PRINCIPAL'S CONTRACT OF EMPLOYMENT LEXINGTON PUBLIC SCHOOLS

THIS CONTRACT is made by and between the **Board of Education of Lexington Public Schools**, legally known as **Dawson County School District No. 1**, and referred to as "the Board" and "the School District" respectively, and **Eric Bell**, referred to herein as "the Principal". In accordance with its action taken and recorded in the minutes of a duly advertised board meeting, the Board agrees to employ the Principal, and the Principal agrees to accept such employment, subject to the terms and conditions set forth herein.

Section 1. Term of Contract. The Principal shall be employed for 1 year beginning on July 1, 2023, and expiring on June 30, 2024. During this and any subsequent year under this contract, the Principal shall render at least 225 working days of service in the performance of his duties as Principal. "Working days" include the 185 teacher contract days identified on the district calendar; will not normally include Saturdays, Sundays, and legal holidays; but it shall include all days on which the Principal actually and necessarily completes his contractual duties. The Principal agrees to work sufficient hours and days to satisfactorily complete the duties of this contract. The Principal shall keep complete and accurate records of his working days and shall provide the Superintendent with a report of his accumulated working days at least annually.

Section 2. Renewal of Contract. Unless the Superintendent recommends the nonrenewal, termination, amendment, and/or cancellation of this contract, the contract will automatically renew for a period of **one contract year**, as defined in Section 1, from and after the expiration date provided in Section 1 of this contract.

Section 3. Salary. The Principal's salary for the contract year shall be \$125,000.00 which shall be paid in 12 equal monthly installments beginning in the month of July 2023. The Board shall not reduce the Principal's salary during the term of the contract, but may increase it and/or the benefits during the term of this contract, as an amendment to the contract, without the amendment constituting a new contract, requiring a hearing, or extending the term of this contract.

Section 4. Deductions. This contract shall conform to the statutes and regulations governing deductions from compensation. The Principal authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Principal or the value of property or money entrusted to the Principal or owed by the Principal to the District during the course of or as a result of the Principal's

employment, if such property or money have not properly been returned to the District. The school district shall withhold other deductions as the Principal and Board may agree.

Section 5. Professional Status. The Principal affirms that he is not under contract with any other board of education covering any part or all of the term provided in this contract. Throughout the contract term, he will hold a valid and appropriate certificate to act as a principal in the State of Nebraska which he will register and maintain on file in the school district's central administrative office. This contract shall not be valid and the Board will not compensate the Principal for any service performed prior to the date that he registers his certificate. The Principal represents that: (1) all information he provided in connection with his application for employment with the District was true and accurate at the time of application, and if there is or has been a material change in such information, he will advise the Board immediately; (2) he has never been convicted of or plead no contest to, a felony as defined in Title 92, Chapter 21, Sections 003.11 and 003.13 of the Nebraska Administrative Code ("Rule 21"), or any offense involving moral turpitude, abuse, neglect, or sexual misconduct, as defined in Title 92, Chapter 21, Sections 003.12 and 003.13 of the Nebraska Administrative Code; and (3) he has not had any professional licenses or certificates suspended or revoked.

Section 6. Principal's Duties. The Principal's duties shall be as prescribed by statute and by Board policies, rules, regulations, job descriptions, and directives. The Principal agrees to devote his time, skill, labor and attention to his duties throughout the contract term. He shall be subject to the direction and control of the Superintendent at all times and shall perform such administrative duties as the Superintendent or Board assigns to him. By agreement with the Superintendent, he may undertake consultative work, speaking engagements, writing, lecturing, or other professional duties and obligations as long as they do not interfere with carrying out his duties and obligations to the school district.

