## Disclosures

### For our brokerage clients

Your brokerage cash and/or securities are held in custody by Vanguard Brokerage Services, a division of Vanguard Marketing Corporation, member FINRA and SIPC. Vanguard funds not held through your Vanguard Brokerage Services (VBS) account are held by The Vanguard Group, Inc., and are not protected by SIPC.

#### I. General information and key terms

**Advice.** Vanguard Brokerage Services provides point-in-time recommendations for certain brokerage products, accounts and services, and relating to account transfers and rollovers. However, unless Vanguard Brokerage Services affirmatively states that it is making a recommendation, it is not providing a recommendation. Vanguard Brokerage Services doesn't provide tax or legal advisory services and no one associated with Vanguard Brokerage Services is authorized to render such advice.

**Direct Participation Program (DPP) and Real Estate Investment Trust (REIT).** DPP and REIT securities are generally illiquid. The value of the security will be different than its purchase price. Any estimated value on your statement may not be realized when you seek to liquidate the security.

**Financial statement.** A Vanguard Brokerage financial statement is available for your inspection at any time upon request to Vanguard Brokerage Services.

**Free credit balance.** Any free credit balance carried for your account represents funds payable on demand, which, although properly accounted for on Vanguard Brokerage's books of record, aren't segregated and may be used in the conduct of its business to the extent permitted by law. Your settlement fund may be liquidated upon your request and the proceeds remitted to you.

**Dividend reinvestment.** When reinvesting dividends of eligible stocks, ETFs, and closed-end funds, Vanguard Brokerage Services combines cash distributions from the accounts of all clients who have requested reinvestment in the same security, and then uses that combined total to purchase additional shares of the security in the open market. The new shares are divided proportionately among the clients' accounts, in whole and fractional shares rounded to three decimal places. If the total purchase can't be completed in one trade, clients will receive shares purchased at the weighted average price paid by Vanguard Brokerage Services. Participants in our free dividend reinvestment program should refer to the "Completed transactions" area of the "Account activity for Vanguard Brokerage Account" section of their Vanguard statements for details of transaction history and dates.

For dividend reinvestment of mutual funds held in your brokerage account, the instructions are provided to the fund and the "settlement date" and "trade date" on your statement will generally represent the day the transaction is entered in your account record. Call Vanguard Brokerage Services with any questions.

**Reporting brokerage account discrepancies.** Promptly report in writing any inaccuracies or discrepancies in your Vanguard Brokerage account (including unauthorized trading) to Vanguard Brokerage Services. Any oral communication must be confirmed in writing to further protect your rights, including your rights under the Securities Investor Protection Act.

**Margin accounts.** If you maintain a margin account, this is a combined statement of your general account and a special memorandum account maintained for you under Regulation T issued by the Board of Governors of the Federal Reserve System. The permanent record of the separate account as required by Regulation T is available for your inspection upon request to Vanguard Brokerage Services. All securities must be held in your margin account. Note that purchases of open-end mutual funds and Vanguard ETFs® will settle in your cash account and after 30 days be moved into your margin account.

**Money market fund transactions.** Vanguard Brokerage Services may elect to send a monthly statement, in lieu of an immediate confirmation, for transactions executed pursuant to a periodic plan or an investment company plan, or executed in shares of any open-end registered money market mutual fund.

**Orphaned fractional share transactions.** Vanguard Brokerage Services may elect to send a monthly statement, in lieu of an immediate confirmation, for transactions executed to liquidate orphaned fractional share positions. Orphaned fractional share positions are fractional share positions held without a corresponding whole share position. Liquidations of these positions are executed by Vanguard Brokerage Services on a principal basis at the previous day's closing price, and the proceeds are credited to your account. No transaction fee is charged.

**Open orders.** A good-till-canceled (GTC) order will remain in effect for 60 calendar days after the business day on which the order was placed. If the 60th day falls during a weekend or on a holiday, the order will be canceled on the next business day before the markets open. GTC orders are automatically entered on a "do not reduce" (DNR) basis. The limit price won't be adjusted when a stock goes "ex-dividend." Orders for securities undergoing corporate actions such as, but not limited to, stock splits, stock dividends, special cash dividends, and spin-offs may be canceled before the market opening on the ex-dividend date of the corporate action. You must maintain records of all open orders. Be sure to review your open GTC orders periodically.

**Option accounts.** Information regarding commissions and charges related to the execution of an options transaction is provided in the transaction confirmation sent to you at the time of the transaction. These are also available upon request. You should advise us promptly of any changes in your investment objectives or financial situation.

**Tax information.** After year-end, Vanguard Brokerage Services is required to provide tax information to the IRS and other governmental authorities. At that time, you'll receive necessary information on the annual tax information statement; use that statement to prepare your tax filings. Note that certain types of assets typically need corrected tax forms.

**Trade execution.** Vanguard Brokerage Services may have acted as principal, agent, or both in the placement of trades for your account. Details are provided upon request to Vanguard Brokerage Services.

**Average pricing.** If average price transaction is indicated on this statement, details regarding the actual execution prices are available upon request to Vanguard Brokerage Services.

**When issued.** A short form of "when, as, and if issued." The term indicates a conditional transaction in a security authorized for issuance but not as yet actually issued. All "when issued" transactions are on an "if" basis, to be settled if and when the actual security is issued.

## II. Portfolio holdings

The net market value of the securities in your account, including short positions, is reflected in this statement on a trade-date basis at the close of the statement period. The market prices have been obtained from quotation services that we believe to be reliable; however, we can't guarantee their accuracy. Securities for which a price isn't available are marked "—" and are omitted from the total. Prices listed reflect quotations on the statement date. Current prices are listed to help you track your account and aren't suitable for tax purposes. Account balances provided on the statement are displayed in short-form using only two decimal places.

Please logon to your account at Vanguard.com to review your account balances. Accrued interest represents interest earned but not yet received. Fund data on vanguard.com is generally updated mid-month. Depending on when you log on, there may be a difference between the asset mix shown on your statement and the data shown online. There also may be a difference between your fund's actual asset allocation and its target allocation. For more information about your fund's target allocation, go to vanguard.com.

**Estimated values on statements.** Vanguard Brokerage Services relies on external vendors to provide estimated, periodic valuation and market-price information for securities listed in your account statement. From time to time, this information isn't available or isn't received in time for posting to your account statement. In this case, the valuation or market price on your statement is marked "-" and the security hasn't been valued for purposes of calculating account totals. For owners of auction-rate securities: If an estimated valuation is provided on your account statement for auction-rate securities, please note that due to market illiquidity, you may not be able to sell the security at or near the estimated valuation listed on your account statement.

**Asset mix for some funds recalculated by Vanguard.** If the "Asset mix" section of your "Statement overview" page has a footnote that reads "Recalculated values are included," the asset allocation breakdown of particular funds within your portfolio among stocks, bonds, and short-term reserves has been calculated using long positions, margin credit or debit balances; short positions have been excluded. Certain funds employ trading strategies, such as risk hedging, short selling, and use of leverage and derivatives, that could result in significant short positions that can't be displayed using a standard asset allocation pie chart. Exclusion of these short positions may have a significant impact on the "Asset mix" pie chart. For more information about the strategies or holdings of a particular fund, see the fund's prospectus.

**S&P Rating.** Copyright 2021, S&P Global Market Intelligence. Reproduction of S&P Credit Ratings ("Ratings") in any form is prohibited except with the prior written permission of S&P Global Market Intelligence (together with its affiliates, "S&P Global"). S&P Global does not guarantee the accuracy, completeness, timeliness or availability of any information, including Ratings, and is not responsible for any errors or omissions (negligent or otherwise), regardless of the cause, or for the results obtained from the use of Ratings. S&P Global shall not be liable for any damages, costs, expenses, legal fees, or losses (including lost income or lost profit and opportunity costs) in connection with any use of Ratings. Ratings are statements of opinions and are not statements of fact or recommendations to purchase, hold or sell securities. They do not address the market value of securities or the suitability of securities for investment purposes, and should not be relied on as investment advice.

## **2024-2025 Nebraska State Colleges Multi-Activity Student Award Recipients Announced**

The Nebraska School Activities Association (NSAA) and the Nebraska State College System (NSCS) are pleased to announce the 15,246 recipients of the 2024-2025 Nebraska State Colleges Multi-Activity Student Award.

The award recognizes students in grades 9-12 who participate in at least three NSAA sanctioned activities during the academic year. Each high school student who participates in at least three NSAA activities will be recognized and awarded a certificate of achievement by the NSAA and the Nebraska State Colleges. Activity participation will be tracked using student eligibility lists, submitted to the NSAA by each member school. The top schools in four classes will be determined based on the percentage of multi-activity student award winners compared to the total number of students in grades 9-12.

The NSAA and the NSCS are also thrilled to highlight the four high schools with the most multiactivity students. These high schools will be presented with a banner at the NSAA State Soccer Championships in May to display at their school.

**Class A:** Kearney High School

**Class B:** Mount Michael Benedictine High School

**Class C:** Norfolk Catholic High School

**Class D:** Spalding Academy High School

# PCS SUPERINTENDENT REPORT

April 2025

Dr. Richard E. Hasty

## FIRE UPDATE

Thank you to everyone who reached out with support after the fire at our elementary school. Fire damage from a laptop was minimized due to the great actions of our teacher securing the laptop cart adjacent to an exterior block wall. We did have smoke damage that, along with the minimized fire damage, resulted in students and teachers being relocated within our elementary school.

At this time, we have received excellent support from our Plattsmouth Volunteer Fire Department, our insurance adjuster, Professional Heating and Air Conditioning, PCS buildings and grounds staff members, and our elementary parent-teacher organization (PTO). Between our insurance adjuster and our PTO, I believe we have the ability to adequately replace items in a timely manner that were lost as a result of the fire and smoke. If someone is interested in donating to the elementary PTO, information is on the Facebook page at <https://www.facebook.com/PlattsmouthElementaryPto>.

HAPPY ASSISTANT PRINCIPALS WEEK!  
Your dedication and compassion make our school a better place for all.

Enjoy the spotlight this #APWeek25!

NASSP  
National Assistant Principals Society

April 7-11, 2025 was National Assistant Principals Week. Thank you to our APs Troy Niehus (ES), Claude Michel (MS), and Tina Harvey (HS). During this week, we would also like to thank our HS Dean Kevin Tilson and HS AD Luke Chadwell for their ongoing support. We appreciate you!

We have many successes to recognize for our students. Click [HERE](#) and select the PCS Board of Education agenda for Apr. 14, 2025. Then, scroll down the page to agenda item 16 for many celebrations of excellence! Way to represent Blue Devil Nation!

Our **district calendars** are included below. Click the school year to view a PDF of that calendar.

[2025-2026](#)

[2026-2027](#)

I am pleased to inform you that PCS has earned the **Diamond** level badge for school safety from the Nebraska Department of Education. This is the highest level of recognition through this program. Thank you to our PCS Safety Team, which supports our faculty and staff members who helped us earn this recognition!

The "Place School Safety First" badge recognition from the Nebraska Department of Education identifies Nebraska schools that are meeting the highest standards of safety and security. Schools can earn Diamond, Gold, or Silver badges, highlighting their commitment to ensuring the safety and security of students, staff, and visitors. Effective learning can only take place in a safe environment, and this recognition reassures communities that their schools are actively fulfilling the four pillars of safety: prevention, preparedness, response, and recovery. By earning this badge, schools demonstrate their dedication to "Place School Safety First!"

**2024-2025 PCS SUPERINTENDENT CUSTOMER SERVICE AWARDS**

Congratulations to our January and February 2025 PCS Superintendent Customer Service Award recipients, Sarah Coniglio, Kelli Henry, Kristin Young, Michele Quinn, Sara Barada, Sherry Harrold, and Amy Hansen. Way to represent Blue Devil Nation with top-notch customer service! Look for an announcement about March 2025 awards in the near future.

In the 2024-2025 school year, we are providing our employees with the opportunity to earn a PCS Superintendent's Customer Service Award. The Superintendent's Customer Service Awards are presented to certified employees, non-certified employees, and transportation employees who display exceptional customer service in their actions and behavior to continue the district's tradition of excellence. Employees can be nominated by anyone (students, staff members, community members, etc.) for exceptional customer service related to one of our PCS Customer Service Top 5 listed below.

### **PCS CUSTOMER SERVICE TOP 5**

1. **Listen** (with an open mind).
2. **Recover well when mistakes are made.** Acknowledge (the mistake). Apologize (immediately). Affirm (that there will be an effort to prevent the mistake in the future).
3. **Respond in a timely manner** (one business day).
4. **Own the problem and attempt to resolve it.**
5. **Use eye contact and a friendly greeting** (i.e.: Hello. How are you? Can I help you?).

We are accepting nominations for the month of March 2025. Click the link below for more information.

**Thank you to Scooter's Coffee - Plattsmouth, NE, for sponsoring our 2024-2025 PCS Superintendent's Customer Service Awards!**

**PCS has been using the Say Something - Anonymous Reporting System since 2018. It has provided us with valuable information to enhance the safety of students, staff, and our community. Thank you.**

### **What Should You Report?**

You can help save lives by reporting observed threats, behaviors, actions, and harassment. Here are examples of some of the most common behaviors and incidents to report:

- Acts of violence, with or without weapons
- Verbal or physical abuse, assault or harassment
- Sexual abuse, assault or harassment
- Threats seen on social media
- Bullying, fighting, harassment or intimidating behaviors
- Bragging about weapons or a planned attack

### **ESSER III**

On March 11, 2021, President Biden signed the American Rescue Plan (ARP) Act of 2021. The ARP Act includes nearly \$122 billion for the Elementary and Secondary School Emergency Relief (ESSER) III Fund that allows state and local education agencies (LEAs) to take additional steps for continued safe in-person instruction and to address unfinished teaching and learning to mitigate the pandemic. The ESSER III funding enables Nebraska school districts to promote safe school operations and equity-driven, sustainable, evidence-based programs to serve students – especially those who are the furthest from opportunity – and to continue to strengthen teaching and learning. PCS was eligible for \$1,505,865 of ESSER III funds.

In order to be eligible for ESSER III funding, Nebraska school districts had to submit an amendment to our ARP application by Sept. 15, 2021. Prior to submitting the application, we requested your input relative to the potential uses of the funds.

Thank you to everyone who provided input regarding the potential uses of ESSER III funds at PCS. I am pleased to inform you that we were able to

incorporate many of the items in our amendment including updated curriculum materials, professional development for staff members, Clifton Strengths training and support for staff members, bleachers on the east side of the high school stadium, new activity buses and sport utility vehicles, staff dependent care, staff COVID-19 emergency leave (many districts no longer offer this to employees), renovation of the outdoor middle school concession stand to include restrooms, personal protective equipment, interactive technological devices, furniture and equipment, music risers, and musical instruments. If you do not see a specific item, it might be included in one of these broad categories or it might be obtained through other available funding sources.

Business manager Chris Hudson and I will continue meeting with the Board of Education's Finance Committee to develop a plan and timeline for spending the funds. Unfortunately, we must pay for the items and wait for reimbursement to arrive later. With other ARP funds, it has taken up to eight months for NDE to process the reimbursement request and transfer funding to our district.

Our plan for the expenditure of ESSER III funds is available at the link below. There were other requests submitted for ESSER III that are not included here, but many of them are being addressed with other funding sources available in the district. Thank you, again, for providing your input for our amendment.

### **Esser III Amendment August 26, 2022**

#### **Thank You for Your Input**

Thank you to everyone who provided input relative to our COVID-19 protocols and items for consideration in the development of our PCS Plan for Safe Return to School which is available by clicking the link below. As part of our ESSER funding, we are required to post and periodically review our plan. Our plan is included below.

Our safety team includes certified and non-certified staff members from our early childhood center, elementary school, middle school, and high school, including administrators, nurses, school social workers/licensed

mental health practitioners, school psychologists, Plattsmouth Education Association representatives, before and after school program directors, our nutrition services director, our transportation location manager, maintenance, and our school resource officer(s).

At this time, our safety team holds quarterly meetings during the school year.

**Career Academies**

Career Mentors have completed their visits for this 25-26 school year. Mentors are assigned to Advisories that align the career field with the Career Academy. This year 21 volunteer mentors from our community agreed to partner with the Career Academies through these monthly visits.

On March 25 the freshman and sophomore students attended an event at UNO called, "Connecting the Dots." This interactive career exploration simulation program designed to help 9th and 10th grade students learn more about careers of interest. Funding for this event was provided through the EducationQuest College Access Grant.

**School Counselor Report**

We had 19 juniors turn in applications for semester graduating next year. We are waiting to hear back about metro career academy applications. April 17th is our last college visit for the year, and we are actively trying to finalize the master schedule so we can get student schedules as complete as possible before the 25-26 school year. Graduation planning, honors night planning, and senior signing day planning are in the works, as well as planning for another ASVAB test and PSAT 10. We are waiting for ACT results to come in.

## **JAG**

In March 2025, class time was limited due to several snow days and Spring Break (which took up 7 class days -- a total of 10 class days have been missed including ACT day).

During this month, the students completed their PSAs and their silent movie clips. The classes then watched all the submitted videos and we discussed the good, the bad, and the ugly. One group's PSA was submitted, by request of the school social worker, to the Advisory Classes "See Something, Say Something" and that group received 2nd place (Leah Shelburn, Aiden Bates, and Emma Grooms – all freshmen).

The students completed their "You in a Box" speeches and gave them in front of the class. The students then watched the video of their own speech and completed a self-evaluation of how they did in areas such as delivery, preparation, and overall effectiveness.

The classes have started the Civic Engagement and Leadership module, concentrating on the first few phases (Leadership). This student-led project will begin next week and (broadly) involves a read-along program for younger children using technology.

The class also prepped for Legislative Day, learning about the unicameral (review) and how to write a proper letter to a person such as a state legislator. The letter to Senator Clement was written and mailed. Two students from the freshmen class attended Legislative Day at the State Capitol building and had the opportunity to listen to, and ask questions of, Governor Pillen. They also observed debate in the Unicameral but did not get an opportunity to meet with their state senator.

ACT day was on March 25 -- seniors had the day off while Juniors took the test. All freshmen and sophomores went to UNO for the 'Connect the Dots' activity escorted by the non-proctor teachers (including Mr. White). On April 1, Mr. White took six students from his class and one from Ms. Wilcox' class back to UNO for a college visit which included a talk about UNO and its opportunities and a tour of the campus including classrooms, administration, and student housing.

