## **2018 HEARING OF PUBLIC**

All regular, special and emergency meetings of the Duncan Board of Education shall be open to the public. The Board wishes to hear the viewpoints of citizens and considers responsible presentation of these viewpoints vital to the efficient operation of the school system. The Board also recognizes its responsibility for the proper governance of the schools and the need to conduct its business in an orderly and efficient manner. The Board, therefore, establishes the following procedures to receive input from citizens:

1. In order for the Board to fulfill its responsibility to conduct its business in an orderly and efficient manner, unless otherwise enlarged by a majority vote of the Board public comments under Hearing of the Public of thirty (30) minutes will generally be permitted. Any citizen wishing to address the board must communicate such desire to the Clerk of the Board prior to the commencement of the meeting. Without an agenda item, no discussion between the board and the citizen can occur under Hearing of the Public.
2. Any citizen desiring to include an item on an agenda shall communicate such to the office of the superintendent in writing. Such writing shall state the nature of the matter to be discussed, the name of the citizen and/or group making the request. For placement on an agenda under Hearing of the Public, such writing must be received by the office of the superintendent at least five (5) full working days prior to any meeting which, with respect to any regularly scheduled meeting, shall require receipt on or before 4:00 o'clock p.m. on the Friday one week preceding such meeting.
3. Public comments are generally limited to five (5) minutes and where several people wish to address the same subject a spokesperson must be selected. It will be the decision of the board president if additional citizens are allowed to address the same subject. No official board action can be taken under Hearing of the Public. Speakers will be recognized in order in which they have signed in with the Clerk. Those persons who have not signed in will be permitted to address an item if there is time remaining during the approximate thirty (30) minute period of Hearing of the Public.
4. During the Hearing of the Public period no citizen will be recognized twice. Each citizen who addresses the Board shall give his or her name, and identify his or her topic of discussion.
5. The President of the Board shall be responsible for recognizing speakers, maintaining proper order, and adhering to time limits.
6. The purpose of Hearing of the Public is to allow citizens to present to the Board suggestions concerning items on the agenda. Consistent with this purpose, public participation should not be used for personal attacks upon Board members, district employees, individual students or other persons in attendance or absent unless it is specifically related to an agenda item. The President of the Board will interrupt and terminate any presentation that is not in accordance with this restriction. The Board may, in its discretion, also place other restrictions upon Hearing of the Public when such restrictions are necessary or appropriate to protect the privacy rights of the affected individual(s).

## **2019 CODE OF ETHICS FOR SCHOOL BOARD MEMBERS**

As a member of the School Board:

I will listen.

I will recognize the integrity of my predecessors and associates and the merit of their work.

I will be motivated only by a desire to serve the children of my community.

I will recognize the fact that it is my responsibility, together with that of my fellow Board members, to see that the schools are properly run not to run them myself.

DUNCAN BOARD OF EDUCATION		3039
<b>SANCTIONING OF PARENT ORGANIZATIONS AND BOOSTER CLUBS</b>		
ADOPTION DATE: 06/28/2005	REVISION DATE(S): 12/14/2010, 04/14/2015, 07/09/2020, 04/14/2026	PAGE 1 OF 3

The Board of Education of the Duncan School District believes that student achievement programs (curricular, co-curricular and extracurricular) and parent-teacher associations and organizations can advance the education goals of the Board of Education and confer a benefit to the students of the District. It is the purpose of this policy to establish guidelines for the sanctioning of student achievement programs and parent-teacher associations and organizations that raise money and collect revenues for the benefit of students. Only those student achievement programs and parent-teacher associations and organizations sanctioned in accordance with this policy will be exempt from statutory controls over school activity funds found in Oklahoma School Code, OKLA. STAT, tit. 70. § 5-129.

Booster clubs and parent organizations are encouraged to promote a positive relationship between the school and the community. The primary purpose of these organizations is to assist and support the school in recognizing and promoting students' activities. The administrator is responsible for maintaining close communication with such organizations to ensure the organizations' goals are in compliance with district policies. ~~After receiving the superintendent's recommendation,~~ ~~†~~ The following criteria will be used in determining if an organization (sanctioned) by the board of education as a viable club or parent organization.