Section 7. Nonrenewal, Termination, Cancellation or Mid-Term Amendment. Nonrenewal, termination, cancellation, or amendment of this contract shall be in accordance with state statutes. During any applicable probationary period, the Board may nonrenew or amend this contract for any reason so long as it is not unconstitutional. At all other times, the Board may terminate, cancel or amend this contract for any of the following reasons: (a) the cancellation, termination, revocation, or suspension of the Principal's certificate (Nebraska Administrative and Supervisory Certificate, or the Nebraska Professional Administrative and Supervisory Certificate) by the State Board of Education; (b) any of the reasons set forth in this contract; (c) the breach of any of the material provisions of this contract; (d) incompetence:

(e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) conduct involving moral turpitude; (i) physical or mental incapacity; (j) immorality; (k) conviction of a felony; (l) any conduct that substantially interferes with the Principal's continued performance of his duties; (m) any arrest, criminal charge, or criminal conviction of Principal or the failure to report the same; (n) any filing against the Principal under Neb. Rev. Stat. Section 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (o) knowingly falsifying school district records or documents; (p) misrepresentation of fact to the district and its personnel in the conduct of the district's official business; (q) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (r) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the district except as prescribed by a physician.

Section 8. Disability. If the Principal is unable to perform his duties by reason of illness, accident or other disability beyond his control, and the disability continues for a period of more than six (6) months or if the disability is permanent, irreparable, or of such a nature as to make performance of his duties impossible, the Board may initiate action to cancel this contract, whereupon the respective rights, duties and obligations of the parties hereunder shall terminate, with the exception of any benefits to be paid to the Principal under any insurance coverage furnished by the district.

Section 9. Transportation. The Board shall provide the Principal with transportation or reimburse him for mileage required in the performance of his official duties at the rate approved by the Board.

Section 10. Fringe Benefits. The Board shall provide the Principal with the following fringe benefits:

d. Personal Leave. The Principal shall be eligible for two (2) days of paid personal leave per year, cumulative to four (4). If the Principal has three (3) or four (4) personal days remaining at the end of any contract year, he will not accrue more than is necessary to bring his total back to four (4). If the Principal has four (4) personal days remaining, he will not receive any additional days the following contract year. If the Principal has three (3) personal days remaining, the Principal will only be given one (1) additional day to bring the Principal's total to the maximum accumulated amount of four (4) days. Payment upon severance for up to the maximum of four (4) accumulated personal days shall be at a rate of \$200 per day.

e. Sick Leave. The Principal shall be granted ten (10) paid sick leave days per year and may carry over to the following contract year no more than sixty-five (65) accumulated days. All accumulated sick leave may be used for absences due to illness, injury, or disability of the Principal or members of his immediate family when such illness, injury, or disability requires the presence of the Principal. Sick leave may also be used for medical and dental appointments or referrals that cannot be scheduled outside contract time for the Principal or members of his immediate family.

"Immediate family" shall mean:

Principal's spouse or domestic partner; and his or his spouse's or domestic partner's:

One (1) additional bereavement day may be used annually in the event of the death of any person, including but not limited to, immediate family.
- g. Professional Development.** The Principal is expected to continue his professional development and to participate in relevant learning experiences. With the approval of the Superintendent or Board, he may attend appropriate professional meetings at the local, state, regional and national level; and the Board will pay for valid expenses of attendance. If the Principal attends a national convention and does not return following the initial year of employment as Principal, the Principal agrees to repay the District in full for national convention expenses paid by the District.
- h. Professional Dues.** The school district will pay the annual dues for the Principal’s membership in the following organizations: NCSA and a national affiliate.
- i. Physical Examination.** The Principal may voluntarily undergo a physical examination. The Principal agrees that he will authorize the physician performing each such examination to provide the Board with all records, results and medical judgments of the examination. Up to \$100 of the cost of such physical examination and physician's reports which are not paid for by the Principal's insurance coverage shall be paid by the District.
- j. Cell phone.** The district will provide the Administrator with a cell phone for use in carrying out the business of the district.

k. Expense Reimbursement. The Board shall pay or reimburse the Principal for expenses that are actually, necessarily, and reasonably incurred in attending educational seminars, conventions, and workshops; conferences; training programs; official school functions, hearings or meetings, provided that (1) such payment or expense is authorized by the Local Government Miscellaneous Expenditures Act (Neb. Rev. Stat. § 13-2201 *et seq.*) or some other provision of law.