## **Athletic/Activities**

Spring season is in full swing. One Act Play held their performances last Thursday and Saturday. The show was called "You the Jury." Baseball sits at third in power points in the Trailblazer conference and has 25 participants out. Boys track has 36 participants, girls track has 32. Boys soccer is again in a co-op with Platteview, we provide 12 of the 36 on the team. Girls soccer 18 out but only have around 13 healthy. Boys golf has 10 participants.

## **Organization Development and Capacity**

The 2024-2025 school year will focus on the following points:

1. Continuing the growth of Wall-to-Wall Academies and expanding internship opportunities.
2. Concentrating on a culture of respect, inclusion, encouragement and celebration of students and staff.
3. Advancing civic engagement.

Plattsmouth High School staff continually seek to improve upon the processes of our curriculum and academy teams. That effort is focused upon data interpretation, identifying student needs, and responding with collective efficacy.

Educationally yours,  
Todd Halvorsen

I want to recognize Sherie Adkins. Sherie is in her first year at the Head Secretary. Sherie has a lot of energy and always wants to help. Sherie helps all the students, staff and parents in any situation. This was a big job to fill and she is working hard to make it work each day as she learns. Great job, Sherie!!

I also want to recognize Lucas Schreiber and Kinley Goshorn. Lucas and Kinley both took a step out of their comfort zone and ran the 100 meter dash at the first track meet in Glenwood. They did wonderful! Their teacher, Mrs. Ryerson, and all coaches, staff and students are proud of them. Pictures below.

### 1. **Fastbridge Training Update -**

Beginning next school year, all Kindergarten through 2nd grade students, identified intervention students (K-8), and students receiving special education services (K-12) will participate in the FastBridge assessments for reading and math. FastBridge serves as both a universal screener and a progress monitoring tool, supporting teachers in making informed, data-driven instructional decisions. This month, staff members identified for implementation will continue their training, with a focus on progress monitoring and interpreting student reports. This training is an invaluable opportunity that will equip us for a successful launch in the 2025–2026 school year.

### 2. **2025-2026 Kindergarten Registration Update:**

Plattsmouth Elementary School is excited to welcome families to our 2025-2026 Kindergarten Registration on Tuesday, April 22, 2025. During the event, incoming kindergarten students will have the chance to meet their future teachers and PES staff while participating in fun, hands-on activities. While students are engaged with staff, parents and guardians will attend an informational presentation led by Dr. Johnson (current principal), Mrs. Honold (incoming principal), and Mr. Niehus (assistant principal) to learn more about the kindergarten experience and what to expect in the upcoming school year.

### 1. **Coming Soon - 3rd & 4th Grade Nebraska Student Center Assessment System (NSCAS):**

This month, our 3rd and 4th grade students will participate in the Nebraska Student-Centered Assessment System (NSCAS) for Reading and Math. Our educators are working diligently to prepare students for this important summative assessment. In the weeks leading up to testing, students will engage with sample questions to become comfortable with the format and expectations. Please note that individual student assessment results will be embargoed and not available until Fall 2025.

### **3. March Blue Devils of the Month -**

### Information Memorandum

**To:** All Head Start Recipients

**Subject:** Promoting Healthy Eating and Nutrition for Head Start Children and Families

#### Information:

Head Start programs play a vital role in supporting healthy eating and nutrition for enrolled children and families. Access to healthy foods and other nutrition services helps children grow, develop, and learn. Good nutrition is essential for brain development and provides children with the energy needed to stay active and focused throughout the program day. A balanced diet helps strengthen a child's immune system, reducing the risk of infections and illnesses. It also prevents childhood obesity, which can lead to chronic diseases like heart disease and diabetes.

This Information Memorandum (IM) affirms the critical role of Head Start programs in ensuring children and families have access to healthy food and comprehensive nutrition services. It also includes an overview of relevant statutory and regulatory requirements and reminds programs of the resources and partnerships available to support robust nutrition services for children and families. Lastly, this IM provides tips to foster enthusiasm for healthy eating in early learning environments and encourages Head

Start programs to use innovative strategies to promote health and nutrition. An appendix of additional resources is included to guide programs in their efforts.

## **BACKGROUND:**

Head Start programs play an important role in achieving healthy outcomes for children and families. Nutrition services can be particularly impactful for families who experience food insecurity or live in communities where affordable, healthy food is less available. Research indicates that Head Start children are more likely to receive dental checkups and have healthy eating patterns than non-participants. They also have lower Body Mass Index (BMI) scores and are less likely to be overweight compared to children in other non-parental care ([Lee et al., 2013](#)). Obese, overweight, or underweight children who participate in Head Start have a significantly healthier BMI by kindergarten ([Lumeng, et al., 2015](#)). Additionally, Head Start graduates have better health status as adults than non-graduates; they are 7 percent less likely to be in poor health as adults than their siblings who did not attend Head Start ([Johnson, 2010](#); [Deming, 2009](#)).

The Head Start Program Performance Standards (the Performance Standards) prioritize nutrition services that are culturally and developmentally appropriate and meet each child's individual needs, including those with disabilities, allergies, and special dietary needs ([45 CFR §1302.44\(a\)\(1\)](#)). In doing so, programs help children experience a variety of nutritious foods, provide mealtime opportunities for socialization and enrichment, and support families in learning about the importance of healthy foods at home.

Head Start programs promote access to healthy food and nutrition in many ways. This includes, but is not limited to:

- Increasing access to and availability of healthy foods for children and families in classrooms, during home visits or group socialization activities, and during parent and family engagement activities.
- Supporting families with pregnancy, post-partum, and breastfeeding, as well as ensuring the nutritional needs of infants and toddlers are fully met.
- Helping families access affordable, healthy food options at home.
- Providing families with education on nutrition and the importance of physical activity.
- Reducing administrative burden and supporting families to get connected with other nutrition-related services for which they might be eligible, such as the Supplemental Nutrition Assistance Program (SNAP) and the Special Supplemental Assistance Program for Women, Infants, and Children (WIC).
- Using registered dietitians or nutritionists to support the implementation of Head Start requirements for healthy nutrition.
- Making safe drinking water available to children during the program day.
- Providing materials and equipment for center-based or home-based learning activities related to healthy eating, such as supplies to create gardens, greenhouses, and Indigenous seed hubs.

All Head Start grant recipients and their delegate agencies are required to participate in the Child and Adult Care Food Program (CACFP). The CACFP is a federal United States Department of Agriculture (USDA) program that provides reimbursements for nutritious meals and snacks to eligible children enrolled in participating programs, including Head Start programs. Implementing the [CACFP meal patterns](#) helps to ensure children receive a variety of nutrient-dense foods, including whole grains, a variety of fresh fruits, and vegetables, all while reducing intake of ultra-processed foods, added sugar intake, and saturated fats. While CACFP mandates low-fat options, including low-fat and fat-free dairy products for children over the age of 2, emerging evidence ([Venn-Watson 2023](#); [Vanderhout, et al., 2020](#)) suggests whole, full-fat dairy supports child development. Head Start programs can explore offering whole dairy where funding allows. We will support implementation of possible updated guidelines while meeting current standards. CACFP also provides resources such as the [seasonal buying guide](#) to promote in-season local produce, which is often full of flavor and nutrients, less reliant on chemicals and pesticides, and supports sustainability and local farmers. Additional information on CACFP is provided in more detail below.

Head Start programs are also required to actively collaborate with parents and families, including expectant families, on healthy eating practices ([45 CFR §1302.46](#)). Programs also engage parents to discuss their child's nutritional status and provide opportunities for families to learn about preparing healthy food at home.

## Overview of Relevant Statutory and Regulatory Requirements

Nutrition services have been a hallmark of the Head Start program since its inception. This is reflected in the Head Start Act (the Act) and the Performance Standards, which detail program requirements related to food and nutrition. For instance, [Section 638](#) of the Act identifies nutrition as a key activity of the funding provided to Head Start agencies. [Section 648](#) of the Act requires programs to have qualified staff who can promote the importance of healthy, nutritional choices in daily classroom and family routines to prevent childhood obesity. The Act mentions nutrition services in other areas as well, as an essential part of comprehensive Head Start services.

The Performance Standards further outline what it means to provide nutrition services in Head Start programs. These requirements generally fall into two categories: those that occur when children are present in the teaching and learning environment, and those that focus on engaging with families.

### Nutrition Requirements for the Teaching and Learning Environment

[Subpart D](#) of the Performance Standards focuses on the health and mental health requirements for Head Start programs. It states that programs must provide high-quality health, oral health, mental health, and nutrition services that are developmentally, culturally, and linguistically appropriate and that will support each child's growth and school readiness ([45 CFR §1302.40](#)). This includes serving foods that are familiar to children as well as new foods. There are various requirements within this subpart that elaborate on what is expected of Head Start programs in the area of nutrition services:

- All Head Start programs must design and implement nutrition services that meet dietary needs of each child, including children with special dietary needs and children with disabilities, to support their growth and school readiness ([45 CFR §1302.44\(a\)\(1\)](#)).
- To ensure up-to-date child health status, Head Start programs must identify each child's nutritional health needs, considering available health information such as special dietary requirements, food allergies, and community nutrition issues ([45 CFR §1302.42\(b\)\(4\)](#)).
- The Performance Standards at [45 CFR §1302.44](#) detail specific child nutrition requirements, which include:
  - Ensuring each child in a program that operates for fewer than six hours per day receives meals and snacks that provide **one third to one half** of the child's daily nutritional needs.
  - Ensuring each child in a program that operates for six hours or more per day receives meals and snacks that provide **one half to two thirds** of the child's daily nutritional needs.
  - Serving three- to five-year-olds meals and snacks that conform to USDA requirements and are high in nutrients and low in saturated fat, sugar, and salt. Expect possible future updates to nutrition guidelines to reflect the latest science, including providing whole, full-fat dairy for child development.
  - Making sure that all children receive a nourishing breakfast by providing nutrient rich foods for children who did not eat breakfast before they arrived at their Head Start center.
  - Providing appropriate healthy snacks and meals to each child during group socialization activities in the home-based option.
  - Promoting breastfeeding for mothers who wish to breastfeed during program hours. This may include offering facilities to properly store and handle breast milk and making accommodations when needed.

- Connecting families to community lactation consultants or counselors when they choose breastfeeding but need support to be successful.

[Subpart C](#) of the Performance Standards focuses on the teaching and learning environment specifically when children are in center-based and family child care programs. The Performance Standards ensure that mealtimes are structured and used as learning opportunities. Language skills are strengthened through social conversations and fine motor abilities are tested in handling utensils or serving aides. The social skills involved in the back and forth of mealtime conversation also help children navigate friendships, turn-taking, and self-regulation.

Programs must implement snack and mealtimes in a manner that supports children’s development and learning ([45 CFR §1302.31\(e\)\(2\)](#)):

- [Family style dining](#) – when children and teachers sit together for a meal or snack – is encouraged when developmentally appropriate to support consistency between home and school by replicating the experience of eating together as a family. Family style dining also offers a chance for staff to model healthy food choices and the importance of nutrition. Head Start programs are encouraged to use family style meals when developmentally appropriate. Family style meals benefit children by:
  - Encouraging healthy food choices as teachers and peers model positive attitudes toward nutrition.
  - Supporting children to learn in developmentally appropriate ways about concepts such as serving sizes, nutritional food groups, and the value of trying new foods.
  - Offering opportunity for children to practice using appropriately sized utensils to serve themselves and helping to set and clear the table. This improves children’s fine motor skills, boosts their self-confidence, and expands their social skills.
- Support children's understanding of how food and nutrition contribute to growth and overall health, in alignment with the Head Start Early Learning Outcomes Framework (ELOF). For example, a preschooler should be supported to identify a variety of healthy and unhealthy foods, and to make healthy eating choices both independently and with support, and a toddler should show willingness to try nutritious foods when offered on multiple occasions.
- Make snack and mealtimes a positive experience for children. This means programs provide sufficient time for children to eat, avoid using food as a reward or punishment, and do not force children to finish their food. The Performance Standards help programs make meals enjoyable by creating [positive eating environments](#) where children are supported to develop and maintain healthy relationships with food.
- Promote consistency in mealtime routines between home and school by providing one-on-one time for infants during bottle feeding. For bottle-fed infants, Head Start programs must hold infants during feeding to support socialization. This one-on-one time helps staff build their relationships with infants. In turn, these safe and trusting relationships provide the foundation for learning and development because they help very young children feel secure and confident about exploring the world around them.

## **Nutrition Requirements for Engaging with Families**

Parent and family engagement is a cornerstone of comprehensive Head Start services. Programs must partner with families to support their wellbeing and their children’s learning and development. As it relates to health and nutrition, programs are required to promote children’s and families’ health by providing nutrition education support services that are understandable to individuals, including individuals with low health literacy ([45 CFR §1302.46\(a\)](#)). Programs must collaborate with parents to discuss their child’s nutritional status, including the importance of healthy eating, the negative health consequences of sugar-sweetened beverages, and the importance of physical activity. They must also help parents understand how to select and prepare nutritious foods that meet the family’s nutrition and food budget needs ([45 CFR](#)

[§1302.46\(a\)\(1\)\(ii\)](#)). Programs are strongly encouraged to provide specific information to families about the importance of eating whole foods and minimizing ultra-processed foods and avoiding added sugars such as those in soda and other sugar-sweetened beverages.

## **Funding and Partnerships to Support Nutrition Services for Head Start Programs, Children, and Families**

### **Child and Adult Care Food Program (CACFP) and Head Start Programs**

Head Start grant recipients and their delegate agencies are required to participate in CACFP ([45 CFR §1302.44\(b\)](#)), a federal program administered by the USDA, Food and Nutrition Services (FNS). Programs are reimbursed by CACFP for all enrolled children at the free rate. CACFP reimburses Head Start programs for up to two meals and one snack, or two snacks and one meal per day. All meals and snacks eligible for reimbursement by CACFP must conform to the requirements in the [CACFP Meal Patterns for Children](#).

The amount and type of food that must be offered varies based on the meal or snack, as well as the specific age group being served. USDA provides numerous resources to assist program officials in determining how foods credit toward the meal pattern requirements, including the [Food Buying Guide for Child Nutrition Programs](#) (FBG). Head Start programs are encouraged to speak with the [state agency](#) that administers the CACFP to determine if a food that is not in the FBG is eligible for reimbursement. [Additional videos](#) are available on the Head Start website to support programs with CACFP implementation.

Per [45 CFR §1302.44\(b\)](#), Head Start grant funds may be used to cover any allowable costs for meal services that are not covered by the USDA program. Foods purchased with Head Start grant funds must conform with the nutritional requirements in [45 CFR §1302.44\(a\)\(2\)\(iii\)](#), including being high in nutrients and low in saturated fat, sugar, and salt. Head Start funds may also be used to pay for food that is provided to families for consumption at home, if they have a specific programmatic purpose related to family engagement. For example, Head Start programs can provide supplies for parents to engage in healthy cooking activities or start a family garden with their children at home, and parents can share about these experiences during parent groups or socializations.

### **Other Federal Programs that Support Healthy Eating and Nutrition for Head Start Children and Families**

#### **The Special Supplemental Nutrition Program for Women, Infants, and Children (WIC)**

WIC is a public health nutrition program administered by the USDA that provides nutrition education, nutritious foods, breastfeeding support, and health care referrals for income-eligible pregnant or postpartum women, infants, and children up to age 5. Head Start programs can support families to determine if they are eligible for WIC and then help them to enroll. Local WIC and Head Start programs work closely together in many communities to support the healthy development of children and families. This strong collaboration at the local level allows the two programs to coordinate their services and maximize use of resources (e.g., funding, staff, space) for children and families. Head Start programs are encouraged to view [suggested strategies and resources](#) to further enhance partnerships with WIC programs at the state and local levels.

#### **Supplemental Nutrition Assistance Program (SNAP)**

SNAP is a federal program administered by the USDA that provides food benefits to low-income families to supplement their grocery budget so they can afford the nutritious food essential to health and well-being. Similar to WIC, Head Start programs can support families to determine if they are eligible for SNAP and then help them to enroll. Families who already receive [SNAP are considered categorically eligible for Head Start services](#). This allows for [cross-program recruitment](#) and eliminates duplicative and burdensome paperwork for families who are already eligible for a federal public assistance benefit. It also reinforces access to healthy nutrition services for the children and families Head Start programs serve and provides opportunities to prioritize education about healthy food consumption, including the importance of minimizing ultra-processed and high-sugar foods.

## Tips to Foster Enthusiasm for Healthy Eating and Nutrition

Head Start programs have many options for integrating creative approaches to healthy eating and nutrition services that are aligned with the Performance Standards and developmental progressions in the [Head Start Early Learning Outcomes Framework \(ELOF\)](#). The tips below provide some examples:

- **Make nutrition education activities fun, interactive, hands on, and part of the daily schedule.** Connecting nutrition activities with reading, math, or science content makes for a comprehensive approach to learning. Send versions of learning materials home with parents with instructions for how they can share in this learning with their children. Some ideas include:
  - **Sensory activities and games:** Ask children to describe the tastes or texture of foods. Use fruits and vegetables with different colors, shapes, and textures, such as kiwi, pineapples, or avocados, and let children examine both the inside and outside of fruits and vegetables.
  - **Storytelling and pretend play:** Turn mealtime into story time. Turning broccoli into a “tree” or carrots into “sticks” makes mealtime fun. Outside of mealtime, use nutrition in imaginative play:
    - Pretend to be different characters making good food choices.
    - Read books with characters making healthy choices.
    - Set up a dramatic play area with healthy food choices in a kitchen, grocery store, or restaurant and talk about selecting nutritious foods.
  - **Meal planning:** Plan fun learning experiences like “Ingredient of the Week” where children select a healthy ingredient to be included in the daily lunch menu for a week. Host special days focused on nutrition, like “Fruit and Veggie Day,” or have a “Healthy Snack Party”. Reach out to the CACFP state agency contact for approved meal and snack ideas that increase variety. For families, provide take-home materials that encourage variety in meals. Consider easy, fast, and healthy recipes that can be part of a family’s routine menu at home.
  - **Growing plants:** Have a small garden or indoor plants to show children how food grows. Take a nature walk to find different food and plants or visit local farms and farmers markets. If in-person visits are not possible, use technology for a virtual farm trip.
  - **Mealtime:** Share materials with families that support making mealtime fun and educational. Help families engage children as part of meal prep. As their skills develop, children can participate in setting the table, washing fruit and vegetables, and mixing ingredients. Families can extend these learning moments by inviting children to count or measure ingredients, identify food colors, and learn new vocabulary.
  - **Family style meals:** Family style dining encourages learning and development not only at the table but away from mealtime as well. Children learn independence, social skills, and other important habits that will last them through adulthood. Parents who have not experienced family style meals often enjoy these experiences and, with support from program staff, may adopt these practices at home. Use these [tips for family style dining](#).
- **Increase access to fresh foods.** Explore opportunities to help children and families learn about and access fresh foods through creative experiential opportunities and connections:

- **Connect with local businesses:** Take field trips to farmers markets, local working farms, or grocery stores to teach children about fresh fruits and vegetables. Children may be eager to identify new foods they would like to try. Teachers can use the foods in lesson plans and for [healthy snacks](#).
- **Connect with other Head Start programs.** Visit other Head Start programs who are integrating experiential learning opportunities to promote health and wellness.
- **Engage with families.** Ask parent volunteers to assist in the [creation of an on-site garden](#), where they can pick fresh food to take home for their families. Share information during parent groups and socializations about balancing nutrients, including calories, proteins, vitamins, and minerals. Staff can share books for parents to read with their children about what foods make up each food group and how much of each food group is needed to fuel the brain and body.
- **Food pantries:** Establish relationships with local food pantries, if available in the community. Ensure you have a process for regularly checking in with all families about their food security and connect them to local food pantry resources as needed.
- **Focus on the communities served.** Take the time to get to know enrolled families on an individual and community level, and incorporate their traditions and culture into healthy meals at the program and as part of community events. Group events are a great time to serve traditional foods and explore community cultures. For example, offer a rotating, in-person or virtual cooking class drawing on healthy, local or cultural meals for the families in your program. Ingredients can be provided in advance.
- **Breastfeeding and infant nutrition.** Breastfeeding is the perfect mix of nutrition for growing babies. [The American Academy of Pediatrics \(AAP\)](#) recommends that infants be exclusively breastfed for the first six months, then breastfed for at least one year while they are introduced to complementary foods. Head Start programs can provide a [breastfeeding friendly environment](#) by having a nursing room on-site for either enrolled pregnant women or mothers who want to come to the program and breastfeed their enrolled infants.