1. Any organization requesting sanctioning by the Board of Education shall complete an "Application for Sanctioning" on an annual basis. The organization must be managed or operated by adults, rather than students, and will present its by-laws and/or constitution to the board of education. These will clearly identify the organization as a parent organization or booster club separate from school-district student organizations. The application shall include the following: (1) a statement of its purpose and goals; (2) officers and their duties; (3) organizational structure and membership requirements; (4) a detailed statement of how the District and its students will benefit if the organization is sanctioned; (5) a statement of nondiscrimination consistent with Oklahoma and federal laws; (6) an attached statement of financial activity for the most recent completed year, **including any and all annual tax forms required by law**, or if this is the organization's initial year of existence, a budget for the upcoming academic year; and (7) a copy of the organization's current bylaws. This application must be submitted to the Superintendent's office by the 1<sup>st</sup> day of June preceding the applicable sanctioning year. Late applications may be rejected.
2. The organization must include one representative from the school faculty as a sponsor.

3. No fund raising activities will be conducted within the school by the organization during school hours and students will not participate during regular class periods.
4. The organization may not use school materials in advertising its activities. Use of school property by the organization for its activities will meet all regulations established by the board.
5. All funds raised by the organization will be used to achieve the stated purposes and goals of the organization. No administrative fees or stipends to officers or others will be permitted.
6. The organization must maintain their own bank financials. The organization will provide to the board of education, annually or upon request, a complete set of financial records or detailed treasurer's report.
7. The Board of Education will withhold sanctioning to any organization that does not comply with District record requests or the organization is subject to an investigation. As part of the investigation the organization can be put on a 1-year suspension.
8. Any plan, project, or movement instituted to expand, modernize, renovate, or render maintenance to school controlled and/or owned properties, or provide academic achievement awards and other education recognition to students or student bodies will be presented to the board of education in official session for its consideration, comment, evaluation, approval, and sponsorship. This must be done before any public announcement is made.
9. In no manner will board sanctioning of an organization preclude the organization from compliance with state and federal laws as they pertain to equal opportunity and treatment of all students. Gifts or services provided to the school should benefit both boys' and girls' activities.
10. The board of education reserves the right to revoke the sanctioning of any organization if it is found that the organization's operations and purpose are not consistent with the policies and procedures adopted by the board of education.
11. No organization shall be sanctioned that has as its principal focus or identity anything of a sexual or potentially violent nature or issue. Provided, however, the prohibition regarding a potentially violent nature or issue shall not be applicable to organizations promoting or supporting athletics or any other school approved extracurricular activity.

Any organization which does not seek an application for sanctioning by the Board of Education must deposit its funds within the District's School Activity Fund and shall be subject to all such rules and regulations pertaining to the School Activity Fund.

Sanctioning by the Board of Education in no way grants the organization “tax-exempt” status for its operations, nor does it grant “tax-deductible” status to its donors. Sanctioned organizations may not use the District’s tax ID number for tax exemption or other reasons, thus obtaining their own tax ID and tax exemption status. Sanctioned organizations must issue all appropriate 1099s, W-2s, and all other annual tax forms as required by law.

The Duncan Board of Education believes that it has a responsibility to employ only those persons who are qualified in every respect. The board further believes that it should avail itself of means and methods provided by the legislature to assist in the selection of employees. Therefore, it is the policy of this board of education that a national criminal history record check shall be conducted of all prospective employees. The board of education is not required to obtain a new criminal history record check for an individual who has obtained certification from the Oklahoma State Department of Education within the previous twelve (12) months. A national criminal history record check is defined at 74 O.S. § 150.9 and requires a check of criminal history records entailing the fingerprinting of the individual and submission of the fingerprints to the United States Federal Bureau of Investigation (FBI) for the purpose of obtaining the national criminal history record of the person from the FBI.