Section 11. Residence/Domicile in School District. The Principal shall have his domicile and principal residence within the boundaries of the District as they exist on the first duty day for the Principal under the terms of this contract; and, the Principal shall maintain his domicile and residence within the boundaries of the District during the term of this agreement, or any renewal, amendment, or continuation thereof, except as otherwise provided herein. If the Principal is in his first year of employment with the District and does not have his domicile and principal place of residence within the District at the time of his employment, the Principal shall move his domicile and principal place of residence into the corporate limits of the District before the expiration of the first six months from the Principal's first duty day under this contract. It is the purpose of this paragraph to require the Principal to, at all times during such employment, live and maintain his domicile and principal place of residence in the District to encourage the Principal: (1) to be highly motivated and deeply committed to the District's educational system; (2) to speak to and vote on ballot issues affecting the district as a legal voter of the school district; (3) to be involved in school and community activities bringing his in contact with parents and community leaders and be committed to the future of the district and its schools; (4) to be accessible to parents and students, and allow parents and students to become personally acquainted with the Principal; and, (5) to gain sympathy and understanding for the cultural basis of the community, and the social, economic, and environmental problems of the children of the school community and are thus less likely to be considered isolated from the community in which he is the educational leader.

Section 13. Compensation Upon Termination and Credit for Accrued Vacation. Upon lawful termination of this contract for any reason, the compensation to be paid hereunder shall be an amount which bears the same ratio to the annual salary specified as the number of months or fraction thereof to the date of such termination bears to the 12 months in the annual salary period in which termination occurs. The Principal shall refund any portion of the salary he was paid but had not earned prior to the date of termination of this contract. He shall be paid for any unused vacation days at the daily compensation rate then in effect at the termination of employment.

Section 14. Evaluation. The Superintendent shall evaluate the Principal as required by state statute. The Principal agrees that the full instructional/observational evaluation period, as required by section 79-828, shall mean any observation of the Principal's duties for at least 40 minutes, whether consecutive or as aggregated throughout the period applicable to the evaluation. The Principal agrees that time spent working in conjunction with the Superintendent on school-related matters may be counted toward observation for a full instructional period.

Section 15. Legal Actions. The Board will support the Principal if there is a legal dispute caused by his carrying out his duties properly. If a legal action, including a professional practice complaint, is threatened or filed against the Principal as a result of his performance of his duties or his position as Principal of the district, the Board will provide him with a legal defense to the maximum extent permitted by law so long as he acted in good faith and in a manner which he reasonably believes to be in or not opposed to the best interests of the district and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his conduct was unlawful.

Section 16. Physical or Mental Examination. The Principal agrees that, at the request of the Board or Superintendent, he will have a comprehensive physical and/or mental examination performed by one or more licensed physicians or psychologists of the Board's choosing during the term of this Contract. In deference to the requirements of the Americans with Disabilities Act and HIPAA, the physician's report to the Board and/or Superintendent must address whether the Principal is able to perform the "essential functions" of his position.

Section 17. Governing Laws. The parties shall be governed by all applicable state and federal laws, rules, and regulations in performance of their respective duties and obligations under this contact.

Section 18. Amendments to be in Writing. This contract may be modified or amended only by a writing duly authorized and executed by the Principal and the Board.

Section 19. Severability. If any portion of this contract is declared invalid or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity or enforcement of the remaining provisions of this contract.

IN WITNESS WHEREOF, the parties have executed this contract on the dates indicated below.

NEGOTIATED AGREEMENT
2023-2024 and 2024-2025**

I. AGREEMENT

This Agreement is made this 14th day of February, 2023, between the Board of Education of Dawson County School District No. 1 of Lexington, Nebraska, also known as Lexington Public Schools or LPS hereinafter called “Board”, and the Lexington Education Association, hereinafter called “Association” or “LEA”, the Board having previously recognized the Association as the negotiating agent for the certified non-supervisory employees of LPS.

II. TERMS AND CONDITIONS

The following terms and conditions of employment have been agreed upon:

A. TERM OF AGREEMENT

The contract year shall consist of one-hundred eighty-five (185) work days.

B. SALARY SCHEDULE

The vertical index for the salary schedule shall be 5% per step and the horizontal index shall be 4% per column. If the certified employee qualifies for movement, it shall be limited to one step down and two columns across per year.

The base salary for 2023-2024 shall be \$38,525.00 and for 2024-2025 shall be \$39,325.00, as reflected in Schedule A attached hereto and incorporated into this agreement. The Board of Education may reopen negotiations for the 2024-2025 contract year if EHA health insurance rates are anticipated to increase by 8% or more for that year.