Thank you for the work you do on behalf of children and families.

Sincerely,

/ Captain Tala Hooban /

#### **NDE Monitoring Follow Up-UPDATE**

As part of the special education monitoring process with the Nebraska Department of Education, various District staff met with the NDE Monitoring Team via zoom on April 9, 2025 for an update of findings from the monitoring process.

The District was found out of compliance in several areas of paperwork on MDT's and IEP's. A more thorough detail of these areas will be shared with the District by April 16, 2025. By May 30, 2025, the District will share a Corrective Action Plan with the Nebraska Department of Education to address deficits in the identified areas. The plan will be carried out the first semester of the 2025-2026 school year and will be completed by January 15, 2026.

#### **TIP**

In building capacity of the MTSS framework, Nebraska requires each district to review their student data and establish a Targeted Improvement Plan (TIP). Each TIP is required to have (a) a focus for improvement, (b) a measurable goal with annual targets, (c) a student-centered, evidence-based strategy to affect the outcomes for students with disabilities, (d) level of implementation ratings, and (e) descriptions of data used for decision-making. The TIP must be aligned to the overall general education improvement activities being implemented at the district.

In previous years, the TIP has focused on Math. Starting in the 2025-2026 school year, districts are required to focus on Literacy to ensure alignment with State goals. 2025. Plattsmouth's TIP will focus on flexible grouping for students with an emphasis on explicit instruction during whole and small group instruction. The TIP is due May 1,

Computer

Internet Safety and Acceptable Use

A. Internet Safety Policy

It is the policy of Plattsmouth Community Schools to comply with the Children’s Internet Protection Act (CIPA) and Children’s Online Privacy Protection Act (COPPA). With respect to the District’s computer network, the District shall: (a) prevent user access to, or transmission of, inappropriate material via Internet, electronic mail, or other forms of direct electronic communications; (b) provide for the safety and security of minors when using electronic mail, chat rooms, and other forms of direct electronic communications; (c) prevent unauthorized access, including so-called “hacking,” and other unlawful activities online; (d) prevent unauthorized online disclosure, use, or dissemination of personal identification information of minors; (e) obtain verifiable parental consent before allowing third parties to collect personal information online from students; and (f) implement measures designed to restrict minors’ access to materials (visual or non-visual) that are harmful to minors.

1. Definitions. Key terms are as defined in CIPA. “Inappropriate material” for purposes of this policy includes material that is obscene, child pornography, or harmful to minors. The term “harmful to minors” means any picture, image, graphic image file, or other visual depiction that: (1) taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion; (2) depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and (3) taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.
2. Access to Inappropriate Material. To the extent practical, technology protection measures (or “Internet filters”) shall be used to block or filter Internet, or other forms of electronic communications, access to inappropriate information. Specifically, as required by the CIPA, blocking shall be applied to visual depictions of material deemed obscene or child pornography, or to any material deemed harmful to minors. Subject to staff supervision, technology protection measures may be disabled or, in the case of minors, minimized only for bona fide research or other lawful purposes.
3. Inappropriate Network Usage. To the extent practical, steps shall be taken to promote the safety and security of users of the District’s online computer network when using electronic mail, chat rooms, instant messaging, and other forms of direct electronic communications. Specifically, as required by CIPA, prevention of inappropriate network usage includes: (a) unauthorized access, including so-called ‘hacking,’ and other unlawful activities; and (b) unauthorized disclosure, use, and dissemination of personal identification information regarding minors.
4. Supervision and Monitoring. It shall be the responsibility of all members of the District staff to supervise and monitor usage of the online computer network and access to the Internet in accordance with this policy and CIPA. Procedures for the disabling or

otherwise modifying any technology protection measures shall be the responsibility of the Superintendent and the Superintendent's designees.

5. Social Networking. Students shall be educated about appropriate online behavior, including interacting with others on social networking websites and in chat rooms, and cyberbullying awareness and response. The plan shall be for all students to be provided education on these subjects. The Superintendent or the Superintendent's designee shall be responsible for identifying educational materials, lessons, and/or programs suitable for the age and maturity level of the students and for ensuring the delivery of such materials, lessons, and/or programs to students.
6. Parental Consent. The District shall obtain verifiable parental consent prior to students providing or otherwise disclosing personal information online.
7. Adoption. This Internet Safety Policy was adopted by the Board at a public meeting, following normal public notice.
8. The District shall comply with the Nebraska Student Online Personal Protection Act and will endeavor to take all reasonable and necessary steps to protect the online privacy of all students.

B. Computer Acceptable Use Policy

This computer acceptable use policy is supplemental to the District's Internet Safety Policy.

1. Technology Subject to this Policy. This Computer Acceptable Use Policy applies to all technology resources of the District or made available by the District. Technology resources include, without limitation, computers and related technology equipment, all forms of e-mail and electronic communications, and the internet.
2. Access and User Agreements. Use of the District technology resources is a privilege and not a right. The Superintendent or designee shall develop appropriate user agreements and shall require that employees, students (and their parents or guardians), and others to sign such user agreements as a condition of access to the technology resources, as the Superintendent determines appropriate. Parents and guardians of students in programs operated by the District shall inform the Superintendent or designee in writing if they do not want their child to have access.

The Superintendent and designees are authorized and directed to establish and implement such other regulations, forms, procedures, guidelines, and standards to implement this Policy.

The technology resources are not a public forum. The District reserves the right to restrict any communications and to remove communications that have been posted.

3. Acceptable Uses. The technology resources are to be used for the limited purpose of advancing the District's mission. The technology resources are to be used, in general, for educational purposes, meaning activities that are integral, immediate, and

proximate to the education of students as defined in the E-rate program regulations.

[Refer to Policy 6288 Artificial Intelligence \(AI\) for acceptable use related to AI.](#)

4. Unacceptable Uses.

The following are unacceptable uses of the technology resources:

- a. **Personal Gain:** Technology resources shall not be used, and no person shall authorize its use, for personal financial gain other than in accordance with prescribed constitutional, statutory, and regulatory procedures, other than compensation provided by law.
- b. **Personal Matters:** Technology resources shall not be used, and no person shall authorize its use, for personal matters unless the User has entered into a lease agreement or other similar agreement with the School District that makes such use permissible under law.

Occasional use that the Superintendent or designee determines to ultimately facilitate the mission of the District is not prohibited by this provision. Examples of occasional use that may be determined to ultimately facilitate the mission of the District: sending an e-mail to a minor child or spouse; sending an e-mail related to a community group in which an employee is a member where the membership in the community group facilitates the District's mission.

This occasional use exception does not permit use by employees contrary to the expectations of their position. For example, employees may not play games or surf the net for purposes not directly related to their job during duty time; nor may students do so during instructional time.

The occasional use exception also does not permit use of the technology resources for private business, such as searching for or ordering items on the internet for non-school use; or sending an e-mail related to one's own private consulting business.

- c. **Campaigning:** Technology resources shall not be used, and no person shall authorize its use, for the purpose of campaigning for or against the nomination or election of a candidate or the qualification, passage, or defeat of a ballot question.
- d. **Technology-Related Limitations:** Technology resources shall not be used in any manner which impairs its effective operations or the rights of other technology users. Without limitation,
  1. Users shall not use another person's name, log-on, password, or files for any reason, or allow another to use their password (except for authorized staff members).
  2. Users shall not erase, remake, or make unusable another person's computer, information, files, programs or disks.

3. Users shall not access resources not specifically granted to the user or engage in electronic trespassing.
  4. Users shall not engage in “hacking” to gain unauthorized access to the operating system software or unauthorized access to the system of other users.
  5. Users shall not copy, change, or transfer any software without permission from the network administrators.
  6. Users shall not write, produce, generate, copy, propagate, or attempt to introduce any computer code designed to self-replicate, damage, or otherwise hinder the performance of any computer’s memory, file system, or software. Such software is often called a bug, virus, worm, Trojan horse, or similar name.
  7. Users shall not engage in any form of vandalism of the technology resources.
  8. Users shall follow the generally accepted rules of network etiquette. The Superintendent or designees may further define such rules.
- e. Other Policies and Laws: Technology resources shall not be used for any purpose contrary to any District policy, any school rules to which a student user is subject, or any applicable law. Without limitation, this means that technology resources may not be used:
1. to access any material contrary to the Internet Safety Policy; or to create or generate any such material.
  2. to engage in unlawful harassment or discrimination, such as sending e-mails that contain sexual jokes or images.
  3. to engage in violations of employee ethical standards and employee standards of performance, such as sending e-mails that are threatening or offensive or which contain abusive language; use of end messages on e-mails that may imply that the District is supportive of a particular religion or religious belief system, a political candidate or issue, or a controversial issue; or sending e-mails that divulge protected confidential student information to unauthorized persons.
  4. to engage in or promote violations of student conduct rules.
  5. to engage in illegal activity, such as gambling.
  6. in a manner contrary to copyright laws.
  7. in a manner contrary to software licenses.
5. Disclaimer. The technology resources are supplied on an “as is, as available” basis. The District does not imply or expressly warrant that any information accessed will be valuable or fit for a particular purpose or that the system will operate error free. The District is not responsible for the integrity of information accessed, or software downloaded from the Internet.
  6. Filter. A technology protection measure is in place that blocks and/or filters access to prevent access to Internet sites that are not in accordance with policies and regulations. In addition to blocks and/or filters, the District may also use other technology protection measures or procedures as deemed appropriate.

Notwithstanding technology protection measures, some inappropriate material may be accessible by the Internet, including material that is illegal, defamatory, inaccurate, or potentially offensive to some people. Users accept the risk of access to such material and responsibility for promptly exiting any such material.

The technology protection measure that blocks and/or filters Internet access may be disabled only by an authorized staff member for bona fide research or educational purposes: (a) who has successfully completed District training on proper disabling circumstances and procedures, (b) with permission of the immediate supervisor of the staff member requesting said disabling, or (c) with the permission of the Superintendent. An authorized staff member may override the technology protection measure that blocks and/or filters Internet access for a minor to access a site for bona fide research or other lawful purposes provided the minor is monitored directly by an authorized staff member.

7. Monitoring. Use of the technology resources, including but not limited to internet sites visited and e-mail transmitted or received, is subject to monitoring by the administration and network administrators at any time to maintain the system and insure that users are using the system responsibly, without notice to the users. Users have no privacy rights or expectations of privacy with regard to use of the District's computers or Internet system. All technology equipment shall be used under the supervision of the Superintendent and the Superintendent's designees.
8. Sanctions. Violation of the policies and procedures concerning the use of the District technology resources may result in suspension or cancellation of the privilege to use the technology resources and disciplinary action, up to and including expulsion of students and termination of employees. Use that is unethical may be reported to the Commissioner of Education. Use that is unlawful may be reported to the law enforcement authorities. Users shall be responsible for damages caused and injuries sustained by improper or non-permitted use.

Internal Board Policies - Organization**8110 Purpose and Role of the Board**

The responsibilities of the Board of Education shall be as follows:

1. Provide a school system that offers a Pre-Kindergarten through twelfth grade program.
2. Confer with the Superintendent of schools about recommendations for school programs.
3. Consider and adopt textbooks selected by the Superintendent of schools and staff together with the courses of study recommended by them.
4. Set and annually review long-term written goals for the school district.
5. Consider and approve the annual operating budget prepared by the Superintendent of Schools.
6. Consider and approve claims for expenditure.
7. Be responsible to interpret the school programs to the community through a community relations program.
8. Represent the needs of the school system before city and state authorities as well as the general public.
9. Refer parent and community criticism and suggestions to the Superintendent for consideration and recommendation.
10. Serve as a body of final appeal for staff members and school patrons on matters properly appealable from orders of the Superintendent.
11. Establish and maintain policies consistent with the Board's interpretation of the wishes of the community and the requirements of the law. Conduct an annual review of policies as and to the extent required by law.
12. Develop a procedure whereby policy changes and/or additions may be proposed by board members, other school employees, or the general public by submitting them to the Superintendent for consideration and recommendation.
13. Continuously evaluate the effectiveness of Board policies.
14. Adopt rules and regulations in cooperation with the Superintendent for governance of the school system.
15. Select the Superintendent of Schools and support the Superintendent in the efficient discharge of the Superintendent's duties.

16. Require reports from the Superintendent.
17. Evaluate the Superintendent of Schools in accordance with applicable state laws.
18. Approve salaried personnel, upon nomination and recommendation of the Superintendent.
19. Annually elect officers of the Board and appoint auxiliary personnel as necessary.
20. Distinguish between selfish, uninformed criticism and genuinely helpful criticism.
21. Perform specific duties imposed on school boards by statutes of the State of Nebraska.
22. Participate in local, state and national organizations for school board members.
23. Cooperate with other governmental bodies and agencies.
24. Cooperate with professional and educational organizations.

**To:** Plattsmouth Community Schools Board of Education  
**From:** Dr. Amber Johnson  
**Subject:** Disposal Request – Outdated Leveled Readers  
**Date:** April 14, 2025

Dear Members of the Board,

I am writing to formally request approval for the disposal of a collection of leveled readers currently housed at Plattsmouth Elementary School. These materials are over 15-20 years old and are no longer utilized in our current teaching and learning practices.