Any teacher employed prior to May 19, 2020 who does not have an Oklahoma criminal history record check from the Oklahoma State Bureau of Investigation as well as a national criminal history record check as defined above on file with the school district shall complete the criminal history background checks upon the next renewal of his or her Standard Teaching Certificate. Any other employee employed by the district prior to May 19, 2020 who does not have an Oklahoma criminal history record check from the Oklahoma State Bureau of Investigation as well as a national criminal history record check as defined above on file with the school district shall have until July 1, 2022 to complete the criminal history background checks.

A written consent will be required from the prospective employee consenting to a felony records check to be conducted as authorized by Oklahoma law. The records check shall be initiated by the school district's written request, through the superintendent, to the State Department of Education. Effective November 1, 2012, the school district may contract with a third-party vendor who is a member in good standing with the National Association of Professional Background Screeners to perform any and all employment screenings, background checks, and credit checks.

Any person applying for employment as a substitute teacher shall only be required to have one such national criminal history records check for the school year. Upon

Any person employed as a full-time teacher by a school district in Oklahoma in the five (5) years immediately preceding an application for employment as a substitute teacher may not be required to have a national criminal history record check, if the teacher produces a copy of a national criminal history record check completed within the preceding five (5) years and a letter from the school district in which the teacher was last employed stating the teacher left in good standing and whether the teacher was the subject of any allegation of inappropriate behavior with a student.

Any person who has been employed as a full-time teacher by a school district who applies for employment as a full-time teacher in another school district may not be required to have a national criminal history background check completed if the teacher produces a copy of a national criminal history record check completed within the preceding five (5) years and a letter from the school district in which the teacher was employed stating the teacher left in good standing and whether the teacher was the subject of any allegation of inappropriate behavior with a student.

<b>ANIMALS ON SCHOOL PROPERTY</b>		
ADOPTION DATE:	REVISION DATE(S): 04/14/2026	PAGE 1 OF 2

It is the policy of the Duncan Board of Education that no animals, either domestic or wild, shall be brought onto school premises except ~~in connection with an organized and approved school activity~~, service animals ~~or as otherwise authorized by the appropriate building principal~~ **as identified by federal law**. Written permission must be obtained from the appropriate building principal before any animals are brought onto school property or to any school activity. School property shall include, but not be limited to, any school building or athletic facility. This policy shall specifically prohibit the bringing of any animals onto school property during school athletic contests or events.

Authorized animals must be adequately housed and cared for while on school grounds. Only the teacher, or students designated by the teacher, is to handle the animals. If dogs are allowed to be on school grounds by the principal, the dogs must be leashed at all times and not permitted to run at large.

If animals are to be kept on school grounds on days when classes are not in session, arrangements must be made for their care.

If a staff member or student has been bitten by an animal and the skin has been pierced, the incident must be reported immediately to the school office by the student or the supervising adult. The principal will notify public health authorities and cause the animal to be impounded for observation. Public health authorities will determine the appropriate term of confinement of the animal and method of observation.

Service animals perform some of the functions and tasks that individuals with disabilities cannot perform themselves. Service animals are not pets. There are several kinds of service animals that assist individuals with disabilities. Examples include, but are not limited to, animals that:

1. Assist individuals who are blind or have sever sight impairments,
2. Alert individuals with hearing impairments to sounds,
3. Pull wheelchairs or carry and pick-up items for individuals with mobility impairments, and
4. Assist individuals with mobility impairments with balance.

The district shall not assume or take custody or control of, or responsibility for, any service animal or the care or feeding thereof. The owner or person having custody and control of the service animal shall be liable for any damages to persons, premises, property, or facilities caused by the service animal, including, but not

limited to, clean up, stain removal, etc. All service animals must be “house broken” and must not be out of control.

If, in the opinion of the Superintendent or building principal, any service animal is out of control in the school setting or during District transportation and its handler does not take immediate effective action to control such animal, the matter shall be immediately reported to local law enforcement. The parent or guardian of the student having custody and control of the service animal will be required to remove the service animal from District premises immediately.

If, in the opinion of the Superintendent or building principal, any service animal is often out of control or not consistently “house broken”, such service animal will be denied further access to District property until such time as it is clearly demonstrated to the Superintendent or building principal that such unacceptable conduct has been cured.