In determining initial placement on the salary schedule, the District will accept all years of out-of-district teaching experience after completion of a baccalaureate degree. New staff covered by this agreement who possess Masters degrees shall be placed in the BA+45/MA column; those with specialist or doctoral degrees shall be placed in the MA+45/EdS column.

All hours for advancement on the salary schedule will be from an accredited college or university that offers a state accredited and approved Bachelors and Masters teacher certification program. Masters degrees in all fields will qualify for movement on the salary schedule. Beginning in the 2017-2018 contract year, hours counted for movement beyond the Bachelor’s degree (BA) column must be at the graduate level and from a North Central Accredited (NCA) Institution or have prior approval from the Superintendent or her/his designee. Only credits earned after completing the Masters Degree may be counted for horizontal movement beyond the Masters column.

Teachers may also move to the BA+45/MA column with graduate hours approved by the Superintendent or his/her designee or by completion of a Masters degree. Teachers may also move to the MA+45/EdS column with graduate hours approved by the Superintendent or his/her designee or by completion of a specialist or doctoral degree. All hours for advancement must be from an accredited institution, except the district retains the prerogative to develop an educational program in which credits for advancement on the salary schedule may be granted for staff who participate in district-selected or developed training or education. The maximum number of hours that any staff member may attain from district-selected training shall be 9 “credits” per year.

The LPS regular payday for all staff covered by this agreement will be on the 20th of each month, and the pay period will run from the Sunday following the first Saturday of the month through the first Saturday of the following month.

C. FRINGE BENEFITS

To be eligible to receive fringe benefits, a teacher must be employed a minimum of .40 full-time equivalency (FTE). Benefits for eligible part-time teachers shall be prorated according to their contract terms.

1. Health Insurance

Lexington Public Schools shall make available to the certificated employees a group health and dental insurance plan through the Educators Health Alliance (EHA) with employee elected coverage levels of (1) the \$1200 Deductible PPO Plan with 100% A, 75% B, 50% C dental coverage or (2) the \$3800 Deductible Health Savings Account (HSA) Plan with 100% A, 75% B, 50% C dental coverage, as described below. On occasion, EHA raises its deductible levels. In the event EHA increases its deductible levels so that they do not match those described in this paragraph for health and dental insurance, LPS shall provide that same or closest equivalent plan(s) at the higher deductible level, and the parties agree that increases in deductible level(s) will not reopen negotiations for the 2024-2025 contract year.

- a. \$1200 Deductible PPO Plan: For those employees electing the \$1200 Deductible PPO Plan, the Board shall pay the following amounts toward the monthly insurance premiums at the rates established by the EHA for the levels of coverage for which each certificated employee is qualified:
 - i. Full monthly premium for employee health & employee dental (100% A, 75% B, 50% C coverage)
 - ii. Full monthly premium for employee and spouse health & employee dental (100% A, 75% B, 50% C coverage)
 - iii. Full monthly premium for employee and children health & employee dental (100% A, 75% B, 50% C coverage)
 - iv. Full monthly premium for employee, spouse, and children health & employee dental (100% A, 75% B, 50% C coverage)
 - v. Full monthly premium for employee, spouse, and children health & employee, spouse, and children dental (100% A, 75% B, 50% C coverage) if both spouses are certified employees of the District
- b. \$3800 Deductible HSA Plan: For those employees electing the \$3800 Deductible HSA Plan, the Board shall pay the following amounts toward the monthly insurance premiums at the rates established by the EHA for the levels of coverage for which each certificated employee is qualified:

- i. Full monthly premium for employee health & employee dental (100% A, 75% B, 50% C coverage), plus \$106.18 into the employee's HSA account per month
- ii. Full monthly premium for employee and spouse health & employee dental (100% A, 75% B, 50% C coverage), plus \$222.90 into the employee's HSA account per month
- iii. Full monthly premium for employee and children health & employee dental (100% A, 75% B, 50% C coverage) plus \$196.37 into the employee's HSA account per month
- iv. Full monthly premium for employee, spouse, and children health & employee dental (100% A, 75% B, 50% C coverage) plus \$299.31 into the employee's HSA account per month
- v. Full monthly premium for employee, spouse, and children health and employee, spouse, and children dental (100% A, 75% B, 50% C coverage), plus \$299.31 into the employee's HSA account per month, if both spouses are certified employees of the District

In the event an employee is granted unpaid leave, no payroll deduction for health insurance premiums shall be made for either the employee or his/her spouse if both are employed by the district and eligible to receive district-paid health insurance.