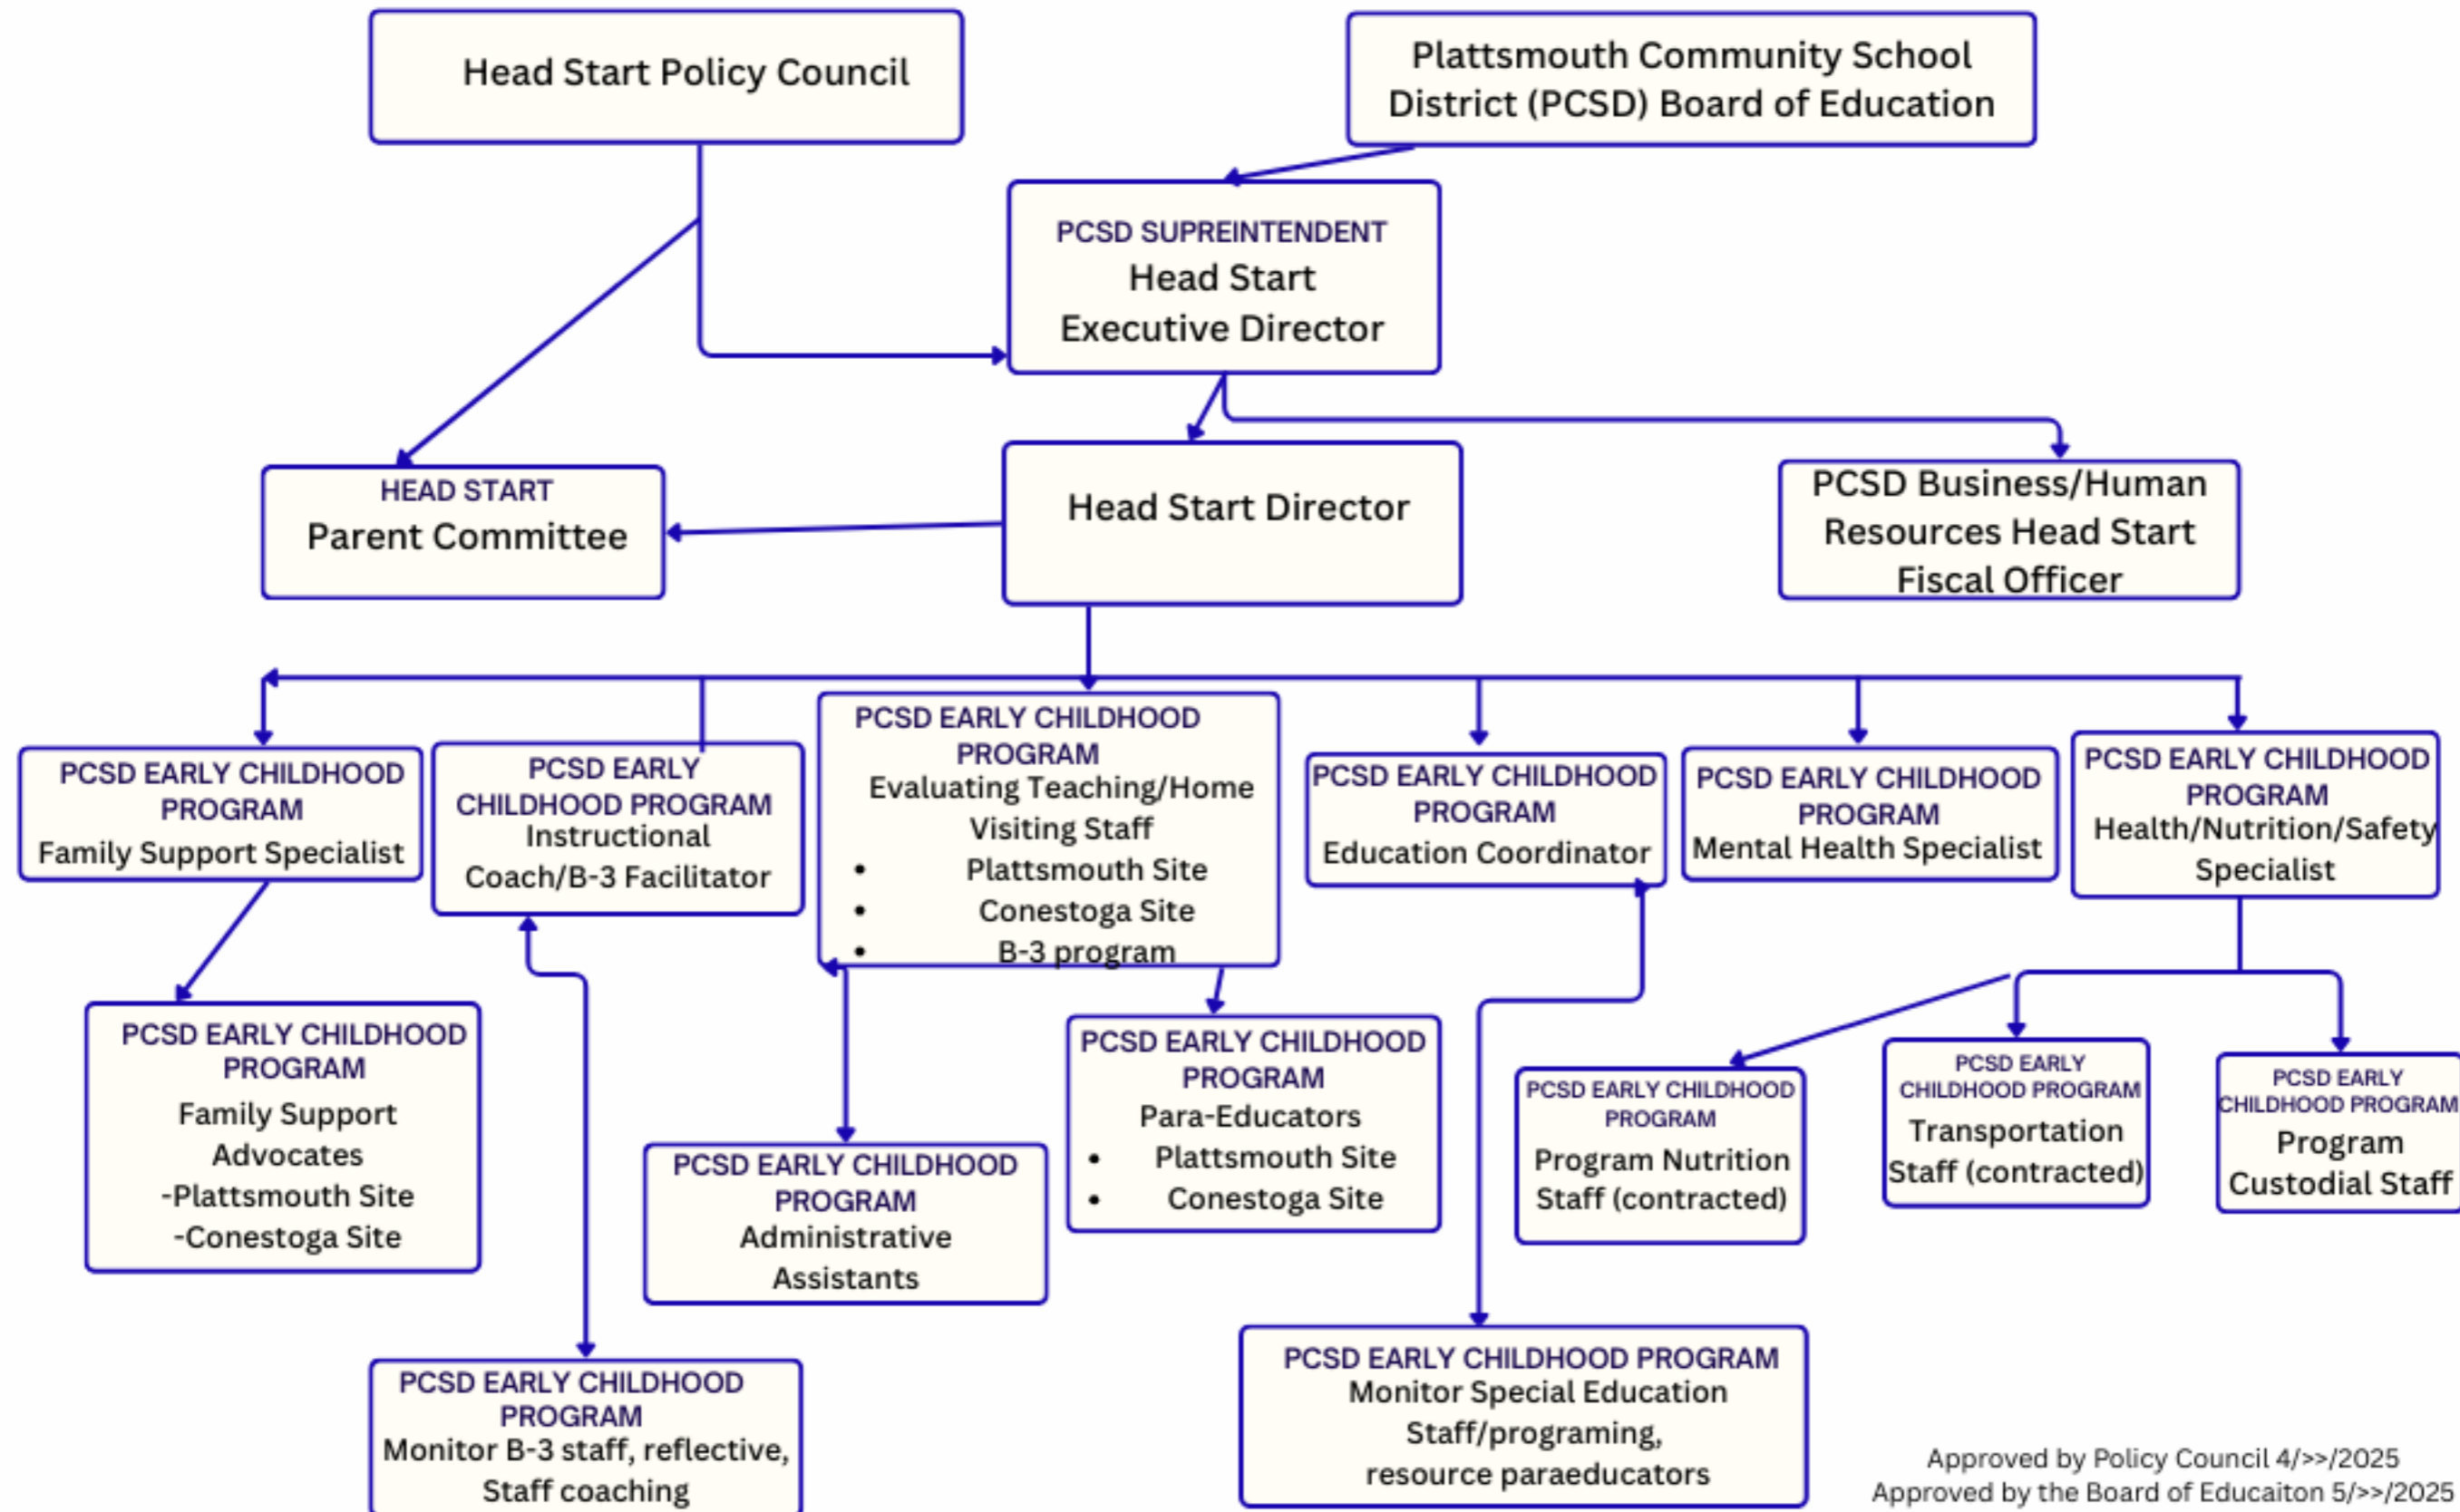

Due to significant advancements in literacy research and updated instructional standards, these leveled readers no longer align with best practices for reading instruction. They have been replaced by more effective, research-based resources that support the needs of our students and instructional goals.

The condition and age of these materials render them unsuitable for donation or redistribution, and they have not been in active classroom use for some time. We respectfully request permission to remove these obsolete resources from our inventory and proceed with proper disposal in accordance with district policy.

Thank you for your time and consideration. Please let me know if any further information is needed.

Sincerely,  
Dr. Amber Johnson

## **Family/Community Engagement & ERSEA Self Assessment 2024-2025**

### **Team Members:**

- Melinda Zimmerer Family Support Specialist
- Molly Goodman Para
- Carrie Goshorn Teacher
- Marissa Swanger Para
- Linda Sederberg EDN Early Interventionist

### **Overall System Rating (Strengths Area, Meets Requirement, Opportunity Area):**

#### **Family/Community Engagement: Strengths Area**

#### **ERSEA: Strengths Area**

1. How do we ensure that we are engaging families in our program with sufficient opportunities to be involved in their child's education through qualified staff ?
2. How do we develop a family partnership process that is anchored in family strengths, interests, and needs?
3. How do we build on parents' knowledge and offer parents the opportunity to practice parenting skills?
4. How do we ensure that we are involving our community?
5. How do we use our knowledge about the community to develop recruitment strategies to locate the families with the greatest needs?
6. How do we keep selection criteria relevant to our community and use it to prioritize enrollment?
7. Do we have an established process for enrolling eligible families and supporting compliance with eligibility requirements?
8. How do we ensure that we are fully enrolled and include a percentage of enrolled children with special needs?

#### **Program Strengths:**

- We offer many opportunities for parents to be involved, such as Parent Gatherings, Big Buddy Time, and PACT for both birth-3 and preschool classrooms.
- We have hired a new staff member to help children and families with mental health and behavioral needs.
- Parents engagement starts prior to the first day of school by doing home visits, registration and open house.

- Teachers meet with families to make goals around their child's development which is updated at each conference.
- We have qualified staff with ongoing professional development.
- We are offering parenting classes.
- There is open communication with families
- We utilize DoJo to communicate with families
- We track father engagement at activities and focus on the importance of Dad's/Male Role Models within the family and our program.
- FSA's take a strength based approach when doing the following forms with families: family profile strengths assessment, confidential needs assessment, parent interest questionnaire and the family goal setting form.
- We utilize Infinite Campus and Child Plus to keep data.
- The FSA's do goal setting with families and provide resources and track progress.
- The Preschool and Birth-3 provide newsletters to families.
- Growing Great Kids and Creative Curriculum encourage parent involvement.
- The Birth-3 PACT's have good participation and utilize a curriculum.
- The Cass County Interagency Networking group meets monthly at PECC and is offered via Zoom.
- The Health Advisory Committee meets annually.
- There are community partners that are involved and volunteer in our program.
- Staff are involved in more activities which is making the Head Start program more visible in the community.
- Partnership agreements are signed with community partners (SENCA, Plattsmouth Public Library, Under His Wings, WIC, One World, etc).
- A Community Resource Guide is given to families and updated annually.
- Community outreach is done with flyers, yard signs, advertising, mass mailings and referrals in order to recruit needy students.
- We have recruitment plans for our Plattsmouth site, Conestoga site, and EHS.
- A fillable application is available for families on the PCSD website.
- Our application is available in Spanish.
- ERSEA procedures and documents are updated annually and approved by Policy Council and the Board of Education.
- An interview intake gives insight into what resources families are tapped into so we can start the referral process for needy families.
- Point Sheets are used to prioritize enrolling the neediest children.
- Guidance for priority score sheet is used to ensure uniform scoring.
- Our program serves a high percentage of students on IEP's and IFSP's.

- A Change of Scope has been approved which will help our program meet enrollment expectations.

**Areas to Improve:**

- We should consider having para's attend the initial home visit and other conferences throughout the school year.
- We should consider having introduction letters from teachers, para's and FSA's available for parents before their child starts in the program.
- We need to look for innovative ways to encourage parents to come to parent trainings.
- We should consider ways to involve High School students more in our program.
- We should market our program more through social media.

**Overall System Rating:**

Education and Child Development: Area of Strength

**Group Discussion Questions:**

1. How do we use educational tools (curriculum, child assessments, screeners and data) to support children's abilities & outcomes?
2. How do we use effective teaching strategies and learning environments that are responsive to children's needs and that promote healthy development?
3. How do we use intentional transition strategies for Head Start and Early Head Start children?

**Identified Strengths:**

- Teachers are endorsed or have a sped degree
- Ongoing and regular trainings for Para's
- 2 paras in each classroom along with the teacher
- CDA requirement
- Many resources at the school and through the district
- Regular team meetings/staff meetings
- Communication between some team members is strong

**Areas for Improvement/Opportunity Areas:**

- Communication between some team members is not happening
- Team building activities
- Being on the same page (Everyone knows the rules for everything)
- Working well with other team members

Coordinated Approach for the Management of Program Data**

**Head Start Program Performance Standards §1302.101(b)(4)**

The management of program data to effectively support the availability, usability, integrity, and security of data. A program must establish procedures on data management, and have them approved by the governing body and policy council, in areas such as quality of data and effective use and sharing of data, while protecting the privacy of child records in accordance with subpart C of part 1303 of this chapter and applicable federal, state, local, and tribal laws.

The process for data management in Plattsmouth Early Childhood Program is based on effectively supporting the availability, usability, integrity, and security of data. The process includes procedures on”

- Quality of Data;
- Effective use of data; and
- Effective sharing of data.

**Quality of Data**

**On-Going Monitoring**

Ongoing compliance oversight and correction ensures effective implementation of the program performance standards and child safety. Monitoring is completed on a on-going basis through a variety of methods such as data reports, visual inspections, surveys, checklists, assessments, etc. The leadership team, comprised of the program director, education coordinator, family support specialist, health/safety specialist, **B-3 Facilitator/Coach, and Mental Health Specialist**, meet weekly to review various monitoring areas such as disabilities, education, family engagement, community engagement, health, safety, nutrition, transportation, mental health, human resources, fiscal, **B-3 programing**, etc. If compliance issues are identified, the leadership team develops a plan to address and/or correct the issue as quickly as possible as well as updating or implementing procedures to prevent recurrence of the compliance issue.

This on-going monitoring process also informs the assessment of program goals and the self-assessment process, both of which occur on an annual basis. Information from on-going monitoring is shared with policy council and the governing body through a reporting process.

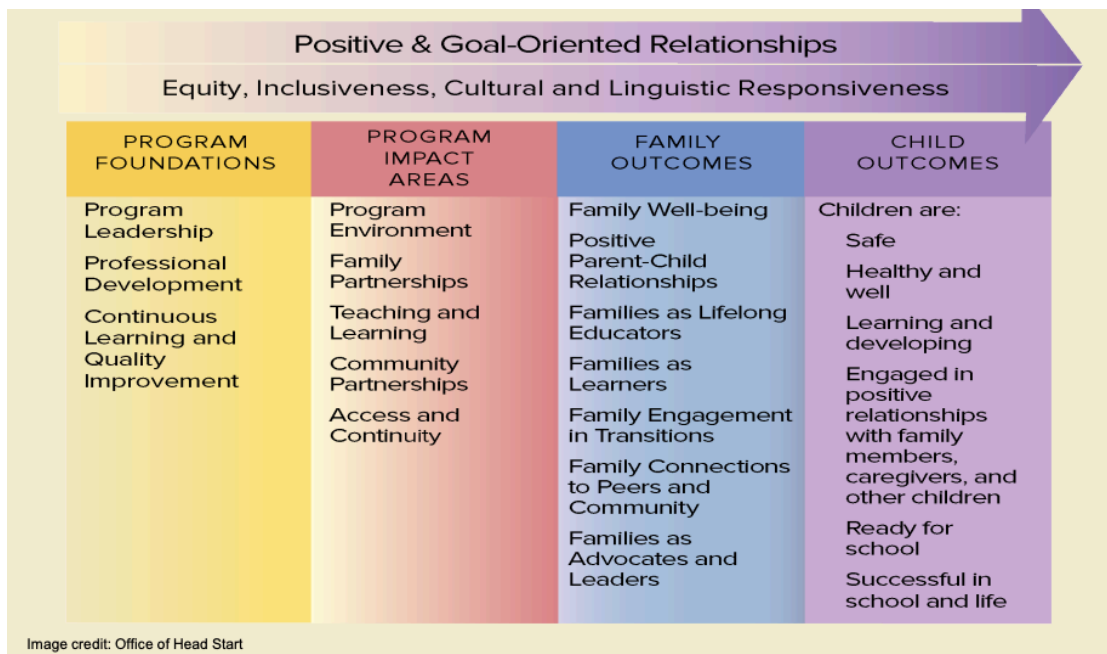

## Effective Use of Data

The Plattsmouth Early Childhood Program engages in a cyclical planning process. Prior to the first year of the five-year project period, the program’s planning team determines strategic goals that are informed by data and findings from the community assessment, annual self-assessment, and related child, family, and community data. These strategic goals set the course for continuous improvement and innovation. Each strategic goal is tied to school readiness goals and Parent, Family, and Community Engagement (PFCE) outcomes.

The strategic goals are then broken down into:

- Objectives that are SMART: Specific, Measurable, Attainable, Realistic, and Timely
- Expected outcomes that show what success looks like if the goal is achieved
- Actions/strategies to carry out over the program year
- Timelines and financial support necessary to achieve the goals
- Data, tools, or methods for tracking progress

## **Self Assessment**

Head Start Performance Standard §1302.102(b)(2)(i) indicates that a program must effectively oversee progress towards program goals on an ongoing basis and annually must conduct a self-assessment that uses program data, and professional development and parent and family engagement data as appropriate, to evaluate the program's progress towards meeting program goals, compliance with program performance standards throughout the program year and the effectiveness of the professional development and family engagement systems in promoting school readiness. The self-assessment process is completed through communication and collaboration with the governing body, policy council, program staff, and parents of enrolled children.

Head Start Performance Standards §1302.102(c)(2)(iv) indicates that a program must use information from ongoing monitoring and the annual self-assessment, and program data on teaching practice, staffing and professional development, child-level assessments, family needs assessments, and comprehensive services, to identify program needs, and develop and implement plans for program improvement.

Some questions that help to guide the self-assessment process are:

- Is our program meeting all Head Start Performance Standards?
- Are our services responding effectively to the changing needs of children and families?
- Are we doing what we need to do, or are we just doing it the way we have always done it?
- Can we refine our program design and management systems to further improve outcomes for children and families?

