TEACHER'S CONTRACT

THIS CONTRACT is made by and between the Board of Education of Dawson County School District No. 24-0001, commonly known as Lexington Public Schools and referred to herein as the "Board" and "District" respectively, and **Vicente Flores**, a legally qualified teacher, referred to herein as the "Teacher".

WITNESSETH: The Board agrees to employ Teacher above named in the schools of the District for a school year, which shall begin on or about August 12, 2024, and conclude on or about May 23, 2025. Teacher accepts such employment at a salary based upon placement on step 5 of column BA of the salary schedule.

FIRST: Teacher's salary shall be payable in 12 equal installments. The first installment shall be payable on the 20th day of September, 2024, and the remaining installments shall be payable on the 20th day of each month thereafter.

SECOND: Teacher will abide by the District's and Administration's policies, rules, regulations and directives and all state and federal statutes, rules, and regulations. Teacher's duties are subject to assignment by the Administration. Teacher agrees to devote full time during days of school to his/her position in all respects and to perform the assigned duties diligently and faithfully to the best of his/her professional ability.

THIRD: In addition to the teaching duties set forth herein, Teacher may be assigned such "extra duty" assignments which shall be for such compensation as may be agreed upon by the District and Teacher or by Teacher's duly authorized bargaining agent.

FOURTH: A majority of the Board members may cancel or amend this contract during its term members for any of the following reasons: (a) cancellation, termination, revocation or suspension of Teacher's certificate by the State Board of Education; (b) a breach of any material provision of this contract; (c) any reason set forth in this contract; (d) incompetence; (e) neglect of duty; (f) unprofessional conduct; (g) insubordination; (h) immorality; (i) physical or mental incapacity; (j) any conduct that interferes substantially with the teacher's continued performance of duties; (k) any arrest, criminal charge, or criminal conviction of Teacher or the failure to report the same; (l) any filing against the Teacher under Neb. Rev. Stat. Section 43-247 or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect or the failure to report the same; (m) knowingly falsifying school district records or documents; (n) misrepresentation of fact to the district and its personnel in the conduct of the district's official business; (o) the use or possession of illegal drugs or controlled substances except as prescribed by a physician; or (p) being under the influence of illegal drugs, controlled substances, or alcohol while on school grounds, at school events, or in a vehicle owned, leased or contracted by the district except as prescribed by a physician. Cancellation or amendment under this contract shall be governed by applicable provisions of Nebraska statute.

FIFTH: Upon termination of this contract for just cause, or upon Teacher's release from this contract, the compensation paid or to be paid hereunder shall be an amount that bears the same ratio to the yearly salary herein specified as the number of days of service to the date of such termination bears to the number of days of service in the contract year. Teacher shall refund any unearned fractional portion of an installment paid but not earned prior to termination of the contract.

SIXTH: Upon termination of this contract for any reason, Teacher shall immediately return all District property to the District.

SEVENTH: There shall be no penalty for release or resignation by the Teacher from this contract, provided no resignation shall become effective until the close of the school year unless it is accepted by the Board, which shall fix the time that the resignation is to take effect.

EIGHTH: This contract shall conform to the regulations governing deductions from the above-stated compensation with reference to withholding tax, social security and Teacher's retirement. Teacher authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by Teacher or the value of property or money entrusted to Teacher or owed by Teacher to the District during the course of or as a result of Teacher's employment, if such property or money have not properly been returned to the District. Other deductions may be withheld as agreed to by the parties to this contract.

NINTH: Teacher affirms that he/she is not under contract with another school board or board of education within this state covering a part or all of the same time of performance as is contemplated by this agreement. Teacher affirms that he/she holds or will hold a valid Nebraska Teaching Certificate at the beginning of the term of this contract. This contract is not valid until said certificate is registered in the office of the Superintendent of Schools, and Teacher shall not be compensated for any services performed prior to the date of the registration.

TENTH: Teacher shall report to the District within 24 hours any arrest, criminal charge, or criminal conviction of Teacher. Teacher shall report to the District within 24 hours any filing against the Teacher under section 43-247 of the Nebraska statutes or any other provision of the Nebraska Juvenile Code for child abuse and/or neglect.

ELEVENTH: The compensation set forth in this agreement shall be subject to such adjustments as the Board and Teacher or Teacher's duly authorized bargaining agent may agree upon from time to time. Teacher authorizes the District to deduct or withhold from each and every period of pay any amounts necessary to offset any damages caused by the Teacher or the value of property or money entrusted to the Teacher or owed by the Teacher to the District during the course of the Teacher's employment, if such property or money has not properly been returned to the District.

