activity for that year. If the penalty for infraction is assessed after a school has received the award and the loss of points for that activity results in a drop in standings for the NSAA Cup, the Cup must be relinquished to the eligible school which received the next highest point total in the final standings.

### **Cup Standings**

The NSAA Cup standings will be kept current on the NSAA website throughout the activities year, with summaries of individual activity scoring being available after the conclusion of those Championship events. The winners of the NSAA Cup will be announced after the completion of all NSAA Championship events for the current year.

### **Cup Presentations**

The NSAA Cups will be presented to the winning schools in the four Classes of each Division during a special ceremony the following fall.