Cass County Head Start/Early Head Start uses a process for the self-assessment that involved teams broken up into five assigned areas:

- Family/Community Engagement & ERSEA
- Child Health/Safety, Nutrition, & Transportation
- Child Development/Education & Disabilities
- Social/Emotional Support & Coaching
- Records/Reporting, Human Resources, Fiscal, & Program Governance

The Self-Assessment process involved the collection of information from a variety of sources to determine if systems and services have been implemented and are working effectively. Some sources that were utilized for this Self-Assessment included, but was not limited to:

- Aggregated and Disaggregated Child Outcomes/Assessment Data
- Community Assessment Report
- PCSD Board of Education (BOE) Agendas and Minutes
- Information Entered into Child Plus
- Policy Council Agendas and Minutes
- Classroom Assessment Data (CLASS & ECERS-3)
- GOLD data/School Readiness data
- Parent & Staff Survey Information
- Budget Information
- Family Needs Assessments
- Parent and Family Engagement Data
- Program Data on Teaching Practices (checklists, etc.)
- Professional Development Data and Feedback on Effectiveness
- On-going Monitoring Data
- Compliance Data

## School Readiness

School readiness goals are the expectations of children’s status and progress across domains of language and literacy development, cognition and general knowledge, approaches to learning, physical well-being and motor development, and social and emotional development that will improve their readiness for Kindergarten.

		CENTRAL DOMAINS				
		APPROACHES TO LEARNING	SOCIAL AND EMOTIONAL DEVELOPMENT	LANGUAGE AND LITERACY	COGNITION	PERCEPTUAL, MOTOR, AND PHYSICAL DEVELOPMENT
▲ INFANT/ TODDLER DOMAINS		Approaches to Learning	Social and Emotional Development	Language and Communication	Cognition	Perceptual, Motor, and Physical Development
● PRESCHOOLER DOMAINS		Approaches to Learning	Social and Emotional Development	Language and Communication	Mathematics Development	Perceptual, Motor, and Physical Development
				Literacy	Scientific Reasoning	

Plattsmouth Early Childhood Program has a school readiness team consisting of the education coordinator, policy council and/or parent representative, health/safety specialist, family support specialist, classroom teacher, and home visitor to assist with analysis of school readiness data. The team meets at least three times a year to review/develop program-wide school readiness goals, analyze data, and make suggestions for improving school readiness.

School readiness data is also reviewed with education staff at least three times a year. This group reviews aggregated and disaggregated data (program wide and classroom), including for sub-groups, such as dual language learners and children with disabilities. This analysis assists the education team with identifying program strengths and needs and developing and implementing plans that address program needs.

Classroom teachers also use the child assessment data to assist with individual child planning and classroom planning.

## Effective Sharing of Data

### Governing Body and Policy Council

The following information is shared with the governing body (Board of Education) and the policy council (PC) on a regular basis (642(d)(2) of the Act):

- Monthly financial statements, including credit card expenditures;
- Monthly program information summaries;
- Program enrollment reports, including attendance reports for children whose care is partially subsidized by another public agency;
- Monthly reports of meals and snacks provided through the programs of the Department of Agriculture;
- The financial audit;

- The annual self-assessment, including any findings related to such assessment;
- The communitywide strategic planning and needs assessment of the Head Start agency, including any applicable updates;
- Communication and guidance from the Secretary; and
- The program information reports (PIR)

Status reports, such as the monthly Early Childhood Program Report for the Board of Education and the monthly Director's Report for the Policy Council (for meetings held between August and May), include the following information either within the report or as an attachment:

- Program information summary;
- Program enrollment reports;
- Financial information regarding program expenditures, including non-federal share;
- Reports of meals and snacks provided through CACFP; and
- Communication and guidance from the Secretary.

The Business Manager/Fiscal Manager provides financial statements to the Board of Education on a monthly basis. The Head Start financial statements are included with the Treasurer's Report at each Policy Council meeting.

The program information reports (PIR), financial audit, self-assessment, and strategic plan and needs assessment, including applicable updates, are shared with the Board of Education and Policy Council annually.

### **Regional Office or Federal Office**

The following reports are submitted to a Region 7 HHS official or a Federal HHS official immediately or as soon as practicable (§1302.102(d)):

- Reports related to any significant incidents affecting the health and safety of program participants, circumstances affecting the financial viability of the program, breaches of personally identifiable information, or program involvement in legal proceedings, any matter for which notification or a report to state tribal, or local authorities is required by applicable law, including at a minimum:
  - Any reports regarding agency staff or volunteer compliance with federal, state, tribal, or local laws addressing child abuse and neglect or laws governing sex offenders;
- Incidents that require classrooms or centers to be closed for any reason;
- Legal proceedings by any party that are directly related to program operations; and,
- All conditions required to be reported under §1304.12, including disqualification from the Child and Adult Care Food Program (CACFP) and license revocation.

In addition, the self assessment, annual report, and community assessment, including annual updates, are submitted to a Region 7 HHS official through the grant application process on an annual basis.

If a program has had a deficiency identified, it must submit, to the responsible HHS official, a quality improvement plan is required in section 641A(e)(2) of the Act.

### **State Systems**

Head Start Program Performance Standards §1302.52(b)(3)

Data systems. A program, with the exception of American Indian and Alaska Native programs unless they would like to and to the extent practicable, should integrate and share relevant data with state education data systems, to the extent practicable, if the program can receive similar support and benefits as other participating early childhood programs.

Coordinated Approach for the Management of Program Data - updated March 2025

Plattsmouth Early Childhood Program collaborates with the Nebraska Department of Education (NDE) to provide data as required by Title 92, Nebraska Administrative Code, Chapter 11 (Rule 11): Regulations for the Approval of Prekindergarten Programs Established by School Boards or Educational Service Units and for the Issuance of Early Childhood Education Grants. Examples of data provided to NDE includes:

- Nebraska Department of Education Prekindergarten Program Report - due by October 15th of each year;
- Child assessment data from Teaching Strategies GOLD;
- Personnel qualifications; and
- Instructional hours.

### **Child Records**

Plattsmouth Community Schools is an educational agency that receives funds under a program administered by the Department of Education and therefore is subject to the confidentiality provisions under the Family Educational Rights and Privacy Act (FERPA). Board of Education policies regarding FERPA can be located at: <https://www.pcsd.org/Page/24> Policies pertinent to FERPA provisions include:

- 5202: Student Records
- 5202z: Notification of Rights under FERPA
- 5410: Students with Disabilities
- 5421: Student Privacy Protection
- 1050: Access to Records

Voluntary parent participation. Parent participation in any program activity is voluntary, including consent for data sharing, and is not required as a condition of the child's enrollment (§1302.15(f))

Preschool Program & Head Start  
Coordinated Approach for Training and Professional Development**

The process for professional development in Plattsmouth Early Childhood Program is based on systematic identification of staff needs and planning to address gaps in knowledge or competence. This is foundational to improving services and designing effective professional development experiences. The process includes:

- Identifying program areas through the self-assessment process where the quality of services, staff productivity, or efficiency needs improvement
- Using monitoring, program, and staff data to inform the content and design of training and intervention strategies that address specific knowledge and skill development targeted to improving performance
- Providing appropriate follow-up support to implement new learning and staff evaluation results
- Integration with individual career development/professional development plans

An assessment and analysis of program outcomes and staff needs assessments inform the nature and scope of professional development. Professional development also is informed by reviewing state early learning standards and requirements. Head Start Program Performance standards, licensing standards, program goals for high quality services, and planned changes that may result in a need for new knowledge, skills, and competencies. Activities are guided by program outcomes.

Professional development means high quality activities that will improve the knowledge and skills of staff, as relevant to their roles and functions, in program administration and the provisions of services and instructions, as appropriate, in a manner that improves service delivery to enrolled children and families. Professional development within Plattsmouth Early Childhood Program consists of:

- Staff training, in-service, and orientation;
- Practice-Based Coaching (PBC);
- Creation of professional development plans for all full-time employees who provide direct services to children;
- Reflective Supervision; and
- Professional Learning Communities (PLC).

**Staff Training, In-Service and Orientation**

S1302.92(a) & (b)

Plattsmouth Early Childhood Program implements a systematic approach to staff training and professional development that is designed to assist staff in acquiring or increasing the knowledge and skills needed to provide high-quality, comprehensive services (within the scope of specific job responsibilities). The following are provided:

- Orientation for all new staff, consultants, and volunteers that focuses on the goals and underlying philosophy of the program and the ways they are implemented;
- At least 15 clock hours of professional development per year;
  - For classroom teachers, the professional development is high quality, sustained, intensive and classroom-focused in order to have a positive and lasting impact on classroom instruction and the teacher's performance in the classroom, and regularly evaluated by the program for effectiveness – Head Start Act S648(a)(5)

- Training on methods to handle suspected or known child abuse and neglect cases, that comply with applicable federal, state, and local laws;
- Training for child and family services staff on best practices for implementing family engagement strategies in a systematic way;
- Training for child and family services staff that builds their knowledge, experience, and competencies to improve child and family outcomes; and,
- Researched-based approaches to professional development for education staff, that are focused on effective curricula implementation, knowledge of the content in Head Start Early Learning Outcomes Framework: Ages Birth to Five, partnering with families, supporting children with disabilities and their families, providing effective and nurturing adult-child interactions, supporting dual language learners as appropriate, addressing challenging behaviors, preparing children and families for transitions, and use of data to individualize learning experiences to improve outcomes for all children.

### Practice Based Coaching

S1302.92(c)

Coaching is utilized as a vehicle to drive meaningful, goal oriented professional development for education staff. Plattsmouth Early Childhood Program utilizes the National center on Quality Teaching and Learning's (NCQTL) coaching model. This model has both a research based and an experience base and is referred to as Practice-Based Coaching. Practice-Based Coaching (PBC) is a model of coaching that includes three components (described below) which are associated with change in teacher practices and associated changes in child outcomes.

PBC is a cyclical process for supporting teachers' use of effective teaching practices that lead to positive outcomes for children. The coaching cycle components are:

1. Planning goals and action steps
2. Engaging in focused observation
3. Reflecting on and sharing feedback about teaching practices

PBC occurs within the context of a collaborative partnership. Each component in the cycle is designed to inform the actions taken by a coach or teacher during the subsequent component (or through the coaching process). The cyclical nature of PBC emphasizes that expectations and desired outcomes of coaching are regularly reviewed and updated. The figure below shows the PBC cycle and illustrates the relationships among the components.

Each component of the Practice-Based Coaching model is described briefly below. All components, taken together, help achieve desired outcomes for improvement or refinement of teaching practices.

### **Component I: Planning Goals and Action Steps**

This component of the Practice-Based Coaching model includes processes for initial goal setting and action planning and processes for ongoing goal setting and action planning. For initial goal setting and action planning, a needs assessment is conducted that involves gathering data about current teaching practices and determining priorities for enhancement or refinement (Snyder & Wolfe, 2008). An important feature of the needs assessment is the clear delineation of the teaching practices to be examined. Based on the needs assessment and other information, a set of goals is developed that guides the creation of an action plan. Goals are clearly defined, measurable, and achievable within a defined time frame. Goals provide accountability and allow opportunities to celebrate progress. During action planning, the steps, resources, and supports needed to reach a goal are specified. The action plan also includes a time frame to review progress on goals. The steps included in the action plan are small, observable tasks or strategies that support accomplishment of the goal. The goals and action plan provide a “roadmap” for the support and feedback that occurs as part of the other components in the coaching cycle.

### **Component II: Engaging in Focused Observations**

The second component in the Practiced-Based Coaching model is engaging in focused observations. The term “observation” refers to the process of gathering and recording information about implementation of desired teaching practices during ongoing classroom activities, routines, and transitions. Goals and action plan steps guide focused observations. They may include the coach providing support strategies to improve and refine teaching practices based on the action plan steps and discussion between the coach and the teacher.

### **Component III: Reflection on Sharing Feedback about Teaching Practices**

The third component of the Practice-Based Coaching model focuses on (a) mutual consideration of the support strategies used and information gathered about teaching practices to identify successes, challenges, and areas for additional improvement or refinement (i.e., reflection on teaching practices) and (b) sharing feedback about implementation of support strategies and implementation of teaching practices. Coaches communicate progress and challenges with the teachers and support them in the reflection process. Sharing feedback about teaching practice involves providing information about performance that is both supportive and constructive, and it is intended to help achieve identified goals and improve or refine teaching practices. Supportive feedback connects information from the observation with the goals and action plan steps to illustrate progress toward desired outcomes. Constructive feedback is used to help recognize opportunities for improving or refining teaching practices. Information from the processes associated with reflection and feedback lead the way to engaging in ongoing goal setting and action planning, associated with Component 1. For ongoing goal setting and action planning, the existing goals and action plan are reviewed and updated. Updating the goals and action plans might include continuing with the same goals and revising the action plan, revising the selected goals and updating the action plan, or identifying new goals and creating a new action plan. At some point during the ongoing process, the original needs assessment might be reviewed or updated to determine new priorities. The coach’s role is to facilitate reflection and next steps. The teacher’s role is to grow in the capacity to reflect on practice, plan, and implement change. Used on an ongoing basis, this cyclical, reflective process for individualized professional development can be extremely effective.

**Coaching Delivery Formats**

PBC can be implemented in different delivery formats. Coaches can be experts, peers, or the teachers themselves. Programs can deliver coaching on-site or from a distance using technology, and they can also deliver coaching in multiple formats. For example, an expert might view a videotaped activity that was uploaded to a website and then arrange for a face-to-face debriefing meeting. The various options are shown in the table below.

Options for Delivering Practice-Based Coaching:

		Coach		
		Expert	Peer	Self
Format	Distance	Expert comes into the classroom to observe an activity. Expert meets with teacher to provide feedback on teaching practices. Teachers meet in work group with facilitator/coach to discuss their practice.	Peer comes into the classroom to watch an activity. Peers meet in the teacher workroom to reflect on observations and provide feedback to each other.	Teacher uses self-guided materials to structure an observation of his or her teaching practices, including videotaping while teaching. Teacher examines data on teaching practices to evaluate progress.
	On-Site	Expert watches video of classroom activity that teacher uploaded. Expert uploads written feedback to shared website and conducts a conference call to provide specific prompts for reflection.	Peer reviews a video of a classroom activity which the teacher has posted to a discussion board. Peer and teacher arrange a time to discuss observation via Skype.	Teacher uses online tutorial to plan an activity to videotape. Teacher records experiences using a structured online self-coaching tool.

## **Coaching at Plattsmouth Early Childhood Program Head Start/Early Head Start**

Plattsmouth Early Childhood Program utilizes practice-based coaching (PBC) as a research-based, coordinated coaching strategy for education staff. Within the PBC model, a variety of coaching delivery approaches including expert, peer, and self are utilized depending upon the needs of the staff. Near the start of each school year, education staff complete a needs assessment designed to identify strengths and areas of needed support around the targeted teaching practices and to determine priorities for enhancement or refinement. Teaching practices refer to the process of teaching that supports child learning. Examples of teaching practices may include, but are not limited to, setting up the classroom environment to support learning, designing the schedule, establishing peer buddies to teach social skills, implementing required instructional components, and designing and implementing developmentally appropriate activities. Teaching Practices also include the use of specific instructional practices that are used to teach within *Head Start Early Learning Outcomes Framework: Ages Birth to Five* outcome domains (e.g., shared book reading for literacy, explicit teaching of specific vocabulary, active exploration for science, peer buddies for social-emotional development) and instructional practices (e.g., wait-time, prompting, reinforcement, fading cues) that teachers use across outcome domains. Teaching practices align with program school readiness goals and curriculum.

Once the initial needs assessment has been completed, the coaching delivery method is determined and, if the expert coaching delivery approach is being utilized, a coach is assigned. All expert coaches must have a minimum of a baccalaureate degree in early childhood education or related field (s1302.9(f)). The coach meets with the education staff member and discusses and completes a coaching agreement which defines the roles and responsibilities of the coach and the education staff member. The coach and the staff member create a PATH (Planning Acting Together Helps) that includes goals, steps, resources, and timelines. If a delivery format such as peer coaching or self-coaching are utilized, the PATH is developed by the individual staff member, based upon their responses to the needs assessment. Once developed, the PATH becomes the individualized professional development plan for the staff member.

Once the PATH is developed, the coach or coach partners engage in focused observations which are guided by the goals and steps outlined on the PATH. These observations may include live observation by the coach or coach partners, review of the videotape of the staff member in the classroom or on a home visit, or self-monitoring on the part of the staff member. The focused observations may also include strategies such as the coach or coach partner modeling an instructional practice, providing a verbal prompt, or offering quick suggestions. Coaches, whether expert, peer, or self, use a range of strategies that support using effective teaching practices ensuring on-going classroom activities, routines, and transitions. The strategies are selected based on the action plan steps and discussion between the coach and the staff member or between the coach partners.

Reflection and feedback occurs on a regular basis (at least once a month) between the staff member and the coach or the coaching partners and consists of reflection on the focused observations to determine progress toward the goal of implementing teaching practices outlined on the PATH. These meetings are a time to communicate about progress and challenges, make plans for future meetings and observations and celebrate successes. The coach also utilizes these meetings to provide feedback on the implementation of required program components, such as instructional components, repeated reads, explicit teaching of vocabulary. The coach will frequently observe in each classroom and complete a program checklist in order to provide feedback to staff members and to assist with determining individual needs.

The existing PATH is continuously reviewed and updated. Updating PATH might include revising the selected goals or identifying new goals. It also may include keeping the current goals and updating the resources needed or the timeline. At some point during the ongoing process, the original needs assessment might be updated to determine new priorities. The original needs assessment must be reviewed/updated at least two additional times during the school year.

## **Guided Support**

Guided support is provided to staff members needing more guidance/support than the traditional PBC can provide. Staff members can self-identify the need for guided support or the need for guided support can be identified through the needs assessment process. Other possible reasons for a staff member to receive guided support include:

- New to teaching or new to the Plattsmouth Early Childhood Program/Head Start Program
- Teacher in a classroom with CLASS scores on the domains of Emotional Support, Classroom Organization, and/or Instructional Support below the nationally identified 10% score for Head Start
- Teacher in a classroom with students that require specialized behavior or learning supports (as determined by the coach and teacher)
- Teacher in a classroom or providing home based services that has consistently scored low on the curriculum fidelity checklist, has had an improvement meeting with the educational coordinator and/or **B-3 Facilitator and** instructional coach, and has not immediately corrected all the areas that received low scores.

Once a staff member is identified as requiring guided support, a coach will be assigned (if the staff member was previously involved with peer or self-coaching). The coach will have had adequate training and experience in adult learning. The coach and the staff member will create a PATH utilizing the process described previously that includes clearly articulated goals and a process for achieving those goals. The coach will complete focused observations which may include the modeling of effective teaching practices that are directly related to goals identified in the staff member's PATH. Reflection and feedback will occur on a frequent basis, at least once every other week, between the staff member and the coach.