2. Disability Insurance

Each teacher shall purchase his or her own long-term disability insurance through a carrier chosen by the school district. The board will increase each teacher's compensation by an amount equal to the premium for the disability insurance. The disability insurance shall have the following specifications:

- a. For all current certified employees there are not pre-existing conditions;
- b. For all new employees there is only a five-day waiting period. As soon as a new employee has worked in the district for five (5) consecutive days, their pre-existing condition is eliminated.
- c. Includes "end of sick leave" disability. After the exhaustion of each individual's accumulated sick leave, disability benefits begin.
- d. The disability percentage shall be at the rate of 66 2/3% of gross salary (including health insurance).
- e. The up-front disability payment (based on salary and health insurance) will be payroll deducted. All certified staff will be required to participate in this program.

3. Section 125 Plan

The Board will pay the managerial cost for any staff member wishing to participate in the District's sponsored 125 plan.

D. EXTRA-DUTY ASSIGNMENTS

The Extra-Duty Schedule (B) is attached hereto and incorporated into this agreement. Pay for assignments added after the start of the contract year shall be agreed upon by mutual consent of the Board and the LEA Executive Committee.

E. LEAVES

Full-time (1.0 FTE) teachers are eligible for the following leaves. Leaves shall be prorated per the contract terms of part-time teachers.

1. Paid Personal Leave

Each teacher shall be eligible for three (3) days of paid personal leave per year, cumulative to five (5). Teachers who have four (4) or five (5) personal days remaining at the end of any contract year will not accrue more than is necessary to bring their total back to five (5). If a teacher has five (5) personal days remaining, the teacher will not receive any additional days the following contract year. If a teacher has four (4) personal days remaining, the teacher will only be given one (1) additional day to bring the teacher's total to the maximum accumulated amount of five (5) days. Payment upon severance for up to the maximum of five (5) accumulated personal days shall be at a rate of 1/185 of base pay.

Personal leave requests will be granted if they are submitted to the building principal at least three (3) days in advance, except as provided below. The reason(s) for the request need not be given.

In the event that it is anticipated that more than 5% of the classroom teaching staff will be absent on a given day, the building administrator may, but is not required to, deny personal leave requests for such days and shall prioritize requests on a first-come, first-served basis. Classroom teaching staff acting as activity sponsors missing school for less than a full day of school will not be counted as "absent" when the 5% is calculated.

2. Bereavement Leave

Bereavement leave shall be granted for up to four (4) days plus reasonable travel time for each death of immediate family as defined under the Paid Sick Leave provision of this agreement. One (1) additional bereavement day may be used annually in the event of the death of any person, including but not limited to, immediate family.

3. Paid Sick Leave

Teachers shall be granted ten (10) paid sick leave days per year and may carry over to the following contract year no more than sixty-five (65) accumulated days. All accumulated sick leave may be used for absences due to illness, injury, or disability of the teacher or members of his/her immediate family when such illness, injury, or disability requires the presence of the employee. Sick leave may also be used for medical and dental appointments or referrals that cannot be scheduled outside contract time for the teacher or members of his/her immediate family.

"Immediate family" shall mean:

Spouse or domestic partner; and your or your spouse's or domestic partner's:

1. Children, step-children, or foster children;

2. Brother, step-brother, sister, or step-sister;
3. Brother or sister-in-law;
4. Parent, step-parent, or guardian;
5. Grandparent;
6. Grandchild;
7. Aunt or uncle;
8. First cousin;
9. Niece or nephew;
10. Son-in-law or daughter-in-law;
11. A “qualifying child” or “qualifying relative” as those terms are defined by the Internal Revenue Service.

“Domestic partner” shall mean a person of the same or opposite sex who: has shared the same regular and permanent residence with you for at least 3 months and has the current intent of doing so indefinitely; is at least 19 years of age; is not married to another person; is not related by blood closer than would bar marriage in Nebraska; and is financially interdependent or jointly responsible for basic living expenses.

