Dear Mr. Reisig:

The Scottsbluff Education Association requests that the Board of Education of the Scottsbluff Public Schools take action to recognize Scottsbluff Education Association as the exclusive bargaining agent for the district's non-supervisory certificated staff for the 2026-2027 & 2027-2028 contract years.

Memo

To: Dr. Andrew Dick and Scottsbluff Board of Education
From: Marianne Carlson, Executive Director of Finance
Date: August 28, 2025
Re: Vehicle Purchase

Based on a review of the District's vehicles and their usage, the District issued a Request for Information (RFI) to add two additional vehicles to the fleet for use by our students and staff. The vehicles requested were a minivan and an 8-passenger full-size van. The RFI was sent to local dealerships as well as to dealerships that we have purchased vehicles from in the past. At this time, we have received information for the minivan that was listed within the RFI.

Reganis Auto Center has submitted a proposal for a 2026 Chrysler Pacifica AWD for \$47,000. Upon approval, Reganis will order the vehicle, and it will take approximately 8-10 weeks to be delivered.

Motion: Approve the purchase of a 2026 Chrysler Pacifica AWD for \$47,000 from Reganis Auto Center.

Memo

To: Dr. Andrew Dick & Board of Education
CC: Marianne Carlson
From: Dr. Wendy Kemling-Horner
Date: August 28, 2025
Re: Contract with Axtell Community Schools

We have a student residing at Mosaic and attending Axtell Community Schools. As per Neb. Rev. Stat. 79-215, when a residential setting does not maintain an interim program school or an approved or accredited school, the school district in which the residential setting is located and the school district in which a student resided prior to being placed in such residential setting are both required to enter into a contract for the education of such student. Upon entering into the contract, all legal responsibility for the education of the student is transferred to the school district in which the residential setting is located and the school district in which the student resided prior to the placement is responsible for paying for the educational component. Therefore, Axtell is required to contract with Scottsbluff Public Schools for the education of our student who is residing at Mosaic.

Recommendation: Motion to authorize the district to sign an agreement with Axtell Community Schools for the educational programming for the student residing at Mosaic for the 2025-2026 school year. The amount of the contract for this school year is \$7,500 per month for a total of \$90,000.

The services will be paid with special education funds which are reimbursed by the state at 80%.

Re: Second Step Adoption

Rationale:

We have been utilizing Second Step for the last several years. Second Step is planning on increasing their prices in October, so we wanted to renew prior to the cost increase.

The Second Step program which is utilized in our preschool and elementary schools strengthens human skills which are the building blocks students need to achieve goals, overcome obstacles, and form meaningful relationships. These are essential for academic achievement, workforce readiness, digital well-being, and conflict management.

The Second Step program for the elementary schools is online and continues to have regular updates to the videos and pictures. As the world changes around our students, the program adapts to those changes.

Recommendation:

We recommend adopting Second Step at the elementary for a five-year renewal for Kindergarten through Fifth grade in all of our elementary schools.

Total \$50,010

The renewal will be purchased through our School-Based Mental Health Grant.