The coach and the staff member will continuously review and update the PATH and, together, will make a determination of when the staff member should move from the guided support PBC to the general PBC model. Assessment results (GOLD, CLASS, T-POT, etc.) are not used to solely determine punitive actions for staff identified as needing support. Professional development plans are established by all full-time employees who provide direct services to children.

## **Teachers and Home Visitors**

Teachers and home visitors utilize their PATH (Planning Action Together Helps) from practice based coaching as their professional development plan. The PATH includes goals, steps, resources, and timelines. If professional development, such as workshops, webinars, documents, etc. are required, these are listed under resources on the PATH and the coach assists the teacher or home visitor in accessing the necessary resource. If the coach notices a trend in the type of support needed, he/she notifies the leadership team so that training can be provided on a program basis.

Teachers and home visitors also receive observations during classroom instruction or home visits by the Education Coordinator **and/or B-3 Facilitator/Coach**. These observations may be general in nature, involve checks to determine fidelity of curriculum implementation, or involve completion of an observation

checklist to determine if instructional components are being implemented according to the program standards. These observations may be discussed with the Practice Based Coach and/or the Early Childhood/Head Start Director for the purposes of ensuring program quality and determining on-going program and/or individual professional development needs.

### **Para-educators**

Para-educators are required to complete a Para Professional Development Goal form by October of each school year. On this form, the para-educator lists at least one specific measurable goal that has a focus on increasing student learning. The goals are developed based on suggestions for professional growth from evaluations and/or observations, district/ building goals, student assessment data, and/or professional development needs. Each goal includes an action plan (the actions required to reach the goal) and timeline. Paraeducators are also asked to identify any professional development needs they may have related to achieving the stated goal. The goals are self-evaluated at least two times throughout the school year- generally in February and May.

As Para-educators review the professional development goals, they are encouraged to inform their supervising teacher, the Early Childhood/Head Start Director, and/or Education Coordinator if they require specific professional development to achieve their goals. The Education Coordinator also reviews all goals three times a year to assist with determining on-going program and/or individual development needs.

### **Family Support Advocates and Other Certified Staff Members (leadership team, specialists, early interventionists, etc.)**

Each staff member who provides direct services to children and is not part of one of the groups mentioned above is required to complete a Professional Growth Goals form by October of each school year. These are measurable goals that focus on increasing student learning and/or professional growth. They are developed based on suggestions for professional growth from evaluations and/or observations, district/building goals, student assessment data, and/or professional development needs. Each of the two required goals includes an action plan (these actions required to reach the goal), timeline, and measurement (criteria used to determine if the goals have been met). The goals are self-evaluated at least two times throughout the school year-generally in February and May.

As staff review the professional growth goals, they are encouraged to inform the Early Childhood/Head Start Director and/or Education Coordinator if they require specific professional development to achieve their goal. The Early Childhood/Head Start Director also reviews all goals three times a year to assist with determining on going program and/or individual professional development needs.

### **Reflective Supervision**

Reflective supervision is provided for home visitors in the Early Head Start and Sixpence programs. Reflective supervision is completed on a regular basis (usually weekly) with the home visitors. This practice requires a foundation of honesty and trust. The goal is to create an environment in which people do their best thinking—one characterized by safety, calmness, and support. Generally, the home visitors meet with the ~~FSS (family support specialist)~~ B-3 Facilitator/Coach on a regular basis, providing material (like notes from visits with families, videos, verbal reports, etc.) that will help stimulate a dialogue about their work. As a team, the home visitor and B-3 Facilitator/Coach explore the range of emotions (positive and negative) related to the families and issues the home visitor is managing. As a team, they work to understand and identify appropriate next steps.

Reflective supervision is characterized by active listening and thoughtful questioning by both parties. The role of the **B-3 Facilitator/Coach** is to help the home visitor to answer his/her own questions and to provide the support and knowledge necessary to guide decision-making. In addition, the **B-3 Facilitator/Coach** provides an empathetic, nonjudgmental ear to the home visitor.

Reflective supervision also supports staff's professional development by using these meetings as an opportunity to scaffold, or support the acquisition of, new knowledge. For instance, by encouraging the home visitors to analyze their own work and its implications, they will develop new opportunities to utilize strategies. Reflection is important because it empowers staff to assess their own performance. Awareness of one's strengths, as well as one's limits and vulnerabilities, allows individuals to make mid-course corrections in work performance that feel natural, unforced, and generated from within.

### **Professional Learning Communities**

Professional Learning Communities (PLC's) enable teachers to identify and focus on improving their own teaching practices and provide an opportunity to examine the impact that high-quality strategies have on student learning. Strong collaborative relationships among teachers promote school change beyond the classroom (Darling-Hammond, Wei, Andress, Richardson, & Stelios, 2009). These relationships coupled with the sharing of effective teaching strategies are built through connected and sustained learning in the PLC's (NSDC, 2009). All preschool teachers participate in the preschool PLC as research shows that this type of collaborative learning produces strong, positive effects on learning outcomes. Through exploration of individual and collective experiences, teachers actively construct, analyze, evaluate, and synthesize knowledge and practices (Learning Forward, 2012).

The Plattsmouth Early Childhood Center (PECC) PLC occurs on Monday afternoons at 2:45pm. Teacher leaders, identified by the Director of Instruction, facilitate the discussion, when necessary. PLC provide a way to have structured conversations about differentiating and meeting child needs in classrooms and are part of weekly planning time for all PECC teachers. The responsibilities of each PLC are as follows:

- Clearly define/discuss essential children learning outcomes
- Provide effective core instruction
- Assess child learning and the effectiveness of instruction using checks for understanding, formative assessments, and summative assessments (GOLD)
- Identify children in need of additional time and support and design interventions to support them
- Take primary responsibility for supplemental interventions for children who have failed to master the team's identified essential standards
- Provide a way to have structured conversations about differentiating and meeting child needs in classrooms and are part of weekly planning time for all preschool teachers

### Receipt and Acknowledgement of Plattsmouth Early Childhood Center Staff Procedures Manual

The Plattsmouth Early Childhood Center (PECC) Procedures Manual describes important information about Head Start and the Plattsmouth Early Childhood Program. I understand that policies that may not be covered in the PECC Staff Procedures Manual may be found in the Plattsmouth Community School District (PCSD) Board Policies, which can be found on the PCSD website. I also understand that some other resources that are available to assist with my understanding of policies and procedures include: PCSD Support Staff Handbook and PCSD Certificated Handbook. It is my responsibility as an employee of the Plattsmouth Community School District to investigate and understand these policies and procedures and to consult with the Early Childhood/Head Start Director regarding any questions not answered in these documents.

The information, policies, and procedures described in the above documents are subject to change and I understand that the revised information may supersede, modify, or eliminate existing policies/procedures.

My signature below acknowledges receipt of the PECC Staff Procedures Manual and I understand it is my responsibility to read and comply with the policies/procedures contained in the manual. If I do not understand the policies/procedures, it is my responsibility to ask my supervisor, the Early Childhood/Head Start Director, the Fiscal/Human Resources Managers, or the Superintendent for clarification.

## Plattsmouth Early Childhood Center Agency Position of Confidentiality

Families, children and staff have the right to protection of personal information about them in their relationship with Plattsmouth Early Childhood Program (Agency). The following principles should be kept in mind.

1. Parents (or legal guardians) and staff members should be the primary source of the information about themselves and the information sought from them should be limited to that which is essential for service and the program.
2. Confidential records collected by the Agency about individual families and staff members shall be maintained in locked file cabinets. Parents and other volunteers are prohibited from reviewing records other than those of their own children. Staff members are prohibited from reviewing records other than what is required to fulfill their assigned employment duties and their own confidential records (upon written request to the Early Childhood/Head Start Director).
3. Children's health, mental health, education and nutrition records and social services records on families are open only to Head Start staff members and special consultants on a "need to know" basis, as directed by the Confidential Release Form signed by the parent or legal guardian at enrollment. If unsure about releasing the information, check with a program manager or the Early Childhood/Head Start Director.
4. No information should be released to anyone outside of the program without written consent from the family/staff member, except in reporting suspected child abuse or neglect or when presented with the proper documentation from a legal/law enforcement entity.
5. Privileged information, written or verbal, shared by a parent with a staff member or members shall remain confidential and only discussed with the necessary staff at appropriate times in a private setting.
6. Written information from staff to individual families that would be considered confidential shall be delivered in a manner to protect the privacy.
7. Staff commitment to confidentiality about the program, staff, children and families shall be maintained when acting on behalf of the Agency with the Community.
8. School employees shall report to the principal when they have reasonable cause to believe that a child has been subjected to abuse or neglect, or circumstances that reasonably would result in abuse or neglect. The staff member will report the matter to the proper law enforcement agency or other agency (Child Abuse & Neglect Hotline @1-800-652-1999) as required by law.
9. A breakdown of confidentiality by a staff member is grounds for immediate dismissal from Plattsmouth Early Childhood program and/or Plattsmouth Community Schools.

I have read and understand the above Plattsmouth Early Childhood program confidentiality Policy.

## Plattsmouth Early Childhood Center Standards of Conduct 45 CFR 1302.90 (C) (1)

I agree to abide by the Plattsmouth Early Childhood Program Standards of Conduct requirements listed below:

1. I will ensure the implementation of positive strategies to support children's well being and prevent and address challenging behavior.
2. I will not maltreat or endanger the health or safety of children, including, at a minimum, that I will not:
  - a. Use corporal punishment;
  - b. Use isolation to discipline a child;
  - c. Bind or tie a child to restrict movement or tape a child's mouth;
  - d. Use withholding food as a punishment or reward and not force children to finish their food;
  - e. Use toilet learning/training methods that punish, demean, or humiliate a child;
  - f. Use any form of emotional abuse, including public or private humiliation, rejecting, terrorizing, extended ignoring, or corrupting a child;
  - g. Physically abuse a child;
  - h. Use any form of verbal abuse, including profane, sarcastic language, threats, or derogatory remarks about the child or child's family; or,
  - i. Use physical activity or outdoor time as a punishment or reward.
3. I will respect and promote the unique identity of each child and family and will refrain from stereotyping on any basis, including gender, race, ethnicity, culture, religion, disability, sexual orientation, gender identity, or family composition.
4. I will follow program confidentiality policies in accordance with the Family Educational Rights and Privacy Act (FERPA) concerning personally identifiable information about children, families, and other staff members.
5. I understand that no child shall be left alone or unsupervised while under my care. I further understand that I must never allow children to be left alone with volunteers.
6. I will follow Head Start Standards (45 CFR Chapter XIII, September, 2016) and program policies and procedures regarding eligibility and enrollment for the Head Start program. In addition, I understand that any intentional attempt to provide or solicit the provision of false information when determining Head Start/Early Head Start eligibility will be grounds for automatic dismissal from the Plattsmouth Early Childhood program and termination of employment from Plattsmouth Community Schools.
7. I understand that no child may be removed from the presence of staff other than by a child's own parent/guardian or other authorized person (s).
8. I will not solicit or accept personal gratuities, favors, or anything of significant monetary value from contractors, potential contractors, or parties to sub-agreements.
9. I understand that I shall not participate in the selection, award, or administration of a procurement contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such conflict would arise when an employee, officer, or agent, or any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated, has financial or other interest in the firm selected for an award.
10. I understand that I must maintain professional boundaries with children/families enrolled in the Plattsmouth Early Childhood Program at all times. I will keep my personal life separate from that of children/families enrolled in the program and shall only have limited contact outside of work time and/or work related activities.
11. I will follow Head Start Program Performance Standards and all Plattsmouth Community School District policies and procedures. I understand that all staff (employee, consultants, contractors, and volunteers) must have complete background checks in accordance with §1302.90(b) which indicates the need for a new background check at least once every five years and I agree to follow this policy/procedure/standard.

As an employee, consultant, contractor, and/or volunteer of Plattsmouth Early Childhood program, I thoroughly understand and have been trained in all aspects of the Standards of Conduct listed above. I understand that violation of these Standards is grounds for discipline, which can range from suspension without pay to termination of employment/removal from position, depending on the position of the offender and the nature of the offense.

## Substance-Free Workplace Notice to Employees

It is the policy of the Plattsmouth Community School District (PCS) to eliminate the influence of drugs, alcohol, and other chemicals within the school environment and to educate students against the usage of drugs, alcohol, and illegal substances. The District will implement regulations and practices which will insure compliance with laws relating to drugs and alcohol, including: the Drug-Free Workplace Act and the Omnibus Transportation Employee Testing Act of 1991, and all regulations and rules promulgated pursuant thereto.

The Drug and Substance Use and Abuse Policy (#4009) outlines the expectations that all PCSD schools have been established as drug-free workplaces. This includes school buildings, school grounds, school utilized vehicles, and places in which school activities are held.

As a condition of employment, employees will abide by PCSD drug-free workplace policies and notify the Superintendent or designee of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction. Disciplinary sanctions, up to and including termination of employment and referral for prosecution, will be imposed upon employees who violate the standards of conduct outlined in the policy.

My signature below acknowledges receipt of the PCSD Drug and Substance Use and Abuse Policy and I understand that it is my responsibility to read and comply with the policy. IF I do not understand the policy or information contained in the policy, it is my responsibility to ask my Supervisor, the Early Childhood/Head Start Director, the Human Resources Manager, or the Superintendent for clarification.

## Smoking Prohibition Notice to Employees

PCSD Smoking Prohibition Policy (#4010), in accordance with the Nebraska Clean Indoor Air Act, states smoking shall be prohibited on all PCSD property. There shall be no designated smoking areas in or around any of the PCSD school buildings, for employees, students, visitors to the schools, and/or the general public. This policy shall apply at all times whether school is in session or not.

### Transporting Students in Private Vehicles

The Plattsmouth Community School District (PCSD) which is the grantee for the Cass County Head Start program does not have Employers Non-owned Auto Insurance. PCSD insurance **does not cover** staff transporting children, family members of the children, or community members in a private (staff owned) vehicle.

#### **Please read the statements concerning some reasons why staff cannot transport preschool children in private vehicles:**

- While most vehicles are presumably insured by their owners, there are still liabilities, which PCSD could be responsible for in the case of a serious accident.
- The car owner's personal insurance will not cover any liability that could be attributed to "negligence" on the part of PCSD. For example, if the investigation by the insurance company determines that the accident occurred because the driver was distracted with too many children in the car or because there was a lack of adequate supervision, PCSD might be determined to be "at fault."
- The car owner's personal insurance will not cover the legal fees of PCSD/Cass County Head Start if they were to be named as a co-defendant in a lawsuit.
- If PCSD/Cass County Head Start is determined to be the employer of the driver/owner, they would be held liable for costs not covered by the car owner's personal insurance. Most automobile accident injuries are attributable to the driver's negligence.

I have read and understand that all Plattsmouth Early Childhood Program/PCSD children, parents, and community members need to be transported in the school district buses or other vehicles and not in a privately owned vehicle. I further that I cannot utilize a cell phone for phone calls or texts while driving a school district vehicle. Failure to comply will be viewed as revocation of the ability to drive school district owned vehicles.

## SERVICES, LLC

### Independent Contractor Agreement/Service Agreement

This Agreement (“Agreement”) is entered into as of the 2nd day of April, 2025, by Bloom to Grow Services, LLC subcontracting Darien Myers-Krommenhoek, hereinafter referred to as “the VENDOR” and Plattsmouth Community School District, hereinafter referred to as “the BOARD”.

The Board and the Vendor agree to the terms and conditions set forth below and in accompanying Exhibits, attached incorporated herein.

The Vendor and the Board Agree:

1. Scope of Services:
  - a. The Vendor will provide the Board with speech and language therapy services rendered by qualified, state licensed, and ASHA certified speech-language pathologist.
  - b. The scope of services shall include direct or indirect therapy services as indicated on each student’s Individual Education Program (IEP). This encompasses planning, therapy, assessments, report and IEP writing, participation in IEP reviews and parent conferences, related travel, consultations with classroom teachers and other staff members, management of required documentation, and attendance.
  - c. The Vendor’s caseload size to not exceed more than 60 students at Plattsmouth Community School District.
  - d. The Vendor shall primarily provide direct therapy services on the premises of Plattsmouth Community Schools. Indirect services including but not limited to planning, report and IEP writing, and other required documentation may occur at Plattsmouth Community Schools or at the Vendor’s personal residence.
  - e. The Board shall provide all necessary materials and assessments to perform services as deemed necessary by the Vendor and Plattsmouth Community School District. Necessary materials include but are not limited to access to printing and copying, use of a computer, and standardized assessment materials.
  - f. The Board shall provide a workspace for the Vendor to complete direct therapy services, evaluations, and required documentation.
  
2. Term and Termination:
  - a. The term of this Agreement shall commence on June 2nd, 2025, and end on May 22nd, 2026, covering the 2025-2026 academic year and 2025 summer services, unless terminated earlier in accordance with the terms and conditions set forth herein.
  - b. Termination without Cause: Either party has the right to terminate the Agreement without cause by giving 30 days written notice.
  - c. Termination with Cause: Either party reserves the right to terminate this Agreement immediately if the other party fails to comply with any terms or conditions of this Agreement and such failure continues for 30 days following receipt of written notice.
  
3. Compensation:
  - a. To provide Speech-Language Therapy Services to the Board until the 22nd day of May, 2026.
  - b. The rate established by mutual agreement, shall be per fully qualified, licensed, and certified speech language pathologist at the Nebraska Department of Education approved service agency rates for speech

language pathology services for the 2025-2026 school year for a minimum of 1,200 hours and to not exceed more than 1,400 hours at the end of contract.

- c. The Vendor will provide a monthly statement based on the rate set by the Nebraska Department of Education for speech language pathology services for the 2025-2026 school year within 5 days following the 1st of each month. The invoice will contain descriptions and dates of services.
  - d. The Board will provide payment to the Vendor within 30 days of receipt of a submitted invoice.
4. Independent Contractor
- a. Both parties agree that the terms of the Agreement do not constitute a formation of a partnership, joint venue, employer-employee, or other relationship and no form of agency exists between the parties.
  - b. Board agrees to submit W-9 form with Vendor submitting a completed W-9 form and Request for Taxpayer Identification Number and Certification with social security number/federal identification number.
5. Insurance/License:
- a. The Vendor agrees to maintain professional liability and malpractice insurance with the following minimum limits of liability: \$1,000,000. Per occurrence and \$5,000,000 in the aggregate and provide the Board with proof of insurance upon request.
  - b. The Vendor is licensed by the State of Iowa and Nebraska as well as an approved provider with the Nebraska Department of Education in the performances of the services provided herein and agrees to provide proof upon request.
6. General
- a. This agreement shall be governed by the State of Nebraska and governing regulatory rules, all which are incorporated herein.