Teachers may apply for up to twenty (20) days extended sick leave, at long term sub-dock pay, each month for the remainder of the school year for immediate family illness. Applications shall be filed on a monthly basis with the superintendent or his/her designee.

The superintendent or his/her designee may require verification of the illness, injury, or disability from the health care provider for any sick leave request exceeding five (5) days.

Sick Leave Extension – If needed and with approval of the superintendent or designee, a teacher may be permitted to borrow up to five (5) days sick leave from the following year’s sick leave appropriation for that staff member. If that person should, for any reason, leave prior to the time when the borrowed sick leave would be repaid, s/he will have the amount of sick leave borrowed and not repaid taken from his/her last pay check at the rate of 1/185 of the contract salary per day of sick leave owed to the district. For employees returning to the system, borrowed sick leave will be subtracted from next year’s sick leave.

Annual Payment for Unused Accumulated Sick Leave – Teachers who have unused accumulated sick leave in excess of the maximum 65 accumulated days at the end of the contract year shall be compensated at a rate of \$100.00 per day for each unused day in excess of the 65-day accumulation limit. Payment will be made by the July payroll.

Payment for Accumulated Sick Leave Upon Severance – Teachers who have taught in the district a minimum of fifteen (15) years shall receive payment upon severance of \$100.00 per day for any unused, accumulated sick leave days up to a maximum of 75 days.

4. Unpaid Leave

Teachers shall be granted up to five (5) days of unpaid leave per year deducted at a daily rate of 1/185 of salary and 1/185 health insurance premiums; except, no payroll deduction for health insurance premiums shall be made for either the employee or his/her spouse if both are employed by the district and eligible to receive district-paid health insurance. Unpaid leave requests require three (3) days advance notice to the building administrator and are subject to denial based on the availability of a substitute.

F. JURY DUTY

Any person who is summoned to serve on jury duty shall not be subject to discharge from employment, loss of pay, loss of sick leave, loss of vacation time, or any other form of penalty, as a result of his or her absence from employment due to such jury duty, upon giving reasonable notice to his/her employer of such summons. An employee will be granted time off for jury duty, shall be paid fully by the District, and will surrender whatever non-district pay s/he receives while serving on the jury.

G. EXTRA PAY

Activity Pay – All teachers are required to work one (1) extra-curricular activity event per year and shall either receive an activity pass or be compensated at a rate of \$18.00 per hour for working the event. For working a second event, teachers shall either receive an additional activity pass for their spouses or be compensated at a rate of \$18.00 per hour. Teachers shall be compensated at a rate of \$18.00 per hour for all additional activity events they choose to work.

In-House Sub Pay – Teachers shall be compensated at a rate of \$24.00 per hour when substituting during their planning times.

Residency Incentive – The District shall make a one-time payment of \$500.00 to any teacher hired on or after January 1, 2017, who resides in the school district. To receive payment, the teacher shall present a current utility bill, rental lease, or other document establishing proof of residency no later than November 1 of the current contract year.

III. GRIEVANCE PROCEDURE

Definition of Grievance. A grievance is an allegation by an employee or group of employees that there has been a violation of a provision of the negotiated agreement or a policy of the board of education.

Procedural Steps. The procedure for handling grievances is as set forth below.

Step 1 - Oral Notice to Principal. The grievant shall initiate the grievance by presenting it to his or her principal or immediate supervisor within seven (7) days from the date that the grievant knew or should have known of the incident giving rise to the grievance.

Step 2 - Written Grievance to the Principal. If the grievance is not resolved to the satisfaction of the grievant within five (5) days of the meeting with the principal, the grievant representative may present the grievance in writing to the principal.

The principal shall schedule a meeting within three (3) days of receipt of the written grievance to discuss the elements of the grievance. The principal shall submit his or her determination in writing to the grievant within five (5) days of the meeting.

Step 3 - Written Appeal to the Superintendent of Schools. If the determination of the principal is not satisfactory to the grievant, the grievant may appeal it to the superintendent of schools or his or her designated representative. Said appeal shall be presented, in writing, to the office of the superintendent of schools within five (5) days of receipt of the principal's determination.