**Notice of Tariff Implications on Pricing and Quotes**

As we are sure you are aware, the United States has recently implemented additional tariffs on a global scale and the situation remains dynamic. Many of our manufacturer partners have taken steps to help reduce the potential risks and impacts of these tariffs. Despite these measures, the potential exists for pricing and quotes to be impacted by increases without advance warning. We have been receiving notices of tariff-related price increases from our vendor and manufacturer partners almost daily, as well as undefined future increases.

United Systems will always take every precaution and action possible to avoid increases to quotes and proposals delivered to you. However, the fact remains that some of these matters are outside of our control. As of May 1, 2025, price quotes will only be valid for seven (7) days. We will make our best effort to contact you if we receive notice of price increases that will impact a quote or proposal we have delivered to you so that a decision can be made on purchasing prior to the increase.

We value your business and are hopeful that these uncertain conditions will subside sooner rather than later.

Signature below constitutes acceptance of this quotation and authorizes United Systems LLC to proceed to supply all goods and services as stated. I hereby declare acceptance of payment terms, which is due upon receipt of invoice. Product will be invoiced when delivered and services will be invoiced as they are completed. Items that are returned or cancelled after written approval will be charged a restocking fee.

We have been receiving notices of tariff-related price increases from our vendor and manufacturer partners almost daily, as well as undefined future increases.

United Systems will always take every precaution and action possible to avoid increases to quotes and proposals delivered to you. However, the fact remains that some of these matters are outside of our control. As of May 1, 2025, price quotes will only be valid for seven (7) days. We will make our best effort to contact you if we receive notice of price increases that will impact a quote or proposal we have delivered to you so that a decision can be made on purchasing prior to the increase.

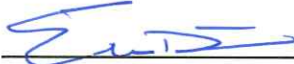

We value your business and are hopeful that these uncertain conditions will subside sooner rather than later.

Signature below constitutes acceptance of this quotation and authorizes United Systems LLC to proceed to supply all goods and services as stated. I hereby declare acceptance of payment terms, which is due upon receipt of invoice. Product will be invoiced when delivered and services will be invoiced as they are completed. Items that are returned or cancelled after written approval will be charged a restocking fee.

Dear School Administrator:

We have prepared and enclosed a "temporary appropriations" form for the fiscal year 2026-2027, reflecting **estimated** amounts for your school. Please remember these are only estimates and that your final appropriations will vary depending on several factors, which are sometimes unavailable until August or September. Please note the temporary appropriation will be replaced with actual appropriations as soon as your 2026-2027 Estimate of Needs is approved by the Excise board.

**It is no longer necessary to publish the Temporary Appropriations.**

The following steps should assist you in the process of getting your Temporary Appropriations approved:

Prior to June 30, 2026

1. Present the form to your board at a school board meeting for their approval.
2. Have your School Board President and Board Clerk sign the form in the designated places approximately halfway down the form.
3. The date of the school board meeting in which the form was approved should be entered in the appropriate space on the form.
4. Present the form to the County Clerk of the county in which your school is located.
5. The County Clerk, as Secretary to the Excise Board, will submit the form at the appropriately scheduled time for consideration and approval of the County Excise Board.

Once approved, warrants may be drawn against these appropriations pending action by the Excise Board upon the Estimate of Needs of your school district for the 2026-2027 fiscal year. When the Estimate of Needs for your school district is finally approved, the temporary appropriation amounts will have to be adjusted for any differences between amounts shown on the temporary appropriations and those shown as appropriations on Exhibit Y of your 2026-2027 Estimate of Needs.

If your school district will be the L.E.A. for one or more cooperative programs in the 2026-2027 fiscal year, be sure to verify the temporary appropriations amount shown on this form. If the Cooperative Fund is not listed on this form, or the amount reflected on the form is not a reasonable estimate of your expected cooperative revenues, please call us and we will add or change the form to accommodate your needs.

Cash funds do not have to be included in the temporary appropriations form. Bond funds are also not included. The original sale of the bonds serves as proper authorization of appropriation.

If you have questions, give us a call.

Sincerely,

  
Patten & Odom, CPAs, PLLC