TWELFTH: Teacher's failure to return a signed copy of the contract or renewal agreement to the Superintendent of Schools or Secretary of the Board of Education of the District on or before December 7, 2023, shall constitute a rejection of this offer of employment.

“Due to market volatility, prices cannot be guaranteed after orders have been placed. Some equipment manufacturers have increased prices days, weeks, or months after taking an order. This is typically seen with items having much longer lead times than normal. Prices will be held whenever possible and our margins will not increase. However, if our cost increases days, weeks, or months after pricing was locked, prices will be adjusted to include the increased cost. Prices will be double checked at time of order to ensure their validity. Price changes after ordering will be coordinated to ensure transparency.”

Siblings of Currently Enrolled Option Students. Notwithstanding any numeric or programmatic capacity determinations or school building closures made by this policy or by the board by resolution or motion, siblings of students currently enrolled in Lexington Public Schools shall be allowed to option into the district for the 2023-2024 and 2024-2025 school years, subject to any special education capacity determination. Students residing in the district will be given priority for admittance into the Dual Language Academy. Admission into the Dual Language Academy is not guaranteed for option students regardless of whether a sibling has already been admitted into the program. See Dual Language Academy Admissions Procedure for further information.

Early Learning Academy students. Notwithstanding any numeric or programmatic capacity determinations or school building closures made by this policy or by the board by resolution or motion, non-resident preschool students enrolled in Lexington Public School's Early Learning Academy during the 2023-2025 school years shall be allowed to option into the district for the 2024-2026 school years, subject to any special education capacity determination. Students residing in the district will be given priority for admittance into the Dual Language Academy. Admission into the Dual Language Academy is not guaranteed for option students. See Dual Language Academy Admissions Procedure for further information.

Dual Language Academy Admission Procedure

The Dual Language Academy shall admit up to 66 students in each grade level cohort divided as evenly as possible between English- and Spanish-speaking students as determined by the principal. Students are normally admitted in their kindergarten year. Students who wish to enroll after the start of their kindergarten year will only be considered if there is program capacity, the student is admitted through the random number drawing system described below (if applicable), and the student demonstrates readiness through district-administered assessments. The principal is responsible for making readiness determinations and his/her decisions shall be final.

A list of prospective kindergarten students shall be maintained by the district for Spanish and English sides with admissions decisions made in the spring of the year preceding the start of kindergarten. A random number drawing system developed by the principal shall be used for determining which students are admitted into both sides of the program with students residing in the district ("Resident Students") being considered before those who do not ("Non-resident Students" (option or contract students)). Should slots be available after the admittance of Resident Students, Non-resident Students may then be admitted by the same random number drawing system. Students who are not admitted will be placed on a waiting list in the event a slot becomes available during the kindergarten or first grade year. Resident Students will be given the first opportunity to fill available slots, and shall be admitted based on their rank in the original kindergarten cohort drawing. Non-resident Students will then be given the same opportunity if slots remain available after the Resident Students waiting list has been exhausted. Students will not ordinarily be accepted into the Dual Language Academy past the first grade year; such determinations will be made on a case-by-case basis by the principal, and his/her decision shall be final.

Two slots shall be maintained for community economic development subject to the terms contained in board policy 6500.

**Americanism Board of Education Update
December, 2023**

79-724. Committee on American civics; created; duties; school board, State Board of Education, and superintendent; duties.

It is the responsibility of society to ensure that youth are given the opportunity to become competent, responsible, patriotic, and civil citizens to ensure a strong, stable, just, and prosperous America. Such a citizenry necessitates that every member thereof be knowledgeable of our nation's history, government, geography, and economic system. The youth in our state should be committed to the ideals and values of our country's democracy and the constitutional republic established by the people. Schools should help prepare our youth to make informed and reasoned decisions for the public good. Civic competence is necessary to sustain and improve our democratic way of life and must be taught in all public, private, denominational, and parochial schools. A central role of schools is to impart civic knowledge and skills that help our youth to see the relevance of a civic dimension for their lives. Students should be made fully aware of the liberties, opportunities, and advantages we possess and the sacrifices and struggles of those through whose efforts these benefits were gained. Since young people are most susceptible to the acceptance of principles and doctrines that will influence them throughout their lives, it is one of the first duties of our educational system to conduct its activities, choose its textbooks, and arrange its curriculum in such a way that the youth of our state have the opportunity to become competent, responsible, patriotic, and civil American citizens.