The superintendent of schools or a designee shall hold a formal meeting within seven (7) days of receiving the written appeal. The superintendent of schools or a designated representative shall make a written determination regarding the grievance within five (5) days of the date of the meeting.

Step 4 - Appeal to the Board of Education. If the determination of the superintendent of schools is not satisfactory to the grievant, the grievant may appeal it to the board within five (5) days of receipt of the superintendent's decision. The board shall hear the grievance within thirty (30) days in open or closed session in accordance with the law. The board shall notify the grievant of its decision within five (5) days of hearing the grievance.

Written Presentation. All grievances presented at Step 2 and subsequent steps of the procedure shall set forth in writing all facts giving rise to the grievance, the provision(s) of the Agreement or policy alleged to have been violated, the names of the grievant(s), the names of all witnesses, and the remedy sought by the grievant. All grievances at Step 2 and appeals at Step 3 and Step 4 shall be signed and dated by the aggrieved employee. All written answers submitted by the district shall be signed and dated by the appropriate district representative.

Grievance Meetings or Hearings. All meetings and hearings conducted under this procedure up to and including Step 3 shall be conducted in private and shall include only the administration's representatives, the grievant, the grievant's representatives, and witnesses as necessary.

Association Representation. A grievant shall have the right to have an Association representative present to represent the grievant at each level of the grievance procedure.

Reprisals. No reprisals of any kind shall be taken against any employee who uses this grievance procedure in good faith.

Withdrawal of a Grievance. A grievant may withdraw his or her grievance at any level of the procedure without fear of reprisal from any party.

Advanced Step Filing. A grievance shall be filed initially at the level at which the decision resulting in the grievance was made.

Time Limitations. Time limitations herein are critical. All references to days are to calendar days. No grievance shall be accepted by the district unless it is submitted or appealed within the time limits set forth in this Agreement. If at any time during the grievance process, it is discovered that the grievance was not filed or appealed in a timely manner, the grievance shall be dismissed. If the grievance is not submitted in a timely manner at Step 1 or Step 2, it shall be deemed to be waived. If the grievance is not appealed to Step 3 in a timely manner, it shall be deemed to have been settled in accordance with the district's Step 2 determination. If the district fails to answer within the time limits set forth in this Agreement, the grievance shall automatically proceed to the next step.

When the deadline for taking an action falls on a Saturday, a Sunday or a legal holiday, the time for taking the action shall be extended to the next working day.

IV. IMPLEMENTATION

This agreement entered into by the Board with the Association shall constitute a commitment by the Board and the Association to the provisions of this Agreement for its duration or until amended by an instrument in writing duly executed by both parties, which ever shall first occur.

This agreement shall become effective upon its approval by a majority of the members of the Board and a majority of the members of the Association shall remain in effect until superseded by a successor agreement approved by both parties.

V. NONDISCRIMINATION

The Board and Association shall not discriminate against any employee or applicant who is to be employed for performance of this Agreement with respect to his or her hire, tenure, terms, conditions, or privileges of employment, because of his or her race, color, religion, sex, disability, or national origin.

VI. TOTALITY OF AGREEMENT

The parties acknowledge that during the negotiations which resulted in this Agreement, the Association had the unlimited right and opportunity to present demands and proposals with respect to any and all matters lawfully subject to collective bargaining; that all of the understandings and agreements arrived at thereby or set forth in this agreement; and that it shall constitute the entire agreement between the parties for the indicated contract year(s).

Both the Board and the Association, during and for the term of this agreement, voluntarily and unqualifiedly waive the right, and agree that the other shall not be obligated to bargain collectively with respect to any subject or matter, whether or not referred to or covered by this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of the parties at the time they negotiated or signed this agreement. Nothing herein shall, however, preclude the parties from mutually agreeing to alter, amend, supplement, delete, enlarge or modify in writing any of the provisions of this Agreement.

VII. MANAGEMENT

Anything herein to the contrary notwithstanding, the Board, except as is expressly provided in this Agreement, reserves exclusively unto itself all the rights, powers, discretion, authorities, and prerogatives vested in it, whether exercised or not; and nothing herein shall be construed in any manner as constituting a delegation or waiver of any rights, powers, discretion, authority or prerogative so vested in the Board its designees.