IN WITNESS THEREOF, the parties hereto have caused this Agreement to be executed and do each represent that their respective signatory whose signature appears below is fully authorized to execute this Agreement.

## MASTER SERVICES AGREEMENT

This Master Services Agreement (“MSA”) is entered into as of the date of the latter signature set forth on the signature page attached hereto (“Effective Date”), by and between PresenceLearning, Inc., a Delaware corporation with a place of business located at 530 Seventh Ave, Suite M1, New York, NY 10018 (“Presence”), and the undersigned customer (“Customer”). Each of Presence and Customer may individually be referred to as a “Party” and collectively referred to as the “Parties”.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Presence and Customer, hereby agree as follows:

**1. Structure of the Agreement.** This MSA shall apply each time Customer engages with Presence for the provision of services and/or products, including, if applicable, the assessments set forth on <https://presence.com/school-and-district-customer-assessments/> (collectively, “Services”). The Services shall be described in one or more schedules (each, a “Schedule”), service orders (each, a “Service Order”), and/or exhibits (each, an “Exhibit”), each of which shall reference this MSA and, with respect to each Service Order, shall be executed by the Parties. Each Schedule, Service Order, and Exhibit entered into or delivered hereunder (each an “Incorporated Document”, and collectively, “Incorporated Documents”) may provide additional terms and conditions related to the Services. This MSA and the Incorporated Documents are collectively referred to herein as the “Agreement”. In the event of a conflict between the terms of this MSA and the terms of any Incorporated Document, the terms of the MSA shall control; provided, however, that the Parties may in any Incorporated Document specifically (i.e., with reference to the MSA) agree to: (a) exclude or except an otherwise controlling provision of this MSA; (b) adopt a clause or provision to apply in lieu of an otherwise controlling provision of this MSA; or (c) reference a governing external code, document, or standard that will apply in lieu of any otherwise controlling provision of this MSA (or any Incorporated Document).

**2. Fee and Payment Terms.** Customer shall pay all fees (collectively, “Fees”) specified in the Schedule or Service Order for the Services being purchased. Fees are due and payable thirty (30) calendar days from date of invoice, unless specified otherwise in any applicable Schedule or Service Order. Customer may dispute an invoice no later than twenty (20) calendar days from the date of the invoice. The Parties will work together in good faith to resolve any disputes as soon as possible. Upon resolution, Customer shall remit the amount owed within ten (10) calendar days. Customer is responsible for all taxes, except for taxes on Presence’s income, unless Customer provides a state tax exemption certificate. If Customer does not submit a tax exemption certificate to Presence, Customer will be invoiced for any applicable taxes.

**3. Term; Termination; Effects of Termination.**

3.1. Term. The term of this MSA commences on the Effective Date and continues until terminated by either party pursuant to Section 3.2 (such period, the “Term”). Each Incorporated Document shall have the term specified therein.

3.2. Termination. This MSA or any Incorporated Document may be terminated: (a) by either Party without cause upon ~~sixty (60)~~ <sup>thirty (30)</sup> calendar days prior written notice to the other Party; (b) by Presence upon any failure of Customer to pay when due any Fees (as defined in Section 2); provided, however, that in lieu of terminating the MSA or any Incorporated Document, Presence may, at its sole option, suspend Services, in whole or in part; (c) by either Party with cause upon a non-payment related material breach of the Agreement by the other Party which breach is not cured within fifteen (15) calendar days after the breaching Party receives written notice of the breach from the non-breaching Party; or (d) immediately by Customer upon a payment equal to the product of (x) eight (8) and (y) the Weekly Dedicated Hours (if Weekly Dedicated Hours are included in the Service Order).

3.3. Effects of Termination. Upon the termination of the MSA or the expiration or termination of any Incorporated Document for any reason, (a) all Fees owed to Presence that accrued before such termination or expiration will be immediately due and payable, except for any such amounts being disputed in good faith by Customer in accordance with Section 2 and (b) Customer shall not be entitled to a refund for any annual Fees paid by Customer prior to the date of termination of the MSA or any Incorporated Document.

#### **4. Services and Platform; Platform Specifications.**

4.1. Services and Platform. Presence shall provide Customer with the Services and technical support set forth on each Service Order. All Services shall be delivered via Presence's proprietary web-based application (together with any components, software, or related documentation, the "Platform"). The applicable license granted by Presence to Customer with respect to Platform usage will be as set forth in the applicable Service Order.

4.2. Platform Specifications and Support. As a web-based application, the Platform requires certain equipment for optimal performance, see tech specifications at (<https://www.presence.com/tech-requirements/>). Presence will provide technical support on weekdays between the hours of 8:00AM and 8:00PM (Eastern time). Customer may purchase necessary equipment from Presence pursuant to the terms and conditions set forth on the Equipment Schedule.

#### **4.3. Platform Restrictions.**

4.3.1. Customer shall not for itself or through a third party (and shall ensure that its authorized users and students do not): (i) translate, reverse engineer, decompile, or disassemble the Platform, or by any other method attempt to derive source code to the Platform; (ii) sublicense, rent, lease, loan, assign, transfer, share, or resell the Platform; (iii) make the Platform available to third parties; (iv) create derivative works based on the Platform, or use the Platform for any purpose other than as provided for in this Agreement (including, without limitation, altering any notices of intellectual property or other proprietary rights); or (v) make copies of documentation contained within the Platform.

4.3.2. If Customer breaches the terms of this Agreement or if Customer or any of its authorized users misuse the Platform or violate any laws with respect to the Platform, Presence may suspend or terminate Customer's and its authorized users' and students' access to the Platform and remove any material it deems offensive or in violation of this Section 4.3.2. Neither Customer or its authorized users may:

4.3.2.1. Circumvent any access or use restrictions put into place to prevent certain uses of the Platform or areas of the Platform or attempt to disable, impair, or destroy the Platform by, among other things, uploading, transmitting, storing, or making available any materials that contain any viruses, malicious code, malware, or any components;

4.3.2.2. Engage in behavior that violates any copyright, moral rights, trademark, trade dress, patent, trade secret, unfair competition, right of privacy, right of publicity, or any other proprietary rights of any third party;

4.3.2.3. Upload to the Platform and/or share any material that is unlawful, harmful, threatening, obscene, violent, abusive, tortious, defamatory, libelous, vulgar, lewd, profane, hateful, or otherwise objectionable, as determined in the sole discretion of Presence, or share any of materials that sexualize minors or that is intended to, or could potentially, facilitate inappropriate interactions with minors, or other users;

4.3.2.4. Disrupt, interfere with, or inhibit any other user from using the Platform (such as stalking, intimidation, harassment, or incitement or promotion of violence or self-harm); or

4.3.2.5. Take photos or screenshots of the Platform and/or post on social media or engage in any other behavior that violates the confidentiality of Platform.

#### **5. Parties' Proprietary Rights.**

5.1. Presence Proprietary Rights. Presence owns all right, title, and interest in and to the Platform and retains all rights and title to all proprietary content in the Platform, including therapy playlists and related documents and content, and retains all right, title and interest to any work product or other intellectual property developed and/or created by, or on behalf of, Presence (collectively, "Presence Intellectual Property").

5.2. Other Rights. Customer grants to Presence the limited right to use Customer's name, logo and/or other marks for the sole purpose of listing Customer as a customer in promotional materials. Customer may revoke this grant at any time by notifying Presence in writing.

## **6. Confidentiality.**

6.1. Confidential Information. All information disclosed by one Party (in such capacity, the “Disclosing Party”) to the other Party (in such capacity, the “Receiving Party”) during the Term that is either identified in writing at the time of disclosure as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of the disclosure, whether in oral, written, graphic or electronic form, shall be deemed to be “Confidential Information.”

6.2. Exceptions. Information will not be considered Confidential Information if the information is or was: (i) publicly available through no act or omission of the Receiving Party; (ii) in the Receiving Party’s lawful possession prior to disclosure by the Disclosing Party and not obtained either directly or indirectly from the Disclosing Party; (iii) lawfully disclosed to the Receiving Party by a third party without restriction on disclosure; or (iv) independently developed by the Receiving Party without use of or access to the Disclosing Party’s Confidential Information.

6.3. Nondisclosure. The Parties agree, that during the Term and for a period of one year thereafter (or, as applicable, with respect to Confidential Information that is a trade secret, indefinitely) after its termination, to hold each other’s Confidential Information in confidence and not to disclose such information in any form to any third party without the express written consent of the disclosing party, except to employees, subcontractors, or agents (collectively, “Representatives”) who are under a written non-disclosure agreement protecting the applicable Confidential Information in a manner no less restrictive than this Agreement. Each Party shall remain responsible for any breaches of this Section 6.3 by any of such Parties’ Representatives.

## **7. Clinician Conversion; Conversion Fee.**

7.1. Clinician Conversion. During the Term of this Agreement, Customer may not, directly or indirectly, solicit, induce, hire, or attempt to induce or hire any Presence clinician except in accordance with the terms set forth in this Section 7.

7.2. Conversion Fee. During any Service Order Term, and for a period of twelve months thereafter, Customer shall notify Presence of its intent to offer employment to any clinician not less than ten (10) calendar days prior to offering such employment (any clinician that accepts such offer of employment, a “Converted Clinician”). Upon the date a Converted Clinician commences employment with Customer (the “Conversion Effective Date”): (i) the Converted Clinician shall be allowed to continue to utilize the Platform (in the same manner and with the same functionality as the Converted Clinician utilized the Platform prior to the Conversion Effective Date) through the earlier of the expiration of the then-current school year or the Service Order Term pursuant to which the Converted Clinician was performing Services hereunder prior to becoming a Converted Clinician and (ii) Customer shall pay Presence a fee of \$20,000.

## **8. Customer Data; State Privacy Laws; FERPA; HIPAA.**

8.1. Customer Data. Customer retains all rights, in and to all data, files, and information, provided by Customer or its authorized users to Presence (“Customer Data”). During the Term, Customer grants to Presence, solely in connection with Presence’s performance of its obligations hereunder, a limited non-exclusive, royalty-free license to modify, display, combine, copy, store, transmit, and otherwise use Customer Data that is uploaded to the Platform.

8.2. State Privacy Laws. Presence is, and at all times has been, in material compliance with all applicable federal and state laws, rules, and regulations relating to privacy, data protection, and the collection and use of Personal Information collected, used, and held for use by Presence.

8.3. FERPA. In connection with the performance of Services, Presence may have access to education records (“FERPA Records”) that are defined in and subject to the Family Educational Rights and Privacy Act, 20 U.S.C. 1232g, et seq. and related regulations (“FERPA”). To the extent that Presence has access to FERPA Records, Presence is deemed a “school official” and may use FERPA Records solely for the specific “legitimate educational purposes” as defined under FERPA. Student records disclosed to Presence by Customer and maintained within Platform are by definition “education records” under FERPA and not “protected health information” under HIPAA. Because student health information in education records is protected by FERPA, the HIPAA Privacy Rule excludes such information from its coverage. See the exception paragraph (2)(i) in the definition of “protected health

information” in the HIPAA Privacy Rule at 45 CFR § 160.103. See, also, Joint Guidance on the Application of the Family Educational Rights and Privacy Act (FERPA) and the Health Insurance Portability and Accountability Act of 1996 (HIPAA) to Student Health Records. Presence’s FERPA policy may be accessed at <https://www.presence.com/about/ferpa/>.

8.4. **HIPAA.** In connection with the performance of Services, Presence may have access to certain “protected health information” under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”). Presence hereby represents that the Presence Platform complies with all applicable HIPAA regulations.

## 9. **Indemnification.**

9.1. **Indemnification by Customer.** Unless prohibited by law or school district regulations, Customer shall indemnify and hold Presence harmless against any and all claims, demands, damages, liabilities and costs (including reasonable attorney’s fees) incurred by Presence or its Representatives arising, directly or indirectly, from any breach of this Agreement, the negligent act or omission or willful misconduct of Customer, its agents, or employees, pertaining to its activities and obligations under this Agreement, or Customer’s or its authorized users’ illegal behavior or conduct (collectively, “Presence Indemnifiable Claims”), including reasonable costs incurred in connection with preparing to defend against any Presence Indemnifiable Claims.

9.2. **Indemnification by Presence.** Presence shall indemnify and hold Customer and its Representatives, harmless against any and all claims, demands, damages, liabilities and costs (including reasonable attorney’s fees) incurred by Customer arising, directly or indirectly, from any breach of this Agreement, the negligent act or omission or willful misconduct of Presence, its agents, or employees, pertaining to Presence’s activities and obligations under this Agreement (collectively, “Customer Indemnifiable Claims”), including reasonable costs incurred in connection with preparing to defend against any Customer Indemnifiable Claims.

9.3. **Conditions of Indemnification.** The obligations set forth in Sections 9.1 and 9.2 are conditioned upon: (a) prompt written notice by the indemnified party to the indemnifying party of any claim, action or demand for which indemnity is claimed; (b) complete control of the defense and settlement thereof by the indemnifying party, provided that no settlement of an indemnified claim shall be made without the consent of the indemnified party, such consent not to be unreasonably withheld or delayed; and (c) reasonable cooperation by the indemnified party in the defense as the indemnifying party may request. The indemnified party shall have the right to participate in the defense against the indemnified claims with counsel of its choice at its own expense.

## 10. **Limitation of Liability.**

10.1. **DAMAGE DISCLAIMER.** IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, PUNITIVE, OR SPECIAL DAMAGES WHATSOEVER, INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, AND THE LIKE, ARISING OUT OF THIS AGREEMENT, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

10.2. **GENERAL DAMAGE CAP.** IN NO EVENT SHALL PRESENCE BE LIABLE IN THE AGGREGATE FOR ANY DAMAGES OR LOSSES IN EXCESS OF THE GREATER OF THAN THE AMOUNT CUSTOMER PAID FOR SERVICES DURING A THREE-MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE LIABILITY. THESE LIMITATIONS APPLY TO THE MAXIMUM EXTENT PERMITTED BY LAW EVEN IF (A) A REMEDY DOES NOT FULLY COMPENSATE CUSTOMER FOR ANY LOSSES OR (B) PRESENCE KNEW OR SHOULD HAVE KNOWN ABOUT THE POSSIBILITY OF DAMAGES.

11. **Disclaimer of Warranties.** Except as otherwise set forth herein, the Services and Platform are provided “as is” without any warranty and, except as provided herein, Presence expressly disclaims any and all warranties, express, implied, or statutory, including warranties of title, non-infringement, merchantability, and fitness for a particular purpose. Further, Presence disclaims any warranty that the Platform will meet Customer’s requirements or will be constantly available, uninterrupted, timely, secure, or error-free. In addition, Presence disclaims all liability for any actions resulting from Customer’s use of the Platform. Customer understands that Customer’s use and access to the Platform is at Customer’s own discretion and risk. If Customer Authorized Users upload materials to the Platform, Presence is not responsible for any loss, corruption, damage, or deletion of the materials.

## 12. Representations and Warranties.

12.1. Customer. Customer represents and warrants that Customer: (a) has the full right, power, and authority to enter into this Agreement; (b) has assessed the Platform's necessary specifications and functionality and found it suitable for Customer's needs.

12.2. Presence. Presence represents and warrants that Presence: (a) has the full right, power, and authority to enter into this Agreement and (b) has used commercially reasonable efforts to prevent the introduction of, and to the knowledge of Presence, the Platform does not contain any, software viruses, time or logic bombs, trojan horses, worms, timers or clocks, trap doors or other malicious computer instructions, devices, or techniques.

## 13. Miscellaneous.

13.1. Compliance with Laws. Each Party shall comply with all laws, rules and regulations, if any, applicable to it in connection with the performance of its obligations under the Agreement.

13.2. Competitors. Customer agrees, and will ensure its Authorized Users' comply, to not share or make available the Platform or Presence Property to a competitor of Presence.

13.3. Survival. Sections 2, 4.3, 5.1, 9 – 11, and 13 will survive expiration or termination of this Agreement.

13.4. Amendments and Modifications. Any amendment and modifications to this Agreement must be in writing, reference the Agreement, and be executed by both Parties.

13.5. Third Party Beneficiaries. This Agreement is not intended to benefit, nor shall it be deemed to give rise to, any rights to any third party.

13.6. Assignment. Customer shall not assign or otherwise transfer its rights or delegate its obligations under the Agreement, in whole or in part, without the prior written consent of Presence and any attempt to do so will be null and void. Presence may assign or transfer its rights to an affiliate or to a third party due to a merger, consolidation, change of control, sale of all or substantially all of its securities or assets, contract, management agreement, or otherwise.

13.7. Force Majeure. Neither Party shall be liable for failing or delaying the performance of its obligations (except for the payment owed for services rendered) resulting from any condition beyond its reasonable control, including but not limited to, governmental action, acts of terrorism, earthquake, fire, flood, epidemics, pandemics, or other acts of God, labor conditions, power failure, and Internet disturbances. Presence will not be responsible for receiving data, queries, or requests directly from Customer's Authorized Users, student users, or any other third party, or for the transmission of data between Customer's authorized users or student users and the Platform.

13.8. No Waiver. The failure to require performance of any provision of this Agreement shall not affect a Party's right to require performance at any time thereafter; nor shall any waiver of a breach of any provision constitute a waiver of the provision itself.

13.9. Notices. All notices relating to this Agreement must be in writing, sent by postage prepaid first-class mail, courier service, or via email: To Presence send to: PresenceLearning, Inc., 530 Seventh Ave, Suite M1, New York, NY 10018, Attn: Legal Department or via email at legal@presence.com. To Customer: Notices will be sent to the physical or email address provided to Presence, or by other legally acceptable means.

13.10. Independent Contractors. The Parties are and shall remain independent contractors and nothing in this Agreement shall be deemed to create any agency, partnership, or joint venture relationship between the Parties. Neither Party shall be deemed to be an employee or legal representative of the other nor shall either Party have any right or authority to create any obligation on behalf of the other Party.

13.11. Arbitration. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association ("AAA") in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court

having jurisdiction thereof. The arbitration proceedings shall be confidential and conducted in the English language before a single neutral arbitrator to be selected by AAA. The place of arbitration shall be mutually agreed upon by the Parties.

13.12. Entire Agreement. This Agreement, including any Incorporated Documents, constitutes the entire agreement between the Parties with respect to the subject matter and supersedes all other prior agreements and understandings, both written and oral, between the Parties.

13.13. Governing Law. This Agreement and all disputes or controversies arising out of or relating to this Agreement are governed by the law of the state the Customer is located.

