OUT OF STATE TRANSPORTATION ADDENDUM 2023-2024 SCHOOL YEAR

Iowa School for the Deaf and  
Lexington Public Schools

This Agreement is entered into by and between the Lexington Public Schools (School District) and the Iowa School for the Deaf (ISD).

The undersigned agencies, for the student identified below as a student being provided services or programs by ISD, hereby do consent and agree to the following terms and conditions.

**CONDITION I**

All costs associated with transportation services provided by ISD, in accordance with the Agreement, shall be the responsibility of the School District. The School District shall pay to ISD the actual costs incurred by ISD in providing this service as follows:

ISD shall provide the School District with an estimate of the actual cost of the service to be provided upon enrollment, or as soon as possible after enrollment. Costs will be prorated if the service provided is less than one full school year.

**CONDITION II**

ISD shall provide weekly transportation between the school and the destination designated by the School District. Costs including personnel and mileage for the student being transported by ISD will be billed to the School District. The cost will be prorated by the number of students being transported on any portion of the route between the designated destination and ISD. In the case where the student is transported individually, all costs will be billed to the School District. Costs will be billed twice a year after the end of each semester.

**CONDITION IV**

In the event the IEP team determines that ISD cannot meet the instructional needs of a student, or that the services identified in Condition II are no longer needed by the student, this Agreement shall terminate automatically.

**FY24 Student served by the Iowa School for the Deaf**

**Student:** Sahra Abdullahi

**Estimated annual transportation costs:** \$ 7,600.00 for the period August 25, 2023 through May 23, 2024.