13.14. Counterparts; Electronic Signatures. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which together shall constitute one and the same instrument and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Party. A facsimile, PDF, or other electronic signature of this Agreement shall be valid and have the same force and effect as a manually signed original.

**IN WITNESS WHEREOF**, the parties have executed this Agreement as of the Effective Date.

### EQUIPMENT PURCHASE SCHEDULE

This Equipment Purchase Schedule (the “Equipment Purchase Schedule”) is incorporated and made part of the Master Services Agreement (the “MSA”) between Presence and Customer and lists the terms and conditions upon which Customer may purchase hardware, Test Kits, OT Kits and materials (collectively “Equipment”) from Presence. Unless otherwise defined herein, capitalized terms shall have the definition set forth in the Agreement.

**1. Hardware Available for Purchase.** Customer may, at Customer’s option, purchase the hardware set forth below at the purchase prices set forth opposite each hardware type (note that the listed prices do not include any applicable tax or shipping costs):

Equipment Type	Price per unit
Standard webcam with tripod	\$49.00
ANDREA Over Ear USB headset	\$29.00
ANDREA 455 Stereo headset	\$25.00
ANDREA Y-100B Splitter	\$5.00
ANDREA USB Sound Card Adapter	\$14.00
Document Camera	\$100.00

Customer is not restricted from purchasing hardware from any other vendor or any third-party. A list of the recommended hardware providers and specifications is provided at <https://presence.com/tech-requirements/>.

**2. WISC-V and WAIS-IV Kits.**

2.1 Purchase of WISC-V Kits and/or WAIS -IV Kits. If Customer has access to WISC-V and/or WAIS-IV assessments, Customer may purchase WISC-V and/or WAIS-IV test kits (each, a “Test Kit”) from Presence. Test Kits are not included in the price of the assessments. Each Test Kit comes with one (1) set of Block Design Blocks and one (1) Block Design Stimulus Book for use in connection with the WISC-V and/or WAIS-IV assessments. Prices of the Test Kits will be reflected in the Service Order entered into at the time the Test Kits are to be purchased.

WISC-V / WAIS -IV	Price per unit
<b>Block Design only</b> Stimulus Book	\$11.00
Block Design Blocks	\$46.00

2.2 Tracking and Return of Kits. Customer understands and acknowledges that the Test Kits are considered trade secrets by their respective publishers and will make commercially reasonable efforts to retrieve the Test Kit from each student who received one. After a Test Kit has been used by a student, Customer must arrange for the return of the Test Kit directly to Customer. On a quarterly basis, Customer will acknowledge and confirm to Presence that the Test Kits are in Customer’s possession (in a mutually agreed upon manner). At no time will a Test Kit remain in the possession of a Customer’s student once it has been used.

**3. OT Kits.** Customer may purchase Occupational Therapy Kits (each, an “OT Kit”) for a fee of \$85.00 per OT Kit. Each OT Kit includes materials that may be utilized in occupational therapy sessions.

**4. Delivery and Delivery Address; FOB; Delivery Dates; Receipt and Acceptance.**

4.1 Delivery and Delivery Address. Presence will ship Equipment to the addresses provided by Customer. Customer is solely responsible for providing the correct shipping address for each addressee that is to receive the Equipment. If Customer provides an incorrect address, then Customer will purchase replacement Equipment that will be delivered to the correct address. If Equipment is misdelivered due to Presence’s error, Presence will promptly ship replacement Equipment to the correct address at no cost to Customer.

4.2 FOB. Presence shall ship and deliver the Equipment FOB destination, and the title to and risk of loss of the Equipment will pass to Customer upon delivery.

4.3 **Delivery Dates.** All delivery dates are approximate. Presence shall not be liable for any losses, damage, penalties or expenses for failure to meet any expected delivery date.

4.4 **Receipt and Acceptance.** Equipment is deemed received and accepted upon delivery to the address provided by Customer.

**5. Inspection of Goods.** Customer has the right to examine the Equipment upon receipt and has 3 days in which to notify Presence of any claim for damages based on the condition of the Equipment. Such notice must specify in detail the particulars of the claim. Failure to provide such notice within the requisite time period constitutes irrevocable acceptance of the equipment. Defective Equipment must be returned to Presence in accordance with accepted trade practices.

**6. Fees; Payment.** Customer agrees to pay for the Equipment according to the terms set forth in the applicable Service Order. Customer is responsible for all taxes and shipping, which fees may vary based on shipment destination.

**7. Disclaimer of Warranty.** Presence is not the manufacturer of the Equipment, and the Equipment is being sold "as is," and Presence disclaims all warranties of quality, whether express or implied, including the warranties of merchantability and fitness for a particular purpose.

**8. Delay or Failure to Perform.** Presence will not be liable to Customer for any delay, non-delivery or default due to labor disputes, transportation shortage, Acts of God, or any other causes outside of Presence's control. Presence shall notify Customer immediately upon realization that it will not be able to deliver the Equipment as promised.

## CLINICAL SERVICE SCHEDULE

This Clinical Service Schedule (“Clinical Service Schedule”) is incorporated and made part of the Master Services Agreement (“MSA”) between Presence and Customer and lists the terms and conditions for Clinical Services. Capitalized terms not defined in this Clinical Service Schedule shall have the meaning set forth in the MSA. In the event of a conflict between this Clinical Service Schedule and the MSA, unless specifically referenced herein, the MSA shall govern.

**1. Clinical Services.** This Clinical Service Schedule lists the services Customer may purchase, referenced by discipline type, which services may be purchased on an annual, weekly dedicated, or hourly basis (other fees may apply), and include direct clinical therapy, indirect clinical services, collaboration of IEP development, and attendance to meetings via the Platform (collectively, “Clinical Services”).

**2. Platform Access and Use.** The Clinical Services are provided and delivered through the Platform. The Platform enables engagement between Authorized Users, Customer’s support staff and administrators overseeing the Services (collectively, “Staff”), and Presence’s clinical providers (each, a “Clinician”, and, collectively, “Clinicians”). During the Service Order Term, Presence grants Customer, its Authorized Users, and Staff a limited, non-exclusive, revocable, non-sublicensable, non-transferable, royalty-free, right and license to use and display the Platform.

**3. Fees and Payment Terms.** Customer shall pay all Fees as specified in the applicable Service Order. Fees for Clinical Services include the use of Platform for Customer’s student users and staff (collectively, “Authorized Users”).

3.1. Annual Flat Fee. The Service Order may provide for the payment of all, or a portion of, the Fees set forth in the applicable Service Order upon execution of the Agreement, if so, all such Fees shall be non-refundable.

3.2. Weekly Dedicated Hours.

3.2.1. Dedicated Services Period; Available Clinicians. The Service Order may provide for a specified number of hours per week (collectively, “Weekly Dedicated Hours”) of dedicated Clinical Services (collectively, “Weekly Dedicated Services”) for a specified number of weeks (the “Dedicated Services Period”). During the Dedicated Services Period, Customer will be charged for the Weekly Dedicated Hours for Clinicians qualified to provide the applicable Clinical Services within the Customer’s state (each, an “Available Clinician”). Customer may reduce the number of weekly dedicated hours upon sixty (60) days’ notice to Presence.

3.2.2. Additional Verifications and Credentialing. If Customer requires an Available Clinician to obtain any additional verifications or credentials (such as district fingerprinting or Board of Education certifications), (i) Customer must inform Presence and provide all necessary information or instructions with respect to such additional verifications or certifications to Presence in a timely manner, (ii) all such additional verifications and credentialing will be completed using Weekly Dedicated Hours, and (iii) any additional fees and expenses attributable to obtaining any requested additional verifications and credentialing shall be at Customer’s sole cost and expense.

3.2.3. Initial Assessments. Weekly Dedicated Services shall include initial assessments for the applicable Weekly Dedicated Services and all such initial assessments shall be conducted within the Weekly Dedicated Hours.

3.2.4. Speech-Language Pathology Therapy Specializations. Speech-language pathology Weekly Dedicated Services shall include Services for students requiring Augmentative Alternative Communication (AAC), American Sign Language (ASL), Deaf and Hard of Hearing (DHH), and Visually Impaired (VI) assistance.

3.2.5. Additional Services. Services provided in addition to, or in excess of, any Weekly Dedicated Hours shall be invoiced at the applicable hourly rate(s) set forth in the Service Order. Any assessments

conducted outside of Weekly Dedicated Hours shall be invoiced on a per component basis at the applicable rates set forth in the Service Order.

3.3. Flexible Hours.

- 3.3.1. Flexible Hourly Services. The Service Order may provide for flexible hourly services (“Flexible Hourly Services”) for a particular Service, the applicable Fees for which shall be based on a per hour, per Clinician basis.
- 3.3.2. Additional Verifications and Credentialing. If Customer requires any Clinician providing Flexible Hourly Services to obtain any additional verifications or credentials (such as district fingerprinting or Board of Education certifications), (i) Customer must inform Presence and provide all necessary information or instructions with respect to such additional verifications or certifications to Presence in a timely manner, (ii) all such additional verifications and credentialing will be completed at the applicable hourly rate, and (iii) any additional fees and expenses attributable to obtaining any requested additional verifications and credentialing shall be at Customer’s sole cost and expense.
- 3.3.3. Clinician Availability. Presence will use commercially reasonable efforts to provide the Flexible Hourly Services throughout the Service Order Term.
- 3.3.4. Unplanned Student Absences. If Customer cancels a session with less than 24 hours advance notice, a session does not occur due to a student absence, or if a student fails to attend a session (each such instance, an “Unplanned Student Absence”), Customer agrees to pay Presence (i) if the Unplanned Student Absence is from a therapy session, the applicable rate for the duration of such therapy session or (ii) if the Unplanned Student Absence is from an assessment, the applicable fee shall be invoiced at the applicable rate set forth in the Service Order.

3.4. Assessments. If applicable, the Service Order may specify that Presence will provide assessments (e.g., behavioral mental health, occupational therapy, Psychoeducational, speech-language pathology, etc.). The applicable rates for assessments will be set forth in the Service Order.

3.5. Assessment Commitment. Except with respect to Psychoeducational Assessments, the Service Order may specify a minimum assessment fee (the “Assessment Commitment Fee”) for (i) behavioral and mental health assessments (each, a “BMH Assessment” and, collectively, “BMH Assessments”), (ii) occupational assessments (each, an “OT Assessment” and, collectively, “OT Assessments”), and/or (iii) speech-language pathology assessments (each, an “SLP Assessment” and, collectively, “SLP Assessments”) for the Service Order Term. Screenings, review of records, and evaluations may count towards the Assessment Commitment. At the end of the Service Order Term, Presence will reconcile the Assessment Commitment Fee with the actual fees billed for the applicable BMH Assessments, OT Assessments, and/or SLP Assessments, and Customer will be invoiced for the difference between the Assessment Commitment Fee and the actual assessment fees billed. After the Customer has met the Assessment Commitment Fee, additional Assessments shall continue to be invoiced at the applicable rates set forth in the Service Order, without the need for a new Service Order.

3.6. Psychoeducational Assessment Commitment. The Service Order may specify a minimum fee (the “Psychoeducational Assessment Commitment Fee”) for psychoeducational assessments (each, a “Psychoeducational Assessment” and, collectively, “Psychoeducational Assessments”) for the Service Order Term. At the end of the Service Order Term, Presence will reconcile the Psychoeducational Assessment Commitment Fee with actual Psychoeducational Assessment fees billed, and Customer will be invoiced for the difference between the Psychoeducational Assessment Commitment Fee and the actual Psychoeducational Assessment fees billed. After the Customer has met the Psychoeducational Assessment Commitment Fee, additional Psychoeducational Assessments shall continue to be invoiced at the applicable rates set forth in the Service Order, without the need for a new Service Order.

3.7. Program Implementation Fee. At the beginning of the Service Order Term, Presence will invoice Customer for a non-refundable Program Implementation Fee for technology onboarding, Clinician onboarding, training onsite support, developing procedures, and gathering data to create service handbooks. Customer will be invoiced for a Program Implementation Fee for each additional clinical discipline of Services

purchased during the Service Order Term.

- 3.8. Service Coordination Fee. Beginning in the first month in which Services are provided, each monthly invoice will include a non-refundable Service Coordination Fee for ongoing scheduling and referral management, support for school personnel, and district-level communication to Clinicians.

**4. Background Checks; Primary Support Person; Supporting Documentation.**

- 4.1. Background Checks. Presence conducts yearly background checks, which include criminal background checks and U.S. Registered Sex Offender registry checks on all its Clinicians. Clinicians providing Clinical Services in the State of California will undergo an additional California Department of Justice fingerprint background check and Clinicians providing Clinical Services in the State of Texas will obtain an additional Texas Department of Public Safety background clearance. Any additional background checks or clearances will be conducted at Customer's sole expense.
- 4.2. Primary Support Person. Customer agrees to provide an adult primary support person (a "PSP") wherever the services are being delivered. The duties and responsibilities of the PSP can be found at <https://presence.com/welcome-primary-support-person/>.
- 4.3. Supporting Documentation. Customer agrees to provide all pertinent school records in a timely manner to enable Presence to begin providing Clinical Services.

## PLATFORM LICENSE SCHEDULE

This Platform License Schedule (“Platform License Schedule”) is incorporated and made part of the Master Services Agreement (“MSA”) between Presence and Customer and lists the terms and conditions for the Platform License. Capitalized terms not defined in this Platform License Schedule shall have the meaning set forth in the MSA. In the event of a conflict between this Platform License Schedule and the MSA, unless specifically referenced herein, the MSA shall govern.

**1. Definitions.** With respect to all Services provided pursuant to this Platform License Schedule, the following terms shall have the meanings set forth below:

“Authorized Users” or “Authorized User” means Customer’s teachers or staff who are recruited, managed, and employed or contracted by Customer, and for whom a license is purchased.

“Improvement” means any invention, modification, addition, derivative work, enhancement, revision, translation, abridgment or expansion to or arising from a work, or any other form in which a work or any part thereof, may be recast, transformed, or adapted.

“Personal Information” and/or “PI” means information that can identify a specific individual.

“Student Data” means any PI belonging to a Student User.

“Student User” or “Student Users” means the Customer’s students currently enrolled at Customer’s organization.

“Telehealth Institute” means proprietary self-guided training modules.

“Therapy Room” means a clinician-specific, web-based, private online room on the platform only accessible by specific link controlled by the clinician to whom a virtual therapy room is assigned.

### **2. License.**

2.1 License Grant. During the Service Order Term (as such term is defined in the Service Order), Presence grants to Customer a limited, non-exclusive, revocable, non-sublicensable, royalty-free, license for each Authorized User to use and display the Platform (the “License”).

2.2 Business Use. Customer agrees that it will inform and instruct its Authorized Users that the Platform and Presence Intellectual Property are solely and exclusively to be used for the benefit of the Customer and Customer’s Student Users (“Business Use”). Authorized Users may not use the Platform or any Presence Intellectual Property for personal or independent business purposes. The use of the Platform and/or Presence Intellectual Property for any purpose other than Business Use will constitute cause for immediate termination of this Platform License.

2.3 Disclosure of Improvements and Developments. Unless otherwise provided herein, Presence will have no obligation to disclose to Customer any Platform Improvements.

2.4 Acknowledgements. Customer acknowledges and agrees that Presence is in the business of commercially licensing the Platform and providing services relating to the Platform to third parties and that the Platform may contain errors. PRESENCE SHALL NOT HAVE ANY DUTIES OR RESPONSIBILITIES OTHER THAN THOSE SPECIFICALLY SET FORTH IN THE INCORPORATED DOCUMENTS AND NO IMPLIED OBLIGATIONS SHALL BE READ INTO THE INCORPORATED DOCUMENTS.

**3. Platform Fees.** The Annual Fee for use of the License shall be set forth in the Service Order and is non-refundable and payable within thirty (30) days of the signing of the Platform License Schedule.

## ► Statement of Work

---

### Installation Materials

**Notice:** Due to pervasive supply chain disruptions across the industry, we anticipate potential delays in material deliveries which might influence project timelines. At Prime Secured, we're diligently collaborating with manufacturers and distributors to expedite the delivery process wherever feasible. To further assist, we may reach out with suggestions for alternative materials that align with your project needs. We deeply appreciate your understanding and patience during these unprecedented times.

### Project Preparation

**Notice:** All preparatory work that falls within the purview of the client and directly affects the parameters outlined within this scope of work should be concluded prior to the arrival of Prime personnel on-site. In the event that any aspect of the client's responsibilities, which are integral to the commencement or seamless execution of Prime's tasks, remains outstanding, thereby impeding the execution of our work, a supplementary re-mobilization fee of \$500, alongside applicable mileage and drive time charges, shall be levied in conjunction with the overall project cost.

### Scope of Project

The following work will be performed by Prime:

- Remove old APs and replace with new.
- Inventory and label new APs
- Migrate wireless configuration to new APs. Add to Aruba Central for monitoring and management.
- Train IT staff on Aruba Central

#### Acceptance and Incorporation by Reference

This Order together with the Master Services Agreement and Service Attachments and other terms and conditions identified on Exhibit A, all of which are incorporated herein by reference (collectively, the "Agreement") is between Prime Secured (sometimes referred to as "we," "us," "our," or "Provider"), and the customer found on the signature block at the end of this Order (sometimes referred to as "you," "your," or "Client"). This Agreement is effective as of the date both parties have signed below (the "Effective Date."). Both Provider and Client are sometimes referred to individually as a "Party", or together as the "Parties". Any capitalized terms in this Order not directly defined are referred to in the applicable document identified on Exhibit A of this Order. If there is a conflict between this Order, the Master Services Agreement, any Service Attachment, or Exhibit, this Order will control.

By signing below, Client acknowledges, represents, and warrants that it has read and agrees to the terms and conditions identified on Exhibit A to this Order which are incorporated as if fully set forth herein.

The parties hereby agree that electronic signatures to this Order shall be relied upon and will bind them to the obligations stated herein. Each party hereby warrants and represents that it has the express authority to execute this Agreement(s). This Order supersedes all prior negotiations, proposals, orders, agreements and communications between the parties regarding Provider's Services.

Provider may make changes to the Agreement at any time. If there are changes, Provider will revise the date at the top of the document. Provider may or may not provide Client with additional notice regarding such changes. Client should review the terms and conditions regularly. Unless otherwise noted, the amended terms and conditions will be effective immediately, and your continued use of the Services thereafter constitute your acceptance of the changes. If you do not agree to the amended terms and conditions, you must stop using the Services immediately. Please note, you may incur a termination fee or other third-party fees, if applicable. You may access the current version of the terms and conditions at any time by visiting <https://primesecured.com/legal>.
